Dear Mr. Penning-

The purpose of this letter is to outline a basis of understanding between Verizon Wireless (Verizon) and Milestone Towers (Milestone) regarding use of a communications tower facility proposed to be built by Milestone at 4754 Cypress Gardens Rd, Winter Haven, FL 33884.

Verizon intends to lease space on the proposed tower at 145'.

This has been evaluated by our engineering team and confirmed to be the lowest height that will adequately address network objectives in the area.

Please contact me directly if you have any questions.

We look forward to working with you on this important project.

Sincerely,

A handwritten signature in blue ink that reads "Scott Henze".
