Polk County Board of County Commissioners

Meeting Agenda - Final-revised

November 07, 2023 Regular BoCC meeting

In accordance with the American with Disabilities Act, persons with disabilities needing special accommodations to participate in this proceeding should contact the Communications Office not later than 48 hours prior to the proceeding. Their office is located in the County Administration Building, 330 West Church Street in Bartow. Telephone (863) 534-6090 or TTY (863) 534-7777. If hearing impaired dial 7-1-1 for Florida Relay services or call (800) 955-8771 (TTY); dial (800) 955-1339 if you are using a computer.

Any invocation that may be offered before the official start of the Commission meeting shall be the voluntary offering of a private citizen, to and for the benefit of the Commission. The views or beliefs expressed by the invocation speaker have not been previously reviewed or approved by the Commission, and the Commission is not allowed by law to endorse the religious beliefs or views of this, or any other speaker.

If a person decides to appeal any decision made by the board with respect to any matter considered at such meeting or hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

October 17, 2023 Regular BoCC meeting

In accordance with the American with Disabilities Act, persons with disabilities needing special accommodations to participate in this proceeding should contact the Communications Office not later than 48 hours prior to the proceeding. Their office is located in the County Administration Building, 330 West Church Street in Bartow. Telephone (863) 534-6090 or TTY (863) 534-7777. If hearing impaired dial 7-1-1 for Florida Relay services or call (800) 955-8771 (TTY); dial (800) 955-1339 if you are using a computer.

Any invocation that may be offered before the official start of the Commission meeting shall be the voluntary offering of a private citizen, to and for the benefit of the Commission. The views or beliefs expressed by the invocation speaker have not been previously reviewed or approved by the Commission, and the Commission is not allowed by law to endorse the religious beliefs or views of this, or any other speaker.

If a person decides to appeal any decision made by the board with respect to any matter considered at such meeting or hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

CALL TO ORDER - 9:00 a.m. (GEORGE LINDSEY, CHAIR)

INVOCATION

Minutes: A moment of silence was offered on behalf of Israeli victims of the terrorist attack.

Brian Lane, Polk County Fire Rescue Chaplain, gave the invocation.

PLEDGE OF ALLEGIANCE (GEORGE LINDSEY, CHAIR)

A. PRESENTATIONS and RECOGNITIONS

A.1. Employee Recognition

Minutes: The Board recognized Kandis Baker-Buford from Equity and Human Resources, Daniel Egbert from Parks and Natural Resources and Michael Teate from Roads and Drainage for their years of service with the county.

C. REQUEST FROM THE GENERAL PUBLIC/AUDIENCE AND OPPORTUNITY TO BE HEARD

C.1. Comments.

Minutes: Sarah Knight asked about the excess drainage from Imperial Lakes and she asked if there are going to be any roads going through Fuller Heights.

County Manager Bill Beasley said there will be no roadways cutting through Imperial Lakes to Fuller Heights. He said the drainage issues are more complicated but the

Fuller Heights community will not be impacted with any drainage improvements or roadway construction.

Joshua Nederveld said he has lived in his neighborhood for 11-12 years in Lake Thomas. He said his neighborhood is one of the quietest and it is humorous to him to add speed humps. He said they are not in need of speed humps and if there are accidents he is not aware of he would be in support.

Commissioner Combee said these are generated by the people who live there. He said the Board is not initiating this.

Chair Lindsey said Mr. Nederveld's comments are in reference to Agenda Item P. 6

H. COUNTY MANAGER (BILL BEASLEY)

H.1. To consider an Infrastructure and Impact Fee Credit Agreement for Power Line Road - Northern Expansion Phase 2 between Jackstone Development, LLC, GLK Real Estate, LLC, Northeast Polk Land Investments, LLC, Cassidy Holdings Group, LLC and Polk County

Minutes: County Manager Bill Beasley discussed the Infrastructure and Impact Fee Credit Agreement for Power Line Road - Northern Expansion Phase 2 between Jackstone Development, LLC, GLK Real Estate, LLC, Northeast Polk Land Investments, LLC, Cassidy Holdings Group, LLC and Polk County. He recommended approval.

RESULT:	**APPROVED**
MOVER:	Neil Combee
SECONDER:	Rick Wilson
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

H.2. Approve agreement with Alfred Benesch & Company for a comprehensive impact fee study and update. ($215,125.00 one-time expense)

Minutes: County Manager Bill Beasley discussed the agreement with Alfred Benesch & Company for a comprehensive impact fee study and update. He recommended approval.

Chair Lindsey said they have spent six or eight months, got untold staff time, saving

$75,000 on advertising in public newspapers, and it is $115,000 more than Duncan who has done our work for the last 15 years. He said it seems excessive and he will be voting against the motion.

Commissioner Combee discussed concerns with impact fees for warehouses going almost to zero. He said anybody who rides around Polk County can see the impact these trucks are having on north Lakeland and the west side of the county. He said it was a major mistake reducing it.

County Attorney Randy Mink responded and said that they made this a material part of this agreement for that study.

RESULT:	**APPROVED**
MOVER:	Rick Wilson
SECONDER:	Neil Combee
AYE:	Braswell, Combee, Santiago, and Wilson
NAY:	Lindsey

H.3. Approve an Interlocal Agreement with the City of Winter Haven for Tourist Development Funding for improvements to the Chain of Lakes Complex. (Estimated $13,023,000 from the Tourist Development Tax fund over a period of 20 years)

Minutes: County Manager Bill Beasley discussed the interlocal agreement with the City of Winter Haven for Tourist Development Funding for improvements to the Chain of Lakes Complex. He recommended approval.

Upon question, Mr. Beasley confirmed there is no O and M obligation going forward. He said typically on the 20-year bond there is a provision allowing for early pre-payment of the county's obligation. He said the funding for this is from the Tourist Development Tax from the bed tax. He said it is not a part of the county's general fund or any other fund and he said it is associated with the tourism that is generated.

Commissioner Combee said he does not know how this will work out in the future with construction prices. He said he was wondering on these projects that it may be something to look at; he said with the road projects we are not using CMAR we bid those.

RESULT:	**APPROVED**
MOVER:	Bill Braswell
SECONDER:	Martha Santiago
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

H.4. Approve agreement with AECOM Technical Services, Inc. to provide professional engineering services for northeast Polk County minor road projects and a CIP Amendment and budget transfer. ($2,647,882.00 one-time expense)

Minutes: County Manager Bill Beasley discussed the agreement with AECOM Technical Services, Inc., providing professional engineering services for northeast Polk County minor road projects and a CIP Amendment and budget transfer. He

recommended approval.

Commissioner Combee said half of this is engineered and allocated to Deen Still Road, North Ridge Trail Phase 4 and Waverly Barn Road. He said so much of the problems traffic wise were brought on by the distribution/logistics facilities. He said we got to find a way to pay for this and come up with an impact fee schedule. He said saying they are not impacting the roads is insane to him. He said this is an example of what we are facing for those looking at the impact fees.

Roads and Drainage Director Jay Jarvis said those three projects are in the $30-$40 million range plus engineering and right-of-way.

I. COMMISSIONER DISTRICT 2 (RICK WILSON)

I.1. Commissioner Wilson Comments.

Minutes: Commissioner Wilson had no comments at this time.

J. COMMISSIONER DISTRICT 3 (BILL BRASWELL)

J.1. Commissioner Braswell Comments.

Minutes: Commissioner Braswell had no comments at this time.

O. EXPEDITED HEARINGS PURSUANT TO RESOLUTION NO. 2022-089

Minutes: County Attorney Randy Mink reminded the audience of the procedures for the public hearings. He swore in those who plan to speak.

O.1. Public Hearing (LDCPAS-2023-12 Jemma Estates Land Use CPA) (Adoption Hearing) to consider the adoption of a Small-Scale Comprehensive Plan Amendment to change the Future Land Use designation on 1.66 +/- acres from Residential Low 2 (RL-2) to Residential Medium (RM) in the Urban Growth Area (UGA).

Minutes: Land Development Director Ben Ziskal reviewed the proposed land use change. He said that staff and the Planning Commission recommends approval.

The Chair opened a public hearing; no one spoke.

RESULT:	**APPROVED**
MOVER:	Neil Combee
SECONDER:	Bill Braswell
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

O.2. Public Hearing (LDCPAS-2023-14 Poinciana Marigold Avenue Fire Station CPA) (Adoption Hearing) to consider the adoption of a Small-Scale Comprehensive Plan Amendment to change the Future Land Use designation on 9.83 +/- acres from Poinciana Pre-Development of Regional Impact (PRE DRI#) to Institutional (INST) in the Utility Enclave Area (UEA).

Minutes: Land Development Director Ben Ziskal reviewed the proposed land use change. He said that staff recommends approval.

The Chair opened a public hearing; no one spoke.

RESULT:	**APPROVED**
MOVER:	Martha Santiago
SECONDER:	Rick Wilson
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

P. PUBLIC HEARINGS

P.1. Public Hearing to consider adoption of a Resolution to vacate platted and unmaintained rights-of-way as shown on the Revised Plat of Crooked Lake Subdivision, Lake Wales, Florida. (No fiscal impact)

Minutes: Wade Allen, Real Estate Services Administrator, showed slides and reviewed the proposed vacation request of rights-of-way. He said there are no objections to the request. He recommended approval.

The Chair opened a public hearing; no one spoke.

RESULT:	**APPROVED**
MOVER:	Neil Combee
SECONDER:	Bill Braswell
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

P.2. Public Hearing to consider adoption of a resolution to vacate a platted public drainage and utility easement as shown on the Plat of Poinciana Neighborhood 5 North Village 3, Poinciana, Florida. (No fiscal impact)

Minutes: Wade Allen, Real Estate Services Administrator, showed slides and reviewed the proposed vacation request for a drainage and utility easement. He said there are no objections to the request. He recommended approval.

The Chair opened a public hearing.

Marion Skilling said she is here on behalf of the property owner and is available for questions.

The Chair closed the public hearing.

RESULT:	**APPROVED**
MOVER:	Martha Santiago
SECONDER:	Bill Braswell
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

P.3. Public Hearing to Consider Adoption of a Resolution Allowing for the Installation of Two Traffic Calming Devices (Speed Humps) on Central Avenue Northwest, Near Kathleen. (estimated $10,000.00 one-time expense)

Minutes: Amy Gregory, Traffic Manager, showed slides and reviewed the resolution allowing for the installation of two traffic calming devices on Central Avenue Northwest, near Kathleen. She said that they received the required 80% favorable votes. She recommended approval.

Upon question, Ms. Gregory confirmed that this is initiated by the residents. She said there are three properties along this stretch.

Commissioner Combee said he has gotten calls on this and said people look at this as the main road in Kathleen and it is like putting speed humps on South Florida Avenue.

Ms. Gregory said they got two yes votes and one did not respond. She said if they do not respond it is considered a yes vote. She said it is stipulated in the letter that if they do not respond it is a yes vote.

The Chair opened a public hearing; no one spoke.

RESULT:	**APPROVED**
MOVER:	Martha Santiago
SECONDER:	Bill Braswell

AYE:	Lindsey, Braswell, Santiago, and Wilson
NAY:	Combee

P.4. Public Hearing to Consider Adoption of a Resolution Allowing for the Installation of Four Traffic Calming Devices (Speed Humps) on Colonial Avenue, Near Lakeland. (estimated $20,000.00 one-time expense)

Minutes: Amy Gregory, Traffic Manager, showed slides and reviewed the resolution allowing for the installation of four traffic calming devices on Colonial Avenue, near Lakeland. She said that they received the required 80% favorable votes. She recommended approval.

The Chair opened a public hearing.

Christopher Jones said he and his wife initiated this request. He said since the roads were being repaved they asked that this be done. He discussed speaking to the neighbors and he said that this is used as a main road. He discussed speeding. He discussed the traffic from Southeastern University. He said he appreciates the Israeli flag on the dais. He said this road is a drag strip.

The Chair closed the public hearing.

RESULT:	**APPROVED**
MOVER:	Rick Wilson
SECONDER:	Bill Braswell
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

P.5. Public Hearing to Consider Adoption of a Resolution Allowing for the Installation of Seven Traffic Calming Devices (Speed Humps) on Ellerbe Way and Griffin Avenue, Near Lakeland. (estimated $35,000.00 one-time expense)

Minutes: Amy Gregory, Traffic Manager, showed slides and reviewed the resolution allowing for the installation of seven traffic calming devices on Ellerbe Way and Griffin Avenue, near Lakeland. She said they received the required 80% favorable votes. She recommended approval.

The Chair opened a public hearing; no one spoke.

RESULT:	**APPROVED**
MOVER:	Neil Combee
SECONDER:	Bill Braswell
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

P.6. Public Hearing to Consider Adoption of a Resolution Allowing for the Installation of Six Traffic Calming Devices (Speed Humps) on Lake Thomas Drive, Near Winter Haven. (estimated $30,000.00 one-time expense)

Minutes: Amy Gregory, Traffic Manager, showed slides and reviewed the resolution allowing for the installation of six traffic calming devices on Lake Thomas Drive, near Winter Haven. She said that they received the required 80% favorable votes. She

recommended approval.

Upon question, Ms. Gregory said that she can get the Board the information on the number of applications that do not meet the criteria. She said the request came from a resident on the north side and there is a different traffic pattern on the south side. She said that there was not a request for the south side.

The Chair opened a public hearing.

Bob Hayes said the road is not a continuous loop and the south may not get the cut through traffic. He said there are 18 streets that intersect Lake Thomas Drive. He discussed people on their cell phones and not paying attention while driving. He said people do not slow down. He said to take this into consideration.

Ms. Gregory said 875 was the daily car traffic and the average speed was 40 m.p.h.

Dustin Bovill said they are for this. He said they have three small boys and the amount of traffic speeding is ridiculous. He said they are going past his house 30 - 40 m.p.h. He discussed his dog being hit by a car. He said this is always used as a cut-through.

Monica Caputo said she is in favor of this. She said that people do use this as a cut-through. She said people go 50 m.p.h. She said there is no sidewalk.

Lyle Herbst said he lives on the street and said he agrees with the two prior speakers. He said that people walk in the morning and there are no sidewalks. He said people jump into the lawns to avoid the cars. He asked for a sidewalk to be put in. He discussed the high speeding.

Darlene Baker said she lives where the humps are being put in. She said there are one or two people who go too fast. She said she always walks and it is a quiet community and she said this is not an everyday thing. She said she would like a sidewalk and that they need law enforcement to give tickets. She said the speed bump would be the last thing to do. She said they do need another stop sign.

Chair Lindsey said that we do have a Sidewalk Advisory Committee that makes recommendations to the Board to fund the sidewalk requests.

The Chair closed the public hearing.

Commissioner Combee said all of us up here feel their pain. He said all of us drive and we see what is going on here. He said he would love to see more enforcement.

RESULT:	**APPROVED**
MOVER:	Neil Combee
SECONDER:	Bill Braswell
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

P.7. Public Hearing to Consider Adoption of a Resolution Allowing for the Installation of Nine Traffic Calming Devices (Speed Humps) on Wakulla Drive, Near Winter

Haven. (estimated $45,000.00 one-time expense)

Minutes: Amy Gregory, Traffic Manager, showed slides and reviewed the resolution allowing for the installation of nine traffic calming devices on Wakulla Drive, near Winter Haven. She said that they received the required 80% favorable votes. She recommended approval.

The Chair opened a public hearing.

Frank Tilley said he is concerned about the water flow with the speed hump. He said he is the last one and the water comes into his driveway. He said he would like staff to take that into consideration.

Chair Lindsey said they will direct staff to take that into consideration.

Lindsey Walker said she started the petition. She said there are bus tops and when people are flying down the road they cut in people's yards. She said there are a lot of walkers and there are no street lights in the neighborhood. She said the road is narrow and there is no room for sidewalks. She said she is in favor of speed humps.

Travis Farnum said the last speed hump is on their property. He said no one uses any of the stop signs and he said someone did 60 m.p.h. by his house. He said he is for the speed humps that they would like consideration from the spacing. He said water comes from the driveway into the retention pond.

Roads and Drainage Director Jay Jarvis confirmed that they are looking at not impeding drainage flow with the speed humps

The Chair closed the public hearing.

RESULT:	**APPROVED**
MOVER:	Martha Santiago
SECONDER:	Rick Wilson
AYE:	Lindsey, Braswell, Combee, Santiago, and Wilson

ANNOUNCEMENTS

Minutes: Meeting adjourned at 10:19 a.m.

Agenda Item G.1. 11/7/2023

SUBJECT

Conservation Land Acquisition Selection Advisory Committee (CLASAC) recommendations on the following sites nominated to the Environmental Lands Program are to pursue acquisition on EL-100-23, EL-101-23, EL-102-23, EL-104-23 and EL-105-23 and to not pursue acquisition of EL-103-23. (No Fiscal Impact)

DESCRIPTION

The Polk County Board of County Commissioners ("Board") adopted Polk County Ordinance No. 22-050 ("Ordinance") calling for a bond referendum on November 8, 2022 to finance capital projects related to the acquisition, preservation, protection, management, operation and restoration of environmental lands, water resources and important fish and wildlife habitat ("Bond Referendum")

A majority of voters of Polk County approved the Bond Referendum. The Ordinance provides that upon passing of the Bond Referendum, the Board shall create the Polk County Conservation Land Acquisition Selection Advisory Committee ("CLASAC") by resolution; and the Board adopted Resolution No. 2023-009 on February 7, 2023, creating the CLASAC to assist the Board in determining the acquisition of land in accordance with the Ordinance.

The Ordinance provides that each proposed site will undergo a preliminary site assessment by the County to ensure the lands meet the basic criteria of environmental lands; and provides the criteria which will be considered in evaluating lands include (A) Water Resources, (B) Natural Communities and Landscape, (C) Plants and Animals, (D) Human Values, and (E) Management.

Resolution No. 2023-009 authorizes CLASAC to create subcommittees consisting of members and non-members of the CLASAC. CLASAC created a technical advisory group (TAG) to assist CLASAC in the technical fact-finding that is necessary in evaluating lands in accordance with the criteria provided in the Ordinance.

The following sites have been evaluated by TAG and the recommendations made by CLASAC. These sites are now presented to Board, for Board to determine if staff should pursue acquisition or not pursue acquisition.

EL-100-23 Friedlander / TAG = 89 / CLASAC = YES to Pursue Acquisition
EL-101-23 Fulton / TAG = 75 / CLASAC = YES to Pursue Acquisition
EL-102-23 Astute / TAG = 80 / CLASAC = YES to Pursue Acquisition
EL-103-23 Davidson / TAG = 55 / CLASAC = NO to Pursue Acquisition
EL-104-23 Raley / TAG = 85 / CLASAC = YES to Pursue Acquisition
EL-105-23 Creek Legacy / TAG = 95 / CLASAC = YES to Pursue Acquisition

If the Board approves staff to purse acquisition, staff will enter discussions with the property owners, seek acquisition partners as appropriate and conduct due diligence. Then any agreement drafted will be brought back to the Board for consideration of
approval for acquisition.

RECOMMENDATION

Approve Conservation Land Acquisition Selection Advisory Committee (CLASAC) recommendation of the following:

1. Pursue acquisition under the Environmental Lands Program for EL-100-23, EL-101-23, EL-102-23, EL-104-23 and EL-105-23

2. Approve staff to pursue acquisition of these recommended sites.

3. Do not pursue acquisition of EL-103-23 under the Environmental Lands Program.

FISCAL IMPACT

No Fiscal Impact

Agenda Item H.1. 11/7/2023

SUBJECT

Approve Standard Grant Agreement #22FRP12 with the State of Florida Department of Environmental Protection (FDEP) to provide funding for the project: “Polk County Peace Creek Canal Basin Wetland Restoration” ($7,050,000 one-time revenue).

DESCRIPTION

The Peace Creek Basin is entirely within Polk County and along with the Saddle Creek Watershed form the headwaters of the Peace River. The wetlands within the Peace Creek basin have been extensively ditched and canaled resulting in a lack of water storage and loss of historic aquatic habitat. Additionally, the changes within the Peace Creek basin have contributed to downstream water quality nutrient impairments in the Peace River. Polk County is currently evaluating the Peace Creek Canal Basin and has identified priority areas to restore historic wetlands that will minimize flood risk, increase wetland function, increase water storage, and improve water quality.

In response to that evaluation, Polk County submitted an application called “Restoring Historic Wetland to provide Resiliency and Minimize Flood Risk in the Peace Creek Canal” to the State’s Resiliency Implementation Grant cycle in 2022. As part of implementing resiliency efforts, the state awarded Polk County funding for property acquisition and restoration within the Peace Creek Basin.

Through this agreement, FDEP awarded Polk County with $7,050,000 towards acquisition and restoration. Matching funds are being provided through American Rescue Plan funds from prior, current, and future year budgets, in the form of project design, permitting, and acquisition ($7,950,000).

Approval of this grant agreement is the next step towards moving this resiliency project forward to protect and restore critical wetlands as approved by FDEP.

The project has been approved by the Stormwater Technical Advisory Committee (STAC).

RECOMMENDATION

Approve Standard Grant Agreement #22FRP12 with the State of Florida Department of Environmental Protection (FDEP) to provide funding for the project: “Polk County Peace Creek Canal Basin Wetland Restoration”.

FISCAL IMPACT

Project costs ($15,000,000) are budgeted in the FY 23/24 CIP Peace Creek Canal Project.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

f. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's the contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

g. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

h. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

i. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

j. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

k. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

   i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

   ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form.

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the

terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form, to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.

e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.

b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.

e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;

b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;

c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;

d. Failure to honor any term of the Agreement;

e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;

f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;

g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:

   i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

   ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

   iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity;

may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.

This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan

Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:
    i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;
    ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,
    iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
    i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.
    ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.
    iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.
b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.
c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.
d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.
e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.
f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.
g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the

Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Terms and Conditions
AGREEMENT NO. 22FRP12

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is Polk County Peace Creek Canal Basin Wetland Restoration. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are extensions available for this Project.
c. Service Periods. Additional service periods may be added in accordance with 2.a above and are contingent upon proper and satisfactory technical and administrative performance by the Grantee and the availability of funding.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☐	☒	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☒	☒	Land Acquisition

5. Equipment Purchase.
No Equipment purchases shall be funded under this Agreement.

6. Land Acquisition.
The Grantee is authorized to purchase the land described in Attachment 3, Grant Work Plan. All land acquired under this Agreement shall be used in perpetuity for the purposes described herein. As agreed by the Grantee at the Department's request, the Grantee shall execute and record a separate Declaration of Restrictive Covenants (DRC) that shall run with the title to the Property. The Grantee shall provide a copy of the recorded DRC to the Department as evidence of compliance with this provision and shall comply with all other requirements and prohibitions listed in the recorded DRC. Any applicable recording fees and costs are the sole responsibility of the Grantee.

7. Match Requirements

The Agreement requires at least a 53% match on the part of the Grantee. Therefore, the Grantee is responsible for providing $7,950,000.00 through cash or third party in-kind towards the project funded under this Agreement. The Grantee may claim allowable project expenditures made on July 1, 2021 or after for purposes of meeting its match requirement as identified above.

Each payment request submitted shall document all matching funds and/or match efforts (i.e., in-kind services) provided during the period covered by each request. The final payment will not be processed until the match requirement has been met.

8. Insurance Requirements

Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
   The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.

b. Commercial Automobile Insurance.
   If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
   The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.

d. Other Insurance. None.

9. Quality Assurance Requirements.

There are no special Quality Assurance requirements under this Agreement.

10. Retainage.

Retainage is permitted under this Agreement. Retainage may be up to a maximum of 5% of the total amount of the Agreement.

11. Subcontracting.

The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.

The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.
There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Additional Terms.
Documentary Evidence Requirement for Subcontractor(s). If any work associated with this Agreement is completed by a subcontractor(s), the Grantee shall require that such subcontractor(s) submit documentary evidence (e.g., workshop agendas; meeting recordings) to Grantee demonstrating that the subcontractor(s) has fully performed its Project obligation(s). The Grantee shall forward copies of all such documentary evidence to the Department with the Grantee's relevant deliverable(s), using the approved Project Timeline set forth in Attachment 3 to this Agreement (Grant Work Plan).

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
GRANT WORK PLAN
AGREEMENT NO. 22FRP12

ATTACHMENT 3

PROJECT TITLE: Polk County Peace Creek Canal Basin Wetland Restoration

PROJECT LOCATION: The Project is located in Peace Creek Canal Basin, Polk County, Florida.

PROJECT DESCRIPTION:
Polk County, a Political Subdivision of the State of Florida (Grantee) will conduct the Polk County Peace Creek Canal Basin Wetland Restoration project (Project) which will re-establish and protect a network of wetlands that will increase wetland function and water storage. The protection of lands will address flooding concerns in the Peace Creek Canal Basin and provide a valuable wildlife corridor. By recreating historical wetlands, the system will be designed to contain the severe storm events that cause flooding and improve the sustainability of wetland storage and will also provide water quality and surface water protection in a sustainable manner. This project includes design and acquisition activities related to the restoration of historic wetlands in the Peace Creek Canal Basin. Note: Polk County, a Political Subdivision of the State of Florida is the Grantee, but the Project will be managed by the Polk County Parks & Natural Resources Division.

TASKS AND DELIVERABLES:

Task 1 - Design and Permitting

Description: The Grantee will acquire professional services for the engineering and design of the watershed assessment model for Peace River Watershed and two treatment wetland designed projects in the Peace Creek Canal and identify all necessary permits for construction of the Project. Design and permitting activities may include coastal or civil engineering analyses, preparation of plans and specifications, physical and environmental surveys, cultural resource surveys, design-level geotechnical services, environmental analyses, orthophotography, plan formulations and other necessary studies for obtaining environmental permits, and other Project-related authorizations. The Grantee will submit all work products to the appropriate local, state, and federal regulatory agencies.

Deliverables: The Grantee will submit:

- **1.1** All final design documents as signed by a Florida-registered Professional Engineer or other applicable Florida Licensed Professional in responsible charge of the design; and
- **1.2** A copy of final permit documents from all applicable local, state, and federal regulatory agencies.

Task 2 - Land Acquisition

Description: The Grantee will acquire fee simple or less-than-fee simple interest on properties within the critical lands in the Peace Creek Canal Basin. The Grantee, in collaboration with the Department, will also execute and record a separate Declaration of Restrictive Covenants (DRC) that shall run with the title to the Property. Costs related to pre-acquisition and acquisition activities will be reimbursable. These property interests will be held by the Grantee.

Deliverables: The Grantee will submit:

- **2.1:** A copy of all appraisals;
- **2.2:** A copy of either the closing statement or all closing documents;
- **2.3:** A copy of the title exam/insurance;
- **2.4:** A property survey;
- **2.5:** A boundary map;
- **2.6:** The deed, recorded easement, or property interest; and
- **2.7:** A copy of the recorded DRC.

PERFORMANCE MEASURES: The Grantee will submit all deliverables for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline. The Department's Grant Manager will review the deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, to include any work being performed by any subcontractor(s), and will provide written acceptance or denial of the deliverable(s) to the Grantee within thirty (30) calendar days. Tasks may include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided by the Deliverable Acceptance Letter.

CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed and/or submitted to the Department in a timely manner.

PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

Task No.	Task Title	Budget Category	DEP Amount	Local Amount	Total Amount	Task Start Date	Task Due Date
1	Design and Permitting	Contractual Services	$0	$1,950,000	$1,950,000	Upon Execution	6/30/2026
2	Land Acquisition	Land Acquisition	$7,050,000	$6,000,000	$13,050,000	Upon Execution	6/30/2026
		Total:	**$7,050,000**	**$7,950,000**	**$15,000,000**		

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Public Records Requirements

Attachment 4

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution or section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

f. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT:**

Telephone: **(850) 245-2118**

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement)* to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $750,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

Auditor General
Local Government Audits/342
Claude Pepper Building, Room 401
111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (http://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (non and for-profit organizations), Rules of the Auditor General, should indicate the date and the reporting package was delivered to the recipient correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Note: If the resources awarded to the recipient represent more than one federal program, provide the same information shown below for each federal program and show total federal resources awarded

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program A	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
Original Agreement	U.S. Department of Treasury	21.027	SLFRP0125	$7,050,000.00	152-D22
Federal Program B	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	

Note: Of the resources awarded to the recipient represent more than one federal program, list applicable compliance requirements for each federal program in the same manner as shown below:

Federal Program A	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.:(eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	
Federal Program B	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.: (eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	

Note: If the resources awarded to the recipient for matching represent more than one federal program, provide the same information shown below for each federal program and show total state resources awarded for matching.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program A	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category
Federal Program B	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

Note: If the resources awarded to the recipient represent more than one state project, provide the same information shown below for each state project and show total state financial assistance awarded that is subject to section 215.97, F.S.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program A	State Awarding Agency	State Fiscal Year[1]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category
State Program B	State Awarding Agency	State Fiscal Year[2]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category

Total Award	$7,050,000.00	

Note: List applicable compliance requirement in the same manner as illustrated above for federal resources. For matching resources provided by the Department for DEP for federal programs, the requirements might be similar to the requirements for the applicable federal programs. Also, to the extent that different requirements pertain to different amount for the non-federal resources, there may be more than one grouping (i.e. 1, 2, 3, etc.) listed under this category.

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [https://sam.gov/content/assistance-listings] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx], and State Projects Compliance Supplement (Part Four: State Projects Compliance Supplement [https://apps.fldfs.com/fsaa/state_project_compliance.aspx]. The services/purposes for which the funds are to be used are included in the Agreement's Grant Work Plan. Any match required by the Recipient is clearly indicated in the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
PROGRAM-SPECIFIC REQUIREMENTS
RESILIENT FLORIDA PROGRAM

ATTACHMENT 6

1. Sea Level Impact Projection Study Requirement. If the project is within the designated area, pursuant to Section 161.551, F.S. and Chapter 62S-7, *Florida Administrative Code*, the Grantee is responsible for performing a Sea Level Impact Projection (SLIP) study and submitting the resulting report to the Department. The SLIP study report must be received by the Department, approved by the Department, and be published on the Department's website for at least thirty (30) days before construction can commence. This rule went into effect July 1, 2021, and applies to certain state-funded construction projects located in the coastal building zone as defined in the rule.

2. Permits. The Grantee acknowledges that receipt of this grant does not imply nor guarantee that a federal, state, or local permit will be issued for a particular activity. The Grantee agrees to ensure that all necessary permits are obtained prior to implementation of any grant-funded activity that may fall under applicable federal, state, or local laws. Further, the Grantee shall abide by all terms and conditions of each applicable permit for any grant-funded activity. Upon request, the Grantee must provide a copy of all acquired and approved permits for the project.

3. Attachment 3, Grant Work Plan, Performance Measures. All deliverables and reports submitted to the Department should be submitted electronically and must be compliant with the Americans with Disabilities Act, also known as "508 Compliant," in all formats provided.

4. Copyright, Patent and Trademark. The Department reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for state government purposes:

   a. The copyright in any work developed under this Agreement; and
   b. Any rights or copyright to which the Grantee or subcontractor purchases ownership with grant support.

5. Grant funds may not be used to support ongoing efforts to comply with legal requirements, including permit conditions, mitigation, and settlement agreements.

6. Funding Source. With the exception of audiovisuals not intended for presentation to the general public that are produced either as research instruments or for documenting experimentation or findings (unless otherwise required under the special terms of this Agreement), Grantee agrees to include the Department's logo (which can be found on the Department's website at: https://floridadep.gov or by contacting the Grant Manager for a copy) on all publications, printed reports, maps, audiovisuals (including videos, slides, and websites), and similar materials, as well as the following language:

   "This work was funded in part through a grant agreement from the Florida Department of Environmental Protection's Office of Resilience and Coastal Protection Resilient Florida Program. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies."

   The next printed line must identify the month and year of the publication.

7. Final Project Report. The Grantee must submit Exhibit F, Final Project Report Form, prior to requesting final payment. The Final Project Report may be submitted in lieu of the final quarterly status report, only in instances where the next quarterly report falls after the project's completion date.

8. Project Photos. The Grantee must submit Exhibit G, Photo Release Form, with the first submission of deliverables and reports (Exhibit A and F) that include photos.

9. Contractual Services. For all grant agreements that include Contractual Services as an expenditure category, the Grantee must submit Exhibit H, Contractual Services Certification, and all required supporting documentation for all contractors conducting work under the grant agreement, prior to requesting payment that includes contractual services.

10. Vulnerability Assessments. For all Planning grant agreements (Resilient Florida Grant Program and Regional Resilience Entities), the Grantee must submit Exhibit I, Vulnerability Assessment Compliance Checklist Certification, with the final grant deliverable(s).

11. Geographic Information System (GIS) files and associated metadata. All GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (found on the Resilient Florida Program website: https://floridadep.gov/rcp/resilient-florida-program/documents/resilient-florida-program-gis-data-standards), and raw data sources shall be defined within the associated metadata.

12. State and Local Fiscal Recovery Funds. For all grant agreements funded with the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) under the American Rescue Plan Act, the Grantee must submit the SLFRF Reporting Requirements Form upon execution of the grant agreement.

ATTACHMENT 8
Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements

The Department, as a Non-Federal Entity as defined by 2 CFR §200.69, shall comply with the following provisions, where applicable. For purposes of this Grant Agreement between the Department and the Grantee, the term "Recipient" shall mean "Grantee."

Further, the Department, as a pass-through entity, also requires the Grantee to pass on these requirements to all lower tier subrecipients/contractors, and to comply with the provisions of the award, the SLFRF implementing regulation, including applicable provisions of the OMB Uniform Guidance (2 CFR Part 200), and all associated terms and conditions. Therefore, Grantees must include these requirements in all related subcontracts and/or sub-awards. Grantees can include these requirements by incorporating this Attachment in the related subcontract and/or sub-awards, however for all such subcontracts and sub-awards, the Grantee shall assume the role of the Non-Federal Entity and the subrecipients shall assume the role of the Recipient.

2 CFR PART 200 APPENDIX 2 REQUIREMENTS

1. Administrative, Contractual, and Legal Remedies

The following provision is required if the Agreement is for more than $150,000. In addition to any of the remedies described elsewhere in the Agreement, if the Recipient materially fails to comply with the terms and conditions of this Contract, including any Federal or State statutes, rules, or regulations, applicable to this Contract, the Non-Federal Entity may take one or more of the following actions.

A. Temporarily withhold payments pending correction of the deficiency by the Recipient.
B. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
C. Wholly or partly suspend or terminate this Contract.
D. Take other remedies that may be legally available.

The remedies identified above, do not preclude the Recipient from being subject to debarment and suspension under Presidential Executive Orders 12549 and 12689. The Non-Federal entity shall have the right to demand a refund, either in whole or part, of the funds provided to the Recipient for noncompliance with the terms of this Agreement.

2. Termination for Cause and Convenience

Termination for Cause and Convenience are addressed elsewhere in the Agreement.

3. Equal Opportunity Clause

The following provision applies if the agreement meets the definition of "federally assisted construction contract" as defined by 41 CFR Part 60-1.3:

During the performance of this Agreement, the Recipient agrees as follows:

A. The Recipient will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Recipient will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
    i. Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Recipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
B. The Recipient will, in all solicitations or advertisements for employees placed by or on behalf of the Recipient, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
C. The Recipient will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's

essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Recipient's legal duty to furnish information.

D. The Recipient will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Agreement or understanding, a notice to be provided advising the said labor union or workers' representatives of the Recipient's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The Recipient will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

F. The Recipient will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

G. In the event of the Recipient's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Recipient may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The Recipient will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Recipient will take such action with respect to any subcontractor purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4. Contract Work Hours and Safety Standards Act

Where applicable, if the Agreement is in excess of $100,000 and involves the employment of mechanics or laborers, the Recipient must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each Recipient must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. Rights to Inventions Made Under Agreement

If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the Non- Federal Entity or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the Non-Federal Entity or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

6. Clean air Act (42 U.S. C. 7401-7671q.), the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), and EPA Regulations

If the Agreement is in excess of $100,000, the Recipient shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control

Act as amended (33 U.S.C. 1251-1387), and by the EPA (40 CFR Part 15). Violations must be reported to the Federal Awarding Agency and the Regional Office of the Environmental Protection Agency (EPA).

i. The Grantee shall include these requirements for the Clean Air Act and the Federal Water Pollution Act in each subcontract exceeding $100,000 financed in whole or in part with SLFRF funds.

7. Debarment and Suspension (Executive Orders 12549 and 12689)

The Recipient certifies that it is not listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 and 2 CF 1200 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

8. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

The Recipient certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. If applicable, the Recipient shall disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award, using form SF-LLL, available at:
https://apply07.grants.gov/apply/forms/sample/SFLLL_1_2_P-V1.2.pdf.

i. Grantees who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient.

9. Procurement of Recovered Materials

The Recipient must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act as described in 2 CFR part 200.322.

10. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment

The Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as partof any system. See Section 889 of Public Law 115-232 (National Defense Authorization Act 2019). Also, see 2 CFR 200.216 and 200.471.

11. Domestic Preferences for Procurement

The Recipients and subrecipients must, to the greatest extent practical, give preference to the purchase, acquisition, or use of goods, products, or materials produced in the United States in accordance with 2 CFR 200.322.

ADMINISTRATIVE

1. General Federal Regulations

Recipients shall comply with the regulations listed in 2 CFR 200, 48 CFR 31, and 40 U.S.C. 1101 *et seq.*

2. Rights to Patents and Inventions Made Under a Contract or Agreement

Rights to inventions made under this assistance agreement are subject to federal patent and licensing regulations, which are codified at Title 37 CFR Part 401 and Title 35 U.S.C. 200 through 212.

3. Compliance with the Trafficking Victims Protection Act of 2000 (2 CFR Part 175)

Recipients, their employees, subrecipients under this award, and subrecipients' employees may not:

A. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
B. Procure a commercial sex act during the period of time that the award is in effect; or
C. Use forced labor in the performance of the award or subawards under the award.

4. Whistleblower Protection

Recipients shall comply with U.S.C. §4712, Enhancement of Recipient and Subrecipient Employee Whistleblower Protection. This requirement applies to all awards issued after July 1, 2013 and effective December 14, 2016 has been permanently extended (Public Law (P.L.) 114-261).

A. This award, related subawards, and related contracts over the simplified acquisition threshold and all employees working on this award, related subawards, and related contracts over the simplified acquisition threshold are subject to the whistleblower rights and remedies in the pilot program on award recipient employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (P.L. 112-239).

B. Recipients, their subrecipients, and their contractors awarded contracts over the simplified acquisition threshold related to this award, shall inform their employees in writing, in the predominant language of the workforce, of the employee whistleblower rights and protections under 41 U.S.C. 4712.

C. The Recipient shall insert this clause, including this paragraph C, in all subawards and in contracts over the simplified acquisition threshold related to this award; best efforts should be made to include this clause, including this paragraph C in any subawards and contracts awarded prior to the effective date of this provision.

5. Notification of Termination (2 CFR § 200.340)

In accordance with 2 CFR § 200.340, in the event that the Agreement is terminated prior to the end of the period of performance due to the Recipient's or subcontractor's material failure to comply with Federal statutes, regulations or the terms and conditions of this Agreement or the Federal award, the termination shall be reported to the Office of Management and Budget (OMB)-designated integrity and performance system, accessible through System for Award Management (SAM) currently the Federal Awardee Performance and Integrity Information System (FAPIIS). The Non-Federal Entity will notify the Recipient of the termination and the Federal requirement to report the termination in FAPIIS. See 2 CFR § 200.340 for the requirements of the notice and the Recipient's rights upon termination and following termination.

6. Additional Lobbying Requirements

A. The Recipient certifies that no funds provided under this Agreement have been used or will be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

B. The Lobbying Disclosure Act of 1995, as amended (2 U.S.C. §1601 et seq.), prohibits any organization described in Section 501(c)(4) of the Internal Revenue Code, from receiving federal funds through an award, grant (and/or subgrant) or loan unless such organization warrants that it does not, and will not engage in lobbying activities prohibited by the Act as a special condition of such an award, grant (and/or subgrant), or loan. This restriction does not apply to loans made pursuant to approved revolving loan programs or to contracts awarded using proper procurement procedures.

C. Pursuant to 2 CFR §200.450 and 2 CFR §200.454(e), the Recipient is hereby prohibited from using funds provided by this Agreement for membership dues to any entity or organization engaged in lobbying activities.

7. Increasing Seat Belt Use in the United States

Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Grantee is encouraged to adopt and enforce on-the-job seat belt policies and programs for its employees when operating company-owned, rented or personally owned vehicles.

8. Reducing Text Messaging While Driving

Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Grantee is encouraged to adopt and enforce policies that ban text messaging while driving and establish workplace safety policies to decrease accidents caused by distracted drivers.

9. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970

Where applicable, 42 U.S.C. §§ 4601-4655 and implementing regulations apply to this Agreement.

COMPLIANCE WITH ASSURANCES

1. Assurances

Recipients shall comply with all applicable assurances made by the Department or the Recipient to the Federal Government during the Grant application process.

FEDERAL REPORTING REQUIREMENTS

1. FFATA

Grant Recipients awarded a new Federal grant greater than or equal to $30,000 awarded on or after October1, 2015, are subject to the FFATA the Federal Funding Accountability and Transparency Act ("FFATA") of 2006. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The Grantee agrees to provide the information necessary, within one (1) month of execution, for the Department to comply with this requirement.

DEPARTMENT OF TREASURY-SPECIFIC

1. Civil Rights Compliance

Recipients of Federal financial assistance from the Treasury are required to meet legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the Treasury do not deny benefits or services or otherwise discriminate on the basis of race, color, national origin, (including limited English proficiency), disability, age, or sex (including sexual orientation and gender identity), in accordance with the following: Title VI of Civil Rights Acts of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 CFR 28; Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. 6101 et seq., and the Department of Treasury implementing regulations at 31 CFR part 23.

The Department of Treasury will request information on recipients' compliance with Title VI of the Civil Rights Act of 1964, as applicable, on an annual basis. This information may include a narrative descripting the recipient's compliance with Title VI, along with other questions and assurances.

SLFRF-SPECIFIC

1. Period of Performance

All funds from SLFRF must be obligated by December 31, 2024 and expended by December 31, 2026.

2. Equipment and Real Property Management

Any purchase of equipment or real property with SLFRF funds must be consistent with the Uniform Guidance at 2 CFR Part 200, Subpart D. Equipment and real property acquired under this program must be used for the originally authorized purpose. Consistent with 2 CFR 200.311 and 2 CFR 200.313, any equipment or real property acquired using SLFRF funds shall vest in the non-Federal entity. Any acquisition and maintenance of equipment or real property must also be in compliance with relevant laws and regulations.

SLFRF INFRASTRUCTURE PROJECTS

For all infrastructure projects, the Grantee shall provide the following project information on a quarterly basis to the Department:

i. Projected/actual construction start date (month/year)
ii. Projected/actual initiation of operation date (month/year)
iii. Location details

SLFRF INFRASTRUCTURE PROJECTS OVER $10 MILLION

For infrastructure projects over $10 million, the following provisions apply:

1. Wage Certification

Grantees may provide a certification that all laborers and mechanics employed by Grantee in the performance of such project are paid wages at the rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with the Davis-Bacon Act, for the corresponding classes of laborers and mechanics employed projected of a character similar to the contract work in the civil subdivision of Florida in which the work is to be performed. If the Grantee does not provide such certification, the Grantee must provide a project employment and local impact report detailing:

i. The number of employees of contractors and sub-contractors working on the project;
ii. The number of employees on the project hired directly and hired through a third party;
iii. The wages and benefits of workers on the project by classification; and
iv. Whether those wages are at rates less than those prevailing.

Grantee must maintain sufficient records to substantiate this information upon request.

2. Project Labor Agreements

Grantees may provide a certification that the project includes a project labor agreement, meaning a pre-hire collective bargaining agreement consistent with the section 8(f) of the National Labor Relations Act (29 U.S.C. 158(f)). If the Grantee does not provide such certification, the Grantee must provide a project

workforce continuity plan, detailing:

i. How the Grantee will ensure the project has ready access to a sufficient supply of appropriately skilled and unskilled labor to ensure high-quality construction throughout the life of the project;

ii. How the Grantee will minimize risks of labor disputes and disruptions that would jeopardize timeliness and cost-effectiveness of the project;

iii. How the Grantee will provide a safe and healthy workplace that avoids delays and costs associatedwith workplace illnesses, injuries, and fatalities;

iv. Whether workers on the project will receive wages and benefits that will secure and appropriately skilled workforce in the context of the local or regional labor market; and

v. Whether the project has completed a labor agreement.

3. Other Reporting Requirements

Grantees must report whether the project prioritizes local hires and whether the project has Community Benefit Agreement, with a description of any such agreement, if applicable.

SLFRF WATER & SEWER PROJECTS

For water and sewer projects, Grantees shall provide the following information to the Department once the project starts, as appliable:

i. National Pollutant Discharge Elimination System (NPDES) Permit Number, for projects aligned with the Clean Water State Revolving Fund

ii. Public Water System (PWS) ID number, for projects aligned with the Drinking Water State Revolving Fund.

Final Project Report

Insert Month & Year

This report is funded in part through a grant agreement from the Florida Department of Environmental Protection. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies.

Part I. Executive Summary

Part II. Methodology

Part III. Outcome

Include the following: 1) evaluation of project's ability to meet goals and expected performance measures and provide explanation for why goals were not met, if applicable; 2) identify successful outcomes, areas for improvement, and quantifiable metrics (including the assigned metric in Exhibit A, if applicable) as a result of the project; and 3) final project photos, if an implementation construction project.

Part IV. Further Recommendations

Instructions for completing Exhibit F Final Project Report Form:

DEP AGREEMENT NO.: This is the number on your grant agreement.

GRANTEE NAME: Enter the name of the grantee's agency.

PROJECT TITLE: Enter the title shown on the first page of the grant agreement.

MONTH & YEAR: Enter month and year of publication

The final Project Report must contain the following sections: Executive Summary, Methodology, Outcome, and Further Recommendations. The Final Project Report must comply with the publication requirements in the grant agreement. Please limit the final project report to no more than five (5) pages. One electronic copy shall be submitted to the Department's Grant Manager for approval. Final payment will be held until receipt and approval of the Final Project Report.

Questions regarding completion of the Final Project Report should be directed to the Department's Grant Manager, identified in paragraph 18 of this agreement.

License and Indemnification

I certify that I am the owner of the photograph(s), video(s), audio recording(s) and/or artwork(s) being submitted and am eighteen (18) years of age or older.

I hereby grant to the Florida Department of Environmental Protection the royalty-free and non-exclusive right to distribute, publish and use the photograph(s), video(s), audio recording(s) and art work(s) submitted herewith (the "Work") to promote the Florida Department of Environmental Protection. Uses may include, but are not limited to:

1. Promotion of FDEP (including, but limited to publications, websites, social media venues, advertisements, etc.); and
2. Distribution to the media; and
3. Use in commercial products.

The Florida Department of Environmental Protection reserves the right to use/not use any Work as deemed appropriate by the Florida Department of Environmental Protection. No Work will be returned once submitted.

I hereby acknowledge that the Florida Department of Environmental Protection shall bear no responsibility whatsoever for protecting the Work against third-party infringement of my copyright interest or other intellectual property rights or other rights I may hold in such Work, and in no way shall be responsible for any losses I may suffer as a result of any such infringement; and I hereby represent and warrant that the Work does not infringe the rights of any other individual or entity.

I hereby unconditionally release, hold harmless and indemnify the Florida Department of Environmental Protection, its employees, volunteers, and representatives of and from all claims, liabilities and losses arising out of or in connection with the Florida Department of Environmental Protection's use of the Work. This release and indemnification shall be binding upon me, and my heirs, executors, administrators and assigns.

I have read and understand the terms of this release.

CONTRACTUAL SERVICES CERTIFICATION

Exhibit H

Required for all grant agreements that include Contractual Services as an expenditure category.

DEP Agreement Number: 22FRP12

Project Title: Polk County Peace Creek Canal Basin Wetland Restoration

Grantee: Polk County, a Political Subdivision of the State of Florida

---

Prior to making a request for payment of contractual services, the Grantee must provide the following to the Department Grant Manager then responsible for the Grantee's Resilient Florida Grant Program grant agreement:

1. Documentation of the Grantee's procurement process, as consistent with Attachment 1, Paragraph 9(c) and Attachment 2, Paragraph 11;
2. A list of all subcontractor quote and/or bid amounts (as applicable), including the company name and address for each subcontractor;
3. An explanation of how and why the Grantee made their determination(s) for the subcontractor(s) selected to perform certain task(s) under the Grantee's relevant grant agreement; and
4. This Exhibit H, signed and dated by the Grantee's own (non-Departmental) grant manager.

By signing below, I certify that, on behalf of the Grantee, I have provided all the information required by items 1. through 3. of this exhibit, as stated above, to the Department Grant Manager currently responsible for the Grantee's Resilient Florida Grant Program grant agreement. I also certify that the procurement process the Grantee utilized follows all of said Grantee's non-Departmental policies and procedures for subcontractors.

Agenda Item H.2. 11/7/2023

SUBJECT

Request Board approve (1) construction contract with CenState Contractors, Inc. for the Jordan's Grove ground storage reservoir & high service pump station project (one-time expense of $3,070,000.00 from American Rescue Plan Funds and $1,599,350.00 from Utilities Operating Funds), and (2) CIP amendment to the FY 24/25 Utilities Community Investment Program Expansion budget from reserves in the amount of $278,908.00.

DESCRIPTION

The Polk County's Utilities Division (PCU) requested Procurement to solicit bids from qualified contractors who were interested in the installation of a 1.0-million-gallon ground storage tank and high-service pumps at Jordan's Grove Facility, located at 428 Sardinia Circle within the William's Preserve Development in Davenport Florida. The Master Plan for the Northeast Regional Utility Service Area (NERUSA) projects that future growth will result in reclaimed water pressure deficiencies in the eastern part of the NERUSA. This project will result in a larger storage tank and a high-service pump system to maintain adequate system pressure in the future.

Bid 23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station was issued, and two (2) contractors submitted a bid.

Company	Location	Total
CenState Contractors, Inc.	Winter Haven, FL	$4,447,000.00
Vogel Bros Building Co.	Lakeland, FL	$5,016,185.00

A recommendation of award was issued to CenState Contractors, Inc. and no protests were received. In accordance with Resolution No. 13-066, 5% was added for allowance work for $222,350.00 and is included in the proposed contract award totaling $4,669,350.00. The contract time for this project is 365 days for final completion. Allowance time for the project is 54 days.

The budgeted amount for the Jordan's Grove Ground Storage Reservoir & High Service Pump Station project was $4,675,000.00. Based on prior expenses and encumbrances, $4,390,442.55 remains available, therefore, a budget transfer from reserves is necessary in the amount of $278,908.00.

RECOMMENDATION

Request Board approve (1) construction contract with CenState Contractors, Inc in the amount of $4,669,350.00 for Bid 23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station and (2) a CIP amendment to the FY 24/25 Utilities CIP budget and budget transfer from

reserves in the amount of $278,908.00.

FISCAL IMPACT

Upon approval of the budget transfer from reserves, funding in the amount of $4,669,350.00 will be available in the American Rescue Plan and Utilities 5-year CIP Funds for the Jordan's Grove Ground Storage Reservoir & High Service Pump Station project.

PART E
CONTRACT

This Contract is entered into as of the Effective Date (defined as the date approved by the Board and executed by the Chairman) between Polk County, a political subdivision of the State of Florida, hereinafter known as the "County", and CenState Contractors, Inc. their successors, executors, administrators and assigns, hereinafter referred to as the "Contractor".

WITNESSETH: Whereas the Contractor agrees with the County, for the consideration herein mentioned, and at their own proper cost and expense, to perform all the Work and furnish all the material, equipment, supplies and labor necessary to carry out this agreement in the manner and to the fullest extent as set forth in the attached Bid documents, being hereby made as such a binding part of this Contract as if written word for word herein, and whereas the Contractor has furnished satisfactory Bond and has complied with insurance requirements of the Specifications in Bid 23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station.

NOW THEREFORE, the County and the Contractor do hereby agree as follows:

Article 1. Scope of Work: The Contractor shall perform in accordance with the attached Bid Documents, all the items of Work at the unit prices or lump sum price as listed in the Contractor's Bid Submittal.

Article 2. Contract Price: The Contract price includes the total bid price of $4,447,000.00 plus the Allowance Work amount of $222,350.00 the total sum being $4,669,350.00. This total contract price shall be reduced by the unused amount of the allowance, if such Work is not completed.

Article 3. Plans and Specifications: The plans and specifications, and other Bid Documents upon which the unit or lump sum prices in the Contractor's Bid Submittal are based, are hereby made a part of this Contract by reference thereto; and are hereby attached hereto.

Article 4 Time of Beginning and Completion: The Contractor agrees to begin Work within 10 calendar days after issuance of a Notice to Proceed by the Procurement Division. The Contractor will complete all Work necessary to reach Beneficial Occupancy within 335 calendar days from the Start Date memorialized within the Notice to Proceed. The Certificate of Substantial Completion shall be executed once Beneficial Occupancy has been reached. The County and the Contractor agree the balance of all Work to be performed after execution of the Certificate of Substantial Completion shall be complete within 30 days from the date noted on the Certificate of Substantial Completion and shall be evidenced by execution of the Certificate of Final Completion. The Certificate of Final Completion shall be executed by both parties once all Work has been performed and all close out paperwork submitted and processed by the County. Total days for this project are 365 days. The allowance time for this project is 54 days.

Article 5. Payment for Quantities: Payment for those items requiring payment on a unit price basis will be made for the actual unit quantities, as provided for in the Technical Specifications.

Article 6. Partial Payments: Payment will be made to the Contractor for the Contract Work actually performed by the Contractor (during the previous calendar month) and approved by the County subject, however, to retention by the County of an amount equal to five percent (5%) of the payment due until such time retainage is reduced in accordance with F. S. 218.735.

Article 7. Final Acceptance and Payment: Upon completion of the Work or as soon thereafter as practicable, the County and Professional shall make a final inspection and, if appropriate, acceptance of the Work, after which Contractor shall prepare a final estimate of all Work completed under this Contract. Payment therefore of the balance due shall be made in accordance with the Contract provisions. Payment on the final estimate shall include the full amount for the Work completed, based on the unit prices or lump sum of this Contract, subject, however, to the deduction of any payments already made under this Contract to the Contractor.

Article 8. Contract Documents: The Contractor and Polk County Procurement shall each obtain a photocopy of this Contract once it is executed. This original Contract shall be retained by the Clerk of Courts, County Comptroller once it is executed.

IN WITNESS THEREOF, the parties hereto have executed this Contract as of the Effective Date.

Hello,

Thank you for opening a ticket. We reviewed your document and were unable to locate your entity's date of incorporation. Please upload documentation to SAM.gov that provides evidence of your entity's correct date of incorporation so we can update our records. Examples of acceptable documents include screenshots of your entity's secretary of state's website, Official Acknowledgement of FILED Articles/Certificate of Organization/Incorporation, or FILED Tax Returns/Filings.

To upload documentation:
Sign in to SAM.gov.
Select "Workspace" in the top navigation bar, then select the "Entities" box to locate the incident you have created.
Select the "+" to expand the incident and then select "View" to expand your ticket information.
Under "Supporting Attachments" select "Choose from folder" or drag your documentation here to upload it.
See full instructions with screenshots: https://go.usa.gov/xuSVM (please copy and paste the URL or type it in exactly as written).
IMPORTANT: At least one document that is less than five years old must contain both your correct legal business name and your correct physical address.
If you provide documentation that is not current (e.g., with an old entity name or address), you must also submit documentation of the change (e.g., transfer of business). In your documentation, indicate which information is current.
More information on documentation: https://go.usa.gov/xuSVt (please copy and paste the URL or type it in exactly as written).
Acceptable documentation types include:
Official Acknowledgement of FILED Articles/Certificate of Organization/I
FILED Tax Returns/Filings
Articles/Certificate of Formation
"Doing Business As" Documentation

CONTRACT NUMBER:	23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station.
GENERAL DESCRIPTION OF PROJECT:	Furnish all labor, materials, supervision, and equipment necessary to perform all operations required for the demolition of existing equipment, piping, and hydropneumatics tank, and the construction of new a 1.0-million-gallon ground storage reservoir, two new high service pumps, two new jockey pumps, one new vertical turbine well pump, flow meter and control valve station and other items located in the Northeast Regional Utility Service Area (NERUSA).
PROJECT LOCATION:	The project is located at 428 Sardinia Circle, Davenport, Florida 33837.

Bond No: 352773Q

EXHIBIT II (cont'd): PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS: That CenState Contractors, Inc., as Principal, and Westfield Insurance Company, as Surety, located at One Park Circle, Westfield Center, OH 44251-9700 (PO Box 5001, Westfield Center OH 44251-5001) (Business Address) are held and firmly bound unto Polk County, a political subdivision of the State of Florida, as Obligee, in the sum of Dollars ($ 4,669,350.00-----) in lawful currency of the United States, for the payment whereof we bind ourselves, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS BOND is that if the Principal:

1. Promptly, faithfully, efficiently and fully performs all work, services, duties and obligations set forth and described in that certain purchase order dated October 24, 2023 (the "Purchase Order") between Principal and Obligee for performance of all operations required for the proper rehabilitation of Cured-In-Place (CIPP) lining and installation of approximately 1,400 liner feet of 8-inch gravity sewer pipes, at the times and in the manner proscribed in the Purchase Order; and
2. Pays Obligee all losses, damages (liquidated or actual), expenses, costs, and attorney's fees, including, without limitation, costs and attorney's fees on appeal, that Obligee sustains resulting directly or indirectly from any breach or default by Principal under the Purchase Order; and
3. Performs the guarantee of all work and materials furnished under the Purchase Order for the time specified therein; and
4. Satisfies all claims and demands incurred under the Purchase Order, and fully indemnifies and holds harmless the Obligee from all costs and damages which it may suffer by reason or failure to do so;

then the Surety shall have no obligation under this Performance Bond.

In the event that the Principal shall fail to perform any of the terms, covenants and conditions of the Purchase Order during the period in which this Performance Bond is in effect, the Surety shall remain liable to the Obligee for all such loss or damage (including reasonable attorney's fees and costs and attorney's fees on appeal) resulting from any failure to perform up to the amount of the sum stated above.

In the event that the Surety fails to fulfill its obligations under this Performance Bond, then the Surety shall also indemnify and hold the Obligee harmless from any and all loss, damage, cost and expense, including reasonable attorney's fees and costs for all trial and appellate proceedings, resulting directly or indirectly from the Surety's failure to fulfill its obligations hereunder. This paragraph shall survive the termination or cancellation of this Performance Bond.

The Surety, for value received, hereby stipulates and agrees that its obligations hereunder shall be direct and immediate and not conditional or contingent upon the Obligee's pursuit of its remedies against Principal, shall remain in full force and effect

notwithstanding (i) amendments or modifications to the Purchase Order entered into by Obligee and Principal without the Surety's knowledge or consent (ii) waivers of compliance with or any default under the Purchase Order granted by Obligee to Principal without the Surety's knowledge or consent, or (iii) the discharge of Principal from its obligations under the Purchase Order as a result of any proceeding initiated under the Bankruptcy code of 1978, as the same may be amended, or any similar state or federal law, or any limitation of the liability or Principal or its estate as a result of any proceeding.

Any changes in or under the Purchase Order and compliance or non-compliance with any formalities connected with the Purchase Order or the changes shall not affect Surety's obligation under this Performance Bond. The Principal shall notify the Surety of all such changes.

Reference is hereby made to Section 255.05, Florida Statutes, and to the notice and time limitation provisions thereof.

IN WITNESS WHEREOF, this instrument is executed this 24th day of October, 2023.

EXHIBIT III: PAYMENT BOND

KNOW ALL MEN BY THESE PRESENTS: That CenState Contractors, Inc.*, as Principal, and Westfield Insurance Company, as Surety, located at One Park Circle, Westfield Center, OH 44251-9700 (PO Box 5001, Westfield Center OH 44251-5001) 330-887-0101 (Business Address) are held and firmly bound unto Polk County,** a political subdivision of the State of Florida, as Obligee in the sum of Four Million Six Hundred Sixty Nine Thousand*** Dollars ($ 4,669,350.00-------) in lawful currency of the United States, for the payment whereof we bind ourselves, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS BOND is that if the Principal:

1. Promptly makes payments to all claimants, as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials, or supplies, used directly or indirectly by Principal in the prosecution of the work provided under and in accordance with that certain purchase order dated October 24, 2023 (the "Purchase Order") between Principal and Obligee for;

23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station, 428 Sardinia Circle, Davenport, Florida 33837.

then the Surety shall have no obligation under this Payment Bond.

Any action instituted by a claimant under this bond for payment must be in accordance with the notice and time limitation provisions in Section 255.05(2), Florida Statutes.

In the event that the Principal shall fail to promptly make payment to any claimant as described above during the period in which this Payment Bond is in effect, the Surety shall remain liable to the Obligee for all such loss or damage (including reasonable attorney's fees and costs and attorney's fees on appeal) resulting from any such failure up to the amount of the sum stated above.

In the event that the Surety fails to fulfill its obligations under this Payment Bond, then the Surety shall also indemnify and hold the Obligee harmless from any and all loss, damage, cost and expense, including reasonable attorney's fees and costs for all trial and appellate proceedings, resulting directly or indirectly from the Surety's failure to fulfill its obligations hereunder. This paragraph shall survive the termination or cancellation of this Payment Bond.

The Surety, for value received, hereby stipulates and agrees that its obligations hereunder shall be direct and immediate and not conditional or contingent upon the Obligee's pursuit of its remedies against Principal, shall remain in full force and effect notwithstanding (i) amendments or modifications to the Purchase Order entered into by Obligee and Principal without the Surety's knowledge or consent (ii) waivers of compliance with or any default under the Purchase Order granted by Obligee to Principal without the Surety's knowledge or consent, or (iii) the discharge of Principal from its obligations under the Purchase Order as a result of any proceeding initiated under the Bankruptcy code of 1978, as the same may be amended, or any similar state or federal law, or any limitation of the liability or Principal or its estate as a result of any proceeding.

Censtate had the authority to fill in the amount of the bid security. We will be pleased to honor the bid bond and will be ready to write the Performance and payment bond when awarded.

Polk County will get a good job from Censtate.

Best Regards,

Susan Reich, Vice-President

EXHIBIT VI: AFFIDAVIT OF PERCENTAGE OF WORK

Bid # 23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station

By signing below, the bidder:

- Is certifying that they will be performing, with their own organization, the percentage of work required under the Supplemental Conditions of the contract documents for Bid # 23-514
- Understands that during Bid Analysis they will be required to submit a spreadsheet (Exhibit VI-A) listing the complete breakdown of the bid price submitted by area of work. The list must include the division of work being performed, the name of the contractor performing that area of work, the WMBE classification of the contractor, the dollar amount of the work, and the percentage of the total bid price for each division of work. An updated copy will be required at contract close-out, detailing exact dollar figures paid to each subcontractor performing work under this contract.
- Acknowledges that no changes to sub-contractors used will be allowed after submittal unless otherwise approved by the Procurement Director. Any prime contractor that defaults on this requirement may be suspended as allowed within the Procurement Procedures.
- If the percentage of work proposed to be completed by the prime is not equal to, or more than, the amount required, the bid will be considered to be non-responsive.

Bidder must sign and have notarized:

The undersigned Bidder hereby certifies that they fully understand the provisions as stated above and will comply.

Dated this 6th day of September, 2023

EXHIBIT VII: TRENCH SAFETY ACT COMPLIANCE

General:

1. The Contractor shall comply with the Florida Trench Safety Act (90-96), Laws of FL.) Effective October 1, 1990.

2. The Contractor(s) performing trench safety excavation on this Contract shall comply with the Occupational Safety and Health Administration's (OSHA) trench excavation safety standards, 29 CFR's 1926.650, Subpart P, including all subsequent revisions or updates to these standards as adopted by the Department of Labor and Employment Security (DLES).

3. By submission of his bid and subsequent execution of this Contract, the Contractor certifies that all trench excavation done within his control shall be accomplished in strict adherence with OSHA trench safety standards contacted 29 CFR's 1926.650, Subpart P, including all subsequent revisions or updates to these standards as adopted by the Department of Labor and Employment Security.

4. The Contractor also agrees that he has obtained or will obtain identical certification from his proposed Subcontractors that will perform trench excavation prior to award of the subcontracts and that he will retain such certifications in his files for a period of not less than three years following final acceptance.

5. The Contractor shall consider all available geotechnical information in his design of the trench excavation safety system.

6. Inspections may be conducted by the County and the County's Safety Officer. Serious deficiencies will be corrected on the spot or the job may be closed. Imminent danger citing will result in the immediate cessation of work. Work will resume when the danger is corrected.

7. Bidder acknowledges that included in the various items of the proposal and in the Total Bid Price are costs for complying with the Florida Trench Safety Act (90-96), Laws of FL) effective October 1, 1990. The bidder further identifies the costs to be summarized as follows:

Trench Safety Measure (Description)	Units of Measure (LF, SY)	Unit (QTY)	Unit Cost	Extended Cost
A. Sloping	LF	1000	$ 1.00	$ 1000.00
B.			$	$
C.			$	$
D.			$	$
			Total	$ 1000.00

Failure to complete the above may result in the bid being declared non-responsive.

EXHIBIT VIII: EQUAL EMPLOYMENT OPPORTUNITY

Polk County, a political subdivision of the State of Florida (County), is an Equal Opportunity/Affirmative Action Employer.

Pursuant to Executive Order 11246 as amended, you are advised that under the provisions of government contracting, contractors and subcontractors are obliged to take affirmative action to provide equal employment opportunity without regard to race, creed, color, national origin, age or sex.

We are committed to equal opportunity employment effort and expect firms that do business with the County to have a vigorous affirmative action program.

CERTIFICATION BY PROPOSED PRIME OR SUBCONTRACTOR REGARDING EQUAL EMPLOYMENT OPPORTUNITY

This certification is authorized pursuant to Executive Order 11246, Part II, Section 203(b), (30 F.R. 12319-15). Any Bidder or prospective contractor, or any of the proposed subcontractors, shall state as an initial part of the Bid or negotiations of the Contract whether it has participated in any previous Contract or subcontract to the equal opportunity clause; and, if so, whether it has filed all compliance reports due under applicable instructions.

Where the certification indicated that the prime or subcontractor has not filed a compliance report due under applicable instruction, such Contractor shall be required to submit a compliance report.

Contractor's Name: CenState Contractors, Inc.

Address: 2288 Executive Rd., Winter Haven, FL 33884

1. Bidder has participated in a previous contract or subcontract, subject to the Equal Opportunity Clause:
   YES X NO ____
2. Compliance Reports were required to be filed in connection with such Contract or subcontract:
   YES X NO ____
3. Bidder has filed all compliance reports due under applicable instructions:
   YES X NO ____
4. If answer to Item 3 is No, please explain in detail on reverse side of this certification.
   YES X NO ____

The Bidder certifies that they do not maintain or provide for their employees any segregated facilities at any of their establishments, and that they do not permit their employees to perform their services at any location under their control where segregated facilities are maintained. The Bidder certifies further that they will not maintain or provide for their employees any segregated facilities at any of their establishments, and that they will not permit their employees to perform their services at any location under their control where segregated facilities are maintained. The Bidder agrees that a breach of this certification will be a violation of the Equal Opportunity clause in any contract resulting from acceptance of this Bid. As used in this certification, the term (segregated facilities" means any waiting rooms, work areas, restrooms, washrooms, restaurants, other eating areas, time clocks, locker rooms, storage areas, dressing areas, parking lots, drinking fountains, recreation/entertainment areas, transportation and housing facilities provided for employees which are segregate by explicit directive or are, in fact, segregated on the basis of race, color, religion or national origin, because of habit, local custom or otherwise. The Bidder agrees that (except where they have obtained identical certification from proposed subcontractors for specific time periods) they will obtain identical certification from proposed Subcontractors prior to the award of subcontracts exceeding $10,000 which are not exempt from the provision of the Equal Opportunity clause; and that they will retain such certifications in their files.

Certification – The information above is true and complete to the best of my knowledge and belief. (A willfully false statement is punishable by law – U.S. Code, Title 18, Section 1001.)

EXHIBIT IX: DRUG-FREE WORKPLACE FORM

The undersigned Bidder in accordance with Florida Statute 287.087 hereby certifies that CenState Contractors, Inc. does:
(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs; and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (a).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 1892 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on or require the satisfactory participation in a drug abuse assistance or rehabilitation program, if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

EXHIBIT XXII: EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY) CERTIFICATION

(Florida Statutes, Section 448.095)

Bid 23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station

The undersigned, as an authorized officer of the Contractor identified below (the "**Contractor**"), having full knowledge of the statements contained herein, hereby certifies to Polk County, a political subdivision of the State of Florida (the "**County**"), by and on behalf of the Contractor in accordance with the requirements of Section 448.095, Florida Statutes, as related to the contract entered into by and between the Contractor and the County on or about the date hereof, whereby the Contractor will provide labor, supplies, or services to the County in exchange for salary, wages, or other remuneration (the "**Contract**"), as follows:

1. Unless otherwise defined herein, terms used in this Certification which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

2. Pursuant to Section 448.095(5), Florida Statutes, the Contractor, and any subcontractor under the Contract, must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor or subcontractor. The Contractor acknowledges and agrees that (i) the County and the Contractor may not enter into the Contract, and the Contractor may not enter into any subcontracts thereunder, unless each party to the Contract, and each party to any subcontracts thereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of the Contract, and the County may treat a failure to comply as a material breach of the Contract.

3. By entering into the Contract, the Contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the Contract. Failure to comply will lead to termination of the Contract, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If the Contract is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If the Contract is terminated for a violation of Section 448.095, Fla. Stat., by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the County as a result of the termination of the Contract. Nothing in this Certification shall be construed to allow intentional discrimination of any class protected by law.

Executed this 24th day of October, 2023.

EXHIBIT XXIII: CERTIFICATIONS REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT, AND OTHER RESPONSIBILITY MATTERS

For all awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities, the Offeror must complete and sign the following:

The Offeror certifies, to the best of its knowledge and belief, that-

(1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

(2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by Polk County, a political subdivision of the State of Florida (the "County"). If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Florida Division Emergency Management, the County, and the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder further agrees to include a provision requiring such compliance in its lower tier covered transactions.

EXHIBIT XXIV: APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

(To be submitted with each bid or offer exceeding $100,000)

The undersigned CenState Contractors, Inc certifies, to the best of his or her knowledge, that: (Contractor)

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, CenState Contractors, Inc., certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

ADDITIONS

1: ADD TO: Specification, Section 02200, 3.04.B:

3. **Compaction around the pipe shall be 100%, AASHTO T-99.**

QUESTIONS AND ANSWERS

Question 1: Technical Specifications 11214-2.02.J. – "The head shaft shall be coupled to the motor shaft with a spacer type, adjustable flanged coupling". Spacer type coupling is available for vertical solid shaft motor. Please confirm if motor is to be vertical solid shaft or vertical hollow shaft as stated in 2.03.D.

Answer 1: Provide vertical high thrust solid shaft motor with adjustable flanged coupling.

Question 2: Technical Specifications 11214-2.03.F.2 – This section states that motor enclosure shall be TEFC. However in Section 166220-2.03.M.5 states that "motors shall have weather-protected Type I enclosures..". Please confirm if motor shall be TEFC or WPI.

Answer 2: Provide TEFC motor enclosure.

Question 3: Table 11214-B – Column diameter listed is 10" whereas the discharge size is listed as 8". Typically, these are the same size or column is smaller diameter. Please confirm 8" column is acceptable.

Answer 3: 8-inch pipe column diameter is acceptable. Refer to Revision Item #11.

Question 4: Peerless Pump is a named manufacturer for Section 11214 vertical turbine well pumps, please confirm the County will accept Peerless Pump for the Horizontal Split Case Pumps as shown in Section 11211? Peerless horizontal split case pumps will meet the specification without exception.

Answer 4: Peerless is an acceptable pump manufacturer. Pump manufacturer shall comply with Specification Sections 11211 Horizontal Split-Case Centrifugal Pumps and 11214 Vertical Turbine Well Pump.

Naming of a manufacturer does not indicate approval nor shall standard product offerings by any named manufacturer be accepted in lieu of the component features as specified herein. All manufacturers are required to comply fully with the Specifications.

Question 5: The irrigation plans do not show and bubblers or drip line on any of the trees or shrubs. It is all rotor zones. Do you want me to add in some zones to water the trees and shrubs? Or do you want me to only bid irrigating the trees and shrubs because the turf to be installed is Bahia?

Answer 5: Bid as shown, rotors zone only. Post award contractor may submit alternate irrigation plan for review.

Question 6: Laurustinus Viburnum is not available in the southeastern US. Also, it likes a cooler climate and will not do good in central Florida. Can I sub these for Walters Viburnum? They get a small cluster of white flowers on them when they flower.

Answer 6: Bid as shown.

Question 7: Formosan Gum is also not available in the southeastern US. Can I sub these for Sweet Gum? It is in the same family of trees with similar characteristics.

Answer 7: Bid as shown.

Question 8: Please publish copies of the sign in sheet from the pre-bid.

Answer 8: The list of attendees from the pre-bid meeting can be found here: https://www.polk-county.net/procurement/bids/bid-details/jordan's-grove-ground-storage-reservoir-high-service-pump-station

Question 9: Section 01000, 1.01, A, 2, a, states "The Contractor shall obtain and pay for all necessary local building permits.". If this is the case, according to Florida Statues, we need to be made aware of what those costs are.

Answer 9: The contractor shall not include the cost of local building permits in the bid. The contractor shall be reimbursed for local building permit fees after submitting the relevant invoices to the County.

Question 10: Drawings show approximate locations of Gopher Tortoise Burrows. There does not seem to be any provision in the project for gopher tortoise relocation. Is this correct?

Answer 10: Approximate locations of gopher tortoise burrows were from a survey completed in 2020. The bid form and measurement and payment include an allowance for any gopher tortoise relocation required. A minimum non-disturbance area with a 25 feet radius shall be upheld to avoid the need for burrow relocation.

Question 11: Please confirm if this project is subject to Davis-Bacon prevailing wage rates. If so, is certified payroll required?

Answer 11: Davis-Bacon does not apply to the project.

Question 12: Please confirm if the project is subject to AIS/ Buy American provisions.

Answer 12: AIS/ Buy American provisions do not apply to the project.

Question 13: Please confirm in the case of a conflict between Specification Section 13205 and other specifications or drawings within the project documents, that Section 13205 shall govern for the prestressed concrete tank only.

Answer 13: Refer to General Conditions, Section 4.2 Conflicts, for procedures should any conflict be discovered within the contract documents.

Question 14: Can you provide the soil site classification? Also, confirm that the prestressed concrete ground storage tank is not subject to perched water, liquefaction, or sinkhole potential.

Answer 14: Refer to soils map Figure 3 attached and Appendix B, Geotechnical Report, of the project specification manual.

Question 15: Specification 01410-1 Section 1.01 A1, Specification 03300-25 Section 3.16A, and Specification 13205-16 Section 3.02 A1, conflict with who is required to provide material testing. Please confirm that the Owner or General Contractor is required to provide and pay for material testing for concrete/shotcrete and all other testing required for the prestressed concrete ground storage tank.

Answer 15: The Contractor shall employ and pay for services of an independent testing laboratory for inspection and testing in accordance with Spec Section 01410 1.01.A.1 and Section 13205 3.02.A.1.

Question 16: Specification 03300-10, Section 2.06B, requires sheet vapor retarder not less than 10 mils thick. Typical thickness required underneath prestressed concrete ground storage tanks is 6 mils. Please confirm if 6mil polyethylene film is acceptable for the prestressed concrete ground storage tank.

Answer 16: 6 mil polyethylene is not adequate. Please bid a 10-millimeter polyethylene film or thicker.

Question 17: Specification 03300-13, Section 2.12G2, Concrete Class A, provides an air content of 2%±1%. Crom's typical floor and dome concrete, and wall shotcrete requires a total air content of 5% ±1%. Please confirm if a total air content of 5% ±1% is acceptable for the prestressed concrete ground storage tank.

Answer 17: A total air content of 5% ±1% is acceptable.

Question 18: Specification 03300-13, Section 2.12G2, Concrete Class A, provides a slump range of 2"-4" prior to adding water reducers. Crom's typical floor and dome concrete mixes require a slump of 4" ±1". Crom's typical wall shotcrete mixes require a slump of 5" ±1". Please confirm if the slump ranges above are acceptable for the prestressed concrete ground storage tank.

Answer 18: Slumps of 4" ±1"and 5" ±1" are acceptable as long as the water to cement ratio under the specification 033000-13, sections 2.12G2 is met. Admixtures that increase the slump are accepted.

Question 19: Specification 13205-9, Section 2.03A Aluminum Handrails, requires aluminum handrailing shall be installed as shown on the Drawings shall be a three (3) rail type handrail system with a 4-inch toe board. Drawing Sheet D-110 shows a two (2) rail handrail in Section/Elevation A. Typical handrail systems utilize a two (2) rail handrail system. Please confirm which handrail system is desired.

Answer 19: Two rail handrail is acceptable.

Question 20: Specification 13205-11, Section 2.04C, states that the coatings may be applied by the General Contractor with approval from the Tank Contractor. To avoid division of responsibility on the tank's warranty, we request that the tank manufacturer be required to apply all tank coatings to the proposed prestressed concrete ground storage tank with its own crews and not subcontract out the coatings of the tank.

Answer 20: Tank coatings shall be the responsibility of the tank manufacturer. See revision to Spec Section 13205 – Prestressed Circular Concrete Water Storage Tank above.

Question 21: Specification 13205-11, Section 3.01 B5, states, that the floor shall be sloped to the drain toward the tank effluent pipe with the finishing criteria stated in Division 3 for concrete, except that the finishing tolerance shall be ½ inch in 10 feet, as determined by a 10-foot straightedge placed anywhere on the slab in any direction. Drawing Sheet D-110, shows a flat tank floor with a FFE at 115.00. Please confirm if the floor is sloped or flat.

Answer 21: Floor shall be sloped per Spec Section 13205 Section 3.01.B.5.

Question 22: Specification 16110-1, Section 1.01 B1, requires a lightning protection system for the Ground Storage Reservoir. Drawing Sheet E-206, depicts bonding to steel reinforcement in thrust block of encased pipe. Per AWWA D-110 Sec. 5.16 – Electrical grounding to non-prestressed reinforcing steel or prestressed reinforcement for any equipment or electrical service shall be strictly prohibited. Please consider utilizing grounding rods or other systems for the lightning protection for the prestressed concrete tank.

Answer 22: Bonding to rebar in thrust block has been removed. See attached revised drawing sheet E-206.

