**DEVELOPMENT COORDINATION**

**Section 250-E**

**Engineer of Record's Letter of Certification**

Project: Providence Self Storage US 17-92 & Kinney Harmon Rd. Polk County

PCU Project No.: LDNON-2019-234

I, as ENGINEER OF RECORD for the above subject project, hereby certify to PCU that all applicable water, wastewater, and/or reclaimed water systems constructed as part of, and in conjunction with the subject project are completed in conformance with the Construction Plans as approved by PCU and all State of Florida construction permit conditions. These utility systems are complete, functional, ready to be placed into operation to provide service to the public, and ready for PCU acceptance, ownership, operation, and maintenance responsibility.

The Record Drawings accurately reflect all utility system information, to include: each and every water, wastewater, and reclaimed water service, tap, clean-out, valve, fire hydrant, fitting, casing, and pipe referenced either from at least two fixed and easily found reference points (e.g., property corners, manhole lids, valve covers, etc.) or by the use of stations and offsets from the center of wastewater manholes or inline valves, as applicable. Depths, material specifications, and sizes of pipes, valves, and fittings are indicated on the Record Drawings. Lot numbers, street names, locations of easements, property boundaries, etc. are shown on the Record Drawings and are consistent with the approved Recorded Plat. Horizontal dimensions and distances shown are within 0.1 foot accuracy. Vertical dimensions, elevations, and distances are within 0.1 foot accuracy.

**Contractor's Letter of Certification**

Project: Providence Self Storage US 17-92 & Kinney Harmon Rd. Polk County

Project No.: L D N O N - 2 0 1 9 - 2 3 4

I, as the CONTRACTOR for the above subject project, hereby certify to POLK COUNTY that the Water X, wastewater X, reclaimed water X, storm X, roadway X, (check all that apply) systems constructed as part of, and in conjunction with the above subject project are completed and in conformance with the Construction Plans approved by POLK COUNTY, and State of Florida construction permit conditions. These public infrastructure improvements are complete, functional, ready to provide service to the public, and ready for County acceptance for POLK COUNTY to take ownership, operation, and maintenance responsibility.

The Record Drawings accurately reflect all public infrastructure system information. Lot numbers, street names, locations of easements, property boundaries, etc. are shown on the Record Drawings and are consistent with the approved Recorded Plat.

All construction materials and workmanship is warranted for one (1) calendar year from the date of acceptance by the Board of County Commissioners.

**LAND DEVELOPMENT DIVISION**

MEMORANDUM

**To:** Chrissy Irons, Development Coordinator II

**From:** Dennis Lester, Inspector

**Project Name:** Providence Self Storage

**Project #:** LDNON-2019-234

**DATE:** 10/29/2024

The Inspector of Record has made a final review of the above-mentioned project. As a result of inspections, test results, and general site observations, I certify that the project is complete and represents reasonable compliance with the intent of the plans designed by the Engineer of Record and approved by the Polk County Land Development Division. The exact field locations and elevations of the storm water, potable water, wastewater, and reclaimed water systems are not guaranteed nor certified by the inspector.

It is the Contractor and Engineer of Record's responsibility to furnish the Polk County Land Development Division with Record Drawings and other final closeout documentation, as required by the Land Development Code and the Utility Standards and Specifications Manual, for final review and approval of the completed project before release of C.O.'s.

Should you have any further questions in the matter, please call (863) 534-6449.
