

The Polk Transportation Planning Organization (TPO) is conducting a Live Stream event on Facebook, starting at Noon on Friday, June 20, 2025 to provide information about “Envision 2050,” the Long Range Transportation plan update. The TPO also wants to know what your transportation needs are for all the modes in Polk County, including, highways and intersections, freight, public transit, trails, bicycle facilities, sidewalks, and passenger rail service.