Question 23: During the application of shotcrete to the exterior tank wall, rebound from the shotcrete process with build up around the perimeter of the tank. We do not typically remove the shotcrete rebound from around the tank. Since the tank footer is being backfilled, we assume that shotcrete rebound can be left in place. Please confirm this is acceptable.

Answer 23: Concrete rebound shall be hauled away and legally disposed off-site.

Question 24: Although we actively search Polk County for upcoming solicitations, we somehow missed the above referenced project. Obviously, we have missed the mandatory meeting. Has there been any thought to having an additional meeting or considering making the meeting held on 7/28/2023 nonmandatory?

Answer 24: The pre-bid meeting for this project was advertised as a mandatory meeting for potential bidders to attend as a qualification for bidding this project. The County will not consider making it non-mandatory and no additional pre-bid meeting will be scheduled for this project.

August 10, 2023

POLK COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA
ADDENDUM # 1
BID 23-514, JORDAN'S GROVE GROUND STORAGE RESERVOIR & HIGH SERVICE PUMP STATION

This addendum is issued to clarify, add to, revise and/or delete items of the Bid Document for this work. This Addendum is a part of the Bid Document and acknowledgment of its receipt shall be noted on the Addendum.

Contained within this addendum: Questions and answers received.

To receive a copy of the revised specifications Section 13410 please go the following FTP site: https://ftp3.polk-county.net, you will be prompted for a User ID and Password. The User ID is procurevendor and the password is solicitation. After you have logged in to the FTP site, double click on the file folder "Bid 23-514, Jordans Grove GSR and HSPS.zip", select "Open" or "Save As" to download the Bid documents, drawings, and technical specifications. If you need assistance accessing this website due to ADA or any other reason, please email Ari Goldstein at arigoldstein@polk-county.net.

BID 23-514, JORDAN'S GROVE GROUND STORAGE RESERVOIR & HIGH SERVICE PUMP STATION
Addendum # 1

QUESTIONS AND ANSWERS

Question 1: We are interested in bidding the above referenced project but wanted to clarify the qualifications. Per the ITB: "Bidder shall be a current State of Florida licensed General Contractor with experience in the installation of ground storage tanks equal to or greater than 1.0 million gallons, large diameter (<10-inch) yard piping, horizontal split case pumps, vertical turbine pumps, and variable frequency drives in the state of Florida as the primer bidder."

We have no issue with the piping, pumps, VFD's, etc as the prime bidder however we have a current project with a 1 MG storage tank and we also have experience as a subcontractor to both Crom and Precon on projects that had 1 MG tanks or larger that they bid as prime contractors and we handled all of the scope outside of the tank construction.

Please confirm that this would be acceptable so that we may bid this project.

Answer 1: Per the Qualifications, Item #3, the County is requesting must provide five (5) references from clients in which the bidder has performed similar size and scope services as the prime contractor, within the past ten (10) years, for projects involving ground storage tank installation of at least 1.0 million gallons, large diameter yard piping, horizontal split-case pumps, vertical turbine pumps and/or VFDs.

Bidders must be able to provide references as the prime contractor on five projects in which the projects performed including items similar in size and scope as those listed above in order to meet the qualification.

Question 2: In the past, Polk County has accepted Unitron Controls® (a subsidiary of Barney's Pumps, Inc) as an approved I&C Subcontractor/Supplier. Will the County consider Unitron as an Equal for the purposes of this bid?

Answer 2: See revised Section 13410. I&C supplier shall meet the requirements outlined in 1.03 A. Contractor shall provide qualifications of the proposed I&C Supplier as part of their bid submittal or it must be provided prior to award of the bid.

Question 3: Will the County accept Fairbanks (sister divisions to Aurora & Hydromatic, which are all owned by Pentair) as Equals for Horizontal Split Case Pumps and Well Pumps?

Answer 3: Fairbanks is an acceptable pump manufacturer. Pump manufacturer shall comply with Specification Sections 11211 Horizontal Split-Case Centrifugal Pumps and 11214 Vertical Turbine Well Pump.

Naming of a manufacturer does not indicate approval nor shall standard product offerings by any named manufacturer be accepted in lieu of the component features as specified herein. All manufacturers are required to comply fully with the Specifications.

Question 4: Specifications, Section 13410-2.01-A lists 3 firms for the Equipment Supplier/I&C Subcontractor scope. How can we get added to this list? We have over 23 years of I&C experience in the Water/Wastewater sector covering projects of all sizes and scopes. If the list cannot be changed at this time, is there an "Or Equal" clause that would allow us to submit a bid for the I&C scope?

Answer 4: See revised Section 13410. I&C supplier shall meet the requirements outlined in 1.03 A. Contractor shall provide qualifications of the proposed I&C Supplier as part of their bid submittal or it must be provided prior to award of the bid.

Question 5: On the above project, we greatly appreciate it if you could consider naming EDGENG as an approved Manufacturer in the specification OR approve us Equal Status on this Project per the specification sections of section 066100- FRP Gratings, FRP Decking, FRP Stairs and FRP Ladders in order for us to forward our proposal for the FRP scope of work, which has developed cost-effective and durable alternatives for Stainless Steel Products.

We are an FRP Composite Manufacturer Specializing in Fiber Reinforced Composite products for Structural & Civil Engineering Applications. Over the past 2 decades, we have delivered to clients ranging from the US military, Chemical Plants, and City Governments across the United States & Canada with unparalleled service standards.

We at EDGENG are confident of our ability to provide innovative engineering solutions that meet OR exceed the ASTM Quality Standards & Specifications Further, need to reiterate that Edgeng FRP products are certified with NSF 61 - USA Standard Certification and ISO 9001 Quality certifications.

Our present Engineering Team is strengthened by a combination of Chemical and civil Engineers backed by over 2 decades of experience in craftsmanship and engineering ingenuity.

Answer 5: Alternate manufacturers may be considered for approval on an Equal Status basis alongside the other listed manufacturers, provided they furnish comprehensive submittals demonstrating their compliance with all the requirements listed in our specification

Question 6: We (Robbins Lightning, Inc.) received this project today and we are not listed as an Approved Lightning Protection Manufacturer. I have attached an approval letter about our company. Our websites are listed in the letter where you may view our products and services. We would like to be listed as an Approved Lightning Protection Manufacturer on this project and future projects.

Answer 6: Alternate manufacturers may be considered for approval on an Equal Status basis alongside the other listed manufacturers, provided they furnish comprehensive

submittals demonstrating their compliance with all the requirements listed in the specification.

Question 7: Drawing I-101 indicates a cellular router (Cradlepoint IBR600C). This appears to be illustrated with faded lines. Please advise whether this is an existing unit or to be furnished by the owner.

Answer 7: Integrator shall furnish cellular router and PCU will configure router.

Question 8: Specification page 13410-1, Part 1.01 sub section A4 refers to the Polk County Utilities and Specifications Manual (USSM). I visited the Polk County website and found 6B USSM Chapter 4 Potable Water and Potable Standard Drawings.

In particular, I was looking for a list of approved manufacturers for the pressure transmitters, pressure gauge, pressure switch, level alarm float switches and electromagnetic flowmeters indicated on drawing I-201. Unfortunately, I wasn't able to find this in the USSM. Please advise.

Answer 8: Instrument specifications are provided in "Section 13420 Field Instrument Schedule" of the project manual.

Question 9: Specification page 13460, subsection Part 2.02D makes reference to some software licenses provided on a laptop, however, there doesn't appear to be a specification for the laptop in the Polk County USSM, please advise.

Answer 9: A laptop is not required. Provide configuration / licensing files on thumb drive or CD.

NAME OF BID: Jordan's Grove Ground Storage Reservoir & High Service Pump Station
BID NUMBER: 23-514 PUBLIC CONSTRUCTION BOND IS REQUIRED
A **MANDATORY** pre-bid meeting will be held Friday, July 28, 2023, at 11:00 a.m. at the at the Northeast Regional Wastewater Treatment Facility (NERWWTF) conference room, located at 200 Westview Road, Davenport, FL 33837. A **MANDATORY** site visit will follow. An authorized representative or agent of the Bidder must be present at this meeting in-person, as evidenced by their signature on the meeting's sign-in sheet. If the Bidder does not sign-in prior to the conclusion of the meeting, the Bidder's submittal will be considered non-responsive.
BID DUE/DATE/TIME: **WEDNESDAY, AUGUST 23, 2023, PRIOR TO 2:00P.M.**
DATE/TIME OF BID OPENING: AT 2:00P.M. or As Soon As Possible Thereafter
PLACE OF BID OPENING: PROCUREMENT DIVISION, 330 WEST CHURCH STREET, ROOM 150, BARTOW, FLORIDA 33830
DEADLINE FOR QUESTIONS FROM BIDDERS: Friday, August 11, 2023, 4:00P.M..

INSTRUCTION TO BIDDERS

1.0 Bids

1.1 Supplementary Conditions, Special Conditions, Plans, Drawings, Instructions to Bidders, the Conditions of the Contract, Exhibits, the Bid Submittal, Technical Specifications, any resulting addenda issued, and the Contract together therein identified constitute the entire "bid package" and upon award shall constitute the Contract Documents concerning this present bid matter.

1.2 The Bid Submittal must be submitted in a sealed envelope. The face of the envelope should state the Bid Title and Bid Number, the name of the company submitting the bid and the date and time of the bid opening. Bidders are not required to return the Instructions to Bidders, Conditions of the Contract or Contract with their Bid Submittal, unless specified elsewhere in this Bid Package.

1.3 The following documents, collectively, comprise the "Bid Submittal" which, when tendered, on or before the Bid due date and time, must include:

- Part C – Bid Sheets and Acknowledgement Form,
    - With the manual signature of an authorized representative of the company or their designee,
    - Bid prices must be entered on the Part C – Bid Sheets and Acknowledgement Form (no other bid submittals will be accepted)
    - Bid 23-514, Excel Bid Sheet
    - All information requested on pages 89-91
- Exhibit I, Bid Bond.
- Exhibit IV, Non-Collusion Affidavit of Prime Bidder.
- Exhibit VI, Affidavit of Percentage of Work (this requirement does not include Exhibit VI-A and Exhibit VI-B).
- Exhibit XXIII, Certifications Regarding Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters
- Exhibit XXIV, Appendix A, 44, C.F.R. Part 18 – Certification Regarding Lobbying
- All additional information requested as a "must" item in any Addendum.
- All corrections made by the Bidder to the Bid Sheets and Acknowledgement Form should be acknowledged by written initials of the authorized representative signing the Bid Submittal or their designee. Should a price correction not be acknowledged, lowest price will prevail.
- One original and one copy of the complete Bid Submittal must be tendered.

1.4 All additional requested information and Exhibits must be submitted within a reasonable period of time if chosen as the apparent low, responsive and responsible bidder during the Bid Analysis phase.

- These items include:
    - Exhibit II, Performance Bond
    - Exhibit III, Payment Bond
    - Exhibit V, Non-Collusion Affidavit of Subcontractor
    - Exhibit VI-A, Subcontractor List
    - Exhibit VI-B, Good Faith Effort Documentation
    - Exhibit VII, Trench Safety Act Compliance
    - Exhibit VIII, Equal Employment Opportunity
    - Exhibit IX, Drug-Free Workplace Form
    - Exhibit X, Safety Requirements/Regulations
    - Exhibit XVIII, Certificate of Compliance
    - Exhibit XIX, Affidavit Certification Immigration Laws
    - Exhibit XXI, Scrutinized Companies Certification
    - Any items called for in the Supplementary Conditions

1.5 All prices quoted are to be F.O.B. job site in Polk County, Florida. Bid amount shall be inclusive of all costs. Nothing herein shall prohibit the County from deleting line items and purchasing said items directly from a

supplier if it is determined that there is sufficient sales tax savings to make purchasing by the County practical.

1.6 It is the Bidder's responsibility to ensure their bid is delivered at the proper time and place of the bid opening. Bids which for any reason are not so delivered will not be considered. Offers by telegram, telephone, email or facsimile are not acceptable. The bid opening shall be public, on the date and time specified under Invitation for Bid. Bid tabulations may be downloaded from the County's web site. Each Bidder must execute their bid with their full name, and title and give their address, fax, telephone and email address. In cases where a firm or corporation submits a bid submittal, the bid submittal shall be signed with the full name of each member of the firm, or the name of the officer of the corporation authorized by its by-laws, in addition to the address of such firm or corporation and such officer.

1.7 The Bidder is solely responsible for reading and completely understanding the requirements of the Contract Documents. The bid opening time will be scrupulously observed. Under no circumstances will Bid Submittals delivered after the delivery time specified be considered. Late Bid Submittals shall not be accepted.

1.8 Bid Submittals may be withdrawn by notifying the County, in writing, at any time prior to the deadline for bid submittal. After the deadline, the bids become a record of the County and will not be returned to the Bidder unless the bid is cancelled. It is the responsibility of the Bidder to make a written request for return of the Bid Submittal after notification of cancellation. Absent this written request, the County shall destroy the submittal. Negligence on the part of the Bidder in preparing their Bid Submittal confers no right of withdrawal or modification of their Bid Submittal after such Bid Submittal has been opened by County Staff at the appointed time and place. Bid Submittals and any bid security shall be in force for a period of not less than ninety (90) calendar days after the bid opening time.

1.9 At the time and place specified for the opening of Bid Submittals (see above), every Bid Submittal properly delivered within the time specified for receiving Bid Submittals will be opened and publicly read aloud, irrespective of any irregularities found therein. Bidders and other persons interested may be present or represented.

1.10 Attorneys-in-fact who sign bonds or other surety instruments must attach with each bond or surety instrument an effective and certified power of attorney.

1.11 The Bidder assumes responsibility to examine the site of the Work and become familiar with the form of Submittal, Drawings, Specifications, any Addenda issued thereto and all other forms of Contractual Documents

pertaining to the proposed Work. The submission of the bid shall be sufficient to establish the presumption that the Bidder has investigated the site of the Work and is satisfied as to all conditions to be encountered, the character, quantity and quality of the work to be performed and materials furnished in the completion thereof. No pleas of ignorance of conditions or difficulties that may be encountered in the execution of the Work pursuant to this bid package as a result of failure to make necessary and reasonable examinations and investigations will be accepted as an excuse for any failure or omission on the part of the successful Bidder to fulfill, in every detail, all of the requirements of the Contract Documents; nor will they be accepted as a basis for any claims whatsoever for extra compensation or for any extension of time. Prior to the time specified for receiving bid submittals any interpretation or modifications of the proposed Contract documents will be made only by Addendum. The County will send a courtesy notification when addenda are issued to each person to whom attended a mandatory or non-mandatory pre-bid meeting, if applicable; and/or submitted Bidder Registration. It is the sole responsibility of the Bidders to check the County's website at https://www.polk-county.net/procurement/bids "Notice of Bids" to ensure that all available information, addenda, has been received prior to submitting a bid. The County shall not be responsible for oral instructions.

1.12 The Bid Bond shall be for 5% of the amount bid and shall be submitted with the Bid Submittal. The Public Construction Bond shall be for 100% of the amount bid and, if called out in the contract, the allowance amount; and shall be submitted to Procurement along with the executed contract documents as outlined under section 11.0, Approval of Contract. The Bid Bond and Public Construction Bond shall be executed by a surety authorized to do business in the State of Florida and as named in the current list of "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by the Audit Staff, Bureau of Government Financial Operations, U.S. Treasury Department and A.M. Best rated A VIII or better. All bonds signed by an agent must be accompanied by a certified copy of authority to act and indicate that they are licensed to do business in the State of Florida.

1.13 Unless exempt under Florida Statute, Bidder should furnish a copy of either their State of Florida Contractor Certification or their Florida Registration showing they are licensed in Polk County with its Bid Submittal. The Certification or Registration must be current and effective as of the Bid Submittal date and must be maintained throughout the life of the contract.

2.0 Pre-Qualifications

2.1 When a mandatory pre-bid meeting is specified, all Bidders must register prior to the conclusion of the meeting. Failure to do so will disqualify the firm from bidding. If there is a mandatory site visit, the Bidder must initial the

registration sheet prior to completion of the visit to the site. An authorized representative or agent of the Bidder must be present at this meeting, as evidenced by their signature on the meeting's registration sheet, or the Bidder's Submittal will be considered non-responsive.

2.2 It is the Bidder's responsibility to ensure that they comply with the above requirements.

3.0 Joint Venture

If a Joint Venture is contemplated, the Joint Venture Agreement between the parties must be submitted with the bid and the bid must be submitted in the name of the Joint Venture. Otherwise, the bid will be considered non-responsive.

4.0 Bid Errors

Where Bid Submittals have erasures or corrections, each erasure or correction should be acknowledged by written initials of the authorized representative signing the Bid Submittal or their designee. The County reserves the right to reject any Bid Submittal with such erasures or corrections where the accuracy or intent of said Bid Submittal as corrected cannot be determined by County staff. In the case of unit price contracts, if an error is committed in the extension of an item, the unit price as shown in the Bid Submittal will govern. The County staff will verify the extension of the unit prices to verify the correct amount. The County's figures shall prevail.

5.0 No Bid

Should the bidder decide there is no interest in bidding, they should return the "Statement of No Bid".

6.0 Discounts

Discounts shall not be considered in determining the lowest net cost for bid evaluation purposes.

7.0 Material and Construction

All material, equipment and construction furnished shall be new and shall be of good quality, workmanship and material. If silent in specifications, then the most acceptable industry-standard product shall be furnished and installed.

8.0 Conflict of Interest

The award hereunder is subject to the provisions of Florida Statutes, Chapter 112. All Bidders must disclose with their bid the name of any officer, director or agent who is also an employee of the County or any of their agencies. All Bidders must disclose the name of any County employee who owns, directly or indirectly, any interest of any amount in the Bidder's firm or any of their branches.

9.0 Assignment of Contract

Bidder may not make any assignment of the resulting Contract between parties, in whole or in part, without prior written authorization as may be given at the sole discretion of the County.

10.0 Recommendation of Bid Award/Rejection of Bids

10.1 A bid may be recommended for award by the Procurement Director to the lowest responsive and responsible Bidder, provided that Bidder's bid submittal is considered (within the sole discretion of said Procurement Director) reasonable, in the best interest of County to recommend, and no bid protest has been filed. Unless otherwise noted, the basis of recommendation will either be the Base Bid, the Base Bid plus all alternates or any combination thereof, whichever is in the best interest of the County or may be determined by the availability of funds. Should the basis of award be the Base Bid plus selected alternates, the priority of the selection of those alternates will be set forth in the Supplementary Conditions if applicable. The successful Bidder to whom a bid is recommended for award will be so notified by County staff. The Procurement Director, however, at their sole discretion, reserves the right to reject any and all bid submittals or to waive any informality concerning the bid submittal whenever such rejection or waiver is in the best interest of the County. The Procurement Director, likewise, reserves the right to reject the bid submittal of any Bidder who has previously failed to perform properly or to complete on time, contracts of a similar nature; or who is not in a position to perform the contract; or who has habitually and without just cause neglected the payment of bills or otherwise disregarded its obligations to subcontractors, materialmen or employees.

10.2 As part of the recommendation of award by the Procurement Director, any actual bidder or proposed bidder who is allegedly aggrieved in connection with the solicitation or pending recommendation of award of a contract may protest to the Procurement Director, in accordance with the Procurement Policies and Procedures Manual. The procedures are available at the Polk County Procurement Division at (863) 534-6757. Any person who wishes to file a protest regarding the recommendation of award may do so by submitting a non-refundable cashier's check in the amount of $1,000.00 with their initial protest. Failure to follow the bid protest procedure requirements with the time frames prescribed herein as established by Polk County, Florida, shall constitute a waiver of your protest and any resulting claims. If no protests are received, the Procurement Director will work with the Procurement Analyst assigned to this bid to coordinate that the contract documents are executed by the recommended Bidder and placed on a Board agenda for approval by the Board and execution by the Chairman of the Board.

11.0 Approval of Contract

The recommended Bidder will be required to execute the contract documents as outlined in the bid package including, the Public Construction Bond, all signed exhibits and other required information stated in the supplemental conditions or any addendums. The executed documents should be returned to Procurement within 10 working days of the documents being sent by Procurement to the Bidder for execution. After the executed documents are received back by Procurement they will be given to the County Attorney's Office for approval to be added to a Board agenda for Board approval and execution by the Chairman of the Board.

All contracts are subject to final approval of the Polk County Board of County Commissioners. Persons or firms which incur expenses or change position in anticipation of a contract prior to the Board's approval do so at their own risk.

12.0 Security Forfeiture

If after Bidder's receipt of a notice of recommendation for award the successful Bidder refuses or otherwise neglects to execute and deliver the required Contract documents, including the Public Construction Bond, all signed exhibits, required insurance documents and other required information stated in the supplemental conditions or addendums within a reasonable time, the amount of the Bidder's bid security (Bid Bond) may be forfeited and the award rescinded if such action is deemed to be in the best interests of the County. The Procurement Director will make the determination of "a reasonable time". It is recommended that the executed contract documents be returned to Procurement within 10 working days of the documents being sent by Procurement to the recommended Bidder for execution. No plea of mistake in the bid or misunderstanding of the conditions of forfeiture shall be available to the Bidder for the recovery of their bid security or as a defense to any action based upon the neglect or refusal to execute the required agreement or furnish the required bonds and insurance certification.

13.0 Laws, Codes and Regulations

The Bidder shall familiarize itself and comply with all Federal, State, County and City laws, codes, ordinances or regulations controlling the action or operation of those engaged in the Work, or affecting materials or methods used, and govern itself in accordance with them. If the Bidder observes that there are conflicts between the Drawings and Specifications or between any other documents, they shall promptly notify the County in writing. Failure of the Bidder to notify the County of these variances shall not provide relief for compliance to the document as may be interpreted by the County. The Bidder shall hold harmless, to the fullest extent permitted by Florida Law, the County and all of its officers, agents or servants against any claims or liability arising from, or based upon the violations of any such laws, by-laws, ordinances, regulations, orders or decrees, whether by itself or their employees.

14.0 Safety Requirements/Regulations

14.1 All Bidders are required to submit with their Bid Submittal, Exhibit X, Safety Requirements/Regulations which states that if the firm falls under the Occupational Health and Safety Administration (OSHA) Regulations, as interpreted by OSHA, the successful contractor will be able to provide, at the request of the County, a copy of their OSHA 300 Log for the past three (3) years, a copy of the Workers Compensation Modification Rate; a copy of the Contractor's Safety and Health Program, and a copy of the Contractor's Drug Free Workplace Program. Any questions regarding the compliance with this provision shall be directed to Polk County Safety and Loss Control Coordinator, Risk Management Division, (863) 534-5267.

14.2 The Bidder is hereby notified that if awarded the bid and it involves work such as maintenance, repair, turnaround, renovation, construction or engineering on chlorine disinfection facilities or other covered process(es) must be able to provide, at the request of the County, the following items for review: OSHA 300 Log for past five (5) years, current safety program, training program and experience with other related processes. Documented evidence showing compliance with confined space entry, lockout/tagout, emergency response and safe work is required. All contract workers must comply with the facility's safe work practices and controls outlined in the facility safety manual and operating procedures.

14.3 The Bidder is hereby notified that if awarded the bid they shall be responsible for maintenance of traffic within the limits of the project for the duration of the construction period, including any temporary suspensions of the Work. The Contractor shall construct and maintain detours and provide facilities for access to residences, businesses, etc., along the project. The contractor shall furnish, install and maintain traffic control and safety devices during construction, furnish and install work zone pavement markings for maintenance of traffic in construction areas, and provide any other special requirements for safe and expeditious movement of traffic specified on the plans. Maintenance of Traffic includes all facilities, devices and operations as required for safety and convenience of the public within the work zone. Refer to Florida Department of Transportation's (FDOT) latest edition of the Standard Specifications for Road and Bridge Construction and the latest version of the Manual on Uniform Traffic Control Devices (MUTCD) for the minimum national standard for traffic control for highway construction, maintenance, and utility operation.

15.0 Liquidated Damages

Bidders are hereby advised that if the Contract documents so indicate, a reasonable amount for liquidated damages may be assessed for Contractor's failure to meet stated specifications, schedule, or other relevant issues as determined by the County.

Information regarding the composition of liquidated damages can be found in the Supplementary Conditions. The liquidated damages are not intended as a penalty.

16.0 Standard Basis for Bidding

Where a particular system, product or material is specified by name, it shall be considered as a standard basis for bidding and as the most satisfactory for its particular purpose. Where two or more products, materials or manufacturers are specified by name, each shall be considered as a predetermined equal and acceptable for its particular purpose; and the bidder may use any of the listed items within their bid.

17.0 Preconstruction Conference

After the Board has approved the Bidder's executed contract and prior to the start of construction, a joint meeting may be held with representatives of the successful Bidder, the County and other invited parties or government agencies which may be affected by or have jurisdiction over the Work.

18.0 Florida Public Entity Crime Statute

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract or provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public, work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list. [(Florida Statutes Section 287.012(11)(16), Section 287.058, Section 287.133, paragraph (2)(a)] By submitting this bid, bidder hereby certifies that they have complied with said statute.

19.0 Preference for Drug-Free Workplace-*Omitted intentionally, not applicable with Federal funding.*

20.0 Requirement to list Subcontractors

The successful Contractor shall provide a list of all proposed subcontractors, other persons or entities (including those who are to furnish materials or equipment fabricated to a special design), the associated costs, and company classification on Exhibit VI-A, Subcontractor List, upon request by Procurement Staff. Exhibit VI-A may be requested during the bid analysis and again at the project close-out. The list must contain all subcontracted areas of work including those areas of work being self-performed. The total of work noted on this list must match the bid amount stated on Part C, Bid Submittal.

In addition, the successful Contractor should provide documentation reflecting their "Good Faith Effort" in securing the services of minority owned businesses for any appropriate subcontracted areas of work. This documentation shall be noted on Exhibit VI-B, Good Faith Effort, and shall be provided upon request by Procurement Staff.

21.0 Women/Minority Business Enterprise Outreach (WMBE's)

The County hereby notifies all Bidders that W/MBE's are to be afforded a full opportunity to participate in any bid by the County and will not be subject to discrimination on the basis of race, color, sex or national origin. The County asks that Bidders make good faith efforts to use qualified W/MBE subcontractors in preparing their bid. The W/MBE's must be identified as such on the subcontractors list. Bidders are encouraged to contact the Supplier Diversity Office, at (863) 534-5959 for assistance. If a Bidder makes a good faith effort to find and utilize qualified W/MBE subcontractors, but is not successful, they have fulfilled the Good Faith Effort required. Good Faith Effort shall be described as the effort put forth by bidders on construction bids to solicit prices from women/ minority contractors.

22.0 Equal Opportunity for Contractors and Subcontractors

Pursuant to U.S. Executive Order 11246, as amended, you are advised that under the provisions of government contracting, and in accordance with the Executive Order, contractors and subcontractors are obliged to take affirmative action to provide equal opportunity without regard to race, creed, color, national origin, age or sex.

23.0 Additions/Revision/Deletions

Additions, revisions or deletions to the general conditions, specifications or bid price sheets by a Bidder that change the intent of the bid will cause the bid to be non-responsive and the bid will not be considered. The Procurement Director shall be the sole judge as to whether or not any addition, revision, or deletion changes the intent of the bid.

24.0 Unit Prices

Unless otherwise stated in this document unit prices will be utilized to adjust the total compensation due the successful Bidder based on actual quantities provided as part of the Work and verified by the County. Significant changes in quantities, including deletion of any particular item are possible. Negotiation of unit prices shall not be allowed except under conditions of Force Majeure, where those conditions are sufficiently documented to the full satisfaction of the County. No other claim to negotiate unit prices will be considered.

25.0 Code of Ethics

If any bidder violates or is a party to a violation of the code of ethics of the County or the State of Florida, with respect to this bid, such bidder may be disqualified from performing the work described in this bid or from furnishing the goods or services for which the bid is submitted and shall be further disqualified from bidding on any future bids for work, goods, or services for the County.

26.0 Questions

All questions must be submitted in writing and addressed to the appropriate person in the Procurement Division by the specified date and time as listed on page IB-1. The bid cover sheet provides the name of the Procurement Division contact person, as well as their phone number, fax number and e-mail address.

27.0 Bid Protest

Procedures for filing a protest may be obtained from the County's Procurement Division. Failure to follow the bid protest procedure requirements within the time frames prescribed herein as established by the County shall constitute a waiver of the Bidder's right to protest and any resulting claims.

28.0 Local Preference *Omitted intentionally, not applicable with Federal funding.*

29.0 Vendor Preference- *Omitted intentionally, not applicable with Federal funding.*

Bid Submittal Instructions

Respondents must submit one (1) original copy of the bid submittal prior to 2:00 p.m. on the bid receiving date. Bids must be submitted in a "sealed" parcel or electronically through Polk County's secure website, Kiteworks. Bids will be publicly opened at 2:00 p.m. on receiving date.

Sealed Parcel Submittal:

If you are submitting a sealed parcel bid, please cut along the outer border and affix this label to your sealed bid envelope to identify it as a "Sealed Bid". Be sure to include the name of the company submitting the bid where requested.

Sealed Bid. DO NOT OPEN	
Sealed Bid Number	23-514
Bid Title	Jordan's Grove Ground Storage Reservoir & High Service Pump Station
Due Date/Time:	August 23, 2023, prior to 2:00 pm
Submitted by:	
Deliver To:	Polk County Procurement Division 330 West Church Street, Room 150, Bartow, Florida 33830

Sealed parcel bids may be mailed, express mailed or hand delivered. It is the Bidders responsibility to ensure their package is delivered to the Procurement Division prior to 2:00 p.m. on the Receiving date and time referenced above. Bids delivered at 2:00 p.m. or later will not be accepted.

Electronic Bid Submittal:

If you are interested in submitting your bid electronically bidders may do so via the County's secure electronic submittal website, Kiteworks. Bidders must email arigoldstein@polk-county.net at least 48 hours prior to bid opening to receive a link to upload their submittal. Please only upload your documents as a PDF or Excel file for bid sheets. Please use the naming conventions for your files as follows:

For PDF documents "Bid 23-514 – <Contractor Name> Bid Submittal"

For Excel Bid Sheets "Bid 23-514 – <Contractor Name> Bid Sheet"

For more instructions, a video tutorial has been produced to further explain the electronic solicitation submittal process. It can be found by clicking here for Bid Submittals: https://youtu.be/vkn_7AHgioE. If you need assistance accessing this website due to ADA or any other reason, please email Ari Goldstein at arigoldstein@polk-county.net.

Procurement recommends that bidders submitting electronically double check the documents submitted into Kiteworks to ensure all requested information and bid sheet have been uploaded. Failure to upload the completed bid sheet will result in the bid submittal being deemed nonresponsive.

PART B – CONDITIONS OF CONTRACT

GENERAL CONDITIONS

ARTICLE 1 – CONTRACT DOCUMENTS

1.0 The Contract Documents comprise the entire contract between the County and the Contractor.

ARTICLE 2 – DEFINITIONS

2.0 Whenever used in any of the Contract Documents, the following meaning shall be given to the terms herein

2.1 The term **"Addendum"** or **"Addenda"** means any changes, revisions or clarifications of the Contract Documents which have been duly issued by the County to prospective Bidders prior to the time of receiving Bids.

2.2 The term **"Allowance Authorization Release"** means the written pre-approval forms signed by the County Manager or their designee for all allowance work.

2.3 The term **"Allowance Work"** means work that may not have been in the specifications and is deemed by the County to be necessary.

2.4 The term **"Application for Payment"** means the pay request accepted by the Professional and the County which is to be used by the Contractor in requesting progress or final payments that is accompanied by such supporting documentation as is required by the Contract Documents.

2.5 The term **"Bid Submittal"** means the offer or submittal of the Bidder submitted on the prescribed form setting forth the price(s) for the Work to be performed.

2.6 The term **"Bonds"** means the Bid and Public Construction Bond and other instruments of security furnished by the Contractor and its Surety in accordance with the Contract Documents.

2.7 The term **"Change Order"** means any change that requires the County's approval and either includes a change in the work or a change in the Contract Time.

2.8 The term **"Construction Change Directive"** means any change initiated by the County where a change order has not been agreed to between the County and the Contractor.

2.9 The term **"Contract"** means the Contract executed by the County and the Contractor.

2.10 The term **"Contractor"** means the person, firm or corporation entering into the Contract with the County to construct and install the improvements embraced in this Contract.

2.11 The term **"Contractor Certification of Disbursement of Previous Progress Payments to Subcontractors and Suppliers"** means the form that the Contractor must execute and submit with each Application for Payment certifying that the Contractor has paid all Subcontractors and Suppliers their respective pro rata share of all previous payments (to include payments of retainage) that the County has made to Contractor for Work that has been satisfactorily completed.

2.12 The term **"Contract Documents"** means and shall include the following: Special Conditions, Plans, Drawings, Relocation Schedule Permits, Instruction to Bidders, General Conditions, Exhibits, Supplementary Conditions, Technical Reports, Technical Specifications, Bid Submittal, Bid and Public Construction Bonds, all Addenda issued by the County, Certificates of Insurance, Permits, Notice of Award, Allowance Authorization Release Form, Change Order Form, Substantial Completion Form and Final Completion Form duly delivered after execution of Contract.

2.13 The term **"Contract Time"**, unless otherwise provided, means the period of time including adjustments by Change Order, allotted in the Contract Documents for substantial completion of the work.

2.14 The term **"County"** means Polk County, a political subdivision of the State of Florida, and its authorized designees, agents or employees.

2.15 The term **"Day"** may be either a working day or a calendar day as defined in the bid documents. When the Contract Time is specified as calendar days, workdays will be established in the supplementary conditions. Workdays are defined as those days of the week and hours of the day that the Contractor may perform the scope of work defined in the Bid Document. If a workday day shall fall on a County Holiday that day shall be omitted from the computation of days for Contract Time. County Holidays are: New Year's Day, Martin Luther King Day, Memorial Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving day, the Friday following Thanksgiving Day, Christmas Eve and Christmas Day, all as adopted by the Board of County Commissioners.

2.16 The term **"Drawings"** means the Drawings or plans listed in Part F.

2.17 The term **"Effective Date of the Contract"** means the date on which the contract has been approved by the Board and executed by the Chairman of the Board.

2.18 The term **"Field Order"** means a written direction to the Contractor from the Professional that modifies Drawings and Specifications without changing Contract Price or Contract Time.

2.19 The term **"Free on Board"** (FOB) means the cost of the goods including the shipment to the job site.

2.20 The term **"Good Faith Efforts"** means documented efforts to secure the participation of women and/or minority-owned subcontractors utilizing available resources to assist Bidder.

2.21 The term **"Lump Sum"** means that portion of the total contract amount that is fixed as a result of the amount of the bid submitted by the Contractor. If there is no "Allowance for Work" this amount is the total Contract amount. If there is an "Allowance for Work" then the bid price and the amount of the "Allowance for Work" becomes the total Contract amount.

2.22 The term **"Not to Exceed"** means that portion of the total Contract amount described as "Allowance for Work" that along with the amount of the bid submitted by the Contractor becomes the total Contract amount. Changes in the Work submitted by the Contractor that are eligible and approved for funding from the "Allowance for Work" shall not exceed the amount provided a "Allowance for Work" either in a single request or cumulative during the performance of the Work.

2.23 The term **"Notice of Award"** means the written notice issued by the County to the successful bidder.

2.24 The term **"Notice to Proceed"** means a written notice issued by the Procurement Division to the Contractor fixing the date on which the Contract Time will commence and the Contractor shall start to perform the obligations under the Contract Documents, unless otherwise specified in the Notice to Proceed. The actual Start Date shall be within ten (10) days of Notice to Proceed date or when all applicable permits have been secured, unless otherwise stated.

2.25 The term **"Professional"** means the architectural/engineering firm or individual retained by the County or in-house designated person designated to perform the design and/or resident engineering services for the Work. The Professional can also serve as the Project Manager.

2.26 The term **"Project Area"** means the area within which are the specified Contract Limits of the improvements contemplated to be constructed in whole or in part under this Contract.

2.27 The term **"Project Manager"** means the Polk County representative in charge, employed by the County, for the purpose of directing or being in charge of the work embraced in this Contract.

2.28 The term **"Procurement Director"** means the Director of Polk County Procurement Division or their authorized representatives.

2.29 The term **"Start Date"** means the date of commencement of the work.

2.30 The term **"Subcontractor"** means a person or entity who has a direct contract with the Contractor to perform a portion of the Work, to include a person or entity who provides equipment to support completion of the Work under an equipment-rental agreement.

2.31 The term **"Supplier"** means a person or entity that furnishes materials or equipment that is incorporated into the Work or that is stockpiled within the Project Area or a nearby vicinity for which the County has made partial payment.

2.32 The term **"Technical Reports"** means the reports issued by the County or the Project Manager consisting of written technical material such as soil reports.

2.33 The term **"Work"** means the entire completed construction or the various separately identifiable parts thereof required to be furnished under the Contract Documents. Work includes and is the result of performing or furnishing labor; furnishing and incorporating material and equipment in the construction; performing or furnishing services; and furnishing documents, all as required by the Contract Documents.

ARTICLE 3 – PRELIMINARY MATTERS

3.1 Delivery of Bonds

3.1.1 When the **Contractor** delivers the executed Contract to the **County**, the **Contractor** shall also deliver to the **County** such Bonds and insurance as may be required in accordance with these Contract Documents.

3.2 Copies of Documents

3.2.1 After the award of the Contract, the **County** shall furnish the **Contractor**, one set of Contract Documents for execution of the work.

3.3 Commencement of Contract Time; Notice to Proceed

3.3.1 The Contract Time shall commence as established in the Notice to Proceed. A Notice to Proceed may be given at any time after the execution of the Contract by the Chairman of the Board of County Commissioners and after a pre-construction meeting, if applicable.

3.4 Starting the Work

3.4.1 The **Contractor** shall begin the Work on the start date established. No work shall be done prior to the date on which the Contract Time commences. Any work performed by the **Contractor** prior to the date on which Contract Time commences shall be at the sole risk of the **Contractor**.

3.5 Before Starting Construction

3.5.1 Before undertaking each part of the Work, the **Contractor** shall carefully study and compare the Contract Documents; check and verify pertinent figures shown thereon and all applicable field measurements. The **Contractor** shall promptly report, in writing, to the **Professional** and the **County** any conflict, error, ambiguity or discrepancy which the **Contractor** may discover and shall obtain a written interpretation or clarification

from the **Professional** before proceeding with any Work affected thereby. The **Contractor** shall be liable to the **County** for failure to report any conflict, error, ambiguity or discrepancy in the Contract Documents, if the **Contractor** knew or reasonably should have known thereof.

3.5.2 Prior to the Notice to Proceed (unless otherwise specified in the General Requirements), the **Contractor** shall submit to the **Professional** and the County for review and ultimate approval the following:

3.5.2.1. a preliminary schedule of the required shop drawings and submittals which will list each required submittal and the times for submitting, reviewing and processing such submittal.

3.5.2.2 a preliminary schedule of values for all of the Work which will include quantities and prices of items aggregating the Contract Price. The schedule of values should subdivide the Work into component parts in sufficient detail to serve as the basis for progress payments during construction with sufficient breakdown of lump sum prices to identify items of work. Such amounts will include an appropriate amount of overhead and profit applicable to each item of work. A copy of the schedule of values, with the appropriate bid number and the appropriate W/MBE classification in accordance with Section 16.1.2. shall be sent to the Procurement Division, 330 West Church Street, Bartow, Florida 33830.

3.5.2.3. A construction schedule acceptable to the **Professional** and the **County** that clearly shows in graphic form the Work from start to finish describing in sufficient detail the minor and major tasks that in the course of their completion or the failure thereof will impact the Contractor's ability to complete the Work within the contract time. This schedule shall be updated and accompany every application for payment submitted. Should the updated schedule show any portion of the Work to be behind, the Contractor shall submit with the updated schedule a detailed recovery plan. This updated construction schedule shall be reviewed and approved by the **Professional** or the **County** at the time of a construction progress meeting that coincides with the submission of the progress application for payment. Failure to submit this recovery plan with the updated schedule will cause the application for payment to be rejected until such time the recovery plan is submitted.

3.5.3 Prior to the effective date of the Contract, the **Contractor** shall deliver to the **County**, with copies to each additional insured identified in the Supplementary Conditions, an original certificate of insurance (and other evidence of insurance which the **County** may reasonably request) which the **Contractor** is required to purchase and maintain in accordance with Article 6.

3.5.4 Before any Work at the site is started, a conference attended by the **Contractor, Project Manager, Procurement Representative, Professional** and others as

appropriate will be held to establish a working understanding among the parties as to the Work and to discuss the schedules referred to in 3.5.2, procedures for handling shop drawings and other submittals, processing applications for payment and maintaining required records. Unless otherwise provided in the Contract Documents, the schedules submitted in accordance with 3.5.2, the **Contractor** shall have an additional ten (10) calendar days to make corrections and adjustments and to complete and resubmit the schedules. No progress payment shall be made to the **Contractor** until the schedules are submitted to and deemed acceptable by the **Professional** as providing an orderly progression of the Work to completion within any specified Milestones and the Contract Time; but such acceptance will neither impose on the **Professional** responsibility for the sequencing, scheduling or progress of the Work nor interfere with or relieve the **Contractor** from the **Contractor's** full responsibility. The **Contractor's** schedule of shop drawings and submittals will be acceptable to the **Professional** as providing a workable arrangement for reviewing and processing the required Submittals. The **Contractor's** schedule of values shall be approved by the **Professional** and the **County** as to form and substance.

3.5.5 The **Contractor**, in addition to preparing an initially acceptable schedule, shall be responsible for maintaining the schedule, including updating the schedule. Schedule updates shall include progression of work as compared to scheduled progress of work. **SCHEDULE UPDATES MUST ACCOMPANY EACH PAY REQUEST**.

ARTICLE 4 – CONTRACT DOCUMENTS, GOVERNING LAW AND VENUE, INTENT, DISCREPANCIES, AMENDING AND REUSE

4.1 Precedence

4.1.1 The Contract Documents comprise the entire agreement between the **County** and the **Contractor** concerning the Work. The Contract Documents are complementary; what is called for by one is as binding as if called for by all. The Contract Documents will be construed in accordance with the Laws of the State of Florida; Venue shall be Polk County.

4.1.2 It is the intent of the Contract Documents to describe a functionally complete Project (or part thereof) to be constructed in accordance with the Contract Documents. Any work, material or equipment that may reasonably be inferred from the Contract Documents or from prevailing custom or trade usage as being required to produce the intended result will be furnished and performed whether or not specifically called for. When words or phrases which have a well-known technical or construction industry or trade meaning are used to describe the Work, material or equipment, such words or phrases shall be interpreted in accordance with that meaning. Clarifications and interpretations of the drawings and specifications shall be issued by the **Professional**.

4.1.3 Except as otherwise specifically stated in the Contract Documents or as may be provided by amendment or supplement thereto issued by one of the methods indicated

in 4.3.1 or 4.3.2, the provisions of the Contract Documents shall take precedence in resolving any conflict, error, ambiguity or discrepancy between the provisions of the Contract Documents and the provisions of any such standard, specification, manual, code or instruction (whether or not specifically incorporated by reference in the Contract Documents) and the provisions of any such Laws or Regulations applicable to the performance of the Work (unless such an interpretation of the provisions of the Contract Documents would result in violation of such Law or Regulation).

4.1.4 Reference to standards, specifications, manuals or codes of any technical society, organization or associations, or to the Laws or Regulations of any governmental authority, whether such reference be specific or by implication, shall mean the latest standard, version, specification, manual, code or Laws or Regulations in effect at the time of opening of Bids (or on the Effective Date of the Agreement if there were no Bids), except as may be otherwise specifically stated in the Contract Documents.

4.2 Conflicts

4.2.1 If, during the performance of the Work, the **Contractor** discovers any conflict, error, ambiguity or discrepancy within the Contract Documents or between the Contract Documents and any provision of any such Law or Regulation applicable to the performance of the Work or of any such standard, specification, manual or code or of any instruction of any Supplier referred to in 7.2, the **Contractor** shall report it to the **Professional and Project Manager** in writing at once; and the **Contractor** shall not proceed with the Work affected thereby (except in an emergency as authorized by 7.13) until an amendment or supplement to the Contract Documents has been issued by one of the methods indicated in 4.3.1 or 4.3.2; however, the **Contractor** shall not be liable to the **County** for failure to report any such conflict, error, ambiguity or discrepancy unless the **Contractor** knew or reasonably should have known.

4.2.2 No provision of any such standard, specification, manual, code or instruction shall be effective to change the duties and responsibilities of the **County, Contractor** or **Professional**, or any of their subcontractors, consultants, agents or employees from those set forth in the Contract Documents, nor shall it be effective to assign to the **County, Professional** or any of the **Professional's** consultants, agents or employees any duty or authority to supervise or direct the furnishing or performance of the Work or any duty or authority to undertake responsibility inconsistent with the provisions of 10.7.1 or any other provision of the Contract Documents.

4.3 Amending

4.3.1 The Contract Documents may be amended to provide for additions, deletions and revisions to the Work by a Change Order or an Allowance Authorization.

4.3.2 In addition, the requirements of the Contract Documents may be supplemented and **minor** variations and deviations in the Work may be authorized by a Field Order or the **Professional's** written interpretation or clarification.

4.4 Reuse of Documents

4.4.1 The **Contractor**, any Subcontractor, Supplier or other person or organization performing or furnishing any of the Work under a direct or indirect contract with the **County** shall not have or acquire any title to or ownership rights in any of the Drawings, Specifications or other documents (or copies of any thereof) prepared by or bearing the seal of the **Professional** or the **Professional's** consultant; and shall not reuse any of such Drawings, Specifications, other documents or copies on extensions of the Project or any other project without written consent of the **County** and specific written verification or adaption by the **Professional.**

ARTICLE 5 – PROJECT CONDITIONS

5.1 Availability of Lands

5.1.1 The **County** shall furnish, as indicated in the Contract Documents, the lands upon which the Work is to be performed, rights-of-way and easements for access thereto, and such other lands which are designated for the use of the **Contractor.** Upon reasonable written request, the **County** shall furnish the **Contractor** with a correct statement of record legal title and legal description of the lands upon which the Work is to be performed. The **County** shall identify any encumbrances or restrictions not of general application, but specifically related to use of lands so furnished with which the **Contractor** will have to comply in performing the Work. Necessary easements or rights-of-way will be obtained and expenses will be borne by the **County**. If the **Contractor** and the **County** are unable to agree on entitlement to or the amount or extent of any adjustments in the Contract Price or the Contract Time as a result of any delay in the **County's** furnishing these lands, rights-of-way or easements, the **Contractor** may make a claim therefore as provided in Articles 12 and 13. The **Contractor** shall provide for all additional lands and access, which includes access by **County** personnel thereto that may be required for temporary construction facilities or storage of material and equipment.

5.2 Subsurface and Physical Conditions

5.2.1 Reference is made to the Supplementary Conditions for identification of those reports of exploration and tests of subsurface conditions at or contiguous to the site that have been utilized in preparing the Contract Documents.

5.3 Limited Reliance by Contractor Authorized Technical Data

5.3.1 The **Contractor** may rely upon the general accuracy of the "technical data" contained in reports and drawings provided by the **County**. Such "technical data" is

identified in the Supplemental Conditions. Except for said reliance on such "technical data," the **Contractor** may not rely upon or make any claim against the **County**, **Professional** or any of the **Professional's** consultants with respect to:

5.3.1.1 the completeness of these reports and drawings for the **Contractor's** purposes, including, but not limited to, any aspects of the means, methods, techniques, sequences and procedures of construction to be employed by the **Contractor** and safety precautions and programs incident thereto; or

5.3.1.2 other data, interpretations, opinions and information contained in said reports or shown or indicated in said drawings; or

5.3.1.3 any **Contractor** interpretation of or conclusion drawn from any "technical data" or any such data, interpretations, opinions or information.

5.4 Unknown or Concealed Conditions

5.4.1 If conditions are encountered, excluding existing utilities, at the site which are (1) subsurface or otherwise concealed physical conditions which differ materially from those indicated in the Contract Documents or (2) unknown physical conditions of an unusual nature, which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, then the **Contractor** shall give the **County** notice, through the **Professional,** immediately before conditions are disturbed and in no event no later than 24 hours after first observance of the conditions.

5.4.2 The **Project Manager** and the **Professional** shall promptly investigate such conditions and, if they differ materially and cause an increase or decrease in the **Contractor's** cost of, or time required for, performance of any part of the Work, the **Project Manager** and the **Professional** shall recommend an equitable adjustment in the Contract Price or Contract Time, or both. If the **Project Manager** and the **Professional** determine that the conditions at the site are not materially different from those indicated in the Contract Documents or are not materially different from those ordinarily found and that no change in the terms of the Contract is justified, the **Professional** shall notify the **Contractor** of the determination in writing. The Work shall be performed after the **Professional** provides direction.

5.5 Physical Conditions – Underground Facilities

5.5.1 The information and data shown or indicated in the Contract Documents with respect to existing Underground Facilities at or contiguous to the site is based on information and data furnished to the **County** or the **Professional** by the owners of such Underground Facilities or by others. Unless it is otherwise expressly provided in the Supplementary Conditions:

5.5.1.1 The **County** and the **Professional** shall not be responsible for the accuracy or completeness of any such information or data; and

5.5.1.2 The cost of the following will be included in the Contract Price and the **Contractor** shall have full responsibility for (i) reviewing and checking all such information and data; (ii) locating all Underground Facilities shown or indicated in the Contract Documents; (iii) coordination of the Work with the owners of such Underground Facilities during construction; and (iv) the safety and protection of all such Underground Facilities as provided in 7.11 and repairing any damage resulting from the Work.

5.5.2 If an Underground Facility is uncovered or revealed at or continuant to the site which was not shown or indicated in the Contract Documents, the **Contractor** shall, promptly after becoming aware of and before further disturbing conditions affected by or performing any Work in connection therewith (except in an emergency as required by 7.13), identify the owner of such Underground Facility and give written notice to that owner and to the **County** through the **Professional.** The **Project Manager** and the **Professional** will promptly review the Underground Facility and determine the extent, if any, to which a change is required in the Contract Documents to reflect and document the consequences of the existence of the Underground Facility. If the **Project Manager** concludes that a change in the Contract Documents is required, a Change Order will be issued as provided in Article 11 to reflect and document such consequences. During such time, the **Contractor** shall be responsible for the safety and protection of such Underground Facility as provided in 7.11. The **Contractor** shall be allowed an increase in the Contract Price or an extension of the Contract Time, or both, to the extent that they are attributable to the existence of any Underground Facility that was not shown or indicated in the Contract Documents and that the **Contractor** did not know of and could not reasonably have been expected to be aware of or to have anticipated. If the **County** and the **Contractor** are unable to agree on entitlement to or the amount or length of any such adjustment in Contract Price or Contract Time, the **Contractor** may make a claim therefore as provided in Articles 12 and 13. However, the **County** and the **Professional** shall not be liable to the **Contractor** for any claims, costs, losses or damages incurred or sustained by the **Contractor** on or in connection with any other project or anticipated project.

5.6 Reference Points

5.6.1 The **County** shall provide the **Contractor** surveys to establish reference points for construction, which in the **County's** judgment are necessary to enable the **Contractor** to proceed with the Work. The **Contractor** shall be responsible for laying out the Work; shall protect and preserve the established reference points; and shall make no changes or relocation without the prior written approval of the **County**. The **Contractor** shall report to the **Professional** whenever any reference point is lost or destroyed or requires relocation of such reference points by professionally qualified personnel.

5.7 Asbestos, PCBs, Petroleum, Hazardous Waste or Radioactive Material

5.7.1 The **County** shall be responsible for any Asbestos, PCBs, Petroleum, Hazardous Waste or Radioactive material or any hazardous material uncovered or revealed at the site which was not shown or indicated in drawings or specifications or identified in the Contract Documents to be within the scope of the Work and which may present a substantial danger to persons or property exposed thereto in connection with the Work at the site. The **County** shall not be responsible for any such material brought to the site by the **Contractor**, Subcontractor, Suppliers or anyone else for whom the **Contractor** is respon**sible.**

5.7.2 The **Contractor** shall immediately: (i) stop all work in connection with such hazardous condition and in any area affected thereby (except in an emergency as required by 7.13); and (ii) notify the **County** and the **Professional** (and thereafter confirm such notice in writing). The **County** shall promptly consult with the **Professional** concerning the necessity for the **County** to retain a qualified expert to evaluate such hazardous condition or take corrective action, if any. The **Contractor** shall not be required to resume Work in connection with such hazardous condition or in any such affected area until after the **County** has obtained any required permits related thereto and delivered to the **Contractor** special written notice (i) specifying that such condition and any affected area is or has been rendered safe for the resumption of work; or (ii) specifying any special conditions under which such Work may be resumed safely.

If the **County** and the **Contractor** cannot agree as to entitlement to or the amount or extent of an adjustment, if any, in Contract Price or Contract Time as a result of such work stoppage or such special conditions under which Work is agreed by the **Contractor** to be resumed, either party may make a claim therefore as provided in Articles 12 and 13.

5.7.3 If, after receipt of such special written notice, the **Contractor** does not agree to resume such work based on a reasonable belief it is unsafe, or does not agree to resume such work under such special conditions, then the **Contractor** may order such portion of the work that is in connection with such hazardous conditions or in such affected area to be deleted from the Work. If the **County** and the **Contractor** cannot agree as to entitlement to or the amount or extent of an adjustment, if any, in Contract Price or Contract Time as a result of deleting such portion of the Work, then either party may make a claim therefore as provided in Articles 12 and 13. The **County** may have such deleted portion of the Work performed by the **County's** own forces or others in accordance with Article 8.

5.7.4 The provisions of 5.2 and 5.5 are not intended to apply to Asbestos, PCBs, Petroleum, Hazardous Waste or Radioactive Material uncovered or revealed at the site.

Article 6 - BONDS, INSURANCE, INDEMNIFICATION

6.1 Public Construction Bond and Other Bonds

6.1.1 The **Contractor** shall furnish a Public Construction Bond, unless otherwise stated in the Invitation for Bid, in an amount equal to the amount recommended for award and, if called out in the contract, the allowance amount, as security for the faithful performance and payment of all the **Contractor's** obligations under the Contract Documents. This Bond shall remain in effect at least until one year after the date when final payment becomes due, except as otherwise provided by Laws or Regulations or by the Contract Documents. The **Contractor** shall also furnish such other Bonds as are required by the Supplementary Conditions. All Bonds shall be in the form prescribed by the Contract Documents except as otherwise provided by Laws or Regulations, and shall be executed by such sureties as are named in the current list of "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by the Audit Staff, Bureau of Government Financial Operations, U.S. Treasury Department and A.M. Best rated A-VIII or better.

6.1.2 The **Contractor** shall be required to furnish additional coverage for added work. The surety is required to increase the amount of the bond in the same amount of one or more change orders.

6.1.3 The bonds required by the Contract Documents to be purchased and maintained by the **Contractor** shall be obtained from a surety that is duly licensed or authorized in the State of Florida to issue bond for the limits and coverages so required. All bonds signed by an agent must be accompanied by a certify copy of authority to act. Such surety shall also meet such additional requirements and qualifications as may be provided in the Supplementary conditions.

6.1.4 If the surety on any bond furnished by the **Contractor** is declared bankrupt, becomes insolvent, its right to do business is terminated in any state or it ceases to meet the requirements of 6.1.1, the **Contractor** shall within ten (10) work days thereafter substitute another bond and surety, both of which must be acceptable to the **County.**

6.2 Certificates of Insurance

6.2.1 All insurance required by the Contract Documents to be purchased and maintained by the **Contractor** shall be obtained from an insurance company that is duly licensed or authorized in the State of Florida to issue insurance policies for the limits and coverages so required. Such insurance companies shall also meet such additional requirements and qualifications as may be provided in the Supplementary Conditions.

6.2.2 The **Contractor** shall deliver to the **County**, with copies to each additional insured identified in 6.3.1, certificates of insurance (and other evidence of insurance requested by the **County** or any other additional insured) which the **Contractor** is required to purchase and maintain in accordance with 6.3.1.

6.3 Contractor's Liability Insurance

6.3.1 The **Contractor** shall purchase and maintain such liability and other insurance as is appropriate for the work being performed and furnished and will provide protection from claims set forth below which may arise out of or result from **Contractor's** performance and furnishing of the Work and the **Contractor's** other obligations under the Contract documents, whether it is to be performed or furnished by the **Contractor**, Subcontractor, Supplier or anyone for whose acts any of them may be liable. The **Contractor** shall purchase and maintain in force during the contract period with an insurer licensed to do business in the State of Florida; rated "A" or better by A.M. Best Rating Company for Class VIII financial size category, and acceptable to the **County** the following insurances. The limits of liability for the insurance shall provide coverage for not less than the following amounts or greater where required by Laws and Regulations.

a. Workers' Compensation Insurance providing statutory benefits, including those that may be required by any applicable federal statute:

Admitted in Florida	Yes
Employer's Liability	$100,000
All States Endorsement	Statutory
USL & H Endorsement	Statutory
Voluntary Compensation	Statutory

b. Commercial General Liability Insurance, naming the **County** (Owner) as an additional insured and/or Owner Protective Liability, when required by the County's Risk Manager, Contractual, Products and Completed Operations Liability coverage on an occurrence policy form in limits not less than those listed and deductible amounts not to exceed $25,000.

Aggregate Combined:	$2,000,000
Each Occurrence:	$1,000,000
M&C/CGL	$_____
Broad Form CGL	$1,000,000

Contractual Liability	$1,000,000
Products	$_____
Completed Operations	$1,000,000
Personal Injury	$_____
Independent Contractors	$_____
XCU Property Damage Excel	$_____
Excess Liability	$_____

Regarding Completed Operations Liability: Continue coverage in force for two (2) years after **County's** acceptance of the project.

c. Automobile Liability Insurance. Coverage shall be maintained by the **Contractor** as to the ownership, maintenance and use of all of its owned, non-owned, leased or hired vehicles with limits of not less than:

Bodily Injury & Property Damage Liability	$1,000,000
Combined Single Limit Each Accident	

These policies will provide that:

1) The insurer(s) waive their rights of subrogation in favor of the **County**, their officials, employees, agents and consultants for Workers' Compensation and General Liability.

2) The **County**, a political subdivision of the State of Florida, shall be named as an additional insured with respect to liability arising from the work performed for the County by the Contractor (as defined by the scope of this bid and subsequent contract) for Automotive and General Liability policies of insurance. This should be stated on Certificate(s) of Insurance and subsequently endorsed into the policies. Renewal notices to be sent to the Procurement Division.

3) The **Contractor** shall not be given Notice to proceed under this contract until it has obtained all the insurance required by the Contract Documents and such insurance has been approved by the **County**. The original insurance certificates shall be given to:

Polk County, a political subdivision of the State of Florida
P.O. Box 9005, Drawer AS05
Bartow, Florida 33830

The acceptable form of the certificate of insurance shall be the industry standard ACORD certificate.

6.3.2 Notwithstanding any other provision of these documents to the contrary, the **Contractor** shall not provide Builder's Risk or Architects' and Engineers' Professional Liability Insurance unless specially requested by the **County.** The **County** has Builder's Risk coverage and will provide the **Contractor** with appropriate Certificate of Insurance upon request. The County's Builder's Risk policy does not insure the **Contractor's** tools, machinery or equipment that is stored at the job site. If the **Contractor** is required to store tools, machinery or equipment at the job site, the **Contractor** should provide insurance in the form of an equipment floater for the **Contractor's** tools and equipment. The **County** should be named as an additional insured on the **Contractor's** policy, with an appropriate waiver of subrogation as to any claims the **Contractor** or the **Contractor's** insurer may have against the **County** arising from the storage of the **Contractor's** tools and equipment.

6.3.3 The **Contractor** shall not allow a Subcontractor to work on a project without either Subcontractor carrying their own Workers' Compensation and Liability insurance or the **Contractor** covering the Subcontractor under their policies. The policy is the same for each succeeding sub-tier contractor. The **County** may request proof of such coverage for any Subcontractor at any time during the project.

6.3.4 Any additional insurance, if required, will be called out in the Supplementary Conditions.

6.4 Receipt and Application of Insurance Proceeds

6.4.1 Any insured loss under the policies of insurance required by this agreement will be adjusted with the **County** and made payable to the **County** as fiduciary for the insured as their interest may appear. The **County** shall account for all money received and shall distribute it in accordance with such agreement as the parties in interest may reach. If no other special agreement is reached, the damaged work shall be repaired or replaced; the money so received applied on account thereof; and the work and cost thereof covered by an appropriate change order or written amendment as determined by the **County.**

6.4.2 The **County** as fiduciary has the power to adjust and settle any loss with the insurers. If such objection is made, the **County** as fiduciary shall make settlement with the insurers in accordance with such agreement as the parties and interests may reach. If no such agreement among the parties and interests is reached, the **County** as fiduciary shall adjust and settle the loss with the insurers.

6.5 Indemnification

6.5.1 The **Contractor** shall indemnify, defend (by counsel reasonably acceptable to County) and hold harmless the County and its employees and agents from and against

all liabilities, claims, suits, demands, damages, losses and expenses, including attorney fees, including, but not limited to or resulting from the performance of its Work, provided that any such liability, claim, suit, demand, damage, loss or expenses (a) is attributable to bodily injury, personal injury, sickness, disease or death or injury to or destruction of tangible property, including the loss of use resulting therefrom; and (b) is caused in whole or in part by an act or omission of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, whether or not it is caused in whole or in part by the negligence or other fault of a party indemnified hereunder.

6.5.2 In any and all claims against the **County** or any of its agents or employees by any employee of the **Contractor**, any Subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under the previous paragraph shall not be limited in any way as to the amount or type of damages, compensations or benefits payable by or for the **Contractor** or any Subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

6.5.3 The **Contractor** shall indemnify and hold harmless the **County** and anyone directly or indirectly employed by it from and against all claims, suits, demands, damages, losses or expenses (including attorney fees) arising out of any infringement of patent or copyrights held by others; and shall defend all such claims in connection with any alleged infringement of such rights.

ARTICLE 7 – CONTRACTOR'S RESPONSIBILITIES

7.1 Supervision and Superintendence

7.1.1 The **Contractor** shall provide at all times when the Work is being executed a competent superintendent to supervise and direct the Work in accordance with the Contract Documents. Prior to the commencement of the Work the **Contractor** shall provide a resume of the superintendent that will be assigned the responsibility to supervise the Work. If in the judgment of the **County** the proposed superintendent lacks the experience, skills and expertise to competently and efficiently supervise and direct the Work, then the **County** may require the **Contractor** to assign a different superintendent and the **Contractor** will be required to submit the resume of the replacement for the same consideration as before. The **Contractor** shall be solely responsible for the means, methods, techniques, sequences and procedures of construction, but the **Contractor** shall not be responsible for the negligence of others in the design or specifications of a specific means, method, technique, sequence or procedure of construction which is shown or indicated in and expressly required by the Contract Documents. The **Contractor** shall be responsible to see that the completed Work complies accurately with the Contract Documents.

7.1.2 The **Contractor** shall keep on the Work at all times during its progress a competent resident superintendent, who shall not be replaced without written notice to

the **County**, through the **Professional**, except under extraordinary circumstances. The superintendent will be the **Contractor's** representative at the site and shall have authority to act on behalf of the **Contractor.** All communications to the superintendent shall be as binding as if given to the **Contractor**.

7.2 Labor, Material and Equipment

7.2.1 The **Contractor** shall provide and pay for competent, suitable, qualified personnel to survey and lay out the Work and perform construction as required by the Contract Documents. The **Contractor** shall at all times maintain good discipline and order on the site.

7.2.2 The **Contractor** shall furnish and pay for all material, equipment, labor, transportation, construction equipment machinery, tools, appliances, fuel, power, light, heat, telephone, water facilities, sanitary facilities, all other facilities and all other incidentals whether temporary or permanent necessary for the execution, testing, initial operation, and completion of the Work as required by the Contract Documents.

7.2.3 All material and equipment shall be new and of good quality, except as otherwise provided in the Contract Documents. If required by the **Professional**, the **Contractor** shall furnish satisfactory evidence as to the kind and quality of material and equipment.

7.2.4 All material and equipment shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturer, fabricator or processor, except as otherwise provided in the Contract Documents.

7.3 Substitute Material or Equipment

7.3.1 If the **Contractor** wishes to furnish or use a proposed substitute after the award of the Contract, it shall within thirty (30) calendar days after Notice to Proceed make written application to the **Professional** and the **Project Manager** for consideration of such substitute, certifying in writing that the proposed substitute: will perform adequately the duties imposed by the general design; be similar and of equal substance or quality to that specified; and be suited to the same use and capable of performing the same function as that specified. No substitute shall be ordered or installed without the prior written approval of the **Professional**. The application shall also contain an itemized estimate of all costs that may result directly or indirectly from acceptance of such substitute, including costs of redesign, delays, maintenance and claims of other contractors affected by the resulting change, all of which shall be considered by the **Project Manager** and the **Professional** in evaluating the proposed substitute. Approval of any change in costs or schedule as a result of acceptance of the substitute by the Professional shall be by Change Order.

7.3.2 This paragraph applies to any cost reduction proposal (hereinafter referred to as a Value Engineering Change Proposal or VECP) initiated and developed by the **Contractor** for the purpose of refining the Contract Documents so as to contribute to design cost effectiveness or significantly improve the quality of the end result. VECPs must result in savings without impairing essential functions and characteristics such as safety, service, life, reliability, economy of operation, ease of maintenance, aesthetics and necessary standard design features. The **Contractor** must state that they are submitting a VECP proposal. The VECP shall be submitted to the **County** through the **Professional.** The **County** reserves the right to reject, at their discretion, any VECP submittal. As a minimum, the following information shall be submitted by the Contractor with each VECP:

1) A description of the difference between the existing contract requirement and the proposed change;

2) The comparative advantages and disadvantages; and

3) Separate detailed cost estimates for both the existing contract requirement and the proposed change.

If a VECP is approved by the **County**, the **Contractor** may be entitled to share in the savings up to fifty percent (50%).

7.4 Concerning Subcontractors

7.4.1 The **Contractor** shall be fully responsible for all acts and omissions of their Subcontractors and of persons directly or indirectly employed by them and of persons for whose acts any of them may be liable to the same extent as if they were employed by the **Contractor**. Nothing in the Contract Documents shall create any contractual relationship between any Subcontractor and the **County** or any obligation on the part of the **County** to pay or to see to the payment of any monies due any Subcontractor, except as may otherwise be required by law. The **County** may furnish to any Subcontractor, to the extent practical, evidence of amounts paid to the **Contractor** for specific Work done.

7.4.2 The **Contractor** shall identify and provide information on Subcontractors, Suppliers and other persons or organizations which shall be used by the **Contractor**, in accordance with requirements of the Contract Documents.

7.4.3 The divisions and sections of the Specifications and the identifications of any Drawings shall not control the **Contractor** in dividing work among Subcontractor or delineating the Work to be performed by any specific trade.

7.4.4 The **Contractor** agrees to bind specifically every Subcontractor to the applicable terms and conditions of the Contract Documents, including but not limited to the General Conditions and Supplementary Conditions, for the benefit of the **County**.

7.4.5 All Work performed for the **Contractor** by a Subcontractor shall be pursuant to an appropriate written agreement between the **Contractor** and the Subcontractor which shall contain provisions that waive all rights the contracting parties may have against one another for damages caused by fire or other perils covered by insurance, except such rights as they may have to the proceeds of such insurance held by the **County** as trustee. The **Contractor** shall pay each Subcontractor an appropriate amount, determined by the value of the Work, of any insurance monies received by the **Contractor** under this insurance.

7.5 Patent Fees and Royalties

7.5.1. The **Contractor** shall pay all license fees and royalties and assume all costs incident to the use of any invention, design, process or device which is the subject of patent rights or copyrights held by others. The **Contractor** shall indemnify and hold harmless the **County** and its employees and agents from and against all claims, costs, losses and damages arising out of or resulting from any infringement of patent rights or copyrights incident to the use in the performance of the Work or resulting from the incorporation in the Work of any invention, design, process, product or device not specified in the Contract Documents.

7.6 Permits

7.6.1 The **Contractor** shall obtain and pay for all construction permits, licenses, governmental charges, inspection fees and all public utility charges which are applicable and necessary for the execution of the Work. All permit costs and public utility charges shall not be included in the base bid. Permit fees, if any, will be reimbursed to the **Contractor** on a separate invoice. Permits, if any, that are provided and paid for by the **County**, are listed in the Supplementary Conditions. Any delays associated with the permitting process will be considered for time extensions only; however, no damages or additional compensation for delay will be allowed.

7.7 Laws and Regulations

7.7.1 The **Contractor** shall give all notices and comply with all laws, ordinances, rules and regulations applicable to the Work. If the **Contractor** observes that any of the Contract Documents are contradictory to such laws, rules and regulations, it will notify the Professional promptly in writing. Any necessary changes shall then be adjusted by an appropriate Change Order. If the **Contractor** performs any Work that they know or should have known to be contrary to such laws, ordinances, rules and regulations and without such notice to the Professional, the **Contractor** shall bear all related costs.

7.8 Taxes

7.8.1 The **Contractor** shall pay all sales, consumer, use and other similar taxes required to be paid by the **Contractor** in accordance with the Laws and Regulations of the place of the project which are applicable during the performance of the Work.

7.9 Use of Premises

7.9.1 The **Contractor** shall confine their equipment, storage of material, storage of equipment and the operations of their workers to the areas permitted by law, ordinances, permits or the requirements of the Contract Documents. The **Contractor** shall not unreasonably encumber the site with material and equipment. Any loss or damage to the **Contractor's** or any Subcontractor's equipment is solely at the risk of the **Contractor**.

7.9.2 During the progress of the Work, the **Contractor** shall keep the premises free from accumulations of waste material, rubbish and other debris or contaminates resulting from the Work. At the completion of the Work, the **Contractor** shall remove all waste material, rubbish and debris from and about the premises as well as all tools, appliances, construction equipment, machinery and surplus material. The **Contractor** shall leave the site clean and ready for occupancy by the **County** at substantial completion of the Work. The **Contractor** shall restore to original condition all property so designated for alteration by the Contract Documents.

7.9.3 The **Contractor** shall not load or permit any part of any structure to be loaded in any manner that will endanger the structure. The **Contractor** shall not subject any part of the Work or adjacent property to stresses or pressures that will endanger them.

7.10 Record Documents

7.10.1 The **Contractor** shall keep at the site and in good order one record copy of the Contract Documents to include all Drawings and Specifications. These documents shall be annotated on a continuing basis to show all changes made during the construction process. These shall be available to the **Professional** and the **Project Manager** for their review. Upon completion of the requirements of the Contract Documents the **Contractor** shall turn over these annotated documents to the **County** unless instructed otherwise in the Supplementary Conditions.

7.11 Safety and Protection

7.11.1 The **Contractor** shall take all necessary precautions for the safety of and will provide the necessary protection to prevent damage, injury or loss to:

7.11.1.2 All employees on the Work and other persons who may be affected by it.

7.11.1.3 All the Work and all material or equipment to be incorporated, whether in storage on or off the site. The **Contractor** shall assume all risk of loss for stored equipment or material, irrespective of whether the **Contractor** has transferred the title of the stored equipment or material to the **County**.

7.11.1.4 Other property at the site or adjacent to it, including trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of construction.

7.11.2 The **Contractor** is responsible for observing all OSHA regulations and shall self-inspect to ensure this is accomplished. The **Contractor** shall ensure that all personnel are properly trained and shall be able to provide documentation for their personnel that have attended training courses. Examples of such training courses are: Hazard Communications, Traffic Work Zone Safety, Personal Protective Equipment, First Aid/CPR, Permit Required Confined Space, Lock Out/Tag Out of Hazardous Energy. The **Contractor** is required to comply with OSHA Standards regardless of the number of employees they may have.

7.11.3 A **County** representative may periodically monitor work site safety. Should there be safety and/or health violations, classified as Serious, Willful or Criminal/Willful Violations, the **County's** representative may have the authority, but not the duty, to require the **Contractor** to correct the violation in an expeditious manner. Inspections shall be based on requirements contained in law. The definitions of serious, willful and criminal/willful violations are as follows:

Serious Violation: A serious violation shall be deemed to exist in a place of employment if there is a substantial probability that death or serious physical harm could result from a condition which exists; or from one or more practices, means, methods, operations or processes which have been adopted or are in use, in such place of employment unless the employer did not, and could not, with the exercise of reasonable diligence, know of the presence of the violation.

Willful Violation: May exist where evidence shows that the employer committed an intentional and knowing violation of the Act.

Criminal/Willful Violation: A repeat violation of a previously cited willful violation.

Violation of Serious, Willful or Criminal violation may have the following consequences:

First violation:	The correction may be a verbal warning and the correction shall be done the same day. Written documentation may be maintained by the **County**.
Second violation	May result in work stoppage until the violation is corrected. The work stoppage shall not entitle the **Contractor** to additional

	contract time or compensation. Liquidated damages provision will remain in full force and effect.
Third violation	This may constitute a breach of contract for safety violations and may result in termination of the contract, at the sole discretion of the **County**.

Note: The County Safety Officer may stop any job to ensure the safety of all concerned.

7.11.4 Should the work site be in a hazardous area, the **County** may furnish the **Contractor** with information concerning hazards such as types or identification of known toxic material, machine hazards, Material Safety Data Sheets or any other information that would assist the **Contractor** in the planning of a safe work site.

7.11.5 The **Contractor** shall be aware that while working for the **County**, representatives from agencies such as the United States Department of Labor, Occupational Safety and Health Administration (OSHA) are invitees and need not have warrants or permission to enter the work site. These agencies, as well as the County Safety Officer, enter at the pleasure of the **County**.

7.11.6 The **Contractor** shall designate a competent person of its organization whose duty shall be the prevention of accidents at the site. This person shall be the **Contractor's** superintendent, unless otherwise designated in writing by the **Contractor** to the **Professional.** All communications to the superintendent shall be as binding as if given to the **Contractor**.

7.11.7 Should there be catastrophic injuries, as defined by OSHA, or a fatality on the worksite, the County Safety Manager, Risk Management Division, (863) 534-5267, shall be notified immediately. The Contractor shall promptly report by telephone and in writing to a County Representative and Professional all accidents arising out of or in connection with the Work which cause death, personal injury (defined by OSHA as a "lost time" accident), or property damage in excess of $500.00; giving full details and statements of any witnesses. County Representatives are defined as follows: The Division Director or the authorized representative, the division Project Manager and County Risk Management. Non-adherence to this policy could be cause for disqualification of the Contractor on future County Projects.

7.11.8 Should the County Safety Manager, require the OSHA 300 Log, a written safety and health plan and/or training documents, these documents shall be at this office within 24 hours of the request. Failure to provide the documentation within that time frame may cause the job to be shut down, at no expense to the **County**, until such documents are received.

7.11.9 In any event the **County** may stop the work when, in the **County's** opinion, the work is being performed in violation of any health and safety rules, regulations or laws. This includes environmental issues.

7.11.10 When it becomes necessary to stop the work for any of the reasons contained herein, the **County** shall issue a Stop Work Order to instruct the **Contractor** to cease work on the project. The **County** shall not be penalized in any manner as a result of this Stop Work Order.

7.12 Drug Free Work Place Policy

7.12.1 The **County** has a very comprehensive policy to ensure a drug free work place. The substance of this policy shall become a part of this contract as described below.

7.12.1.1 The **Contractor** and its employees and Subcontractors are strictly prohibited from the following:

Using illegal drugs on **County** property; Manufacturing, distributing, dispensing, selling, possessing, or using a non-prescribed substance, illegal drug or alcohol, while at work or on or in **County** property. Reporting for work or performing work under the influence of a non-prescribed substance, illegal drug or alcohol.

7.12.1.2 If there is reason to believe that this policy is being violated, the **Contractor** shall be required to take immediate action to correct the violation and ensure the **County** that further violations will not occur. The remedy shall, at a minimum, require the person or persons who are the subject of the violation to be banned from the work place.

7.13 Emergencies

7.13.1 In emergencies affecting the safety of persons, the Work or property at the site or adjacent thereto, the **Contractor**, without special instructions or authorization from the **Professional** if time or circumstances do not permit, is obligated to prevent or mitigate threatened damage, injury or loss. The **Contractor** shall give the **Professional** written notice that the emergency provision has been invoked and shall state the reasons within twenty-four (24) hours of the incident. If the **Contractor** believes the emergency results in additional Work, a claim for a Change Order may be submitted in accordance with the procedures set forth herein.

7.13.1.1 The **Contractor** shall immediately notify the **Professional** of all events involving personal injuries to any person on the site, whether or not such person was engaged in the construction of the Project, and shall file a written report on such person(s) and any other event resulting in property damage of any amount within five (5) calendar days of the occurrence.

7.13.1.2 If the **Professional** determines that a change in the Contract Documents is required because of the action taken by the **Contractor** in response to such an emergency, a Change Order will be issued to document the consequences of such action.

7.14 Submittals and Samples

7.14.1 After checking and verifying all field measurements, the **Contractor** shall promptly submit to the **Professional** for approval, in accordance with the accepted schedule of submittals, all submittals and samples required by the Contract Documents. All submittals and samples shall have been checked by and stamped with the approval of the **Contractor** and identified as the **Professional** may require. The data shown on or with the submittals will be complete with respect to dimensions, design criteria, materials and any other information necessary to enable the **Professional** to review the submittal as required. At the time of each submission, the **Contractor** shall give notice to the **Professional** of all deviations that the submittal or sample may have from the requirements of the Contract Documents.

7.14.1.1 The **Professional** shall review and approve submittals and samples. The **Professional's** review and approval shall be only for conformance with the design concept of the Project and compliance with the information given in the Contract Documents. The approval of a separate item as such will not indicate approval of the assembly in which the item functions. The **Contractor** will make any corrections required by the Professional and resubmit the required number of corrected copies until approved. The **Contractor's** stamp of approval on any submittal or sample shall constitute its representation to the **Professional** and the **County** that the **Contractor** has determined and verified all quantities, dimensions, field construction criteria, materials, catalog numbers and similar data; and that each submittal or sample has been reviewed or coordinated with the requirements of the Work and the Contract Documents.

7.14.1.2 No Work requiring a submittal or sample submission shall commence until the submission has been approved by the **Professional**. A copy of each approved submittal and each approved sample shall be kept in good order by the **Contractor** at the site and shall be available to the **Professional** and the **County** staff. Any delays associated with the submittal process will be considered for time extensions only, and no damages or additional compensation for delay will be allowed.

7.14.1.3 The **Professional's** approval of submittals or samples shall not relieve the **Contractor** from responsibility for any variation from the requirements of the Contract Documents unless the **Contractor** has in writing called the **Professional's** attention to each such variation at the time of submission and the **Project Manager** has given written approval to the specific deviation; any such approval by the **Professional** shall not relieve the **Contractor** from responsibility for errors or omissions in the submittal.

