Cellco Partnership
7701 East Telecom Parkway Wing A-1
Temple Terrace FL. 33637
Santiago.Torres@VerizonWireless.com

To Whom It May concern,

Cellco Partnership operates as Verizon Wireless and is authorized by the Federal Communications Commission (FCC) to provide state of the art digital wireless communications in many parts of the nation, including Polk County, FL. Verizon Wireless' operations and network are fully licensed and regulated by the FCC.

Verizon Wireless transmitter sites are designed to be in compliance with all applicable FCC requirements at all times. As such, these communications facilities should not cause any disruptive interference with any transmitter or receiver that will co-exist at, on or near their communications structures. In the unlikely event of any suspected interference related problems, Verizon Wireless will follow established FCC guidelines and take measures to see that their systems are operating in full compliance with FCC regulations. In addition, all Verizon Wireless sites meet all applicable ANSI/IEEE C95.1-1992 exposure level guidelines, as adopted by the FCC requirements or are clearly marked if they exceed any advisory levels.

Verizon Wireless is committed to compliance with all government regulations and standards. Verizon Wireless can be reached at (800) 264-6620 - 24 hours a day, 7 days a week for any concerns regarding radio frequency in reference or emissions from this antenna site.

Sincerely,

A handwritten signature in blue ink, appearing to read "Santiago Torres".

Santiago Torres
Senior RF Design Engineer, Verizon Wireless
