To whom it may concern,

Regarding the case file LDWA-2024-21, I completely oppose access via easement waiver to allow eight single family lots on 40.40 +/- acres in the suburban development area.

Gary lane is very quiet residential area where there are lots of children present. Gary lane is also a street in unincorporated Lakeland.

Thank you for your understanding and taking the time to hear our opinions.  
Pleas contact me if you have any questions or concerns.

Kiyah Garcia

To whom it may concern,

Regarding the case file LDWA-2024-21, I absolutely oppose access via easement waiver to allow eight single family lots on 40.40 +/- acres in the suburban development area.

Gary lane is quiet residential area. There are many kids that occupy the area as well and I fear this is just a tragedy waiting to happen. Gary lane is also a street in unincorporated Lakeland.

Thank you for your understanding.

Dear Margo White

Regarding the public hearing on case file LDWA-2024-21, I completely and totally oppose an Access Via Easement Waiver to allow up to eight single-family lots on 40.40 +/- acres in the Suburban Development Area (SDA).

We purchased our home on Gary Lane because of the quiet street and neighborhood and the fact that traffic is minimal, allowing us to enjoy our walks and neighborhood in unincorporated Lakeland. There is no way that I would want or agree to an increase of automobile traffic on our street. The lot in question is NOT a road. It is a dirt and grass lot. I do not want traffic on it.

**Please, Vote "NO" on my behalf for this waiver!**

Thank you.