7.14.1.4 Where a shop drawing or sample is required by the Contract Documents or the schedule of shop drawings and sample submissions accepted by the **Professional** as required, any related work performed prior to the Professional's review and approval of the pertinent submittal will be at the sole expense and responsibility of the **Contractor.**

7.15 Cleaning Up

7.15.1 The **Contractor** shall maintain the site free from accumulations of waste material, rubbish and other debris or contaminates resulting from the work, at a minimum, on a daily basis or as otherwise required. At the completion of the work, the **Contractor** shall remove all waste material, rubbish and debris from the site as well as all tools, construction equipment, machinery and surplus material; and will leave the site clean and ready for occupancy by the **County**. All disposals shall be in accordance with applicable laws and regulations. In addition to any other rights available to the **County** under the Contract Documents, the **Contractor's** failure to maintain the site may result in withholding of any amounts due the **Contractor.** The **Contractor** will restore to original condition those portions of the site not designated for alteration by the Contract Documents.

ARTICLE 8 – OTHER WORK

8.1 The **County** may perform additional work related to the Project with its own forces or may use other contracts for the execution of additional work. The **Contractor** shall provide the other contractors who are parties to such contracts, including but not limited to, the other contractor's employees, agents, Subcontractors and Suppliers (or the **County's** forces performing the additional work), reasonable opportunity for the introduction and storage of material and equipment and the execution of work, and shall properly connect and coordinate its work with theirs. The **Contractor** shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. The **Contractor** shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of the **Professional** and the others whose work will be affected. The **Contractor** is not entitled to exclusive use of the site.

8.1.1 If any part of the **Contractor's** work depends (for proper execution or results) upon the work of any other contractor (or the **County**), the Contractor will inspect and promptly report to the Professional in writing any defects or deficiencies in the work that renders it unsuitable for the proper execution and results. The **Contractor's** failure to report shall constitute an acceptance of the other work, except as to defects and deficiencies which may appear in the other work after the execution of its work.

ARTICLE 9 – COUNTY'S RESPONSIBILITIES

9.1 Except as otherwise provided in these General Conditions, the **County** shall issue all communications to the **Contractor** through the **Professional.**

9.1.1 The **County** shall furnish the data required under the Contract Documents and shall make payments to the **Contractor** when due as provided in Article 15.

9.1.2 The **County's** responsibilities for providing lands, easements and engineering surveys to establish reference points are set forth in Article 5.

ARTICLE 10 – PROFESSIONAL'S STATUS DURING CONSTRUCTION

10.1 County's Representative

10.1.1 The **Professional** shall be a representative of the **County** during the construction period. The duties, responsibilities and limitations of authority of the **Professional** as the **County's** representative during construction are set forth in these General Conditions.

10.2 Visits to the Site

10.2.1 The **Professional** shall make periodic visits to the site to observe the progress and quality of the executed Work and to determine, in general, if the Work is proceeding in accordance with the Contract Documents.

10.3 Clarifications and Interpretations

10.3.1 The **Professional** shall issue such written clarifications or interpretations of the Contract Documents (in the form of Drawings or otherwise) as may be determined necessary, or as reasonably requested by the **Contractor**, which shall be consistent with or reasonably inferable from the overall intent of the Contract Documents. If the **Contractor** believes that a written clarification and interpretation entitles them to an increase in the Contract Price, Contract time, or both, the **Contractor** may make a claim as provided for in Article 11, 12 and 13.

10.4 Rejecting Defective Work

10.4.1 The **Professional** has the authority to disapprove or reject Work, which is defective. The **Professional** also has authority to require special inspection or testing of the Work at the **Contractor's** expense, as provided in Article 14, whether or not the Work is fabricated, installed or completed when the work has been declared defective.

10.5 Resident Engineer or Architect

10.5.1 The **Professional** may furnish a full or part-time Resident Engineer or Architect and other personnel to assist them in carrying out services at the site. The duties, responsibilities and limitations of authority of the Resident Engineer or Architect and other personnel are set forth in the Supplementary Conditions, if applicable.

10.6 Decisions on Disagreements

10.6.1 The **Professional** shall interpret the requirements of the Contract Documents and determine the acceptability of the Work. If the **Contractor** disagrees with the **Professional's** opinion, the **Contractor** shall refer claims, disputes and other matters relating to the acceptability of the Work or their interpretation of the requirements of the Contract Documents initially to the **Professional** in writing with a request for a formal decision. The **Professional** will render in writing their opinion concerning the **Contractor's** request for a formal decision and shall submit same to the **Project Manager.** After receipt of the Professional's written opinion and all information requested from the **Contractor**, the **Project Manager** shall render a formal decision in writing, which shall then be conveyed to the **Contractor** by the **Professional.** Written notice of each claim, dispute and other matter shall be delivered by the **Contractor** to the **Professional** within seven (7) calendar days of the occurrence first happening. Written supporting data will be submitted to the **Professional** within fifteen (15) calendar days after the occurrence unless the **Professional** allows additional time. If the **Contractor** fails to strictly comply with these notices and submittal time periods, the **Contractor** shall be deemed to have waived their right to assert a claim the **Contractor** might otherwise have had concerning the matter.

10.7 Limitation on Professional's Responsibilities

10.7.1 Neither the **Professional's** authority to act under this Article or elsewhere in the Contract Documents, nor any decision made in good faith to exercise their authority, shall give rise to any duty or responsibility of the **Professional** to the **Contractor**, any Subcontractor, any of their agents or employees.

10.7.1.1 The **Professional** shall not be responsible for the construction means, methods, techniques, sequences, procedures or the safety precautions and programs used. The **Professional** shall not be responsible for the **Contractor's** failure to perform the Work in accordance with the Contract Documents.

10.7.1.2 The **Professional** shall not be responsible for the acts or omissions of the **Contractor**, any **Subcontractors**, any agents, employees or any other persons performing any of the Work.

ARTICLE 11 – CHANGES IN THE WORK

11.1 Changes

11.1.1 Without invalidating the **Contract**, the **County** may at any time order additions, deletions or revisions in the Work. The **Professional** shall provide the **Contractor** with a proposal request, identifying the work to be added, deleted or revised. Upon receipt, the **Contractor** shall promptly submit a written proposal for the changed work prepared

in accordance with Articles 12 and 13. If the proposal request calls only for the deletion of work, the **Professional** may order the partial suspension of any work related to the proposed deletion, in which case the **Contractor** must cease performance as directed; the **Contractor** shall not be entitled to claim lost profits on deleted work. All change work shall be executed under the applicable conditions of the Contract Documents.

11.1.2 Additional work performed by the **Contractor** without authorization of a Change Order or Allowance Authorization will not entitle the **Contractor** to an increase in the Contract Price or an extension of the Contract Time, except in the case of an emergency as provided in Article 7. The effect of this paragraph shall remain paramount and shall prevail irrespective of any conflicting provisions contained in these Contract Documents.

11.1.3 Upon agreement as to changes in the Work to be performed, work performed in an emergency as provided in Article 7, and any other claim of the **Contractor** for a change in the Contract Time or the Contract Price, the **Professional** will prepare a written Change Order to be signed by the **Professional** and the **Contractor** and submitted to the **County** for approval.

11.1.4 It is the **Contractor's** responsibility to notify its Surety of any changes affecting the general scope of the Work, Contract Price or Contract Time.

11.1.5 In the absence of an agreement as provided in 11.1.3, the **County** may, at its sole discretion, issue a Construction Change Directive to the Contractor. Pricing of the Construction Change Directive will be in accordance with Section 12.1.3. The Construction Change Directive will specify a price and, if applicable, a time extension determined to be reasonable by the County. If the Contractor fails to sign such Construction Change Directive, the Contractor may submit a claim in accordance with Articles 11, 12 and 13, but the Contractor shall nevertheless be obligated to fully perform the Work as directed by the Construction Change Directive.

11.1.6 The **Contractor** shall proceed diligently with performance of the Work as directed by the **County**, regardless of pending claim actions, unless otherwise agreed to in writing.

ARTICLE 12 – CHANGE OF CONTRACT PRICE

12.1 The Contract Price

12.1.1 The Contract Price constitutes the total compensation (subject to written authorized adjustments) payable to the **Contractor** for performing the Work. All duties, responsibilities and obligations assigned to or undertaken by the **Contractor** shall be at the **Contractor's** expense without change in the Contract Price.

12.1.2 The Contract Price may only be increased or decreased by a written Change Order or Construction Change Directive. Any claim for an increase shall be in writing

and delivered to the **Professional** within seven (7) calendar days of the occurrence first happening. Written supporting data will be submitted to the **Professional** within fifteen (15) calendar days after the occurrence unless the **County** allows additional time.

12.1.3. The value of any work covered by a Change Order or of any claim for an adjustment in the Contract Price will be determined by the following procedures:

12.1.3.1 Designated Unit Price (Field Measure)

The **Contractor** and the **County** recognize and acknowledge that the quantities shown for those items designated in the Bid Submittal (Part C) as unit price items are approximations prepared by the **County** for bid purposes and that the actual compensation payable to the **Contractor** for the utilization of these items is based upon the application of unit prices to the actual quantities of items involved as measured in the field and required to complete the Work as originally defined in the Contract Documents.

When it is determined by the **County** that an addition, deletion or revision to the Work as defined in these Contract Documents is required and affects the quantities required for items designed in the Bid Submittal (Part C) as unit price items, the **Contractor** and the **County** agree that the compensation payable to the Contractor for the unit price items shall be adjusted accordingly by a Change Order based upon the application of the appropriate unit prices shown in the Bid Submittal (Part C) to the quantity of the unit price item required to complete the Work as defined in the Contract Documents.

12.1.3.2 Other Unit Prices

For items not designated in the Bid Submittal (Part C) as unit prices, the **County** and the **Contractor** may establish unit prices as agreed on by Change Order.

12.1.3.3 Lump Sum

When it is determined by the **County** that an addition, deletion or revision to the Work is required which results in a change in the Work designated in the Bid Submittal as a lump sum item, the amount of increase or decrease in the lump sum price shall be established by mutual agreement of the parties.

12.1.4 If the pricing methods specified in 12.1.3 are inapplicable, or if the parties are unable to agree on a price for the changed work, a reasonable price for the same shall be established by the **County** in accordance with 12.2. The County shall then process a unilateral Change Order, specifying the said reasonable price, in accordance with 11.1.5. The Contractor shall perform the work as directed in the Change Order.

12.1.5 Failure on the part of the **Contractor** to construct any item to plan or authorized dimensions within the specification tolerances shall result in: reconstruction to acceptable tolerances at no additional costs to the **County**; acceptance at no pay; or acceptance at reduced final pay quantity or reduced unit price, all at the discretion of the

County. Determinations of aggregate monetary change for items identified as lump sum quantities shall be made by the **County** based upon an analysis of the scope of the Contractor's failure to construct to plan or authorized dimensions.

12.2 Cost of Work

12.2.1 The term "Cost of Work," for the purpose of Change Orders or Allowance Work, means the cost necessarily incurred and paid by the Contractor in the proper performance of the Change Order Work. Except as may be agreed to in writing by the **Professional**, such costs shall be in amounts no higher than those prevailing in the area of the Work and may include the categories listed below.

12.2.1.1 Labor (payroll, taxes, fringe benefits, worker's compensation, health and retirement benefits, sick leave)
12.2.1.2 Owned Equipment (at lowest applicable equipment manual rate) (Blue Book Value)
12.2.1.3 Rented Equipment (at actual rental rate)
12.2.1.4 Material
12.2.1.5 Supplies
12.2.1.6 Subcontractors' Costs
12.2.1.7 Bonds and Insurance
12.2.1.8 Contractor's Fee (per 12.3)
12.2.1.9 Permit Fees

12.2.2 The **Contractor** shall require all Subcontractors and Suppliers to comply with all requirements of, and provide itemizations of, all claims in accordance with this Article.

12.2.3 The term "Cost of the Work" shall not include any of the following:

12.2.3.1 Payroll costs and other compensation of the **Contractor's** officers, executives, principals (of partnership and sole proprietorships), general managers, engineers, architects, estimators, layers, auditors, accountants, Procurement and contracting agents, expediters, timekeepers, clerks and other personnel employed by the **Contractor**, whether at the site or in its principal or a branch office, for general administration of the Change Order work and not specifically included in the agreed upon schedule of job classifications, all of which are to be considered administrative costs covered by the **Contractor's** mark-up.

12.2.3.2 Extraordinary fringe benefits not specifically identified in Article 12.2.1.1.

12.2.3.3 Expenses of **Contractor's** principal and branch offices other than the **Contractor's** office at the site.

12.2.3.4 Any part of the **Contractor's** capital expenses, including interest on the **Contractor's** capital used for the Change Order work and charges against the **Contractor** for delinquent payments.

12.2.3.5 Cost of premiums for all bonds and insurance, whether or not the **Contractor** is required by the Contract Documents to purchase and maintain the same (except for additional bonds and insurance required because of changes in the work).

12.2.3.6 Costs due to the negligence of the **Contractor**, any Subcontractor or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable, including but not limited to: the correction of defective Work; disposal of material or equipment wrongly supplied; and making good any damage to property.

12.2.3.7 Overhead or general expense costs of any kind (other than as provided in 12.3).

12.3 Contractor's Mark-Up

12.3.1 The maximum percentage allowed for the **Contractor's** combined overhead and profit shall be as follows:

12.3.1.1 For all such Change Order work or Allowance Work done, a fixed percentage of the total adjustment to the Contract Price shall be negotiated and shall not exceed ten percent (10%).

12.3.2 For all changes, the **Contractor** shall submit an itemized cost breakdown, together with supporting data in the detail and form as prescribed by the **Professional.** When a credit is due, the amount of credit to be allowed by the **Contractor** to the **County** for any change which results in a net decrease in cost will be the amount of the actual net decrease in direct cost as determined by the **Professional**, plus the applicable reduction in overhead and profit. When both additions and credits are involved in any change, the combined overhead and profit shall be calculated on the basis of the net change, whether an increase or decrease. In any event, the minimum detail shall be an itemization of all man-hours required by discipline/trade with the unit cost per man-hour and total labor price, labor burden, equipment hours and rate for each piece of equipment, material by units of measure and price per unit, other costs specifically itemized, plus the overhead and profit markup.

ARTICLE 13 – CHANGE OF CONTRACT TIME

13.1 Except as specifically provided in Section 13.1.2 below, the Contract Time may only be changed by a Change Order. Any request for an extension in the Contract Time shall be made in writing and delivered to the **Professional** within seven (7) calendar days of the occurrence first happening and resulting in the claim. Written supporting data will be submitted to the **Project Manager** within fifteen (15) calendar days after the

occurrence, unless the **Professional** allows additional time. All claims submitted by the **Contractor** for adjustments to the Contract Time must set forth in detail the reasons for and causes of the delay and clearly indicate why the subject delay was beyond the **Contractor's** control or fault.

13.1.1 If the **Contractor** is delayed at any time in the performance, progress, commencement or completion of the Work by any act or neglect of the **County** or the **Professional,** by an employee of either, by any separate contractor employed by the **County**, by changes ordered in the Work, by labor disputes, fire, unavoidable casualties, utility conflicts which could not have been identified or foreseen by the **Contractor** using reasonable diligence or by any causes beyond the **Contractor's** control or fault (but excluding weather delays which are addressed in Section 13.1.2 below), then the Contract Time shall be extended by Change Order for such reasonable time as the **County** may determine. The **Contractor** shall be entitled to an extension of time for causes only for the number of days of delay which the **County** may determine to be due solely to these causes and only to the extent these occurrences actually delay the completion of the Work; and then only if the **Contractor** shall have strictly complied with all the requirements of the Contract Documents. Provided, however, notwithstanding anything in the Contract Documents to the contrary, no interruption, interference, inefficiency, suspension or delay in the performance, progress, commencement or completion of the Work for any cause whatsoever, including those for which the **County** or the **Professional** may be responsible in whole or in part, shall relieve **Contractor** of its duty to perform or give rise to any right to damages or additional compensation from the **County**. The Contractor's sole and exclusive remedy against the **County** for interruption, interference, inefficiency, suspension or delay of any aspect of the Work shall be right to seek an extension to the Contract Time in accordance with the procedures set forth herein.

13.1.2 The **County's** Project Manager may, in their discretion, approve a request from the Contractor to suspend work due to inclement weather. Such approval by the County's Project Manager must be in writing and, once given, shall serve to extend the contract time by the same number of days.

ARTICLE 14 - UNCONTROLLABLE FORCES (FORCE MAJEURE)

14.1 Either party hereunder may be temporarily excused from performance if an Event of Force Majeure directly or indirectly causes its nonperformance. An "Event of Force Majeure" is defined as any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

14.2 Neither party shall be excused from performance if non-performance is due to forces which are reasonably preventable, removable, or remediable and which the non-performing party could have, with the exercise of reasonable diligence, prevented, removed, or remedied prior to, during, or immediately after their occurrence. Within five (5) days after the occurrence of an Event of Force Majeure, the non-performing party shall deliver written notice to the other party describing the event in reasonably sufficient detail, along with proof of how the event has precluded the non-performing party from performing its obligations hereunder, and a good faith estimate as to the anticipated duration of the delay and the means and methods for correcting the delay.

14.3 The non-performing party's obligations, so far as those obligations are affected by the Event of Force Majeure, shall be temporarily suspended during, but no longer than, the continuance of the Event of Force Majeure and for a reasonable time thereafter as may be required for the non-performing party to return to normal business operations. If excused from performing any obligations under this Agreement due to the occurrence of an Event of Force Majeure, the non-performing party shall promptly, diligently, and in good faith take all reasonable action required for it to be able to commence or resume performance of its obligations under this Agreement. During any such time period, the non-performing party shall keep the other party duly notified of all such actions required for it to be able to commence or resume performance of its obligations under this Agreement.

ARTICLE 15 – WARRANTY AND GUARANTEE: ACCEPTANCE OF DEFECTIVE WORK

15.1 Warranty and Guarantee

15.1.1 The **Contractor** warrants and guarantees to the **County** that all material and equipment will be new, unless otherwise specified; and that all work will be of good quality, performed in a workmanlike manner, free from faults or defects, and in accordance with the requirements of the Contract Documents and any inspections, tests or approvals referred to in this Article. All unsatisfactory Work, all faulty Work and all Work not conforming to the requirements of the Contract Documents or such inspections, tests, approvals or all applicable building, construction and safety requirements, shall be considered defective. Notice of all defects shall be given to the **Contractor** by the **Project Manager**. All defective work, whether or not in place, may be rejected, corrected or accepted as provided in this Article.

15.1.2 If, after approval of final payment and prior to the expiration of one year after the date of final completion or such longer period of time as may be prescribed by law or by the terms of any applicable special guarantee required by the Contract Documents, any Work or material are found to be defective, incomplete or otherwise not in accordance with the Contract Documents, the **Contractor** shall promptly, without cost to the **County** and in accordance with the **County's** written instructions, either correct such defective Work or, if it has been rejected by the **County**, remove it from the site and replace it

with non-defective work. If the **Contractor** does not promptly comply with the terms of such instructions, the **County** may have the defective Work corrected, removed or replaced. All direct and indirect costs of such action will be paid by the **Contractor**.

15.2 Tests and Inspections

15.2.1 If the Contract Documents, laws, ordinances, rules, regulations or orders of any public authority having jurisdiction require any Work to specifically be inspected, tested or approved by someone other than the **Contractor,** the **Contractor** shall give the Professional timely notice. The testing firm(s) (if assigned by the **Contractor** to this Work) and all such inspections, tests or approvals provided for by the **County** shall be identified in writing by the **Professional** to the **Contractor**. All other inspections, tests or approvals shall be at the **Contractor's** expense, including additional expenses for inspection and tests required as a result of delays by the **Contractor** or hours worked in excess of 40 hours per week. For all required inspections, tests and approvals on any Work prepared, performed or assembled away from the site, the **Contractor** will furnish the **Professional** with the required Certificates of Inspection, testing or approval. All such tests will be in accordance with the methods prescribed by the American Society for Testing and Material or such other applicable organizations as may be required by law or the Contract Documents. Material or Work in place that fail to pass acceptability tests shall be retested at the direction of the Professional and at the **Contractor's** expense.

15.2.2 Neither observations by the **Professional** or the **Project Manager** nor inspections, tests or approvals by persons other than the **Contractor** shall relieve the **Contractor** of its obligations to perform the Work in accordance with the requirements of the Contract Documents.

15.3 Access to the Work

15.3.1 For the duration of the Work, the **Professional** and their representatives, other designated representatives of the **County** and authorized representatives of any regulatory agency shall at all times be given access to the Work.

The **Contractor** shall provide proper facilities for such access and observation of the Work and also for any inspection or testing by others.

15.4 Uncovering the Work

15.4.1 If any work required to be inspected, tested or approved is covered prior thereto without the prior written approval of the **Professional**, or if any work is covered contrary to the request of the **Project Manager**, the work shall, if requested by the **Professional** or the **Project Manager**, be uncovered for observation, inspection, testing or approval and replaced at the **Contractor's** expense.

15.4.2 If any work has been covered which either the **Professional** or the **Project Manager** has not specifically requested to observe, or if the **Professional** or the **Project Manager** considers it necessary or advisable that covered work be inspected or tested by others, the **Contractor**, upon written request of the **Professional** or the **Project Manager**, shall uncover, expose or otherwise make available for observation, inspection or testing that portion of the work in question, furnishing all necessary labor, material and equipment. If it is found that such work is defective, the **Contractor** shall bear the expense of such uncovering, exposure, observation, inspection, testing and satisfactory reconstruction. If, however, such work is not found to be defective, the **Contractor** shall be allowed an increase in the Contract Price or an extension of the Contract Time, or both, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction, if it makes a claim as provided in Articles 11, 12 and 13.

15.5 Stop Work

15.5.1 When work is defective or when the **Contractor** fails to supply sufficient skilled workmen, suitable material, suitable equipment, make prompt payments to Subcontractors for labor, material or equipment, or if the **Contractor** violates any provisions of these Contract Documents, the **County** may order the **Contractor** to stop the work until the cause for such order has been eliminated. However, this right of the **County** to stop the work shall not give rise to any duty on the part of the **County** to exercise this right for the benefit of the **Contractor** or any other party. The **Contractor** shall have no right to claim an increase in the Contract Price or Contract Time or other damages for a stop work order under this paragraph.

15.6 Correction or Removal of Defective Work

15.6.1 When directed by the **Professional**, the **Contractor** shall promptly, without cost to the **County** and as specified by the Professional either correct the defective work whether fabricated, installed or completed, or remove it from the site and replace it with non-defective work or remove and replace such defective work within a reasonable time, all as specified in a written notice from the Professional, the County may have the deficiency corrected. All direct and indirect costs of such correction shall be paid by the Contractor or deducted from payment to the Contractor. The Contractor will also bear the expense of correcting or removing and replacing all work of others destroyed or damaged by the correction, removal or replacement of the defective work.

15.7 Acceptance of Defective Work

15.7.1 If, instead of requiring correction or removal and replacement of defective work, the **County** prefers to accept it, the **County** may do so. In such case, if acceptance occurs prior to approval of final payment, a Change Order incorporating the necessary revisions in the Contract Documents, including an appropriate reduction in the Contract Price, shall be issued. If the acceptance occurs after approval of final payment, the

Contractor shall pay to the **County** an appropriate sum to compensate for the defect in the work.

15.8 Neglected Work by Contractor

15.8.1 If the **Contractor** neglects to execute the Work in accordance with the Contract Documents, including any requirements of the progress schedule, the **Professional** may direct the **Contractor** to submit a recovery plan and take specific corrective actions including, but not limited to, employing additional workmen and/or equipment working extended hours and additional days, all at no cost to the **County**, in order to put the Work back on schedule. If the **Contractor** fails to correct the deficiency or take appropriate corrective action, the **County** may terminate the contract or **Contractor's** right to proceed with that portion of work and have the work done by others. The cost of completion under such procedure shall be charged against the **Contractor**. A Change Order shall be issued incorporating the necessary revisions in the Contract Documents, including an appropriate reduction in the Contract Price. If the payments due the **Contractor** are not sufficient to cover such amount, the **Contractor** shall pay the difference to the **County**.

15.8.2 Should the **Contractor** work overtime, weekends or holidays to regain the schedule, all costs to the **County** of associated inspection, construction management and resident engineering shall be identified to the **Contractor** and the Contract Price reduced by a like amount via Change Order.

ARTICLE 16 – PAYMENT AND COMPLETION

16.1 Schedule of Values

16.1.1 The Schedule of Values established as provided in General Conditions 3.5.2.2 will serve as the basis for progress payments and will be incorporated into a form of Application for Payment acceptable to the **Professional** and the **Project Manager.** Progress payments using unit prices bid will be based on the number of units completed. Lump sum bids do not have a provision for a unit price adjustment.

16.1.2 The Schedule of Values will include a breakdown of divisions of the work in a manner that will identify Subcontractors by the classification of their work according to any accepted numerical sequence, such as AIA numerical classification. Any Subcontractor identified by the **Contractor**, as a Woman/Minority Business Entity shall be noted in the schedule of values on a separate line of the schedule of values with an extension to the numerical classification used to identify the particular division of work. The extension will be according to the following: 002- Woman Business Enterprise; 003 – African American Enterprise; 004 – Hispanic American; 005 – Asian Pacific American Business; 006 – Native American Business; and 007 – Asian-Indian American Business.

16.2 Application for Progress Payment: Contractor Certification of Disbursement of Previous Progress Payments to Subcontractors and Suppliers

16.2.1 At least seven (7) calendar days before the date established for each progress payment (but not more often than once a month), **Contractor** shall submit the following to the **Professional** for review: (i) an Application for Payment filled out and signed by the **Contractor** covering the work completed as of the date of the Application; (ii) a Contractor Certification of Disbursement of Previous Progress Payments to Subcontractors and Suppliers (as further described in Subsection 16.2.2 below) in a form the County will designate and provide to the **Contractor,** and (iii) all other supporting documentation as is required by the Contract Documents. If payment is requested on the basis of material and equipment not incorporated in the Work but delivered and suitably stored at the site or at another location agreed to in writing, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that the **County** has received the material and equipment free and clear of all liens and evidence that the material and equipment are covered by appropriate property insurance and other arrangements to protect the **County's** interest therein, all of which will be satisfactory to the **County**. Payment is subject to retainage in accordance with F.S. 218.735. The amount of retainage is 5% in accordance with the contract document or as provided in F.S. 218.735.

16.2.2 As additional conditions precedent to the County's obligation to pay the Contractor each progress payment, to include the final payment due under the Contract, the Contractor must (i) pay all Subcontractors and Suppliers their respective pro rata share of all previous payments (to include any payments of retainage) that the County has made to Contractor for Work that has been satisfactorily completed; and (ii) execute and deliver to the Professional a Contractor Certification of Disbursement of Previous Progress Payments to Subcontractors and Suppliers with its Application for Payment submitted in accordance with Subsection 16.2.1 above. If the Contractor has not made the required payments to all Subcontractors and Suppliers, but the Contractor has (a) demonstrated good cause (as reasonably determined by the County) for not making any required payment; (b) delivered written notice to the County and to the applicable Subcontractor or Supplier specifically stating why the Contractor has not paid the Subcontractor or Supplier its proportionate share of the progress payments that the County has made to the Contractor pursuant to the Contract, and (c) completed all other requirements and conditions precedent to the receipt of the requested progress payment, then the County will pay Contractor the progress payment in accordance with the Contract requirements.

16.3 Contractor's Warranty of Title

16.3.1 **Contractor** warrants and guarantees that title to the work, material and equipment covered by any Application for Payment, whether incorporated in the Work

or not, will pass to the **County** no later than the time of payment, free and clear of all liens.

16.4 Approval of Payments

16.4.1 The **Professional,** after receipt of each Application for Payment, will either indicate in writing a recommendation of payment and present the application to the **County,** or return the application to the **Contractor** indicating in writing the **Professional's** reasons for refusing to recommend payment. In the latter case, the **Contractor** may make the necessary corrections and resubmit the application. The **County** shall make payment in accordance with F.S. 218.735.

16.4.2 The **Professional's** recommendation of any payment requested in an Application for Payment will constitute a representation by the **Professional** to the **County** based on the **Professional's** review of the Application for Payment and the accompanying data and schedules, that to the best of the **Professional's** knowledge, information and belief:

a) The Work has progressed to the point indicated;

b) The quality of the Work is generally in accordance with the Contract Documents (subject to an evaluation of the Work as a functioning whole prior to or upon substantial completion, to the results of any subsequent tests called for in the Contract Documents, to a final determination of quantities and classifications for Unit Price Work and to any other qualifications stated in the recommendation); and

c) The conditions precedent to the **Contractor's** being entitled to such payment appear to have been fulfilled in so far as it is the **Professional's** responsibility to observe the Work.

16.4.3 By recommending any such payment, the **Professional** will not be deemed to have represented that: (i) exhaustive or continuous on-site inspections have been made to check the quality or the quantity of the Work beyond the responsibilities specifically assigned to the **Professional** in the Contract Documents; or (ii) that there may not be other matters or issues between the parties that might entitle the **Contractor** to be paid additionally by the **County** or entitle the **County** to withhold payment to the **Contractor**.

16.4.4 The **Professional's** recommendation of any payment, including final payment, shall not mean that the **Professional** is responsible for the **Contractor's** means, methods, techniques, sequences or procedures of construction; or the safety precautions and programs incident thereto; or for any failure of the **Contractor** to comply with Laws and Regulations applicable to the furnishing or performance of Work; or for any failure of the **Contractor** to perform or furnish Work in accordance with the Contract Documents.

16.4.5 The **Professional** may refuse to recommend the whole or any part of any payment if, in the **Professional's** opinion, they are unable to make the representation that the Application is acceptable to the **County**. The **Professional** may also refuse to recommend any such payment or, because of subsequently discovered evidence or the results of subsequent inspections or tests, nullify any such payment or, because of subsequently discovered evidence or the results of subsequent inspections or tests, nullify any such payment previously recommended, to such extent as may be necessary in the **Professional's** opinion to protect the **County** from loss because:

a) The Work is defective;

b) The Contract Price has been reduced by Change Order;

c) The **County** has been required to correct defective work or complete work in accordance with Article 15;

d) Claims have been filed against the **County** for which the **Contractor** may be liable; and/or

e) The work was executed unsatisfactorily; the **Contractor** failed to clean up as required in Article 7 or the work is otherwise not in compliance with these Contract Documents.

16.4.6 The **County** will give the **Contractor** immediate notice stating the reasons for such action and promptly pay the **Contractor** the amount so withheld, or any adjustment thereto agreed to by the **County** and the **Contractor**, when the **Contractor** corrects, to the **County's** satisfaction, the reasons for such action.

16.5 Substantial Completion

16.5.1 Substantial Completion is the stage in the progress of the Work when the Work or specified portion thereof is sufficiently complete in accordance with the Contract Documents so the **County** can occupy or utilize the Work for its intended purpose.

16.5.2 When the **Contractor** considers that the Work, or a specified portion thereof, which the **County** agrees to accept separately, is substantially complete, the **Contractor** shall prepare and submit to the **Professional** a thorough and inclusive list of items to be completed or corrected. The **Contractor** shall proceed promptly to complete and correct items on the list. Failure to include an item on this list does not relieve the **Contractor** of the responsibility to complete all Work in accordance with the Contract Documents. Upon receipt of the **Contractor's** list, the **Professional** and **Project Manager** will visit the site to determine whether the Work or designated portion thereof is substantially complete. If the **Professional's** and the **Project Manager's** visit discloses any item, whether or not included on the **Contractor's** list, which is not in accordance with the requirements of the Contract Documents, the **Contractor** shall,

before issuance of the Certificate of Substantial Completion, complete or correct such item, upon notification by the **Professional.** The **Contractor** shall then submit a request for another visit by the **Professional** to determine Substantial Completion. When the Work or designated portion thereof is substantially complete, the **Professional** will prepare a Certificate of Substantial Completion that shall establish the date of Substantial Completion. The Certificate of Substantial Completion shall include a list of items that have not been completed or corrected at the time of the follow-up visit by the Professional to determine Substantial Completion. The **Professional,** in consultation with the County, shall establish a date for completion of the items identified in the Certificate of Substantial Completion Certificate and this date for completion shall be noted on the Certificate. The **Professional** shall also establish a value for each of the items included on the certificate, which may be deducted from the **Contractor's** Application for Payment at two times the amount of each incomplete item. Should the **Contractor** fail to complete the items by the date noted on the Certificate of Substantial Completion, the **County** may complete the item and deduct the costs from the final Application for Payment. Warranties required by the Contract Document shall commence on the date of Substantial Completion of the Work or designated portion thereof unless otherwise provided in the Certificate of Substantial Completion. The Certificate of Substantial Completion shall be submitted to the **Contractor** for their written acceptance and then to the **County** for acceptance and issuance.

16.5.3 The **County** shall have the right to exclude the **Contractor** from the Work after the date of Substantial Completion, but the **County** shall allow the **Contractor** reasonable access to complete or correct items on the list.

16.6 Beneficial Occupancy

16.6.1 Use by the **County** at the **County's** option of any substantially completed part of the Work which (i) has specifically been identified in the Contract Documents, or (ii) the **County, Professional** and **Contractor** agree constitutes a separately functioning and usable part of the Work that can be used by the **County** for its intended purpose without significant interference with the **Contractor's** performance of the remainder of the Work, may be accomplished prior to Substantial Completion of all the Work subject to 16.6.2.

16.6.2 The **County** at any time may request the **Contractor** in writing to permit the **County** to use any such part of the Work which the **County** believes to be ready for its intended use and substantially complete. If the **Contractor** agrees that such part of the Work is substantially complete, the **Contractor** will certify to the **County** and the **Professional** in writing that the **Contractor** considers any such part of the Work ready for its intended use and substantially complete and request the **Professional** to issue a certificate of Substantial Completion for that part of the Work. Within a reasonable time after either such request, the **County**, **Contractor** and **Professional** shall make an inspection of that part of the Work to determine its status of completion. If the

Professional does not consider that part of the Work to be substantially complete, the **Professional** will notify the **County** and the **Contractor** in writing giving the reasons therefore. If the **Professional** considers that part of the Work to be substantially complete, the provisions of 16.5 will apply with respect to certification of Substantial Completion of that part of the Work and the division of responsibility in respect thereof and access thereto.

16.6.3 The **County**, may at its discretion, reduce the amount of retainage beyond the amount prescribed in F.S. 218.735 subject to Beneficial Occupancy.

16.6.4 Retainage will not be released in the face of a claim by the **County** for liquidated damages or a dispute claim by the **Contractor** for additional compensation.

16.7 Final Inspection

16.7.1 Upon written notice from the **Contractor** that the entire Work or an agreed portion thereof is complete, the **Professional** will make a final inspection with the **County** and the **Contractor** and will notify the **Contractor** in writing of all particulars in which this inspection reveals that the Work is incomplete or defective. The **Contractor** shall immediately take such measures as necessary to complete such Work or remedy such deficiencies.

16.8 Final Application for Payment

16.8.1 After the **Contractor** has completed all such corrections to the satisfaction of the **Professional** and the **County** and delivered in accordance with the Contract Documents all maintenance and operating instructions, schedules, guarantees, bonds, certificates or other evidence of insurance required by 6.2, certificates of inspection, marked-up record documents and other documents, the **Contractor** may make application for final payment following the procedure for progress payments. The final Application for Payment shall be accompanied (except as previously delivered) by: (i) all documentation called for in the Contract Documents, including but not limited to the evidence of insurance required; (ii) consent of the surety to final payment; and (iii) a final Contractor Certification of Disbursement of Previous Progress Payments to Subcontractors and Suppliers.

16.8.2 No application for final payment will be accepted by the **County** until all required documentation by the **Contractor** has been accepted and approved by the **Professional** and the **County.**

16.8.3 Notwithstanding any other provision of these contract documents to the contrary, the **County** and the **Professional** are under no duty or obligation whatsoever to any vendor, material provider, Subcontractor, laborer or other party to ensure that payments due and owing by the **Contractor** to any of them are or will be made. Such parties shall rely only on the **Contractor's** surety bonds for remedy of nonpayment by the **Contractor.** The **Contractor** agrees to defend and resolve all claims made by

Subcontractors, indemnifying the **County** and the **Professional** for all claims arising from or resulting from Subcontractor, Supplier, material men or laborer services in connection with this project.

16.8.4 The **Contractor** will indemnify the **County** and **Professional** for any damages sustained including lost revenues resulting from the **Contractor's** failure or refusal to perform the work required by these contract documents.

16.9 Final Payment and Acceptance

16.9.1 If, on the basis of the **Professional's** observation of the Work during construction and final inspection, and the **Professional's** review of the final Application for Payment and accompanying documentation as required by the Contract Documents, the **Professional** is satisfied that the Work has been completed and the **Contractor's** other obligations under the Contract Documents have been fulfilled, the **Professional** will, after receipt of the final Application for Payment, indicate in writing the **Professional's** recommendation of payment and present the Application to the **County** for payment. At the same time, the Professional will also give written notice to the County and the **Contractor** that the Work is acceptable subject to the provision of 16.10. Otherwise, the **Professional** will return the application to the **Contractor,** indicating in writing the reasons for refusing to recommend final payment, in which case the **Contractor** shall make the necessary corrections and resubmit the Application. After the presentation to the **County** of the application and accompanying documentation, in appropriate form and substance and with the **Professional's** recommendation and notice of acceptability, the amount recommended by the **Professional** will become due and will be paid by the **County** to the **Contractor**.

16.9.2 If, through no fault of the **Contractor**, final completion of the Work is significantly delayed and if the **Professional** so confirms, the **County** shall, upon receipt of the **Contractor's** final Application for Payment and recommendation of the **Professional,** and without terminating the Agreement, make payment of the balance due for that portion of the Work fully completed and accepted. If the remaining balance to be held by the **County** for Work not fully completed or corrected is less than the retainage stipulated in the Contract, and if bonds have been furnished as required in Article 6, the written consent of the surety to the payment of the balance due for that portion of the Work fully completed and accepted shall be submitted by the **Contractor t**o the **Professional** with the application for such payment. Such payment shall be made under the terms and conditions governing final payment, except that it shall not constitute a waiver of claims.

16.9.3 The remainder of the Contract Price will be approved for payment upon final completion of the work, acceptance of the work by the **County** and settlement of all claims.

16.10 Waiver of Claims

16.10.1 The making and acceptance of final payment will constitute a waiver of all claims by the **Contractor** against the **County**, other than those previously made in writing and still unsettled.

16.10.1.1 The making and acceptance of final payment will constitute a waiver of all claims by the **County** against the **Contractor**, except claims arising from unsettled liens from defective Work appearing after final inspection pursuant to 16.7; from failure to comply with the Contract Documents or the terms of any special guarantees specified therein; or from the **Contractor's** continuing obligations under the Contract Documents.

ARTICLE 17 – SUSPENSION OF WORK AND TERMINATION

17.1 Suspension of Work

17.1.1 At any time and without cause, the **County** may suspend the Work or any portion thereof for a period of not more than ninety (90) days by notice in writing to the **Contractor** and the **Professional**, which will fix the date on which Work will be resumed. The **Contractor** shall resume the Work on the date so fixed. The **Contractor** shall be allowed an adjustment in the Contract Price or an extension of the Contract Time, or both, directly attributable to any such suspension if the **Contractor** makes any approved claim therefore as provided in Articles 12 and 13.

17.2 Termination For Cause

17.2.1 Upon the occurrence of any one or more of the following events:

a) If the **Contractor** fails to perform the Work in accordance with the Contract Documents (including, but not limited to, failure to supply sufficient skilled workers or suitable material or equipment; or failure to adhere to the progress schedule established;

b) If the **Contractor** disregards laws or regulations of any Regulations of any public agency having jurisdiction;

c) If the **Contractor** disregards the authority of the **Professional** or the **Project Manager;** or

d) If the **Contractor** otherwise violates in any substantial way any provisions of the Contract Documents.

The **County** may, after giving the **Contractor** and surety seven (7) working days' written notice and to the extent permitted by Laws and Regulations, terminate the services of the **Contractor**; exclude the **Contractor** from the site; take possession of the Work and of all the **Contractor's** tools, appliances, construction equipment and

machinery at the site; use the same to the full extent they could be used by the **Contractor** (without liability to the **Contractor** for trespass or conversion); incorporate in the Work all material and equipment stored at the site or for which the **County** has paid the **Contractor** but which are stored elsewhere; and finish the Work as the **County** may deem expedient. In such case, the **Contractor** shall not be entitled to receive any further payment beyond an amount equal to the value of the work actually completed and the value of material and equipment not incorporated in the work but delivered and suitably stored, less the aggregate of payments previously made. If the direct and indirect costs of completing the work exceed the unpaid balance of the contract price, the **Contractor** shall pay the difference to the **County**. Such costs incurred by the **County** shall be verified by the **Professional** and incorporated in a Change Order; but in finishing the work the **Contractor** shall not be required to obtain the lowest figure for the work performed. The **Contractor's** obligations to pay the difference between such costs and such unpaid balance shall survive termination of the agreement.

17.2.2 In the event the **County** terminates the contract for cause and it is subsequently judicially determined that there was no cause for termination, the termination for convenience provision will be the means for disposition of the balance of the contract obligations.

17.3 Termination for Convenience

17.3.1 Upon seven (7) working days' written notice to the **Contractor** and the **Professional,** the **County** may, without cause and without prejudice to any other right or remedy of the **County,** elect to terminate the **Contract**. In such case, the **Contractor** shall be paid (without duplication of any items):

a) For completed and acceptable Work executed in accordance with the Contract Documents prior to the effective date of termination, including fair and reasonable sums for overhead and profit on such Work;

b) For expenses sustained prior to the effective date of termination in performing services and furnishing labor, material or equipment as required by the Contract Documents in connection with uncompleted Work, plus fair and reasonable sums for overhead and profit on such expenses;

c) For all claims, costs, losses and damages incurred in settlement of terminated contracts with subcontractors, suppliers and others; and

d) For reasonable expenses directly attributable to termination.

The **Contractor** shall not be paid on account of loss of anticipated profits or revenue or other economic loss arising out of or resulting from such termination.

17.3.2 If through no act or fault of the **Contractor**, the Work is suspended for a period of more than ninety (90) calendar days by the County, or under an order of court or other public authority, or the **Professional** fails to act on any Application for Payment within thirty (30) calendar days after it is submitted, or the **County** fails for thirty-one (31) calendar days to pay the Contractor any sum finally determined to be due, then the **Contractor** may, upon seven (7) working days' written notice to the **County** and the **Professional**, terminate the Agreement and recover from the **County** payment on the same terms as provided in 17.2.2, provided the **County** or the **Professional** did not remedy such suspension or failure within that time. In lieu of terminating the Agreement and without prejudice to any other right or remedy, if the **Professional** has failed for thirty-one (31) calendar days to pay the **Contractor** any sum finally determined to be due, the **Contractor** may upon seven (7) days' written notice to the **County** and the **Professional** stop the Work until payment is made of all such amounts due the **Contractor**, including interest thereon. The provisions of this paragraph are not intended to preclude the **Contractor** from making claim under Articles 12 and 13 for an increase in Contract Price or Contract Time or otherwise for expenses or damage directly attributable to the **Contractor's** stopping Work as permitted by this paragraph.

ARTICLE 18 – DISPUTES

18.1 All disputes arising under this Contract or its interpretation whether involving law, fact or both, or extra work, and all claims for alleged breach of contract, shall within ten (10) working days of the commencement of the dispute be presented by the **Contractor** to the **County** for decision. All papers pertaining to claims shall be filed in quadruplicate. Such notice need not detail the amount of the claim but shall state the facts surrounding the claim in sufficient detail to identify the claim, together with its character and scope. In the meantime, the **Contractor** shall proceed with the Work as directed. Any claim not presented within the time limit specified in this paragraph shall be deemed to have been waived, except that if the claim is of a continuing character and notice of the claim is not given within ten (10) working days of its commencement, the claim will be considered only for a period commencing ten (10) working days prior to the receipt by the **County** of notice thereof. Each decision by the **County** will be in writing and will be mailed to the **Contractor** by registered or certified mail, return receipt requested, directed to the **Contractor's** last known address.

18.1.1 If the **Contractor** does not agree with any decision of the **County**, the **Contractor** shall seek mediation by a certified circuit court civil mediator who will be agreed to by the parties or, if the parties cannot agree to a mediator within thirty (30) calendar days of the request for mediation, said mediator will be chosen by the **Contractor**. Any mediation will be held in Polk County, unless otherwise agreed to by the **County.** The parties will cooperate in good faith with the mediator with the cost of the mediator split equally between the parties, if the mediator is agreed upon, and by the **Contractor** if agreement on the mediator cannot be reached.

18.1.2 If the **Contractor** does not agree with any decision of the **County**, or the mediation is unsuccessful, the **Contractor** shall in no case allow the dispute to delay the Work but shall notify the **County** promptly that the work proceeding under protest and that the matter in question may be accepted from the final release.

ARTICLE 19 – MISCELLANEOUS

19.1 Whenever any provision of the Contract Documents requires the giving of written notice, it will be deemed to have been validly given if delivered in person to the individual or to a member of the firm or to an officer of the corporation for whom it is intended, or if delivered at or sent by registered or certified mail, postage prepaid, to the last business address known to the giver of the notice.

19.2 When any period of time is referred to in the Contract Documents by days, it will be computed to exclude the first and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the law of the applicable jurisdiction, such day will be omitted from the computation. A calendar day of twenty-four (24) hours measured from midnight to the next midnight will constitute a day.

19.3 Should the **County** or the **Contractor** suffer injury or damage to its person or property because of any error, omission or act of the other or of any of their employees, agents or others for whose acts they may be legally liable, claim should be made in writing to the other party within a reasonable time of the first observance of such injury or damage.

19.4 All representations, warranties and guarantees made in the contract documents will survive final payment and termination or completion of the agreement. Also, the obligation of the **Contractor** to maintain the work until initiation of operation shall survive final payment, termination or completion of the Contract.

19.5 The **Contractor** shall keep adequate records and supporting documentation applicable to the Work and Contract. Said records and documentation shall be retained by the **Contractor** for a minimum of five (5) years from the date of final completion or termination of this Contract. The County shall have the right to audit, inspect and copy all such records and documentation as often as the **County** deems necessary during the period of the Contract and for a period of five (5) years thereafter provided, however, such activity shall be conducted only during normal business hours. The **County**, during this period of time, shall also have the right to obtain a copy of and otherwise inspect any audit made at the direction of the **Contractor** as concerns the aforesaid records and supporting documentation.

ARTICLE 20 - Unauthorized Alien(s):

20.1.1 The vendor agrees that unauthorized aliens shall not be employed nor utilized in the performance of the requirements of this solicitation. The County shall consider the employment or utilization of unauthorized aliens a violation of Section 274A(e) of the Immigration and Naturalization Act (8 U.S.C. 1324a). Such violation shall be cause for unilateral termination of this Agreement by the County. As part of the response to this solicitation, the successful vendor will complete and submit the attached form "Affidavit Certification Immigration Laws."

ARTICLE 21 - EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY)

A. Unless otherwise defined herein, terms used in this Section which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

B. Pursuant to Section 448.095(5), Florida Statutes, the contractor hereto, and any subcontractor thereof, must register with and use the E-Verify system to verify the work authorization status of all new employees of the contractor or subcontractor. The contractor acknowledges and agrees that (i) the County and the contractor may not enter into this Agreement, and the contractor may not enter into any subcontracts hereunder, unless each party to this Agreement, and each party to any subcontracts hereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of this Agreement, and the County may treat a failure to comply as a material breach of this Agreement.

C. By entering into this Agreement, the contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The contractor shall maintain a copy of such affidavit for the duration of this Agreement. Failure to comply will lead to termination of this Agreement, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If this Agreement is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If this Agreement is terminated for a violation of Section 448.095, Fla. Stat., by the contractor, the contractor may not be awarded a public contract for a period of 1 year after the date of termination. The contractor shall be liable for any additional costs incurred by the County as a result of the termination of this Agreement. Nothing in this Section shall be construed to allow intentional discrimination of any class protected by law.

ARTICLE 22 – PERFORMANCE EVALUATION

22.1 Contractor Evaluation

22.1.1 The **Contractor's** performance shall be evaluated during and after completion of the project. The evaluation shall be conducted in accordance with the Procurement Procedures, dated May 10, 2006, for Contractor Evaluation.

ARTICLE 23 – ALLOWANCES

23.1 Allowance Work

23.1.1 When the **County** determines, at its sole discretion, that it wishes to include an Allowance in the Contract, said amount shall be included in the Contract Price, Article 2 of the Contract (Part E).

23.1.2 Allowance Work, in the amount of five percent (5%) of the awarded contractors bid or $250,000, whichever is less, may be included in the Contract Price. No individual allowance request shall be greater than $50,000 without approval of the Board of County Commissioners. The Contract Work and all Allowance Work shall be performed in full compliance with all requirements of the Contract Documents. The sum of all approved Allowance Work performed pursuant hereto shall not exceed the amount of the Allowance. When all Work has been completed under this contract any balance of the original Allowance remaining at the completion of all Work shall be deducted from the Contract Price.

23.1.3 The number of calendar days specified in the Contract for performance of the Work shall include a total time allowance of no more than 60 days or fifteen percent (15%) of the time specified at the time contract award for final completion of the project, whichever is less, for performance of Allowance Work. When all Work has been completed under this contract any time set aside for Allowance Work remaining at the completion of all Work shall be deducted from the Contract Time.

23.1.4 Upon a determination by the County Manager or his designee that certain construction work for which detailed specifications were not prepared or the scope of such work was not fully established at the time the **County** entered into a contract and upon determining that, for the purposes of expediency and efficiency, it would be in the **County's** best interest to have said work completed by the Project's **Contractor**, the County Manager or his designee will take appropriate action pursuant to the "Allowance" provision established under the Contract for the Project.

23.1.5 All charges and time for Allowance Work must be pre-approved in writing by the County Manager or his designee. Said written pre-approval shall be in the form of an Allowance Authorization Release (AAR), which shall describe in detail the Allowance Work to be performed, the price for the Allowance Work and the time, if any, allocated for performance of the Allowance Work, as well as containing the authorizing signature

of the County Manager or his designee. The **Contractor** shall not be authorized to perform any Allowance Work without the required AAR.

ARTICLE 24 – ANNUAL APPROPRIATIONS

24.1 Appropriations

24.1.1 Contractor acknowledges that the County, during any fiscal year, shall not expend money, incur any liability, or enter into any agreement which, by its terms, involves the expenditure of money in excess of the amounts budgeted or the reduction of revenues for those budgeted agreements that may be available for expenditure during such fiscal year. Any agreement, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such agreement. Nothing herein contained shall prevent the making of agreements for a period exceeding one year, but any agreement so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, the County's performance and obligation to pay under this agreement is contingent upon annual appropriation.

ARTICLE 25 – PUBLIC RECORDS LAW

a) The Contractor acknowledges the County's obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and comply in the handling of the materials created under this Agreement. The Contractor further acknowledges that the constitutional and statutory provisions control over the terms of this Agreement. In association with its performance pursuant to this Agreement, the Contractor shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all applicable laws.
b) Without in any manner limiting the generality of the foregoing, to the extent applicable, the Contractor acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:
    (1) keep and maintain public records required by the County to perform the services required under this Agreement;
    (2) upon request from the County's Custodian of Public Records or his/her designee, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;
    (3) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this Agreement and following completion of this Agreement if the Contractor does not transfer the records to the County; and

(4) upon completion of this Agreement, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of this Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of this Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's Custodian of Public Records, in a format that is compatible with the information technology systems of the County.

c) **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:**

RECORDS MANAGEMENT LIAISON OFFICER POLK COUNTY
330 WEST CHURCH ST.
BARTOW, FL 33830
TELEPHONE: (863) 534-7527
EMAIL: RMLO@POLK-COUNTY.NET

ARTICLE 26 – NO CONSTRUCTION AGAINST DRAFTER

The Parties acknowledge that this Agreement and all the terms and conditions contained herein have been fully reviewed and negotiated by the Parties. Accordingly, any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in interpreting this Agreement.

SUPPLEMENTARY CONDITIONS

These services are funded by U.S. Department of Treasury (USDT) through the American Rescue Plan Act (ARP), State and Local Fiscal Recovery Funds (SLRF). All requirements of the federal award are applicable to the Successful Contractor(s), subcontractor, and any material suppliers. All services must be performed in accordance with applicable Federal, State, and Local regulations.

Definitions

The term "Underground Facilities" means all underground pipelines, conduits, ducts, cables, wires, manholes, vaults, tanks, tunnels, or other such facilities or attachments, and any encasements containing such facilities, including those that convey electricity, gases, steam, liquid petroleum products, telephone or other communications, cable television, water, wastewater, stormwater, other liquids or chemicals, or traffic or other control systems.

NOTE: Any information provided in the Technical Specifications or Drawings that relates to the Procurement process of this solicitation is superseded by the County's Procurement Policies and Procedures Manual, the General Conditions, and the Supplementary Conditions contained herein.

Calculation of Liquidated Damages

Liquidated damages shall apply to meeting the substantial completion date upon which the facility shall be fully functioning as intended.

Should the Contractor not meet the agreed upon date of substantial completion, as outlined within the Notice to Proceed, liquidated damages to continue inspections and project management shall be calculated as follows:

Inspection Services	5 hours per day @ 150.00 per hour	$ 750.00
Project Management	2 hours per day @ $195.00 per hour	$ 390.00
Mileage	75 miles per day @ $0.655 per mile	$ 49.13
Other Miscellaneous Project Expenses		$ 10.87
Total Daily Liquidated Damages		$1,200.00

Should the Contractor request and be granted additional time to reach Substantial Completion via change order(s), the last revised date shall be the date used to calculate the time for which liquidated damages will be assessed.

Construction Cost Estimate

The construction cost estimate for this project is $4,400,000.

Project Location

The Work will occur in the Jordan's Grove Facility owned by PCU and located at 428 Sardinia Circle within the William's Preserve Development in Davenport Florida. The nearest major intersection to the project site is Lee Jackson Highway and Catalina Boulevard.

Site Access

The project is located within existing rights-of-way and Polk County property. Contractor shall provide adequate access to minimize disruption to residents and businesses. Contractor shall provide noise control, access control to ensure site security and safety of residents, and erosion control to prevent damage to private property.

Contractor shall be responsible for ensuring construction areas are secured and safe to the public each day. Necessary safety measures such as barricades, signs and fences shall be properly set every day. Trenches and excavations shall not be left open during Contractor non-work times.

Award of Contract and Contract Time

The County's intent is to award this bid to the lowest responsive and responsible Contractor meeting qualifications. The County may reject all or may award the entire bid, as best serves the interest of County.

The Contract Time is as follows: 365 CALENDAR DAYS

The Contract Time for this project is a total of 335 calendar days from Notice to Proceed to reach Substantial Completion and 365 calendar days from Notice to Proceed for Final Completion.

Completion of the contract will have been achieved once Final Completion has been reached and all final documentation, including final application for payment, received and processed by PCU. No more than 30 calendar days will be allowed for completion of close out documentation.

Bonding Requirements

General Conditions, Article 2-Definitions, 2.6 the term "Bonds" is replaced in its entirety: 2.6 The term "Bonds" means the Bid, Performance, and Payment Bonds and other instruments of security furnished by the Contractor and its Surety in accordance with the Contract Documents.

General Conditions, Article 6-Bonds, Insurance, Indemnification, 6.1 Public Construction Bonda and Other Bonds is deleted and replaced in its entirety:

6.1 Performance Bond, Payment Bond and Other Bonds

6.1.1 The Contractor shall furnish a Performance Bond and a Payment Bond, in an amount equal to the amount recommended for award and, if called out in the contract, the allowance amount, as security for the faithful performance and payment, respectively, of all the Contractor's obligations under the Contract Documents. These Bonds shall remain in effect at least until one year after the date when final payment becomes due, except as otherwise provided by Laws or Regulations or by the Contract Documents. The Contractor shall also furnish such other Bonds as are required by the Supplementary Conditions. All Bonds shall be in the form prescribed by the Contract Documents except as otherwise provided by Laws or Regulations and shall be executed by such sureties as are named in the current list of "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by the Audit Staff, Bureau of Government Financial Operations, U.S. Treasury Department and A.M. Best rated AVIII or better.

6.1.2 The Contractor shall be required to furnish additional coverage for added work. The surety is required to increase the amount of the bonds in the same amount of one or more change orders.

6.1.3 The bonds required by the Contract Documents to be purchased and maintained by the Contractor shall be obtained from a surety that is duly licensed or authorized in the State of Florida to issue bond for the limits and coverages so required. All bonds signed by an agent must be accompanied by a certify copy of authority to act. Such surety shall also meet such additional requirements and qualifications as may be provided in the Supplementary conditions.

6.1.4 If the surety on any bond furnished by the Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in any state or it ceases to meet the requirements of 6.1.1, the Contractor shall within ten (10) work days thereafter substitute another bond and surety, both of which must be acceptable to the County.

Warranty Requirements

The warranty period for completed work shall be as outlined in the technical specifications. In some sections of the Contract Documents, warranty requirements may be more stringent than indicated in the General Conditions. In the event there is a warranty conflict, the more stringent warranty requirement will apply.

Qualifications

Bidder shall be a current State of Florida licensed General Contractor with experience in the installation of ground storage tanks equal to or greater than 1.0 million gallons, large diameter (<10-inch) yard piping, horizontal split-case pumps, vertical turbine pumps, and variable frequency drives (VFDs) in the state of Florida as the prime bidder.

Bidder should submit the following with their bid:

1. Copy of valid State of Florida License as a General Contractor.

   A copy of the license should be included with the bid submittal, or within three days of request.

2. Contractor shall be registered under the governmentwide System for Award Management (SAM) at https://sam.gov/content/home at the time of bid submittal. The apparent low bid Contractor and its listed subcontractors shall not be debarred or suspended or in the process of being debarred or suspended.

3. Bidder must provide five (5) references from clients in which the bidder has performed similar size and scope services as the prime contractor, within the past ten (10) years, for projects involving ground storage tank installation of at least 1.0 million gallons, large diameter yard piping, horizontal split-case pumps, vertical turbine pumps and/or VFDs. Each reference should include:
   a) Name of the client
   b) Address of the client
   c) Contact person to include:
      i. Phone number and email address
   d) Superintendent's name
   e) Length of pipe(s) and size(s) constructed/installed
   f) Type and size of pumps installed (if applicable)
   g) Size of ground storage tank(s) installed (if applicable)
   h) Number and size (horsepower) of VFDs installed (if applicable)
   i) Period of Performance (start and end date of the services)
   j) Brief description of the services provided.

References should be submitted with the bid or must be provided within three (3) business days upon request and prior to award.

Record Drawings

Contractor shall be responsible for As-Built Drawings. Shop drawings are to be submitted within 30-days of Pre-Construction meeting. As-Built Drawing red-line mark-ups shall be submitted by the contractor 30 days prior to substantial completion. As-

Built Drawings shall be submitted by the Contractor with the Certificate of Substantial Completion.

Shop Drawings and Submittals

Contractor shall be responsible for preparation and submission of shop drawings and As-Built drawings. Shop drawings shall be submitted in a manner to maintain the approved construction schedule. All shop drawings shall be stamped indicating the Contractor has reviewed them prior to submittal. Professional will review shop drawings, detailed construction submittals, and material samples required by the contract manual for general conformance with the design requirements.

If shop drawings or other submittals are rejected more than once, the Contractor shall be responsible for additional services for the Professional to review additional submittals on an hourly basis as outlined below:

Project Manager @ $195.00 per hour

Percentage of Work

The prime contractor shall perform a minimum of 51% of all work contained within the scope of work as outlined in the contract documents. This percentage of work requirement does not include the furnishing of materials or equipment in the construction, if not installed by the primary contractor.

Additional Information

Contractor shall supply the County with a compilation of daily reports from the assigned construction activity on a weekly basis. Report will be submitted to the assigned CIP Project Manager or his representative for the County approval of the Utilities Operations Division Director or his designee. The report shall include the construction progress and relevant issues per construction area. Contractor is responsible for insuring site is secured each day to ensure site is not tampered with.

Contractor shall provide the County with a comprehensive contact list to include all key Contractor personnel as well as all subcontractors' contact information. The contact information shall include name of contact, project responsibility, telephone number, cell phone number, email address, physical address and/or mailing address along with city, state, and zip code. This must be provided for all personnel associated with the Project.

All signs, mailboxes, fences, guardrails, curbs, pavement markings, utility poles, plants, shrubs, trees, and other miscellaneous items shall be removed, reinstalled and/or replaced to match pre-construction conditions or better, or as directed by Owner. Contractor is responsible for cost associated with holding poles and relocating guy wires

as required for construction. All costs shall be incidental to construction cost and no additional compensation shall be allowed.

RFI Logs

Polk County Utilities (PCU) will require Contractor to keep an RFI (request for information) log on all RFI's received in order to ensure proper recording. The Log should include the date that the RFI was received, the RFI subject and matter, the engineer/consultant that has been assigned to satisfy the RFI, the RFI resolution, and the date the RFI answer was submitted to Polk County and the party that issued the RFI.

Project Contingencies

The Bid Form includes Project Contingency line items totaling $230,000. Prior written approval by the Polk County Utilities Division Director is required for the expenditure of any of these contingency funds. Any work performed prior to receiving written approval is done at the Contractor's risk.

Workdays/Work Times

Workdays shall be defined as Monday through Friday from 7:00 a.m. to 6:00 p.m., except for County holidays and unless otherwise agreed upon by the PCU Project Manager.

Permits and Approvals

Contractor shall prepare and submit Maintenance of Traffic (MOT) plans to comply with requirements of Polk County Roads and Drainage Division and Florida Department of Transportation (FDOT) permits, as applicable.

The following permits shall be obtained by the Contractor per Section 7.6 of the General Conditions:

- NPDES General Permit Authorization for Construction Activities
- Polk County Building Permit
- Permits required for hauling salvaged items, debris, materials, supplies, and/or equipment over public roadways.

The following permits have been or will be obtained before the NTP by the County for construction of this Work:

- FDEP Minor Revision to a Wastewater Facility or Activity Permit

- Polk County Level 3 Site Plan Permit
- Southwest Florida Water Management District/FDEP: Environmental Resource Permit (Stormwater System Modification)

Contractor and Subcontractors

The Contractor may self-perform any areas of the work that they are specifically qualified in that field. Otherwise, the Contractor shall employ qualified, experienced subcontractors for each area of the work.

Project Sign

Contractor shall provide a project sign as shown in the Drawings.

Substitute Material

"Equivalent" or "Approved Equal" substitutions of any materials or supplies will require prior approval by Polk County Utilities Operations via an addendum. Any approved substitutions to equipment or supplies should be incorporated as a part of the prime Contractor's bid submittal. (GC 7.3)

Suppliers are encouraged to review Polk County Utilities Standards and Specifications Manual Section 113 for information regarding how to apply for approval and inclusion in the established standards. The Standards and Specifications Manual is available at https://www.polk-county.net/utilities/utilities-code.

Registration

The Successful Bidder must register in our Vendor Database if you have not already done so prior to the award of this bid. A purchase order cannot be issued to a vendor until they are registered. You may register at the following link: https://www.polk-county.net/procurement/vendor-registration.

SUPPLEMENTAL CONDITIONS-FEDERAL CLAUSES

The County has been awarded and received American Rescue Plan Act, State and Local Fiscal Recovery Funds ("SLFRF") for the services to be provided under the Agreement from the U.S. Department of Treasury. In accordance with the federal procurement standards at 2 C.F.R. sections 200.317 through 200.327 the following clauses are incorporated in this RFP, any resulting award with the prime Contractor, and any resulting contracts between the prime Contractor and sub-contractors and material suppliers. The following conditions are supplemental to the General Terms and Conditions. Where there is conflict, these Supplemental Conditions prevail unless the General Terms and Conditions are stricter.

1. **Equal Employment Opportunity**.

During the performance of this Contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

(3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract/Purchase Order or with any of the said rules, regulations, or orders, this contract/Purchase Order may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

2. **Contract Work Hours and Safety Standards Act**.

(1) Overtime requirements. Neither the Contractor, nor any subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work

in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. the U.S. Department of Treasury, the applicable Federal agency, or Polk County as the recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such contract or any other Federal contract with the same prime Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

3. **Clean Air Act and the Federal Water Pollution Control Act**.

Clean Air Act

(1) The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

(2) The Contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the U.S. Department of Treasury and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by the U.S. Department of Treasury .

Federal Water Pollution Control Act

(1) The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

(2) The Contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure

notification to the U.S Department of Treasury, and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by the U.S. Department of Treasury.

4. **Debarment and Suspension. (Exhibit XXII)**

(1) This Contract/Purchase Order is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the Contractor is required to verify that none of the Contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

(2) The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by Polk County. If it is later determined that the Contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the U.S. Department of Treasury and the County. The Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract or purchase order that may arise from this offer. The bidder further agrees to include a provision requiring such compliance in its lower tier covered transactions.

5. **Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)**

Contractors who apply or bid for an award of $100,000 or more shall file the required certification (attached hereto as Exhibit "B"). Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

6. **Procurement of Recovered Materials.**

(1) In the performance of this Contract/Purchase Order, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—

(i) Competitively within a timeframe providing for compliance with the contract performance schedule;

(ii) Meeting contract performance requirements; or

(iii) At a reasonable price.

(2) Information about this requirement, along with the list of EPA-designate items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program ."

7. **Domestic Preference**

In accordance with 2 CFR §200.322, to the greatest extent practicable under a Federal award, the County must provide a preference for the purchase acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award. For purposes of this section:

(1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

(2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

8. **Affirmative Action.**

In accordance with 2 CFR §200.321, the County is committed to taking all necessary steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. The Contractor shall also take such affirmative steps in the selection of its subcontractors, laborers and materialmen. Affirmative steps include:

(1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

(4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and

(5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

9. **Access to Records**. The following access to records requirements apply to this Contract and any Purchase Order issued hereunder:

(1) The Contractor agrees to provide Polk County and the U.S. Department of Treasury, or any of their authorized representatives, including but not limited to the Government Accountability Office ("GOA"), Treasury's Office of Inspector General ("OIG"), and the Pandemic Relief Accountability Committee ("PRAC"), access to any books, documents, papers, and records of the Contractor which are directly pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions.

(2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(3) The Contractor agrees to provide the U.S. Department of Treasury or their authorized representatives access to construction or other work sites pertaining to the work being completed under the applicable Purchase Order."

10. **USDT Seal, Logo, and Flags**. The Contractor shall not use the USDT seal(s), logos, crests, or reproductions of flags or likenesses of USDT agency officials without specific USDT pre- approval.

11. **Compliance with Federal Law, Regulations, and Executive Orders**. This is an acknowledgement that U.S. Department of Treasury American Rescue Plan financial assistance will be used to fund the Contract only. The Contractor will comply will all applicable federal law, regulations, executive orders, policies, procedures, and directives.

12. **No Obligation by Federal Government.** The Federal Government is not a party to this Purchase Order and is not subject to any obligations or liabilities to the non-Federal entity, Contractor, or any other party pertaining to any matter resulting from this Purchase Order.

13. **Program Fraud and False or Fraudulent Statements or Related Acts.**

The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Purchase Order.

14. **Default and Remedy**.

Process. If the Contractor materially defaults in the timely performance of any Contract obligation, or if the Contractor is otherwise in material default of the Contract, including, without limitation, the Contractor's failure to timely deliver any portion, or the entirety, of the Project Work in accordance with the Contract documents, then the County shall have the right to (i) with or without terminating the Contract, immediately call in any bonds or other form of security, and engage other contractors or providers at the Contractor's sole cost and expense to provide those unperformed or deficient Contract obligations of the Contractor; (ii) set-off the monetary amount of any and all damages arising therefrom, whether direct or indirect, actual or liquidated, from the amounts due Contractor pursuant to the Contract documents, (iii) immediately terminate the Contract by delivering written notice to the Contractor, and (iv) pursue any and all remedies available in law, equity, and under the Contract, including, without limitation, the recovery of any increased cost to the County to complete the Project Work due to the loss of American Rescue Plan funding caused, directly or indirectly, by the Contractor's delay. Upon any such termination pursuant to this Section, the County shall pay the Contractor the full amount due and owing for all services properly performed through the date of the Contract termination, less any amount subject to the County's right of set-off, and all liability of the County to the Contractor shall cease.

Certain Material Defaults. Among other matters, including without limitation, the Contractor's failure to timely deliver any portion, or the entirety, of the Project Work in accordance with the Contract documents, as described immediately above, any of the following shall constitute the Contractor's material default of the Contract: the appointment of a receiver to take possession of all or substantially all of the Contractor's assets, a general assignment by the Contractor for the benefit of creditors, or any action taken by or suffered by Contractor under any insolvency or bankruptcy act; or the Contractor is convicted of a public entity crime, is determined to have violated federal or state law prohibiting discrimination as stated in Section 287.134, Florida Statutes, or is prohibited from performing work for or transacting business with the County pursuant to Section 287.133 or to Section 287.134, Florida Statutes; or an assignment of the Contract made without the express written consent of the County; or the submission of a false certification to the County or engagement in prohibited business operations, both as described in the Contract Documents.

SPECIAL CONDITIONS

The County reserves the right to direct purchase any tangible personal property item of the bid in order to save the sales tax on the selected item, which may include equipment, materials, and supplies that are components of a construction bid, but generally will purchase only major items. When the County exercises this option the following procedures shall be used for ordering, receiving, and paying for the Owner Direct Purchase (ODP) item.

BID PRICES: The bid must include the appropriate Florida State sales tax for all components of the bid that makes up the lump sum amount submitted.

ORDERING: The items selected would be purchased directly from the suppliers the contractor used to submit their bid to the County and therefore made a part of the construction contract executed with the County.

The Contractor shall fully cooperate with the County, providing information for the preparation of County issued purchase orders for these ODP's, monitoring deliveries, and approving invoices.

Following receipt of a sales tax savings form, the Contractors requisition from the supplier and the suppliers quote to the Contractor, the County will issue a purchase order to the supplier for the item selected for ODP to be delivered to the project site. The approved purchase order will be sent to the supplier and the Contractor. The Contractor shall verify that the purchase order was issued correctly. A separate sales tax savings form and a separate purchase order shall be used for each item selected for ODP.

After the County has affirmed that the items contained in the purchase order meets the exemption requirements contained in Section 212.08(6), Florida Statute, and Rule 12A-1.094, Florida Administration Code, the County will issue a Certificate of Entitlement. A Certificate of Entitlement will be issued with each purchase order for each ODP. The original Certificate of Entitlement accompanied by the County approved purchase order, the Contractors requisition to the supplier and the suppliers quote for the selected ODP item will be placed on file with the Florida Department of Revenue. The Contractor and supplier will be issued copies from the County.

EXPEDITING: The Contractor shall be responsible for expediting delivery to ensure that ODP item(s) is received on time to maintain the construction schedule.

RECEIPT: The Contractor shall sign for and receive all materials; and retain packing slips and delivery tickets for all materials delivered for the project. The Contractor shall be responsible for receiving, warranting, insuring the proper installation and operation of all materials and equipment required for the project, including all ODP items.

BILLINGS/PAYMENTS: All ODP's shall be billed to the County in care of the Contractor.

The Contractor shall check all invoices for accuracy and completeness when received. The Contractor shall be responsible for immediately notifying the supplier of any billing errors and requesting corrected invoices as necessary.

Receipts and invoices must be processed in a timely manner in order to take advantage of any discount payment terms and all discounts shall accrue to the County.

The Contractor shall prepare a direct purchase report for the County upon submittal of each pay request.

OTHER CONSIDERATIONS: The County shall have title to all items of which any payment has been made under these provisions.

The selection of ODP for any item contained within the bid does not relieve the Contractor from liability for that item as it may be related to the quantity ordered, condition, the maintenance and care of the item when delivered, installation, incorporation of the item for its intended use in the work to be performed, and warranty of the item in accordance with the contract documents. The Contractor shall maintain products liability insurance, which shall include ODP items, as required for the normal practice of general contracting.

The County shall have access to all necessary records in order to conduct audits to determine the correctness and accuracy of any item purchased in accordance with these provisions.

REDUCTION: The Contract will be reduced via deductive change order by the amount of all items selected by the County for the ODP's. The deductive change order will require Division Director Approval.

SALES TAX SAVINGS FORM

CONTRACT # _____

DESCRIPTION OF PROJECT _____

Materials	(1) Amt. in Contract	(2) Sales Tax	(3) Net Amt. for Purchase

1) This is the amount to be deducted from contract by change order.

2) The amount of the sales tax included in the material purchase line item supplied by contractor.

3) The amount to be used by Procurement to make the material purchase per the contractor's stated quantities.

Part C – BID SHEETS AND ACKNOWLEDGEMENT FORM (Unit Price)

NAME OF PROJECT: BID 23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station.

The undersigned, as Bidder, hereby declares that the only person or persons interested in the Bid Submittal as principal or principals is or are named herein and that no other person that herein mentioned has any interest in this Submittal or in the Contract to be entered into; that this Submittal is made without any connection with any other person, company or parties making a Bid Submittal; and that the Submittal is, in all respects, fair and made in good faith, without collusion or fraud.

The bidder further declares that they have examined the site of the Work and informed themselves fully in regard to all conditions pertaining to the place where the work is to be done; that they have examined the Plans and Specifications for Work and Contractual Documents relative thereto; that they have read all special provisions furnished prior to the opening of Bids; and that they have satisfied themselves relative to the work to be performed.

The Bidder proposes and agrees, if this Bid Submittal is accepted, to contract with the County in the form of Contract specified; and to furnish all necessary materials, equipment, machinery, tools, apparatus, means of transportation and labor necessary to complete the Work.

NOTES:

1. Write in the dollar amount of the bond which must be at least five percent (5%) of the amount Bid included in the Submittal.

2. All bonds signed by an agent must be accompanied by a certified copy of such agent's authority to act.

Attorneys-in-fact who sign Bid Bonds or Contract Bonds must file with each bond a certified and effectively dated copy of their power of attorney.

EXHIBIT II: PERFORMANCE BOND

FRONT PAGE
F.S. CHAPTER 255.05

BOND NO.:	_____
CONTRACTOR NAME:	_____
CONTRACTOR ADDRESS:	_____
CONTRACTOR PHONE NO:	_____
SURETY COMPANY:	_____
	_____
	_____
OWNER NAME: OWNER ADDRESS: OWNER PHONE NO:	Polk County, a political subdivision of the State of Florida 330 W. Church St Bartow, FL 33830 (863) 534-6757
OBLIGEE NAME: (if contracting entity is different from the owner, the contracting public entity)	_____
OBLIGEE ADDRESS:	_____
OBLIGEE PHONE NO:	_____
BOND AMOUNT:	$_____
CONTRACT NUMBER:	_____
GENERAL DESCRIPTION OF PROJECT:	Furnish all labor, materials, supervision, and equipment necessary to perform all operations required for the demolition of existing equipment, piping, and hydropneumatics tank, and the construction of new a 1.0-million-gallon ground storage reservoir, two new high service pumps, two new jockey pumps, one new vertical turbine well pump, flow meter and control valve station and other items located in the Northeast Regional Utility Service Area (NERUSA).
PROJECT LOCATION:	The project is located at 428 Sardinia Circle, Davenport, Florida 33837.

EXHIBIT II (cont'd): PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS: That _____, as Principal, and _____, as Surety, located at _____ (Business Address) are held and firmly bound unto Polk County, a political subdivision of the State of Florida, as Obligee, in the sum of Dollars ($_____) in lawful currency of the United States, for the payment whereof we bind ourselves, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS BOND is that if the Principal:

1. Promptly, faithfully, efficiently and fully performs all work, services, duties and obligations set forth and described in that certain purchase order dated _____, 20___ (the "Purchase Order") between Principal and Obligee for performance of all operations required for the proper rehabilitation of Cured-In-Place (CIPP) lining and installation of approximately 1,400 liner feet of 8-inch gravity sewer pipes, at the times and in the manner proscribed in the Purchase Order; and
2. Pays Obligee all losses, damages (liquidated or actual), expenses, costs, and attorney's fees, including, without limitation, costs and attorney's fees on appeal, that Obligee sustains resulting directly or indirectly from any breach or default by Principal under the Purchase Order; and
3. Performs the guarantee of all work and materials furnished under the Purchase Order for the time specified therein; and
4. Satisfies all claims and demands incurred under the Purchase Order, and fully indemnifies and holds harmless the Obligee from all costs and damages which it may suffer by reason or failure to do so;

then the Surety shall have no obligation under this Performance Bond.

In the event that the Principal shall fail to perform any of the terms, covenants and conditions of the Purchase Order during the period in which this Performance Bond is in effect, the Surety shall remain liable to the Obligee for all such loss or damage (including reasonable attorney's fees and costs and attorney's fees on appeal) resulting from any failure to perform up to the amount of the sum stated above.

In the event that the Surety fails to fulfill its obligations under this Performance Bond, then the Surety shall also indemnify and hold the Obligee harmless from any and all loss, damage, cost and expense, including reasonable attorney's fees and costs for all trial and appellate proceedings, resulting directly or indirectly from the Surety's failure to fulfill its obligations hereunder. This paragraph shall survive the termination or cancellation of this Performance Bond.

The Surety, for value received, hereby stipulates and agrees that its obligations hereunder shall be direct and immediate and not conditional or contingent upon the Obligee's pursuit of its remedies against Principal, shall remain in full force and effect

notwithstanding (i) amendments or modifications to the Purchase Order entered into by Obligee and Principal without the Surety's knowledge or consent (ii) waivers of compliance with or any default under the Purchase Order granted by Obligee to Principal without the Surety's knowledge or consent, or (iii) the discharge of Principal from its obligations under the Purchase Order as a result of any proceeding initiated under the Bankruptcy code of 1978, as the same may be amended, or any similar state or federal law, or any limitation of the liability or Principal or its estate as a result of any proceeding.

Any changes in or under the Purchase Order and compliance or non-compliance with any formalities connected with the Purchase Order or the changes shall not affect Surety's obligation under this Performance Bond. The Principal shall notify the Surety of all such changes.

Reference is hereby made to Section 255.05, Florida Statutes, and to the notice and time limitation provisions thereof.

IN WITNESS WHEREOF, this instrument is executed this _____ day of _____, 20__.

NOTE: Date of the Performance Bond must not be prior to date of Purchase Order. If Contractor is Partnership, all partners should execute Bond.

Important: Surety companies executing Bonds must appear on the Treasury Department's most current list (Circular 570 as amended) and be authorized to transaction business in the State of Florida. Attach a certified copy of Power-of-Attorney appointing individual Attorney-in-Fact for execution of Performance Bond on behalf of Surety.

