CHAPTER 2 DEVELOPMENT COORDINATION

Section 250-E

Engineer of Record's Letter of Certification

December 2010

Project: Legacy Landings
PCU Project No.: LDRES-2020-67

I, as ENGINEER OF RECORD for the above subject project, hereby certify to PCU that all applicable water, wastewater, and/or reclaimed water systems constructed as part of, and in conjunction with the subject project are completed in conformance with the Construction Plans as approved by PCU and all State of Florida construction permit conditions. These utility systems are complete, functional, ready to be placed into operation to provide service to the public, and ready for PCU acceptance, ownership, operation, and maintenance responsibility.

The Record Drawings accurately reflect all utility system information, to include: each and every water, wastewater, and reclaimed water service, tap, clean-out, valve, fire hydrant, fitting, casing, and pipe referenced either from at least two fixed and easily found reference points (e.g., property corners, manhole lids, valve covers, etc.) or by the use of stations and offsets from the center of wastewater manholes or inline valves, as applicable. Depths, material specifications, and sizes of pipes, valves, and fittings are indicated on the Record Drawings. Lot numbers, street names, locations of easements, property boundaries, etc. are shown on the Record Drawings and are consistent with the approved Recorded Plat. Horizontal dimensions and distances shown are within 0.1 foot accuracy. Vertical dimensions, elevations, and distances are within 0.1 foot accuracy.

All Record Drawing information is warranted perpetually.

ENGINEER'S CERTIFICATE

Project Name:
Legacy Landings

Project Number:
LDRES-2020-67

Date:
March 1, 2022

This is to certify that I have made periodic inspections on this project during construction and all work has been substantially performed in accordance with plans and specifications as approved by the Polk County Engineer.

Michael O. Flora P.E.
Florida Registration #79415
Sloan Engineering Group
P.O. Box 253
Bartow, Florida 33831
Certificate of Authorization #26247

CHAPTER 2

DEVELOPMENT COORDINATION

Section 250-F

Contractor's Letter of Certification

Project: Legacy Landings _____ PCU

Project No.: LDRES-2020-67

I, as the CONTRACTOR for the above subject project, hereby certify to PCU that the Water ☒, wastewater ☒, and/or reclaimed water ☒ system (check all that apply) constructed as part of, and in conjunction with the above subject project are completed and in conformance with the Construction Plans approved by PCU, and State of Florida construction permit conditions. These utility systems are complete, functional, ready to be placed into operation to provide service to the public, and ready for County acceptance for PCU to take ownership, operation, and maintenance responsibility.

The As-Builts accurately reflect all utility system information, to include: each and every water, wastewater, and reclaimed water service, tap, clean-out, valve, fire hydrant, fitting, casing, and pipe referenced either from at least two fixed and easily found reference points (e.g., property corners, manhole lids, valve lids, etc.) or by the use of stations and offsets from the center of wastewater manholes or inline valves, as applicable. Depths, material specifications, and sizes of pipes, valves, and fittings are indicated on the As-Builts. Lot numbers, street names, locations of easements, property boundaries, etc. are shown on the As-Builts and are consistent with the approved Recorded Plat. Horizontal dimensions and distances shown are within 0.1 foot accuracy. Vertical dimensions, elevations, and distances are within 0.1 foot accuracy.

All construction materials and workmanship is warranted for one (1) calendar year from the date of acceptance by the Board of County Commissioners.

Developer's Letter of Dedication & Statement of Warranty

Project:
PCU Project No.:

Legacy Landings

LDRES-2020-67

I, as the DEVELOPER of the above subject project, hereby dedicate to PCU all applicable water, wastewater, and/or reclaimed water systems constructed as part of, and in conjunction with the subject project for ownership, operation, and maintenance responsibility. Further, I certify that all bills relative to this project have been paid, and there are no liens or other encumbrances against the project.

All construction, materials, and workmanship are warranted for one (1) calendar year from the date of acceptance by the Board of County Commissioners.

LAND DEVELOPMENT DIVISION

MEMORANDUM

To: Chrissy Irons, Project Coordinator

From: Michael Osborne, Inspector

Project Name: Legacy Landings

Project #: LDRES-2020-67

PCUMD Project #2020-40-20-0

DATE: 5/19/2022

The Inspector of Record has made a final review of the above mentioned project. As a result of inspections, test results, and general site observations, I certify that the project is complete and represents reasonable compliance with the intent of the plans designed by the Engineer of Record and approved by the Polk County Land Development Division. The exact field locations and elevations of the storm water, potable water, wastewater, and reclaimed water systems are not guaranteed nor certified by the inspector.

It is the Contractor and Engineer of Record's responsibility to furnish the Polk County Land Development Division with Record Drawings and other final closeout documentation, as required by the Land Development Code and the Utility Standards and Specifications Manual, for final review and approval of the completed project before release of C.O.'s.

Should you have any further questions in the matter, please call (863) 534-6449.
