That was corrected in an addendum 4 which is attached to the contract  and all vendors where provided with the attached Wage Determination on the FTP Site.

I can add the Attachment to Addendum 4 but typically we don't add all the FTP Site Docs because drawings, etc... would make contract 1000s of pages.

Let me know what FDOT would like us to do.

Hi Jose,

The Wage Rate used on page 151 (PDF Page 305) is for Construction Type: Building. This should be Construction Type: Highway.

"General Decision Number: FL20250223 07/04/2025

Superseded General Decision Number: FL20240223

State: Florida

Construction Type: Building

County: Polk County in Florida.

BUILDING CONSTRUCTION PROJECTS (does not include single family homes or apartments up to and including 4 stories).

Please update and replace with the correct Wage Rate table.

Thanks,
Kelly

Jose,

Please submit the attached Construction Contract for FDOT's review and approval for final execution. We have already finalized the Agenda Item --I will target the 6/2/26 Board Meeting, but that is dependent on their approval by 5/20/26.

Have a great weekend.