EXHIBIT III: PAYMENT BOND

KNOW ALL MEN BY THESE PRESENTS: That _____, as Principal, and _____, as Surety, located at _____ _____ (Business Address) are held and firmly bound unto Polk County, a political subdivision of the State of Florida, as Obligee in the sum of _____ Dollars ($_____) in lawful currency of the United States, for the payment whereof we bind ourselves, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS BOND is that if the Principal:

1. Promptly makes payments to all claimants, as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials, or supplies, used directly or indirectly by Principal in the prosecution of the work provided under and in accordance with that certain purchase order dated _____, 20__ (the "Purchase Order") between Principal and Obligee for; _____.

then the Surety shall have no obligation under this Payment Bond.

Any action instituted by a claimant under this bond for payment must be in accordance with the notice and time limitation provisions in Section 255.05(2), Florida Statutes.

In the event that the Principal shall fail to promptly make payment to any claimant as described above during the period in which this Payment Bond is in effect, the Surety shall remain liable to the Obligee for all such loss or damage (including reasonable attorney's fees and costs and attorney's fees on appeal) resulting from any such failure up to the amount of the sum stated above.

In the event that the Surety fails to fulfill its obligations under this Payment Bond, then the Surety shall also indemnify and hold the Obligee harmless from any and all loss, damage, cost and expense, including reasonable attorney's fees and costs for all trial and appellate proceedings, resulting directly or indirectly from the Surety's failure to fulfill its obligations hereunder. This paragraph shall survive the termination or cancellation of this Payment Bond.

The Surety, for value received, hereby stipulates and agrees that its obligations hereunder shall be direct and immediate and not conditional or contingent upon the Obligee's pursuit of its remedies against Principal, shall remain in full force and effect notwithstanding (i) amendments or modifications to the Purchase Order entered into by Obligee and Principal without the Surety's knowledge or consent (ii) waivers of compliance with or any default under the Purchase Order granted by Obligee to Principal without the Surety's knowledge or consent, or (iii) the discharge of Principal from its obligations under the Purchase Order as a result of any proceeding initiated under the Bankruptcy code of 1978, as the same may be amended, or any similar state or federal law, or any limitation of the liability or Principal or its estate as a result of any proceeding.

Any changes in or under the Purchase Order and compliance or non-compliance with any formalities connected with the Purchase Order or the changes does not affect Surety's obligation under this Payment Bond. The Principal shall notify the Surety of all such changes.

Reference is hereby made to Section 255.05, Florida Statutes, and to the notice and time limitation provisions thereof.

EXHIBIT VI: AFFIDAVIT OF PERCENTAGE OF WORK

Bid # 23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station

By signing below, the bidder:

- Is certifying that they will be performing, with their own organization, the percentage of work required under the Supplemental Conditions of the contract documents for Bid # _____
- Understands that during Bid Analysis they will be required to submit a spreadsheet (Exhibit VI-A) listing the complete breakdown of the bid price submitted by area of work. The list must include the division of work being performed, the name of the contractor performing that area of work, the WMBE classification of the contractor, the dollar amount of the work, and the percentage of the total bid price for each division of work. An updated copy will be required at contract close-out, detailing exact dollar figures paid to each subcontractor performing work under this contract.
- Acknowledges that no changes to sub-contractors used will be allowed after submittal unless otherwise approved by the Procurement Director. Any prime contractor that defaults on this requirement may be suspended as allowed within the Procurement Procedures.
- If the percentage of work proposed to be completed by the prime is not equal to, or more than, the amount required, the bid will be considered to be non-responsive.

Bidder must sign and have notarized:

The undersigned Bidder hereby certifies that they fully understand the provisions as stated above and will comply.

EXHIBIT VII: TRENCH SAFETY ACT COMPLIANCE

General:

1. The Contractor shall comply with the Florida Trench Safety Act (90-96), Laws of FL.) Effective October 1, 1990.

2. The Contractor(s) performing trench safety excavation on this Contract shall comply with the Occupational Safety and Health Administration's (OSHA) trench excavation safety standards, 29 CFR's 1926.650, Subpart P, including all subsequent revisions or updates to these standards as adopted by the Department of Labor and Employment Security (DLES).

3. By submission of his bid and subsequent execution of this Contract, the Contractor certifies that all trench excavation done within his control shall be accomplished in strict adherence with OSHA trench safety standards contacted 29 CFR's 1926.650, Subpart P, including all subsequent revisions or updates to these standards as adopted by the Department of Labor and Employment Security.

4. The Contractor also agrees that he has obtained or will obtain identical certification from his proposed Subcontractors that will perform trench excavation prior to award of the subcontracts and that he will retain such certifications in his files for a period of not less than three years following final acceptance.

5. The Contractor shall consider all available geotechnical information in his design of the trench excavation safety system.

6. Inspections may be conducted by the County and the County's Safety Officer. Serious deficiencies will be corrected on the spot or the job may be closed. Imminent danger citing will result in the immediate cessation of work. Work will resume when the danger is corrected.

7. Bidder acknowledges that included in the various items of the proposal and in the Total Bid Price are costs for complying with the Florida Trench Safety Act (90-96), Laws of FL) effective October 1, 1990. The bidder further identifies the costs to be summarized as follows:

Trench Safety Measure (Description)	Units of Measure (LF, SY)	Unit (QTY)	Unit Cost	Extended Cost
A. _____	_____	_____	$_____	$
B. _____	_____	_____	$_____	$
C. _____	_____	_____	$_____	$
D. _____	_____	_____	$_____	$
			Total	$

Failure to complete the above may result in the bid being declared non-responsive.

EXHIBIT VIII: EQUAL EMPLOYMENT OPPORTUNITY

Polk County, a political subdivision of the State of Florida (County), is an Equal Opportunity/Affirmative Action Employer.

Pursuant to Executive Order 11246 as amended, you are advised that under the provisions of government contracting, contractors and subcontractors are obliged to take affirmative action to provide equal employment opportunity without regard to race, creed, color, national origin, age or sex.

We are committed to equal opportunity employment effort and expect firms that do business with the County to have a vigorous affirmative action program.

CERTIFICATION BY PROPOSED PRIME OR SUBCONTRACTOR REGARDING EQUAL EMPLOYMENT OPPORTUNITY

This certification is authorized pursuant to Executive Order 11246, Part II, Section 203(b), (30 F.R. 12319-15). Any Bidder or prospective contractor, or any of the proposed subcontractors, shall state as an initial part of the Bid or negotiations of the Contract whether it has participated in any previous Contract or subcontract to the equal opportunity clause; and, if so, whether it has filed all compliance reports due under applicable instructions.

Where the certification indicated that the prime or subcontractor has not filed a compliance report due under applicable instruction, such Contractor shall be required to submit a compliance report.

Contractor's Name: _____

Address: _____

_____

1. Bidder has participated in a previous contract or subcontract, subject to the Equal Opportunity Clause:
   YES_____ NO____
2. Compliance Reports were required to be filed in connection with such Contract or subcontract:
   YES____ NO___
3. Bidder has filed all compliance reports due under applicable instructions:
   YES_____ NO_____
4. If answer to Item 3 is No, please explain in detail on reverse side of this certification.
   YES_____ NO____

The Bidder certifies that they do not maintain or provide for their employees any segregated facilities at any of their establishments, and that they do not permit their employees to perform their services at any location under their control where segregated facilities are maintained. The Bidder certifies further that they will not maintain or provide for their employees any segregated facilities at any of their establishments, and that they will not permit their employees to perform their services at any location under their control where segregated facilities are maintained. The Bidder agrees that a breach of this certification will be a violation of the Equal Opportunity clause in any contract resulting from acceptance of this Bid. As used in this certification, the term (segregated facilities" means any waiting rooms, work areas, restrooms, washrooms, restaurants, other eating areas, time clocks, locker rooms, storage areas, dressing areas, parking lots, drinking fountains, recreation/entertainment areas, transportation and housing facilities provided for employees which are segregate by explicit directive or are, in fact, segregated on the basis of race, color, religion or national origin, because of habit, local custom or otherwise. The Bidder agrees that (except where they have obtained identical certification from proposed subcontractors for specific time periods) they will obtain identical certification from proposed Subcontractors prior to the award of subcontracts exceeding $10,000 which are not exempt from the provision of the Equal Opportunity clause; and that they will retain such certifications in their files.

Certification – The information above is true and complete to the best of my knowledge and belief. (A willfully false statement is punishable by law – U.S. Code, Title 18, Section 1001.)

EXHIBIT IX: DRUG-FREE WORKPLACE FORM

The undersigned Bidder in accordance with Florida Statute 287.087 hereby certifies that _____ does:
(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs; and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (a).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 1892 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on or require the satisfactory participation in a drug abuse assistance or rehabilitation program, if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

Instructions:

1. Attach a copy of each good cause notification referenced above that has been sent to each Subcontractor and Supplier listed on this Certification.

2. Attach a list of all Subcontractors and Suppliers that have not yet been paid their proportionate share of any other progress payments previously received by the Contractor stating the date the Contractor first reported the nonpayment and the status of resolving the payment issue.

3. To be acceptable, this Certification must be executed by an officer or director with the authority to bind the Contractor and must be properly notarized.

4. This Certification must be submitted to the Professional with the Application for Payment for the requested Progress Payment.

5. A separate Certification is required for each Contract the Contractor has with the County.

EXHIBIT XIII: CERTIFICATE OF SUBSTANTIAL COMPLETION

Project: Jordan's Grove Ground Storage Reservoir & High Service Pump Station

County's Project No.: 6802039

Contractor No.: _____

Contract Date: _____

Notice to Proceed Date: _____

Completion Date: _____

The Work to which this Certificate applies has been inspected by the authorized representatives of Polk County, a political subdivision of the State of Florida (County), Contractor and Professional, and that Work is hereby declared to be substantially complete in accordance with the Contract Documents on _____.This Certificate of Substantial Completion applies to all Work or a specified portion thereof under the Contract Documents. The warranty period shall begin on the date as established herein.

A list of items to be completed and corrected is attached hereto for final completion of Contract requirements. This list may not be all-inclusive; and the failure to include an item on it does not alter the responsibility of the Contractor to complete all the Work in accordance with the Contract Documents. The items on the list shall be completed or corrected by the Contractor within _____ calendar days of the above date of substantial completion.

This Certificate does not constitute an acceptance of the Work that has not been completed in accordance with the Contract Documents; nor is it a release of Contractor's obligations to complete the Work in accordance with the Contract Documents. Signatories agree the project is substantially complete as of the date established herein and that the project can and will function as intended and that the attached list represents deficient items requiring correction/completion prior to final completion and that this list may be amended by the Professional or County to add any other items to bring the Work in compliance with the Contract Documents. If the list is amended a reasonable time shall be given to complete the items added.

EXHIBIT XXI: SCRUTINIZED COMPANIES CERTIFICATION FORM

Florida Statutes, Section 287.135)

SOLICITATION NO.: Bid: 23-514

PROJECT NAME: Jordan's Grove Ground Storage Reservoir & High Service Pump Station

The undersigned, as _____ of _____(the "Contractor"), a Florida corporation, hereby certifies the following to Polk County, a political subdivision of the State of Florida, by and on behalf of the Contractor in accordance with the requirements of Section 287.135, Florida Statutes:

i. The Contractor is not on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, nor is the Contractor engaged in a boycott of Israel, nor was the Contractor on such List or engaged in such a boycott at the time it submitted its bid to the County with respect to the Contract.

ii. Additionally, if the value of the goods or services acquired under the Contract are greater than or equal to One Million Dollars ($1,000,000), then the Contractor further certifies to the County as follows:
   a. the Contractor is not on the Scrutinized Companies with Activities in Sudan List, created pursuant to Section 215.473, Florida Statutes; and
   b. the Contractor is not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to Section 215.473, Florida Statutes; and
   c. the Contractor is not engaged in business operations (as that term is defined in Florida Statutes, Section 287.135) in Cuba or Syria; and
   d. the Contractor was not on any of the Lists referenced in this subsection (ii), nor engaged in business operations in Cuba or Syria when it submitted its bid to the County with respect to the Contract.

iii. The Contractor is fully aware of the penalties that may be imposed upon the Contractor for submitting a false certification to the County regarding the foregoing matters.

iv. The Contractor hereby acknowledges that, in addition to any other termination rights stated in the Contract, the County may immediately terminate the Contract upon the occurrence of any of the following events:
   a. the Contractor is found to have submitted a false certification to the County with respect to any of the matters set forth in subsection (i) above, or the Contractor is found to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel; or
   b. the Contractor is found to have submitted a false certification to the County with respect to any of the matters set forth in subsection (ii) above, or the Contractor is found to have been placed on the Scrutinized

Companies with Activities in Sudan List, or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria, and the value of the goods or services acquired under this Contract are greater than or equal to One Million Dollars ($1,000,000).

EXHIBIT XXII: EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY) CERTIFICATION

(Florida Statutes, Section 448.095)

Bid 23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station

The undersigned, as an authorized officer of the Contractor identified below (the "**Contractor**"), having full knowledge of the statements contained herein, hereby certifies to Polk County, a political subdivision of the State of Florida (the "**County**"), by and on behalf of the Contractor in accordance with the requirements of Section 448.095, Florida Statutes, as related to the contract entered into by and between the Contractor and the County on or about the date hereof, whereby the Contractor will provide labor, supplies, or services to the County in exchange for salary, wages, or other remuneration (the "**Contract**"), as follows:

1. Unless otherwise defined herein, terms used in this Certification which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

2. Pursuant to Section 448.095(5), Florida Statutes, the Contractor, and any subcontractor under the Contract, must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor or subcontractor. The Contractor acknowledges and agrees that (i) the County and the Contractor may not enter into the Contract, and the Contractor may not enter into any subcontracts thereunder, unless each party to the Contract, and each party to any subcontracts thereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of the Contract, and the County may treat a failure to comply as a material breach of the Contract.

3. By entering into the Contract, the Contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the Contract. Failure to comply will lead to termination of the Contract, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If the Contract is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If the Contract is terminated for a violation of Section 448.095, Fla. Stat., by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the County as a result of the termination of the Contract. Nothing in this Certification shall be construed to allow intentional discrimination of any class protected by law.

EXHIBIT XXIII: CERTIFICATIONS REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT, AND OTHER RESPONSIBILITY MATTERS

For all awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities, the Offeror must complete and sign the following:

The Offeror certifies, to the best of its knowledge and belief, that-

(1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

(2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by Polk County, a political subdivision of the State of Florida (the "County"). If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Florida Division Emergency Management, the County, and the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder further agrees to include a provision requiring such compliance in its lower tier covered transactions.

EXHIBIT XXIV: APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

(To be submitted with each bid or offer exceeding $100,000)

The undersigned _____certifies, to the best of his or her knowledge, that: (Contractor)

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

PART E –CONTRACT

This Contract is entered into as of the Effective Date (defined as the date approved by the Board and executed by the Chairman) between Polk County, a political subdivision of the State of Florida, hereinafter known as the "County", and _____ their successors, executors, administrators and assigns, hereinafter referred to as the "Contractor".

WITNESSETH: Whereas the Contractor agrees with the County, for the consideration herein mentioned, and at their own proper cost and expense, to perform all the Work and furnish all the material, equipment, supplies and labor necessary to carry out this agreement in the manner and to the fullest extent as set forth in the attached Bid documents, being hereby made as such a binding part of this Contract as if written word for word herein, and whereas the Contractor has furnished satisfactory Bond and has complied with insurance requirements of the Specifications in Bid #:23-514, Jordan's Grove Ground Storage Reservoir & High Service Pump Station.

NOW THEREFORE, the County and the Contractor do hereby agree as follows:

Article 1. Scope of Work: The Contractor shall perform in accordance with the attached Bid Documents, all the items of Work at the unit prices or lump sum price as listed in the Contractor's Bid Submittal.

Article 2. Contract Price: The Contract price includes the total bid price of $_____ plus the Allowance Work amount of $_____ the total sum being $_____. This total contract price shall be reduced by the unused amount of the allowance, if such Work is not completed.

Article 3. Plans and Specifications: The plans and specifications, and other Bid Documents upon which the unit or lump sum prices in the Contractor's Bid Submittal are based, are hereby made a part of this Contract by reference thereto; and are hereby attached hereto.

Article 4 Time of Beginning and Completion: The Contractor agrees to begin Work within 10 calendar days after issuance of a Notice to Proceed by the Procurement Division. The Contractor will complete all Work necessary to reach Beneficial

Occupancy within 335 calendar days from the Start Date memorialized within the Notice to Proceed. The Certificate of Substantial Completion shall be executed once Beneficial Occupancy has been reached. The County and the Contractor agree the balance of all Work to be performed after execution of the Certificate of Substantial Completion shall be complete within 30 days from the date noted on the Certificate of Substantial Completion and shall be evidenced by execution of the Certificate of Final Completion. The Certificate of Final Completion shall be executed by both parties once all Work has been performed and all close out paperwork submitted and processed by the County. Total days for this project are 365 days. The allowance time for this project is 27 days.

Article 5. Payment for Quantities: Payment for those items requiring payment on a unit price basis will be made for the actual unit quantities, as provided for in the Technical Specifications.

Article 6. Partial Payments: Payment will be made to the Contractor for the Contract Work actually performed by the Contractor (during the previous calendar month) and approved by the County subject, however, to retention by the County of an amount equal to five percent (5%) of the payment in accordance with F. S. 218.735.

Article 7. Final Acceptance and Payment: Upon completion of the Work or as soon thereafter as practicable, the County and Professional shall make a final inspection and, if appropriate, acceptance of the Work, after which Contractor shall prepare a final estimate of all Work completed under this Contract. Payment therefore of the balance due shall be made in accordance with the Contract provisions. Payment on the final estimate shall include the full amount for the Work completed, based on the unit prices or lump sum of this Contract, subject, however, to the deduction of any payments already made under this Contract to the Contractor.

Article 8. Contract Documents: The Contractor and Polk County Procurement shall each obtain a photocopy of this Contract once it is executed. This original Contract shall be retained by the Clerk of Courts, County Comptroller once it is executed.

IN WITNESS THEREOF, the parties hereto have executed this Contract.

Policy 6.a: Budget/Procurement	Policy 6.b: County Management/Designee
(Date)	(Date)

6. **Amending the Adopted CIP** - Circumstances may arise during the fiscal year which makes it necessary to amend the Adopted CIP. Since many of the County's CIP projects span multiple years and funding sources, the Board

considers certain variances of estimates to be reasonable and not require BoCC approval. The CIP may be amended as follows:

a. The Budget and Procurement Director or designee may administratively approve changes to the funding source of a project, as long as the total project budget does not change.

b. The County Manager or designee may approve project budget increases or decreases, which are less than 5% of the total project budget or $250,000 (whichever is less). Multiple amendments to the same project can be approved by the County Manager if the total is under 5% or $250,000.

Polk County

Board of County Commissioners

Agenda Item H.3. 11/7/2023

SUBJECT

Approve Infrastructure Agreement with Pulte Home Company, LLC, (developer) for Wastewater Improvements serving Belle Haven ($497,471.00 not-to-exceed cost).

DESCRIPTION

The developer has constructed a 183-unit single family home and 170-unit townhome Belle Haven development near the intersection of US Hwy 27. and Dunson Road. Wastewater service is provided to the development by Polk County Utilities (PCU). Additional development is ongoing in the area near the proposed development which will also rely on PCU for wastewater service.

To support future growth in the area and limit the number of crossings in Department of Transportation Right of Way, PCU requested the developer upsize a lift station and force main from the 8-foot diameter lift station and 6-inch force main required for the proposed development to a 12-foot diameter lift station and 10-inch force main. The 12-foot diameter lift station and 10-inch force main will provide wastewater capacity for the Belle Haven project and 3 additional apartment complexes while maintaining a single crossing in the US Hwy 27 Department of Transportation Right of Way. This agreement provides for the reimbursement associated with upsizing the lift station and force main of the proposed development to serve regional needs within the US Highway 27 and Dunson Road region.

RECOMMENDATION

Request approval of the Infrastructure Agreement with Pulte Home Company, LLC, (developer) for Wastewater Improvements in Belle Haven Planned Development at a cost not-to-exceed $497,471.00.

FISCAL IMPACT

Funding in the amount of $497,471.00 is available in the Utilities Expansion CIP Miscellaneous Developers Agreement Project Budget.

INFRASTRUCTURE AGREEMENT
FOR WASTEWATER IMPROVEMENTS IN
BELLE HAVEN PLANNED DEVELOPMENT

This Infrastructure Agreement ("AGREEMENT") is made and executed as of the Effective Date (defined in Section 11 below) between Pulte Home Company, LLC, a Michigan limited liability company, whose address is 4901 Vineland Road, Suite 500, Orlando, Florida 32811 ("DEVELOPER") and Polk County, a political subdivision of the State of Florida, whose address is 330 West Church Street, Bartow, Florida 33831 ("POLK COUNTY"). DEVELOPER and POLK COUNTY are referred to herein individually as a "Party" and collectively as the "Parties".

WITNESSETH:

WHEREAS, the DEVELOPER is the owner and developer of the Belle Haven Project (the "Project") that is to be developed on real property (the "Property") described on the attached Exhibit "A" to this Agreement; and

WHEREAS, POLK COUNTY is the utility provider for wastewater services for the Project which is located in the POLK COUNTY Northeast Regional Utility Service Area; and

WHEREAS, the development of the Project will require a lift station, additional grading and earthwork and an increase in the size of the wastewater force main and wastewater gravity sewer main which will convey wastewater into the existing POLK COUNTY wastewater system; and

WHEREAS, POLK COUNTY desires to construct one regional wastewater lift station to develop a more efficient and cost-effective wastewater system in this Project; and

WHEREAS, POLK COUNTY has Community Improvement Program funds available to pay the projected cost to perform the additional grading and earthwork, upgrade the DEVELOPER's proposed supporting lift station to a regional wastewater lift station and to up-size the Force Main (hereafter defined) and Sewer Main (as hereafter defined) as depicted and described on Exhibit "B" attached hereto; and

NOW, THEREFORE, in consideration of mutual promises and other considerations contained herein, the Parties hereto agree as follows:

1. Recitals. The foregoing recitals are incorporated herein by reference as if recited in full and serve as a factual stipulation which is the basis for the AGREEMENT.

2. Project Description. The Project has been approved by POLK COUNTY to construct a maximum of 183 single family and 170 townhomes with associated subdivision improvements, including certain amenities, on the Property. The approved site construction plans for the Project are incorporated into this AGREEMENT by reference and require the DEVELOPER to construct and install certain supporting wastewater improvements.

3. Regional Lift Station. In lieu of constructing a lift station sufficient to support the approved Project as described in the documents identified in Section 6 below, POLK COUNTY has requested and the DEVELOPER has agreed to fund, design, permit and construct a regional wastewater lift station (the "Regional Lift Station") designed to accommodate wastewater flows from the surrounding undeveloped and/or developed areas in addition to the wastewater flows from Project. The amount of flow generated by future development of the surrounding area has been determined to be 129 gallons per minute (GPM). Accordingly, when designing, permitting and constructing the Regional Lift Station the DEVELOPER shall increase the size of the wet well diameter from the formerly planned 8 feet to 12 feet. The DEVELOPER shall warrant the Regional Lift Station in accordance with the applicable sections of the Polk County Utility Code.

The DEVELOPER shall dedicate and convey the parcel of the Property which is more specifically described and depicted on the attached Exhibit "B" to the Agreement for use as the Regional Lift Station (the "Regional Lift Station Parcel"). The DEVELOPER shall convey fee simple title of such Regional Lift Station Parcel at no cost to POLK COUNTY with a clear and marketable title. The conveyance shall be by a warranty deed, in the form shown on the attached Exhibit "C", and shall occur after the Regional Lift Station has been properly completed and permitted, and prior to any certificate of occupancy being issued by POLK COUNTY for the Project.

4. Force Main and Sewer Main. The DEVELOPER shall fund design, permit, and construct the following: (i) a 10-inch force main, rather than a 6-inch force main, from the Regional Lift Station, north along the roadway immediately to the west of the Regional Lift Station and turning west to the existing force main that discharges from Indigo at Champions Ridge Apartments private lift station (the "Force Main"); (ii) a 10-inch gravity sewer main, rather than an 8-inch gravity sewer main, from the Regional Lift Station north along the proposed roadway of the Project immediately to the east of the Regional Lift Station terminating in the SS-6 manhole on the approved plans (the "Sewer Main"), all as more particularly depicted on Exhibit "B" attached hereto, and (iii) a 4-inch force main from the existing force main from the Indigo at Champions

Ridge Apartments private lift station at the point of increase from 4-inch to 10-inch to manhole SS-6 as identified on the approved Project plans.

5. Earthwork. In connection with constructing the Regional Lift Station and Force Main and Sewer Main, POLK COUNTY has requested and the DEVELOPER has agreed to undertake certain additional grading and earthwork along the roadway immediately to the west of the Regional Lift Station as depicted on Exhibit "B" attached hereto (the "Earthwork"), the costs for which are described on Exhibit "D" attached hereto.

6. Construction. The DEVELOPER shall design, permit and construct the wastewater system improvements as described in Sections 3 and 4 above ("Wastewater System Improvements"), in accordance with Site Construction Plans approved by POLK COUNTY; and the Polk County Land Development Code and Utility Code. The site plans approved by POLK COUNTY are identified as Project No. LDRES-2021-6 and POLK COUNTY UTILITIES Project No. 2020.12.20.0 and are maintained in the Polk County Land Development Division. The Wastewater System Improvements shall also meet the applicable rules and regulations of the Florida Department of Environmental Protection.

7. Wastewater System Improvements. The DEVELOPER shall submit the necessary construction and financial information to ensure that these Wastewater System Improvements are properly constructed and that all contractors and subcontractors have been paid in full. The following written documentation shall be submitted to POLK COUNTY no later than 60 days after construction has been completed: (1) copies of field inspections, (2) Letter of Dedication, (3) Engineer of Record Certification, (4) Contractor's Certificate of Completion, (5) wastewater system Schedule of Values, (6) contractor invoices and payments, (7) Releases of Liens, and (8) Final Record Drawings that meet the Polk County Land Development Code and Utility Code; and the POLK COUNTY financial and accounting requirements. Upon receipt of all such documentation, POLK COUNTY shall have 30 days to review and determine whether the submitted documentation is complete, and if not, request any additional documentation that is needed. Once all required documents have been received the Wastewater System Improvements will be presented to the POLK COUNTY Board of Commissioners for acceptance and ownership.

8. Reimbursement. POLK COUNTY shall reimburse the DEVELOPER a sum not to exceed $497,471 for the DEVELOPER's actual costs incurred to construct the Wastewater System Improvements and Earthwork as noted on the attached Exhibit "D". The DEVELOPER shall be responsible for all other Wastewater System

Improvements and Earthwork costs. POLK COUNTY shall deliver the reimbursement payment to the DEVELOPER within 30 days after POLK COUNTY has accepted the Wastewater System Improvements as described in Section 7 above.

9. Notices. Whenever either Party desires to give notice to the other, it must be given by written notice delivered: (i) in person, (ii) via registered or certified United States mail, postage prepaid with return receipt requested, or (iii) via nationally recognized overnight delivery service, and addressed to the party for whom it is intended at the place last specified by each party. The place for giving notice shall remain such until it is changed by written notice delivered in compliance with the provisions of this Section 9. For the present, the parties designate the following as the respective places for giving of notice:

9.1. Notice to POLK COUNTY shall be:

Utilities Division Director
Utilities Division
1011 Jim Keene Blvd.
Winter Haven, FL 33880

with a copy to
County Attorney
330 West Church Street
Bartow, FL 33830

9.2 Notices to DEVELOPER shall be:

Pulte Home Company, LLC
4901 Vineland Road, Suite 500
Orlando, Florida 32811
Attn: Clint Ball, Division President, North Florida Division

Notices shall be effective upon receipt or upon refusal to accept receipt.

10. Effective Date. The Effective Date of this AGREEMENT shall be the date in which POLK COUNTY executes this AGREEMENT.

11. Expiration. This AGREEMENT shall terminate upon full completion of the following: POLK COUNTY accepts the Wastewater System Improvements for ownership; and the DEVELOPER has received the reimbursement payment for the Wastewater System Improvements.

12. Default and Remedy. If either Party materially defaults in its obligations under this AGREEMENT and fails to cure the same within thirty (30) days after the date the

Party receives written notice of the default from the other non-defaulting Party, then the non-defaulting Party shall have the right to (i) immediately terminate this AGREEMENT by delivering written notice to the materially defaulting Party, and (ii) pursue any and all remedies available in law, equity, and under this AGREEMENT.

13. Limitation of Liability. IN NO EVENT, SHALL POLK COUNTY BE LIABLE TO THE DEVELOPER FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE, INCLUDING LOSS OF PROFIT, WHETHER FORESEEABLE OR NOT, ARISING OUT OF OR RESULTING FROM THE NONPERFORMANCE OR BREACH OF THIS CONTRACT BY POLK COUNTY WHETHER BASED IN CONTRACT, COMMON LAW, WARRANTY, TORT, STRICT LIABILITY, CONTRIBUTION, INDEMNITY OR OTHERWISE.

14. Indemnity. The DEVELOPER shall indemnify, defend (by counsel reasonably acceptable to POLK COUNTY), protect and hold harmless POLK COUNTY and its officers, employees and agents from and against any and all claims, demands, actions, causes of action, suits, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including, without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals there from) arising out of or resulting from the design, permitting and construction of the Wastewater System Improvements that are caused in whole or in part by an act or omission of the DEVELOPER, its engineers, designers, contractors, subcontractors, material suppliers, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable. The foregoing indemnity shall (i) in no way cover any negligent acts, negligent omissions or negligent misrepresentations of POLK COUNTY, its officers, employees or agents, and (ii) not be applicable to claims and disputes arising from events occurring one or more years after conveyance of the Wastewater System Improvements to POLK COUNTY pursuant to the AGREEMENT. The provisions of this Section 14 shall survive the expiration or earlier termination of this AGREEMENT.

15. Insurance.

15.1 The DEVELOPER shall require its engineer (and other design professionals) who participate in the design, permitting and construction of the Wastewater System Improvements to acquire and maintain Professional Liability Insurance in the amount of $2,000,000.00 per occurrence, exclusive of defense costs, and the Commercial General Liability, Comprehensive Auto Liability, and Workers Compensation coverages stated in Section 15.2. below.

15.2 The DEVELOPER shall require its engineer (and other design professionals), general contractor, other contractors and subcontractors who participate in the design, permitting and construction of the Wastewater System Improvements to acquire and maintain the following types of insurance with at least the following minimum limits of liability:

Commercial General Liability:	$1,000,000.00 per occurrence
Comprehensive Automobile Liability	$1,000,000.00 per occurrence
Workers Compensation	Statutory Limits
Employers Liability	$1,000,000.00

15.3 All insurance must be provided by a carrier licensed to do business in the State of Florida having an A.M. Best rating of at least the "A" category and size category of VIII. POLK COUNTY shall be named as an additional insured on General Liability and Automobile Liability policies. The General Liability and Workers' Compensation policies shall contain a waiver of subrogation in favor of POLK COUNTY.

15.4 The DEVELOPER shall provide POLK COUNTY original Certificates of Insurance satisfactory to the COUNTY to evidence such coverage before any work commences. POLK COUNTY must be identified on the Certificates as follows: "Polk County, a political subdivision of the State of Florida."

16. Waiver. A waiver by either Party of any breach of this AGREEMENT shall not be binding upon the waiving Party unless such waiver is in writing. In the event of a written waiver, such a waiver shall not affect the waiving Party's rights with respect to any other or further breach of this AGREEMENT. The making or acceptance of a payment by either Party with the knowledge of the other party's existing default or breach of this AGREEMENT shall not waive such default or breach, or any subsequent default or breach of this AGREEMENT, and shall not be construed as doing so.

17. Attorneys' Fees and Costs. Each Party shall be responsible for its own legal and attorneys' fees, costs and expenses incurred in connection with any dispute or any litigation arising out of, or relating to this AGREEMENT, including attorneys' fees, costs, and expenses incurred for any appellate or bankruptcy proceedings.

18. Modification. This AGREEMENT may only be modified by a written amendment properly executed by the Parties. No oral modifications will be effective or binding.

19. Integration. This AGREEMENT sets forth the entire AGREEMENT between the Parties with respect to its subject matter and there are no promises or understandings other than those stated herein. This AGREEMENT supersedes all prior agreements, contracts, proposals, representations, negotiations, letters, or other communications between the Parties pertaining to the construction of the Wastewater System Improvements, whether written or oral.

20. Counterparts. This AGREEMENT may be executed in multiple counterparts each of which shall be an original, but which collectively shall form a single AGREEMENT.

21. Governing Law; Venue. This AGREEMENT shall be governed and interpreted in accordance with the laws of the State of Florida. Venue for any action relating to this AGREEMENT shall be the Tenth Judicial Circuit, Polk County, Florida.

22. Binding Effect; Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of all successors and assigns of the Parties.

23. Employment Eligibility; Verification (E-Verify).

23.1 Unless otherwise defined herein, terms used in this section, which are defined in Section 448.095, Florida Statutes, as amended from time to time, shall have the meaning ascribed in said statute.

23.2 Pursuant to Section 448.095(5), Florida Statutes, the Developer (as contractor hereto) and any subcontractor thereof must register with and use the E-Verify system to verify the work authorization status of all new employees of the contractor or subcontractor. The contractor acknowledges and agrees that: (i) POLK COUNTY and the contractor may not enter into the Agreement, and the contractor may not enter into any subcontracts hereunder, unless each party to this Agreement, and each party to any subcontract hereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of this Agreement, and POLK COUNTY may treat a failure to comply as a material breach of this Agreement.

23.3 By entering into this Agreement, the contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The contractor shall maintain a copy of such affidavit for the duration of the Agreement. Failure to comply will lead to termination of this Agreement, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If this Agreement is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If this Agreement is terminated for a violation of Section 448.095, Fla. Stat., by the contractor, the contractor may not be awarded a public contract for a period of 1 year after the date of termination. The contractor shall be liable for any additional costs incurred by the County as a result of the termination of this Agreement. Nothing in this section shall be construed to allow intentional discrimination of any class protected by law.

24. Severability. If any section, phrase, sentence or portion of this Agreement is, for any reason, held to be invalid by any court of competent jurisdiction, such portion shall be deemed as a separate, distinct, and independent provision, and such holding shall not affect the validity of the remaining portions hereof.

The remainder of this page is intentionally left blank; the Agreement continues on the following page with the Parties' signatures.

IN WITNESS WHEREOF, the Parties, through their duly authorized representatives, have made and executed this Agreement as of the Effective Date.

Agenda Item H.4. 11/7/2023

SUBJECT

Approve the Infrastructure Agreement between Blackfin Champions, LLC. and Polk County for Hwy 27 and Four Corners Blvd Intersection ($738,189.87 One Time Expense).

DESCRIPTION

The Blackfin Champions, LLC is developing property adjacent to Hwy 27 and Four Corners Blvd for the Champions Station project. As part of the development construction the developer was required to do improvements to the intersection of the two roads listed above. The County had a funded turn lane project on Four Corners Blvd at Hwy 27. The County staff discussed with the developer the potential for a joint project at this intersection. The County agreed to pay for the cost of constructing the turn lane improvements. The developer agreed to work with the County and that has resulted in the attached Infrastructure Agreement that sets forth the terms of the joint intersection improvement project. The developer is building all intersection improvements and the County will reimburse the developer for the costs of the turn lane. The estimated cost to construct the turn lane is estimated at $738,189.87.

RECOMMENDATION

Request Board approve the Infrastructure Agreement between Blackfin Champions, LLC. and Polk County.

FISCAL IMPACT

Funding for this Project is available in the Roads & Drainage CIP in the Hwy 27 at Four Corners Blvd project.

INFRASTRUCTURE AGREEMENT
FOR
HWY 27 AND FOUR CORNERS BLVD INTERSECTION

THIS INFRASTRUCTURE AGREEMENT ("**AGREEMENT**") is made and entered by and between, BLACKFIN CHAMPIONS, LLC, a Florida limited liability company ("**DEVELOPER**"), and POLK COUNTY, FLORIDA, a political subdivision of the State of Florida (the "**COUNTY**"). DEVELOPER and COUNTY, as and when each executes this AGREEMENT, are sometimes referred to collectively as the "**PARTIES**" and individually as a "**PARTY**."

WITNESSETH:

WHEREAS, the DEVELOPER is the owner or master developer of certain real property located at the intersection of U.S. Highway 27 and Four Corners Boulevard in unincorporated Polk County, Florida identified as Parcel Number 26-25-25-998496-000030, 26-25-25-998496-000040, and 26-25-25-998496-000050, 26-25-25-998496-000010, 26-25-25-998496-000020, 26-25-25-998496-000060, 26-25-25-998496-000110, 26-25-25-998496-000100, 26-25-25-998496-000070, 26-25-25-998496-000080 & 26-25-25-998496-000090 ("**Property**")[1]; and

WHEREAS, the DEVELOPER has processed, and the COUNTY has approved certain approvals regarding the above-described Property to be developed as Champions Station ("**Project**"); and

WHEREAS, the DEVELOPER is willing to construct certain offsite transportation improvements concerning the intersection of Highway 27 and Four Corners Boulevard, as depicted in **Exhibit A**, and as hereinafter described (the "**Transportation Improvements**"); and

WHEREAS, the DEVELOPER has requested, and the COUNTY has agreed, to reimburse the DEVELOPER for its actual costs incurred for the Transportation Improvements, provided, however, that except as provided herein, such reimbursable amount shall not exceed $738,189.87 (the "**Reimbursement Amount**"), which amount reflects the estimated cost of the Transportation Improvements based on the budget attached hereto as **Exhibit C** (the "**Budget**"); and

WHEREAS, the PARTIES desire to set forth in writing the terms and conditions of their understanding and agreement related to the DEVELOPER'S construction of the Transportation Improvements described herein; and

WHEREAS, this AGREEMENT is in the best interest of the public health, safety and welfare of Polk County, Florida and provide a benefit to the residents of Polk County.

NOW, THEREFORE, in consideration of the mutual covenants, premises and promises hereinafter set forth, the receipt, adequacy and sufficiency of which are hereby acknowledged, the PARTIES hereby agree as follows:

1. **Recitals.** The foregoing recitals are true and correct in all respects and are expressly incorporated herein by reference.

---

[1] NTD: Parcel Numbers 26-25-25-998496-000010 and 26-25-25-998496-000020 are owned by GTC LLLP; Parcel Number 26-25-25-998496-000060 is owned by Modwash LLC; Parcel Numbers 26-25-25-998496-000110, 26-25-25-998496-000100 and 26-25-25-998496-000090 are owned by Champions Station Owners Association, Inc.; Parcel Number 26-25-25-998496-000070 is owned by HLSSIII Davenport LLC; and Parcel Number 26-25-25-998496-000080 is owned by T AND P Davenport LLC.

2. **Effective Date.** The Effective Date of this AGREEMENT shall be the date in which the COUNTY executes this AGREEMENT.

3. **Transportation Improvements.** The COUNTY and the DEVELOPER agree to the following terms and conditions: the DEVELOPER shall construct a right turn lane for east bound traffic on Four Corners Blvd onto Hwy 27, as depicted in the approved construction plans for the Transportation Improvements prepared by HDR Engineering, Inc., Polk County Project No. 5400169 dated 8/31/22 for the COUNTY and more particularly depicted in **Exhibit B** (the "**Plans and Specifications**"). The Transportation Improvements are reflected in the Plans and Specifications. The DEVELOPER shall bear the full responsibility for payment of all costs, construction and otherwise, related to the construction of the Transportation Improvements in accordance with the Plans and Specifications. Subject to the terms of Section 7.D below, COUNTY shall reimburse, in cash, DEVELOPER for such costs including, without limitation, a construction management fee in an amount equal to 15% of the cost, including without limitation related debt, finance, maintenance, surety and other related carrying costs associated with undertaking the work.

4. **Plans, Specifications, and Permits**

A. The Transportation Improvements, shall be constructed by the DEVELOPER according to the Plans and Specifications. The Plans and Specifications are a material part of this AGREEMENT and have been used by the DEVELOPER to obtain the bid for construction of the Transportation Improvements used to establish the Budget.

B. The Plans and Specifications for the Transportation Improvements may be modified through the mutual agreement of the DEVELOPER and the COUNTY by change order as actual construction of the Transportation Improvements progresses. Proposed modifications and change orders will be provided by the DEVELOPER to the COUNTY for review. To be effective and binding against the COUNTY, however, any and all such modifications and change orders must be in writing, executed by the COUNTY and the DEVELOPER. Any modifications or change orders that increase, in the aggregate, the Budget by ten percent (10%) or less shall require written approval by the COUNTY. Any modifications or change orders that increase, in the aggregate, the Budget by more than ten percent (10%) shall require a fully executed amendment to this AGREEMENT.

5. **Construction Requirements**.

A. The DEVELOPER shall enter into a Contract for Construction of the Improvements (the "**Construction Contract**") with the selected contractor (the "**Contractor**") that includes execution of the work in accordance with the Plans and Specifications. Upon execution of a final Construction Contract, the DEVELOPER will provide a copy of the Construction Contract to the Polk County Roads and Drainage Division. The COUNTY hereby acknowledges that execution of this Agreement constitutes approval by the COUNTY of the Plans and Specifications and the Budget. The County further acknowledges that the Construction Contract will include additional work relating to the Property and other offsite work beyond the scope of the Transportation Improvements, and DEVELOPER will use commercially reasonable efforts to separately allocate the cost of the Transportation Improvements from overall contract sum due Contractor pursuant to the Construction Contract.

B. The DEVELOPER shall not begin construction on the Transportation Improvements until a written Notice to Proceed has been provided to the DEVELOPER by the Polk County Roads and Drainage Division which shall not be unreasonably withheld, conditioned, or delayed.

C. Prior to the commencement of construction and after the written Notice to Proceed has been provided to the DEVELOPER, the DEVELOPER shall schedule, notice, and attend a pre-construction conference with the DEVELOPER'S engineer, DEVELOPER'S contractor, Polk County Land Development Division, and all involved utility companies. The DEVELOPER agrees to provide notice of the meeting at least seven (7) days in advance of such meeting so as to allow the relevant parties and entities to attend.

D. The COUNTY may periodically inspect and monitor the work site during construction of the Transportation Improvements. If, during construction, the COUNTY finds the work, materials, or equipment are defective, the COUNTY will give the DEVELOPER written notice of the defect and the DEVELOPER agrees to correct the defective condition within thirty (30) days of the DEVELOPER'S receipt of such notice, or such longer period as may be necessary to correct the defect. If the DEVELOPER fails to correct the deficiency, the COUNTY may take any action necessary on the DEVELOPER'S behalf, including correcting the deficiency, removing deficiencies, or utilizing COUNTY'S contractor to complete the work.

E. Upon completion of the Transportation Improvements in accordance with the Plans and Specifications, the Parties shall follow the procedures set forth in Section 7 below.

F. The Transportation Improvements shall be completed on or before one hundred eight (180) days after the later of the following: (i) DEVELOPER'S pre-construction conference with the COUNTY regarding the Transportation Improvements, (ii) DEVELOPER'S permit kick-off meeting with FDOT regarding the Transportation Improvements, or (iii) receipt of all permits for the Transportation Improvements , unless a later date is mutually agreed to by the Parties, which agreement shall not be unreasonably withheld. The DEVELOPER shall provide the COUNTY a monthly construction management status report during the term of this AGREEMENT. Upon completion of the Transportation Improvements, the DEVELOPER shall notify the COUNTY, in writing, of the completed construction.

G. The schedule of qualifying improvements eligible for reimbursement by the COUNTY hereunder is set forth and described in the Budget. The estimated cost of the Transportation Improvements, including a 10% contingency, is $738,189.87, as set forth and further described the Budget. Subject to the terms of Section 7.D below, the COUNTY agrees to reimburse the DEVELOPER the Reimbursement Amount, with any increase as described in Section 4 B above. The procedure for the DEVELOPER to request reimbursement from the COUNTY shall follow Section 7, below.

6. **Maintenance**. For purpose of this AGREEMENT, 'maintenance' includes, but is not limited to, mowing, edging, trimming, and irrigating. After the Notice to Proceed is issued to DEVELOPER and prior to acceptance of the Transportation Improvements, the DEVELOPER or the DEVELOPER'S contractor shall be responsible for the maintenance of Four Corners Blvd. and proper maintenance of traffic, however such maintenance shall only be required within the construction limits of the Transportation Improvements. The DEVELOPER or the DEVELOPER'S contractor shall additionally be responsible for maintaining the job site in a safe manner for access by vehicles, pedestrians, and bicycle traffic during construction of the Transportation Improvements.

7. **Inspection; Reimbursement Procedures; and Conveyance of Transportation Improvements.**

A. Upon receipt of the Developer's completion notification described in Section 5.F., above, the COUNTY shall conduct or cause to be conducted within seven (7) business days such inspections of the Transportation Improvements as it may desire in order to determine that the construction of the Transportation Improvements comply with applicable laws and conforms to the Plans and Specifications ("**Inspection**"). Upon completion of the Inspection, the COUNTY shall issue a letter to the DEVELOPER indicating that the Transportation Improvements comply with the approved Plans and Specifications and that COUNTY accepts the Transportation Improvements.

B. Within ten (10) business days of the issuance of the COUNTY's letter described in Section 7.A., above, the DEVELOPER shall submit to the COUNTY all construction information necessary to ensure that Transportation Improvements have been properly constructed in accordance with COUNTY standards and all the Contractor and all subcontractors having provided a Notice to Owner with respect to work relating to the Transportation Improvements (the "**Subcontractors**") have been paid in full for the Transportation Improvements (collectively referred to herein as the "**Documentation**"). The Documentation shall include, without limitation, the following items relating to the Transportation Improvements: (i) acceptable "as-built" drawings, (ii) detailed construction costs and invoices, (iii) copies of payments to the Contractor, (iv) releases of lien from the Contractor and Subcontractors, and (iv) any required certifications to permitting agencies. Upon receipt of all such Documentation, the COUNTY shall have ten (10) business days (the "**Review Period**") to review the Documentation to ensure that it is complete; if the COUNTY notifies DEVELOPER within the Review Period that the Documentation is incomplete, the DEVELOPER shall provide the additional Documentation requested by the COUNTY and the same process shall be followed until all Documentation has been provided to and approved by the COUNTY. Within forty-five (45) days after the Documentation is approved (or deemed approved), the COUNTY shall reimburse the DEVELOPER for the cost of the Transportation Improvements up to the dollar amount listed in Section 5.G., above; subject, however, to the limitations and provisions of Section 7.D below.

C. After the COUNTY accepts the Transportation Improvements as provided in Section 7.A above, it shall thereafter be responsible for the operation and maintenance of the Transportation Improvements so conveyed to the COUNTY. Through a maintenance surety of ten (10%) of the actual costs of the Transportation Improvements, in a form acceptable to the COUNTY and at the sole costs and expense of the COUNTY, the DEVELOPER shall warrant the Transportation Improvements from any and all defects for a period of one year from the date of the COUNTY's letter described in Section 7.A., above. If the warranty period has not been completed prior to the expiration of this AGREEMENT, then this Section 7.C. shall survive the termination of this AGREEMENT until the end of the warranty period.

D. The COUNTY acknowledges that the Property is subject to that certain Mortgage and Security Agreement from DEVELOPER to Seacoast National Bank ("**Lender**"), recorded July 20, 2022, in Book 12345, Page 1428 Public Records of Polk County, Florida, evidencing a loan from Seacoast to DEVELOPER in the original principal amount of $8,434,000.00 (the "**Loan**"), and further acknowledges that Lender intends to make an additional loan to DEVELOPER to facilitate DEVELOPER'S construction of the Transportation Improvements, (the Additional Loan") and will require that DEVELOPER execute and deliver to Lender a collateral assignment of this AGREEMENT to Lender as security for the Additional Loan. COUNTY hereby consents to the foregoing collateral assignment and acknowledges that on the basis of DEVELOPER'S direction in Section 7.E., below, COUNTY will disburse directly to Lender the cost of

the Transportation Improvements (or any portion thereof) in lieu of disbursement to DEVELOPER, as the same becomes due and payable in accordance with the terms of this AGREEMENT. The terms of this Section 7.D will govern, supersede and control over any conflicting terms and conditions contained in this Agreement.

E. DEVELOPER hereby provides notice to the COUNTY that all payments due DEVELOPER from the COUNTY under this AGREEMENT, shall be made solely to Lender until such time as Lender notifies COUNTY that the DEVELOPER has paid the Loan in full.

8. **Development Approvals.** This AGREEMENT shall in no manner constitute a development approval regarding the Property or Project. DEVELOPER must comply with all applicable provisions of the Polk County Land Development Code and conditions regarding the development of the Property and Project.

9. **Self-Help Provision**. In the event DEVELOPER proceeds with the Transportation Improvements according to the terms set forth herein and the COUNTY desires to expedite the overall construction of the Transportation Improvements, the COUNTY shall be permitted, upon delivery of written notice to DEVELOPER (**"Written Notice"**), to assume DEVELOPER'S responsibilities related to the construction of the Transportation Improvements. If COUNTY exercises its rights set forth in this Section 9, then DEVELOPER is released from any liability or obligation arising after delivery of Written Notice with respect to Transportation Improvements or that portion of the Transportation Improvements for which the COUNTY assumes responsibility. In such event, the COUNTY shall be entitled to ownership of the Plans and Specifications and all permits (including environmental permits) granted to DEVELOPER in connection with the Transportation Improvements and DEVELOPER shall use its diligent, good faith efforts to ensure the successful transfer of the same to the COUNTY; provided, however, that all costs related to construction then performed by DEVELOPER shall nonetheless be reimbursed by the COUNTY to DEVELOPER prior to the COUNTY'S commencement of the work pursuant to this Self-Help Provision.

10. **Approvals**. In those instances, in which a party's approval, consent or satisfaction is required under this AGREEMENT, and a time period is not specified, then it shall be implied that such action shall be exercised in a reasonable manner and within a reasonable time frame, not to exceed ten (10) days. Time is hereby declared of the essence as to the lawful performance of all duties and obligations set forth in this AGREEMENT.

11. **Indemnification**. DEVELOPER, its successors, and assigns shall protect, defend, indemnify, and hold harmless, the COUNTY, its officers, commissioners, council members, employees and agents from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees, including a reasonable, actually incurred, attorney's fee or other expenses or liabilities, of every kind and character resulting from any error, omission, or negligent act of DEVELOPER itself, its agents, contractors, subcontractors, employees, or representatives in the performance of its obligations under this AGREEMENT. The foregoing indemnification obligation shall not apply to the extent of the negligence of the COUNTY. The COUNTY is a political subdivision of the State of Florida that possesses sovereign immunity except for the limited waiver stated in Section 768.28, Florida Statutes. To the limited extent specified in Section 768.28, the COUNTY may be responsible for certain damages for injury or loss of property caused by negligent acts or omissions of its employees acting within the scope of the employee's office or employment. However, nothing stated in this AGREEMENT is, or shall be deemed to be: (i) a waiver of the COUNTY's sovereign immunity as stated in Section 768.28; (ii) an extension of the limited waiver of its sovereign immunity as stated in Section 768.28; (iii) a waiver of any requirement or condition stated in Section 768.28; or (iv) the COUNTY's consent to be sued.

12. **Insurance.**

A. Intentionally Deleted.

B. While this AGREEMENT remains in effect, DEVELOPER shall maintain, or cause its agents and contractors to maintain the following types of insurance with at least the following minimum limits of liability:

Commercial General Liability:	$1,000,000.00 per occurrence
Comprehensive Automobile Liability	$1,000,000.00 per occurrence
Workers Compensation	Statutory Limits
Employers Liability	$1,000,000.00

C. All insurance must be provided by a carrier licensed to do business in the State of Florida having an A.M. Best rating of at least the "A" category and size category of VIII. The COUNTY shall be named as an additional insured on General Liability and Automobile Liability policies. The General Liability and Workers' Compensation policies shall contain a waiver of subrogation in favor of the COUNTY.

D. The DEVELOPER shall provide the COUNTY Certificates of Insurance satisfactory to the COUNTY to evidence such coverage promptly following the execution of this AGREEMENT and before any work commences on the Transportation Improvements. The COUNTY must be identified on the Certificates as follows, "Polk County, a political subdivision of the State of Florida." Coverage must commence on the first day work begins.

13. **Term and Nature of Agreement**. With the exception of warranty requirements, this AGREEMENT shall terminate upon satisfaction by the Parties hereto of their respective obligations contained herein. If DEVELOPER is unable to obtain all necessary approvals for the construction of the Transportation Improvements from the COUNTY, or any other governmental agency, or if DEVELOPER is unable to enter a Construction Contract for the Transportation Improvements, the DEVELOPER or COUNTY may terminate this AGREEMENT. If DEVELOPER fails to begin construction of the Transportation Improvements on or before one (1) year from the Effective Date of this AGREEMENT, this AGREEMENT shall be null and void.

14. **Notices.** Any notices which may be permitted or required hereunder shall be in writing and shall be deemed to have been duly given as of the date and time the same are personally delivered, transmitted electronically (i.e. telecopier device) or within three (3) days after depositing the United State Postal Services, postage prepaid by registered or certified mail, return receipt requested, or within one (1) day after depositing with Federal Express or other overnight delivery service from which a receipt may be obtained, and addressed as follows:

County: Chairman
Polk County Board of County Commissioners
330 West Church Street
Bartow, Florida 33830

Copy to: County Attorney

Lender: Seacoast National Bank
815 Colorado Avenue
Stuart, Florida 34994
Attn: Marcia K. Snyder SVP

All notices provided by the COUNTY or the DEVELOPER shall be copied to Lender.

15. **Public Records**. Pursuant to Section 119.0701, Florida Statutes, DEVELOPER shall comply with the following Florida Public Records' laws:

A. The DEVELOPER acknowledges POLK COUNTY'S obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and comply in the handling of the material created under this AGREEMENT. The DEVELOPER further acknowledges that the constitutional and statutory provisions control over the terms of this AGREEMENT. In association with its performance pursuant to this AGREEMENT, the DEVELOPER shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all applicable laws.

B. Without in any manner limiting the generality of the foregoing, the DEVELOPER acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records and shall:

a. Keep and maintain public records required by the COUNTY to perform the services required under this AGREEMENT.

b. Upon request from the COUNTY'S custodian of public records, or his/her designee, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the DEVELOPER does not transfer the records to the COUNTY.

d. Upon completion of the AGREEMENT, transfer, at no cost, to the COUNTY all public records in possession of the DEVELOPER or keep and maintain public records required by the COUNTY to perform the service. If the DEVELOPER transfers all public records to the COUNTY upon completion of the contract, the DEVELOPER shall destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If the DEVELOPER keeps and maintains public records upon completion of the contract, the DEVELOPER shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the COUNTY, upon request from the COUNTY's custodian of

public records, in a format that is compatible with the information technology systems of the COUNTY.

C. **IF THE DEVELOPER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE DEVELOPER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT POLK COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:**

RECORDS MANAGEMENT LIAISON OFFICER
POLK COUNTY
330 WEST CHURCH ST.
BARTOW, FL 33830
TELEPHONE: (863) 534-7527
EMAIL: RMLO@POLK-COUNTY.NET

16. **Records and Audits**. The DEVELOPER shall maintain in its corporate headquarters or division office all books, documents, papers and other evidence pertaining in any way to payments made pursuant to this AGREEMENT. Such records shall be available at the DEVELOPER'S corporate headquarters at all reasonable times during the term of this AGREEMENT and for three (3) years from the date of final payment under this AGREEMENT pursuant to Section 7 above, such records will be available for audit or inspection by the COUNTY, or its duly authorized agent or representative, upon five (5) business day's prior written notice.

17. **Equal Opportunity Employment**. The DEVELOPER agrees that it will not discriminate and will provide in all contracts that its contractors will not discriminate against any employee or applicant for employment under this AGREEMENT because of race, color, religion, sex, age or national origin and will take affirmative steps to ensure that applicants are employed and employees are treated during employment without regard to race, color, religion, sex, age or national origin.

18. **Amendment**. This AGREEMENT may only be amended or modified by an instrument in writing executed by the Parties hereto or their successors or assigns in interest.

19. **Severability**. If any part of this AGREEMENT is found invalid or unenforceable by any court, such invalidity or unenforceability shall not affect the other parts of this AGREEMENT if the rights and obligations of the Parties contained therein are not materially prejudiced and if the intentions of the Parties can continue to be effectuated. To that end, this AGREEMENT is declared severable.

20. **Successors; Assignment**. This AGREEMENT shall be binding upon and the benefits and obligations of this AGREEMENT shall inure to all successors or assigns of the Parties. In the event that the DEVELOPER assigns this AGREEMENT and its rights, obligations and responsibilities hereunder to a third party, the DEVELOPER shall provide written notice to the COUNTY.

21. **Disclaimer of Third Party Beneficiaries**. No right or cause of action shall accrue upon or by reason of this AGREEMENT, to or for the benefit of any third party not a formal party hereto, except any successors in interest of the DEVELOPER or the COUNTY.

22. **Governing Law and Venue**. In performing this AGREEMENT, each party will abide by the respective statutes, ordinances, rules and regulations pertaining to, or regulating, the acts of such party. This AGREEMENT shall be governed by and construed in accordance with laws of the State of Florida. In the event of any legal action concerning this AGREEMENT, venue shall be exclusively in the state

courts in and for Polk County, Florida, or Federal Court in the Middle District of Florida, located in Tampa, Florida, and each party shall be responsible for its own attorneys' fees and costs.

23. **Counterparts**. This AGREEMENT may be executed in any number of counterparts each of which when executed and delivered, shall be an original, but all counterparts shall together constitute one and the same instrument.

24. **Entire Agreement**. This AGREEMENT constitutes the entire agreement of the Parties with respect to the subject matter hereof, and may not be modified or amended except by a written instrument equal in dignity herewith and executed by the Parties to be bound thereby.

25. **Non-Waiver**. No consent or waiver, expressed or implied, by either party, to or of any breach or default of the other party, with regard to the performance by said other party of its obligations under this AGREEMENT shall be deemed or construed to constitute consent or waiver, to or of, any other breach or default in the performance of that party, of the same or of any other objection of performance incumbent upon that party. Failure on the part of either party to complain of any act or failure to act on the part of the other party in default, irrespective of how long the failure continues, shall not constitute a waiver by that party of its rights and any remedies that exist under this AGREEMENT, at law, or in equity, except that specific performance shall not be a remedy for either party against the other.

26. **Construction of Agreement**. This AGREEMENT shall not be construed against either party on the basis of it being the drafter of this AGREEMENT. The Parties agree that both herein played an equal part in negotiating the terms and conditions of this AGREEMENT. Captions and Paragraph headings in this AGREEMENT are provided for convenience only and shall not be deemed to explain, modify, amplify or aid in the interpretation, construction or meaning of this AGREEMENT.

27. **Force Majeure**. Should the performance of this AGREEMENT by the DEVELOPER be prevented or delayed by any Act of God or other cause beyond the reasonable control of the DEVELOPER, including but not limited to, pandemic, floods, storm, fire, war, total or partial failure of transportation or delivery facilities, interruption of power, or by any law, regulation or order of any federal, state or local authority, the DEVELOPER'S performance shall be excused to the extent it is thus prevented or delayed. Neither the lack of financial resources, budgetary requirements, crop revenues, harvesting schedules, nor such other errors, shall constitute a force majeure event sufficient to excuse nonperformance hereunder.

28. **Limitation of Liability**. IN NO EVENT, SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE, INCLUDING LOSS OF PROFIT, WHETHER FORESEEABLE OR NOT, ARISING OUT OF OR RESULTING FROM THE NONPERFORMANCE OR BREACH OF THIS AGREEMENT BY EITHER PARTY WHETHER BASED IN CONTRACT, COMMON LAW, WARRANTY, TORT, STRICT LIABILITY, CONTRIBUTION, INDEMNITY OR OTHERWISE.

29. **Exhibits**. All exhibits attached hereto contain additional terms of this AGREEMENT and are incorporated herein by this reference.

30. **Employment Eligibility Verification (E-Verify)**.

A. Unless otherwise defined herein, terms used in this Section which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

B. Pursuant to Section 448.095(5), Florida Statutes, the DEVELOPER, and any subcontractor thereof, must register with and use the E-Verify system to verify the work authorization status of all new employees of the DEVELOPER or subcontractor. The DEVELOPER acknowledges and agrees that (i) the COUNTY and the DEVELOPER may not enter into this AGREEMENT, and the DEVELOPER may not enter into any subcontracts hereunder, unless each party to this AGREEMENT, and each party to any subcontracts hereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of this AGREEMENT, and the COUNTY may treat a failure to comply as a material breach of this AGREEMENT.

C. By entering into this AGREEMENT, the DEVELOPER becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The DEVELOPER shall maintain a copy of such affidavit for the duration of this AGREEMENT. Failure to comply will lead to termination of this AGREEMENT, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If this AGREEMENT is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If this AGREEMENT is terminated for a violation of Section 448.095, Fla. Stat., by the DEVELOPER, the DEVELOPER may not be awarded a public contract for a period of 1 year after the date of termination. The DEVELOPER shall be liable for any additional costs incurred by the COUNTY as a result of the termination of this AGREEMENT. Nothing in this Section shall be construed to allow intentional discrimination of any class protected by law.

SIGNATURE PAGES TO FOLLOW

IN WITNESS WHEREOF, the Parties hereto have made and executed this AGREEMENT on the respective dates under each signature: Polk County, Florida, through its Board of County Commissioners; the DEVELOPER, through its authorized representative.

JAPHILLI 9/27/2022 3:33:21 PM C:\Users\japhili\Documents\Work_PROJECTS_EXPORT\4_corners\roadway\TYPSRD01.dgn

THE OFFICIAL RECORD OF THIS SHEET IS THE ELECTRONIC FILE DIGITALLY SIGNED AND SEALED UNDER RULE 61G15-23.004, F.A.C.

PROJECT NOTES

1. THESE ROADWAY PLANS ARE BASED ON THE RECORD SURVEY PREPARED BY POLK COUNTY SURVEYING AND MAPPING, DATED JUNE, 2020.
2. ALL SURVEYED AND CALCULATED COORDINATES SHOWN IN THESE PLANS ARE GRID VALUES REFERENCED TO THE FLORIDA STATE PLANE COORDINATE SYSTEM, FLORIDA WEST ZONE NORTH AMERICAN DATUM 1983, ADJUSTMENT OF 2011.

   ELEVATIONS ARE BASED ON NATIONAL GEODETIC SURVEY BENCHMARK# 14 72 A42C RM 1, STAMPED "14 72 A42C RM NO 1" HAVING A POSTED ELEVATION OF 234.43 FEET, AND NATIONAL GEODETIC SURVEY BENCHMARK# 170, STAMPED "BM 170" HAVING A POSTED ELEVATION OF 207.80 FEET. NORTH AMERICAN VERTICAL DATUM OF 1988.
3. ANY PUBLIC LAND CORNER WITHIN THE LIMITS OF CONSTRUCTION IS TO BE PROTECTED. IF A CORNER MONUMENT IS IN DANGER OF BEING DESTROYED AND HAS NOT BEEN PROPERLY REFERENCED, THE ENGINEER SHOULD NOTIFY DON ARSCOTT, POLK COUNTY SURVEYING AND MAPPING (863-519-8770), WITHOUT DELAY, BY TELEPHONE.
4. GRADES SHOWN ARE FINISHED GRADES.
5. ALL STATIONING AND OFFSET CALLOUTS REFER TO THE BASELINE OF CONSTRUCTION UNLESS OTHERWISE NOTED.
6. THE CONTRACTOR SHALL FLAG, COORDINATE WITH, AND RECEIVE APPROVAL FROM THE POLK COUNTY TRANSPORTATION DIVISION BEFORE CUTTING ANY TREES.
7. THE CONTRACTOR SHALL CONTACT THE FIVE PROPERTY OWNERS ADJACENT TO THE FOUR CORNERS BLVD. PORTION OF THE PROJECT AND THE FOUR CORNERS HOA PRESIDENT 96 HOURS PRIOR TO CLEARING AND GRUBBING OPERATIONS.
8. ALL EXISTING DRAINAGE STRUCTURES ARE TO REMAIN UNLESS OTHERWISE NOTED.
9. THE EROSION CONTROL ITEMS ARE ESTIMATED FOR PREVENTION, CONTROL, ABATEMENT OF EROSION, SEDIMENTATION, AND WATER POLLUTION. THESE ITEMS ARE TO BE USED AT THE LOCATIONS DESCRIBED IN THE CONTRACTOR'S APPROVED EROSION CONTROL PLAN OR AS DIRECTED BY THE ENGINEER TO COMPLY WITH ALL FEDERAL, STATE AND LOCAL REGULATIONS. ALL EROSION CONTROL ITEMS SHALL BE REMOVED UPON COMPLETION OF THE PROJECT. ANY SILT, SEDIMENT, TRASH OR CONSTRUCTION DEBRIS THAT BYPASSES THE EROSION AND SEDIMENT CONTROL DEVICES AND IS DEPOSITED ONTO PRIVATE PROPERTY SHALL BE REMOVED.
10. ALL WORK WITHIN THE FDOT RIGHT-OF-WAY MUST MEET CRITERIA SHOWN IN THE FDOT DESIGN MANUAL AND FDOT STANDARD PLANS FOR ROAD CONSTRUCTION.

UTILITY NOTES

1. THE LOCATIONS OF UTILITIES SHOWN IN THE PLAN ARE APPROXIMATE ONLY. THE EXACT LOCATIONS OF ALL UTILITIES SHALL BE DETERMINED BY THE CONTRACTOR PRIOR TO CONSTRUCTION.
2. THE CONTRACTOR SHALL CALL SUNSHINE STATE ONE CALL OF FLORIDA, INC. (SSOCOF) AT 811 OR 1-800-638-4097 AND ALL LISTED UTILITY OWNERS 48 HOURS BEFORE BEGINNING CLEARING AND GRUBBING OR EXCAVATION OPERATIONS. ALL UTILITY OWNERS MAY NOT BE SSOCOF MEMBERS, IN WHICH CASE, DIRECT CONTACT BY THE CONTRACTOR IS REQUIRED. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATION DIRECTLY WITH ALL UTILITY OWNERS.
3. ALL EXISTING UTILITIES ARE TO REMAIN UNLESS OTHERWISE NOTED ON THE PLANS. UTILITIES IN THE PROJECT AREA SHALL NOT BE DISTURBED. EXISTING UNDERGROUND AND OVERHEAD UTILITIES ADJACENT TO THE PROJECT MUST BE PROTECTED DURING CONSTRUCTION OPERATIONS. DAMAGE TO EXISTING UTILITIES SHALL BE REPAIRED AT THE CONTRACTOR'S EXPENSE.
4. DUE TO EXISTING UNDERGROUND AND OVERHEAD UTILITIES WITHIN THE PROJECT LIMITS, EXTREME CAUTION SHALL BE EXERCISED BY THE CONTRACTOR WHEN CLEARING AND GRUBBING, EXCAVATING, INSTALLING DRAINAGE STRUCTURES, BACKFILLING AND COMPACTING IN CLOSE PROXIMITY TO EXISTING UTILITIES.

EMBANKMENT AND SUBGRADE MATERIAL

STRATA BOUNDARIES ARE APPROXIMATE. MAKE FINAL CHECK AFTER GRADING.

▽ - ENCOUNTERED GROUND WATER LEVEL

GNE - GROUNDWATER NOT ENCOUNTERED

NP - NON PLASTIC

NOTES:

1. STRATUM BOUNDARIES ARE APPROXIMATE AND REPRESENT SOIL STRATA AT EACH BORING LOCATION ONLY. ANY STRATUM CONNECTING LINES SHOWN ARE FOR ESTIMATING EARTHWORK ONLY AND DO NOT INDICATE ACTUAL STRATUM LIMITS. SUBSURFACE VARIATIONS BETWEEN BORINGS SHOULD BE ANTICIPATED AS INDICATED IN SECTION 2. FOR FURTHER DETAILS SEE SECTION 120.
2. REMOVAL OF MUCK AND PLASTIC MATERIAL OCCURRING WITHIN THE ROADWAY SHALL BE ACCOMPLISHED IN ACCORDANCE WITH STANDARD INDEX 120-002, UNLESS OTHERWISE SHOWN ON THE PLANS. THE MATERIAL USED IN EMBANKMENT CONSTRUCTION SHALL BE IN ACCORDANCE WITH INDEX 120-001 OF THE FDOT ROADWAY AND TRAFFIC DESIGN STANDARDS.
3. THE SYMBOL "--" REPRESENTS AN UNMEASURED SOIL PARAMETER. "NP" = NOT PLASTIC.
4. THE MATERIALS FROM STRATA NO. 3 AND 4 ARE SELECT MATERIALS (S).
5. THE MATERIALS FROM STRATUM 1 SHOULD BE TREATED AS MUCK MATERIAL (M) IN ACCORDANCE WITH INDEX 120-001.

THE OFFICIAL RECORD OF THIS SHEET IS THE ELECTRONIC FILE DIGITALLY SIGNED AND SEALED UNDER RULE 61G15-23.004, F.A.C.

TRAFFIC CONTROL NOTES:

1. MAINTENANCE OF TRAFFIC SHALL FOLLOW FDOT INDEX NOs. 102-600, 102-601, 102-602, 102-603, 102-605, 102-605, 102-607, 102-612, 102-613, 102-615 AND 102-660. SPECIFIED IN THE CONSTRUCTION PHASING NOTES AND OTHER TRAFFIC CONTROL INDICIES AS APPLICABLE.
2. EXISTING POSTED SPEED LIMIT ON FOUR CORNERS BLVD. IS 25 MPH AND ON BELLA CITTA IS 40 MPH AND WILL BE MAINTAINED FOR ALL PHASES OF WORK.
3. CONSTRUCTION WORK HOURS SHALL BE FROM 7:00 AM TO 6:00 PM MONDAY THROUGH FRIDAY, EXCEPT COUNTY HOLIDAYS.
4. EXCAVATION IS NOT TO OCCUR WITHIN ANY AREAS ON OR ADJACENT TO THE TRAVEL WAY THAT CANNOT BE RESTORED SO AS TO PROVIDE SAFE TRAFFIC OPERATIONS ON OR ADJACENT TO THE AREA WITHIN THE SAME WORK PERIOD.
5. DURING PERIODS OF LANE CLOSURES, THE CONTRACTOR SHALL PROVIDE DEDICATED PERSONNEL FOR THE INSTALLATION, MAINTENANCE AND REMOVAL OF ALL TRAFFIC CONTROL DEVICES. ALL COSTS TO BE INCLUDED IN PAY ITEM NO. 102-1.
6. IT IS ANTICIPATED THAT ISOLATED AREAS OF THE BASE MAY BE EXPOSED DURING THE MILLING OPERATIONS. THESE AREAS SHALL BE PRIMED PRIOR TO PAVING.
7. CONTINUOUS (24 HOURS PER DAY) ONE-LANE TWO-WAY MOT OPERATIONS MUST BE SCHEDULED AND APPROVED BY POLK COUNTY ROADS AND DRAINAGE DIVISION A MINIMUM OF 14 DAYS IN ADVANCE OF ANY PROPOSED ONE-LANE TWO-WAY OPERATIONS FOR ANY OF THE LIMITS LISTED ABOVE.
8. PROVIDE THREE PORTABLE CHANGEABLE MESSAGE SIGNS (PCMS) ONE WEEK IN ADVANCE NOTIFYING THE START OF CONSTRUCTION DATE.
9. THE CONTRACTOR SHALL PLACE PORTABLE CHANGEABLE MESSAGE SIGNS (PCMS) ON FOUR CORNERS BLVD., SB US 27 AND BELLA CITTA BLVD. (250 FEET BEFORE THE BEGIN/END PROJECT FOR A PERIOD OF TWO WEEKS PRIOR TO THE FIRST DAY OF ROADWAY CONSTRUCTION. THE SUGGESTED MESSAGES SHOULD READ:

MESSAGE 1	MESSAGE 2
ROAD	FROM
WORK	<BEGIN DATE>
AHEAD	TO <END DATE>

AFTER INITIAL TWO WEEKS. SUGGESTED MESSAGES SHALL READ:

MESSAGE 1	MESSAGE 2
ROAD	EXPECT
WORK	DELAYS
AHEAD	

DURING LANE CLOSURES SUGGESTED MESSAGES SHALL READ:

MESSAGE 1	MESSAGE 2
ROAD	LANE
WORK	CLOSURES
AHEAD	AHEAD

CONSTRUCTION PHASING:

PHASE I

1. INSTALL APPROPRIATE CONSTRUCTION SIGNAGE AND TEMPORARY TRAFFIC CONTROL DEVICES PER FDOT INDEX NO's. 102-600, 102-601, 102-602, 102-603 AND 102-605.
2. INSTALL EROSION CONTROL DEVICES.
3. CONSTRUCT CURB AND GUTTER, WIDENING, SIDEWALK, SHOULDER AND SLOPES.
4. MILL EXISTING PAVEMENT AND CONSTRUCT STRUCTURAL COURSE.
5. CONSTRUCT FRICTION COURSE.
6. CONSTRUCT PROPOSED UTILITY VALVE ADJUSTMENTS
7. INSTALL TEMPORARY PAVEMENT MARKINGS AND PERMANENT RPMs IN FINAL LOCATION.

PHASE II

1. INSTALL APPROPRIATE CONSTRUCTION SIGNAGE AND TEMPORARY TRAFFIC CONTROL DEVICES PER FDOT INDEX NO's. 102-600, 102-601, 102-602, 102-603, 102-605, 102-607 AND 102-616.
2. INSTALL PERMANENT HIGHWAY SIGNAGE AND THERMOPLASTIC PAVEMENT MARKINGS.
3. INSTALL AND MODIFY PERMANENT TRAFFIC SIGNAL SYSTEM.
4. REMOVE EROSION CONTROL DEVICES.

SHEET NO. S-1

JAPHILLI 9/27/2022 4:34:02 PM C:\Users\japhilli\Documents\Work_PROJECTS_EXPORT\4_corners\signing\TABDSP01.DGN

THE OFFICIAL RECORD OF THIS SHEET IS THE ELECTRONIC FILE DIGITALLY SIGNED AND SEALED UNDER RULE 61G15-23.004, F.A.C.

SIGNING AND PAVEMENT MARKING GENERAL NOTES

1. ALL PAVEMENT MARKINGS WITHIN THE POLK COUNTY RIGHT-OF-WAY SHALL BE THERMOPLASTIC OR PREFORMED THERMOPLASTIC.
2. REFER TO F.D.O.T. STANDARD PLANS INDEX NO. 706-001 FOR RETRO-REFLECTIVE PAVEMENT MARKER PLACEMENT DETAILS.
3. CAUTION SHALL BE EXERCISED WHILE RELOCATING EXISTING SIGNS SO AS TO PREVENT DAMAGE TO THE SIGNS. IF THE SIGNS ARE DAMAGED BEYOND USE, AS DETERMINED BY THE ENGINEER, THEY SHALL BE REPLACED BY THE CONTRACTOR AT HIS EXPENSE.
4. THE SIGN LOCATIONS ARE APPROXIMATE AND MAY REQUIRE FIELD ADJUSTMENT AS DIRECTED BY THE ENGINEER.
5. ANY EXISTING SIGN TO REMAIN THAT IS DISTURBED DURING CONSTRUCTION OR RELOCATED SHALL BE RESET TO CURRENT STANDARDS FOR HEIGHT, OFFSET, AND METHOD OF INSTALLATION. COST OF THIS WORK SHALL BE REFLECTED IN THE PAY ITEM NO. 102-1 IN THE SUMMARY OF ROADWAY PAY ITEMS.
6. ALL SINGLE COLUMN SIGNS WITHIN THE LIMITS OF CLEARING AND GRUBBING SHALL BE REMOVED UNLESS OTHERWISE NOTED IN THE PLANS. PAYMENT SHALL BE REFLECTED IN THE PAY ITEM NO. 110-1-1 IN THE SUMMARY OF ROADWAY PAY ITEMS.
7. AT LOCATIONS WHERE UNDERGROUND UTILITIES ARE IN CLOSE PROXIMITY TO SIGN FOUNDATIONS AS DETERMINED BY THE CONTRACTOR, THE CONTRACTOR SHALL HAND DIG THE FIRST FOUR FEET OF THE HOLE FOR THE FOUNDATIONS.
8. UNLESS OTHERWISE NOTED ON PLAN SHEETS, ALL CROSSWALKS SHALL BE TEN FEET (10') IN WIDTH. MEASUREMENTS SHALL BE FROM INSIDE TO INSIDE OF 12" STRIPES.

THE OFFICIAL RECORD OF THIS SHEET IS THE ELECTRONIC FILE DIGITALLY SIGNED AND SEALED UNDER RULE 61G15-23.004, F.A.C.

JAPHILLI 9/27/2022 4:55:36 PM C:\Users\japhilli\Documents\Work_PROJECTS_EXPORT\4_corners\signals\TABDSG01.DGN

THE OFFICIAL RECORD OF THIS SHEET IS THE ELECTRONIC FILE DIGITALLY SIGNED AND SEALED UNDER RULE 61G15-23.004, F.A.C.

GENERAL NOTES:

1. MAINTAINING AGENCY: POLK COUNTY

2. WHEN CONSTRUCTION IS COMPLETE, PROVIDE A SET OF "AS-BUILT" PLANS TO: POLK COUNTY
DIRECTOR OF TRAFFIC ENGINEERING
POLK COUNTY TRAFFIC OPERATIONS
3000 SHEFFIELD RD.
WINTER HAVEN, FL 33880

3. AT THE COMPLETION OF THE PROJECT, PROVIDE AS-BUILT PLANS IN ELECTRONIC FORM (PDF) TO: FDOT TRAFFIC OPERATIONS RENJAN JOSEPH, P.E., TSM&O ENGINEER 801 N. BROADWAY AVE P.O. BOX 1249 BARTOW, FL 33830-1249 EMAIL: RENJAN.JOSEPH@DOT.STATE.FL.US PHONE: 863-519-2746.

4. REQUEST UPDATED SIGNAL TIMINGS FROM FDOT TSM&O ENGINEER - ARTERIALS (863-519-2216) WHEN ALL LANES, STRIPING, SIGNALS AND PEDESTRIAN FACILITIES ARE IN THEIR FINAL CONFIGURATION AND THE SIGNAL IS OPERATING AS DESIGNED. PROVIDE FDOT WITH ALL 'AS-BUILT' INFORMATION NECESSARY TO DEVELOP THE BASIC SIGNAL TIMING PARAMETERS AND ALLOW THREE (3) WEEKS FOLLOWING THE REQUEST FOR FDOT TO DEVELOP THE UPDATED TIMINGS. PROGRAM THE CONTROLLER PER THE TIMINGS PROVIDED BY FDOT.

