### **SUBJECT**

Public hearing to consider adoption of the Final Rate Resolution for the 2022-23 Street Lighting Assessments.

### **DESCRIPTION**

Each fiscal year, the Board must adopt a resolution setting Street Lighting Assessments for the newly created, amended and existing Street Lighting Assessment Areas created by this Board. In establishing the amount of such assessments, the Finance and Accounting Department calculates and recommends to the Board each year appropriate assessments for the operation and maintenance of each Street Lighting Assessment Areas in Polk County based on projected electric, maintenance charges and administrative costs for each district. Attached hereto is the proposed Final Rate Resolution for the 2022-23 Street Lighting Assessments.

### **RECOMMENDATION**

Adopt the attached proposed Final Rate Resolution establishing 2022-23 Street Lighting Assessments.

### **FISCAL IMPACT**

There is no fiscal impact to the County. The assessments are to reimburse the costs incurred for the installation, operation, and maintenance of the requested streetlights within each unit.
