Re: Project Genesis: Ad Valorem Tax Exemption Performance Agreement
Lineage Logistics Services, LLC

Please be advised that that due to current market conditions and customer demand, Lineage Logistics Services, LLC ("Lineage") will not be moving forward with building a new facility in Lake Alfred, Florida ("Project Genesis") at this time. Lineage sincerely appreciates the efforts and support from Polk County and the Central Florida Development Council on Project Gensis and looks forward to considering Polk County for future initiatives.

Thank you.