PAY ITEM NOTES:

1. 630-2-11:
USE A MINIMUM 2" DIAMETER PVC CONDUIT FOR ALL SIGNAL, PEDESTRIAN, AND DETECTION FUNCTIONS.

   INSTALL CONDUIT UNDER PROPOSED ROADWAY AND/OR SIDEWALK PRIOR TO INSTALLATION OF ROADWAY BASE AND SURFACE OR CONCRETE.

2. 632-7-2:
THIS ITEM IS TO INCLUDE ADDING AND ADJUSTING SIGNAL CABLE AS NEEDED TO ACCOMMODATE THE PROPOSED PLAN CHANGES. THIS ITEM IS NOT INTENDED TO REWIRE THE ENTIRE INTERSECTION. SIGNAL CABLE IS NOT TO BE SPLICED, ALL CABLE RUNS MUST CONNECT TO THE CONTROLLER WITHOUT SPLICES.

   A PERMANENT MARKING IS TO BE PLACED ON THE WIRE DESIGNATING THE PHASE USED.

   VERIFY THE COLOR CODE OF SIGNAL CABLE WITH THE MAINTAINING AGENCY PRIOR TO WIRING INTERSECTION.

3. 646-1-40:
PAY ITEM SHALL INCLUDE ALL NECESSARY ITEMS TO RELOCATE EXISTING PEDESTRIAN SIGNAL ASSEMBLIES, ALONG WITH UPDATING THE CLEARANCE TIMING.

4. 660-2-106:
INCLUDES MODIFYING THE EXISITNG CONTROLLER CABINET FOR THE CONNECTION OF THE PROPOSED LOOPS INTO THE CABINET.

   CONSTRUCT TYPE F LOOP ASSEMBLIES AS 30 FEET X 6 FEET AND PLACED 2 FEET IN FRONT OF STOP BAR.

   PERMANENTLY MARK EACH LOOP PER PHASE AND PER VEHICLE MOVEMENT AT EACH SPLICE POINT AND AT THE CABINET TERMINATION POINT.

   FOR INCREASED SENSITIVITY, INDUCTANCE LOOPS TO HAVE A MINIMUM OF THREE TURNS OF WIRE.

   IN NON-CURB AND GUTTER SECTIONS, CONTRACTOR SHALL INSTALL THE TWISTED PAIR AND LOOP LEAD-IN AS SHOWN IN DETAIL FOR INSTALLATION WITHOUT CURB AND GUTTER OF STANDARD PLAN 660-001 OF THE STANDARD PLANS, BOOKLET EDITION AS NOTED ON KEY SHEET. A TWO-INCH (2") CONDUIT SHALL BE INSTALLED TWO INCHES (2") UNDER THE PAVEMENT AT AN ANGLE OF 30-40 DEGREES.

Agenda Item H.5. 11/7/2023

SUBJECT

Approve an Asset Purchase Agreement between Millennial Property Investments Corp., Blue Falcon Operations Corporation and Polk County for the sale of the Rohr Home ($5,000,000 one-time revenue)

DESCRIPTION

The County is the owner and operator of a 60-bed skilled nursing facility known as the Rohr Home located at 2120 Marshall Edwards Drive in Bartow. In late 2022, the County issued a solicitation seeking bids from licensed nursing home operators interested in purchasing and privatizing the Rohr Home to continue providing these critical services within the community.

Following unsuccessful negotiations with multiple bidders, Millennial Property Investments Corp., a Florida nonprofit corporation, submitted a Letter of Intent to the County on March 14, 2023, proposing to purchase the Rohr Home property and operations for $5,000,000. On March 17, 2023, the Board directed staff to negotiate the sale to Millennial, without further consideration of the remaining bid submittals, based on Millennial's status as a local nonprofit entity organized for the purpose of owning and, together with Blue Falcon Operations Corporation, an affiliated non-profit entity (collectively, the "Buyer"), operating skilled nursing and long-term care facilities throughout Central Florida for the promotion of community interest and welfare.

The Buyer's nursing home administrator, Daniel J. Jones, has been licensed since 2011 and has operated facilities in Polk, Orange, Brevard, Hillsborough, and Osceola counties. Mr. Jones is a Bartow native, graduated from Bartow High School in 1995, and is familiar with the local physicians, staff and community. The Buyer will have 60 days following the Effective Date of the proposed Asset Purchase Agreement to make inspections and conclude its due diligence. Closing of the transaction shall occur on the later of 30 days thereafter or 10 days following Buyer's receipt of the license approvals from the Florida Agency for Healthcare Administration. At Closing, the County will grant an ingress/egress easement to Buyer for access to the property, and the County will retain a utility easement across the property for its fiber optic line(s), both as further described in the proposed agreement.

The County Attorney, Real Estate Services Administrator, and Health and Human Services Director have reviewed the proposed Asset Purchase Agreement and recommend approval.

RECOMMENDATION

(1) Approve the Asset Purchase Agreement between Polk County, Millennial Property Investments Corp., and Blue Falcon Operations Corporation, and (2) authorize the Real Estate Services Administrator to execute, on behalf of the County, closing documents pertaining to the proposed transaction, including, without limitation, affidavits and closing statements.

FISCAL IMPACT

Net proceeds from the sale will be deposited into the General Fund.

ASSET PURCHASE AGREEMENT

THIS ASSET PURCHASE AGREEMENT (this "**Agreement**") is entered into effective November 7, 2023 (the "**Effective Date**"), by and among **Polk County**, a political subdivision of the State of Florida ("**Seller**"), and **Millennial Property Investments Corp**, a Florida not-for-profit corporation (the "**RE Buyer**"), and **Blue Falcon Operations Corporation**, a Florida not-for-profit corporation (the "**Operator**"). RE Buyer and Operator are hereinafter collectively referred to as the "**Buyer**"). Seller and Buyer may be referred to herein as a "**Party**" and collectively as, the "**Parties**."

RECITALS:

A. Seller is the owner and operator of that certain 60-bed skilled nursing facility commonly known as the Rohr Home, located at 2120 Marshall Edwards Drive in Bartow, Florida (the "**Facility**"), and the real and personal property associated therewith.

B. Seller provides skilled nursing and other related services to patients at the Facility (collectively, the "**Business**").

C. Subject to the terms and conditions set forth herein, (i) Seller desires to sell and assign to Buyer and Buyer desires to purchase and assume from Seller substantially all of the assets and liabilities of the Facility with RE Buyer to become the owner of the real property associated therewith and Operator to become the operator of the Facility and the owner of all personal property associated therewith.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the Parties hereby agree as follows:

ARTICLE I.
PURCHASE AND SALE OF ASSETS

Section 1.01 Transfer of Assets.

(A) Upon the terms and subject to the conditions set forth in this Agreement, at the Closing (as hereinafter defined), except for the Excluded Assets (as hereinafter defined) Seller shall sell and RE Buyer or the Operator, as the case may be, shall buy, free and clear of all Claims, except for Permitted Exceptions (as hereinafter defined), all of the following assets, properties and rights associated with the Facility (collectively, the "**Purchased Assets**"):

(1) Real Property. All of Seller's right, title and interest in and to (i) the land commonly known as 2120 Marshall Edwards Drive, Bartow, Florida, as more particularly described on Exhibit A (the "**Land**"), (ii) the Facility and any and all other fixtures and improvements erected thereon, (iii) any rights of way, appendages, appurtenances, easements, sidewalks, alleys, gores or strips of land adjoining or appurtenant to the Land or any portion thereof and used in conjunction therewith, (iv) any development rights appurtenant to the Land or any portion thereof, including without limitation all leaseholds and subleaseholds therein, improvements, fixtures and fittings thereon, and easements, rights-of-way and other appurtenants thereto and improvements erected thereon (collectively, the "Real Property"), which shall include, without limitation, the existing parking lot adjacent to the Facility; and

(2) Personal Property. All right, title and interest to the other assets of Seller used in the operation of the Business (collectively, the "**Other Property**"), including without limitation:

(a) the tangible personal property (including all furniture, fixtures and equipment, machinery, manufactured and purchased parts, medical supplies and equipment) which is located within the Facility as of the Effective Date, including, but not limited to, the material tangible personal property set forth on Schedule 1.01(A)(2)(a), but specifically excluding the Excluded Assets (defined hereinafter), and any goodwill of Seller associated with the Business;

(b) The rights of Seller in and to the Assumed Contracts (as defined in Section 4.12(B);

(c) To the extent assignable by Seller, all licenses, permits, certificates of authority, certificates of need, registrations, accreditations, and certificates of occupancy issued by any Governmental Authority relating to the use, maintenance or operation of the Facility, running to, or in favor of, Seller, including, as more fully set forth on Schedule 1.01(A)(2)(c) (the "**Governmental Authorizations**");

(d) All consumable inventories of every kind and nature whatsoever (specifically including, but not limited to, all pharmacy supplies, nursing supplies, medical supplies, housekeeping supplies, laundry supplies, maintenance supplies, office supplies, dietary supplies, other supplies and food) located at the Facility and used solely in connection with the operation of the Business as currently conducted (the "**Supplies**"), which Supplies shall be in a quantity sufficient to allow for the orderly operation of the Business for a period of thirty (30) days after the Closing based upon average consumption of the Supplies over the twelve (12) months prior to Closing;

(e) To the extent assignable by Applicable Law, the Provider Agreements (as defined below);

(f) All existing agreements with residents and any guarantors thereof, to the extent assignable by Seller, provided that Seller shall retain any rights against the residents and any guarantors, and the residents and guarantors shall not be released from any obligations such parties owe to Seller to the extent that the same relate to the period prior to the Closing Date (as defined in Section 7.01) and

(g) All of the books, records (including all current resident and employee records in the form located at the Facility on the Closing Date), policies and procedures manuals, accounts, files, logs, ledgers and journals pertaining to or used in the operation of the Facility, including, but not limited to, employee records, and resident records, howsoever stored, including any electronic data stored on computer disks or tapes, and originals of any of the foregoing that relate to the Facility, to the extent that Seller has retained any such originals, except as otherwise provided herein (collectively, the "**Facility Records**"); and

(h) All comprehensive emergency management plans and any manuals used in connection therewith, including, without limitation life safety plans required by federal and state governmental authorities.

(B) Notwithstanding anything to the contrary contained in this Agreement, the assets of Seller listed on Schedule 1.01(B) shall not be transferred to Buyer and shall not constitute Purchased Assets (collectively, the "**Excluded Assets**").

(C) Seller shall transfer title to the Real Property to RE Buyer pursuant to a statutory county deed in substantially the form attached hereto as Exhibit B (the "**Deed**"), an Assignment and Assumption Agreement in substantially the form attached hereto as Exhibit C (the "**RE Assignment and**

Assumption Agreement"), and a Bill of Sale in substantially the form attached hereto as Exhibit D (the "**RE Bill of Sale**"), and such other documents and instruments as RE Buyer or its counsel may reasonably request. The Deed shall be subject only to (i) liens or other encumbrances for real estate taxes and assessments not yet due and payable; (ii) easements, rights of way, restrictions and other similar rights or conditions of record that do not materially interfere with the operation of the Business as currently conducted, including, without limitation, a utility easement for fiber optic cable in favor of the County to be granted at Closing and as more fully described on Schedule 1.01(C); (iii) the rights of residents pursuant to their occupancy agreements; (iv) applicable zoning and use laws and regulations to the extent the same are not violated by the improvements located at the Real Property as of the Closing Date (collectively, the "**Permitted Exceptions**").

(D) Seller shall transfer the Other Property to the Operator pursuant to an Assignment and Assumption Agreement in substantially the form attached hereto as Exhibit E (the "**Operations Assignment and Assumption Agreement**"), and a Bill of Sale in substantially the form attached hereto as Exhibit F (the "**Operations Bill of Sale**"), and such other documents and instruments as the Operator or its counsel may reasonably request.

(E) At any time and from time to time after the Closing Date, at the reasonable request of Buyer and without further consideration, Seller shall execute and deliver such other instruments of sale, transfer, conveyance, assignment and confirmation as may be reasonably requested in order to more effectively transfer, convey and assign to Buyer and to confirm Buyer' title to the Purchased Assets.

(F) **EXCEPT AS OTHERWISE SPECIFICALLY SET FORTH IN THIS AGREEMENT, IT IS EXPRESSLY AGREED THAT THE BUYER ACCEPTS THE FACILITY, THE PURCHASED ASSETS, AND ANY OTHER ASSET, PROPERTY, OR RIGHT TRANSFERRED BY SELLER TO THE BUYER, "AS IS, WHERE IS, AND WITH ALL FAULTS" AS OF THE CLOSING DATE. EXCEPT FOR THOSE EXPRESSLY SET FORTH IN THIS AGREEMENT, SELLER HAS NOT MADE ANY REPRESENTATION OR WARRANTY REGARDING ANY OF THE FOREGOING ASSETS, PROPERTIES AND RIGHTS OR ANY OTHER MATTER REGARDING OR RELATING TO THE TRANSACTIONS CONTEMPLATED HEREBY.**

Section 1.02 Purchase Price. In consideration for the transfer of the Purchased Assets, upon the terms and subject to the conditions set forth in this Agreement, the aggregate purchase price to be paid by Buyer for the Purchased Assets shall be Five Million and No/100 Dollars ($5,000,000.00) (the "**Purchase Price**"), all of which shall be paid by Buyer as follows:

(A) Deposit. Within two (2) business days following the execution of this Agreement, Purchaser shall deliver to Peterson & Myers, P.A., Attn: Michael J. Kincart, Esq. ("**Escrow Agent**"), as escrow agent, an earnest money deposit in the amount of Fifty Thousand and No/100 Dollars ($50,000.00) (the "**Deposit**"). The Deposit shall be held by the Escrow Agent and shall be released to Seller and credited towards the Purchase Price at Closing.

(B) Balance of the Purchase Price. The balance of the Purchase Price, as adjusted pursuant to this Agreement, shall be deposited in escrow with the Escrow Agent by wire transfer of immediately available funds no less than ten (10) days prior to the Closing Date and released to Seller at the Closing.

Section 1.03 Allocation of Purchase Price. The Purchase Price shall be allocated among the Purchased Assets purchased hereunder as set forth on Schedule 1.03, which shall be determined by Buyer and attached hereto prior to the Closing Date, provided that nothing set forth therein violates any rights or

obligations of Seller. RE Buyer and Operator shall duly and timely file Form 8594 with its appropriate tax returns. The Parties acknowledge and agree that Seller is a governmental entity and does not pay taxes.

Section 1.04 Taxes, Fees and Expenses Associated with Transfer of the Assets. Each Party shall bear its own expenses incurred in connection with the negotiation and preparation of this Agreement and with the transactions contemplated by this Agreement including, without limitation, due diligence and costs of counsel. Seller shall be responsible for and shall pay one hundred percent (100%) of: (a) all applicable conveyance fees, state and county transfer taxes, recordation taxes and all other similar taxes arising out of the consummation of the transactions contemplated hereby, if any, and fifty percent (50%) of: (x) the cost to issue the title commitments and exam fees and the owner's title policy premium, which shall not exceed the maximum rate permitted under Florida law, and (z) the escrow fee. Buyer shall pay one hundred percent (100%) of (a) any due diligence including the cost of any environmental reports, surveys, zoning reports, or any other reports that RE Buyer orders, (b) any extended coverage and endorsements to the owner's policy of title insurance (other than a mechanic's lien endorsement relating to mechanic's liens that were created during the period that Seller owned the Land, if applicable, which shall be paid by Seller), (c) any lender's policy of title insurance, including the premium and extended coverage and endorsements thereto, and (d) costs to record the Deed, and fifty percent (50%) of (i) the escrow fee, and (ii) the cost to issue the title commitments and exam fees and the owner's title policy premium, which shall not exceed the maximum rate permitted under Florida law. Except as set forth in this Section 1.04, Buyer and Seller shall each pay its own costs incurred in connection with the transactions contemplated herein, including all attorneys' fees and due diligence expenses.

Section 1.05 Expense and Deposit Prorations.

(A) All expenses arising from the operation of the Business, including, without limitation, franchise permit fees or "bed taxes," employee wages, salaries and accrued paid time off benefits, telephone expenses and utility charges shall be apportioned between Buyer and Seller as of the Effective Time (as defined in Section 7.01), in accordance with the principle that Seller shall be responsible for all expenses and obligations arising from the conduct of the business or ownership of the Facility before such time, and Buyer shall be responsible for all expenses and obligations arising from the conduct of the Business or ownership of the Facility after such time. In general, such apportionments shall be made so as to reimburse Seller for prepaid expense items and to charge Seller for any taxes or expenses that become due on or after the Closing Date to the extent that the same are attributable to periods before the Closing Date. The intent of this provision shall be implemented by Buyer remitting to Seller any invoices to the extent that the same reflect a service provided before the Closing Date and by Buyer assuming responsibility for the payment of any invoices which reflect a service provided or delivery date on and after the Closing Date.

(B) Buyer shall allow Seller to have access to the Facility's business office manager during normal business hours after the Closing Date and upon reasonable advance written notice to, among other things, facilitate the completion by Seller of its accounting and financial close for the month prior to the Closing Date and for Seller's fiscal year, and other financial/accounting related services related to the operation of the Facility by Seller prior to the Closing Date, provided that Seller shall exercise such access rights on terms which do not unreasonably interfere with the ability of the business office manager to perform his/her duties for Buyer from and after the Closing Date. Seller shall be responsible for any actual, out of pocket costs incurred by Buyer associated with its granting such access post-Closing. Seller's notice shall identify in reasonable detail the records and other information, if any, that Seller is seeking. For the avoidance of doubt, Buyer's actual, out-of-pocket costs do not include expenses that Buyer would otherwise incur such as, by way of example and not limitation, the business office manager's salary.

ARTICLE II.
REPRESENTATIONS AND WARRANTIES OF SELLER

As an inducement to Buyer to enter into this Agreement and to consummate the transactions contemplated hereby, Seller represents and warrants to Buyer as follows, all with respect only to the Facility and the Business and not with respect to any of Seller's other operations:

Section 2.01 Organization and Qualification of Seller. Seller is a political subdivision of the State of Florida validly existing and in good standing under the laws of the State of Florida.

Section 2.02 Power and Authority. Seller has full power and authority to own and hold its properties and to carry on its business as now conducted. Seller (a) has full power and authority to execute, deliver and perform this Agreement (including the Exhibits and Schedules hereto) and execute and deliver the other documents and instruments required of Seller as contemplated hereby (collectively, the "**Seller Documents**") and to consummate the transactions contemplated hereby and thereby and (b) has taken all necessary action to authorize and approve the execution, delivery and performance of this Agreement and the other Seller Documents and the consummation of the transactions contemplated hereby and thereby. This Agreement and the other Seller Documents have been duly and validly executed and delivered by Seller and constitute valid and binding obligations of Seller, enforceable against each of them in accordance with their terms.

Section 2.03 Validity, Etc. Neither the execution and delivery of this Agreement or the other Seller Documents, the consummation of the transactions contemplated hereby or thereby, nor the performance of this Agreement or the other Seller Documents and such other agreements in compliance with the terms and conditions hereof and thereof by Seller will: (i) violate, conflict with or result in any breach of any trust agreement, Certificate of Formation, bylaw, judgment, decree, ordinance, order, statute or regulation applicable to Seller; (ii) violate, conflict with or result in a breach, default or termination or give rise to any right of termination, cancellation or acceleration of the maturity of any payment date of any of the obligations of Seller or increase or otherwise affect the obligations of Seller under any law, rule, regulation or any judgment, decree, order, governmental permit, license or order or any of the terms, conditions or provisions of any mortgage, indenture, note, license, agreement or other instrument or obligation related to Seller or to any of abilities to consummate the transactions contemplated hereby or thereby, except for such defaults (or rights of termination, cancellation or acceleration) as to which requisite waivers or consents have been or will be obtained in writing prior to the Closing Date and provided to Buyer; (iii) violate any order, writ, injunction, decree, statute, ordinance, rule or regulation applicable to Seller; or (iv) result in the creation of any Claim upon the Business or the Purchased Assets.

Section 2.04 Financial Statements. Seller has furnished to Buyer the (a) Facility-specific schedules to Seller's financial statements of Seller at and for the fiscal years ended September 30, 2021 and September 30, 2022 (collectively, the "**Annual Financial Statements**"); and (b) the internally prepared facility specific trial balance of Seller as of August 31, 2023 (the "**Interim Balance Date**") and such trial balance (the "**Interim Balance**"). The Annual Financial Statements have been prepared in accordance with generally accepted accounting principles ("**GAAP**") for governmental agencies or political subdivisions of a state, consistently applied, and were prepared from the books and records of Seller. Such books and records are complete and correct in all material respects, accurately reflect all transactions of Seller, and have been made available to Buyer for examination. The Annual Financial Statements fairly present in all material respects the financial position of Seller as of the dates thereof and the results of its operations for the periods ended on the dates thereof. Since the Interim Balance Date, (i) there has been no change in the assets, liabilities or financial condition of the assets of Seller except for changes in the ordinary course of Business as currently conducted, and (ii) none of the business, financial condition, operations, property or

affairs of Seller has been materially, adversely and permanently affected as a result of COVID-19 infections within the Facility.

Section 2.05 Employment and Labor Matters. Except as set forth on Schedule 2.05, Seller is not a party to any collective bargaining agreement, employment agreement or other labor contract, and there are no pending or, to Seller's Knowledge, threatened labor disputes at the Facility including, but not limited to, any strike, slowdown, picketing, work stoppage, organizational activities or employee grievance process affecting the Facility. Seller has complied in all material respects with all Applicable Laws governing wage, hour, payroll and all other employment and labor matters. No Current Employee has any right to acquire or encumber any of the Purchased Assets. To Seller's Knowledge, no activity of any employee at a Facility as or while an employee of such Facility has caused a violation of any employment contract, confidentiality agreement, patent disclosure agreement or other contract to which such employee was a party. Schedule 4.05 lists all Current Employees, as defined below, of Seller in the Business on the date hereof, along with the amount of the current annual salaries and total compensation paid or due for services to each employee for the most recent fiscal year-end and the year-to-date, and a full and complete description of any commitments to or contracts with such Facility Employees with respect to compensation payable thereafter, if any.

Section 2.06 Real Property.

(A) As of the Closing, Seller will have good and marketable fee simple title to the Real Property, free and clear of all mortgages, liens, defects, encumbrances, conditions, exceptions, restrictions or other matters affecting title, subject only to the Permitted Exceptions.

(B) There are no pending or, to Seller's Knowledge, threatened condemnation actions or special assessments of any nature with respect to the Real Property.

(C) Seller has not received notice of, and Seller has no Knowledge of, any pending or contemplated change in any regulation or private restriction applicable to the Real Property or any part thereof, any pending or threatened judicial or administrative action, any action pending or threatened by adjacent landowners or other persons, or of any natural or artificial condition not disclosed to Buyer in writing, materially and adversely affecting the Real Property or any part thereof.

(D) There are no unpaid bills for services, labor or materials furnished to the Real Property or the Facility or any portion thereof which will remain unpaid as of the Closing Date.

(E) Seller is not a foreign person, as that term is defined in Section 1445 of the Internal Revenue Code of 1986, as amended (the "**Code**") and the applicable regulations.

(F) To Seller's Knowledge, Seller has not violated, in connection with the use, ownership, maintenance or operation of the Real Property and the conduct of the Business, any applicable federal, state, county and local statutes, laws, regulations, rules, ordinances, codes, standards, guidelines, or orders, as now in effect, relating to use, enjoyment, or access to the Real Property (including any improvements thereon) by persons with a disability, or to discrimination of such persons, including, without limitation, the Americans with Disabilities Act of 1990, 42 U.S.C. 12101 *et. seq.;* and the Fair Sellers Act of 1968, 42 U.S.C. 3601 *et seq.* There are no life safety code waivers currently in effect at the Facility.

Section 2.07 Powers of Attorney; Absence of Limitations on Competition, Guarantees. No power of attorney or similar authorization given by Seller which relates to the ownership or operation of the Facility or Land will remain in effect as of the Closing. No contract or agreement to which Seller's

properties or assets are subject limits the freedom of Seller or any successor in title thereto to compete in any line of business or with any Person.

Section 2.08 Governmental Approvals. Except as set forth on Schedule 2.08 or as otherwise expressly set forth herein, no registration or filing by Seller with, or consent or approval of or other action by, any Governmental Authority is or will be necessary for the valid execution, delivery and performance by Seller of this Agreement. Seller expressly agrees to provide its reasonable assistance to Buyer in connection with all applications and permits required by the Florida Agency for Health Care Administration ("AHCA") or any other Governmental Authority, provided that Buyer shall reimburse Seller for any actual, out of pocket expenses (excluding salaries of county employees) and costs that Seller may incur in the course of providing such assistance.

Section 2.09 Health Care Representations.

(A) Seller owns and/or possesses, and holds free from restrictions or conflicts with the rights of others, all material licenses, permits, certificates, accreditations, and other approvals required by a Governmental Authority for the operation of the Facility and will operate or cause the Facility to be operated in such a manner that such licenses shall remain in full force and effect. All material licenses and accreditations applicable to the business conducted at the Facility are set forth on Schedule 2.09(A). No proceeding is pending or, to Seller's Knowledge, threatened, seeking the revocation or limitation of any such license or accreditation. Seller has not received any notice from any Governmental Authority, accrediting body, or other applicable authority of (a) any violation, non-renewal, suspension or revocation of any such licenses or accreditations that has not been dismissed or cured, or (b) any failure by Seller to obtain any material licenses or accreditations required by any Applicable Law for the ownership, maintenance, use, occupancy or operation of the Facility as currently owned or operated.

(B) Except as disclosed on Schedule 2.09(B), to Seller's Knowledge, there are no outstanding inspections, surveys, or plans of correction, and no deficiencies exist in respect of any such inspections, surveys or plans of correction, nor has Seller been cited in the last two (2) years for substandard quality of care. There are no implemented bans, remedies, sanctions, prohibitions on payment, or limitations in effect with respect to the Facility, and no action has been taken or, to Seller's Knowledge, recommended, nor, to Seller's Knowledge, is there any basis for any action, by any Governmental Authority, either to revoke, withdraw or suspend its license to operate the Facility or to terminate or decertify any participation of the Facility in the Medicare or Medicaid programs. All survey deficiencies or other matters disclosed on Schedule 2.09(B) which can be corrected prior to the Closing Date will be corrected by Seller prior to the Closing Date, and Seller shall remain responsible for and, subject to Article IX, shall indemnify Buyers from the costs of any repairs or replacements required to correct any survey deficiencies and fines resulting from any survey deficiencies, as well as any monetary penalties of any type whatsoever relating to the operation of the Facility prior to the Closing Date or other matters discussed on Schedule 2.09(B) that are not corrected prior to the Closing Date and incurred prior to the Closing Date.

(C) The Facility is certified for participation in the Medicare and Medicaid programs and Seller has a provider agreement with each such government reimbursement program (collectively, the "**Provider Agreements**"). Except as identified on Schedule 2.09(C), all licensed beds at the Facility are dually Medicare and Medicaid certified. The Facility is in material compliance with the conditions of participation and conditions for coverage of the government reimbursement programs and with the terms, conditions, and provisions of the Provider Agreements. The Provider Agreements are each in full force and effect, and Seller does not have any knowledge of any fact or circumstance that would cause any such Provider Agreement not to remain in force or be renewed on and after Closing. Attached hereto on Schedule 2.09(C) is a true, correct, and complete list of all Medicaid and Medicare Provider Numbers (the "**Provider Numbers**") in the name of Seller, the Facility, or as otherwise specified which are currently used in

connection with the operation of the Facility. The Provider Numbers are active with CMS, the applicable Governmental Authority of the state where the Facility is located, and any other applicable Governmental Authority. There is no proceeding, audit, investigation or survey pending or, to Seller's Knowledge, threatened, involving any of the government reimbursement program or any other third-party payor programs, with respect to the Facility, and Seller has no reason to believe that any such proceedings, audits, investigations, or surveys are pending, threatened, or imminent.

(D) Neither Seller nor, to Seller's Knowledge, any current member, officer, director, or to Seller's Knowledge, employee of Seller has been (i) sanctioned pursuant to the Anti-Kickback Statute (42 U.S.C. §§1320a-7a or 1320a-8), the False Claims Act (31 U.S.C. §3729 et seq.), the Stark Law (42 U.S.C. §1395nn), or the regulations promulgated pursuant to such statutes, or any related or similar federal, state or local statutes or regulations governing referrals, fraud, waste, and abuse in the healthcare industry ("**Health Care Fraud and Abuse Laws**"); or (ii) convicted of a criminal offense under the Health Care Fraud and Abuse Laws. There are no pending or, to Seller's Knowledge, threatened Healthcare Fraud and Abuse Law investigations, proceedings, or actions (including any civil investigative demand, subpoena, or self-disclosure) involving Seller, any current member, officer, director or employee of Seller, or the Facility. Other than as set forth on Schedule 2.09(D), Seller has not received, within the last three (3) years, any notice (i) of the commencement of any proceeding under the Health Care Fraud and Abuse Laws or (ii) that the Facility, Seller, and/or any officer, director or employee of Seller is under investigation or involved in proceedings regarding the Health Care Fraud and Abuse Laws, including as a result of a self-disclosure. Seller and all agreements, arrangements, and operations of the Facility, have at all times been in material compliance with all of the Health Care Fraud and Abuse Laws.

(E) Neither Seller nor, to Seller's Knowledge, any current director, officer, or managing employee of Seller, is or has been party to a corporate integrity agreement, corporate compliance agreement, or other settlement agreement with the OIG, CMS, the United States Department of Justice, the applicable licensing and certification authority or authorities of the State in which the Facility is located (collectively, the "**Health Department**"), or any state Attorney General, as a result of an alleged violation of any Applicable Law. Neither Buyer nor to their knowledge any current director, officer, contractor, vendor, or employee of Buyer is listed on the OIG List of Excluded Individuals and entities, or has been suspended, excluded, or otherwise limited from participating in the Medicare program, Medicaid program, or any other government reimbursement program.

(F) Neither Seller (including its officers and directors), the Facility, nor to the Knowledge of Seller, any current contractor, vendor, or employee of Seller or the Facility is listed on the OIG List of Excluded Individuals and Entities, any state Medicaid suspension or exclusion list, or has been suspended, excluded, or otherwise limited from participating in any government healthcare programs within the last twenty-four (24) months. Seller conducts, in the normal course of business, upon hiring or engagement and monthly thereafter, searches of the Office of Inspector General of the United States Department of Health and Human Services' List of Excluded Individuals/Entities, nurse aide registry, child abuse and neglect registry, sex offender registry, motor vehicle record check, as applicable, and any other database checks to the extent required by any governmental requirement to confirm that its employees, independent contractors, consultants, and any other Persons providing services to the Facility are not currently excluded, debarred or otherwise ineligible to participate in programs administered by any Governmental Authority.

(G) Except as disclosed on Schedule 2.09(G), Seller's billing practices with respect to all third-party payors have been in material compliance with applicable laws, regulations and policies of such third-party payors, and neither Seller nor the Facility has been subject to any audit which revealed fraudulent Medicare or Medicaid procedures or practices within the prior five (5) years. The Business has not had any third-party payor agreement terminated within the past five (5) years. Neither Seller nor the

Business has billed or received any payment or reimbursement in excess of amounts allowed by law, except as disclosed to Buyer on Schedule 2.09(G). There is no audit, proceeding or investigation (except for medical reviews or claim reviews in the ordinary course of business) pending or, to Seller's Knowledge, threatened against either Seller or the Facility, involving any other third-party payor programs, including as a result of a self-disclosure.

(H) Except as disclosed on Schedule 2.09 (H), Seller has complied with all restrictions regarding the confidentiality, maintenance, use and disposal of any and all protected health information as defined in the Health Insurance Portability and Accountability Act of 1996, as amended ("HIPAA") and patient charts under all applicable legal requirements in connection with the operation of the Facility, including, without limitation, the requirements of HIPAA, the Health Information Technology for Economic and Clinical Health Act, and any business associate agreements entered into by Seller in connection therewith (each, a "Business Associate Agreement"). No "security incidents" or "breaches" (as such terms are defined in HIPAA) with respect to the Facility have occurred within the past six (6) years. To Seller's knowledge, there have been no breaches by any Person who has acted as a business associate, as defined by HIPAA, of Seller ("Business Associate") of any Business Associate Agreement or any violation by a Business Associate of HIPAA.

Section 2.10 Compliance with Law; Licenses and Permits.

(A) Without duplication of the other representations and warranties set forth herein, and except as disclosed on Schedule 2.10(A), Seller is in material compliance with all requirements of Applicable Law applicable to it, its operations, properties, assets, products and services. Seller has not received any notice or other communication (whether oral or written) from any Governmental Authority or any written communication from any other Person in connection with the Facility regarding (i) any actual, alleged, possible or potential violation of, or failure to comply with any requirement of Applicable Law, or (ii) any actual, alleged, possible or potential obligation on the part of Seller to undertake, or to bear all or any portion of the cost of, any remedial action of any nature.

(B) There is no existing requirement of Applicable Law, and, except for the requirement for COVID-19 vaccinations for employees of skilled nursing facilities and certain other providers participating in the Medicaid and Medicaid programs, Seller has no Knowledge of any proposed legal requirement which would prohibit or materially restrict Buyer from, or otherwise materially adversely affect Buyer in, conducting the Business in the manner heretofore conducted by Seller.

Section 2.11 Benefit Plans.

(A) As a county organized and existing under the laws of the State of Florida, Seller's employees are eligible to participate in certain plans and programs administered by the State of Florida and/or the Florida Retirement System including, without limitation, any of the following: (i) any "employee welfare benefit plan" or "employee pension benefit plan"; "multiemployer plan"; (ii) any retirement or deferred compensation plan, unemployment compensation plan, vacation pay, severance pay, bonus or benefit arrangement, insurance or hospitalization program or any other fringe benefit plans, as that term is defined in Section 6039D(d) of the Code (collectively, the "**State Employee Plans**"). Under no circumstances will any Buyer have any liability with respect to any State Employee Plan. Buyer acknowledges that Retained Employees will no longer be eligible to participate in any State Employee Plan after the Closing and that Buyer will, therefore, have to arrange equivalent plans if it wishes for Retained Employees to have such benefits on and after the Closing Date.

(B) Except as set forth on Schedule 2.11(B), none of the State Employee Plans promises or provides medical, life or other welfare benefits to any current or future retired employees, managers, members, directors or consultants (or any spouse or dependents thereof).

(C) Seller has complied in all material respects with the notice and continuation coverage requirements of Section 4980B of the Code and the regulations thereunder with respect to each Employee Plan that is a group health plan within the meaning of Section 5000(b)(1) of the Code. Each Employee Plan that is a group health plan is in material compliance with the Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act, to the extent applicable.

Section 2.12 Fixed Assets. Seller has good and marketable title to all of its fixed assets, free and clear of all Claims except for Permitted Exceptions. To Seller's Knowledge, all of such fixed assets are in good working order, normal wear excepted, and are sufficient to operate the Business as currently conducted in accordance with all applicable Laws and Seller's past practice.

Section 2.13 Insurance. Seller is, and will be through the Closing Date, self-insured in respect of its properties, assets and businesses, which insurance will remain in full force and effect with respect to all events occurring prior to the Closing Date. Prior to Closing, in the event Seller's general or professional liability insurance policy(ies) was maintained on a "claims made" basis, Seller will obtain "tail" insurance coverage, which may be provided by the same insurer as currently provides the current insurance coverage for the Facility, converting the current insurance for the Facility to a claims basis policy with an extended reporting period ending no sooner than the third (3rd) anniversary of the Closing (the "**Tail Insurance Coverage**"). Seller has not received notice of cancellation or non-renewal of any such policy or binder and is not aware of any threatened or proposed cancellation or non-renewal of any such policy or binder.

Section 2.14 Outstanding Contracts.

(A) Schedule 2.14 sets forth a list of all existing material contracts, agreements, leases, commitments, security deposits, licenses and franchises, to which Seller is a party or which are otherwise material to the Business or the Facility (collectively "**Material Contracts**"), whether written or oral. Seller has delivered or made available to (or will deliver or make available to Buyer pursuant to Section 4.12 hereof) Buyer true, correct and complete copies of all of the Material Contracts which are listed on Schedule 2.14. For those Material Contracts that are not in writing, if any, Schedule 2.14 sets forth a summary of the key terms and counterparties. All of the Material Contracts are in full force and effect and enforceable in accordance with their terms, except to the extent that the enforceability thereof may be subject to or affected by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, or other laws relating to or affecting the rights of creditors generally. Except as set forth on Schedule 2.14, Seller and, to Seller's Knowledge, each other Party thereto has materially performed all the obligations required to be performed by it. Seller has received no written notice of default under such contracts and to the Knowledge of Seller, is not in default (with due notice or lapse of time or both) under any of the Material Contracts.

Section 2.15 Intangible Property. Except for "off the shelf" commercial software acquired by Seller in the ordinary course of business, Seller owns the entire right, title and interest in and to all intangible property used in the operation of the Business as currently conducted (collectively, "**Intangible Property**"). There have not been in the past two (2) years and are currently no pending or, to Seller's Knowledge, threatened proceedings or litigation or other adverse Claims affecting or with respect to the Intangible Property. To Seller's Knowledge, there is no reasonable basis upon which a Claim may be asserted against Seller for infringement of any domestic or foreign letters patent, patents, patent applications, patent licenses and know-how licenses, trade names, trademark registrations and applications, common law trademarks, service marks, service mark registrations or applications, copyrights, copyright registrations or applications,

trade secrets or other confidential proprietary information in connection with its use of the Intangible Property.

Section 2.16 Taxes. Seller is a governmental entity and it is not subject to taxation. Seller has made all required governmental filings with respect to taxes, if any.

Section 2.17 Litigation. Except as set forth on Schedule 2.17, there is no: (i) Claim pending or, to Seller's Knowledge, threatened against or affecting the Business or, to Seller's Knowledge, the Facility (whether or not Seller is a Party or prospective Party thereto), at law or in equity, or before or by any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, including, without limitation, Claims under the False Claims Act (31 U.S.C. § 3729 *et seq.);* (ii) arbitration proceeding pending relating to Seller; or (iii) governmental inquiry pending or threatened against or involving Seller which relates to the Business. There are no outstanding orders, writs, judgments, injunctions or decrees served upon Seller by any court, Governmental Authority or arbitration tribunal against Seller which would affect the ability of Seller to consummate the transactions contemplated by this Agreement. Seller is not in default with respect to any order, writ, injunction or decree served upon it from any court or of any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign which would prevent Seller from timely consummating the transactions contemplated by this Agreement and, to Seller's Knowledge, there are no facts or circumstances which would be reasonably likely to give rise to any such action.

Section 2.18 Environmental Matters.

(A) Laws and Hazardous Substances. For purposes of this Agreement, the term "**Environmental Law(s)**" shall mean any federal, state or local statute, law, ordinance, code, rule, regulation, order or decree regulating, relating to or imposing liability or standards of conduct concerning any Hazardous Substance, as now or at any time hereafter in effect. For purposes of this Agreement, the term "**Hazardous Substance(s)**" shall have the meaning ascribed in any Environmental Law to any hazardous, toxic or dangerous waste, substance, pollutant or material, whether liquid, solid or gaseous, and in any event shall include all substances identified or characterized as "hazardous substances," "hazardous wastes," "pollutants," or "contaminants" in the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9601 *et seq.* and the regulations promulgated thereunder (as amended from time to time); the Clean Air Act, 42 U.S.C. 7401, *et seq.* and the regulations promulgated thereunder (as amended from time to time); the Resource, Conservation and Recovery Act, 42 U.S.C. 6901 *et seq.* and the regulations promulgated thereunder (as amended from time to time); or the Oil Pollution Act of 1990, 33 U.S.C. 2701 *et seq.* and the regulations promulgated thereunder (as amended from time to time); any other material, waste, pollutant, contaminant or substance designated as hazardous, toxic or dangerous by Congress or by the United States Environmental Protection Agency (EPA) or by any federal, state, or local statute, law, code, ordinance, rule, regulation, order or decree regulating, relating to, or imposing liability or standards of conduct concerning any hazardous, toxic, or dangerous material, waste, pollutant, contaminant or substance, as such statutes, laws, ordinances, codes, rules, regulations or decrees are now or at any time hereafter in effect; and oil, oil waste, and used oil as those terms are defined in the Clean Water Act, 33 U.S.C. 1251 *et seq.* and the regulations promulgated thereunder (as amended from time to time).

(B) Compliance with Environmental Laws. Except as otherwise disclosed in any third party written report provided to Buyer, to Seller's Knowledge, Seller has not violated any Environmental Laws in any material manner, in connection with the use, ownership, lease, maintenance or operation of the Real Property or the conduct of the Business as currently conducted. Any and all permits, licenses or approvals required by any Environmental Law pertaining to the Real Property or the Business as currently conducted are listed hereto in Schedule 2.18(B).

(C) Absence of Hazardous Substances. Except as otherwise provided in any third party report provided to Buyer or as set forth on Schedule 2.18(C), to Seller's Knowledge, Seller has never caused or permitted any Hazardous Substance to be placed, held, located or disposed of on, under or at the Real Property nor any part thereof in violation of any Environmental Law and neither the Real Property nor any part thereof has ever been used by Seller or by any other person as a dump site or storage site, whether permanent or temporary, for any Hazardous Substance, excepting only the storage and use of small quantities of commercially available cleaning products which contain Hazardous Substances, which use and storage have been in compliance with all Environmental Laws.

(D) Absence of Litigation. Seller is not a Party to any litigation or administrative proceeding, nor, to Seller's Knowledge, is any litigation or administrative proceeding threatened against Seller or the Land, which in either case asserts or alleges that: (i) Seller violated any Environmental Law; (ii) Seller is required to clean up or take other response action due to the release or threatened release or transportation of any Hazardous Substance; or (iii) Seller is required to pay all or a portion of the cost of any past, present or future cleanup, removal or remediation or other response action which arises out of or is related release or threatened release or transportation of any Hazardous Substance.

(E) Tanks. Except as otherwise disclosed in any third party written report provided to Buyer, to Seller's Knowledge, there are not now, nor have there ever been, tanks or other facilities on, under, or at the Real Estate which contained materials which, if known to be present in soils or groundwater, would require cleanup, removal or some other remedial action.

(F) Medical Waste. Except as otherwise disclosed in any third party written report provided to Buyer, to Seller's Knowledge, Seller's operations at the Facility are in compliance with the Medical Waste Laws. For purposes of this section "Medical Waste Law" means the following, including regulations promulgated and orders issued thereunder, all as may be amended from time to time: the Medical Waste Tracking Act of 1988, 42 U.S.C. § 6992, *et seq.* ("MWTA"), the U.S. Public Vessel Medical Waste Anti-Dumping Act of 1988, 33 U.S.C. § 2501 *et seq.,* the Marine Protection, Research, and Sanctuaries Act of 1972, 33 U.S.C. § 1401 *et seq.,* the Occupational Safety and Health Act, 29 U.S.C. § 651 *et seq.,* the United States Department of Health and Human Services, National Institute for Occupations Self-Safety and Health Infectious Waste Disposal Guidelines, Publication No. 88-119, and any other federal, state, regional, county, municipal, or other local laws, regulations, and ordinances insofar as they purport to regulate Medical Waste, or impose requirements relating to Medical Waste. For purposes of this section "Medical Waste" includes, but is not limited to: (a) pathological waste; (b) blood; (c) sharps; (d) wastes from surgery or autopsy; (e) dialysis waste, including contaminated disposable equipment and supplies; (f) cultures and stocks of infectious agents and associated biological agents; (g) isolation wastes, (i) equipment contaminated by exposure to any of the foregoing; (j) laboratory waste; (k) various other biological waste and discarded materials contaminated with or exposed to blood, excretion, or secretions from human beings; and (l) any substance, pollutant, material, or contaminant listed or regulated under the Medical Waste Laws, and applicable state law.

Section 2.19 Broker's or Finder's Fees. No agent, broker, person or firm acting on behalf of Seller is, or will be, entitled to any commission or broker's or finder's fees from Seller or from any person controlling, controlled by or under common control with Seller in connection with any of the transactions contemplated herein.

ARTICLE III.
REPRESENTATIONS AND WARRANTIES OF THE BUYERS

As an inducement to Seller to enter into this Agreement and to consummate the transactions contemplated hereby, Buyer represent and warrant to Seller as follows:

Section 3.01 Organization. Each Buyer is a not for profit corporation, duly organized, validly existing and in good standing under the laws of its jurisdiction of organization.

Section 3.02 Corporate Power and Authority. Each Buyer has full power and authority to own and hold its properties and to carry on its business as now conducted. Each Buyer (a) has full power and authority to execute, deliver and perform this Agreement (including the Exhibits and Schedules hereto) and execute and deliver the other documents and instruments required of such Buyer as contemplated hereby (collectively, the "**Buyer Documents**", and together with the Seller Documents, the "**Documents**") and to consummate the transactions contemplated hereby and thereby and (b) has taken all necessary corporate action to authorize and approve the execution, delivery and performance of this Agreement and the other Buyer Documents and the consummation of the transactions contemplated hereby and thereby. This Agreement and the other Buyer Documents have been duly and validly executed and delivered by each Buyer and constitute valid and binding obligations of each Buyer, enforceable against each of them in accordance with their terms.

Section 3.03 Validity, Etc. Neither the execution and delivery by Buyer of this Agreement and the other Buyer Documents, the consummation by Buyer of the transactions contemplated hereby or thereby, nor the performance by Buyer of this Agreement and such other agreements in compliance with the terms and conditions hereof and thereof will: (i) violate, conflict with or result in any breach of any trust agreement, articles of organization, operating agreement, judgment, decree, order, statute or regulation applicable to Buyer; (ii) violate, conflict with or result in a breach of or default (or give rise to any right of termination, cancellation or acceleration) under any law, rule or regulation or any judgment, decree, order, governmental permit, license or order or any of the terms, conditions or provisions of any mortgage, indenture, note, license, agreement or other instrument to which any Buyer is a Party; or (iii) violate any order, writ, injunction, decree, statute, rule or regulation applicable to Buyer.

Section 3.04 Litigation. Except as set forth on Schedule 3.04, there is no: (i) Claim pending or, to Buyer's Knowledge, threatened against or affecting the either Buyer or their respective properties and interests at law or in equity, or before or by any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, including, without limitation (1) arbitration proceeding; or (2) governmental inquiry pending or threatened against or involving Buyer. There are no outstanding orders, writs, judgments, injunctions or decrees served upon either Buyer by any court, Governmental Authority or arbitration tribunal against either Buyer or their respective parents or affiliates which would affect the ability of Buyer to consummate the transactions contemplated by this Agreement. Neither Buyer nor their respective parents or affiliates is in default with respect to any order, writ, injunction or decree served upon it from any court or of any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign which would affect the ability of either Buyer to consummate the transactions contemplated by this Agreement.

Section 3.05 Broker's or Finder's Fees. No agent, broker, person or firm acting on behalf of either Buyer is, or will be, entitled to any commission or broker's or finder's fees from either Buyer or from any person controlling, controlled by or under common control with Buyer in connection with any of the transactions contemplated herein.

ARTICLE IV.
COVENANTS AND AGREEMENTS

Section 4.01 Cooperation. Each of the Parties hereto shall use its best efforts in good faith to perform and fulfill all conditions and obligations to be fulfilled or performed by it hereunder to the end that

the transactions contemplated hereby will be fully and timely consummated in accordance with this Agreement.

Section 4.02 Efforts. Seller and Buyer shall each use commercially reasonable efforts to procure upon reasonable terms and conditions all consents and approvals, completion of all filings, all registrations and certificates, and satisfaction of all other requirements prescribed by law which are necessary for the consummation of the transactions contemplated by this Agreement and Buyer' ownership and operation of the Facility and the Business after the Closing Date.

Section 4.03 Investigations. During the period beginning on the Effective Date and continuing for sixty (60) days thereafter (the "**Due Diligence Period**"), and upon prior written notice from Buyer, Seller shall give Buyer and their employees, accountants, attorneys, agents, contractors, and other authorized representatives (collectively, "**Buyer's Representatives**") reasonable access during regular business hours to the premises, properties, books and records of the Business, and furnish Buyer with such financial and operating data respecting the Business and the Real Property as Buyer shall reasonably request from time to time, provided that Buyer must be accompanied by Seller or Seller's representative with respect to any such access and shall not communicate with any Facility employees without Seller's explicit permission, which permission may be granted or withheld in Seller's sole discretion. Under no circumstances shall Buyer or any Buyer Representatives communicate or attempt to communicate with any residents of the Facility or their family members, attorneys-in-fact, friends or visitors. Seller shall use commercially reasonable efforts to respond to Buyer's requests for information within three (3) business days of receipt of such request; provided that such requests shall be addressed to Seller's internal and external legal counsel. Any investigation shall be conducted in a manner which does not unreasonably interfere with business operations of the Facility. Furthermore, such due diligence access by Buyer or the Buyer Representatives may be limited to the extent Seller reasonably determines, including, without limitation, in light of the COVID-19 pandemic (taking into account any "shelter- in-place" or similar order issued by a Governmental Authority), that such access would jeopardize the health and safety of any of the Facility's residents, employees and other individuals having business dealings with Seller; provided, however, that Seller shall use commercially reasonable efforts to allow for such access or as much of such access as is possible in a manner that does not jeopardize the health and safety of such individuals. Buyer shall comply, and shall cause its representatives to comply, with all of Seller's policies and procedures related to infection control and the COVID-19 virus when accessing the Facility's, including but not limited to the proper use of personal protective equipment. In the event that Buyer is not satisfied with the results of its investigations in Buyer' sole and absolute discretion, then Buyer may terminate this Agreement by providing written notice to Seller prior to the expiration of the Due Diligence Period, whereupon the Deposit shall be returned to Buyer and the Parties shall have no further rights or obligations hereunder. If Buyer does not otherwise terminate this Agreement prior to the expiration of the Due Diligence Period, then, following such expiration, the Deposit shall be non-refundable to Buyer except as otherwise expressly set forth herein. In exercising its rights pursuant to this Section 4.03, Buyer and the Buyer Representatives shall not cause any material disruption or interference to the operations of the Facility or the residents.

Section 4.04 Liabilities of Seller. Except as expressly set forth herein, Buyer shall not assume and shall not be liable for, and Seller shall satisfy any debts, liabilities or obligations of Seller and with respect to the operation of the Facility and the Business prior to the Closing (collectively, the "**Excluded Liabilities**") including, but not limited to, any (i) expenses of the Facility that arise prior to the Closing, (ii) liabilities or obligations of Seller to its creditors, shareholders, members or owners, (iii) liabilities or obligations of Seller with respect to any Contracts, acts, events or transactions occurring with respect to the Facility prior to the Closing (other than obligations and liabilities under Assumed Contracts, as defined herein, that arise on or after the Closing), (iv) liabilities or obligations of Seller for any federal, state, county or local taxes applicable to or assessed against Seller or the assets or businesses of Seller for any period prior to the Closing Date, (v) any Recapture Claims, (vi) any State Employee Plans, as defined below,

including any liability relating to payroll, vacation, sick leave, workers' compensation, unemployment benefits, pension benefits, employee stock option or profit-sharing plans, health care plans or benefits, or any other employee plans or benefits of any kind for Seller's employees, spouses, dependents or contractors or former employees, spouses, dependents or contractors or both which was incurred prior to the Closing Date, (vii) any liabilities that arise from the fraud or willful misconduct of Seller, or (viii) any other liability or obligation of any kind or nature arising from, out of or relating to Seller's ownership or operation of the Facility, the Business or any activity of Seller prior to the Closing Date, including Seller's violation of any state or federal health care laws.

Section 4.05 Employees.

(A) All employees currently providing services at the Facility (the "**Current Employees**") are listed on Schedule 4.05(A), including: (i) all of the vacation, sick, holiday, personal time-off, and any other paid time off of all such employees, whether vested or unvested, to the extent it was accrued as of the most recent payroll date and remains unused ("**ETO**"), (ii) the current base salaries or wage rates of such employees, (iii) each Current Employee's date of hire or commencement of most recent employment, and (iv) each Current Employee's position. Buyer shall not be bound by or assume any employment contracts to which Seller may be a party.

(B) Operator shall determine, in its sole discretion, which of the Current Employees shall be offered employment with Operator, pursuant to employment terms acceptable to Operator; provided, however, that Operator does not intend to offer employment with Operator to those individuals set forth on Schedule 4.05(B). If required, Seller shall provide advance notice under the Worker Adjustment and Retraining Notification ("**WARN**") Act, 29 U.S.C. § 2101 et seq., and any comparable law of the state of Florida, to all of its employees. Those Current Employees who receive and accept an offer of employment from Operator are referred to herein as the "**Retained Employees**."

(C) Subject to Article IX, Seller agrees to indemnify, defend and hold harmless Buyer and Operator from any liability relating to the WARN Act or any comparable State law in the event of the violation by Seller of its obligations under Section 4.05(B) of this Agreement, including a violation that results from allegations that Operator or its affiliates constructively terminated the Employees as a result of the terms and conditions of employment offered by Operator or its affiliates.

(D) Nothing in this Section 4.05, however, shall create any right in favor of any person not a party hereto, including without limitation, the Current Employees, or constitute an employment agreement or condition of employment for any employee of Seller or any affiliate of Seller who is a Current Employee. Operator or its affiliates shall provide group health coverage for the Retained Employees who qualify for its coverage as soon as possible after the Closing Date, in accordance with the standard terms, conditions and waiting periods of Operator's or its affiliates' group health plan.

(E) Seller shall remain responsible and liable for the obligation to provide all ETO and any other earned vacation, sick pay, and other paid time off to all Current Employees as of the Closing Date (the "**Accrued ETO**"), on or before the Closing Date. The Parties agree that the amount of Accrued ETO may be deducted from the Purchase Price upon their mutual agreement.

(F) At a time mutually agreed to by Seller and Operator but not less than ten (10) days prior to the Closing Date for Facility's administrator and director of nursing and five (5) days for all other personnel, Operator shall notify the Current Employees of the transactions contemplated in this Agreement (the "**Employee Notification**"). Following the Employee Notification, Operator shall be entitled to meet and talk to all of the Current Employees at times reasonably agreed upon by the parties to avoid disrupting the Facility, their residents and the Current Employees.

(G) Operator or its affiliates shall hire as of the Effective Time, on such terms as Operator or its affiliates are able to reach agreement, the Retained Employees. Seller shall reasonably cooperate with Operator or its affiliates and provide reasonable access to the Retained Employees to allow Operator or its affiliates to obtain all necessary information from the Retained Employees reasonably required by Operator to complete the onboarding process for the Retained Employees at a time mutually agreed to by Seller and Operator.

(H) Upon reasonable advance written notice to Operator and at reasonable times that will not, in any material respect, interfere with or disrupt the business of Operator at the Facility, Operator or its affiliates agree to provide Seller with reasonable access to the Facility's employees after the Closing Date if necessary for Seller's defense of any litigation, action, claim, demand or investigation relating the operation of the Facility prior to the Closing Date including, without limitation, any professional liability or general liability matters. Seller agrees not to disrupt Operator's Business during any such period of access.

Section 4.06 Medicare; Medicaid; and Other Third-Party Payors.

(A) Operator shall not assume Seller's rights and interests in and to Seller's Medicare Provider Numbers and Medicare provider reimbursement agreements.

(B) At Operator's election, Operator shall assume any and all of Seller's rights and interests in and to Seller's Medicaid provider number and Medicaid provider reimbursement agreement with respect to the Facility, by filing of the Medicaid provider number change of ownership application.

(C) Except as otherwise provided by applicable law, Operator expressly does not assume, and the assumption by Operator of Seller's Medicaid provider agreement shall not be construed to impose upon Operator, any obligations under Seller's Medicaid Provider Agreement arising with respect to occurrences during Seller's operation of the Facility, provided that nothing contained herein shall limit Operator's liability to governmental authorities and to Seller for any use or misuse of Seller's Medicaid Provider Agreement which is any way contrary to applicable law, regulation or agreement including, without limitation, for any claimed fraud or error. Likewise, except as otherwise provided by applicable law, Seller expressly does not assume, and the assumption by Operator of Seller's Medicaid provider agreement shall not be construed to impose upon Seller, any obligations under Seller's Medicaid provider agreement arising with respect to occurrences during the Operator's operation of the Facility.

(D) Seller shall also assign to Operator as of the Closing Date any managed care agreements and other commercial third party payor agreements with respect to the Facility, to the extent such agreements are assignable. If such managed care agreements and other commercial third party payor agreements are not assignable, Operator may bill under Seller commercial managed care provider plans until Operator is able to secure its own commercial managed care provider plans, pursuant to the rules of the managed care organizations, provided that such billing by Operator is permitted under the applicable agreements and applicable law or regulation.

(E) Facility does not benefit from any contracts (a "**VA Contract**") between Seller and the Department of Veterans Affairs (the "**VA**").

(F) For the avoidance of doubt, Seller shall be entitled to transfer all cash and other immediately available funds that may exist in the Business' bank, investment or other financial accounts to other accounts owned by Seller at any time prior to 11:59 pm on the last business day prior to the Closing Date.

Section 4.07 Survey and Title Insurance. Prior to the Effective Date, Seller has provided the most recent ALTA survey of the Real Property to Buyer. Promptly following the Effective Date, Buyer shall order a survey or survey update (including such Schedule A items to the ALTA Survey as Buyer may reasonably require) of the Real Property (the "**Survey**"), and also shall order an ALTA title insurance commitment with exceptions (the "**Title Commitment**"), issued by Peterson & Myers, P.A., as an agent for a nationally recognized title company acceptable to Buyer (the "**Title Company**"), committing to issue to RE Buyer an owner's policy of title insurance with respect to the Real Property with such endorsements as may be required by Buyer (the "**Title Policy**"). As used herein, the "**Title Objection Period**" shall mean (i) the period ending on the last day of the Due Diligence Period, if Buyer has received the Title Commitment and Survey at least ten (10) calendar days prior to the expiration of the Due Diligence Period or (ii) the period ending ten (10) calendar days after receipt of the Title Commitment and Survey, if Buyer has received the Title Commitment and Survey after the date that is ten (10) calendar days prior to the expiration of the Due Diligence Period.

During the Title Objection Period, Buyer shall notify Seller in writing of any encumbrances reflected on the Survey or the Title Commitment that do not constitute Permitted Exceptions and are not acceptable to Buyer (the "**Title Objections**"), provided that any Title Objections shall be commercially reasonable. For the avoidance of doubt, "commercially reasonable", as used in this Section 4.07, includes, without limitation, any encumbrance that would materially and negatively affect the operation of the facility as it is currently conducted or the cost thereof. Buyer shall have five (5) business days following receipt of any amended or updated Title Commitment or Survey in which to provide updated Title Objections to Seller. Seller shall have a period of five (5) business days after its receipt of notice of the initial, and any subsequent Title Objections (the "**Response Period**") within which to notify Buyer of the election, in Seller's sole discretion, either to attempt to cure such Title Objections prior to the Closing or decline to attempt to cure such Title Objections. If Seller elects to not attempt to cure such Title Objections, Buyer may elect, by delivery of written notice no later than five (5) business days after the expiration of the Response Period, to terminate this Agreement in its entirety, and receive a return of the Deposit, whereupon the Parties shall have no further rights or obligations hereunder. If Buyer elects to close the transaction without Seller's agreement to cure such Title Objections, then such Title Objection shall be deemed waived and shall become a Permitted Exception hereunder. If Seller elects to attempt to cure a Title Objection, completion of such cure shall be a condition of Buyer' obligation to consummate the Closing. Seller's failure to provide a response during the Response Period shall be deemed an election by Seller to cure any Title Objections. Notwithstanding anything to the contrary herein, whether or not included in the Title Objections, Seller shall be obligated to cure all encumbrances affecting the Real Property constituting (A) liens securing a mortgage, deed of trust or trust deed made by Seller; (B) judgment liens against Seller; (C) broker's liens caused by Seller; (D) any mechanics' liens or materialman's liens caused by Seller; and (E) violations which can be rectified by the payment of money, at or before Closing.

Section 4.08 Environmental and Engineering Reviews. Buyer may conduct or have conducted, at its own cost and expense, professional reviews with respect to the environmental and engineering condition of the Real Property (collectively, the "**Reports**"). In the event any condition set forth in the Reports is not satisfactory to Buyer in Buyer's sole and absolute discretion, then Buyer may terminate this Agreement by providing written notice to Seller prior to the expiration of the Due Diligence Period, whereupon the Deposit shall be returned to Buyer and the Parties shall have no further rights or obligations hereunder.

Section 4.09 Inspection Indemnity and Insurance.

(A) Buyer shall indemnify, defend and hold Seller and its affiliates, partners, members, managers, shareholders, investment managers, trustees, directors, officers, employees and agents (including any management company) of each of them and their respective successors and assigns (collectively,

"**Seller Indemnified Parties**") and the purchased assets harmless from and against any and all damages, liabilities, losses, claims, liens, costs or expenses (including, without limitation, reasonable attorney's fees) arising out of any entry on the Facility by Buyer, or their agents in the course of performing the inspections, testing or inquiries provided for in this Agreement, including without limitation damage to the Real Property or release of Hazardous Materials or materials onto the property by reason of Buyer or their agents' actions, except that Buyer shall incur no liability to the extent attributable to (1) acts or omissions of Seller or its agents and (2) the mere discovery of existing conditions. The foregoing indemnity shall survive the termination of this Agreement and/or conveyance of the Purchased Assets.

(B) Without limiting Buyer's obligations under Section 4.09(A) above, Buyer shall carry or shall cause any of Buyer' agents entering onto the Real Property to carry, at all times during the term hereof, liability insurance reasonably acceptable to Seller which, among other things, shall insure against the indemnification obligations described in Section 4.09(A) above.

Section 4.10 Confidentiality. Each Party hereto and its respective agents, representatives and employees shall protect and maintain the confidentiality of all matters and information related to and contemplated by this Agreement and the acquisition of the Facility, including, but not limited to, all information collected by Buyer pursuant to their due diligence review of the Facility (collectively, "**Confidential Matters**"), provided that nothing contained herein shall be deemed to restrict Seller's obligations, as a governmental agency, under applicable law to provide public notice of transactions to which Seller is a party or otherwise limit Seller's legal obligations as a public body. Each Party agrees to reveal any Confidential Matters only to such persons or to their respective consultants, attorneys, affiliates and advisors; or to any lender or investor of Buyer or any permitted assignee, who have a need to know such information for purposes of consummating the transactions contemplated herein and each Party shall inform all such persons of its and their obligations under this Section 4.10. Notwithstanding anything in this Agreement to the contrary, a Party may disclose Confidential Matters as required by Applicable Law or pursuant to court order, provided that the disclosing Party shall promptly provide the non-disclosing Party with written notice of such request or requirement (a "**Disclosure Notice**") within time to permit the non-disclosing Party to seek a protective order or such other remedy as may be available under applicable law or court order or rule. Only the non-disclosing Party shall have the right to waive compliance under this Section and any such waiver must be in writing signed by an authorized representative of such non-disclosing Party. Notwithstanding the foregoing, in the event that a waiver or protective order is not timely received through no fault of the disclosing Party and the disclosing Party is advised by legal counsel that they are legally obligated to disclose certain Confidential Matters, then the disclosing Party may disclose only such Confidential Matters that are legally required to be disclosed in response to the Demand. Buyer shall be entitled from time to time to meet with governmental officials in conducting its due diligence and to determine if the Purchased Assets are in compliance with and not in violation of, applicable zoning and building codes. The confidentiality obligations set forth in this Section shall survive any termination of this Agreement. Notwithstanding anything to the contrary contained herein, Buyer acknowledges that this Agreement shall be presented to the Board of County Commissioners for Polk County, Florida, for approval at a public meeting and shall be made available for public viewing in advance of such meeting. Buyer expressly agrees that neither of these occurrences shall constitute a breach of this Section 4.10 or any other provision of this Agreement.

Section 4.11 Casualty; Condemnation.

(A) If, prior to the Closing, all or a material part of the Facility (taken as a whole) is destroyed or materially damaged by fire or other casualty, Seller shall promptly notify Buyer of such fact. For purposes of this Section 4.11, a "material" part of the Facility means a portion of the Facility without which the Business as currently conducted cannot be conducted and such portion cannot be reasonably be expected to be repaired or replaced within the following sixty (60) days. In such event that

any loss can be reasonably expected to be repaired or replaced within sixty (60) days after the loss, then the Closing Date shall be extended by such 60-day period. If any such loss cannot reasonably be expected to be repaired or replaced within sixty (60) days from and after the loss, then Buyer shall have the right to terminate this Agreement by giving notice thereof to Seller not later than ten (10) days after receiving Seller's notice (and, if necessary, the Closing Date shall be extended until the second Business Day after the expiration of such ten-day period). If Buyer elect to terminate this Agreement as aforesaid, the Deposit shall be paid to Buyer, whereupon, this Agreement shall terminate and be of no further force and effect and no party shall have any rights or obligations hereunder. If less than a material part of the Facility (taken as a whole) shall be affected or if Buyer shall not elect to terminate this Agreement as aforesaid, Buyer shall receive a credit against the Purchase Price at the Closing for the amount of said damage and Seller shall be entitled to all of the proceeds, if any, under Seller's insurance policies covering the Facility with respect to such damage or destruction..

(B) If, prior to the Closing, all or any material part of the Facility (taken as a whole) is taken by condemnation or eminent domain (or becomes the subject of a pending condemnation or taking which has not yet been consummated), or the Facility or a material part of the Real Property becomes subject to an actual or proposed conveyance to a condemning authority in lieu of a condemnation, Seller shall notify Buyer of such fact promptly after obtaining knowledge thereof and Buyer shall have the right to terminate this Agreement by giving notice thereof to Seller not later than ten (10) days after the giving of Seller's notice (and, if necessary, the Closing Date shall be extended until the second day after the expiration of such ten-day period). If Buyer elect to terminate this Agreement as aforesaid, the Deposit shall be paid to Buyer, whereupon, this Agreement shall terminate and be of no further force and effect and no party shall have any rights or obligations hereunder. If less than a material part of the Facility (taken as a whole) shall be affected or if Buyer shall not elect to terminate this Agreement as aforesaid, the sale of the Facility shall be consummated as herein provided without any adjustment to the Purchase Price (except to the extent of any condemnation award received by Seller prior to the Closing) and Seller shall assign to Buyer at the Closing all of Seller's right, title and interest in and to all awards, if any, for the taking, and Buyer shall be entitled to receive and keep all awards for the taking of such Facility or portion thereof. For purposes hereof, a "material part" shall be deemed to mean a taking of any portion of the building(s) associated with the Facility or which adversely affects access to the Facility or reduces the parking area by more than ten percent (10%) or below the minimum parking required pursuant to Legal Requirements.

(C) In the event this Agreement has not been terminated in accordance with the provisions of this Section 4.11, then the Parties shall proceed to the Closing and (i) in the case of a casualty, Seller shall assign to RE Buyer its right to receive all insurance proceeds available for repairs and restoration and RE Buyer shall receive a credit against the Purchase Price at Closing in an amount equal to the deductible associated with the aforesaid insurance proceeds and (ii) in the case of a condemnation, RE Buyer shall receive a credit against the Purchase Price at Closing in an amount equal to the proceeds of any condemnation award received by Seller, and, to the extent there shall be any remaining award to be paid, Seller shall execute and deliver such assignment to RE Buyer of Seller's right, title and interest in and to such award as shall be reasonably and mutually acceptable to RE Buyer and Seller.

Section 4.12 Material Contracts.

(A) Within ten (10) days following the Effective Date, Seller shall deliver to Buyer true, accurate and complete copies of all Material Contracts not previously provided to Buyer.

(B) If Buyer wishes to assume any of the Material Contracts, then at least sixty (60) days prior to the Closing, Buyer will provide Seller with a list of the Material Contracts, that each Buyer will assume as of the Closing Date (the "**Assumed Contracts**"). In accordance with the terms of the RE Assignment and Assumption Agreement and the Operations Assignment and Assumption Agreement, as

applicable, Seller shall assign to the applicable Buyer all of Seller's rights, title and interest in, to and under the Assumed Contracts. Any Contracts that are not Assumed Contracts hereunder shall be referred to herein as the "**Rejected Contracts**." Seller shall remain responsible for all liabilities and obligations (i) under the Rejected Contracts, (ii) under the Assumed Contracts to the extent such liabilities and obligations arise prior to the Closing Date, and (iii) for services or supplies which were performed or rendered prior to the Closing Date, and shall indemnify and hold Buyer harmless on account of the same. The indemnification obligations set forth in this Section 4.12(B) shall be subject to Article IX. Operator covenants and agrees to assume and be bound by all the terms and provision of the Assumed Contracts to the extent applicable to or performed in any time period commencing as of the Effective Time, and to perform all obligations accruing pursuant to such Assumed Contracts on and after the Closing Date.

(C) To the extent any third party consent is required in connection with the assignment and assumption of the Assumed Contracts, Seller and Buyer shall cooperate to obtain any such consents. To the extent Seller shall be unable to obtain such third party consent, Buyer shall not assume such Assumed Contract, and such Assumed Contract shall be considered a Rejected Contract hereunder.

Section 4.13 Accounts Receivable; Proration.

(A) Seller shall have the right to bill and collect all unpaid accounts with respect to periods prior to the Closing Date (the "**Seller's Accounts Receivable**"). Seller's Accounts Receivable shall include all amounts due to Seller, whether billed or unbilled, prior to the Closing Date, for all services and ancillary services or products provided to any current or former residents at the Facility by Seller prior to the Closing Date and any accounts receivable arising from the rate adjustments which relate to periods prior to the Closing Date even if such adjustments occur after the Closing Date.

(B) Operator shall assume responsibility for the billing for and collection of payments on account of services rendered by it at the Facility on and after the Closing Date (the "**Operator's Accounts Receivable**") and shall be entitled to any payments made for services rendered following the Closing. Operator's Accounts Receivable shall include private pay or third party payor payments received by Seller that designate the dates of service, or other identifying data on the remittance received by Seller, as on or after the Closing Date, including payments that include any reimbursement with respect to payments or underpayments made to Operator for services rendered following the Closing. Any of Operator's Accounts Receivable that are paid to Seller shall be remitted to Buyer no later than thirty (30) days following the receipt of such payment, and until so deposited, shall be held in trust for the benefit of Buyer.

(C) For a period of nine (9) months after the Closing Date, (i) Seller shall provide Operator with an accounting by the fifteenth (15th) day of each month setting forth all amounts received by Seller during the preceding month with respect to accounts receivable, and upon reasonable advance notice and during normal business hours, and (ii) subject to all Applicable Laws, including, without limitation, the Health Insurance Portability and Accountability Act of 1996 ("**HIPAA**"), Operator shall have the right to inspect all receipts and other books and records of Seller in order to confirm Seller's compliance with the obligations imposed on it under this Section 4.13. Nothing in this Section 4.13 shall be deemed to limit in any way Operator's rights and remedies to recover accounts receivable due and owing to Operator under the terms of this Agreement. If the parties mutually determine that any payment hereunder was misapplied by the parties, the party which erroneously received such payment shall remit the same to the other within five (5) business days after such determination is made.

(D) Seller and Operator shall comply with all Applicable Law with respect to any grant payments, stimulus payments, retroactive rate adjustments, and any other payments and support paid with respect to the Facility in relation to COVID-19 relief efforts.

(E) On or before the Closing, Seller shall pay off any financing secured by the accounts receivable of the Facility and/or Purchased Assets or otherwise cause its lenders to release all security interest against such assets, file UCC-3 termination statements with respect to such released collateral and terminate any control agreements applicable to any deposit accounts in which the Facility's accounts receivables are deposited.

(F) The obligations of the parties to forward the accounts receivable payments pursuant to this Section 4.13 are absolute and unconditional and irrespective of any circumstances whatsoever which might constitute a legal or equitable discharge, recoupment, offset, counterclaim or defense of the parties, the right to assert any of which with respect to proceeds of any accounts receivable is hereby waived. All obligations under this Section 4.13 shall survive the Closing.

Section 4.14 Transfer of Resident Trust Funds.

(A) Prior to the Closing, Seller shall provide to Buyer a true, correct, and complete accounting (properly reconciled) of any resident trust funds held by Seller on the Closing Date for patients who are resident at the Facility as of the Closing Date, a copy of which shall be attached hereto as Schedule 4.14(A) ("**Resident Trust Funds**"). Within thirty (30) days following the Closing Date, Seller shall update the accounting set forth on Schedule 4.14(A), properly reconciled, as of the Closing Date.

(B) On the Closing Date, Seller shall transfer the Resident Trust Funds to bank accounts designated by Operator, and Operator shall, in writing, acknowledge receipt of and expressly assume all of Seller's financial and custodial obligations with respect thereto, it being the intent and purpose of this provision that, upon such transfer, Seller will be relieved of all fiduciary and custodial obligation with respect to the Resident Trust Funds delivered to Operator, and that Operator will assume all such obligations and be directly accountable to the residents with respect thereto insofar as any obligations pertain to the Resident Trust Funds after the transfer to Operator. For clarification purposes and notwithstanding the foregoing, Operator shall not assume any liability pursuant to the transfer of Resident Trust Funds arising prior to the transfer of the Resident Trust Funds by Seller.

Section 4.15 Access to Records; Operating Systems.

(A) On or before the Closing Date, to the extent permitted by law, Seller shall deliver to Operator the originals or copies of all of the books and records relating to operations at the Facility as of the Closing Date (the "**Facility Records**"), including the medical and financial records of current patients, by leaving all such records maintained in paper forms at the Facility and transferring all such records maintained electronically to Operator's systems as may reasonably be requested by Operator; provided, however, that nothing herein shall be construed as precluding Seller from removing from the Facility on the Closing Date its corporate or financial records which relate to its operations at the Facility. Seller shall use commercially reasonable efforts to remove from Facility Records transferred to Operator in paper forms any records relating to former residents of the Facility. Nothing herein shall prohibit Seller from maintaining a copy of any records to the extent allowed under applicable law as necessary for their efficient and lawful operation; provided, however, that Seller agrees that all information, records and data collected or maintained regarding residents of the Facility shall be confidential, and Seller shall preserve the existence and maintain the confidentiality of the resident records pursuant to this Agreement in accordance with federal and state law. At all times on and after the Closing Date, Operator shall allow Seller, at Seller's sole cost and expense, to have reasonable access during regular business hours upon reasonable prior written notice and to make copies of, the Facility Records, to the extent reasonably necessary to enable Seller to investigate and defend malpractice or employee or to file or defend cost reports and tax returns. To the extent that the Facility Records are maintained in an electronic format, the parties shall cooperate in good

faith to coordinate the electronic transfer to Operator all right, title and interest of Seller in and to all such Facility Records, in a manner mutually acceptable to the parties; provided however, that: Operator shall be responsible for any third party costs (such as Point Click Care charges) related to the transfer of patient records included within the Facility Records.

(B) Operator agrees to maintain such Facility Records that have been received by Operator from Seller, including patient records and records of patient funds until the later of (x) the expiration of any holding period required under Applicable Law or (y) thirty (30) days after the end of any survival period as set forth in this Agreement.

(C) Prior to the Closing Date, the Parties will work cooperatively to develop a plan to put Operator's operating systems in place at the Facility in order to insure orderly transition of the operations at the Facility, and each party will use its best efforts to coordinate logistics relating to the implementation of Operator's operating systems at the Facility.

(D) For a period not to exceed (60) days after the Closing Date, Seller shall cooperate with Operator to allow Operator to continue to access any electronic patient records which are not transferred to Operator at the Effective Time, in order to ensure a smooth continuation of care for the patients residing at the Facility, all in accordance with applicable law. Operator and Seller will work together with Seller's existing medical records vendor to identify the most efficient, cost effective and appropriate method for continued access to pre-Closing records for both Operator and Seller post-Closing.

Section 4.16 Facility Licenses and Provider Agreements; Cost Reports.

(A) Seller shall notify the Florida Agency for Health Care Administration ("**AHCA**") of the intended change of ownership of the Facility, and Buyer shall file the CHOW Application ("**Required Licensure Application**") in order to secure the required operating license for the facility in the Operator's name ("**New License**") and pay application fees ("**Application Fees**"), with AHCA, within ten (10) days of the Effective Date, and Buyer shall thereafter diligently pursue the Application including, without limitation, by providing any supplemental information, documents or payments as many be required by AHCA or other Governmental Agency within the timeframes requested by such Governmental Agency. Operator shall from time to time, upon request of Seller, advise Seller of the status of Required Licensure application.

(B) Operator covenants and agrees to submit, in each case within the time period required by Applicable Law: (1) a Medicare CMS 855A enrollment application; and (2) a Medicaid change of ownership application to obtain a new Medicaid provider agreement and number from the Florida Medicaid Program/AHCA (collectively, the "**Required Certifications**"). Operator shall use commercially reasonable efforts to obtain the Required Certifications promptly following the Closing Date, including promptly responding to any requests for additional information. Seller shall cooperate with Operator to the extent reasonably requested by Operator for Operator to obtain the Required Certifications. Operator shall from time to time, upon request of Seller, advise Seller of the status of the Required Certifications.

(C) Seller shall prepare and file with the appropriate Medicare, and Medicaid agencies their final cost reports in respect to its operation of the Facility as soon as practicable after the Closing Date, but in any event prior to the expiration of the period of time as may be required by law for the filing of each such final cost report under the applicable third party payor program, it being specifically understood and agreed that the intent and purpose of this provision is to ensure that the reimbursement paid to Operator for the period beginning on the Closing Date is not delayed, reduced or offset in any manner as a result of Seller's failure to timely file such final cost reports.

(D) Seller shall provide Buyer with reasonable assistance, to the extent that the same may be requested in writing by Buyer, in preparing and filing the Required Licensure Application as well as any other applications that may be required to reach Closing, including without limitation applications related to the Required Certifications , all at no cost to Buyer, provided that Buyer shall reimburse Seller for any actual out of pocket expenses (excluding the salary expense for Seller's employees) and costs that Seller may incur in the course of providing such assistance.

Section 4.17 Recapture Claims; Surveys; Civil Monetary Penalties.

