[See Attached 2 Page]

The nature, terms and duration of the nonexclusive permanent easement (the "Easement") which the Polk Regional Water Cooperative ("PRWC") acquires from the property owners/interest holders ("Owner) of the real property shown and described on Exhibit "A" are:

The Easement in, upon and through the following described land in the County of Polk, State of Florida to-wit:

SEE ATTACHED EXHIBIT "A"  
(the "Easement Area")

The permanent perpetual water line Easement interests and rights acquired by PRWC are the exclusive and perpetual right, privilege and authority to construct, install, maintain, operate, inspect, patrol, ingress and egress, test, repair, alter, substitute, relocate, resize, replace and remove the water transmission line or lines and related fixtures and/or appurtenances thereto, and vehicular and pedestrian access over the easement area, for the transmission of water and such other improvements as are reasonably necessary in connection with the water supply project for the PRWC.
2. In the event that the construction and installation of the water transmission line or lines and related fixtures and/or appurtenances thereto impact Grantor's improvements, PRWC shall, to the extent practicable, relocate or replace with the same, like, or better quality and at their original locations or as near as is reasonably practicable, all fences, roads, driveways, sidewalks, parking areas, irrigation systems, well, septic tanks and septic drain fields, that PRWC damaged or cause to be removed, relocated or replaced from the Easement before or during initial construction and installation of the water transmission line or lines and related fixtures and/or appurtenances. Furthermore subject to PRWC's acquired easement rights, PRWC will restore the surface of all disturbed areas within the Easement to its original contour and condition, as near as is reasonably practicable.
3. This Grant of Easement shall not be construed as a grant of right of way and is limited to a PRWC Easement. The GRANTOR shall have the right to use the area subject to the Easement granted hereby, including without limitation for improved parking areas, improved driveways, and landscaping, which are not inconsistent with the use of the Easement by PRWC for the purposes granted hereby. Inconsistent improvements to the use of the Easement by the GRANTOR for the purposes granted hereby, including mounded landscaping, building foundations and overhangs, foundations for pole mounted commercial signage, and other permanent structures and related foundations shall be strictly prohibited. With the specific written approval of PRWC, the limited use of trees, walls, and mounded landscaping may be utilized within the Easement by GRANTOR.
4. GRANTOR shall not have the right to grant other easements to other parties without the prior written consent of the PRWC. In the event that PRWC performs emergency related repairs, unscheduled infrastructure adjustment activities, or scheduled community improvement projects within said Easement, PRWC shall be
