Re: Nonexclusive Commercial Franchise Application
Litigation History

Dear Polk County Waste & Recycling Division:

Pursuant to Polk County Ordinance 13-069, Republic Services submits this renewal application, with required updates to items included on Republic's prior application.

The first two categories of section 4-1(C)(2)(c) of the Ordinance relate to threatened or actual criminal cases involving a felony charge. Republic has nothing responsive and no update to these categories.

The third category relates to alleged environmental violations that either are currently pending or have resulted in an adverse formal action. Republic has nothing responsive and no update to this category.

The fourth category relates to violation of ordinances and contracts concerning solid waste collection. Republic has no update to this category.

The fifth category relates to fines, penalties, and liquidated damages history in excess of \$5,000 as a result of violation of ordinances or contracts concerning solid waste collection. Republic encloses its updates in a spreadsheet detailing its liquidated damages history.

The disclosures contained herein present, pursuant to the applicable Ordinance, those litigation and agency enforcement "cases" in which Republic has been involved. Although Republic has from time to time encountered and paid liquidated damages claims, including to Polk County, and Republic has otherwise engaged in ongoing discussions regarding liquidated damages and other issues under franchise agreements, such claims, disputes, and discussions have not occurred attendant to litigation, criminal proceedings, or agency enforcement cases and therefore are not necessarily included in these disclosures. Additionally, from time to time Republic has filed breach of contract suits against customers who fail to pay for collection services and, occasionally, these cases result in disputed counterclaims. Republic does not formally track such matters.

All materials submitted herein are correct and complete.

Sincerely,

Mary Boyer

Mary Boyer

- 1) Updated applicant information, including the identity of the applicant's principals, partners, and management. Any partnership, corporation, or other business entity must be authorized to do business within the state of Florida and must be in good standing with the Florida Department of State, Division of Corporations. (*Ordinance Section 4-1C - 1, 2a, b, & c*)
- 2) A complete list of vehicles, equipment, and other physical assets that will be used to collect and transport solid waste within Polk County, including make, model, capacity, size, type, and vehicle identification number. (*Ordinance Section 4-1C - 2d*)
- 3) A complete list of customers, the frequency of services, the identification number, size, capacity, and type of container used to collect solid waste within Polk County. (*Ordinance Section 4-1C - 2e*)
- 4) Current, original Certificates of Insurance, listing Polk County as the "Certificate Holder." Applicants are required to provide proof of comprehensive general liability and workers compensation. (*Ordinance Section 4-1C - 2g*)
- 5) Notarized Affidavit and Indemnity (*Attached*)

Each vehicle in your fleet is also required to pass an annual vehicle safety inspection. The fee for the annual vehicle safety inspections is \$200 per vehicle and will be conducted on an ongoing basis as the trucks come to the landfill or at your facility. You may also contact our office to schedule an inspection if necessary.

Polk County reserves the right to revoke and/or modify any Non-Exclusive Commercial Franchise for the collection of solid waste.

If you have any questions, please do not hesitate to contact me at (863) 284-4363.

Re: Nonexclusive Commercial Franchise Application
Litigation History

Dear Polk County Waste & Recycling Division:

Pursuant to Polk County Ordinance 13-069, Republic Services submits this renewal application, with required updates to items included on Republic's prior application.

The first two categories of section 4-1(C)(2)(c) of the Ordinance relate to threatened or actual criminal cases involving a felony charge. Republic has nothing responsive and no update to these categories.

The third category relates to alleged environmental violations that either are currently pending or have resulted in an adverse formal action. Republic has nothing responsive and no update to this category.

The fourth category relates to violation of ordinances and contracts concerning solid waste collection. Republic has no update to this category.

The fifth category relates to fines, penalties, and liquidated damages history in excess of \$5,000 as a result of violation of ordinances or contracts concerning solid waste collection. Republic encloses its updates in a spreadsheet detailing its liquidated damages history.

The disclosures contained herein present, pursuant to the applicable Ordinance, those litigation and agency enforcement "cases" in which Republic has been involved. Although Republic has from time to time encountered and paid liquidated damages claims, including to Polk County, and Republic has otherwise engaged in ongoing discussions regarding liquidated damages and other issues under franchise agreements, such claims, disputes, and discussions have not occurred attendant to litigation, criminal proceedings, or agency enforcement cases and therefore are not necessarily included in these disclosures. Additionally, from time to time Republic has filed breach of contract suits against customers who fail to pay for collection services and, occasionally, these cases result in disputed counterclaims. Republic does not formally track such matters.

All materials submitted herein are correct and complete.

Sincerely,

Mary Boyer

Mary Boyer
General Manager

The foregoing instrument was acknowledged under oath before me this 26th day of August 2025, by Mary Boyer, who personally known to me.
