UPWP REVISION FORM

FLORIDA DEPARTMENT OF TRANSPORTATION

Last updated: 08/11/2023

MPO: Polk TPO

Revision #: 4

Reason: The Polk TPO is proposing amendments to the UPWP that de-obligate $500,000 from FY 2025/26 so they can be available for programming in the new UPWP for FY 2026/27. As part of this amendment for Task 3.1, we are also making a slight change to the name of the project being amended so there is consistency between the two UPWPs to avoid confusion going forward. This involves the consultant project entitled "I-4 Regional Intermodal Station Feasibility Study" in the FY 2025/26 UPWP and is being called the "I-4 Intermodal Passenger Rail Station Feasibility/Planning Study" in the new UPWP.
