WHEREAS, a public hearing was held on September 12, 2022, and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Polk County, Florida:

SECTION 1. AUTHORITY. This Final Assessment Resolution is adopted pursuant to the Ordinance, Article VIII, Section (1), Florida Constitution, sections 125.01 and 125.66, Florida Statutes, the Polk County Home Rule Charter and other applicable provisions of law.

SECTION 2. PURPOSE AND DEFINITIONS. This resolution constitutes the Final Assessment Resolution required by the Ordinance. All capitalized words and terms not otherwise defined herein shall have the meanings set forth in the Ordinance. When not inconsistent with the context, words used in the present tense include the future, words in the plural include the singular, and words in the masculine include the feminine gender and vice versa. The word "shall" is always mandatory and not merely discretionary.

SECTION 3. RATIFICATION AND APPROVAL OF MSBU.

- (A) The Skyview Utility Municipal Service Benefit Unit created pursuant to the Ordinance is hereby ratified and approved to include the real property located within the area described in "Exhibit D" of the Ordinance less those properties listed on Exhibit "B" of this Final Assessment Resolution.
- (B) The MSBU shall be a municipal service benefit unit within the contemplation of Florida Statutes, Section 125.01(1)(q).
- (C) Assessed Properties are set out and enumerated in the Annual Assessment

Roll attached hereto as Exhibit "A"

SECTION 4. LEGISLATIVE DETERMINATIONS OF SPECIAL BENEFIT AND FAIR APPORTIONMENT. It is hereby ascertained, determined and declared:

- (A) The Capital Improvements made to the System serve a public purpose.
- (B) The Properties within the MSBU which receive water or wastewater services from the City or has the ability to receive water or wastewater services from the City as a result of the Capital Improvements to the System has received a special benefit from the Capital Improvements made to the System by the City.
- (C) The imposition and levy of an Assessment is the most equitable and efficient method of allocating and apportioning the Capital Improvement Costs.
- (D) The Assessment imposed under the Ordinance and this Final Assessment Resolution is a non-ad valorem assessment within the meaning and intent of Section 197.3632, Florida Statutes, or its successor in function.
- (E) Adoption of this Final Assessment Resolution constitutes a legislative determination that all parcels assessed derive a special benefit, as set forth in the Ordinance, the Tentative Rate Resolution and this Final Assessment Resolution, and a legislative determination that the assessments set out and enumerated in the attached Annual Assessment Roll as Exhibit "A" are fairly and reasonably apportioned among the properties that receive the special benefit from the Capital Improvements made to the System by the City.

SECTION 5. APPORTIONMENT METHODOLOGY.

(A) It is hereby acknowledged that the apportion methodology contained in this Section 5 is to be applied in the calculation of the Assessment for each Assessment Property by using the rates established in Section 6 of this Final Assessment Resolution.

(B) The Costs shall be apportioned on a per Equivalent Residential Connection ("ERC") basis where an ERC equals the average water use of a single-family residence as determined by the City.

SECTION 6. DETERMINATION OF COSTS; ESTABLISHMENT OF ASSESSMENT RATES.

(A) The amortized amount of the estimated Capital Improvement Costs to be collected in the Fiscal Year beginning October 1, 2022 is \$175,161.65.

(B) For the Fiscal Year beginning October 1, 2022 the assessments rates for residential properties shall be as follows:

Residential Property Use Category	ERC Value per Unit/Space	Water Services	Wastewater Services	Connection Fee
Single-Family Residence	1	\$25.50	\$52.36	\$95.28
Multi-Family or mobile home	.75	\$19.13	\$39.27	\$71.46
Duplex	1.5	\$38.25	\$78.54	\$142.92

(C) Commercial and other non-residential properties shall be assessed based on the ERC impact to the System as calculated by the City.

(D) The Assessed Properties shall be assessed for those services in which the Assessed Property receives or has the ability to receive from the City as a result of the Capital Improvements made to the System by the City.

(E) Section 193.0235, Florida Statutes prohibits an assessment imposed by a county to be assessed separately against common elements utilized exclusively for the benefit of the lot owners within the subdivision. Accordingly, it is fair and reasonable to prorate among all the lots within a platted subdivision within the MSBU on a per lot

basis any Assessment that would otherwise be imposed against a common element of the platted subdivision containing such lot.