(A) Each party hereto agrees to notify the other promptly after receipt of any notice of any claim by from the United States Department of Health and Human Services' Centers for Medicare & Medicaid Services ("**CMS**"), the United States Department of Health and Human Services Office of the Inspector General ("**OIG**"), or any other Governmental Authority with respect to any of the following, relating to the operation of the Facility prior to the Closing or funds received by Seller: (i) an alleged Medicare or Medicaid overpayment, or any other recoupment or adjustment to reimbursement, (ii) an alleged underpayment of any tax or assessment, (iii) an imposition of civil monetary penalties or other immediate sanctions, or (iv) any other governmental or third-party payor claims (collectively "**Recapture Claims**"). To the extent ascertainable on or prior to the Closing Date, Seller shall pay or cause to be paid any Recapture Claim which is for the periods prior to the Closing Date. In the event of any Recapture Claim levied after the Closing which relates entirely to the period of time prior to the Closing Date, Seller shall be entitled to contest such Recapture Claim, at its sole cost and expense, provided, however, that Operator shall be allowed to participate in all meetings, and be provided with copies of all audit adjustments and work papers. Operator agrees to reasonably cooperate with Seller in connection with any Recapture Claim after the Closing, and the parties shall reasonably cooperate to resolve any Recapture Claim to their mutual satisfaction. Notwithstanding anything to the contrary contained in this Section 4.17, in the event that any Governmental Authority or other third party payor source withholds or offsets amounts from Operator's Accounts Receivable as a result of such Recapture Claim, Operator shall be entitled to withdraw such amount so withheld or offset from the Indemnity Escrow within ten (10) days following Operator's written demand to Seller for payment and the provision of all documentation in support of such Recapture Claim. In the event that such amounts are recovered or restored to Operator in whole or in part, Operator agrees to provide Seller prompt notice of such recovery or restoration and pay the amount so received to the Escrow Agent to become part of the Indemnity Escrow, or if the Indemnity Escrow has been returned, to Seller, promptly upon receipt.

(B) Seller shall be responsible for the payment of all fines and penalties imposed by any Governmental Authority which fines and penalties arise in connection with any regulatory investigations, inspections, audits or surveys ("**Facility Surveys**") occurring prior to the Closing Date, or occurring thereafter but only to the extent of matters related to the operations of the Facility prior to the Closing Date. Fines or penalties issued after the Closing Date but specifically arising from a survey or inspection occurring prior to the Closing Date shall be the responsibility of Seller. Operator shall be responsible for the payment of all fines and penalties imposed by governmental authorities which fines and penalties arise in connection with any Facility Surveys on or after the Closing Date to the extent of matters related to the operations of the Facility on and after the Closing Date. Seller shall assist, as appropriate, Operator in establishing any plans of correction or other responses to be submitted by Operator after the Closing Date for Facility Surveys that relate to events or circumstances occurring prior to the Closing Date within the time allowed for such submissions; however, Operator's determination as to such plans of correction or other submissions shall be controlling and Operator, except as otherwise provided herein, shall be responsible for and bear all costs and expenses as a result of implementing such plans of correction or other submission.

(C) Seller shall provide to Operator, promptly after receipt of the same, any survey reports, waivers of deficiencies, plans of correction or any other investigation reports issued with respect to the Facility between the date hereof and the Closing Date and received by Seller. Seller shall notify Operator immediately upon the occurrence of any Facility Survey, regardless of whether the applicable Governmental Authority has issued a formal report or finding (such notice may be done verbally by telephone if promptly followed by written notification).

Section 4.18 RESERVED.

Section 4.19 Cooperation; Interim Operations of Facility.

(A) During the period between the Effective Date and the Closing Date (the "**Pre-Closing Period**"), Seller shall: (i) operate the Facility in a manner materially consistent with Applicable Law and Seller's past practices (both operational and financial); (ii) maintain the Purchased Assets in good order and condition (normal wear and tear excepted) to the extent required to operate the Facility consistent with Applicable Law and Seller's past practice, and refrain from delaying such repair and/or replacement as a result of the pending transfer; (iii) perform all material obligations under the Assumed Contracts that are due to be performed before the Closing Date; (iv) continue to market the Business and use commercially reasonable efforts to maintain census consistent with past practice; (v) maintain its normal inventory of Supplies, which shall be in quantities consistent with Applicable Law and past practices for operation of the Facility, and, without limiting the foregoing, to the extent depleted or replaced in the ordinary course, restock and replenish any portion of the Supplies consumed or used during the Pre-Closing Period with inventory of comparable quality and consistent with past practice; (vi) pay all taxes and assessments with respect to the Facility and other liabilities relating to the Purchased Assets as they become due; (vii) maintain insurance with respect to the Facility in accordance with current practices and all requirements of Applicable Law; and (viii) provide Buyer with true and correct updated accounts receivable aging reports, census reports (in sufficient detail to show the most recent patient mix and occupancy rate), and a report of all agency hours and utilization at the Facilities, current to the date provided. Seller shall provide no later than 30 days after the end of each month during the Pre-Closing Period, true and correct copies of updated monthly Financial Records to Purchaser which shall include a balance sheet, statements of income and expenses and cash flow.

(B) During the Pre-Closing Period, Seller shall not: (i) create or incur any material liability affecting the Purchased Assets or the Business (absolute or contingent) except for unsecured liabilities incurred in the ordinary course of business which shall be Excluded Liabilities of Seller following the Closing Date; (ii) mortgage, pledge or subject to any lien, or otherwise encumber any of the Purchased Assets with, any liens, encumbrances and security interests; (iii) sell or otherwise dispose of, or contract to sell or dispose of, any of Purchased Assets except consistent with the ordinary conduct of its Business; (iv) cancel any debts or claims with respect to the Business, except in the ordinary course of business; (iv) undertake any course of action materially inconsistent with its obligations under this Agreement; (v) decrease the private pay rates of the residents of the Facility, except with the prior written consent of Buyer, provided that Seller shall retain the right to make adjustments on the accounts of individual residents consistent with past practice; (vi) increase or promise to increase any wages or benefits of, or grant or promise to grant any bonuses to, any of the Current Employees except those reasonable bonuses and wage increases in the ordinary course of business consistent with Seller's past practice or as required under Applicable Law or existing agreements with employees; (vi) remove, discharge or transfer residents from the Facility to any other facility owned, operated or managed by Seller or any affiliate thereof, where such transfer is not in the ordinary course of business and not (a) for reasons relating to the health and well-being of the resident transferred, (b) for the election to transfer by the resident or his or her family or attorney-in-fact, or (b) otherwise required by law; (vii) cancel any Assumed Contracts or materially default in the performance of any Assumed Contracts, or obligation, or waive any material default or potential material

default by any other party, or waive, release, compromise, settle or assign any rights or claims under any Assumed Contracts; or (viii) cancel any of the Facility's third party payor agreements.

(C) During the Pre-Closing Period, Seller shall promptly notify Operator in writing of any fact, circumstance, event, or action, the existence, occurrence, or taking of which: (1) has had or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect (as defined in Section 10.22(F), or (2) has resulted in, or could reasonably be expected to result in, the failure of any of the requirements set forth in this Section 4.19. to be satisfied.

Section 4.20 Non-Competition.

(A) Seller shall not solicit any residents of the Facility for a period of twelve (12) months following the Closing. General advertisements not directed at any specific resident shall not be a violation of the foregoing.

(B) Seller shall not, for a period of eighteen (18) months after the Closing Date, own, operate, develop, or manage an assisted living facility, skilled nursing facility or continuing care retirement community within a sixty (60) mile radius of the Facility (excluding any facilities currently owned, operated or managed by Seller or its affiliate as identified on Schedule 4.20(B) hereto).

(C) For a period between the Effective Date and the Closing Date and for the twelve (12) month period following the Closing Date, Seller shall not, directly or indirectly, hire or solicit any Current Employees or encourage any such Current Employee(s) to not accept such employee(s) offer of employment with Operator or to leave such employment; provided, that nothing in this Section 4.20(C) shall prevent Seller or their affiliates from (x) engaging in any general solicitations or recruiting which are not directed specifically to any such Employee(s) or (y) hiring on or after the Closing Date any Current Employees who are not Retained Employees as of the Closing Date or any Retained Employees whose employment with Operator terminates, other than any such termination which follows a solicitation that is prohibited by this Section.

(D) Seller acknowledges that a violation of any provision of this Section 4.20 will result in substantial and irreparable damage to Buyer for which Buyer will not have an adequate remedy at law and for which money damages would not be a sufficient remedy, and Seller agrees that, in addition to all other remedies, in the event of any violation or alleged or threatened violation of any of the provisions of this Section 4.20, Buyer shall be entitled to equitable relief, including temporary or permanent injunctive relief and specific performance, in each case without being required to prove irreparable harm or damages, post a bond or otherwise provide security. This provision shall not in any way limit such other remedies as may be available to Buyer at law or in equity.

ARTICLE V.
CONDITIONS TO THE BUYERS' OBLIGATIONS

The obligation of Buyer to make deliveries to Seller pursuant to Section 1.02 hereof and to consummate the other transactions contemplated hereby is subject to the satisfaction, on or before the Closing Date, of the following conditions each of which may be waived by Buyer in their sole discretion.

Section 5.01 Consents. Subject to Section 4.02 and Section 4.16, Operator shall have obtained the New Licenses and Required Certifications or, if applicable, written confirmation from the applicable Governmental Authorities that the change of ownership of the Facility to Operator has been approved and the New Licenses and/or Required Certifications will be issued to Operator following the Closing (the "**License Approval**").

Section 5.02 Closing Documents. Seller shall have delivered to the Closing Agent duly executed and acknowledged counterparts of the documents described in Section 7.02 and such other certificates, documents and instruments required by this Agreement.

Section 5.03 Title Policy. The Title Company shall be committed, subject only to the payment of its usual customary premium at the Closing, to issue the Title Policy to RE Buyer, insuring that fee simple title to the Real Property is vested in RE Buyer in accordance with Section 4.07, provided that Buyer has diligently pursued obtaining the Title Policy including, without limitation, by timely and completely responding to any inquiries or requests for information or clarification that Buyer or its agents and attorneys may receive from the title company and that all fees which may be due to the title company are timely and completely paid by Buyer, with fifty percent (50%) of such fees reimbursed by Seller pursuant to a Closing Statement adjustment.

Section 5.04 Representations, Warranties and Covenants. The representations and warranties of Seller herein contained (considered individually and collectively) shall be true in all material respects as stated herein, both when made and with the same effect as though made again as of the Closing Date, and Seller shall have performed all obligations and complied with all covenants required by this Agreement to be performed or complied with by Seller prior to the Closing Date. In addition, Seller shall have delivered to Buyer a certificate, dated as of the Closing Date, to such effect.

Section 5.05 No Actions, Suits or Proceedings. As of the Closing Date, no action, suit, survey, investigation or proceeding brought by any person, corporation, Governmental Authority or other entity shall be pending or threatened, before any court or governmental body (i) to restrain, prohibit, restrict or delay, or to obtain damages or a discovery order in respect of this Agreement or the consummation of the transactions contemplated hereby, or (ii) which has had or may have a Material Adverse Effect on the condition, financial or otherwise, or prospects of the Business. No order, decree, injunction, or judgment of any court or governmental body shall have been issued restraining, prohibiting, restricting or delaying, the consummation of the transactions contemplated by this Agreement. No insolvency proceeding of any character including without limitation, bankruptcy, receivership, reorganization, dissolution or arrangement with creditors, voluntary or involuntary, affecting a Seller or the Business shall be pending, and Seller shall not have taken any action in contemplation of, or which would constitute the basis for, the institution of any such proceedings and Seller shall have delivered to Buyer a certificate dated as of the Closing Date, to such effect.

Section 5.06 No Material Adverse Effect. Since the Effective Date, there shall have occurred, no event, circumstance or other change in Seller or the Facility that has had a Material Adverse Effect that has not been corrected or resolved on or prior to Closing (including any applicable cure period as set forth in Section 8.01) to Buyer' satisfaction as determined in their reasonable discretion.

Section 5.07 Out of Compliance. At the Closing Date, the Facility shall not be Out of Compliance, as defined in Section 10.22 hereof, provided that Seller shall have the ability to cure any Out of Compliance condition within the time periods provided by Applicable Law if such periods are otherwise acceptable to RE Buyer's lender (the "**Adjournment Period**"). Buyer shall not terminate this Agreement during the Adjournment Period.

A party (a "**Waiving Party**") may waives a condition precedent to its performance hereunder either by stating the same in writing or by proceeding with the Closing despite the fact that one or more conditions precedent to its performance have not been satisfied.

ARTICLE VI.
CONDITIONS TO SELLER'S OBLIGATIONS

The obligation of Seller to transfer the Purchased Assets to Buyer and to consummate the other transactions contemplated hereby is subject to the satisfaction, on or before the Closing Date, of the following conditions, each of which may be waived by Seller in its sole discretion:

Section 6.01 Purchase Price. Buyer shall have delivered the Purchase Price to the Closing Agent on the Closing Date and shall have authorized and directed the Closing Agent to pay the same to Seller.

Section 6.02 Closing Documents. Buyer shall have delivered to the Closing Agent duly executed and acknowledged counterparts of the documents described in Section 7.03 and such other certificates, documents and instruments required by this Agreement, and shall have authorized and directed the Closing Agent to release the same to Seller.

Section 6.03 Representations, Warranties and Covenants. The representations and warranties of Buyer herein contained (considered individually and collectively) shall be true in all material respects as stated herein, both when made and with the same effect as though made again as of the Closing Date, and Buyer shall have performed all obligations and complied with all covenants required by this Agreement to be performed or complied with by Buyer prior to the Closing Date. In addition, each Buyer shall have delivered to Seller a certificate, dated as of the Closing Date, to such effect.

Section 6.04 No Actions, Suits or Proceedings. As of the Closing Date, no action, suit, survey, investigation or proceeding brought by any Person, corporation, Governmental Authority or other entity shall be pending or threatened, before any court or governmental body (i) to restrain, prohibit, restrict or delay, or to obtain damages or a discovery order in respect of this Agreement or the consummation of the transactions contemplated hereby. No order, decree, injunction, or judgment of any court or governmental body shall have been issued restraining, prohibiting, restricting or delaying, the consummation of the transactions contemplated by this Agreement. No insolvency proceeding of any character including without limitation, bankruptcy, receivership, reorganization, dissolution or arrangement with creditors, voluntary or involuntary, affecting Buyer shall be pending, and Buyer shall not have taken any action in contemplation of, or which would constitute the basis for, the institution of any such proceedings and Buyer shall have delivered to Seller a certificate dated as of the Closing Date, to such effect.

Section 6.05 License Condition. Operator shall have received the License Approval.

ARTICLE VII.
THE CLOSING AND CERTAIN CLOSING DOCUMENTS

Section 7.01 Time and Place of Closing. Upon the terms and subject to the satisfaction or waiver of the conditions contained in this Agreement, the closing of the transactions contemplated by this Agreement (the "**Closing**") shall take place by mail, or in person at the office of Peterson & Myers, P.A. (the "**Closing Agent**"), on the later of (i) the date that is thirty (30) days following the expiration of the Due Diligence Period or (ii) the date that is ten (10) days following Operator's receipt of the License Approvals and Governmental Authorizations or (iii) such other date that has been mutually agreed by the Parties (the "**Closing Date**"). The Closing shall be effective as of 12:01 a.m. EST on the Closing Date (the "**Effective Time**").

Section 7.02 Seller's Closing Documents. At the Closing, Seller will deliver or cause to be delivered to Buyer the following:

(A) All required consents of third parties to the sale conveyance, transfer, assignment and delivery of the Purchased Assets, as set forth on Schedule 7.02(A);

(B) A certificate of an officer of Seller certifying as of the Closing Date: (i) a true, correct, and complete copy of its Certificate of Formation and all amendments thereto as in effect on the Closing Date; (ii) a true, correct, and complete copy of the resolutions approved and adopted by Seller authorizing and approving the execution, performance and delivery of this Agreement and the transactions contemplated by this Agreement; and (iii) the incumbency of the duly authorized officers of Seller;

(C) The affidavits of Seller certifying as to its non-foreign status in accordance with Section 1445(b)(2) of the Code;

(D) Evidence of Tail Insurance Coverage;

(E) The Escrow Agreement as contemplated in Section 9.06 duly executed by the Seller;

(F) The certificates from Seller as contemplated in Section 5.04 and 5.05;

(G) The Deed duly executed by Seller;

(H) The RE Assignment and Assumption Agreement duly executed by Seller;

(I) The Operations Assignment and Assumption Agreement duly executed by Seller;

(J) The RE Bill of Sale duly executed by Seller;

(K) The Operations Bill of Sale duly executed by Seller;

(L) Such usual and customary affidavits and indemnities as the Title Company may reasonably require, including, without limitation, a so-called owner's affidavit in such form as will permit the Title Company to issue its title policy without exceptions for Parties-in-possession (other than the residents and Operator) or mechanic's liens or other so-called "standard exceptions" that are routinely deleted with a title affidavit; and

(M) All other documents, instruments and writings required to be delivered by Seller at or prior to the Closing Date pursuant to this Agreement or otherwise required in connection herewith.

Section 7.03 Buyer' Closing Documents. At the Closing, Buyer will deliver or cause to be delivered to Seller the following:

(A) The balance of the Purchase Price payable to Seller, as provided herein;

(B) The RE Assignment and Assumption Agreement duly executed by Buyer;

(C) The Operations Assignment and Assumption Agreement duly executed by the Operator;

(D) The certificates from Buyer as contemplated in Section 6.03 and 6.04; and

(E) All other documents, instruments and writings required to be delivered by Buyer at or prior to the Closing Date pursuant to this Agreement or otherwise required in connection herewith.

ARTICLE VIII.
TERMINATION

Section 8.01 Events of Termination. Prior to the Closing, this Agreement may be terminated and the transactions contemplated hereby abandoned as follows:

(A) by the mutual written consent of the Parties;`

(B) by Seller upon a breach in any material respect of any covenant or agreement on the part of Buyer set forth in this Agreement, or if any representation or warranty of Buyer shall have been materially breached or shall have been or become materially untrue, which breach is not cured within thirty (30) days of receipt of written notice of such breach;

(C) by Buyer upon a breach in any material respect of any covenant or agreement on the part of Seller set forth in this Agreement, or if any representation or warranty of Seller shall have been materially breached or shall have been or become materially untrue, which breach is not cured within thirty (30) days of receipt of written notice of such breach;

(D) by Buyer pursuant to Sections 4.03, 4.07, 4.08 and 4.11;

(E) by Buyer if AHCA, CMS, or any other Governmental Authority fails or refuses to grant the permits and licenses necessary for Buyer to operate the Facility and the Business, provided that Buyer has diligently pursued the Application and other permit or license applications and transfers including, without limitation, by providing any supplemental information, documents or payments as many be required by AHCA or other regulatory agencies;

(F) by Buyer, if Buyer's conditions to Closing set forth in Article V has not been satisfied by the date that is the later of (i) the Closing Date, or (ii) five (5) business days after the conclusion of any Adjournment Period (the "**Outside Closing Date**"); provided, however, that the right to terminate this Agreement under this Section 8.01(F) shall not be available to Buyer if Buyer's breach of its representations and warranties in this Agreement or its failure to perform any of its covenants and agreements under this Agreement shall have been a cause of, or resulted in, the failure of the condition to Closing to be satisfied by the Outside Closing Date; or

(G) by Seller, if Seller's conditions to Closing set forth in Article VI has not been satisfied by the Outside Closing Date; provided, however, that the right to terminate this Agreement under this Section 8.01(F) shall not be available to Seller, if Seller's breach of its representations and warranties in this Agreement or its failure to perform any of its covenants and agreements under this Agreement shall have been a cause of, or resulted in, the failure of the condition to Closing to be satisfied by the Outside Closing Date.

Upon any termination by Buyer pursuant to Section 8.01 (A), (C), (D) and/or (E), Buyer's sole remedy shall be a refund of the Deposit, after which the parties shall have no further rights or obligations hereunder except as otherwise expressly provided in this Agreement; provided, however, if either party terminates this Agreement due to a breach or default by the other party which breach or default is caused by any fraudulent or intentional misconduct [or refusal to act] by the breaching or defaulting party under this Agreement, then the breaching or defaulting party shall reimburse the non-breaching or -defaulting party for its actual, direct and reasonable out-of-pocket costs in connection with this Agreement. Subject to the foregoing, upon any termination by Seller pursuant to Section 8.01(B) and/or (G), Seller's sole remedy shall be to terminate this Agreement and, if Seller terminates this Agreement pursuant to Section 8.01 (B) or (G) due to a breach or default by Buyer under this Agreement, the Deposit shall be paid to Seller by the Escrow Agent as liquidated damages for Buyer's default and as Seller's exclusive remedy. The Parties agree that it would be extremely difficult or impossible to determine either party's actual damages on

account of a termination under this Section 8.01 and that the amounts set forth above are a reasonable estimate of liquidated damages for each Party.

Section 8.02 Exclusive Remedies and Rights. In the event of a breach of this Agreement prior to the Closing: (a) if the breach is by a Seller, Buyer shall be entitled to their termination rights and remedies pursuant to Section 8.01 or, alternatively, Buyer may seek specific performance to compel Seller's compliance with this Agreement; and (b) if the breach is by Buyer, Seller shall be entitled to its termination rights pursuant to Section 8.01. The termination rights and remedies set forth in this Article VIII shall be the exclusive remedies of the Parties.

ARTICLE IX.
INDEMNIFICATION

Section 9.01 Survival. All representations, warranties, covenants, and agreements made in this Agreement shall survive the Closing for a period of two (2) years following the Closing Date. Recapture Claims shall survive the Closing until the expiration of the applicable statute of limitations. All covenants and agreements of the Parties contained herein and Fundamental Representations shall survive until the earlier of (x) the period explicitly specified therein or (y) the expiration of the applicable statute of limitations. A Party must notify the other Party of any alleged breach of any such representation or warranty promptly upon the Party learning of the facts giving rise to such Claim. No action or proceeding may be commenced against any Party for any breach of any such representation or warranty after the end of any applicable survival period unless either Party has provided written notice of a Claim prior to the end of the applicable survival period and has thereafter pursued resolution of the Claim within six (6) months after expiration of the applicable survival period. Notwithstanding the foregoing, any claims asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice from the non-breaching Party to the breaching Party prior to the expiration date of the applicable survival period shall not thereafter be barred by the expiration of the relevant representation or warranty and such claims shall survive until finally resolved in accordance with the requirements contained herein.

Section 9.02 Indemnification by Seller. If Closing occurs, then subject to the terms of this Article IX, Seller, shall, to the limited extent permitted by law, without in any manner waiving its rights of sovereign immunity or increasing the limits of liability set forth in Section 768.28, Florida Statutes, and unless otherwise covered by policies of insurance, indemnify, defend, and hold Buyer and their respective officers, directors, employees, successors and assigns harmless from, against and with respect to any claim, liability, obligation, loss, damage, assessment, judgment, cost or expense of any kind or character, including reasonable attorneys' fees (the "**Damages**") (whether absolute, accrued, contingent or otherwise), to the extent that the same arise out of or relate or are attributable to:

(A) any breach of Seller's representations and warranties in this Agreement;

(B) any failure by Seller to perform or observe, or to have performed or observed, in full, any covenant, agreement or condition to be performed or observed by it under this Agreement; and

(C) the operation of the Business prior to the Closing Date or the ownership of the Purchased Assets prior to the Closing Date, whether or not such Damages were known on such date, including, without limitation, any Excluded Liability or activities of the Facility, Sellers, or their affiliates prior to the Closing Date, but excluding any obligations or liabilities of Seller expressly assumed by RE Buyer or Operator as set forth herein; and

(D) Recapture Claims.

Section 9.03 Indemnification by Buyer. If Closing occurs, then subject to the terms of this Article IX, Buyer shall indemnify, defend, and hold Seller and its officers, directors, employees, successors and assigns harmless from, against and with respect to any Damages (whether absolute, accrued, contingent or otherwise), arising out of or in any manner incident, relating or attributable to:

(A) any breach of any of Buyer' representations and warranties in this Agreement;

(B) any failure by Buyer to perform or observe, or to have performed or observed, in full, any covenant, agreement or condition to be performed or observed by it under this Agreement; and

(C) Operator's use of Seller's Provider Numbers and Provider Agreements; and

(D) the operation of the Business on or after the Closing Date or the ownership of the Purchased Assets on and after the Closing Date or activities of the Facility, Buyer, or their affiliates on or after the Closing Date.

Section 9.04 Indemnity Claims.

(A) If any indemnity Claim (an "**Indemnity Claim**") is asserted by a Party as to which such Party may be entitled to indemnification hereunder, such Party (an "**Indemnified Party**") shall notify (the "**Claims Notice**") the other Party (an "**Indemnifying Party**") required by the terms of this Agreement to indemnify the Indemnified Party within ten (10) Business Days; provided, however, the failure or delay by an Indemnified Party to give prompt notice of any Indemnity Claim (if given prior to the expiration of any applicable survival periods) shall not release, waive or otherwise affect an Indemnifying Party's obligations with respect to the Indemnity Claim, except to the extent that the Indemnifying Party can demonstrate actual material loss or prejudice as a result of such failure or delay.

(B) The Claims Notice shall describe the Indemnity Claim and the specific facts and circumstances in reasonable detail, shall include copies of any notices received by Indemnified Party relating to such Indemnity Claim, and shall indicate the amount, if known, or an estimate, if possible, of Damages that have been or may be incurred or suffered.

(C) The Indemnifying Party shall defend and may compromise (subject to the limitations set forth below) any Claim by a third Party ("**Third Party Claim**"), at its own expense and by its own counsel, who shall be reasonably acceptable to the Indemnified Party. The Indemnified Party may participate, at its own expense, in the defense of any Claim assumed by the Indemnifying Party. Without the approval of the Indemnified Party, the Indemnifying Party shall not compromise a Claim defended by the Indemnifying Party which would require the Indemnified Party to perform or take any action, to refrain from performing or taking any action, to admit to any wrongdoing, or to pay any amount to any Persons as a result thereof; provided, however, that the Indemnified Party shall be obligated to respond to requests by the Indemnifying Party in a reasonable amount of time.

(D) Notwithstanding anything in this Section 9.04 to the contrary, if an Indemnified Party determines in good faith that there is a reasonable probability that a proceeding may affect it or its affiliates adversely other than as a result of monetary damages for which it would be entitled to indemnification under this Agreement, the Indemnified Party may, by notice to the Indemnifying Party, assume the exclusive right to defend, compromise, or settle such proceeding, but the Indemnifying Party will not be bound by any determination of a proceeding so defended or any compromise or settlement effected without its consent (which may not be unreasonably withheld or delayed).

(E) If, within twenty (20) Business Days of the Indemnifying Party's receipt of a Claim Notice involving a Third Party Claim, the Indemnifying Party has not notified the Indemnified Party that the Indemnifying Party will assume the defense, the Indemnified Party may assume control of the defense or compromise of such Indemnity Claim, and the costs and expenses of such defense, including costs of investigation and reasonable attorneys' fees, shall be added to the damages associated with the Indemnity Claim. The Indemnified Party shall have the right to compromise such Indemnity Claim without the consent of the Indemnifying Party.

(F) The Party assuming the defense of any Indemnity Claim shall keep the other Party reasonably informed at all times of the progress and development of the Party's defense of and compromise efforts related to such Claim and shall furnish the other Party with copies of all relevant pleadings, correspondence and other papers. In addition, the Parties shall cooperate with each other, and make available to each other and their representatives all available relevant records or other materials required by them for their use in defending, compromising or contesting any Claim.

Section 9.05 Limitations on Liability. No party will have any right to indemnification unless the aggregate amount of all Damages incurred by the Indemnified Party exceeds Twelve Thousand Five Hundred Dollars ($12,500.00) (the "**Basket**"), provided that once this amount has been exceeded, the Indemnifying Party will be responsible from the first dollar in excess of any such Damages. The Seller's aggregate liability in respect of claims for indemnification shall be limited as specifically set forth in Section 9.02, above. The Basket shall not apply to claims arising out of Section 9.02(C), 9.02(D), 9.03(C), 9.03(D) or claims based upon fraud or willful misconduct.

Section 9.06 Indemnification Escrow. To secure Seller's indemnification obligations under this Article IX, an amount equal to Two Hundred Fifty Thousand Dollars ($250,000.00) (the "**Indemnification Escrow**") shall be deposited by Seller in escrow at Closing with the Escrow Agent, to be held pursuant to the the escrow instructions which are attached as Exhibit G (the "**Escrow Agreement**"). Anything herein to the contrary notwithstanding, Fifty Percent (50%) of the amount of the Indemnification Escrow remaining at the twelve-month anniversary of the Effective Date shall be paid to Seller within ten (10) days of the twelve-month anniversary of the Effective Date. The remaining Indemnification Escrow shall be paid to Seller within ten (10) days of the eighteen (18) month anniversary of the Effective Date.

ARTICLE X.
MISCELLANEOUS

Section 10.01 Seller's Knowledge. Where any representation or warranty contained in this Agreement is expressly qualified by reference to Seller's Knowledge or to the knowledge of Seller, such knowledge shall be to the actual knowledge of Marcia Andresen and Alice Brown (but only with respect to the Business) and Wade Allen (but only with respect to Facility real property and environmental) ("**Seller's Knowledge Persons**"), and what they should have known through the exercise of reasonable care and due inquiry. There shall be no personal liability on the part of Seller's Knowledge Persons arising out of any representations or warranties made herein and Seller's Knowledge Persons are named solely for the purpose of defining the scope of Seller's Knowledge.

Section 10.02 Notices. All notices, requests, consents and other communications hereunder shall be in writing, shall be addressed to the receiving Party's address set forth below or to such other address as a Party may designate by notice hereunder, and shall be either (i) delivered by hand, or (ii) sent by recognized overnight courier, or (iii) by electronic mail.

If to RE Buyer and Operator:	Millennial Property Investments Corp Blue Falcon Operations Corporation 1195 Swearingen Avenue Bartow, Florida 33830 Attn: Dan Jones E-mail: djjones9804@gmail.com
With a copy to:	Peterson & Myers, P.A. 225 East Lemon Street, Suite 300 Lakeland, Florida 33801 Attn: Michael J. Kincart, Esq. E-mail: mkincart@petersonmyers.com
If to Seller:	Polk County 330 W. Church Street Bartow, Florida 33831 Attn: Wade Allen, Real Estate Services Administrator E-mail: wadeallen@polk-county.net
With a copy to	FisherBroyles, LLP 4830 W. Kennedy Blvd., Ste. 600 Tampa, FL 33609 Attn: Radha Bachman, Esq. Email: radha.bachman@fisherbroyles.com

All notices, requests, consents and other communications hereunder shall be deemed to have been given: (i) if by hand, at the time of the delivery thereof to the receiving Party at the address of such Party set forth above; (ii) if sent by overnight courier, on the next Business Day following the day such notice is delivered to the courier service; or (iii) if made by electronic mail, at the time that delivery thereof has been acknowledged by electronic confirmation or otherwise. The address of any Party herein may be changed at any time by written notice to the Parties.

Section 10.03 Entire Agreement. This Agreement and the other Documents embody the entire agreement and understanding between the Parties hereto with respect to the subject matter hereof and supersede all prior oral or written agreements and understandings relating to the subject matter hereof. No statement, representation, warranty, covenant or agreement of any kind not expressly set forth in the other Documents shall affect, or be used to interpret, change or restrict, the express terms and provisions of this Agreement.

Section 10.04 Modifications and Amendments. The terms and provisions of this Agreement may be modified or amended only by written agreement executed by authorized persons of each of the Parties hereto.

Section 10.05 Assignment/Binding Effect. This Agreement shall be binding upon, and inure to the benefit of, the Parties hereto and their respective heirs, personal representatives, successors and permitted assigns. This Agreement shall not be assignable by Seller or Buyer.

Section 10.06 Parties in Interest. Nothing in this Agreement, express or implied, is intended to confer upon any other person any rights or remedies of any nature whatsoever under or by reason of this Agreement. Nothing in this Agreement shall be construed to create any rights or obligations except among the Parties hereto, and no person or entity shall be regarded as a third-party beneficiary of this Agreement.

Section 10.07 Governing Law. This Agreement and the rights and obligations of the Parties hereunder shall be construed in accordance with and governed by the internal laws of the State of Florida without giving effect to the conflict of law principles thereof. Venue for any action brought hereunder shall be in the courts located in Polk County, Florida.

Section 10.08 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO TRIAL BY JURY IN ANY LEGAL ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, INCLUDING TO ENFORCE OR DEFEND ANY RIGHTS HEREUNDER, AND AGREES THAT ANY SUCH ACTION SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

Section 10.09 Severability. In the event that any court of competent jurisdiction shall finally determine that any provision, or any portion thereof, contained in this Agreement shall be void or unenforceable in any respect, then such provision shall be deemed limited to the extent that such arbitral tribunal determines it enforceable, and as so limited shall remain in full force and effect. In the event that such arbitral tribunal shall determine any such provision, or portion thereof, wholly unenforceable, the remaining provisions of this Agreement shall nevertheless remain in full force and effect.

Section 10.10 Interpretation. The Parties hereto acknowledge and agree that: (i) the rule of construction to the effect that any ambiguities are resolved against the drafting Party shall not be employed in the interpretation of this Agreement, and (ii) the terms and provisions of this Agreement shall be construed fairly as to all Parties hereto and not in favor of or against any Party, regardless of which Party was generally responsible for the preparation of this Agreement.

Section 10.11 Headings and Captions. The headings and captions of the various subdivisions of this Agreement are for convenience of reference only and shall in no way modify, or affect, or be considered in construing or interpreting the meaning or construction of any of the terms or provisions hereof.

Section 10.12 Reliance. The Parties hereto agree that, notwithstanding any right of any Party to this Agreement to investigate the affairs of any other Party to this Agreement, the Party having such right to investigate shall have the right to rely fully upon the representations and warranties of the other Party expressly contained herein.

Section 10.13 Expenses. Each Party shall pay its own fees and expenses (including the fees of any attorneys, accountants, appraisers or others engaged by such Party) incurred in connection with this Agreement and the transactions contemplated hereby whether or not the transactions contemplated hereby are consummated including in any suit or arbitration brought to enforce any of the terms or provisions of this Agreement.

Section 10.14 Interpretation. All pronouns and any variation thereof shall be deemed to refer to the masculine, feminine, neuter, singular, or plural as the identity of the person or entity or the context may require.

Section 10.15 Counterparts. This Agreement may be executed in any number of multiple counterparts, each of which shall be deemed to be an original copy and all of which shall constitute one agreement, binding on all parties hereto. Delivery of an executed counterpart of a signature page to this Memorandum by facsimile or other electronic means (including in "PDF" format) shall be effective as delivery of a manually executed counterpart of this Memorandum. The words "executed", "execution", "signed", "signature", and words of like import in this Memorandum shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, "pdf",

"tif" or "jpg") and other electronic signatures (including, without limitation, DocuSign and AdobeSign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

Section 10.16 Intentionally Omitted.

Section 10.17 No Waiver. No waiver of any term, provision or condition of this Agreement, in any one or more instances, shall be deemed to be effective unless in writing and signed by the Party granting the waiver. No waiver of any term, provision or condition of this Agreement, if any one or more instances, shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Agreement. No failure to act shall be construed as a waiver of any term, provision, condition or rights granted hereunder.

Section 10.18 No Joint Venture. Nothing contained herein shall be construed as forming a joint venture or partnership between the Parties hereto with respect to the subject matter hereof. The Parties hereto do not intend that any third party shall have any rights under this Agreement.

Section 10.19 Schedules and Exhibits. All exhibits, appendices, schedules and documents referred to in or attached to this Agreement shall be completed and agreed upon within fifteen (15) days prior to the Closing Date. All exhibits, appendices, schedules and documents referred to in or attached to this Agreement are integral parts of this Agreement as if fully set forth herein and all statements appearing therein shall be deemed to be representations.

Section 10.20 1031 Exchange. RE Buyer or Seller may in each party's sole discretion agree to consummate the purchase or sale of the Real Property as part of a so-called like kind exchange (the "Exchange") pursuant to Section 1031 of the Code, provided that: (a) the Closing shall not be delayed or affected by reason of the Exchange nor shall the consummation or accomplishment of the Exchange be a condition precedent or condition subsequent to RE Buyer's or Seller's obligations under this Agreement; (b) Seller shall not be required to take an assignment of the purchase agreement for the relinquished property or be required to acquire or hold title to any real property for purposes of consummating the Exchange; (c) a party performing an Exchange shall pay any additional costs that would not otherwise have been incurred had such party not consummated an Exchange; and (d) neither party's acquiescence to an Exchange shall affect or diminish in any manner its rights hereunder nor shall the party not performing an Exchange be responsible for compliance with or be deemed to have warranted to the other party that the Exchange in fact complies with Section 1031 of the Code.

Section 10.21 Radon. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.

Section 10.22 Certain Definitions. For purposes of this Agreement, the following terms shall have the following meanings (all terms used in this Agreement which are not defined in this paragraph shall have the meanings set forth elsewhere in this Agreement):

(A) "Applicable Laws" any statute, law, ordinance, regulation, rule, code, order, constitution, treaty, common law, judgment, decree, other requirement or rule of law of any Governmental Authority.

(B) "Claim" means any claim, action, litigation, inquiry, proceeding (arbitral, administrative, legal or otherwise, including any informal proceeding), cause of action, audit, suit, settlement, stipulation, hearing, investigation, charge, complaint, demand or similar matter.

(C) "Fundamental Representations" shall mean the representations and warranties set forth in Sections 2.01, 2.02, 2.03, 2.09, 3.01, 3.02, and 3.03.

(D) "Governmental Authority" shall mean any (a) federal, state, county or municipal government, or city, town, borough, village, district or other jurisdiction; (b) governmental or quasi-governmental entity of any nature (including Medicare administrative contractors and any agency, branch, department, board, commission, court, tribunal or other entity exercising governmental or quasi-governmental powers); and (c) anybody exercising, or entitled to exercise, any administrative, executive, judicial, legislative, police, regulatory or taxing authority or power.

(E) Intentionally Omitted.

(F) "Material Adverse Effect" means any event, change, set of circumstances or condition having or which reasonably could have a material adverse effect on the Facility, Purchased Assets, or the Business, financial conditions or operations of the Facility and/or could prevent or materially impair the consummation of the transactions set forth in this Agreement, including, without limitation, any of the following:

(1) the loss of any licensure, certification or other material permit necessary to operate the Facility as a skilled nursing facility, including the Facility having its operating license revoked, suspended, placed on probation, whether permanently or temporarily;

(2) the designation of the Facility by CMS as a "Special Focus Facility" under its Special Focus Facility Program; and

(3) the decertification of Seller or the Facility from or with respect to participation under Medicare, Medicaid or any other governmental health care program, including being suspended or limited from, or otherwise deemed ineligible for, or having any denial of payment or admissions or other limitation imposed with respect to, whether permanently or temporarily, participation in the Medicare and/or Medicaid reimbursement program, and that is not deemed to be cured and in compliance by the Closing Date; provided, that, for the avoidance of doubt, the following shall not constitute a "Material Adverse Effect": (a) any change in any Applicable Law or the interpretation thereof, (b) any change in GAAP or the interpretation thereof, (c) any events, changes, developments or occurrences generally affecting the industries in which the Business operates, (d) general economic, political or market conditions, (e) any disasters, calamities, emergencies, acts of war, sabotage or terrorism, or comparable events, or pandemics (including SARS-CoV-2 novel coronavirus), or an escalation or worsening of any of the foregoing, or (f) any breach by Buyer of this Agreement.

(G) "Out of Compliance" means a finding by a Governmental Authority of one or more deficiencies at the Facility at a "level G" or above in either (A) its most recent standard or complaint survey that has not found to have been corrected such that the Facility is found to be in substantial compliance with applicable health care laws by the applicable Governmental Authority, or (B) any prior survey that includes

a finding which requires a resurvey which resurvey has not taken place with a finding that the Facility was in substantial compliance.

(H) "Person" means an individual, corporation, partnership, joint venture, limited liability company, Governmental Authority, unincorporated organization, trust, association or other entity.

(I) "Tax" or "Taxes" means any and all (a) domestic or foreign, federal, state, or local taxes, charges, fees, levies, imposts, escheat for unclaimed property, duties and governmental fees or other like assessments or charges of any kind whatsoever, including income taxes (whether imposed on or measured by net income, gross income, income as specially defined, earnings, profits, or selected items of income, earnings, or profits), capital taxes, gross receipts taxes, environmental taxes, sales taxes, use taxes, value added taxes, goods and services taxes, accumulated earnings taxes, fuel taxes, transfer taxes, franchise taxes, license taxes, withholding taxes, or other withholding obligations, payroll taxes, employment taxes, excise taxes, severance taxes, social security premiums, workers' compensation premiums, employment insurance or compensation premiums, stamp taxes, occupation taxes, premium taxes, ad valorem taxes, property taxes, windfall profits taxes, alternative or add-on minimum taxes, franchise permit fee or "bed taxes," and customs duties, (b) interest, penalties, fines, additions to tax or additional amounts imposed by any taxing authority in connection with (i) any item described in clause (a) or (ii) the failure to comply with any requirement imposed with respect to any Tax Returns and (c) liabilities in respect of any items described in clause (a) or clause (b) payable by reason of contract, assumption, transferee liability, operation of law or otherwise.

(J) "Tax Return" means any report, return, statement or other written information, including any schedules or attachments thereto and any amendment thereof, supplied or required to be supplied to a taxing authority in connection with Taxes.

EXHIBIT E

FORM OF OPERATIONS ASSIGNMENT AND ASSUMPTION AGREEMENT

See attached.

ASSIGNMENT, ASSUMPTION, CONSENT, AND ACKNOWLEDGMENT

THIS ASSIGNMENT, ASSUMPTION, CONSENT, AND ACKNOWLEDGMENT ("Assignment") is made and entered into with an effective date of _____, 202__ (referred to below as the "Effective Date"), by and between **BLUE FALCON OPERATIONS CORPORATION**, a Florida not for profit corporation ("Assignee"), **POLK COUNTY, FLORIDA**, a political subdivision of the State of Florida ("Assignor"), and _____, a _____ ("Vendor").

WHEREAS, Assignor and Vendor are parties to that certain _____ with an Effective Date of _____ (the "Agreement"), a copy of which is attached hereto as Exhibit "A"; and

WHEREAS, Assignor desires to assign the Agreement to Assignee as of the Effective Date; and

WHEREAS, Vendor approves of the assignment of the Agreement to Assignee; and

WHEREAS, Assignee desires to accept assignment of the Agreement and assume the performance of all terms, covenants, and conditions of the Agreement from and after the Effective Date.

NOW THEREFORE, in consideration of the mutual covenants and agreements of the parties contained herein and for other good and valuable consideration, the parties hereto agree as follows:

1. Recitals. The foregoing recitals are true and correct, and are incorporated herein by reference as part of this Assignment.

2. Assignment. Assignor hereby assigns the Agreement to Assignee and Assignee hereby accepts the assignment of the Agreement, as of the Effective Date.

3. Assumption. Assignee hereby agrees to assume the performance of all terms, covenants, and conditions of the Agreement from and after the Effective Date.

4. Consent and Ratification. Vendor hereby consents, as of the Effective Date, to the assignment of the Agreement. Vendor hereby ratifies and confirms that Exhibit A contains a true and correct copy of the current and only agreement between Vendor and Assignor.

5. Acknowledgments. Vendor and Assignee agree to be bound by the terms and conditions set forth in the Agreement.

6. Binding Effect. This Assignment is binding upon and shall inure to the benefit of the respective successors and assigns of the parties hereto.

7. Notices. Vendor and Assignee hereby agree that on and after the Effective Date, and pursuant to Section _____ of the Agreement, all notices, requests, demands and other communications to Vendor and to Assignee shall be sent or delivered as follows:

To Vendor: (insert name and address)

To Assignee: Blue Falcon Operations Corporation
2120 Marshall Edwards Drive
Bartow, Florida 33830
Attn: Dan Jones, President

IN WITNESS WHEREOF, the parties have executed this Assignment effective as of the Effective Date.

EXHIBIT G
FORM OF ESCROW AGREEMENT

See attached.

EXHIBIT G

INDEMNIFICATION ESCROW AGREEMENT

THIS ESCROW AGREEMENT ("Agreement") is entered into effective _____, 2023 ("Effective Date"), by and between Polk County, a political subdivision of the State of Florida ("Seller"), Millennial Property Investments Corp, a Florida not for profit ("Buyer") (together the "Parties"), and Peterson & Myers, P.A., a Florida professional association ("Escrow Agent").

RECITALS

A. Seller and Buyer are parties to that certain Asset Purchase Agreement dated effective November 7, 2023 ("Asset Purchase Agreement").

B. Buyer and Seller desire to establish an escrow account ("Escrow Account") with Escrow Agent into which Seller will deposit the Indemnification Escrow, as defined in and in accordance with Section 9.06 of the Asset Purchase Agreement, which amount will be held in, administered, and disbursed from escrow by Escrow Agent pursuant to the terms and conditions of this Agreement.

C. Except as specifically modified by separate written instruction executed by all parties hereto, the terms and conditions set forth herein shall apply to the Escrow Account.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Recitals; Defined Terms. The above recitals are true and correct and are hereby incorporated herein by reference. Unless otherwise indicated herein, all capitalized terms used herein shall have the same meaning as given to such terms in the Asset Purchase Agreement.

2. Escrow Account and Indemnification Escrow. On the Closing Date (as defined in the Asset Purchase Agreement), Seller shall deliver to Escrow Agent the Indemnification Escrow in the amount of Two Hundred Fifty Thousand Dollars ($250,000.00), paid from the net proceeds of the Purchase Price (as defined in the Asset Purchase Agreement) received by Seller at the Closing (as defined in the Asset Purchase Agreement). The Indemnification Escrow shall be deposited by Escrow Agent in its law firm trust account at a bank with whom Escrow Agent maintains attorney trust accounts, for the period of eighteen (18) months from the Effective Date of the Asset Purchase Agreement (the "Survival Period"). The trust account shall be a non-interest bearing account. The Indemnification Escrow shall not be subject to lien or attachment of any creditor of any party and will be used solely for the purposes and subject to the conditions set forth in this Agreement. Buyer and Seller mutually agree that Escrow Agent shall hold and disburse the Indemnification Escrow in accordance with the terms of this Agreement.

3. Payment Event. The Parties agree that a breach of Seller's Indemnification Obligations (as defined in Section 9.06 of the Asset Purchase Agreement) for which Buyer has the

right to receive, use, and benefit from the Indemnification Escrow constitutes a "Payment Event" for purposes of this Agreement.

4. Release of Indemnification Escrow During Survival Period. Upon the occurrence of a Payment Event, Buyer may deliver written notice to Seller and Escrow Agent (the "Buyer Notice") advising Seller and Escrow Agent that a Payment Event has occurred and requesting the disbursement of such portion of the Indemnification Escrow as shall be sufficient to satisfy the Payment Event (the "Requested Sum"). Disbursement of the Requested Sum from the Escrow Account shall be made by Escrow Agent on the fifteenth (15^{th}) day following the day that Buyer delivers the Buyer Notice to Seller and Escrow Agent unless within ten (10) days after delivery of the Buyer Notice to Seller and Escrow Agent, Seller provides to Escrow Agent either (i) written notice Seller has paid the Requested Sum outside of escrow, or (ii) a written objection to such disbursement, which written objection states, in reasonable detail, the basis for Seller's objection and shall specify the amount of Seller's dispute of the disbursement requested in the Buyer Notice (either of the foregoing being a "Seller Objection"). If Seller does not deliver a Seller Objection to Escrow Agent and Buyer within ten (10) days following Buyer's delivery of the Buyer Notice, then Seller shall be deemed to have authorized such disbursement of the Requested Sum from the Escrow Account and Escrow Agent shall disburse to Buyer the Requested Sum specified in the Buyer Notice. If, however, Seller delivers a Seller Objection to Escrow Agent and Buyer within the aforementioned ten (10) day period, Escrow Agent shall continue to hold the portion of the Requested Sum to which Seller objects being disbursed in the Seller Objection (with any amount of the Requested Sum not objected to in the Seller Objection being disbursed to Buyer) until the earlier of: (i) receipt by Escrow Agent of joint written instructions from Buyer and Seller directing delivery or other disposition of the Indemnification Escrow (or any portion thereof); or (ii) Escrow Agent shall be ordered to disburse the Indemnification Escrow (or any portion thereof) by order or judgment of an appropriate court of competent jurisdiction.

Notwithstanding anything herein to the contrary, if Escrow Agent receives any instructions from Buyer or Seller that conflict with the terms of this Agreement, then Escrow Agent, in Escrow Agent's sole discretion, may either (i) continue holding the Indemnification Escrow until Escrow Agent receives joint written instructions from Buyer and Seller concerning the disbursement of the Indemnification Escrow, or (ii) file an interpleader action in accordance with Florida Rules of Civil Procedure and deposit such portion of the Indemnification Escrow in the registry of the Clerk of Court for the Tenth Judicial District in and for Polk County, Florida.

The parties further agree that fifty percent (50%) of the amount of the Indemnification Escrow remaining in the Escrow Account shall be paid to Seller within ten (10) days after the twelve (12) month anniversary of the Effective Date of the Asset Purchase Agreement.

5. Termination of Escrow Account. In the event a Buyer Notice is not delivered to Escrow Agent on or before ten (10) days after the expiration of the Survival Period (the "Escrow Termination Date"), Escrow Agent shall return the Indemnification Escrow to Seller within fifteen (15) days after the Escrow Termination Date. If Buyer delivers a Buyer Notice to Escrow Agent on or before ten (10) days after the Escrow Termination Date, Escrow Agent shall continue to hold in escrow and administer the Requested Sum in accordance with the terms of Section 4 above, and any amount of the Indemnification Escrow that exceeds the aggregate Requested Sum specified in

all outstanding and unresolved Buyer Notices delivered to Escrow Agent prior to the Escrow Termination Date shall be returned to Seller by the Escrow Agent within fifteen (15) days after the Escrow Termination Date.

6. Limitations of Liability. Without limitation, Escrow Agent shall not be liable for any loss or damage resulting from the following:

a. The financial status or insolvency of any other party or any misrepresentation made by any other party.

b. Any insufficiency or ambiguity of any instruction delivered to Escrow Agent or exchanged by the parties hereto.

c. The default, error, action or omission of any other party to the escrow.

d. Any loss or impairment of the Indemnification Escrow while those funds are in the course of collection or while those funds are on deposit in a financial institution if such loss or impairment results from failure, insolvency or suspension of a financial institution, or any loss or impairment of funds due to the invalidity of any draft, check, document or other negotiable instrument delivered to the Escrow Agent.

e. The expiration of any time limit or other consequence of delay on behalf of Seller or Buyer.

f. Escrow Agent's compliance with any legal process, subpoena, writ, order, judgment or decree of any court, and whether or not subsequently vacated, modified, set aside or reversed.

7. Escrow Agent.

a. Seller (to the limited extent specified below) and Buyer agree jointly and severally to indemnify the Escrow Agent for, and to hold it harmless against, any and all claims, liabilities, damages, fees, charges, costs, expenses, penalties, losses, actions, suits, or proceedings at law or in equity, of any kind or nature, which the Escrow Agent incurs, may incur, or with which it may be threatened directly or indirectly, arising from or in any way connected with its acting as the Escrow Agent under this Agreement, including without limitation reasonable attorneys' fees at trial and appellate levels, except for damages, costs or expenses arising from the gross negligence or willful misconduct of the Escrow Agent. Escrow Agent shall have a lien on and right of setoff against any property or monies held in escrow for the foregoing indemnification. The parties acknowledge that the foregoing indemnities will survive the resignation or removal of the Escrow Agent or the termination of this Agreement. Notwithstanding anything to the contrary contained in this Section 7 or otherwise contained herein, the Seller and Buyer agree that Seller's liability shall be expressly limited as set forth in Section 9.02 of the Asset Purchase Agreement, and nothing contained in this Agreement or in the Asset Purchase Agreement

shall serve as a waiver of Seller's rights of sovereign immunity or an increase in the limits of liability set forth in Section 768.28, Florida Statutes.

b. The express provisions of this Agreement determine solely the duties and responsibilities of the Escrow Agent under this Agreement, and no other or further duties or responsibilities may be implied. The Escrow Agent will not have any liability under, nor duty to inquire into, the terms and provisions of any agreement or instructions, other than as outlined in this Agreement or as agreed to in writing by all parties.

c. The Escrow Agent may act upon any instrument or other writing provided by any of the parties believed by the Escrow Agent in good faith to be genuine, and to be signed or presented by the proper person, and will not be liable in connection with the performance by it of its duties pursuant to the provisions of this Agreement, unless Escrow Agent willfully, purposefully and wrongfully breaches the terms of this Agreement in the misdelivery of any property held in escrow. The Escrow Agent will be under no duty to inquire into or investigate the validity, accuracy or content of any such document. The Escrow Agent will have no duty to solicit any payments which may be due under this Agreement.

d. The Escrow Agent shall not be deemed to have knowledge of any matter unless and until the Escrow Agent receives actual written notice thereof, and the Escrow Agent shall not be charged with constructive notice whatsoever. In the event the Escrow Agent shall be uncertain as to its duties, or shall receive instructions or demands which, in the Escrow Agent's sole opinion, are conflicting or violative of any provision of this Agreement, then the Escrow Agent shall be entitled to refrain from taking any action until the Escrow Agent shall be directed in writing by Seller and Buyer (and, at the Escrow Agent's sole discretion, consented to by any third person) or by any final order or judgment of a court of competent jurisdiction, or the Escrow Agent may deposit the subject of escrow with the Clerk of the Circuit Court of the Tenth Judicial District in and for Polk County, Florida, and upon notifying Seller and Buyer of such action, all liability on the part of the Escrow Agent shall immediately and fully terminate except to the extent of accounting for any items delivered out of escrow.

e. Seller acknowledges that Peterson & Myers, P.A. represents Buyer in the transaction contemplated in the Asset Purchase Agreement and is also acting as Escrow Agent under the terms of this Agreement. Seller agrees and consents that Escrow Agent may represent Buyer if any dispute or enforcement action arises regarding the Asset Purchase Agreement or any other matter. Seller further acknowledges and consents that Peterson & Myers' representation of Buyer shall not be limited in any manner or by any means.

8. Completion of Escrow. Upon completion of the disbursement of the Indemnification Escrow in accordance with the Asset Purchase Agreement and this Agreement, or as otherwise instructed in a written instrument signed by both Seller and Buyer, Escrow Agent shall be automatically released and discharged of its escrow obligations hereunder.

9. Resignation of Escrow Agent.

a. The Escrow Agent may at any time resign by giving twenty (20) days prior written notice of resignation to Seller and Buyer.

b. If no successor Escrow Agent is appointed within ten (10) days after a notice of resignation by the Escrow Agent, the Escrow Agent's sole responsibility will thereafter be to hold the Indemnification Escrow until the earlier of its receipt of designation of a successor Escrow Agent, or a joint written instruction by Seller and Buyer, or Escrow Agent interpleads the Indemnification Escrow as permitted by Section 4 above.

10. Notices. All notices, consents, reports, demands, requests and other communications required or permitted hereunder ("Notices") shall be in writing, and shall be: (a) personally delivered with a written receipt of delivery; (b) sent by a nationally recognized overnight delivery service requiring a written acknowledgement of receipt or providing a certification of delivery or attempted delivery; or (c) sent by PDF or email with an original copy thereof transmitted to the recipient by one of the means described in subsections (a) or (b). All Notices shall be deemed effective when actually delivered as documented in a delivery receipt; provided, however, that if the Notice was sent by overnight courier as aforesaid and is affirmatively refused or cannot be delivered during customary business hours by reason of the absence of a signatory to acknowledge receipt, or by reason of a change of address with respect to which the addressor did not have either knowledge or written notice delivered in accordance with this section, then the first attempted delivery shall be deemed to constitute delivery; and provided further, however, that Notices given by PDF or email shall be deemed given when received. Each party shall be entitled to change its address for Notices from time to time by delivering to the other party Notice thereof in the manner herein provided for the delivery of Notices. All Notices shall be sent to the addressee at its address set forth below:

11. Governing Law. This Agreement will be governed by and construed in accordance with the laws of the State of Florida.

12. Headings. The headings of the sections contained in this Agreement are for convenience only and do not define, limit or construe the contents of such sections.

13. Draftsmanship. The fact that one of the parties may have drafted or structured any provision of this Agreement or any document attached as an exhibit hereto shall not be considered in construing the particular provision either in favor of or against such party.

14. Amendment; Waivers. No amendment, modification or discharge of this Agreement, and no waiver under this Agreement, will be valid or binding unless set forth in writing and duly executed by the Escrow Agent and by the party against whom enforcement of the amendment, modification, discharge or waiver is sought. Any such waiver will constitute a waiver only with respect to the specific matter described in such writing and will in no way impair the rights of the party granting such waiver in any other respect or at any other time.

15. Venue. The exclusive venue of any action to enforce or interpret this Agreement shall be in the State court of competent jurisdiction in and for Polk County, Florida.

16. **Waiver of Jury Trial**. THE PARTIES HERETO WAIVE ALL RIGHTS TO TRIAL BY JURY.

17. Attorney's Fees. If any party seeks to enforce or interpret this Agreement through litigation, the prevailing party in such litigation shall recover all costs incurred, including, without limitation, a reasonable attorney's fee at all levels of pre-litigation, litigation, and post-litigation, appeal and at all alternative dispute resolution preparation and proceedings, from the non-prevailing party.

18. Binding Effect. This Agreement will be binding upon and inure to the benefit of the parties and their respective heirs, successors, successors-in-interest, agents, permitted assigns, and legal representatives of Buyer, Seller, and the Escrow Agent.

19. Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original, but all of which together will constitute one and the same instrument. All signatures of the parties to this Agreement may be transmitted electronically (e.g. DocuSign), or e-mail (PDF), and such facsimile, PDF, or electronic signature will, for all purposes, be deemed to be the original signature of such party whose signature it reproduces and will be binding upon such party.

20. Entire Agreement. This Agreement embodies the entire agreement and understanding of the parties hereto and supersedes all prior agreements and understandings related to the subject matter hereof.

[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.

Agenda Item K.1. 11/7/2023

SUBJECT

Re-appoint Robert Sheffield to the Polk County Lakes Access Advisory Committee for the three-year term, November 17, 2023, to November 16, 2026.

DESCRIPTION

Purpose: To study how to increase public access to the lakes within Polk County, and report findings and recommendations back to the Board.

Creating Authority: Resolution No. 09-217 adopted November 17, 2009, creating the Polk County Lakes Access Advisory Committee as a standing committee; providing for staggered membership terms; repealing Polk County Resolution No. 08-057, adopted May 7, 2008; and providing for operation of the committee.

Appointments: The Committee shall consist of 10 members appointed by the Polk County Board of County Commissioners as follows: each Commissioner of the Board shall appoint two members to the Committee.

Term Limits: Members appointed to the Committee shall serve a term of three years. Reappointment for one additional term is permitted (Resolution 16.07-023). In the event of a vacancy of any member during a term of office, the Commissioner for the District assigned to make the appointment for that member's position shall appoint a successor member, subject to approval of the Board, to serve for the remainder of the unexpired term. Members shall serve at the pleasure of the Board and may be removed without cause at any time.

Reason for Appointment: Expiration of Robert Sheffield's first term.

RECOMMENDATION

Re-appoint Robert Sheffield to the Polk County Lakes Access Advisory Committee for the three-year term, November 17, 2023, to November 16, 2026.

Agenda Item K.2. 11/7/2023

SUBJECT

Re-appoint Dr. Robert S. Hinds to serve as a member of the Housing Finance Authority for the four-year term, December 1, 2023, to November 30, 2027.

DESCRIPTION

Purpose: A need to alleviate and remedy affordable housing and investment capital shortages.

Creating Authority: Established by Ordinance No. 78-20.

Appointments: Five members appointed by District and approved by BoCC. Members are not required to reside within the District from which they are appointed. Not less than three of the members shall be knowledgeable in one of the following fields: labor, finance or commerce.

Term of Office: Four Years. Each member shall serve and continue to hold office until his successor is appointed. In the event of a vacancy in the office of any member during a term of office, the Board of County Commissioners shall appoint a successor for the period of the unexpired term.

Term Limits: No term limits. (The Housing Finance Authority is a separate public body corporate and politic created by statue and governed under the laws as put forth in the Florida Housing Finance Authority Law.)

Reason for Appointment: Expiration of current term.

RECOMMENDATION

Re-appoint Dr. Robert S. Hinds to serve as a member of the Housing Finance Authority for the four-year term, December 1, 2023, to November 30, 2027.

Kathryn E. Bevilacqua-Ely is a Lakeland native working as a Marketing Project Manager for Publix. She is actively involved in the local community serving on numerous boards and community programs.

She has served as the Board of County Commissioners' appointee on the Early Learning Coalition of Polk County Board since 2014. Kathryn served as the Vice Chair, acting as Chair, for the ELC of Polk from 2019-2020.

She has a passion for early education and the difference that is made not only in the lives of our community's youngest citizens, but also the long-term benefits to the community as a whole.

Agenda Item O.1. 11/7/2023

SUBJECT

PUBLIC HEARING (LDCPAL 2023-5 Northeast Regional Park) (Transmittal Hearing), a Large-Scale Comprehensive Plan Amendment to change the Future Land Use designation from Residential Low-X (RLX) to Recreation and Open Space-X (ROSX) on ±80.26 acres and Institutional-X (INSTX) on ±1.95 acres to recognize an existing regional park and fire rescue station in the North U.S. Highway 27 Selected Area Plan.

DESCRIPTION

This is a County-initiated request to change the Future Land Use designation from Residential Low-X (RLX) to Recreation and Open Space-X (ROSX) on ±80.26 acres and Institutional-X (INSTX) on ±1.95 acres to recognize an existing regional park and fire rescue station for property located East of U.S. Highway 27, south of International Bass Boulevard, north of Florence Villa Grove Road, west of the Osceola County Line, South of Clermont, North of Haines City, and the City of Davenport in Section 12, Township 25, and Range 26. State law requires one Planning Commission hearing, which was held on September 6, 2023, with a recommendation of approval (7:0). This is the first of two public hearings before the Board. The final adoption Hearing will be held January 9, 2024 after comments are received from the state.

RECOMMENDATION

Adopt,
Adopt as amended, or
Do not Adopt.

FISCAL IMPACT

No Fiscal Impact

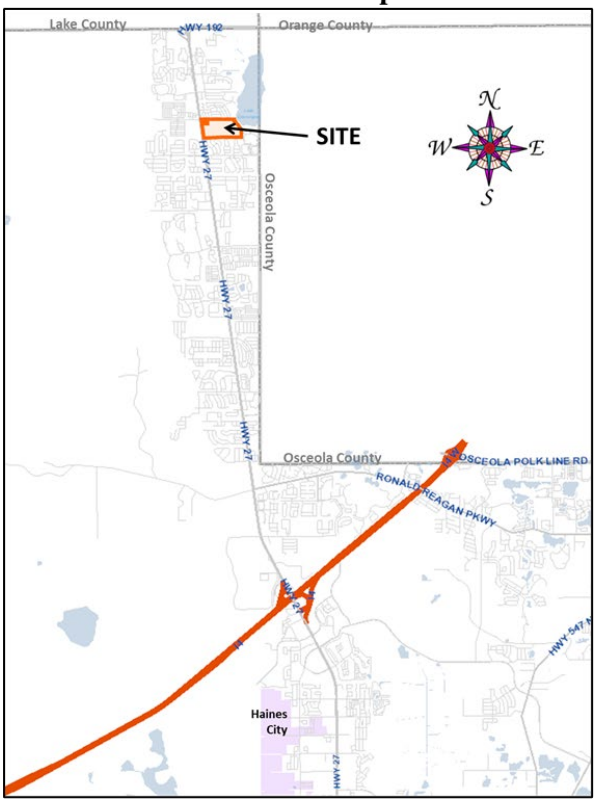
POLK COUNTY
DEVELOPMENT REVIEW COMMITTEE
STAFF REPORT

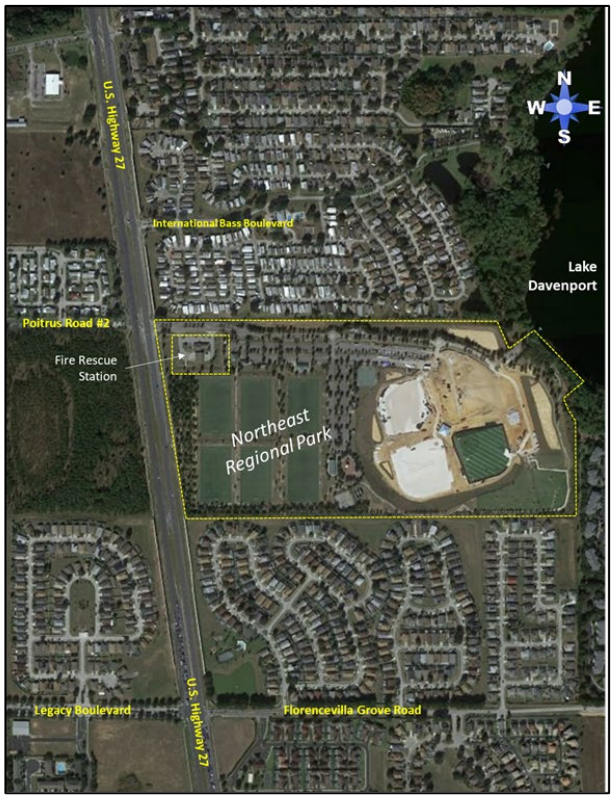
DRC Date:	June 29, 2023	**Level of Review:**	Level 4 Review
PC Date:	September 6, 2023	**Type:**	Large Scale Comprehensive Plan Amendment
BoCC Date:	November 7, 2023 January 9, 2024	**Case Numbers:** **Case Name:**	**LDCPAL-2023-5** Northeast Regional Park CPA
Applicant:	Polk County Leisure Services	**Case Planner:**	Erik Peterson, AICP

Request:	Future Land Use Map change from Residential Low-X (RLX) to Recreation and Open Space-X (ROSX) on ±80.26 acres and Institutional-X (INSTX) on ±1.95 acres to recognize an existing regional park and fire rescue station.
Location:	East of U.S. Highway 27, south of International Bass Boulevard, north of Florence Villa Grove Road, west of the Osceola County Line, South of Clermont, North of Haines City and the city of Davenport in Section 12, Township 25, and Range 26.
Property Owners:	Polk County
Parcel Size (Number):	±83.2 acres (262512-000000-014010, 011120, 011130, 011140 & 032010)
Future Land Use:	±83.2 acres of Residential Low (RLX) North U.S. Highway 27 Selected Area Plan
Development Area:	±83.2 acres of Transit Supportive Development Area (TSDA)
Nearest Municipality:	Haines City (7.6± miles)
DRC Recommendation:	Approval
Planning Commission Vote:	Approval 7:0
Florida Commerce:	Pending Transmittal

Location Map



2021 Satellite Photo



Summary:

This is a County-initiated Comprehensive Plan amendment (CPA) to change the Future Land Use Map on this property from Residential Low-X (RLX) to Recreation and Open Space-X (ROSX) on ±80.26 acres and Institutional-X (INSTX) on ±1.95 acres to recognize an existing regional park and fire rescue station on the property. On August 10, 2010, the Planning Commission approved a conditional use request for an 85± acre high intensity recreation area with lighted fields and a regional fire station on this property under case number CU 10-10. While a CPA is not necessary for the fire station or park to be to remain, the CPA will provide for better information to the public and land use analysis in the future.

The park contains six (6) lighted multipurpose fields, four (4) lighted baseball/softball fields, four (4) pickleball courts, two (2) racquetball courts, two (2) basketball courts, batting cages, a children's playground, a dog park, a boat ramp, a fishing pier, a walking/jogging trail around the perimeter, restrooms, picnic shelters, pavilions, and two (2) concession stands. Current hours of operations are from 5 a.m. to 10 p.m. The fire station has a pumper truck and a heavy rescue vehicle and houses a lieutenant and two crews. The station is operable 24/7. There is room for some expansion of the fire station. The park area is not likely to add any more athletic facilities unless existing fields are modified or repurposed.

Compatibility Summary

The park and fire rescue station has been open since the fall of 2012. The lighted multipurpose fields were the first to be developed along with the boat ramp, playground, restrooms, basketball, tennis, and racquetball courts. The fishing pier was added in 2015, and the four new baseball fields were recently completed this year. The County receives no substantive complaints from permanent residents regarding the compatibility of either facility.

Infrastructure Summary

The site is located within an area that has a significant amount of urban infrastructure and services with ample capacity to serve it. The facilities are connected to the County's potable water, wastewater, and reclaimed water systems. There is a direct connection to an arterial roadway with a transit stop and shelter. Sidewalks connect to all the developments that front U.S. Highway 27. Public safety facilities can't get any closer. Schools are nearby. This site has provided area residents with fire protection and recreational needs for over 10 years.

Environmental Summary

There are few environmental limitations within this site. While there are wetlands and 100-year flood hazard areas onsite, they are directly associated with the shoreline of Lake Davenport. The slope of the property towards the lake was a plus and a minus. The well drained soil and proximity to the lake presented an opportunity to test new methods for environmentally sound field management. This was the County's first use of artificial turf for ballfields. While minimizing the environmental impacts of irrigation, insecticide, and fertilizing the fields, it also saves the County

money in maintenance costs. The success that was realized at this facility has been used on other ones in the County.

Comprehensive Plan

DRC staff are recommending approval because the request is consistent with the Comprehensive Plan, does not disrupt the current use of the property or properties around it, and is consistent with the Land Development Code. The developed property is compatible with existing infrastructure and land uses. Plus, the park was developed after the surrounding homes were occupied. The relevant sections of the Comprehensive Plan that are applicable to the project request:

- Policy 2.102(A1-A15): Growth Management Policies
- Section 2.104-A3 (TSDA) Location Criteria
- Policy 2.116-A3 INST Location Criteria
- Policy 2.116-A4 INST Development Criteria
- Policy 2.117-A3 ROS Location Criteria
- Policy 2.117-A4 ROS Development Criteria

Findings of Fact

Request and Legal Status

- *This is a county-initiated request for a Large-Scale Future Land Use designation change from Residential Low-X (RLX) to Recreation and Open Space-X (ROSX) on ±80.26 acres and Institutional-X (INSTX) on ±1.95 acres in the U.S. Highway 27 Selected Area Plan.*

- *The subject site is in the Transit Supportive Development Area (TSDA).*

- *The Land Development Code (LDC) Sub-district Map designation for the site is currently RL-1X which allows up to one (1) unit per acre and requires a minimum lot size of 40,000 square feet.*

- *The subject site was approved for a regional park and fire rescue station in August of 2010 by the Planning Commission through a Level 3 Review of a conditional use (CU 10-10).*

- *The subject site is developed with a 7,500 square feet fire rescue station on 1.75 acres and an 80-acre regional park with 4 baseball fields, 6 multiuse fields 2 basketball courts, 4 tennis courts, 2 racquetball courts, picnic facilities, concession stands, playground, dog park, fishing pier, and boat ramp.*

- *The request, if approved, the INST request will default to INST-1 on the LDC Subdistrict Map according to Section 105 of the Land Development Code (LDC).*

Compatibility

- *The site has been developed as a County regional park and fire rescue station since 2012.*

- *The site abuts single family residences to the south and a mixed development of mobile homes and single-family residences to the north.*

- *The property has shoreline frontage on Lake Davenport to the east.*

- *The property fronts roadway U.S. Highway 27, a 6-lane arterial on the west.*

Infrastructure

- *The closest schools are Citrus Ridge Academy (K-8), for both elementary and middle school, and the newly constructed Davenport High School.*

- *The closest fire rescue station is on site (#42 Four Corners).*

- *The nearest Sheriff's substation is the Northeast District Command Center at 1100 Dunson Road approximately 6½ miles driving distance from the site.*

- *The Polk County Utilities Department provides potable water, reclaimed water, and wastewater service to the site through a 12-inch water main and a 6-inch wastewater force main. A 6-inch reclaimed water is abutting the site.*

- *According to the most recent Polk County Utilities Water and Wastewater Capacity Summary Report published June 30, 2022, in the Northeast Utility Service Area (NERUSA) there is approximately 794,000 GPD of uncommitted capacity. The Northeast Wastewater Treatment Plant has 64,000 GPD of uncommitted capacity.*

- *Access to the property is from a directional medial cut and right-in entrance on U.S. Highway 27. There is a caution signal light and emergency redlight for the fire station at the site access.*

- *According to the Transportation Planning Organization, there is adequate capacity on U.S. Highway 27. It is functioning at Level-of-Service "C."*

- *There are sidewalks along the frontage of U.S. 27 and multiuse paths connecting to all the facilities in the park.*

Environmental

- *The closest surface water is Lake Davenport which is an open basin that feeds into the Reedy Creek Basin and into the Kissimmee River.*

- *There are wetlands and flood hazard areas on site but only at the shoreline of Lake Davenport.*

- *The site is comprised of Candler Sands, according to the U.S. Department of Agriculture, Soil Conservation Service, Polk County Survey.*

- *According to Polk County Endangered Habitat Maps, the proposed site is not located within a one-mile radius of an endangered species sighting in the Florida Natural Areas Inventory as of 2002, 2006, and 2011.*

- *The site is not within the flight path and height restriction buffer zones of a public use airport.*

- *According to the Florida Department of State, Division of Historical Resources, there are no archeological sites listed in the Florida Master Site File for Section 12, Township 25, Range 26.*

Comprehensive Plan Policies

- *POLICY 2.102-A1 Development Location states that "Polk County shall promote contiguous and compact growth patterns through the development process to minimize energy costs, conserve land, water, and natural resources, minimize the cost of services, and prevent development patterns where tracts of land are by-passed in favor of development more distant from services and existing communities."*

- *POLICY 2.102-A2 Compatibility states that "land shall be developed so that adjacent uses are compatible with each other, pursuant to the requirements of other Policies in this Future Land Use Element, so that one or more of the following provisions are accomplished: a. there have been provisions made which buffer incompatible uses from dissimilar uses; b. incompatible uses are made to be more compatible to each other through limiting the intensity and scale of the more intense use; c. uses are transitioned through a gradual scaling of different land use activities through the use of innovative development techniques such as a Planned Unit Development."*

- *POLICY 2.102-A3 Distribution states that "development shall be distributed throughout the County consistently with this Future Land Use Element so that the public utility, other community services, and public transit and transportation systems can be efficiently utilized; and compact, high-density and intensity development is located where urban services can be made available."*

- *POLICY 2.102-A4 Timing states that "development of land shall be timed and staged in conjunction with the cost-effective and efficient provision of supporting community services which, at a minimum, shall require compliance with the Plan's Level of Service requirements and the County's concurrency management system."*

- *POLICY 2.102-A10 Location Criteria states "the following factors shall be taken into consideration when determining the appropriateness of establishing or expanding any land use or development area:*
  - *a. nearness to incompatible land uses and future land uses, unless adequate buffering is provided;*
  - *b. nearness to agriculture-production areas;*
  - *c. distance from populated areas;*
  - *d. economic issues, such as minimum population support and market-area radius (where applicable);*

e. adequacy of support facilities or adequacy of proposed facilities to be provided by the time of development, including, but are not limited to:

1. transportation facilities, including but not limited to, mass transit, sidewalks, trails and bikeways;
2. sanitary sewer and potable water service;
3. storm-water management;
4. solid waste collection and disposal;
5. fire protection with adequate response times, properly trained personnel, and proper fire-fighting equipment;
6. emergency medical service (EMS) provisions; and
7. other public safety features such as law enforcement;
8. schools and other educational facilities
9. parks, open spaces, civic areas and other community facilities

f. environmental factors, including, but not limited to:

1. environmental sensitivity of the property and adjacent property;
2. surface water features, including drainage patterns, basin characteristics, and flood hazards;
3. wetlands and primary aquifer recharge areas;
4. soil characteristics;
5. location of potable water supplies, private wells, public well fields; and
6. climatic conditions, including prevailing winds, when applicable."

- *The Comprehensive Plan defines Compatibility in Division 4.400 as "A condition in which land uses or conditions can coexist in relative proximity to each other in a stable fashion over time such that no use or condition is unduly negatively impacted directly or indirectly by another use or condition."*

- *Policy 2.104-A3 of the TSDA Land Use Categories policies states that Institutional and Recreation and Open Space are permitted Future Land Use designation.*

- *Policy 2.116-A1 states that "Institutional areas are primarily characterized by private and public-service structures." This request is to recognize and existing fire rescue facility on the Comprehensive Plan's Future Land Use Map.*

- *Policy 2.116-A3 of the Comprehensive Plan states that "The following factors shall be taken into consideration when determining the appropriateness of establishing new Institutional areas on the Future Land Use Map Series, or in approving the location for an institutional use not located within lands classified as Institutional:*
  a. Accessibility to roadways, with consideration being given to regional transportation issues for large-scale institutional developments having a regional market.
  b. Proximity to incompatible land uses, which is dependent upon the intensity of the institutional use (buffering may be provided to mitigate adverse impacts).
  c. The locational criteria enumerated in Policy 2.102-A9 and Policy 2.102-A10.
  d. Proximity to similar and compatible uses providing opportunities for shared facilities.
  e. Plans of the School Board and other public service agencies with jurisdiction in the County."

- *Policy 2.116-A4 of the Polk County Comprehensive Plan requires development within INST districts to "conform to the following criteria:*

a. Institutional uses include, but are not limited to: private and public-service structures. These commonly include:
1. public and private educational facilities;
2. government-administration buildings;
*3. **public-safety structures** (e.g. police and fire);*
4. cultural facilities (e.g. libraries, museums, and performing-arts theaters);
5. health-care facilities e.g. hospitals, medical centers, clinics, nursing homes, adult day care centers, group homes, group living facilities, emergency shelters, residential treatment facilities.

b. Large institutional areas should be designed so that the more intensive uses are at the center of the development, with less intensive uses near the fringes.

c. Prior to site planning, the School Board, independent special districts, and other governmental entities shall communicate to one another to pursue potential colocation of government services.

d. Commercial uses within institutional areas mapped on the Future Land Use Map Series shall be primarily for the purpose of serving the institutions within the area and shall be limited to a scale appropriate for that purpose.

e. Institutional sites shall be designed to provide for:
1. Adequate parking to meet the present and future demands of the use.
2. Buffering where the effects of lighting, noise, odors, and other such factors would adversely affect adjacent land uses. Parking lots, loading areas, dumpsters, utilities and air conditioning units, signage, etc. are examples of facilities which may require special buffering provisions.

f. Multi-family residential uses may be permitted at densities up to and including 15 dwelling units per acre as part of a Planned Development. Residential uses may be permitted according to the following:
1. Residential uses shall only be established adjacent to or in conjunction with a university, college, vocational school or other similar educational institution.
2. Residential development shall be intended to primarily meet the housing needs for students and facility members of the nearby educational institution

g. Recreational uses accessory to the institutional use or compatible with the location of the institutional district."

