GoodMorning Commissioner Lindsey,

In reference to the upcoming meeting to be held on November 5th, 2024.

I am in Support of the Redevelopment Project here in Grenlefe.

We appreciate everything that Scott House is trying to do in making Grenlefe a better place to live here in Polk County.

Best Regards
Butch Hamilton

Dear Commissioner Combee,

I am writing in support of the Grenelefe Redevelopment Project. Unfortunately I cannot attend the November 5 meeting in person since I am traveling but wanted to let the commissioners know how important this project is to the Grenelefe community.

As you know Grenelefe has been totally forsaken in the past and as an owner here in Grenelefe I am ecstatic with Mr. House's plans for our community.

Please vote YES to the project!

Most Sincerely your constituent,
Juli

Good morning,

My name is Robert Lewis and I live at 6 Greenwood Ln in Haines City.

I'm writing this morning to express my continued support for the improvements proposed for the Grenelefe Community. The proposed text amendment to be heard on Nov 5th is what is best for the current and future residents of Grenelefe. We understand we are not asking for permission to build as that right has already been given. We are simply asking that the plan on the books today be amended to better suit our community. We have no interest in thousands of short term rental properties, multi family units, hotels, or convention centers. Grenelefe is much better suited to be a residential community with new infrastructure and amenities for its residents. This plan reduces future construction and density and the extra traffic that would follow.

Scott House and his team have been great to work with and have allowed us to have a voice. They've listen to our concerns and asked for our input and ideas and have implemented many into the new redevelopment plan. New investment and ideas are what Grenelefe needs and what is has lacked for nearly 3 decades. You'll find a majority of the opposition live outside of Grenelefe are just your run of the mill anti-development crowd. There is virtually no opposition from Grenelefe residents and even our past critics from the Country Homes community have now gotten behind this plan and voiced their support.

We ask for a yes vote on the Nov 5th text amendment and thank you for your time and patience.

Good morning,

I am a Haines City Native and worked at Grenelefe Resort back in the early 80's right after graduating from Haines City High School.

It was a beautiful place. We had Professional golf and tennis tournaments. I met Arnold Palmer and Martina Navratilova, plus many more professional athletes. I watched the William sisters grow up out there practicing with the tennis pro.

We also had alot of companies such as JC Penneys, etc have conferences out there.

All these events brought alot of revenue to our little town and put us on the map.

I eventually bought a lake villa out there in 2005. Grenelefe had been devastated by the three 2004 hurricanes and never recovered. The properties, tennis courts and golf courses are disastrous amd mon existence now.

That is why I'm writing this email. I feel with the new Grenelefe development we finally have a chance to have our beautiful Grenelefe back and all the great amenities that we once enjoyed. And not all the condos and cookie cutter homes the other developers are throwing up in Florida.

Please take this into consideration when making your decision and make Grenelefe Beautiful again.

Thank you,

Mindy Keen

We want our amenities back and are not interested in more Condos, hotels, or rental properties. We pay HOA fees, and the pools are shut down, The tennis courts are shut.
Bring back our amenities

Hi Lisa,

My name is Wes Shaver and I'm a property owner at Grenelefe (on Fairway Drive). I purchased my home in 2019 for a dual purpose: a vacation home for me, but also a full time home for my mom and grandmother. I'm 39 and I've been coming to Grenelefe my whole life; my grandparents started visiting the resort in the mid 80's and purchased a property in the early 90s. Grenelefe is a very special place.

I wanted to send a personal note to endorse and show my support for the projects and proposed plans. These latest updates are the first of many, many empty promises. I can see myself considering Grenelefe "home" for another 40 years now. My mom and grandma do attend all the meetings and keep me in the loop as I'm in Wisconsin most of the time/year. I've CC: my mom, Sandy Salupo on this email as well since she is the full time resident and represents me on all things Grenelefe.

I know you have a lot on your plate and this is a massive undertaking. Thank you for taking the time and working with everyone to explore the possibilities. I believe Scott and the team have the vision to see something great happen here.

If I can be of any help, please ask. I wish you nothing but the best in the process and am grateful for all of the hard work being invested in this from ALL sides - especially the folks in the municipality, city and county levels.

Thank you, again.

Cheers,

Wes

A little league baseball park would be awesome. Families would love it..we could have our own teams and softball there to for the boys and girls. Think about it everyone would get something out of that , be a great selling point with families that have athletic kids. Plus it keeps them out of trouble .