SECTION 7. RATIFICATION AND CONFIRMATION OF THE ASSESSMENT TO BE IMPOSED THE ENSUING FISCAL YEAR. The attached Annual Assessment Roll is hereby ratified and confirmed. Pursuant to the Ordinance and based on the rate established in Section 6 of this Final Assessment Resolution, the proposed Assessment to be imposed against each Assessed Property located in the MSBU for the Fiscal Year beginning October 1, 2022 is established at the rate indicated in the Total column in Exhibit "A" for the Assessed Property.

SECTION 8. CONFIRMATION OF TENTATIVE RATE RESOLUTION. The Tentative Rate Resolution is hereby confirmed.

SECTION 9. EFFECT OF ADOPTION OF RESOLUTION. The adoption of this Final Assessment Resolution shall be the final adjudication of the issues presented (including, without limitation, the determination of special benefit and fair apportionment to the Assessment Property, the method of apportionment and assessment, the rate of assessment, the final assessment roll and lien of the Assessment), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of this Final Assessment Resolution.

SECTION 10. SEVERABILITY. If any clause, section or other part of this Resolution shall be held by any court of competent jurisdiction to be unconstitutional or invalid, such unconstitutional or invalid part shall be considered as eliminated and in no way affecting the validity of the other provisions of this Final Assessment Resolution.

SECTION 11. EFFECTIVE DATE. This Final Assessment Resolution shall take effect immediately upon its passage.

ADOPTED this 12th day of September, 2022.

**NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR
COLLECTION OF SPECIAL ASSESSMENTS IN THE SKYVIEW
UTILITY MUNICIPAL SERVICE BENEFIT UNIT**

Notice is hereby given that the Polk County Board of County Commissioners will conduct a public hearing to consider imposing special assessments and to provide for collection of the special assessments to defray the costs of making capital improvements to the water and wastewater systems for the Skyview neighborhood located in the unincorporated area of Lakeland. The project was completed by the City of Lakeland which will provide water and wastewater utility services to the Skyview neighborhood as depicted herein. The hearing will be held on **September 12, 2022 at 6:00 p.m.** in the Commission Board Room, 1st Floor of the County Administration Building, 330 W. Church Street, Bartow, Florida, for the purpose of receiving public comment on the proposed imposition of special assessments in the Skyview Utility Municipal Service Benefit Unit (MSBU). All affected property owners have a right to appear at the hearing and to file written objections with the County Commission within 20 days of the publication of this notice. If a person decides to appeal any decision made by the Board of County Commissioners with respect to any matter considered at the hearing, such person will need a record of this proceeding and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing special accommodations or an interpreter to participate in this proceeding should contact the County Clerk at (863) 534-6000 at least seven days prior to the date of the hearing.

The assessment for each parcel of property will be based on the Equivalent Residential Connection ("ERC"). The following table reflect the proposed rates for residential properties:

Residential Property Use Category	ERC Value per Unit/ Space	Water Services	Wastewater Services	Connection Fee
Single-Family Residence	1	\$25.50	\$52.36	\$95.28
Multi-Family or mobile home	.75	\$19.13	\$39.27	\$71.46
Duplex	1.5	\$38.25	\$78.54	\$142.92

Commercial properties shall be assessed based on the ERC Impact to the System as calculated by the City of Lakeland.

The proposed assessment for each parcel in the MSBU is contained in Polk County Resolution No. 22-056 which is available for inspection at the office of the County Clerk located at the Polk County Administration Building, 330 W. Church Street, Bartow, Florida.

The assessments will be collected by the Tax Collector on the ad valorem tax bills by the Tax Collector as authorized by Section 197.3632, Florida Statutes. Failure to pay assessments will cause a tax certificate to be issued against the property that may result in a loss of title. The County Commission intends to collect the assessments in twenty (20) annual installments, the first of which was included on the ad valorem tax bill mailed in November 2016.

If you have any questions, please contact the Polk County Utilities at (863) 298-4147.
