### **SUBJECT**

Adopt a Resolution Setting Speed Limit on Holly Hill Road, near Haines City. (\$262.21 one-time expense)

### **DESCRIPTION**

The Roads & Drainage Division received a request from a law enforcement officer to consider lowering the speed limit on Holly Hill Road. In researching the request, the Roads & Drainage Division discovered a Resolution dated August 7, 1990, establishing a 40 M.P.H. speed limit for Holly Hill Road. Holly Hill Road is located in the Haines City area in S-5, T-27S, R-27E, and is classified as a Rural Minor Collector road.

Staff conducted traffic studies on Holly Hill Road as outlined in FS 316.189, and investigated the five-year crash history. Based on the research, it was determined that a posting of 35 M.P.H. is reasonable for the road. To comply with statutory requirements, it is necessary for the Board to adopt a Resolution establishing the proposed speed limit.

### **RECOMMENDATION**

Request Board adopt the associated Resolution to establish the proposed speed zone for Holly Hill Road. Cost for installation of signs is estimated at \$262.21.

### **FISCAL IMPACT**

Funding is budgeted in the FY 21/22 Transportation Millage Fund.