- *Policy 2.117-A1 states that "Recreation and open space areas are primarily sites and facilities which are accessible to the general public, and which are oriented toward providing recreation services for the resident and the short and long-term visitor to Polk County. A recreational activity included within recreation and open space areas may be motorized, allow for the discharge of firearms, accommodate nighttime use, and produce large crowds at events. Retail sales are limited to concessions at events or to enhance the quality of the recreation experience onsite unless combined with commercially designated lands." This request is to recognize an existing regional park on the Comprehensive Plan's Future Land Use Map.*

- *Policy 2.117-A2: DESIGNATION AND MAPPING of the Polk County Comprehensive Plan states, "**Recreation and open space areas shall be designated and mapped on the Future Land Use Map Series** as "Recreation and Open Space" (ROS) and shall include all existing publicly accessible recreation and open space areas.*

- *The Polk County Land Development Code Section 220 prohibits non-residential buildings, garbage dumpsters, loading facilities, wastewater lift stations within 50 feet of an offsite residential district. Parking and lighting are strictly regulated. Parking can be no closer than 15 feet from a residential property and require additional landscaping within 50 feet of adjacent residential districts and uses.*

- *The Polk County Land Development Code Section 303 has no standard conditions for Government Facilities.*

Development Review Committee Recommendation: Based on the information provided by the applicant, recent site visits, and the analysis conducted within this staff report, the Development Review Committee finds that the proposed request **IS COMPATIBLE** with the surrounding land uses and general character of the area, **IS CONSISTENT** with the Polk County Comprehensive Plan and Land Development Code, and therefore, the Development Review Committee (DRC) recommends **APPROVAL of LDCPAL 2023-5.**

Planning Commission Recommendation: at an advertised public hearing on September 6, 2023, the Planning Commission voted to recommend LDCPAL-2023-5 for APPROVAL to the Board of County Commissioners.

NOTE: *This staff report was prepared without the benefit of testimony and evidence submitted by the public and other interested parties at a public hearing.*

NOTE: *All written comments made in the application and subsequent submissions of information made during the application review process, which are on file with the Land Development Division, shall be considered to be binding upon the applicant, provided such comments are not at variance with the Comprehensive Plan, LDC or other development regulations in effect at the time of development.*

NOTE: *Issuance of a development permit by the county does not in any way create any rights on the part of the applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the county for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law*.

Analysis

This section of the staff report includes data on the surrounding uses, infrastructure conditions, environmental conditions, and related Comprehensive Plan policies and Land Development Code regulations.

Surrounding Uses

Table 1 to follow lists the Future Land Use (FLU) designations and the existing uses surrounding the subject site that are immediately adjacent.

Table 1

Northwest: RL-1X, Green Swamp ACSC PUD 00-16, Island Club Resort (aka Bimini Bay) PD 05-34, Windmill Ranch MHP	**North:** RL-1X, PUD 86-29 International Bass Lake Resorts	**Northeast:** RL-1X, PUD 86-29 International Bass Lake Resort Lake Davenport
West: RMX, RL-1X, Green Swamp ACSC PD 05-34, Windmill Ranch MHP	**Subject Property:** 7,500 sq.ft. fire rescue station on 1.75 acres and an 80-acre regional park with 4 baseball fields, 6 multiuse fields 2 basketball courts, 4 tennis courts, 2 racquetball courts, picnic facilities, concession stands, playground, dog park, fishing pier, and boat ramp.	**East:** RL-1X, PUD 99-21 Bahama Bay Resort Condominiums Lake Davenport

Source: Polk County Geographical Information System and site visit by County staff

The site is located within an area that has a significant amount of urban infrastructure and services with ample capacity to serve it. The County has invested in a lot of infrastructure upgrades in this area over the past 15 years. These two facilities are a part of those many infrastructure upgrades to support the high level of urban development that has occurred in this area of the County.

Compatibility with the Surrounding Land Uses and Infrastructure:

This Comprehensive Plan amendment (CPA) will recognize an existing fire rescue station and regional park facility approved by the Planning Commission in the summer of 2010. Fire stations are relatively benign land uses for approximately 95% of any given day. However, when emergancies occur there is approximately two minutes of loud noise and lights. This can be occasionaly disruptive to neighboring properties but they are necessary to all the development in the area. Fire stations are often located in populated areas because that's where the services they provide are needed on a more frquent basis. Parks can become incompatible with neighboring properties because of the use of stadium lights and large crowds at sporting events. At the time of their approval, there was more than adequate infrastructure to support the station including water, wastewater, and roadway capacity. These uses are needed infrastructure in an area where more housing growth is planned.

A. Land Uses:

There are no properties designated Recreation and Open Space (ROS) in the U.S. Highway 27 SAP, and the only INST property is the site of the former Polo Park wastewater treatment plant which is now used for the filtering of excess reclaimed water into the aquifer through rapid infiltration systems (RIBS). The immediate area is mostly single-family residential and has a few mobile home parks. This is a prime location for a fire rescue station given the amount of residential development in the area and the closest stations are over five miles away. This station also serves portions of Osceola and Lake Counties when needed.

The Comprehensive Plan defines compatibility as "*A condition in which land uses or conditions can coexist in relative proximity to each other in a stable fashion over time such that no use or condition is unduly negatively impacted directly or indirectly by another use or condition.*"

The Northeast Regional Park is the flagship of regional parks in Polk County. It has the latest designs in baseball and multi-use fields with its artificial turf, batting cages, and concession facilities. It primarily serves sports leagues in Polk but also Lake and Osceola due to its proximity. There is a high amount of tourism in this area and the park is also an attractor to tourists who are looking for a break from the theme parks seeking alternative forms of recreation such as fishing and lake access, jogging paths, tennis, racquetball, basketball, playgrounds and picnic facilities.

B. Infrastructure:

The site is located within an area that has a significant amount of urban infrastructure and services with ample capacity to serve it. There is ample transportation capacity on U.S. Highway 27. Potable water, reclaimed water and wastewater services are provided to the site. Schools are nearby. There is a bus stop at the site and, of course, a fire rescue station.

Nearest Schools

School capacity is not a concern for non-residential uses. However, the location of the closest schools and school bus stops is a potential concern. There are many non-residential uses that can conflict with school locations and school bus stops. Listed to follow are the three (3) closest schools of each type to the site.

Table 2

Name of School	Annual Estimated Demand	% Capacity 2022-2023 School Year	Average driving distance from subject site
Citrus Ridge K-8 Elementary	0 students	86%	±1¼ miles driving distance
Citrus Ridge K-8 Middle	0 students	104%	±1¼ miles driving distance
Davenport High School	0 students	92%	±12½ miles driving distance

Source: Polk County School Board, Polk County Impact Fee Ordinance, GIS

Institutional and recreation land uses and especially fire stations and parks do not generate students of course, but they are an attractor for future residents to an area because proximity to fire rescue stations factors significantly in the cost of homeowners insurance and park facilities nearby increase the value of housing.

Nearest Sheriff, Fire, and EMS Station

There is a fire rescue station on site with EMS. The point of this CPA is to recognize it. The nearest Sheriff's command center is less than seven miles to this south on Dunson Road just south on Ronald Reagan Parkway.

Table 3

	Name of Station	Distance	Response Time*
Sheriff	Northeast District Command (1100 Dunson Road)	6½ ± miles	7 minutes
Fire	Station 250 (50945 U.S. Highway 27)	0 ± miles	Immediate
EMS	Station 251 (50945 U.S. Highway 27)	0 ± miles	Immediate

Source: Polk County Sheriff's Office and Public Safety

**Response times are based on when the station receives the call, not from when the call is made to 911.*

Sheriff response times are not as much a function of the distance to the nearest Sheriff's substation, but more a function of the overall number of patrol officers within the County. This station will work alongside Sheriff's deputies in response to vehicle crashes.

Water and Wastewater

Polk County Utilities provides potable water, wastewater, and reclaimed water services to the property, and there are no planned expansions that would result in increased water usage in the future. The 7,500 square foot fire station does not consume a significant amount of the services and despite having 10 ballfields, the park consumes much less than normal because of the artificial turf and the use of reclaimed water. The site is served by a 12-inch potable water main, 6-inch reclaimed water main, and a 6-inch wastewater force main. Both are in the right-of-way on U.S. Highway 27. There is a lift station near the boat ramp that pumps the wastewater from the restrooms and the fire station back to the system.

A. Estimated Demand:

The most intense use in the INST district has an unreasonable demand for services versus the actual impacts of the existing fire station. Table 4, to follow, provides generalized estimates of the anticipated water and wastewater demands in the maximum scenario. However, the actual use is much lower.

Table 4

Subject Property	Estimated Impact Analysis		
±83.2 acres *RL-1X* *US 27 Selected Area Plan*	**Demand as Currently Permitted**	**Proposed Change to 1.95 acres INST-1X and 80.26 ROSX maximum effect**	**Percentage change**
Permitted Use	83-664 single-family dwelling units	Office building (59,459 sq.ft @ 70% FAR) Campground (320 spaces)	
Potable Water Consumption (GPD)	29,880/131,472 GPD	14,270 GPD 63,360 GPD	260% 59%
Wastewater Generation (GPD)	22,410/119,520 GPD	14,270 GPD 57,600 GPD	260% 59%

Source: Polk County Concurrency Manual & Polk County Utilities estimates
***single-family units generate an estimated 360 GPD potable water demand and 270 GPD wastewater and Offices are 0.24 GPD per sf for water and 80% for wastewater, campsites are 198 GPD per space for water 180 wastewater.*

In reality, the 7,500 square foot fire rescue station consumes an average of 790 gallons of potable water per day. The park consumes less potable water than typical because the fields are made of artificial turf and the rest of the grounds are irrigated with reclaimed water from the wastewater treatment plant. Table 4, to follow, provides generalized estimates of the anticipated water and wastewater demands compared to the raw estimates of what the RL-1X district could grant under current standards.

Table 4a

Subject Property	Estimated Impact Analysis		
±83.2 acres *RL-1X* *US 27 Selected Area Plan*	**Demand as Currently Permitted** RL-1X	**Maximum Permitted on the property** RL-1X	**Existing Development**
Permitted Intensity	83 single-family dwelling units	664 single-family dwelling units	Fire Rescue Station and Regional Park
Potable Water Consumption (GPD)	29,880 GPD	131,472 GPD	77,360 GPD
Wastewater Generation (GPD)	22,410 GPD	119,520 GPD	271,870 GPD

Source: Polk County Concurrency Manual & Polk County Utilities estimates

B. Available Capacity:

The Northeast Utility Service Area is permitted for 13,940,000 GPD of water capacity. Current flow is at approximately 8,917,000 GPD as of June 30, 2022. There is approximately 4,230,000 GPD allocated to projects with entitlements leaving 794,000 GPD in uncommitted capacity. The system growth rate is approximately 682 gallons and 3.2 equivalent residential connections per day. At the current rate of growth there is approximately 2.3 years of potable water capacity remaining. This information is dated. Revised capacity estimates are soon to be released. Staff estimates that there is more uncommitted capacity available in the system because commitments outpace actual usage. Also, capacity limits have no bearing on this amendment request because the property is fully developed.

The Northeast Wastewater Treatment Plant is permitted to treat 6,000,000 GPD. Current flow is approximately 4,388,000 GPD. There are 1,548,000 GPD of committed capacity to entitled projects leaving 64,000 GPD of uncommitted capacity. The system growth rate is approximately 409 gallons and 3.1 equivalent residential connection per day. On paper, there is no capacity. In reality, physical capacity is available. The commitments to development that have not occurred makes it appear more dire. Improvements are underway to expand the plant to 9 MGD. The park

and fire station have been on the wastewater system since 2012, and there are no further plans for expansion of either facility.

Reclaimed water capacity is not tracked for concurrency. The capacity to serve reclaimed water is directly proportional to the amount of wastewater treatment. As more homes are connected to wastewater service, more are connected to reclaimed water for irrigation. This reduces demand on the potable water system which extends the capacity of the potable water facilities.

C. Planned Improvements:

The Polk Regional Water Cooperative (PRWC) is constructing a new well site and treatment facility that will tap into the Lower Floridan Aquifer. This facility will deliver 1,560,000 gallons per day to the Northeast Utility Service Area to expand the system capacity.

An engineering firm has been chosen for the wastewater plant expansion from six (6) to nine (9) gallons per day. Negotiation with the construction contractor is in the early stages.

Roadways/Transportation Network

There are more than adequate transportation facilities to accommodate an ROS and INST district with a regional park and a fire rescue station at this location. The traffic generated from such a facility is rather low relative to other potential uses for the property. The surrounding roadway network has ample capacity remaining despite the increases in demand over the past five years. There is a comprehensive sidewalk network and mass transit services in the area that provide pedestrian and transit connections to the facility.

A. Estimated Demand

It is often difficult to estimate the impact of a Future Land Use Map change to an Institutional district because there are so many possible uses in the district. Recreation and Open Space on the other hand is somewhat typical because the worst-case scenario is 100% campground at four (4) spaces per acre intensity. Either way, the current use of the property is far lower than the maximum that could be developed if this were single-family residential.

Table 5

Subject Property	**Estimated Impact Analysis**		
±83.2 acres *RL-1X* *US 27 Selected Area Plan*	**Demand as Currently Permitted**	**Proposed Change to 1.95 acres INST-1X and 80.26 ROSX maximum effect**	**Percentage of max permitted**
Permitted Use	664 single-family dwelling units	Office building (59,459 sq.ft @ 70% FAR) Campground (320 spaces)	
Average Annual Daily Trips (AADT)	5,186	INSTX 1,344 ROSX 132	*28.4%*
PM Peak Hour Trips	664	INSTX 102 ROSX 87	*28.4%*

Source: Polk County Concurrency Manual rate of 7.81 AADT and 1.00 PM Peak Hour per single-family unit; Government Office Complex = 89% new trips 33.98 AADT/1,000 sq.ft., 2.82 PM Peak Hour, Campground 0.41per space AADT, 0.27 peak

In reality, the existing 7,500 square foot Fire Station will likely have as much impact on transportation facilities as does a similar size government office. Current estimated multipliers are 33.98 AADT per 1,000 square feet and 2.82 PM peak hour trips per 1,000 square feet with an estimate of 89% new trips.

Table 5a

Subject Property	Estimated Impact Analysis		
±83.2 acres *RL-1X* *US 27 Selected Area Plan*	**Demand as Currently Permitted** RL-1X	**Maximum Permitted on the property** RL-1X	**Existing Development** Fire Rescue Station and Regional Park
Permitted Intensity	83 single-family dwelling units	664 single-family dwelling units	7,500 sq.ft. Fire Rescue Station
Average Annual Daily Trips (AADT)	649	5,186	Fire Station 170 Park 63 Total 233
PM Peak Hour Trips	83	664	Fire Station 13 Park 9 Total 22

Source: Polk Transportation Planning estimates based on Institute of Traffic Engineers 10th Edition, Single-family 7.81 AADT per unit, 1.0 PM Peak Hour, County Park 0.78 AADT /acre, 0.11 PM Peak, Fire Station, Government Office 5.98/1000SF AADT, 2.98 PM peak

No traffic studies can fully account for the impact of an 80-acre park. Parks have many hours of down time. But when major sports events occur, there is an immediate peak demand. Typically, at the end of a sports match when all the attendees leave at once.

B. Available Capacity:

The only access to the park and fire station is U.S. Highway 27. There is not a full median crossing at the entrance even though it lines up with Poitrus Road #2. This is a problem now and will become an even greater problem in the future. While the AADT and PM Peak may not qualify the park as a large traffic generator, there are times when league games let out that creates a bottleneck on U.S. 27. Currently the intersection is only directional at the median break. This requires south bound exits and north bound entrants to make a U-turn in the highway and cross over three lanes of traffic coming or going. When large numbers of vehicles exit the park, it can cause congestion and be quite hazardous. A large multifamily development will be constructing opposite U.S. 27 in the future. It is likely that this development will trigger the warrants to require a full median opening and traffic signal. Staff is working with the developer to construct the signal and a portion of the North Ridge Trail.

Table 6

Link #	Road Name	Current Level of Service (LOS)	Available PM Peak Hour Capacity	Minimum LOS Standard
5112N	U.S. Highway 27 From: CR 54 (Ronald Reagan Parkway) To: Sand Mine Road	C	1,436	D
5112S	U.S. Highway 27 From: Sand Mine Road To: CR 54 (Ronald Reagan Parkway)	C	1,499	D
5113N	U.S. Highway 27 From: Sand Mine Road To: U.S. Highway 192	C	1,253	D
5113S	U.S. Highway 27 From: U.S. Highway 192 To: Sand Mine Road	C	1,322	D

Source: Polk County Transportation Planning Organization, Concurrency Roadway Network Database April 8, 2022

C. Roadway Conditions:

The County does not track pavement conditions on State or private roadways because they are not the County's maintenance responsibility. However, using the PASER method, staff has determined the pavement to be within above average thresholds on U.S. Highway 27.

D. Mass Transit

The park is served by Route 18X of the Citrus Connection, Polk County's transit system. It runs from Haines City to a stop on US Highway 192 where Polk County residents can connect with the LYNX system route #55. The stop is on the US 27 frontage and there is a bus shelter. Route 18X's headways (frequency at a given stop) is one hour on weekdays, two hours on Saturdays.

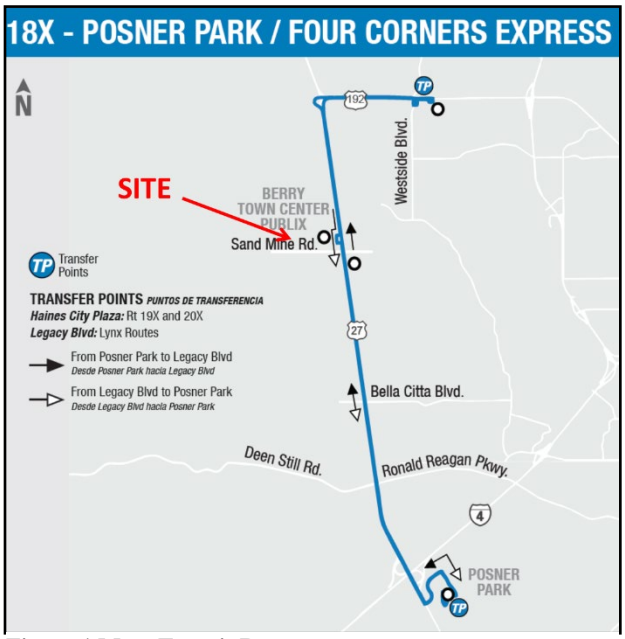

Figure 1 Mass Transit Route

E. Sidewalks

There is a complete sidewalk network along U.S. Highway 27 from the park north to U.S. 192 and south to I-4.

F. Planned Improvements:

Since the Board decided to incentivize urban growth in this portion of the County, there has been a vision to create alternative routes of travel for local traffic than U.S. Highway 27. Once known as the Green Swamp Parkway, now the North Ridge Trail, is an alternative travel corridor that spans from I-4 to Cornerstone Church Place on the west side of U.S. Highway 27 connecting every development in its path together to enhance travel abilities for residents to commerce, destinations, services, and east-west route connections (see Figure 2). The North Ridge Trail has recently received funding in the upcoming budget year to complete engineering and begin construction on the legs between Waverly Barn and Sand Mine Road. There is adequate capacity to support the park as there was 14 years ago when the Planning Commission approved it.

Table 7

Road	Fiscal Year CIP (Construction)	Project Description
Lake Wilson Road widening	Construction Est. Completion 4/2024	Widening Lake Wilson Road from 2 to 4 lanes
North Ridge Trail (Dean Still Road to Sand Mine Road)	Design complete Construction Est Start Date 1/2024	New roadway FDOT construction funding $9.5M and $5M to follow.
North Ridge Trail (Waverly Barn Road to Dean Still Road)	Design complete Construction Est Start Date 1/2024	New roadway. Waiting for BoCC to approve selection of AECOM by RFP committee.
US 27 @ Four Corners	Design complete	Intersection improvements. Final plans submitted to FDOT traffic operations on June 21. Construction agreement is required. FDOT is supplying the signal materials.

Table 7

Road	Fiscal Year CIP (Construction)	Project Description
US 27@ Tierra Del Sol Blvd./Central Grove Road	In design	Developer to design, permit, construct improvements. County to share in construction costs.

Figure 2 North Part of North Ridge Trail

Also important to the future use of the park and fire station is the signalization of Poitrus Road #2 and US. Highway 27 at the park entrance and connection to the north portion of the North Ridge Trail. This will provide an alternative route to U.S. Highway 27 for local traffic and for tourists visiting the attractions in Orange and Osceola Counties. Traffic continues to increase along U.S. Highway 27. Traffic concurrency will not be issued until Level 2 Review is competed. Depending on when that occurs, there may not be enough available capacity. With this connection, trips

flowing to U.S. Highway 27 will be reduced thereby enabling connection to the park without traveling on U.S. Highway 27 for all residential developments on the west side of U.S. 27 from Dean Still Road to Cornerstone Church Place.

Park Facilities and Environmental Lands

The request is to recognize an existing regional park on the Future Land Use Map. The park was approved through a conditional use permit by the Planning Commission in 2010 (CU 10-10). The first constructed phases opened in 2012. The park reached full buildout of all the planned facilities in the fall of 2022. The Comprehensive Plan requires that all County recreation facilities in the unincorporated areas be mapped Recreation and Open Space (ROS).

A. Location:

The Northeast Regional Park is located at 1317 U.S Highway 27

B. Services:

The park contains six (6) lighted multipurpose fields, four (4) lighted baseball/softball fields, four (4) pickleball courts, two (2) racquetball courts, two (2) basketball courts, batting cages, a children's playground, a dog park, a boat ramp, a fishing pier, a walking/jogging trail around the perimeter, restrooms, picnic shelter and pavilions, and concession stands. Current hours of operations are from 5 a.m. to 10 p.m.

C. Multi-use Trails:

There is a multi-use trail that circles the perimeter of the park. There are no offsite multi-use trails planned on the east side of U.S. Highway 27. The Hilochee Wildlife Management Area on the western terminus of Sand Mine Road, opposite U.S. Highway 27 and one mile south of the park, is planned for a future connection to the Florida Trail.

D. Environmental Lands:

The Hilochee Wildlife Management Area begins at the wester terminus of the Sand Mine Road public right-of-way one mile south and one mile west of the park. These lands are made up of fee simple purchases, land dedication, and public conservation easements over private lands. Currently there is no public access nearby, but non-vehicular access is allowed into the property two miles to the north of the park through Lake County and by registering with the Florida Wildlife Conservation Commission. In the future there are plans for the Florida Trail to pass through these lands.

Environmental Conditions

There were few environmental limitations when developing this site for a fire rescue station and park. Soils are well drained. The only wetland and floodplain areas are at the shoreline of Lake Davenport. However, since it was a former citrus grove, there was the presence of sand skinks and gopher tortoises prior to development. The slope of the property towards the lake was a plus and a minus. The well drained soils and proximity to the lake presented an opportunity to test new methods for environmentally sound recreation field management. This was the County's first use

of artificial turf for ballfields. While minimizing the environmental impacts of irrigation, insecticide, and fertilizing the fields it also saves the County money in maintenance costs. The success that was realized at this facility has been used on other ones in the County.

A. Surface Water:

The nearest surface water is Lake Davenport, which abuts the park on the eastern boundary. The park's soils are extremely well drained (Candler Sand), and the stormwater management system is designed to meet a 25 year, 24-hour storm event with a pre-event to post-event volume match, so there is not much runoff leaving the site and flowing into Lake Davenport without pre-treatment. Additionally, the fields are made of artificial turf so fertilized and pesticide usage is minimal. Given the physical characteristics of the property, this facility poses very little or no threat to nearby surface waters.

B. Wetlands/Floodplains:

There are no wetlands shown on the vast majority of site in the GIS Data Viewer for both the National Wetlands Inventory (NWI) and the Southwest Florida Water Management District data. There is a numbered A-zone along the shoreline of Lake Davenport according to the generalized maps provided by the Federal Emergency Management Agency (FEMA). This is to be expected at the shoreline of the lake. The only park facility that encroaches into the floodplain or wetlands is the boat ramp and fishing pier. Both expected to be there and properly permitted.

C. Soils:

The entire park site is comprised of a well-drained sandy soil, Candler Fine Sand according to the U.S. Department of Agriculture, Soil Conservation Service, Polk County Survey. There are very few limitations to development on Candler Sand. Because of its relatively large granular form, amendments and compaction are needed to stabilize the soils for foundations and roadway base. Efficient landscape irrigation is a difficulty as well. That is why the fields are made of artificial turf.

Table 9

Soil Name	**Septic Tank Absorption Field Limitations**	**Small Commercial Buildings**	**% of Site** *(approximate)*
Candler Sand	Slight	Slight	100%

Source: Soil Survey of Polk County, Florida, USDA, Soil Conservation Service

D. Protected Species

According to Polk County Endangered Habitat Maps, there have been sightings of endangered species in the last 20 years around the shores of Lake Davenport (Source: Florida Natural Areas Inventory, 2002, 2006 &2011). Species studies were conducted with the development of the park. Sand skink and Gopher Tortoise mitigation was completed prior to construction of any facilities.

E. Archeological Resources:

According to the Florida Department of State, Division of Historical Resources, there are no archeological sites listed in the Florida Master Site File for Section 12, Township 25, Range 26.

F. Wells (Public/Private)

Polk County Utilities' Holly Hill well site and water treatment facility is over 4,000 feet to the south of the park boundary. The multiuse and baseball fields at the park are comprised of artificial turf. There is very minimal fertilization and insecticide use on the park grounds. The restrooms at the park and fire rescue station are connected to public wastewater. There is a lift station near the boat ramp.

G. Airports:

The site is not within any public airport flight paths or buffer zones. The closest aviation facility is a Helistop 1¼ miles to the north and Heliport at the Sheraton Four Points Hotel 4½ miles to the northeast both on US Highway 192. There is nothing constructed in the park that will have any effect on air traffic.

Economic Factors:

The County has made significant investments in infrastructure to support urban development in this area. Facilities such as water, wastewater, mass transit, fire protection, EMS and recreational facilities provide plenty of capacity for growth. Since the County began investing in infrastructure to serve development in this area, growth has been at a high rate. Housing developments in the area appeal to three main markets; retirement, commuters, and vacation rentals. In this area, there is a significant number of suburban dwellers that commute to work in the greater Orlando metropolitan area. In the past, many in the real estate fields believe this has been attributed to slightly lower land values in Polk compared to the other counties and convenient routes of travel to work and leisure opportunities, but there has been significant urban growth on the other sides of the county line as well. This regional park is enjoyed by many Polk and Osceola County, and families vacationing in the area. Mapping the property ROSX and INST-1X helps investors realize the beneficial amenities in the area.

Consistency with the Comprehensive Plan

Many policies within the Comprehensive Plan are reviewed for consistency with an application. The most relevant policies for the proposed request are included in this section. The policy is first stated and then an analysis of how the request is provided to state that it may or may not be consistent with the Comprehensive Plan. How the request is **consistent or inconsistent** with the Comprehensive Plan is listed below:

- Section 2.102 – General Growth Management policies
- Section 2.104 – Transit Supportive Development Area (TSDA) policies
- Section 2.116 – Institutional
- Section 2.117 – Recreation and Open Space

The table to follow provides a brief breakdown of Section 2.102 policies that are most pertinent to this request.

Table 9 - General Growth Management policies

Comprehensive Plan Policy	Consistency Analysis
POLICY 2.102-A1: DEVELOPMENT LOCATION – Polk County shall promote contiguous and compact growth patterns through the development process to minimize energy costs, conserve land, water, and natural resources, minimize the cost of services, and prevent development patterns where tracts of land are by-passed in favor of development more distant from services and existing communities.	The proposed ROSX district is to recognize an existing regional park. The proposed INSTX district is to recognize an existing fire rescue station. These properties are surrounded by the urban scale development that surrounds them.
POLICY 2.102-A2: COMPATIBILITY - Land shall be developed so that adjacent uses are compatible with each other, pursuant to the requirements of other Policies in this Future Land Use Element, so that one or more of the following provisions are accomplished: a. there have been provisions made which buffer incompatible uses from dissimilar uses; b. incompatible uses are made to be more compatible to each other through limiting the intensity and scale of the more intense use; c. uses are transitioned through a gradual scaling of different land use activities through the use of innovative development techniques such as a Planned Unit Development.	The regional park was constructed on this site to provide for the recreation concurrency needs of the urban scale development permitted in the North US 27 SAP. The INSTX district will recognize an existing fire rescue station that serves the population in the area based on the development density.
POLICY 2.102-A3: DISTRIBUTION - Development shall be distributed throughout the County consistently with this Future Land Use Element so that the public utility, other community services, and public transit and transportation systems can be efficiently utilized; and compact, high-density and intensity development is located where urban services can be made available.	The regional park and fire rescue station were placed in this location to serve the anticipated growth that was planned for the area. This amendment is to recognize the existing uses.
POLICY 2.102-A4: TIMING - The development of land shall be timed and staged in conjunction with the cost-effective and efficient provision of supporting community services which, at a minimum, shall require compliance with the Plan's Level of Service requirements and the County's concurrency management system.	When the area was planned for urban scale development the best location for recreation and fire rescue services was not known. When it became apparent, the needs were too great to go through the lengthy CPA process. The ROSX and INSTX designations will acknowledge the regional park and fire station on the Future Land Use Map.
POLICY 2.102-A15: ADEQUATE PUBLIC FACILITIES - The County will direct new growth to areas where adequate public facilities exist or are planned; and ensure that essential services are in place to provide for efficient, cost effective response times from the Fire Department, Sheriff's Department, and Emergency Management Service (EMS).	The requested INSTX district is to recognize the placement of fire rescue services on this site to ensure that adequate response times of emergency services are maintained in the area.

The table to follow provides a brief breakdown of Section 2.104 policies that are most pertinent to this request.

Table 10 – Transit Supportive Development Area Policies

Comprehensive Plan Policy	Consistency Analysis
POLICY 2.104-A1: DESCRIPTION -- Transit Supportive Development Areas shall meet the following criteria: a. be those areas where the availability of infrastructure and other community facilities and services, including, but not limited to mass transit and other transportation alternatives, utilities, **public safety, recreational** and educational services, promotes and supports the location of higher density and intensity compact, mixed use development; b. be supported by existing or planned urban type services that are programmed or expected for the 10-year planning horizon; c. be designated as part of a coordinated land use and transportation strategy that supports the provision of improved and expanded transit services, as identified in the Transportation Planning Organization (TPO) 2060 Transportation Vision Plan and the connecting circulator routes, in order to increase mobility and travel options; d. include development criteria that: 1. promote the development of walkable communities which include a balance between employment opportunities, mix of complementary uses and activities, and a range of housing opportunities; 2. improve access to employment areas, schools, shopping and recreational opportunities;	Both the regional park and fire rescue station have been developed to provide the services needed for other forms of development in the TSDA as stated in the policy highlighted.
POLICY 2.104-A5: DEVELOPMENT CRITERIA -- Development within the Transit Supportive Development Areas shall conform to the following criteria as further specified by the Land Development Code:	
a. provide access to transit facilities;	A bus pull-off and shelter are constructed on the U.S. Highway 27 frontage. The stop is served by route 18X (Posner Park/Four Corners).
b. connect to centralized potable water and sanitary sewer systems;	The County provides public water to the property but only the fire rescue station and restrooms at the park are connected to wastewater.
c. incorporate design features that promote healthy communities and green building practices, as established in Section 2.1251, Community Design, of this element;	The fire rescue station that this CPA is recognizing promotes healthy communities by providing public safety facilities. The park helps them remain healthy.
d. implement “Complete Street’ and “Conservation Development” principles as established under Section 2.1251, Community Design, of this element;.	This CPA is to recognize an existing public use. Both facilities are connected to the sidewalk system that runs the length of U.S. Highway 27 to other nearby residential developments. There is a paved multiuse trail that connects all the recreation facilities within the park.
e. integrate pedestrian-oriented features, including sidewalks, trails or walkways into every development including appropriate pedestrian shelters or awnings;	Both facilities are connected to the sidewalk system that runs the length of U.S. Highway 27 to other nearby residential developments. There is a paved multiuse trail that connects all the recreation facilities within the park.
f. provide access to civic space, parks, green areas, and open space and other amenities;	The existing use is a public park.

Table 10 – Transit Supportive Development Area Policies

Comprehensive Plan Policy	Consistency Analysis
g. be supported by public safety (i.e., fire, EMS and law enforcement);	The purpose of the fire station that this CPA is recognizing is public safety.
h. have access to public schools, and	Schools need fire stations, not the other way around. School teams use the park facilities.
i. provide connectivity with adjacent uses within the TSDA, and facilitate connectivity between the TSDA and other urban centers and the rural development areas.	Both facilities are connected to the sidewalk system that runs the length of U.S. Highway 27 to other nearby residential developments. However, there is no vehicle connections. There is only one way: U.S. Highway 27.
j. encourage the inclusion of a variety of housing choices, other than single family detached homes, townhomes, condominiums, and residential units in mixed use buildings by establishing minimum densities that preclude the exclusive use of single family detached units within designated areas as established in Policy 2.104-A7.	These districts support increased housing densities so that more housing choices can be developed in the area.

Table 11 – Institutional Policies

Comprehensive Plan Policy	Consistency Analysis
POLICY 2.116-A1: CHARACTERISTICS - Institutional areas are primarily characterized by private and public-service structures.	This CPA recognizes an existing County fire station and public park.
POLICY 2.116-A3: LOCATION CRITERIA - Institutional development may occur within the lands designated Institutional on the Future Land Use Map Series, and in any other land use designation throughout the County, unless further prohibited by the Land Development Code the County in accordance with Section 163.3201(1), FS. The following factors shall be taken into consideration when determining the appropriateness of establishing new Institutional areas on the Future Land Use Map Series, or in approving the location for an institutional use not located within lands classified as Institutional: a. Accessibility to roadways, with consideration being given to regional transportation issues for large-scale institutional developments having a regional market. b. Proximity to incompatible land uses, which is dependent upon the intensity of the institutional use (buffering may be provided to mitigate adverse impacts). c. The locational criteria enumerated in Policy 2.102-A9 and Policy 2.102-A10. d. Proximity to similar and compatible uses providing opportunities for shared facilities.	a. This site has frontage on an arterial road. b. The closest residential structure is approximately 200 feet away. c. It meets the criteria enumerated in in Policy 2.102-A9 and Policy 2.102-A10. See pages 10 thru 18 of the staff report. d. This is the only INST for miles around. e. There is a school 1¼ miles to the south.

Table 11 – Institutional Policies

Comprehensive Plan Policy	Consistency Analysis
e. Plans of the School Board and other public service agencies with jurisdiction in the County	
POLICY 2.116-A4: DEVELOPMENT CRITERIA - Institutional development shall conform to the following criteria: a. Institutional uses include, but are not limited to: private and public-service structures. These commonly include: 1. public and private educational facilities; 2. government-administration buildings; 3. public-safety structures (e.g. police and fire); 4. cultural facilities (e.g. libraries, museums, and performing-arts theaters); 5. health-care facilities e.g. **hospitals**, medical centers, clinics, nursing homes, adult day care centers, group homes, group living facilities, emergency shelters, residential treatment facilities.	The County currently owns the property will continue to use it for a Fire/EMS station. The original Conditional Use approval was August 10, 2010.
b. Large institutional areas should be designed so that the more intensive uses are at the center of the development, with less intensive uses near the fringes.	1.95 acres is not large.
c. Prior to site planning, the School Board, independent special districts and other governmental entities shall communicate to one another to pursue potential colocation of government services.	The property was purchased for a park and the fire rescue station was added. There is not room for a school on the site.
d. Commercial uses within institutional areas mapped on the Future Land Use Map Series shall be primarily for the purpose of serving the institutions within the area and shall be limited to a scale appropriate for that purpose.	It's a fire station. Not a place for commercial uses.
e. Institutional sites shall be designed to provide for: 1. Adequate parking to meet the present and future demands of the use. 2. Buffering where the effects of lighting, noise, odors, and other such factors would adversely affect adjacent land uses. Parking lots, loading areas, dumpsters, utilities and air conditioning units, signage, etc. are examples of facilities which may require special buffering provisions.	The site has the use of the regional park if more parking is needed.
f. Multi-family residential uses may be permitted at densities up to and including 15 dwelling units per acre as part of a Planned Development. Residential uses may be permitted according to the following: 1. Residential uses shall only be established adjacent to or in conjunction with a university, college, vocational school or other similar educational institution. 2. Residential development shall be intended to primarily meet the housing needs for students and facility members of the nearby educational institution.	No multifamily uses are proposed or characteristic of a fire station.

Table 11 – Institutional Policies

Comprehensive Plan Policy	Consistency Analysis
g. Recreational uses accessory to the institutional use or compatible with the location of the institutional district.	The other 80.26 acres is dedicated to recreation.

Table 12 – Recreation and Open Space Policies

Comprehensive Plan Policy	Consistency Analysis
POLICY 2.117-A1: CHARACTERISTICS - Recreation and open space areas are primarily sites and facilities which are accessible to the general public, and which are oriented toward providing recreation services for the resident and the short and long-term visitor to Polk County. A recreational activity included within recreation and open space areas may be motorized, allow for the discharge of firearms, accommodate nighttime use, and produce large crowds at events. Retail sales are limited to concessions at events or to enhance the quality of the recreation experience onsite unless combined with commercially designated lands.	The Northeast Regional Park has lights to accommodate nighttime use and a boat ramp where motorized vessels may launch for access to Lake Davenport. There are concession stands at the ballfields for use during league play events. They are not opened daily.
POLICY 2.117-A2: DESIGNATION AND MAPPING - Recreation and open space areas shall be designated and mapped on the Future Land Use Map Series as "Recreation and Open Space" (ROS) and shall include all existing publicly accessible recreation and open space areas.	Yes.
POLICY 2.117-A3: LOCATION CRITERIA - Designation of new Recreation and Open Space areas on the Future Land Use Map Series shall occur. Consider the following factors when determining the appropriateness of designating new Recreation and Open Space areas: a. facilities meeting the recreation level-of-service standard (Policy 3.502-E2) and fulfilling the recreation and open space acquisition plan (Policies 3.502-E3, 3.502-E6, and 3.502-E9); b. satisfying resident and seasonal visitor/tourist recreation demand; c. impacts of the proposed uses on public facilities and services; d. vehicle access relative to the size and planned intensity of a proposed ROS district; e. distance to lake and river access, greenways, bicycle, pedestrian, and fixed route transit facilities, both existing and planned; and, f. the locational criteria enumerated in Policy 2.102-A9 and Policy 2.102-A10.	The Northeast Regional Park embodies all of these factors: built to meet recreation level-of-service, satisfies resident and tourist demands, has access to all urban public facilities, has direct access on an arterial road, with a transit stop, and access to a lake.
POLICY 2.117-A4: DEVELOPMENT CRITERIA - Recreation and Open Space development shall conform to the following criteria: a. provide for adequate parking to meet the present and future demands of the use; b. provide buffering, screening or setbacks where the effects of lighting, noise, odors, and other such factors may adversely affect adjacent land uses. Parking lots, dumpsters, utilities and air handling units, signage, etc. are examples of activities that may require special buffering, screening or setbacks provision; and c. incorporate water and energy conserving techniques.	The NE Regional Park has plenty of parking, as well as overflow. Buffering was required and planted with the Conditional Use approval in 2010. The ballfields are made of artificial turf to minimize water use. The other landscaping is irrigated with reclaimed water from the wastewater treatment plant. The property is not in the Green Swamp.

Table 12 – Recreation and Open Space Policies

Comprehensive Plan Policy	Consistency Analysis
d. in the Rural Special Protection Area of the Green Swamp Area of Critical State Concern Recreation and Open Space may not include the following: 1. Motorized Recreation except when providing access for disabled persons and boat access for non-competitive recreation; 2. Recreation activities that produce large crowds (more than 250 people); or, 3. Facilities with lighting that accommodates nighttime use.	

Urban Sprawl Analysis

After analyzing the primary indicators of Urban Sprawl per *Policy 2.109-A10* of the Polk County Comprehensive Plan, it is apparent that the proposed request is not considered urban sprawl based on these criteria. Table 12 (below) depicts the Urban Sprawl Criteria used by staff as indicators of Urban Sprawl. However, this is one of the last available properties for development in an area that has long been planned for urban development. It is in no way urban sprawl.

Urban Sprawl Criteria: The following table lists the criteria are the primary indicators of urban sprawl per Florida Statutes Policy 2.102-A11.

Table 12 Urban Sprawl Criteria

Urban Sprawl Criteria	Sections referenced in this report
a. *Promotes substantial amounts of low-density, low-intensity, or single use development in excess of demonstrated need.*	Summary of analysis
b. *Allows a significant amount of urban development to occur in rural areas.*	Summary of analysis
c. *Designates an urban development in radial, strip isolated, or ribbon patterns emanating from existing urban developments.*	Summary of analysis, surrounding Development, compatibility
d. *Fails to adequately protect and conserve natural resources and other significant natural systems.*	Summary of analysis, surrounding Development, compatibility
e. *Fails to adequately protect adjacent agricultural areas.*	Compatibility with Surrounding Land Uses
f. *Fails to maximize existing public facilities and services.*	Summary of Analysis, Infrastructure
g. *Fails to minimize the need for future facilities and services.*	Summary of Analysis, Infrastructure
h. *Allows development patterns that will disproportionately increase the cost of providing public facilities and services.*	Summary of Analysis, Infrastructure
i. *Fails to provide a clear separation between urban and rural uses.*	Summary of Analysis, Compatibility with Surrounding Land Uses
j. *Discourages infill development or redevelopment of existing neighborhoods.*	Summary of Analysis, Compatibility with Surrounding Land Uses
k. *Fails to encourage an attractive and functional mixture of land uses.*	Summary of Analysis, Compatibility with Surrounding Land Uses

Urban Sprawl Criteria: The following table lists the criteria are the primary indicators of urban sprawl per Florida Statutes Policy 2.102-A11.

Table 12 Urban Sprawl Criteria

Urban Sprawl Criteria	Sections referenced in this report
l. *Will result in poor accessibility among linked or related land uses.*	Summary of Analysis, Compatibility with Surrounding Land Uses
m. *Results in the loss of a significant amount of open space.*	Summary of Analysis, Compatibility with Surrounding Land Uses

Comments from other Agencies:

The County Surveyor's office has reviewed the legal description included in the draft ordinance for completeness and accuracy.

ORDINANCE NO. 2024 -____

AN ORDINANCE OF THE POLK COUNTY BOARD OF COUNTY COMMISSIONERS REGARDING THE ADOPTION OF **LDCPAL-2023-5**, AN AMENDMENT TO THE POLK COUNTY COMPREHENSIVE PLAN, ORDINANCE 92-36, AS AMENDED, TO CHANGE THE FUTURE LAND USE MAP DESIGNATION ON 82.21+/- ACRES FROM RESIDENTIAL LOW - X (RLX) TO 80.26+/- ACRES OF RECREATION AND OPEN SPACE – X (ROSX) AND 1.95+/- ACRES OF INSTITUTIONAL-X (INSTX) LOCATED EAST OF U.S. HIGHWAY 27, SOUTH OF INTERNATIONAL BASS BOULEVARD, NORTH OF FLORENCE VILLA GROVE ROAD, WEST OF THE OSCEOLA COUNTY LINE, SOUTH OF CLERMONT, NORTH OF HAINES CITY AND THE CITY OF DAVENPORT IN SECTION 12, TOWNSHIP 25, AND RANGE 26.; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Article VIII, Section I(g) of the Constitution of the State of Florida and the Community Planning Act, Chapter 163, Part II, Florida Statutes (FS), as amended, (the Act) Polk County is authorized and required to adopt a Comprehensive Plan (Plan); and

WHEREAS, Section 163.3184, FS, and Comprehensive Plan Section 4.305.B, provides for the approval of Large-Scale Comprehensive Plan Amendments; and

WHEREAS, Application LDCPAL 2023-5 is a County-initiated application to change the future land use designation of 82.21+/- acres from Residential Low - X (RLX) to 80.26+/- acres of Recreation And Open Space – X (ROSX) and 1.95+/- acres of Institutional-X (INSTX) in the North U.S. Highway 27 Selected Area Plan and in the Transit Supportive Development Area (TSDA), (the "Amendment"); and

WHEREAS, pursuant to Section 163.3174, FS, the Local Planning Authority (Planning Commission) conducted a public hearing, with due public notice having been provided, Amendment on September 6, 2023; and

WHEREAS, pursuant to Section 163.3184, FS, the Board of County Commissioners on November 7, 2023, held an initial public hearing and authorized transmittal of the Amendment to the Florida Department of Commerce (Florida Commerce) for written comment, and

WHEREAS, DEO, by letter dated December ??, 2023, transmitted objections, recommendations, and comments on the Amendment; and

WHEREAS, pursuant to Section 163.3184, FS, the Board of County Commissioners conducted an adoption public hearing, with due public notice having been provided, on the Amendment on January 2, 2023; and

WHEREAS, the Board of County Commissioners, reviewed and considered all comments received during said public hearing, and provided for necessary revisions; if any; and

WHEREAS, the Board of County Commissioners has considered the data and analysis contained within the staff report; and

WHEREAS, the Amendment is consistent with Chapter 163, FS, and the Polk County Comprehensive Plan.

NOW THEREFORE, BE IT ORDAINED by the Polk County Board of County Commissioners:

SECTION 1: LEGISLATIVE FINDINGS OF FACT
The findings of fact set forth in the recitals to this Ordinance are true and correct and hereby adopted.

SECTION 4: SEVERABILITY

If any provision of this Ordinance is held to be illegal, invalid, or unconstitutional by a court of competent jurisdiction the other provisions shall remain in full force and effect.

SECTION 5: EFFECTIVE DATE

The effective date of this plan amendment, if the amendment is not timely challenged, shall be the date the Florida Department of Commerce (Florida Commerce) posts a notice of intent determining that this amendment is in compliance. If timely challenged, or if the state land planning agency issues a notice of intent determining that this amendment is not in compliance, this amendment shall become effective on the date the state land planning agency, or the Administration Commission enters a final order determining this adopted amendment to be in compliance. No development orders, development permits, or land uses dependent on this amendment may be issued or commence before it has become effective. If a final order of noncompliance is issued by the Administration Commission, this amendment may nevertheless be made effective by adoption of a resolution affirming its effective status, a copy of which resolution shall be sent to the Florida Department of Commerce (Florida Commerce).

SECTION 6: FILING WITH THE DEPARTMENT OF STATE:

The Clerk and Auditor to the Board of County Commissioners of Polk County, Florida, shall file a certified copy of this ordinance with the Department of State, through the Secretary of State, upon adoption by the Board of County Commissioners of Polk County, Florida.

ADOPTED, in open session of the Polk County Board of County Commissioners with a quorum present and voting this 9th day of January 2024.

Polk County

Board of County Commissioners

Agenda Item P.1. 11/7/2023

SUBJECT

PUBLIC HEARING to consider the adoption of an ordinance setting the yearly salary of Commissioners in accordance with Section 2.5 of the Polk County Charter.

DESCRIPTION

The Charter provides that Commissioners may by unanimous vote of the members of the entire Board of County Commissioners amend their annual salary. "Any increase shall not exceed the average percentage increase in the salaries of county employees for the fiscal year just concluded, or the percentage change in the U.S. consumer price index for the previous year, whichever is less." The proposed increase of 3.50% which is the lesser of the average percentage increase in the salaries of county employees for the fiscal year 22-23 (3.50%) and the percentage change in the U.S. consumer price index for 2022 (6.5%). If approved, the Commissioner's salaries will increase from $47,939.65 to $49,617.54 a difference of $1,677.89.

RECOMMENDATION

Adopt Ordinance for the purpose of increasing the yearly salary of Polk County Commissioners by 3.5% as provided for by the Polk County Charter.

FISCAL IMPACT

Fiscal impact of $8,389.45. Funds were included within the FY 23-24 budget to cover this increase.

CONTACT INFORMATION

Randy Mink, County Attorney

863-534-7679

ORDINANCE NO. 23-____

AN ORDINANCE INCREASING THE SALARY OF THE MEMBERS OF THE POLK COUNTY COMMISSION; PROVIDING THE AMOUNT OF THE INCREASE; PROVIDING THE EFFECTIVE DATE OF THE SALARY INCREASE AS JANUARY 1, 2024; PROVIDING FOR SEVERABILITY; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Polk County Charter, in Section 2.5, set the yearly salary of Commissioners serving on the Board of County Commissioners elected on or after November 7, 2000; and

WHEREAS, the Charter further provides that the salary may be amended, by Ordinance, upon a unanimous vote of the members of the entire Board of County Commissioners; and

WHEREAS, based on previous ordinances adopted by the Board of County Commissioners, the current approved salary of Commissioners serving on the Board of County Commissioners is $47,939.65.

WHEREAS, it is the desire of the Commissioners now serving on the Board of County Commissioners that the salary shall be increased based the lesser of the average percentage increase in the salaries of county employees for the fiscal year just concluded and the percentage change in the U.S. consumer price index for the previous year as allowed pursuant to the Polk County Charter.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF POLK COUNTY, FLORIDA, THAT:

SECTION 1.

By unanimous vote of the members of the entire Board of County Commissioners, the salary of the Commissioners shall be increased by 3.50% which is the lesser of the average percentage increase in the salaries of county employees for the fiscal year just concluded (3.50%) and the percentage change in the U.S. consumer price index for the previous year (6.50%) as required by Section 2.5 of the Polk County Charter.

SECTION 2.

This salary increase to $49,617.54 shall be effective on January 1, 2024.

SECTION 3.

Any Commissioner may opt-out of receiving the salary increase provided herein by providing written notice to the Clerk of the Board on or before December 15, 2023, which shall substantially be in the following form:

I Commissioner _____ hereby opt-out of receiving the increase in salary effective January 1, 2024 and elect to receive _____ as my salary for calendar year 2024.

A Commissioner's election not to receive the salary increase shall not affect the yearly salary for subsequent Commissioner's which represent the district and upon the Commissioner vacating the seat for the district, the yearly salary shall be adjusted to the maximum yearly salary allowed for Board of County Commissioners.

A Commissioner that elected not to receive the increase pursuant to previous ordinances will receive the increase provided herein unless the Commissioner provides notice to the Clerk of the Board on or before December 15, 2023 of his or her election to opt-out of the increase provided herein. In such case, the current salary of the commissioner shall be increased by 3.50%.

SECTION 4. Severability

If any provision or application of this Ordinance is for any reason held invalid, such invalidity shall not affect the remaining provisions or applications of this Ordinance which can be given effect without the invalid provision or application and, to this end, the provisions of this Ordinance are declared severable.

SECTION 5. Effective Date

This Ordinance shall become effective upon the filing of the Ordinance with the Florida Department of State.

Passed by the Board on this 7th day of November, 2023.

Agenda Item P.2. 11/7/2023

SUBJECT

PUBLIC HEARING to consider adoption of an ordinance prohibiting smoking and vaping in public parks within unincorporated Polk County.

DESCRIPTION

In June 2022, the State of Florida enacted legislation that granted city and county governments the ability to ban smoking at public parks and beaches but includes an exception for unfiltered cigars. The new law became effective on July 1, 2022, and is now codified at Fla. Stat. Sec. 386.209 and falls within the chapter that is now titled Florida Clean Air Action.

The proposed Ordinance will prohibit smoking and vaping in public parks within unincorporated Polk County.

RECOMMENDATION

Adopt the proposed ordinance prohibiting smoking and vaping in public parks within unincorporated Polk County.

FISCAL IMPACT

No fiscal impact.

ORDINANCE NO. 2023-

AN ORDINANCE OF THE POLK COUNTY BOARD OF COUNTY COMMISSIONERS PROHIBITING SMOKING AND VAPING IN PUBLIC PARKS OWNED OR LEASED BY POLK COUNTY; PROVIDING FOR SEVERABILITY; PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, tobacco use causes death and disease and continues to be an urgent public health threat,

WHEREAS, secondhand smoke exposure is harmful,

WHEREAS, there is emerging evidence that exposure to the aerosol produced by a vapor-generating electronic device may be harmful,

WHEREAS, tobacco waste is a major, consequential, and persistent source of litter,

WHEREAS, cigarettes, cigarette butts, smokeless tobacco, and vapor-generating electronic devices pose a health threat of poisoning to young children,

WHEREAS, the State of Florida enacted chapter 2022-213, Laws of Florida, which grants counties and municipalities the legal authority to restrict smoking within the boundaries of county and municipal owned public beaches and public parks, but which includes an exception for unfiltered cigars; and

WHEREAS, chapter 2022-213, Laws of Florida is now codified at F.S. 386.209, which retains an express preemption of the regulation of smoking to the State except for the limited exception to regulate smoking at county and city owned parks and beaches; and

NOW THEREFORE, in order to provide for the public health, safety, and welfare, reduce unwanted and unwelcome exposure to secondhand smoke and the secondhand aerosol produced by vapor-generating electronic devices, assure cleaner and more hygienic parks for unincorporated Polk County its residents and visitors, it is the intent of the Polk County Board of County Commissioners in enacting this ordinance, to prohibit smoking and vaping in parks which are used by or open to the public and to prohibit smoking and vaping waste in those areas thereby affirming and promoting a healthy environment in unincorporated Polk County.

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF POLK COUNTY, FLORIDA THAT:

Section 1. DEFINITIONS. The following words and phrases, whenever used in this section shall have the meanings defined in this section unless the context clearly requires otherwise:

a. “Parks” means any County owned or leased property managed by a County division or department for the purpose of recreation by the public.

b. “Smoking” means inhaling, exhaling, burning, carrying, or possessing any lighted or heated tobacco product, including cigarettes, filtered cigars, pipe tobacco, and any other lighted or heated tobacco product whether natural or synthetic. For the purposes of this policy only, smoking does not include the use of unfiltered cigars (pursuant to Florida Statute 386.209).

c. “Tobacco Product” means:

(1) any product containing, made, or derived from tobacco, nicotine or nicotine analogues that is intended for human consumption or is likely to be consumed, whether inhaled, absorbed, or ingested by any other means, including but not limited to, a cigarette, a cigar, pipe tobacco, chewing tobacco, snuff, or snus;

(2) any vapor-generating electronic device as defined in this [article/chapter] and any substances that may be aerosolized or vaporized by such device, whether or not the substance contains nicotine; or

(3) any component, part, accessory, of (1) or (2), whether or not any of these contains tobacco or nicotine, including but not limited to filters, rolling papers, blunt or hemp wraps, hookahs, and pipes.

d. “Tobacco Product” does not mean drugs, devices, or combination products authorized for sale by the U.S. Food and Drug Administration, as those terms are defined in the Federal Food, Drug, and Cosmetic Act.

e. “Tobacco Product Waste” means any material that is left over and regularly intended to be discarded after the use or consumption of a tobacco product. Tobacco Product Waste includes, but is not limited to, discarded cigarette butt filters, cigar or cigarillo tips, cigarette packs, cigar or cigarillo wrappers, vapor-generating electronic devices of all types, vapor-generating electronic device cartridges or refill containers, plastic packaging, foil, or other disposable tobacco product remnants or tobacco product packaging in any form.

f. “Vape” or “vaping” means to inhale or exhale vapor produced by a vapor-generating electronic device or to possess a vapor-generating electronic device while that device is actively employing an electronic, a chemical, or a mechanical means designed to produce vapor or aerosol from a nicotine product or any other substance. The term does not include the mere possession of a vapor-generating electronic device.

g. “Vapor-generating Electronic Device” means an electronic device that may be used to deliver any aerosolized or vaporized substance to the person inhaling from the device, including, but not limited to, an e-cigarette, e-cigar, e-pipe, vape pen, or e-hookah.

Section 2. PROHIBITION OF SMOKING AND VAPING IN RECREATIONAL AREAS.

Smoking and the use of all other tobacco products is prohibited in all parks owned by Polk County designated no smoking or vaping by the County Manager or their designee. Designation of a park as no smoking or vaping by the County Manager or their designee shall be done through a memorandum to the appropriate division. Unfiltered cigars are exempted under 386.209, Florida Statutes. If a park is designated no smoking or vaping by the County Manager, parking areas of the park shall be the designated smoking areas for the park.

Section 3. OTHER REQUIREMENTS AND PROHIBITIONS.

(a) No person shall dispose of tobacco product waste in any park.

(b) The County Manager or their designee shall post at least one clear, conspicuous and unambiguous “No Smoking or Vaping” sign or other similar sign at the County Manager’s discretion at each point of ingress to the area, and in at least one other conspicuous location where individuals congregate (such as restrooms, playgrounds, or buildings) within each recreational area. For purposes of this section, the County Manager or their designee shall be responsible for the posting of signs in regulated facilities owned or leased in whole or in part by the County. Notwithstanding this provision, the presence or absence of signs shall not be a defense to a charge of smoking or vaping in violation of any other provision of this Ordinance.

Section 4. COMPLIANCE AND ENFORCEMENT.

Individuals acting in violation of this policy will be reminded and asked to comply by the County Manager or their designee. Individuals who violate this policy may be asked to leave the park.

Section 5. STATUTORY CONSTRUCTION & SEVERABILITY.

If any section, subsection or provision of this ordinance, or its application to any person or circumstance, is for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining sections or provisions of this ordinance or its application to any other person or circumstance. The Board of County Commissioners hereby declares that it would have adopted each section, subsection or provision hereof independently, irrespective of the fact that any one or more other sections, subsections or provisions hereof be declared invalid or unenforceable.

SECTION 6. EFFECTIVE DATE

This Ordinance shall take effect immediately upon filing with the Office of the Florida Secretary of State.

Tax Collector *for* Imperial Polk County & The State of Florida

STATE OF FLORIDA
COUNTY OF POLK

FY 2022|2023

CERTIFICATE

I, Joe G. Tedder, as Tax Collector for Polk County, Florida, and pursuant to the provisions of Chapter 61-2706, Laws of Florida 1961, DO HEREBY transmit the sum of Thirty Thousand, One Hundred and Forty-Seven Dollars, and 09/100 ($30,147.09), which represents the unclaimed moneys for the period of October 1, 2020 through September 30, 2022, as set forth on the attached schedule.

I HEREBY CERTIFTY that I have made a diligent effort to have these checks presented for payment as required by Chapter 61-2706, Laws of Florida, 1961.

In WITNESS WHEREOF, I have hereunto set my hand this 27th day of September, 2023.

Joe. G Tedder, CFC
Tax Collector for Polk County

MARION CREEK ESTATES PHASE 2

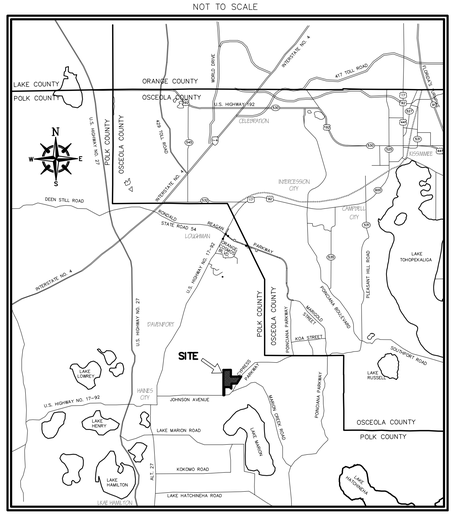
A REPLAT OF TRACT FD,
MARION CREEK ESTATES PHASE 1
PLAT BOOK 200, PAGES 9 THROUGH 13
SECTION 19, TOWNSHIP 27 SOUTH, RANGE 28 EAST,
POLK COUNTY, FLORIDA

SHEET 1 OF 9

PLAT BOOK ____ PAGE ____

VICINITY MAP

NOT TO SCALE



SURVEYOR'S NOTES:

1. ELEVATIONS SHOWN HEREON ARE BASED ON POLK COUNTY N.A.V.D. 1988 DATUM. REFERENCE BENCHMARK IS BENCHMARK 772502, AN ALUMINUM DISK IN CONC. HEADWALL STAMPED "POLK COUNTY SURVEYING AND MAPPING BENCHMARK 772502", SOUTH OF CYPRESS PARKWAY, WEST OF MISS MARY ANN ROAD, ELEVATION = 73.82.
2. BEARINGS SHOWN HEREON ARE BASED ON THE FLORIDA STATE PLANE COORDINATE SYSTEM, EAST ZONE, (NAD 83, 1990 ADJUSTMENT) AS DETERMINED FROM GLOBAL POSITIONING SYSTEM (GPS). REFERENCE BEARING IS THE NORTH LINE OF SECTION 19 BEING N89°51'39"W.
3. HORIZONTAL COORDINATES SHOWN HEREON ARE BASED ON THE FLORIDA STATE PLANE COORDINATE SYSTEM, WEST ZONE. (NAD 83, 2007 ADJUSTMENT) AS DETERMINED FROM GLOBAL POSITIONING SYSTEM (GPS) DERIVED FROM LENGEMANN L-NET GLOBAL NAVIGATION SATELLITE SYSTEM (GNSS) NETWORK.
4. STATE PLANE COORDINATES SHOWN HEREON AND THEIR COMPUTED VALUES SHALL BE SUBORDINATE TO THE MONUMENTS, BEARINGS AND DISTANCES SHOWN ON THIS PLAT.
5. ACCORDING TO FLOOD INSURANCE RATE MAPS NO. 12105C 0245H AND 12105C 0385H DATED DECEMBER 22, 2016 AS REVISED BY LOMR 21-04-4272P, DATED JUNE 9, 2022, THE LANDS SHOWN HEREON ARE WITHIN ZONES "X" AND AE. BASE FLOOD ELEVATIONS (BFE) VARY AS SHOWN HEREON. THE 100 YEAR FLOOD ZONE LINES SHOWN HEREON ARE AS PROVIDED BY QUIGG ENGINEERING INC.
6. ALL LOT LINES ALONG CURVES SHOWN HEREON ARE RADIAL UNLESS NOTED AS NON-RADIAL (NR).
7. ALL PLATTED UTILITY EASEMENTS SHALL PROVIDE THAT SUCH EASEMENTS SHALL ALSO BE EASEMENTS FOR THE CONSTRUCTION, INSTALLATION, MAINTENANCE, AND OPERATION OF CABLE TELEVISION SERVICES; PROVIDED, HOWEVER, NO SUCH CONSTRUCTION, INSTALLATION, MAINTENANCE, AND OPERATION OF CABLE TELEVISION SERVICES SHALL INTERFERE WITH THE FACILITIES AND SERVICES OF AN ELECTRIC, TELEPHONE, GAS, OR OTHER PUBLIC UTILITY. IN THE EVENT A CABLE TELEVISION COMPANY DAMAGES THE FACILITIES OF A PUBLIC UTILITY, IT SHALL BE SOLELY RESPONSIBLE FOR THE DAMAGES. THIS SECTION SHALL NOT APPLY TO THOSE PRIVATE EASEMENTS GRANTED TO OR OBTAINED BY A PARTICULAR ELECTRIC, TELEPHONE, GAS OR OTHER PUBLIC UTILITY. SUCH CONSTRUCTION, INSTALLATION, MAINTENANCE, AND OPERATION SHALL COMPLY WITH THE NATIONAL ELECTRICAL SAFETY CODE AS ADOPTED BY THE FLORIDA PUBLIC SERVICE COMMISSION.
8. LOT AND TRACT CORNERS WILL BE SET IN ACCORDANCE WITH CHAPTER 177.091(9), FLORIDA STATUTES.
9. THERE ARE 5.00 FOOT WIDE DRAINAGE EASEMENTS ALONG SIDE AND REAR LOT LINES AS DEPICTED HEREON. THERE ARE DRAINAGE EASEMENTS ACROSS LOTS 106 THROUGH 111 AS DEPICTED HEREON.
10. THERE ARE 12.00 FOOT WIDE UTILITY EASEMENTS ALONG ALL LOTS AND TRACTS ABUTTING RIGHT OF WAY UNLESS DEPICTED OTHERWISE. THERE IS A UTILITY EASEMENT ACROSS LOTS 143 AND 144 AND TRACTS N, S AND 11 AS DEPICTED HEREON.
11. THERE IS A 10.00 FOOT WIDE LANDSCAPE EASEMENT ACROSS TRACT B6 AS DEPICTED HEREON.
12. AT THE TIME OF RECORDING, THIS PLAT IS SUBJECT TO THE FOLLOWING:
    - PIPELINE RIGHT OF WAY EASEMENT RECORDED IN OFFICIAL RECORDS BOOK 3440, PAGE 93 (This easement is not plottable, incomplete legal description)
    - ASSIGNMENT OF PLATS, PLANS, DEVELOPMENT AND OTHER RIGHTS RECORDED IN OFFICIAL RECORDS BOOK 12102, PAGE 1331 (not plottable)
    - DECLARATION OF RESTRICTIVE COVENANTS RECORDED IN OFFICIAL RECORDS BOOK 12102, PAGE 1346 (not plottable)
    - Deed of Conservation Easement recorded in Official Records Book 12426, Page 1582
    - Ingress/Egress Easement recorded in Official Records Book 3030, Page 342
    - Pipeline Easement recorded in Official Records Book 9566, Page 1593
    - Florida Public Service Company Easement recorded in Official Records Book 422, Page 477
    - Partial Release of Easement recorded in Official Records Book 7747, Page 1596
    - Rerecorded Partial Release of Easement recorded in Official Records Book 8937, Page 1131

LEGAL DESCRIPTION:

Tract FD, MARION CREEK ESTATES PHASE 1, according to the plat thereof, as recorded in Plat Book 200, Pages 9 through 13 of the Public Records of Polk County, Florida.

Agenda Item R.15. 11/7/2023

SUBJECT

Accept Pollard Pointe potable water utility system improvements for ownership, operation, and maintenance by Polk County Utilities. (No fiscal impact)

DESCRIPTION

Pollard Pointe is a 14 single family development. This project received construction plan approval from Polk County on December 17, 2021. Pollard Pointe is located in the Southwest Regional Utility Service Area in S-15, T-29, R-24, and is located on Pollard Road in Lakeland, Florida. All requirements for acceptance of the Pollard Pointe potable water utility system improvements have been met. The Land Development Division has reviewed all of the documentation presented and recommends acceptance of these improvements.

RECOMMENDATION

Request Board accept the potable water utility system improvements of Pollard Pointe for ownership, operation, and maintenance responsibilities by Polk County Utilities.

FISCAL IMPACT

No Fiscal Impact

CHAPTER 2 DEVELOPMENT COORDINATION Section 250-E

Engineer of Record's Letter of Certification

Project: Pollard Pointe

PCU Project No.: LDRES-2021-56

I, as ENGINEER OF RECORD for the above subject project, hereby certify to PCU that all applicable water, wastewater, and/or reclaimed water systems constructed as part of, and in conjunction with the subject project are completed in conformance with the Construction Plans as approved by PCU and all State of Florida construction permit conditions. These utility systems are complete, functional, ready to be placed into operation to provide service to the public, and ready for PCU acceptance, ownership, operation, and maintenance responsibility.

The Record Drawings accurately reflect all utility system information, to include: each and every water, wastewater, and reclaimed water service, tap, clean-out, valve, fire hydrant, fitting, casing, and pipe referenced either from at least two fixed and easily found reference points (e.g., property corners, manhole lids, valve covers, etc.) or by the use of stations and offsets from the center of wastewater manholes or inline valves, as applicable. Depths, material specifications, and sizes of pipes, valves, and fittings are indicated on the Record Drawings. Lot numbers, street names, locations of easements, property boundaries, etc. are shown on the Record Drawings and are consistent with the approved Recorded Plat. Horizontal dimensions and distances shown are within 0.1 foot accuracy. Vertical dimensions, elevations, and distances are within 0.1 foot accuracy.

Engineer's Signature Date: 06-09-2023

CHAPTER 2 **DEVELOPMENT COORDINATION** Rev September 2014

Section 250-F **Contractor's Letter of Certification** December 2010

Project: Pollard Pointe
PCU Project No.: LDRES-2021-56

I, as the CONTRACTOR for the above subject project, hereby certify to PCU that the water __X__, wastewater ____, and/or reclaimed water ____ system (*check all that apply*) constructed as part of, and in conjunction with the above subject project are completed and in conformance with the Construction Plans approved by PCU, and State of Florida construction permit conditions. These utility systems are complete, functional, ready to be placed into operation to provide service to the public, and ready for County acceptance for PCU to take ownership, operation, and maintenance responsibility.

The Record Drawings accurately reflect all utility system information, to include: each and every water, wastewater, and reclaimed water service, tap, clean-out, valve, fire hydrant, fitting, casing, and pipe referenced either from at least two fixed and easily found reference points (e.g., property corners, manhole lids, valve lids, etc.) or by the use of stations and offsets from the center of wastewater manholes or inline valves, as applicable. Depths, material specifications, and sizes of pipes, valves, and fittings are indicated on the Record Drawings. Lot numbers, street names, locations of easements, property boundaries, etc. are shown on the Record Drawings and are consistent with the approved Recorded Plat. Horizontal dimensions and distances shown are within 0.1 foot accuracy. Vertical dimensions, elevations, and distances are within 0.1 foot accuracy.

All construction materials and workmanship is warranted for one (1) calendar year from the date of acceptance by the Board of County Commissioners.

CHAPTER 2 DEVELOPMENT COORDINATION

Section 250-D Developer's Letter of Dedication & Statement of Warranty

December 2010

Project: Pollard Pointe
PCU Project No.: LDRES-2021-56

I, as the DEVELOPER of the above subject project, hereby dedicate to PCU all applicable water, wastewater, and/or reclaimed water systems constructed as part of, and in conjunction with the subject project for ownership, operation, and maintenance responsibility. Further, I certify that all bills relative to this project have been paid, and there are no liens or other encumbrances against the project.

All construction, materials, and workmanship are warranted for one (1) calendar year from the date of acceptance by the Board of County Commissioners.

All Record Drawing information is hereby warranted perpetually.

POLK COUNTY

LAND DEVELOPMENT DIVISION

MEMORANDUM

To: Chrissy Irons, Project Coordinator II

From: Glenda Mills, Inspector

Project Name: Pollard Pointe

Project #: LDRES-2021-56

DATE: 8/18/2023

The Inspector of Record has made a final review of the above-mentioned project. As a result of inspections, test results, and general site observations, I certify that the project is complete and represents reasonable compliance with the intent of the plans designed by the Engineer of Record and approved by the Polk County Land Development Division. The exact field locations and elevations of the storm water, potable water, wastewater, and reclaimed water systems are not guaranteed nor certified by the inspector.

It is the Contractor and Engineer of Record's responsibility to furnish the Polk County Land Development Division with Record Drawings and other final closeout documentation, as required by the Land Development Code and the Utility Standards and Specifications Manual, for final review and approval of the completed project before release of C.O.'s.

Should you have any further questions in the matter, please call (863) 534-6449.

Polk County

Board of County Commissioners

Agenda Item R.16. 11/7/2023

SUBJECT

Accept a one-year warranty and cash surety in the amount of $7,676.00 for Pollard Pointe. (No fiscal Impact)

DESCRIPTION

This request is to accept a one-year warranty and surety in the amount of $7,676.00 in the form of a cash surety, which represents 10% of the cost of the publicly dedicated infrastructure for ownership, operation, and maintenance responsibilities Pollard Pointe per Utilities Code Section 4.03.B.2. This warranty is for a one-year period beginning with the Board's acceptance. This one-year warranty period begins on November 7, 2023, and ends on November 7, 2024.

RECOMMENDATION

Request Board accept a one-year warranty expiring on November 7, 2024, and a cash surety in the amount of $7,676.00 for Pollard Pointe.

FISCAL IMPACT

No Fiscal Impact

PERFORMANCE BOND

Bond No. LICX1216491

KNOWN ALL MEN BY THESE PRESENTS, That we, Pulte Home Company, LLC, as Principal, and Lexon Insurance Company, a corporation organized and doing business under and by virtue of the laws of the State of Illinois and duly licensed to conduct surety business in the State of Florida, as Surety, are held and firmly bound unto Polk County, a political subdivision of the State of Florida, as Obligee, in the sum of Three Million Two Hundred Eight Thousand Nine Hundred Ninety One and 37/100 ($3,208,991.37) Dollars, for which payment, well and truly to be made, we bind ourselves, our heirs, executors and successors, jointly and severally firmly by these presents.

WHEREAS, Polk County's Land Development Code (hereinafter "LDC") is by reference incorporated into and made part of this Performance Bond (hereinafter "Bond"); and

WHEREAS, the Principal has agreed to construct the improvements described in the Engineer's Cost Estimate, attached hereto as Exhibit "A" and incorporated into and made part of this Bond (hereinafter "Improvements"), in the Redding Pointe platted subdivision, in accordance with the drawings, plans, specifications, and other data and information (hereinafter "Plans") filed with Polk County's Land Development Division, which Plans are by reference incorporated into and made part of this Bond; and

WHEREAS, the LDC requires the Principal to submit an instrument ensuring completion of construction of the Improvements.

NOW, THEREFORE, the conditions of this Bond are such that:

1. If the Principal shall well and truly perform the construction of the Improvements in the platted area known as Redding Pointe subdivision in accordance with the Plans and LDC by March, 20 23 (the "Guaranty Period") and as verified by Polk County's Land Development Division, then upon approval by the Obligee this Bond shall be null and void. If the Improvements are not constructed within the Guaranty Period or such later date the Obligee may approve, then this Bond shall be payable to the Obligee.

2. The Surety unconditionally covenants and agrees that if the Principal fails to complete construction of all or any part of the requirement Improvements within the Guaranty Period, the Surety, upon thirty (30) days written notice from the Obligee, or its authorized agent or officer, of the default, will forthwith perform and complete the Improvements and pay the cost thereof, including without limitation, engineering, legal, and contingent costs. Should the Surety fail or refuse to perform and complete the said Improvements, the Obligee, in view of the public interest, health, safety and welfare factors involved and the inducement in approving and filing the plat for the above-referenced subdivision, shall have the right to resort to any and all legal remedies against the Principal and Surety, or

either, both at law and in equity including specific performance, to which the Principal and Surety unconditionally agree.

3. The Principal and Surety further jointly and severally agree that the Obligee, at its option, shall have the right to construct, or caused to be constructed the Improvements in case the Principal should fail or refuse to do so. In the event the Obligee should exercise such right, the Principal and Surety shall be jointly and severally liable hereunder to reimburse the Obligee the total cost of, including without limitation, engineering, legal, and contingent costs, together with any damages, either direct or consequential, which may be sustained on account of the failure of the Principal to complete all of the obligations for construction of the Improvements.

4. The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration, addition or deletion to the Improvements shall in any way affect its obligation on this Bond, and it does hereby waive notice of any such change, extension of time, alteration, addition or deletion to the Improvements.

5. All notices, demands, and correspondence with respect to this Bond shall be in writing and addressed to:

The Surety at: Lexon Insurance Company
12890 Lebanon Road
Mt. Juliet, TN 37122

The Principal at: Pulte Home Company, LLC
2662 S. Falkenburg Rd.
Riverview, FL 33578

The Obligee at:

CERTIFICATE

I, the undersigned Officer of each Company, DO HEREBY CERTIFY that:

1. That the original power of attorney of which the foregoing is a copy was duly executed on behalf of each Company and has not since been revoked, amended or modified; that the undersigned has compared the foregoing copy thereof with the original power of attorney, and that the same is a true and correct copy of the original power of attorney and of the whole thereof;
2. The following are resolutions which were adopted by the sole shareholder of each Company by unanimous written consent effective June 15, 2019 and said resolutions have not since been revoked, amended or modified:

   "RESOLVED, that each of the individuals named below is authorized to make, execute, seal and deliver for and on behalf of the Company any and all bonds, undertakings or obligations in surety or co-surety with others: RICHARD M. APPEL, BRIAN J. BEGGS, CHRISTOPHER DONELAN, SHARON L. SIMS, CHRISTOPHER L. SPARRO, MARIANNE L. WILBERT

   ; and be it further

   RESOLVED, that each of the individuals named above is authorized to appoint attorneys-in-fact for the purpose of making, executing, sealing and delivering bonds, undertakings or obligations in surety or co-surety for and on behalf of the Company."
3. The undersigned further certifies that the above resolutions are true and correct copies of the resolutions as so recorded and of the whole thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the corporate seal this 12th day of October 2022.

By: Daniel S. Lurie, Secretary

NOTICE: U. S. TREASURY DEPARTMENT'S OFFICE OF FOREIGN ASSETS CONTROL (OFAC)

No coverage is provided by this Notice nor can it be construed to replace any provisions of any surety bond or other surety coverage provided. This Notice provides information concerning possible impact on your surety coverage due to directives issued by OFAC. **Please read this Notice carefully.**

The Office of Foreign Assets Control (OFAC) administers and enforces sanctions policy, based on Presidential declarations of "national emergency". OFAC has identified and listed numerous foreign agents, front organizations, terrorists, terrorist organizations, and narcotics traffickers as "Specially Designated Nationals and Blocked Persons". This list can be located on the United States Treasury's website – https://www.treasury.gov/resource-center/sanctions/SDN-List.

In accordance with OFAC regulations, if it is determined that you or any other person or entity claiming the benefits of any coverage has violated U.S. sanctions law or is a Specially Designated National and Blocked Person, as identified by OFAC, any coverage will be considered a blocked or frozen contract and all provisions of any coverage provided are immediately subject to OFAC. When a surety bond or other form of surety coverage is considered to be such a blocked or frozen contract, no payments nor premium refunds may be made without authorization from OFAC. Other limitations on the premiums and payments may also apply.

Any reproductions are void.

POLK COUNTY

LAND DEVELOPMENT DIVISION

MEMORANDUM

To: Lyndsay Rathke, Project Coordinator

From: Marty Waring, Inspector

Project Name: Redding Pointe

Project #: LDRES-2021-85

DATE: 9/20/2023

The Inspector of Record has made a final review of the above-mentioned project. As a result of inspections, test results, and general site observations, I certify that the project is complete and represents reasonable compliance with the intent of the plans designed by the Engineer of Record and approved by the Polk County Land Development Division. The exact field locations and elevations of the storm water, potable water, wastewater, and reclaimed water systems are not guaranteed nor certified by the inspector.

It is the Contractor and Engineer of Record's responsibility to furnish the Polk County Land Development Division with Record Drawings and other final closeout documentation, as required by the Land Development Code and the Utility Standards and Specifications Manual, for final review and approval of the completed project before release of C.O.'s.

Should you have any further questions in the matter, please call (863) 534-6449.

Polk County

Board of County Commissioners

Agenda Item R.18. 11/7/2023

SUBJECT

Approve the release of a surety in the amount of $756,368.20 in the form of Performance Bond No. US00115863SU22A Solivita Phase 5D. (No fiscal impact)

DESCRIPTION

On March 1, 2022, the Board accepted a performance surety bond in the amount of $756,368.20 for miscellaneous construction items. An inspection was performed on October 11, 2023, concerning the miscellaneous construction items. These items have been completed to the satisfaction of Polk County. The Land Development Division requests the Board release Performance Bond No. US00115863SU22A in the amount of $756,368.20.

