The Easement in, upon and through the following described land in the County of Polk, State of Florida, to-wit:

SEE ATTACHED EXHIBIT "A"
(the "Easement Area")

1. The permanent perpetual water line Easement interests and rights acquired by PRWC are the perpetual right, privilege and authority to construct, install, maintain, operate, inspect, patrol, ingress and egress, test, repair, alter, substitute, relocate, resize, replace and remove the water transmission line or lines and related fixtures and/or appurtenances thereto, and vehicular and pedestrian access over the easement area, for the transmission of water and such other improvements as are reasonably necessary in connection with the water supply project for the PRWC.
2. In the event that the construction and installation of the water transmission line or lines and related fixtures and/or appurtenances thereto impact Owner's improvements, PRWC shall, to the extent practicable, relocate or replace with the same, like, or better quality and at their original locations or as near as is reasonably practicable, all fences, roads, driveways, sidewalks, parking areas, irrigation systems, wells, septic tanks and septic drain fields, that PRWC damaged or caused to be removed, relocated or replaced from the Easement before or during initial construction and installation of the water transmission line or lines and related fixtures and/or appurtenances. Furthermore subject to PRWC's acquired easement rights, PRWC will restore the surface of all disturbed areas within the Easement to its original contour and condition, as near as is reasonably practicable.
3. This Grant of Easement shall not be construed as a grant of right of way and is limited to a PRWC Easement. The Owner shall have the right to use the area subject to the Easement granted hereby, including without limitation for improved parking areas, improved driveways, and landscaping, which are not inconsistent with the use of the Easement by PRWC for the purposes granted hereby. Inconsistent improvements to the use of the Easement by Owner for the purposes granted hereby, including mounded landscaping, building foundations and overhangs, foundations for pole mounted commercial signage, and other permanent structures and related foundations shall be strictly prohibited. With the specific written approval of PRWC, the limited use of trees, walls, and mounded landscaping may be utilized within the Easement by Owner.
4. Owner reserves the right to grant permission or other easements to other parties for ingress and egress. In addition, the Owner reserves the right to grant

permission or other easements to other parties for the purpose of installing and maintaining underground utilities, including without limitation, electrical, gas, broadband, fiber optic and cable (but not other water transmission lines), with the prior written consent of PRWC. PRWC shall not unreasonably withhold, condition, or delay its decision concerning such utility easements. Owner's request to grant permission or an easement to other parties must be written and delivered 1) in person, 2) via certified or registered mail (return receipt), or 3) via nationally recognized overnight delivery service to the attention of the Executive Director of the Polk Regional Water Cooperative at the then-current address of the PRWC as reflected on the PRWC website. If after sixty (60) days, PRWC has not responded to Owner's request to grant permission or an easement to other parties, Owner may assume PRWC has granted permission for same. Any permissions or easements granted under this Paragraph prior to Owner's development of the subject property must be perpendicular to the PRWC easement.

5. In the event that PRWC performs emergency related repairs, unscheduled infrastructure adjustment activities, or scheduled community improvement projects within said Easement, PRWC shall be responsible for restoring the disturbed portions of all existing approved and permitted improvements in as good or better condition that existed prior to the disturbance activity by PRWC.