RECOMMENDATION

Request Board approve the release of Performance Bond No. US00115863SU22A in the amount of $756,368.20 for Solivita Phase 5D.

FISCAL IMPACT

No Fiscal Impact

PERFORMANCE BOND

Bond No. US00115863SU22A

KNOWN ALL MEN BY THESE PRESENTS, That we, Avatar Properties, Inc., as Principal, and XL Specialty Insurance Company a corporation organized and doing business under and by virtue of the laws of the State of Delaware and duly licensed to conduct surety business in the State of Florida, as Surety, are held and firmly bound unto Polk County, a political subdivision of the State of Florida, as Obligee, in the sum of Seven Hundred Fifty Six Thousand Three Hundred Sixty Eight and 20/100 ($ 756,368.20) Dollars, for which payment, well and truly to be made, we bind ourselves, our heirs, executors and successors, jointly and severally firmly by these presents.

WHEREAS, Polk County's Land Development Code (hereinafter "LDC") is by reference incorporated into and made part of this Performance Bond (hereinafter "Bond"); and

WHEREAS, the Principal has agreed to construct the improvements described in the Engineer's Cost Estimate, attached hereto as Exhibit "A" and incorporated into and made part of this Bond (hereinafter "Improvements"), in the Solivita Phase 5D platted subdivision, in accordance with the drawings, plans, specifications, and other data and information (hereinafter "Plans") filed with Polk County's Land Development Division, which Plans are by reference incorporated into and made part of this Bond; and

WHEREAS, the LDC requires the Principal to submit an instrument ensuring completion of construction of the Improvements.

NOW, THEREFORE, the conditions of this Bond are such that:

1. If the Principal shall well and truly perform the construction of the Improvements in the platted area known as Solivita Phase 5D subdivision in accordance with the Plans and LDC by February 28, 2023 (the "Guaranty Period") and as verified by Polk County's Land Development Division, then upon approval by the Obligee this Bond shall be null and void. If the Improvements are not constructed within the Guaranty Period or such later date the Obligee may approve, then this Bond shall be payable to the Obligee.

2. The Surety unconditionally covenants and agrees that if the Principal fails to complete construction of all or any part of the requirement Improvements within the Guaranty Period, the Surety, upon thirty (30) days written notice from the Obligee, or its authorized agent or officer, of the default, will forthwith perform and complete the Improvements and pay the cost thereof, including without limitation, engineering, legal, and contingent costs. Should the Surety fail or refuse to perform and complete the said Improvements, the Obligee, in view of the public interest, health, safety and welfare factors involved and the inducement in approving and filing the plat for the above-referenced subdivision, shall have the right to resort to any and all legal remedies against the Principal and Surety, or

either, both at law and in equity including specific performance, to which the Principal and Surety unconditionally agree.

3. The Principal and Surety further jointly and severally agree that the Obligee, at its option, shall have the right to construct, or caused to be constructed the Improvements in case the Principal should fail or refuse to do so. In the event the Obligee should exercise such right, the Principal and Surety shall be jointly and severally liable hereunder to reimburse the Obligee the total cost of, including without limitation, engineering, legal, and contingent costs, together with any damages, either direct or consequential, which may be sustained on account of the failure of the Principal to complete all of the obligations for construction of the Improvements.

4. The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration, addition or deletion to the Improvements shall in any way affect its obligation on this Bond, and it does hereby waive notice of any such change, extension of time, alteration, addition or deletion to the Improvements.

5. All notices, demands, and correspondence with respect to this Bond shall be in writing and addressed to:

The Surety at:

Hub International Midwest
1411 Opus Place, Suite 450
Downers Grove, IL 60515

The Principal at:

Avatar Properties, Inc.

POLK COUNTY

LAND DEVELOPMENT DIVISION

MEMORANDUM

To: Chrissy Irons, Project Coordinator II

From: Michael Osborne**,** Inspector

Project Name: Solivita Phase 5D

Project #: LDRES-2021-32

DATE: 10/11/2023

The Inspector of Record has made a final review of the above-mentioned project. As a result of inspections, test results, and general site observations, I certify that the project is complete and represents reasonable compliance with the intent of the plans designed by the Engineer of Record and approved by the Polk County Land Development Division. Agenda Item R.19. 11/7/2023

SUBJECT

Approve Community Development Block Grant (CDBG) subrecipient agreement between Polk County and the City of Winter Haven. ($283,599.00 one-time expense).

DESCRIPTION

Approve the CDBG subrecipient agreement between Polk County and The City of Winter Haven. Funds will be used proposes to use CDBG funds to complete the design, and a portion of the construction of the Lake Conine Recreation Element facility. The project site was originally a non-functioning wetland full of overgrowth and muck. Phase I has been completed by completing the restoration of the wetland marsh system to improve the overall water quality in Lake Conine. This restoration has also provided a high-quality habitat for different species. The City of Winter Haven plans to use CDBG funds for but not limited to the design and develop recreational elements at this site to create a park setting to complement the natural resource elements. The surcharging required soil to be added to the site, then it must sit undisturbed for a period of 6months. After this phase is complete, the recreation elements of the project will be designed to include but not limited to three trails, a playground, parking lot, restrooms, fishing pier, kayak launch, picnic facilities, educational elements, landscaping, and site amenities. The elevated trail, overlooks, and pier will allow ample opportunities for park users to observe the wildlife. The Board of County Commissioners approved this by adoption of the Fiscal Year 2023-2024 Action Plan on July 25, 2023.

The City of Winter Haven will used CDBG funds for the above activities in an amount not to exceed $283,599.00.

RECOMMENDATION

Request Board approve and execute this Community Development Block Grant (CDBG) subrecipient agreement between Polk County and the City of Winter Haven.

FISCAL IMPACT

Funds are available in Special Revenue Grant Fund.

SUBRECIPIENT AGREEMENT

BETWEEN POLK COUNTY AND THE CITY OF WINTER HAVEN

This agreement is made and entered on this **1st** day of **October 2023,** by and between Polk County, a Political Subdivision of the State of Florida, hereafter referred to as the "COUNTY", and **The City of Winter Haven**, a Florida municipal corporation, organized and existing under the laws of the State of Florida, hereafter referred to as the "SUBRECIPIENT".

WITNESSETH:

WHEREAS, the COUNTY has been awarded a Community Development Block Grant (CDBG) from the Department of Housing and Urban Development (HUD) which provides for the development, establishment, and administration of projects to benefit low and moderate income families, aid in elimination of slums or blight, or meet an urgent community development need; and

WHEREAS, said grant allows the COUNTY to contract with other governmental agencies and non-profit agencies to administer and implement projects that are eligible for CDBG funding; and

WHEREAS, it is in the best interest of the COUNTY to enter into a special agreement with the SUBRECIPIENT for the administration of a portion of said grant; and

WHEREAS, the COUNTY wishes to engage the services of the SUBRECIPIENT to administer and implement a portion of the Community Development Block Grant for a Housing and Neighborhood Development ("HND") project described as **Lake Conine Recreation Element,** and

WHEREAS, the SUBRECIPIENT has agreed to the above activity in an amount not to exceed **$283,599.00** and;

WHEREAS, the COUNTY has initially determined that the proposed activity will benefit low and moderate income persons; and

WHEREAS, this agreement is contingent upon the award of Community Development Block Grant Public Facilities funds from the U.S. Department of Housing and Urban Development and the **Catalogue of Federal Domestic Assistance (CFDA) number is 14.218 Entitlement Grant**;

NOW THEREFORE in consideration of the mutual promises and covenants, the parties agree as follows:

ARTICLE I - PROJECT DESCRIPTION

1.1 The SUBRECIPIENT agrees to implement this activity as described in detail in Appendix **A**, Scope of Services.

ARTICLE II - DISBURSEMENTS

2.1 The COUNTY agrees to reimburse the SUBRECIPIENT a maximum amount not to exceed **$283,599.00** from Community Development Block Grant (CDBG) funds, as outlined in Appendix **B**, Budget.

ARTICLE III - REPORTING

3.1 The SUBRECIPIENT shall provide the COUNTY with a monthly report of all activities including a narrative summary of progress and financial statement on expenditures during the report period. Reports may be submitted on the monthly report form attached to this agreement, Appendix **E,** or other format containing the same information as found in Appendix **E**. Reports are due on or no later than the tenth working day of each month, unless on an otherwise agreed upon schedule, and shall begin on the effective date of this agreement and continue until all information concerning the project has been received by the COUNTY for close-out.

3.2 Monthly reports not submitted may result in payments to the SUBRECIPIENT being withheld or denied. Failure to submit appropriate monthly reports may result in termination of this agreement.

3.3 The SUBRECIPIENT shall provide the Polk County Housing and Neighborhood Development office with additional program information as needed.

3.4 The SUBRECIPIENT shall submit complete financial accounting of the project to the COUNTY within thirty (30) calendar days of the COUNTY's final payment to the SUBRECIPIENT.

ARTICLE IV - AGREEMENT PERIOD AND TERMINATION

4.1 This agreement shall take effect on **_October 1, 2023_,** and shall terminate on _**September 30, 2024,** unless canceled sooner.

4.2 SUSPENSION AND TERMINATION FOR CONVENIENCE:

A. If the SUBRECIPIENT should materially fail to comply with any term of the award, suspension or termination may occur in accordance with 2 CFR 200.213 Suspension and Debarment. In the event that funds should fail to be or cease to be provided to the County then the County may terminate this agreement immediately.

B. Remedies for noncompliance: If the SUBRECIPIENT materially fails to comply with any term of an award whether stated in a federal statute or regulation, an assurance, in a state plan or application a notice of award or elsewhere, the COUNTY may take one (1) or more of the following actions as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the SUBRECIPIENT or more severe enforcement action by the COUNTY.

2. Disallow (that is to deny both use of funds and matching credit) for all or part of the cost of the activity or action not in compliance.

3. Wholly or partly suspend or terminate the current award for the SUBRECIPIENT's program.

4. Withhold further awards for the program.

5. Take other remedies that may be legally available.

C. Hearings Appeals: In taking an enforcement action the COUNTY will provide the SUBRECIPIENT an opportunity for such hearing appeal or other administrative proceeding to which the COUNTY or SUBRECIPIENT is entitled to under any statute or regulation applicable to the action involved.

D. Efforts of Suspension and Termination: Costs resulting from obligations incurred by the SUBRECIPIENT clearing a suspension after termination of an award are not allowable unless the COUNTY expressly authorizes them in the nature of suspension or termination or subsequently. Other SUBRECIPIENT costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

1. The costs result from obligations which were properly incurred by the SUBRECIPIENT before the effective date of suspension or termination are not in anticipation of it and in case of termination are noncancellable; and

2. The costs would be allowable if the award was not suspended or expired normally at the end of the funding period in which the termination takes effect.

E. Relationship to Debarment and Suspension: The enforcement remedies identified in this section including suspension and termination do not preclude the grantee or subgrantee from being subject to "Debarment and Suspension" under Executive Order 12549 2 CFR 200.338 and 2 CFR 180.

F. Termination for Convenience: Except as provided above awards may be terminated in whole or in part only as follows:

1. By the COUNTY with the consent of the SUBRECIPIENT in which case the two parties shall agree upon the termination condition including the effective date and in case of partial termination the portion to be terminated; or

2. By the SUBRECIPIENT upon written notification to the COUNTY setting forth the reasons for such termination, the effective date, and in case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the COUNTY determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the COUNTY may terminate the award in its entirety.

4.3 The COUNTY may issue a stop order to SUBRECIPIENT which will halt all work on the project in the event that the work is not being done according to federal guidelines and regulations, the assurances contained herein, or the provisions of this agreement.

4.4 The SUBRECIPIENT may not terminate its obligations under Paragraph 12.10 (Program Income) and may not terminate an Assignment of Proceeds and Grant of Lien without written consent of the COUNTY.

4.5 The COUNTY reserves the right to terminate this contract upon written notification to the SUBRECIPIENT under any of the following conditions:

a. Notification by HUD to the COUNTY that said project is ineligible because of project location, services provided, or any other reason cited by HUD;

b. Notification by HUD to the COUNTY that said project is deficient and that continued support of the project is not providing an adequate level of services to low income and minority people; or

c. Written notification from HUD to the COUNTY that the program funds made available to the COUNTY are being curtailed, withdrawn, or otherwise restricted.

4.6 The COUNTY reserves the right to terminate this contract or to reduce the contract compensation amount if the SUBRECIPIENT:

a. Fails to file required reports or to meet project progress or completion deadlines;

b. Materially fails to comply with any provision of this Agreement (which may result in suspension or termination in accordance with 2 CFR 200.339);

c. Expends funds under this agreement for ineligible activities, services or items;

d. Implements the project prior to notification from the COUNTY that the federal environmental review process has been completed;

e. Violates labor standards requirements; or

f. Fails to comply with written notice from the COUNTY of substandard performance under the terms of this agreement.

4.7 The Subrecipient's obligation to the COUNTY shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the COUNTY), and determining the custodianship of records. Not withstanding the foregoing, the terms of this agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

ARTICLE V - INDEMNIFICATION

5.1 The SUBRECIPIENT shall indemnify, defend (by counsel reasonably acceptable to COUNTY), protect and hold harmless the COUNTY from and against any and all claims, demands, actions, causes of action, suits, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including, without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals therefrom) arising out of or resulting from services provided by the SUBRECIPIENT, anyone directly or indirectly employed by the SUBRECIPIENT, or anyone for whose acts any of them may be liable, whether pursuant to this agreement or otherwise, and from all such parties negligent acts and omissions and intentional tortious acts. The SUBRECIPIENT acknowledges it is an independent contractor of the COUNTY and not an agent or employee thereof.

ARTICLE VI - PROCEDURES FOR INVOICING AND PAYMENT

6.1 SUBRECIPIENT shall invoice the COUNTY on the following basis:

SUBRECIPIENT shall provide the COUNTY with an executed original of any documents or subcontracts authorizing the work to be done on the project(s).

(1) If applicable, a request to subcontract work or services hereunder shall be submitted in writing and shall be subject to each provision of this agreement and any contract shall be in accordance with county, state, federal guidelines, and regulations. A list of all subcontractors shall be provided to the Housing and Neighborhood Development office. This in no way relieves the SUBRECIPIENT from any other requirements of this agreement. Reimbursement requests shall include certification such as the certification shown in Appendix B, Page 3, in the absence of canceled checks for verification.

(2) None of the work or services, including but not limited to, consultant services covered by this agreement, shall be subcontracted or reimbursed without the prior written notice to COUNTY.

(3) All purchasing for consumable, capital equipment, and services shall be made by

purchase order or by a written contract in conformity and in full compliance with the procedures prescribed by 2 CFR 200.317 – 200.326.

a. The SUBRECIPIENT shall provide the COUNTY with project budget information.

b. The COUNTY agrees to make payment and reimburse all budgeted costs available under federal, state, and county guidelines.

c. Requests by the SUBRECIPIENT for payment shall be accompanied by proper documentation and shall be submitted to the COUNTY for approval no later than thirty (30) days after the last date covered by the request.

d. As applicable, the COUNTY will comply with Part VII, chapter 218, F.S., the Florida Prompt Payment Act, or s. 215.422, F.S., warrants, vouchers and invoices, when preparing reimbursement on accepted invoices.

e. For purposes of this section, copies of invoices, receipts, or other evidence of indebtedness shall be considered proper documentation. Invoices shall not be honored if received by COUNTY later than thirty (30) days after expiration date of this agreement.

f. The COUNTY may withhold payment of reimbursement requests if monthly reports are not current.

6.2 Upon receiving the invoices, reports and other materials, the COUNTY shall audit such bid awards, contracts, reports and invoices to determine whether the items invoiced have been completed and that the invoiced items are proper for payment.

6.3 Upon determination by the COUNTY that the services or material invoiced have been received or completed, the COUNTY shall authorize payment to the SUBRECIPIENT in the amount it determines pursuant to the audit to be payable.

ARTICLE VII - IMPLEMENTATION AND TIMETABLE

7.1 The parties expressly ratify the activities relating to this agreement and adopt the terms and conditions of this agreement for all such activities beginning **October 1, 2023.** The SUBRECIPIENT herein attests and certifies to the COUNTY that, regardless of the effective date of this Agreement, the SUBRECIPIENT will obtain all insurance coverage and limits as set forth by this Agreement to begin no later than **October 1, 2023**.

7.2 SUBRECIPIENT agrees to implement project(s) and comply with the Scope of Services set forth in Appendix **A** and Estimated Timeline set forth in Appendix **E**.

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE VIII - OTHER PROVISIONS

8.1 Equal Employment Opportunity

The following provisions "a" and "b" are applicable to all contracts and subcontracts; provisions "c" through "g" are applicable to all nonexempt construction contracts and subcontracts which exceed $10,000;

During the performance of this contract, the SUBRECIPIENT agrees as follows:

a. The SUBRECIPIENT shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law. The SUBRECIPIENT shall take affirmative action to ensure that applicants who are employed are treated during employment without regard to their race, color, creed, religion, sex, age, handicap, disability, ancestry, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The SUBRECIPIENT agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. The SUBRECIPIENT will, in all solicitations or advertisements for employees placed by or on behalf of the SUBRECIPIENT, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, or any other basis prohibited by applicable law.

c. The SUBRECIPIENT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers representatives of the SUBRECIPIENT commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The SUBRECIPIENT will comply with all provisions of Executive Order 11246, Equal Employment Opportunity, of September 24, 1965, as amended by Executive Orders 11375 and 12086, copies of which are on file and available at the COUNTY, and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. The SUBRECIPIENT will furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by HUD and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the SUBRECIPIENT's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the SUBRECIPIENT may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, as amended, or as otherwise provided by law.

g. The SUBRECIPIENT will include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor, issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor. The SUBRECIPIENT will take such action with respect to any subcontract or purchase order as HUD may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a SUBRECIPIENT becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by HUD, the SUBRECIPIENT may request the United States to enter into such litigation to protect the interests of the United States.

8.2 Equal Opportunity in Participation

Under the terms of Section 109 of the Housing and Community Development Act of 1974 and in conformance with COUNTY policy and all requirements imposed by or pursuant to the Regulations of HUD (24 CFR Part 570.601 and 570.602) issued pursuant to Section 109, no person in the United States shall on the ground of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with Community Development Block Grant program funds.

Specific (not exclusive) Discrimination Actions Prohibited:

The SUBRECIPIENT may not directly or through contractual or other arrangements, on the ground of race, color, creed, religion, ancestry, national origin, marital status, familial status, age, handicap, disability, sex or any other basis prohibited by applicable law:

a. Deny any facilities, services, financial aid, or other benefits provided under the program or activity.

b. Provide any facilities, services, financial aid, or other benefits which are different, or are provided in a different form from that provided to others under the program or activity.

c. Subject segregated or separate treatment in any facility, or in any matter or process related to receipt of any service or benefit under the program or activity.

d. Restrict in any way access to, or the enjoyment of any advantage or privilege enjoyed by others in connection with facilities, services, financial aid or other benefits under the program or activity.

e. Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which the individual must meet in order to be provided any facilities, services, or other benefit provided under the program or activity.

f. Deny any person with the legal right to work an opportunity to participate in a program or activity as an employee.

8.3 Business and Employment Opportunities for Lower Income Residents, Women-Owned Business Enterprises, and Minority-Owned Business Enterprises.

The SUBRECIPIENT will conform with the rules and regulations set forth under Section 3 of the Housing and Urban Development Act of 1968, (12 USC 1701u), as amended, and the HUD regulations

issued pursuant thereto at 24 CFR Part 135. This Act requires that, to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area, and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by, persons residing in the area of the project. In all solicitations for bids, the contractor must, before signing the contract, provide a preliminary statement of the work force needs and plans for possible training and employment of lower income persons. When a SUBRECIPIENT utilizes the bidding procedure to let a bid, the invitation or solicitation for bids shall advise prospective contractors of the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, and the clause shall be inserted as a component part of any contract or subcontract.

If a SUBRECIPIENT solicits or requests an invitation for bids, every effort feasible will be made to contact minority-owned and women-owned business enterprises for a response to the solicitation or invitation for bidders.

8.4 Nondiscrimination in Federally-Assisted Programs.

The SUBRECIPIENT will comply with Title VI of the Civil Rights Act of 1964 (PL 88-352, 42 USC 2000d et seq.) and the Fair Housing Act (42 USC 3601-20). In accordance with COUNTY policy and Title VI of the Civil Rights Act of 1964 (PL 88-352), in the sale, lease or other transfer of land acquired, leased or improved with assistance provided under this agreement, the deed or lease for such transfer shall contain a covenant prohibiting discrimination upon the basis of race, color, creed, religion, sex, handicap, disability, ancestry, national origin, marital status, or familial status, in the sale, lease or rental, or in the use or occupancy of such land or any improvements erected or to be erected thereon. The SUBRECIPIENT will comply with Title VIII of the Civil Rights Act of 1968 (PL 90-284) as amended and will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing.

8.5 Labor Standards.

Except with respect to the rehabilitation of residential property designed for residential use for less than eight households, the SUBRECIPIENT and all subcontractors engaged in contracts in excess of $2,000 for the construction, completion, rehabilitation, or repair of any building or work financed in whole or in part with assistance provided under this agreement are subject to the federal labor standards provisions which govern the payment of wages and the ratio of apprentices and trainees to journey workers. Under the terms of the Davis-Bacon Act, as amended, the SUBRECIPIENT is required to pay all laborers and mechanics employed on construction work wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor, and shall pay overtime compensation in accordance with and subject to the provisions of the Contract Work Hours and Safety Standards Act (40 USC 327-332), and the SUBRECIPIENT shall comply with all regulations issued pursuant these Acts and with other applicable federal laws and regulations pertaining to labor standards, including the Copeland Anti-Kickback Act. Provided, that if wage rates higher than those required under the regulations are imposed by State or local laws, nothing hereunder is intended to relieve the SUBRECIPIENT of its obligation, if any, to require payment of the higher rates.

8.6 Flood Disaster Protection.

This agreement is subject to the requirements of the Flood Disaster Protection Act of 1973 (PL 93-234). Use of any assistance provided under this agreement for acquisition or construction in an area identified as having special flood hazards shall be subject to the mandatory purchase of flood insurance in accordance with the requirements of Section 102(a) of said Act.

8.7 Clean Air Act and Federal Water Pollution Control Act (Applicable to Contracts and Subcontracts Which Exceed $100,000).

The SUBRECIPIENT shall comply with and require each subcontractor to comply with all applicable

standards of the Clean Air Act of 1970 (42 USC 1857 et seq.), as amended, the Clean Air Act of 1990, the Federal Water Pollution Control Act (33 USC 1251 et seq.), as amended, and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended from time to time.

8.8 Provision of the Hatch Act.

Neither the SUBRECIPIENT's program nor the funds provided therefore, nor the personnel employed in the administration of the program shall be in any way or to any extent engaged in the conduct of political activities in contravention of Chapter 15 of Title 5, United States Code.

8.9 Lead-Based Paint.

Any grants or loans made by the SUBRECIPIENT for the rehabilitation of residential structures with assistance provided under this agreement shall be made subject to the provisions for the elimination of lead-based paint hazards under 24 CFR Part 35. SUBRECIPIENT will comply with the requirements of 24 CFR 570.608 for notification, inspection, testing, and abatement procedures concerning lead-based paint. Such regulations require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly noticed that such properties may contain lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment, and precautions that should be taken when dealing with lead-based paint poisoning.

8.10 Special Assessments.

SUBRECIPIENT will not attempt to recover any capital costs of public improvements assisted in whole or in part with funds provided under Section 106 of the Act or with amounts resulting from a guarantee under Section 108 of the Act by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements, unless: (1) funds received under Section 106 of the Act are used to pay the proportion of such fee or assessment that relates to the capital costs of such public improvements that are financed from revenue sources other than under Title 1 of the Act; or (2) for purposes of assessing any amount against properties owned and occupied by persons of moderate income, the grantee certifies to the Secretary of HUD that it lacks sufficient funds received under Section 106 of the Act to comply with the requirements of subparagraph (1).

8.11 Acquisition, Rehabilitation, and Demolition of Real Property and Displacement of Persons and Businesses

SUBRECIPIENT will comply with the "POLK COUNTY RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE PLAN UNDER SECTION 104 (d) OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974, AS AMENDED." SUBRECIPIENT will conduct any acquisition, rehabilitation, or demolition of real property, and any negotiations for acquisition, rehabilitation or demolition of real property in compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. Unless specifically permitted in Appendix A or Appendix B, SUBRECIPIENT will not cause either temporary or permanent involuntary displacement of any person or business as a result of Community Development Block Grant activities. The SUBRECIPIENT shall provide all notices, advisory assistance, relocation benefits, and replacement dwelling units as required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. SUBRECIPIENT hereby agrees to defend, to pay, and to indemnify the COUNTY from and against, any and all claims and liabilities for relocation benefits or the provision of replacement dwelling units required by federal statutes and regulations in connection with activities undertaken pursuant to this agreement.

8.12 Lobbying Restrictions

SUBRECIPIENT certifies that, to the best of its knowledge and belief:

No federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement;

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and It will require that the language of this Paragraph 8.12 be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, United States Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

8.13 Provisions Required by Law Deemed Inserted.

Each and every provision of law and clause required by law to be inserted in this contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the contract shall forthwith be physically amended to make such insertion or correction.

8.14 SAM Registration and FFATA Compliance

The SUBRECIPIENT shall maintain a current registration in the federal System for Award Management ("SAM") database (http://www.sam.gov) pursuant to the Federal Funding Accountability and Transparency Act (FFATA), P.L. 109-282, as amended by section 6202(a) of P.L. 110-252 and the regulations implementing the Act at 2 CFR part 25 and 2 CFR part 170. If Subrecipient is not currently registered, it must do so within ten (10) days of the date Subrecipient executes this Agreement. A Unique Entity Identification (UEI) Number (https://sam.gov/content/home) is required for registration. Subrecipient must also comply with FFATA, which includes requirements on executive compensation, and implementing regulations in 2 CFR part 170, which includes requirements on reporting subaward and executive compensation information. Subrecipient shall complete and sign the Affidavit attached hereto as Appendix "C" in conjunction with its execution of this Agreement and provide any supporting documentation, if required

8.15 Violence Against Women Act (VAWA)

If applicable to this project, the SUBRECIPIENT shall comply with the Violence Against Women Act ("VAWA") as it has been most recently authorized. VAWA protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated

from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation. On March 15, 2022, President Biden signed into law the Violence Against Women Act Reauthorization Act of 2022 (VAWA 2022), which enhances housing protections for survivors applying for and living in units assisted by HUD programs. VAWA 2022 protects an individual's right to call emergency services and report crime from their homes. The protections also ensure that individuals do not have to fear retaliation from their housing provider for exercising their rights under VAWA or assisting others in doing so, including filing VAWA complaints. For more information about the rights and responsibilities under VAWA, please visit https://www.hud.gov/vawa.

8.16 Build America Buy America (BABA)

If applicable to this project, SUBRECIPEINT shall comply with the requirements of the Build America, Buy America Act, Pub. L. No. 117-58, §§ 70901-52.

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE IX - NOTICES

9.1 SUBRECIPIENT and COUNTY agree that all notices required by this agreement shall be in writing and delivered by U.S. Mail, by messenger or personally delivered to the office of the duly authorized representative of the SUBRECIPIENT or COUNTY as specified herein.

COUNTY:	SUBRECIPIENT:
Jennifer Cooper, Manager	T. Michael Stavres, City Manager
Housing and Neighborhood Development	City of Winter Haven
P.O. 9005, Drawer HS04	451 Third Street, NW
Bartow, FL 33830	Winter Haven, FL 33881

ARTICLE X - MODIFICATION

10.1 Any program modification requested by SUBRECIPIENT must be requested at least ninety (90) days prior to the end of the term of this agreement. No modification to this agreement shall be binding on either party unless in writing and signed by both parties.

10.2 In the event that the Board of County Commissioners approves any modification, amendment, or alteration to the funding allocation, the SUBRECIPIENT shall be notified in writing and such notification shall constitute an official amendment.

10.3 The COUNTY may, at its discretion and upon provision of proper notice to the SUBRECIPIENT, amend this agreement to conform to changes in federal, state, and/or county guidelines, regulations, directives, and objectives. Such amendments shall be incorporated by written amendment as a part of this agreement.

ARTICLE XI - ASSURANCES

11.1 SUBRECIPIENT agrees to comply with the provisions of Section 202, Executive Order 11246 and with the guidelines for applicants on equal opportunity obligations for Community Development Block Grants in regard to construction contracts.

11.2 SUBRECIPIENT agrees that it will comply with the following assurances:

a. The SUBRECIPIENT agrees to comply with all applicable federal, state, and county laws, ordinances, codes and regulations. Any conflict or inconsistency between the above federal, state or county guidelines and regulations and this agreement shall be resolved in favor of the more restrictive regulations.

b. In accordance with Title VI of the Civil Rights Act of 1964 (P.L. 88-352), no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the SUBRECIPIENT receives federal financial assistance.

c. In accordance with 24 CFR 570.505, property acquired or improved in whole or in part using CDBG funds in excess of $25,000.00 must be used as intended from the date CDBG funds are first spent until five (5) years after the closeout of the COUNTY participation in the CDBG program. Any transfer of the property or structure shall also be bound.

d. If applicable, SUBRECIPIEINT shall inform affected persons of the benefits, policies, and procedures provided for under HUD regulations.

e. SUBRECIPIENT shall establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties. Should such possible conflicts, real or apparent, arise, the SUBRECIPIENT shall disclose such situations to the COUNTY and the County Attorney's Office for review.

f. The SUBRECIPIENT agrees further that it shall be bound by the standard terms and conditions used in the grant agreement between HUD and COUNTY and such other rules, regulations or requirements as HUD may reasonably impose in addition to the aforementioned assurances at or subsequent to the execution of this agreement by the parties hereto.

g. In accordance with the Drug Free Workplace Act of 1988, the SUBRECIPIENT certifies that it has a policy designed to ensure that the SUBRECIPIENT's workplace is free from the illegal use, possession, or distribution of drugs or alcohol.

h. In compliance with Paragraph (2)(a) of Section 287.133, Florida Statutes, a "person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

i. This contract may be terminated at the option of the COUNTY if SUBRECIPIENT is found to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

ARTICLE XII - FINANCIAL RESPONSIBILITY

Subrecipients and subcontractors must comply with all applicable federal regulations governing the use of CDBG funds in addition to Office of Management and Budget (OMB) Circular 2 CFR Part 200. The new regulations combined a diverse group of regulations into one Super Circular located at 2 CFR Part 200. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards applies to the CDBG funds as now in effect and as may be amended from time to time.

12.1 SUBRECIPIENT gives the COUNTY, HUD, and the Inspector General, through any authorized representative, access to and the right to examine all records, books, papers, or documents relating to the project.

12.2 SUBRECIPIENT agrees to maintain books, records, and documents in accordance with accounting procedures and practices which sufficiently and properly reflect all expenditures of funds provided under this agreement. In accordance with OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations", all SUBRECIPIENTS who receive $300,000.00 or more in total Federal financial assistance within a year must obtain an independent audit.

12.3 SUBRECIPIENT further agrees to provide for audit purposes (upon request) all files, records and documents pertaining to related activities and clientele demographic data contained in this agreement.

12.4 Any funds expended in violation of this agreement shall be refunded in full from nonfederal resources.

12.5 Funding authorization through a Community Development Block Grant shall be used only for eligible activities specifically outlined in this agreement. In the event material progress is not evidenced nor commenced within the time limitations of this agreement, as determined by the COUNTY, the COUNTY may terminate this contract.

12.6 All funds not expended a result of the aforementioned deficiency of significant material progress or returned as a result of expiration and subsequent termination of the original funding agreement shall be used by the COUNTY at its discretion for reallocation to other eligible CDBG activities.

12.7 Income over and above general maintenance and operating expenses generated as a result of receipt of Community Development Block Grant funds shall be returned to the COUNTY.

12.8 The COUNTY shall have the right to audit and monitor any program income as a result of a Community Development Block Grant activity.

12.9 The Subrecipient shall comply with 2 CFR part 200 Subpart F – Audits. In accordance with 2 CFR §200.510, shall prepare financial statements and a schedule of expenditures of federal awards. The Subrecipient shall provide the County with its annual financial statement within ninety (90) days of the end of its operating year. This financial statement shall be prepared by an actively licensed public accountant.

a) In addition, if expending more than $750,000 of Federal awards during an operating year, the Subrecipient shall comply with the audit provisions contained in 2 CFR 200 subpart F and the Single Audit Act Amendments of 1996 (31 U.S.C. §§7501-7507). Audits shall be conducted annually. The Subrecipient shall submit its annual audit to the County and within one hundred twenty (120) days of the end of the Subrecipient's fiscal year. The Subrecipient must clear any deficiencies noted in the audit reports within 30 days after receipt of any noted deficiencies. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not expended in accordance with the conditions of this Agreement, the Subrecipient shall be held liable for reimbursement to the County of all funds not expended in accordance with those regulations and Agreement provisions within thirty (30) days after the County has notified the Subrecipient of such non-compliance. Any reimbursement by the Subrecipient shall not preclude the County from taking any other action or pursuing other remedies. Failure to comply with these audit requirements constitutes a violation of the Agreement and may result in the withholding of future payments. If the Subrecipient expends less than $750,000 in federal awards during its fiscal year, they are exempt from this requirement, except as noted in 2 CFR §200.503, but records must be available for review or audit by appropriate officials of HUD, the County, or GAO.

12.10 Program income (defined at 24 CFR 570.500) derived from the project, if any, shall revert to the COUNTY for use in the Community Development Block Grant program. If SUBRECIPIENT executes an Assignment of Proceeds and Grant of Lien to the COUNTY specifying the terms of reversion of proceeds from possible future sale of real property, it is incorporated by reference and made a part of this contract.

ARTICLE XIII - EVALUATION AND MONITORING

13.1 The SUBRECIPIENT agrees that the COUNTY may carry out periodic monitoring and evaluation activities as determined necessary by the COUNTY. This agreement is dependent upon satisfactory monitoring and evaluation of activities and other performance measures, including, but not limited to the terms of this agreement, comparisons of planned versus actual progress relating to project scheduling, budget, and output measures. The SUBRECIPIENT agrees to furnish upon request to the COUNTY or its designees and make copies and/or transcriptions of such records and information as is determined necessary by the COUNTY. The SUBRECIPIENT shall submit, upon the request of the COUNTY, information and status reports required by the COUNTY or HUD on forms approved by the COUNTY.

13.2 A sample monitoring instrument attached as Appendix G contains the minimum monitoring measures to be used by the COUNTY. Other measures may also be utilized.

ARTICLE XIV - UNIFORM ADMINISTRATIVE REQUIREMENTS

GOVERNMENTAL AGENCIES

14.0 Applicability of and cross reference to 2 CFR part 200.

(a) Federal awards with State, local and Indian tribal governments are subject to the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards at 2 CFR part 200.

14.1 As applicable Governmental Subrecipients shall comply with 2 cfr Part 200 - "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards":

•Subpart A - Acronyms and Definitions (§§ 200.0 - 200.99)
•Subpart B - General Provisions (§§ 200.100 - 200.113)
•Subpart C - Pre-Federal Award Requirements and Contents of Federal Awards (§§ 200.200 - 200.213)
•Subpart D - Post Federal Award Requirements (§§ 200.300 - 200.345)
•Subpart E - Cost Principles (§§ 200.400 - 200.475)
•Subpart F - Audit Requirements (§§ 200.500 - 200.521)
•Appendix I to Part 200 - Full Text of Notice of Funding Opportunity
•Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards
•Appendix III to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs)
•Appendix IV to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations
•Appendix V to Part 200 - State/Local Government wide Central Service Cost Allocation Plans
•Appendix VI to Part 200 - Public Assistance Cost Allocation Plans
•Appendix VII to Part 200 - States and Local Government and Indian Tribe Indirect Cost Proposals
•Appendix VIII to Part 200 - Nonprofit Organizations Exempted from Subpart E - Cost Principles of Part 200
•Appendix IX to Part 200 - Hospital Cost Principles
•Appendix X to Part 200 - Data Collection Form (Form SF-SAC)
•Appendix XI to Part 200 - Compliance Supplement
•Appendix XII to Part 200 - Award Term and Condition for Recipient Integrity and Performance Matters

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

NON-GOVERNMENTAL AGENCIES

14.2 Non-Governmental Subrecipients shall comply with the requirements and standards of Allowable Costs/Cost Principles 2 cfr part 225/OMB Circular A-87; 2 cfr part 220/OMB Circular A-21; 2 CRF part 230/OMB Circular A-122 and 2 cfr part 215 Procurement.

The requirements for equipment and real property are contained in 2 cfr section 200.313 (equipment), 2 cfr section 200.311 (real property), 48 cfr section 52.245-1 (equipment and real property), program legislation, Federal awarding agency regulations, and the terms and conditions of the Federal award.
Program income is gross income earned by a non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance (unless there is a requirement for disposition of program income after the end of the period of performance as provided in 2 cfr section 200.307(f)).

Program income (2 cfr section 200.80) includes, but is not limited to income from:

- Fees for services performed,
- The use or rental of real or personal property acquired under Federal awards,
- The sale of commodities or items fabricated under Federal awards,
- License fees and royalties on patents and copyrights, except as provided below, and
- Principal and interest on loans made with Federal award funds.

ARTICLE XV - CONFLICT OF INTEREST

15.1 In the procurement of services by the SUBRECIPIENT, the Conflict of Interest provision in Section 200.112 and 2 CFR 215 Procurement shall be adhered to as applicable.

ARTICLE XVI - OTHER FEDERAL REQUIREMENTS

16.1 The SUBRECIPIENT shall carry out each activity in compliance with all applicable Federal laws and regulations as described below:

- Public Law 88.352 - Title VI of the Civil Rights Act of 1964
- Public Law 90.284 - Title VIII of the Civil Rights Act of 1988
- Executive Order 11063 as amended by Executive Order 12259
- Section 109 of the Act
- Labor Standards
- National Flood Insurance Program
- Relocation and Acquisition
- Employment and Contracting Opportunities;
- Executive Order 11246 (41 CFR Chapter 60)
- Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 17010)
- Lead-Based Paint
- Use of Debarred, Suspended or Ineligible Contractors or Subrecipients
- Displacement
- Conditions for Religious Organizations
- Non-Discrimination Base on Handicap
- Section 504 of the Rehabilitation Act of 1973
- Architectural Barriers Act of 1963
- Environmental Protection Agency Regulations.

ARTICLE XVII - GENERAL PROVISIONS

17.1 The SUBRECIPIENT agrees to abide by the provision of Chapter 112.3135, Florida Statutes, pertaining to Nepotism in their performance under this agreement. The SUBRECIPIENT also agrees to abide by Chapter 119, Public Records, of the Florida Statutes, as the same may be amended or restated during the term of this agreement to include without limitation, the following:

a. Compliance. The SUBRECIPIENT acknowledges the County's obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and to comply in the handling of the materials created under this Agreement. The SUBRECIPIENT further acknowledges that the constitutional and statutory provisions control over the terms of this Agreement. In association with its performance pursuant to this Agreement, the SUBRECIPIENT shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all Applicable Laws.

b. Obligations. Without in any manner limiting the generality of the foregoing, to the extent applicable, the SUBRECIPIENT acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:

I. keep and maintain public records required by the COUNTY to perform the services required under this Agreement;

II. upon request from the COUNTY's Custodian of Public Records or his/her designee, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

III. ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the agreement and following completion of its term if the SUBRECIPIENT does not transfer the records to the COUNTY; and

IV. upon completion of the agreement transfer, at no cost, to the COUNTY, all public records in possession of the SUBRECIPIENT or keep and maintain public records required by the COUNTY to perform the service. If the SUBRECIPIENT transfers all public records to the COUNTY upon completion of the agreement the SUBRECIPIENT shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the SUBRECIPIENT keeps and maintains public records upon completion of the agreement, the SUBRECIPIENT shall meet all applicable requirements for retaining public records. Upon receipt of a request from the COUNTY's Custodian of Public Records, all records stored electronically must be provided to the COUNTY in a format that is compatible with the information technology systems of the COUNTY.

c. Contact. IF THE SUBRECIPIENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUBRECIPIENT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:

RECORDS MANAGEMENT LIAISON OFFICER
POLK COUNTY
330 WEST CHURCH ST.
BARTOW, FL 33830
TELEPHONE: (863) 534-7532
EMAIL: RMLO@POLK-COUNTY.NET

17.2 If applicable, SUBRECIPIENT agrees to comply with Section 286.011, F.S., relating to public meetings and records, and chapter 119 F.S., relevant to public records.

17.3 **If applicable**, the SUBRECIPIENT attests that the COUNTY's procurement requirements were adhered to in the procurement of goods and services purchased pursuant to this contract.

17.4 This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein and that the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

17.5 The SUBRECIPIENT shall assure that records regarding project requirements that apply for the duration of the agreement, the written agreement, and inspection and monitoring reports will be retained for a period of five years. The SUBRECIPIENT shall also assure if any litigation, claim, negotiation, audit, or other action has been started before the expiration of the above mentioned five year term, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the five year period, whichever is later.

17.6 The COUNTY and SUBRECIPIENT agree that all activities shall be governed in all respects by the laws of the State of Florida, venue in the courts of Polk County, State of Florida.

17.7 All notices required by this agreement shall be in writing.

17.8 Nothing contained in this agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an “independent contractor” with respect to the services to be performed under this agreement. The COUNTY shall be exempt from payment of all Unemployment Compensation, FICA, Retirement, life and/or medical insurance and Workers’ Compensation Insurance, as the Subrecipient is an independent contractor.

17.9 If any provision of this agreement is held invalid, the remainder of the agreement shall not be affected. Thereby and all other parts of this agreement shall nevertheless be in full force and effect.

17.10 This agreement constitutes the entire agreement between the COUNTY and the Subrecipient for the use of funds received under this agreement, and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written between the COUNTY and the Subrecipient with respect to this agreement.

17.11 The Subrecipient shall comply with the requirements of Florida Statutes, Section 448.095, Employment Eligibility. Prior to entering this Agreement, Subrecipient shall execute and deliver to the County the Employment Eligibility Certification attached as Appendix D to the Agreement.

ARTICLE XVIII - INSURANCE AND BOND

18.1 In accordance with s. 768.28 Florida Statues, the waiver of sovereign immunity in tort actions; recovery limits; limitation on attorney fees; statute of limitations; exclusions; indemnification; risk management programs is applicable to this agreement.

The undersigned person signing as an officer on behalf of the SUBRECIPIENT, a party to this agreement, hereby severally warrants and represents that said person has authority to enter into this agreement on behalf of said SUBRECIPIENT and to bind the same to this agreement, and, further that said SUBRECIPIENT has authority to enter into this agreement and that there are no restrictions or prohibitions contained in any article of incorporation or bylaw against entering into this agreement.

IN WITNESS WHEREOF the parties hereto duly execute this agreement as of the day and year first written above.

SCOPE OF SERVICES
FOR
CITY OF WINTER HAVEN
(LAKE CONINE RECREATION ELEMENT)
Deadline 9/30/2024

I. The project will be located on the southeast shore of Lake Conine in Winter Haven.

The City of Winter Haven proposes to use CDBG funds to complete the design, and a portion of the construction of the Lake Conine Recreation Element facility. The project site was originally a non-functioning wetland full of overgrowth and muck. Phase I has been completed by completing the restoration of the wetland marsh system to improve the overall water quality in Lake Conine. This restoration have also provide a high-quality habitat for different species.

The City of Winter Haven plans to use CDBG funds for but not limited to the design and develop recreational elements at this site to create a park setting to complement the natural resource elements. The surcharging required soil to be added to the site, then it must sit undisturbed for a period of 6months. After this phase is complete, the recreation elements of the project will be designed to include but not limited to three trails, a playground, parking lot, restrooms, fishing pier, kayak launch, picnic facilities, educational elements, landscaping, and site amenities. The elevated trail, overlooks, and pier will allow ample opportunities for park users to observe the wildlife.

The City of Winter Haven will used CDBG funds for the above activities in an amount not to exceed **$283,599.00.**

II. Each invoice submitted for reimbursement must be accompanied with proper documentation as set forth in Appendix F. Failure to provide sufficient documentation will delay the processing of the request until such information is received.

The Davis-Bacon Act and Section 3 requirements will be enforced if applicable.

The Subrecipient will follow their procurement procedures providing copies of quotes or bids and forward to Housing and Neighborhood Development.

III. **PERFORMANCE MEASURES**

Outcome/Objective Specific Annual Objectives		Sources of Funds	Performance Indicators	Year	Expected Clients Served
	In FY 2023-2024, the CDBG program will allocate **$283,599.00 t**o the City of Winter Haven to develop recreational elements to the Lake Conine area.	**CDBG Municipalities**	Low-Mod income individuals who will have improved access to Lake Conine.	23-24	6000

SCOPE OF SERVICES CONTINUED

III. Other Requirements:

A. Prior to rehabilitation/construction, Housing and Neighborhood Development staff will review and approve specifications and cost allocations.

B. The SUBRECIPIENT shall include in all advertising and/or promotion a statement that whole or partial funding of the project is supplied by Polk County Community Development Block Grant Public Facility funds, or wording to that effect.

C. Maintain documentation that ensures eligibility and compliance with a national objective of the CDBG PF program.

D. The Scope of Service may not be changed or modified without prior written approval received by the COUNTY.

E. Provide account numbers and contract numbers on all correspondence, pay requests, and documents pertaining to this project.

F. Although this agreement is in force until all funds are spent and/or the project is otherwise complete, should the SUBRECIPIENT fail to meet the estimated timeline as presented on Appendix E, and fail to provide acceptable cause for this failure, the COUNTY may terminate this agreement at its sole discretion.

AFFIDAVIT

Federal Funding Accountability and Transparency Act (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The FFATA Subaward Reporting System (FSRS) is the reporting tool Federal prime awardees (i.e. prime contractors and prime grants recipients) use to capture and report subaward and executive compensation data regarding their first-tier subawards to meet the FFATA reporting requirements. Prime contract awardees will report against sub-contracts awarded and prime grant awardees will report against sub-grants awarded. The sub-award information entered in FSRS will then be displayed on www.USASpending.gov associated with the prime award furthering Federal spending transparency.

The Transparency Act requires information disclosure concerning entities receiving Federal financial assistance through Federal awards such as Federal contracts, sub-contracts, grants, and sub-grants.

Specifically, the Transparency Act's section 2(b)(1) requires the County to provide the following information about each Federal award:

- Name of the entity receiving the award;
- Amount of the award;
- Information on the award including transaction type,
- Location of the entity receiving the award and primary location of performance under the award;
- Unique identifier of the entity receiving the award and the parent entity of the recipient;
- Names and total compensation of the five most highly compensated officers of the entity if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in Federal awards; and $25,000,000 or more in annual gross revenues from Federal awards; and the public does not have access to this information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986.

AFFIDAVIT

I, _____ (print name), hereby swear or affirm that:

I have read and understand the information provided above.

I have personal knowledge of the facts I am attesting to in this affidavit.

(*please check one of the following)*

____ I attest that _____ (agency name) **does not** meet the above threshold requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

____ I attest that _____ (agency name) **does** meet the above threshold* requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

*If agency meets the above threshold, the agency MUST attach a spreadsheet with the names and total compensation of the five most highly compensated officers of the entity, signed and dated by the one of the following: President; Executive Director; CEO; Board Chairperson; Finance Director; CFO; or Treasurer.

I understand that the submission of a false affidavit is punishable as a second-degree misdemeanor under Florida law.

EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY) CERTIFICATION
(Florida Statutes, Section 448.095)

PROJECT NAME: **THE CITY OF WINTER HAVEN for LAKE CONINE RECREATION ELEMENTS**

The undersigned, as an authorized officer of the contractor identified below (the "**Contractor**"), having full knowledge of the statements contained herein, hereby certifies to Polk County, a political subdivision of the State of Florida (the "**County**"), by and on behalf of the Contractor in accordance with the requirements of Section 448.095, Florida Statutes, as related to the contract entered into by and between the Contractor and the County on or about the date hereof, whereby the Contractor will provide labor, supplies, or services to the County in exchange for salary, wages, or other remuneration (the "**Contract**"), as follows:

1. Unless otherwise defined herein, terms used in this Certification which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

2. Pursuant to Section 448.095(5), Florida Statutes, the Contractor, and any subcontractor under the Contract, must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor or subcontractor. The Contractor acknowledges and agrees that (i) the County and the Contractor may not enter into the Contract, and the Contractor may not enter into any subcontracts thereunder, unless each party to the Contract, and each party to any subcontracts thereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of the Contract, and the County may treat a failure to comply as a material breach of the Contract.

3. By entering into the Contract, the Contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the Contract. Failure to comply will lead to termination of the Contract, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If the Contract is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If the Contract is terminated for a violation of Section 448.095, Fla. Stat., by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the County as a result of the termination of the Contract. Nothing in this Certification shall be construed to allow intentional discrimination of any class protected by law.

Polk County

Board of County Commissioners

Agenda Item R.20. 11/7/2023

SUBJECT

Approve Community Development Block Grant (CDBG) subrecipient agreement between Polk County and The City of Auburndale. ($282,766.68 one-time expense).

DESCRIPTION

Approve the CDBG subrecipient agreement between Polk County and The City of Auburndale. Funds will be used to construct the additional parking for the Community Center/Gym located at 409 & 411 Cleveland Street, Auburndale. The City will use CDBG funds to acquire two adjacent properties that currently have excessive amounts of code enforcement liens. Following property acquisition, the City will contract for the demolition of each respective structure and will contract for construction of an asphalt parking lot. This newly constructed parking lot will serve as additional parking for the severe overflow from the Community Center/Gym. The City of Auburndale will utilize CDBG funds for the purchase and installation of a generator for an existing stormwater lift station located in the right of way at Bridgers Avenue and Clinton Street. The existing lift station is susceptible to experiencing power outages, causing stormwater flooding into the adjacent neighborhood streets and neighborhood residents. The Board of County Commissioners approved this by adoption of the Fiscal Year 2023-2024 Action Plan on July 25, 2023.

The City of Auburndale will use CDBG funds for the above activities in an amount not to exceed $282,766.68 (current allocation FY 23/24 $93,683.00, in addition to $12,813.00 from Town of Dundee allocation FY 23/24 (reimbursement from FY 19/20), and a carryover from FY 22/23 $176,270.68).

RECOMMENDATION

Request Board approve this CDBG subrecipient agreement.

FISCAL IMPACT

Funds are available in the Special Revenue Grant Fund.

SUBRECIPIENT AGREEMENT

BETWEEN POLK COUNTY AND THE CITY OF AUBURNDALE

This agreement is made and entered on this **1st** day of **October 2023,** by and between Polk County, a Political Subdivision of the State of Florida, hereafter referred to as the "COUNTY", and **The City of Auburndale**, a Florida municipal corporation, organized and existing under the laws of the State of Florida, hereafter referred to as the "SUBRECIPIENT".

WITNESSETH:

WHEREAS, the COUNTY has been awarded a Community Development Block Grant (CDBG) from the Department of Housing and Urban Development (HUD) which provides for the development, establishment, and administration of projects to benefit low and moderate income families, aid in elimination of slums or blight, or meet an urgent community development need; and

WHEREAS, said grant allows the COUNTY to contract with other governmental agencies and non-profit agencies to administer and implement projects that are eligible for CDBG funding; and

WHEREAS, it is in the best interest of the COUNTY to enter into a special agreement with the SUBRECIPIENT for the administration of a portion of said grant; and

WHEREAS, the COUNTY wishes to engage the services of the SUBRECIPIENT to administer and implement a portion of the Community Development Block Grant for a Housing and Neighborhood Development ("HND") project described as **Auburndale Stormwater Generator/Cleveland Street Parking Lot Project,** and

WHEREAS, the SUBRECIPIENT has agreed to the above activity in an amount not to exceed **$282,766.68 (current allocation FY 23/24 $93,683.00, in addition to $12,813.00 from Town of Dundee allocation FY 23/24 (additional reimbursement for FY 19/20), and a carryover from FY 22/23 $176,270.68)** and;

WHEREAS, the COUNTY has initially determined that the proposed activity will benefit low and moderate income persons; and

WHEREAS, this agreement is contingent upon the award of Community Development Block Grant Public Facilities funds from the U.S. Department of Housing and Urban Development and the **Catalogue of Federal Domestic Assistance (CFDA) number is 14.218 Entitlement Grant**;

NOW THEREFORE in consideration of the mutual promises and covenants, the parties agree as follows:

ARTICLE I - PROJECT DESCRIPTION

1.1 The SUBRECIPIENT agrees to implement this activity as described in detail in Appendix **A**, Scope of Services.

ARTICLE II - DISBURSEMENTS

2.1 The COUNTY agrees to reimburse the SUBRECIPIENT a maximum amount not to exceed **$282,766.68 (current allocation FY 23/24 $93,683.00, in addition to $12,813.00 from Town of Dundee allocation FY 23/24 (additional reimbursement for FY 19/20), and a carryover from FY 22/23 $176,270.68)** from Community Development Block Grant (CDBG) funds, as outlined in Appendix **B**, Budget.

ARTICLE III - REPORTING

3.1 The SUBRECIPIENT shall provide the COUNTY with a monthly report of all activities including a narrative summary of progress and financial statement on expenditures during the report period. Reports may be submitted on the monthly report form attached to this agreement, Appendix **E,** or other format containing the same information as found in Appendix **E**. Reports are due on or no later than the tenth working day of each month, unless on an otherwise agreed upon schedule, and shall begin on the effective date of this agreement and continue until all information concerning the project has been received by the COUNTY for close-out.

3.2 Monthly reports not submitted may result in payments to the SUBRECIPIENT being withheld or denied. Failure to submit appropriate monthly reports may result in termination of this agreement.

3.3 The SUBRECIPIENT shall provide the Polk County Housing and Neighborhood Development office with additional program information as needed.

3.4 The SUBRECIPIENT shall submit complete financial accounting of the project to the COUNTY within thirty (30) calendar days of the COUNTY's final payment to the SUBRECIPIENT.

ARTICLE IV - AGREEMENT PERIOD AND TERMINATION

4.1 This agreement shall take effect on **October 1, 2023** , and shall terminate on **September 30, 2024,** unless canceled sooner.

4.2 SUSPENSION AND TERMINATION FOR CONVENIENCE:

A. If the SUBRECIPIENT should materially fail to comply with any term of the award, suspension or termination may occur in accordance with 2 CFR 200.213 Suspension and Debarment. In the event that funds should fail to be or cease to be provided to the County then the County may terminate this agreement immediately.

B. Remedies for noncompliance: If the SUBRECIPIENT materially fails to comply with any term of an award whether stated in a federal statute or regulation, an assurance, in a state plan or application a notice of award or elsewhere, the COUNTY may take one (1) or more of the following actions as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the SUBRECIPIENT or more severe enforcement action by the COUNTY.

2. Disallow (that is to deny both use of funds and matching credit) for all or part of the cost of the activity or action not in compliance.

3. Wholly or partly suspend or terminate the current award for the SUBRECIPIENT's program.

4. Withhold further awards for the program.

5. Take other remedies that may be legally available.

C. Hearings Appeals: In taking an enforcement action the COUNTY will provide the SUBRECIPIENT an opportunity for such hearing appeal or other administrative proceeding to which the COUNTY or SUBRECIPIENT is entitled to under any statute or regulation applicable to the action involved.

D. Efforts of Suspension and Termination: Costs resulting from obligations incurred by the SUBRECIPIENT clearing a suspension after termination of an award are not allowable unless the COUNTY expressly authorizes them in the nature of suspension or termination or subsequently. Other SUBRECIPIENT costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

1. The costs result from obligations which were properly incurred by the SUBRECIPIENT before the effective date of suspension or termination are not in anticipation of it and in case of termination are noncancellable; and

2. The costs would be allowable if the award was not suspended or expired normally at the end of the funding period in which the termination takes effect.

E. Relationship to Debarment and Suspension: The enforcement remedies identified in this section including suspension and termination do not preclude the grantee or subgrantee from being subject to "Debarment and Suspension" under Executive Order 12549 2 CFR 200.338 and 2 CFR 180.

F. Termination for Convenience: Except as provided above awards may be terminated in whole or in part only as follows:

1. By the COUNTY with the consent of the SUBRECIPIENT in which case the two parties shall agree upon the termination condition including the effective date and in case of partial termination the portion to be terminated; or

2. By the SUBRECIPIENT upon written notification to the COUNTY setting forth the reasons for such termination, the effective date, and in case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the COUNTY determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the COUNTY may terminate the award in its entirety.

4.3 The COUNTY may issue a stop order to SUBRECIPIENT which will halt all work on the project in the event that the work is not being done according to federal guidelines and regulations, the assurances contained herein, or the provisions of this agreement.

4.4 The SUBRECIPIENT may not terminate its obligations under Paragraph 12.10 (Program Income) and may not terminate an Assignment of Proceeds and Grant of Lien without written consent of the COUNTY.

4.5 The COUNTY reserves the right to terminate this contract upon written notification to the SUBRECIPIENT under any of the following conditions:

a. Notification by HUD to the COUNTY that said project is ineligible because of project location, services provided, or any other reason cited by HUD;

b. Notification by HUD to the COUNTY that said project is deficient and that continued support of the project is not providing an adequate level of services to low income and minority people; or

c. Written notification from HUD to the COUNTY that the program funds made available to the COUNTY are being curtailed, withdrawn, or otherwise restricted.

4.6 The COUNTY reserves the right to terminate this contract or to reduce the contract compensation amount if the SUBRECIPIENT:

a. Fails to file required reports or to meet project progress or completion deadlines;

b. Materially fails to comply with any provision of this Agreement (which may result in suspension or termination in accordance with 2 CFR 200.339);

c. Expends funds under this agreement for ineligible activities, services or items;

d. Implements the project prior to notification from the COUNTY that the federal environmental review process has been completed;

e. Violates labor standards requirements; or

f. Fails to comply with written notice from the COUNTY of substandard performance under the terms of this agreement.

4.7 The Subrecipient's obligation to the COUNTY shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the COUNTY), and determining the custodianship of records. Not withstanding the foregoing, the terms of this agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

ARTICLE V - INDEMNIFICATION

5.1 The SUBRECIPIENT shall indemnify, defend (by counsel reasonably acceptable to COUNTY), protect and hold harmless the COUNTY from and against any and all claims, demands, actions, causes of action, suits, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including, without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals therefrom) arising out of or resulting from services provided by the SUBRECIPIENT, anyone directly or indirectly employed by the SUBRECIPIENT, or anyone for whose acts any of them may be liable, whether pursuant to this agreement or otherwise, and from all such parties negligent acts and omissions and intentional tortious acts. The SUBRECIPIENT acknowledges it is an independent contractor of the COUNTY and not an agent or employee thereof.

ARTICLE VI - PROCEDURES FOR INVOICING AND PAYMENT

6.1 SUBRECIPIENT shall invoice the COUNTY on the following basis:

SUBRECIPIENT shall provide the COUNTY with an executed original of any documents or subcontracts authorizing the work to be done on the project(s).

(1) If applicable, a request to subcontract work or services hereunder shall be submitted in writing and shall be subject to each provision of this agreement and any contract shall be in accordance with county, state, federal guidelines, and regulations. A list of all subcontractors shall be provided to the Housing and Neighborhood Development office. This in no way relieves the SUBRECIPIENT from any other requirements of this agreement. Reimbursement requests shall include certification such as the certification shown in Appendix B, Page 3, in the absence of canceled checks for verification.

(2) None of the work or services, including but not limited to, consultant services covered by this agreement, shall be subcontracted or reimbursed without the prior written notice to COUNTY.

(3) All purchasing for consumable, capital equipment, and services shall be made by

purchase order or by a written contract in conformity and in full compliance with the procedures prescribed by 2 CFR 200.317 – 200.326.

a. The SUBRECIPIENT shall provide the COUNTY with project budget information.

b. The COUNTY agrees to make payment and reimburse all budgeted costs available under federal, state, and county guidelines.

c. Requests by the SUBRECIPIENT for payment shall be accompanied by proper documentation and shall be submitted to the COUNTY for approval no later than thirty (30) days after the last date covered by the request.

d. As applicable, the COUNTY will comply with Part VII, chapter 218, F.S., the Florida Prompt Payment Act, or s. 215.422, F.S., warrants, vouchers and invoices, when preparing reimbursement on accepted invoices.

e. For purposes of this section, copies of invoices, receipts, or other evidence of indebtedness shall be considered proper documentation. Invoices shall not be honored if received by COUNTY later than thirty (30) days after expiration date of this agreement.

f. The COUNTY may withhold payment of reimbursement requests if monthly reports are not current.

6.2 Upon receiving the invoices, reports and other materials, the COUNTY shall audit such bid awards, contracts, reports and invoices to determine whether the items invoiced have been completed and that the invoiced items are proper for payment.

6.3 Upon determination by the COUNTY that the services or material invoiced have been received or completed, the COUNTY shall authorize payment to the SUBRECIPIENT in the amount it determines pursuant to the audit to be payable.

ARTICLE VII - IMPLEMENTATION AND TIMETABLE

7.1 The parties expressly ratify the activities relating to this agreement and adopt the terms and conditions of this agreement for all such activities beginning **October 1, 2023.** The SUBRECIPIENT herein attests and certifies to the COUNTY that, regardless of the effective date of this Agreement, the SUBRECIPIENT will obtain all insurance coverage and limits as set forth by this Agreement to begin no later than **October 1, 2023**.

7.2 SUBRECIPIENT agrees to implement project(s) and comply with the Scope of Services set forth in Appendix **A** and Estimated Timeline set forth in Appendix **E**.

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE VIII - OTHER PROVISIONS

8.1 Equal Employment Opportunity

The following provisions "a" and "b" are applicable to all contracts and subcontracts; provisions "c" through "g" are applicable to all nonexempt construction contracts and subcontracts which exceed $10,000;

During the performance of this contract, the SUBRECIPIENT agrees as follows:

a. The SUBRECIPIENT shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law. The SUBRECIPIENT shall take affirmative action to ensure that applicants who are employed are treated during employment without regard to their race, color, creed, religion, sex, age, handicap, disability, ancestry, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The SUBRECIPIENT agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. The SUBRECIPIENT will, in all solicitations or advertisements for employees placed by or on behalf of the SUBRECIPIENT, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, or any other basis prohibited by applicable law.

c. The SUBRECIPIENT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers representatives of the SUBRECIPIENT commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The SUBRECIPIENT will comply with all provisions of Executive Order 11246, Equal Employment Opportunity, of September 24, 1965, as amended by Executive Orders 11375 and 12086, copies of which are on file and available at the COUNTY, and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. The SUBRECIPIENT will furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by HUD and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the SUBRECIPIENT's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the SUBRECIPIENT may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, as amended, or as otherwise provided by law.

g. The SUBRECIPIENT will include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor, issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor. The SUBRECIPIENT will take such action with respect to any subcontract or purchase order as HUD may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a SUBRECIPIENT becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by HUD, the SUBRECIPIENT may request the United States to enter into such litigation to protect the interests of the United States.

8.2 Equal Opportunity in Participation

Under the terms of Section 109 of the Housing and Community Development Act of 1974 and in conformance with COUNTY policy and all requirements imposed by or pursuant to the Regulations of HUD (24 CFR Part 570.601 and 570.602) issued pursuant to Section 109, no person in the United States shall on the ground of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with Community Development Block Grant program funds.

Specific (not exclusive) Discrimination Actions Prohibited:

The SUBRECIPIENT may not directly or through contractual or other arrangements, on the ground of race, color, creed, religion, ancestry, national origin, marital status, familial status, age, handicap, disability, sex or any other basis prohibited by applicable law:

a. Deny any facilities, services, financial aid, or other benefits provided under the program or activity.

b. Provide any facilities, services, financial aid, or other benefits which are different, or are provided in a different form from that provided to others under the program or activity.

c. Subject segregated or separate treatment in any facility, or in any matter or process related to receipt of any service or benefit under the program or activity.

d. Restrict in any way access to, or the enjoyment of any advantage or privilege enjoyed by others in connection with facilities, services, financial aid or other benefits under the program or activity.

e. Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which the individual must meet in order to be provided any facilities, services, or other benefit provided under the program or activity.

f. Deny any person with the legal right to work an opportunity to participate in a program or activity as an employee.

8.3 Business and Employment Opportunities for Lower Income Residents, Women-Owned Business Enterprises, and Minority-Owned Business Enterprises.

The SUBRECIPIENT will conform with the rules and regulations set forth under Section 3 of the Housing and Urban Development Act of 1968, (12 USC 1701u), as amended, and the HUD regulations

issued pursuant thereto at 24 CFR Part 135. This Act requires that, to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area, and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by, persons residing in the area of the project. In all solicitations for bids, the contractor must, before signing the contract, provide a preliminary statement of the work force needs and plans for possible training and employment of lower income persons. When a SUBRECIPIENT utilizes the bidding procedure to let a bid, the invitation or solicitation for bids shall advise prospective contractors of the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, and the clause shall be inserted as a component part of any contract or subcontract.

If a SUBRECIPIENT solicits or requests an invitation for bids, every effort feasible will be made to contact minority-owned and women-owned business enterprises for a response to the solicitation or invitation for bidders.

8.4 Nondiscrimination in Federally-Assisted Programs.

The SUBRECIPIENT will comply with Title VI of the Civil Rights Act of 1964 (PL 88-352, 42 USC 2000d et seq.) and the Fair Housing Act (42 USC 3601-20). In accordance with COUNTY policy and Title VI of the Civil Rights Act of 1964 (PL 88-352), in the sale, lease or other transfer of land acquired, leased or improved with assistance provided under this agreement, the deed or lease for such transfer shall contain a covenant prohibiting discrimination upon the basis of race, color, creed, religion, sex, handicap, disability, ancestry, national origin, marital status, or familial status, in the sale, lease or rental, or in the use or occupancy of such land or any improvements erected or to be erected thereon. The SUBRECIPIENT will comply with Title VIII of the Civil Rights Act of 1968 (PL 90-284) as amended and will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing.

8.5 Labor Standards.

Except with respect to the rehabilitation of residential property designed for residential use for less than eight households, the SUBRECIPIENT and all subcontractors engaged in contracts in excess of $2,000 for the construction, completion, rehabilitation, or repair of any building or work financed in whole or in part with assistance provided under this agreement are subject to the federal labor standards provisions which govern the payment of wages and the ratio of apprentices and trainees to journey workers. Under the terms of the Davis-Bacon Act, as amended, the SUBRECIPIENT is required to pay all laborers and mechanics employed on construction work wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor, and shall pay overtime compensation in accordance with and subject to the provisions of the Contract Work Hours and Safety Standards Act (40 USC 327-332), and the SUBRECIPIENT shall comply with all regulations issued pursuant these Acts and with other applicable federal laws and regulations pertaining to labor standards, including the Copeland Anti-Kickback Act. Provided, that if wage rates higher than those required under the regulations are imposed by State or local laws, nothing hereunder is intended to relieve the SUBRECIPIENT of its obligation, if any, to require payment of the higher rates.

8.6 Flood Disaster Protection.

This agreement is subject to the requirements of the Flood Disaster Protection Act of 1973 (PL 93-234). Use of any assistance provided under this agreement for acquisition or construction in an area identified as having special flood hazards shall be subject to the mandatory purchase of flood insurance in accordance with the requirements of Section 102(a) of said Act.

8.7 Clean Air Act and Federal Water Pollution Control Act (Applicable to Contracts and Subcontracts Which Exceed $100,000).

The SUBRECIPIENT shall comply with and require each subcontractor to comply with all applicable

standards of the Clean Air Act of 1970 (42 USC 1857 et seq.), as amended, the Clean Air Act of 1990, the Federal Water Pollution Control Act (33 USC 1251 et seq.), as amended, and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended from time to time.

8.8 Provision of the Hatch Act.

Neither the SUBRECIPIENT's program nor the funds provided therefore, nor the personnel employed in the administration of the program shall be in any way or to any extent engaged in the conduct of political activities in contravention of Chapter 15 of Title 5, United States Code.

8.9 Lead-Based Paint.

Any grants or loans made by the SUBRECIPIENT for the rehabilitation of residential structures with assistance provided under this agreement shall be made subject to the provisions for the elimination of lead-based paint hazards under 24 CFR Part 35. SUBRECIPIENT will comply with the requirements of 24 CFR 570.608 for notification, inspection, testing, and abatement procedures concerning lead-based paint. Such regulations require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly noticed that such properties may contain lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment, and precautions that should be taken when dealing with lead-based paint poisoning.

8.10 Special Assessments.

SUBRECIPIENT will not attempt to recover any capital costs of public improvements assisted in whole or in part with funds provided under Section 106 of the Act or with amounts resulting from a guarantee under Section 108 of the Act by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements, unless: (1) funds received under Section 106 of the Act are used to pay the proportion of such fee or assessment that relates to the capital costs of such public improvements that are financed from revenue sources other than under Title 1 of the Act; or (2) for purposes of assessing any amount against properties owned and occupied by persons of moderate income, the grantee certifies to the Secretary of HUD that it lacks sufficient funds received under Section 106 of the Act to comply with the requirements of subparagraph (1).

8.11 Acquisition, Rehabilitation, and Demolition of Real Property and Displacement of Persons and Businesses

SUBRECIPIENT will comply with the "POLK COUNTY RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE PLAN UNDER SECTION 104 (d) OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974, AS AMENDED." SUBRECIPIENT will conduct any acquisition, rehabilitation, or demolition of real property, and any negotiations for acquisition, rehabilitation or demolition of real property in compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. Unless specifically permitted in Appendix A or Appendix B, SUBRECIPIENT will not cause either temporary or permanent involuntary displacement of any person or business as a result of Community Development Block Grant activities. The SUBRECIPIENT shall provide all notices, advisory assistance, relocation benefits, and replacement dwelling units as required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. SUBRECIPIENT hereby agrees to defend, to pay, and to indemnify the COUNTY from and against, any and all claims and liabilities for relocation benefits or the provision of replacement dwelling units required by federal statutes and regulations in connection with activities undertaken pursuant to this agreement.

8.12 Lobbying Restrictions

SUBRECIPIENT certifies that, to the best of its knowledge and belief:

No federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement;

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and It will require that the language of this Paragraph 8.12 be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, United States Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

8.13 Provisions Required by Law Deemed Inserted.

Each and every provision of law and clause required by law to be inserted in this contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the contract shall forthwith be physically amended to make such insertion or correction.

8.14 SAM Registration and FFATA Compliance

The SUBRECIPIENT shall maintain a current registration in the federal System for Award Management ("SAM") database (http://www.sam.gov) pursuant to the Federal Funding Accountability and Transparency Act (FFATA), P.L. 109-282, as amended by section 6202(a) of P.L. 110-252 and the regulations implementing the Act at 2 CFR part 25 and 2 CFR part 170. If Subrecipient is not currently registered, it must do so within ten (10) days of the date Subrecipient executes this Agreement. A Unique Entity Identification (UEI) Number (https://sam.gov/content/home) is required for registration. Subrecipient must also comply with FFATA, which includes requirements on executive compensation, and implementing regulations in 2 CFR part 170, which includes requirements on reporting subaward and executive compensation information. Subrecipient shall complete and sign the Affidavit attached hereto as Appendix "C" in conjunction with its execution of this Agreement and provide any supporting documentation, if required

8.15 Violence Against Women Act (VAWA)

If applicable to this project, the SUBRECIPIENT shall comply with the Violence Against Women Act ("VAWA") as it has been most recently authorized. VAWA protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated

from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation. On March 15, 2022, President Biden signed into law the Violence Against Women Act Reauthorization Act of 2022 (VAWA 2022), which enhances housing protections for survivors applying for and living in units assisted by HUD programs. VAWA 2022 protects an individual's right to call emergency services and report crime from their homes. The protections also ensure that individuals do not have to fear retaliation from their housing provider for exercising their rights under VAWA or assisting others in doing so, including filing VAWA complaints. For more information about the rights and responsibilities under VAWA, please visit https://www.hud.gov/vawa.

8.16 Build America Buy America (BABA)

If applicable to this project, SUBRECIPEINT shall comply with the requirements of the Build America, Buy America Act, Pub. L. No. 117-58, §§ 70901-52.

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE IX - NOTICES

9.1 SUBRECIPIENT and COUNTY agree that all notices required by this agreement shall be in writing and delivered by U.S. Mail, by messenger or personally delivered to the office of the duly authorized representative of the SUBRECIPIENT or COUNTY as specified herein.

COUNTY:
Jennifer Cooper, Manager
Housing and Neighborhood Development
P.O. 9005, Drawer HS04
Bartow, FL 33830

SUBRECIPIENT:
Jeffrey E. Tillman, City Manager
City of Auburndale
P.O. Box 186
Auburndale, FL 33823

ARTICLE X - MODIFICATION

10.1 Any program modification requested by SUBRECIPIENT must be requested at least ninety (90) days prior to the end of the term of this agreement. No modification to this agreement shall be binding on either party unless in writing and signed by both parties.

10.2 In the event that the Board of County Commissioners approves any modification, amendment, or alteration to the funding allocation, the SUBRECIPIENT shall be notified in writing and such notification shall constitute an official amendment.

10.3 The COUNTY may, at its discretion and upon provision of proper notice to the SUBRECIPIENT, amend this agreement to conform to changes in federal, state, and/or county guidelines, regulations, directives, and objectives. Such amendments shall be incorporated by written amendment as a part of this agreement.

ARTICLE XI - ASSURANCES

11.1 SUBRECIPIENT agrees to comply with the provisions of Section 202, Executive Order 11246 and with the guidelines for applicants on equal opportunity obligations for Community Development Block Grants in regard to construction contracts.

11.2 SUBRECIPIENT agrees that it will comply with the following assurances:

a. The SUBRECIPIENT agrees to comply with all applicable federal, state, and county laws, ordinances, codes and regulations. Any conflict or inconsistency between the above federal, state or county guidelines and regulations and this agreement shall be resolved in favor of the more restrictive regulations.

b. In accordance with Title VI of the Civil Rights Act of 1964 (P.L. 88-352), no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the SUBRECIPIENT receives federal financial assistance.

c. In accordance with 24 CFR 570.505, property acquired or improved in whole or in part using CDBG funds in excess of $25,000.00 must be used as intended from the date CDBG funds are first spent until five (5) years after the closeout of the COUNTY participation in the CDBG program. Any transfer of the property or structure shall also be bound.

d. If applicable, SUBRECIPIEINT shall inform affected persons of the benefits, policies, and procedures provided for under HUD regulations.

e. SUBRECIPIENT shall establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties. Should such possible conflicts, real or apparent, arise, the SUBRECIPIENT shall disclose such situations to the COUNTY and the County Attorney's Office for review.

f. The SUBRECIPIENT agrees further that it shall be bound by the standard terms and conditions used in the grant agreement between HUD and COUNTY and such other rules, regulations or requirements as HUD may reasonably impose in addition to the aforementioned assurances at or subsequent to the execution of this agreement by the parties hereto.

g. In accordance with the Drug Free Workplace Act of 1988, the SUBRECIPIENT certifies that it has a policy designed to ensure that the SUBRECIPIENT's workplace is free from the illegal use, possession, or distribution of drugs or alcohol.

h. In compliance with Paragraph (2)(a) of Section 287.133, Florida Statutes, a "person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

i. This contract may be terminated at the option of the COUNTY if SUBRECIPIENT is found to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

ARTICLE XII - FINANCIAL RESPONSIBILITY

Subrecipients and subcontractors must comply with all applicable federal regulations governing the use of CDBG funds in addition to Office of Management and Budget (OMB) Circular 2 CFR Part 200. The new regulations combined a diverse group of regulations into one Super Circular located at 2 CFR Part 200. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards applies to the CDBG funds as now in effect and as may be amended from time to time.

12.1 SUBRECIPIENT gives the COUNTY, HUD, and the Inspector General, through any authorized representative, access to and the right to examine all records, books, papers, or documents relating to the project.

12.2 SUBRECIPIENT agrees to maintain books, records, and documents in accordance with accounting procedures and practices which sufficiently and properly reflect all expenditures of funds provided under this agreement. In accordance with OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations", all SUBRECIPIENTS who receive $300,000.00 or more in total Federal financial assistance within a year must obtain an independent audit.

12.3 SUBRECIPIENT further agrees to provide for audit purposes (upon request) all files, records and documents pertaining to related activities and clientele demographic data contained in this agreement.

12.4 Any funds expended in violation of this agreement shall be refunded in full from nonfederal resources.

12.5 Funding authorization through a Community Development Block Grant shall be used only for eligible activities specifically outlined in this agreement. In the event material progress is not evidenced nor commenced within the time limitations of this agreement, as determined by the COUNTY, the COUNTY may terminate this contract.

12.6 All funds not expended a result of the aforementioned deficiency of significant material progress or returned as a result of expiration and subsequent termination of the original funding agreement shall be used by the COUNTY at its discretion for reallocation to other eligible CDBG activities.

12.7 Income over and above general maintenance and operating expenses generated as a result of receipt of Community Development Block Grant funds shall be returned to the COUNTY.

12.8 The COUNTY shall have the right to audit and monitor any program income as a result of a Community Development Block Grant activity.

12.9 The Subrecipient shall comply with 2 CFR part 200 Subpart F – Audits. In accordance with 2 CFR §200.510, shall prepare financial statements and a schedule of expenditures of federal awards. The Subrecipient shall provide the County with its annual financial statement within ninety (90) days of the end of its operating year. This financial statement shall be prepared by an actively licensed public accountant.

a) In addition, if expending more than $750,000 of Federal awards during an operating year, the Subrecipient shall comply with the audit provisions contained in 2 CFR 200 subpart F and the Single Audit Act Amendments of 1996 (31 U.S.C. §§7501-7507). Audits shall be conducted annually. The Subrecipient shall submit its annual audit to the County and within one hundred twenty (120) days of the end of the Subrecipient's fiscal year. The Subrecipient must clear any deficiencies noted in the audit reports within 30 days after receipt of any noted deficiencies. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not expended in accordance with the conditions of this Agreement, the Subrecipient shall be held liable for reimbursement to the County of all funds not expended in accordance with those regulations and Agreement provisions within thirty (30) days after the County has notified the Subrecipient of such non-compliance. Any reimbursement by the Subrecipient shall not preclude the County from taking any other action or pursuing other remedies. Failure to comply with these audit requirements constitutes a violation of the Agreement and may result in the withholding of future payments. If the Subrecipient expends less than $750,000 in federal awards during its fiscal year, they are exempt from this requirement, except as noted in 2 CFR §200.503, but records must be available for review or audit by appropriate officials of HUD, the County, or GAO.

12.10 Program income (defined at 24 CFR 570.500) derived from the project, if any, shall revert to the COUNTY for use in the Community Development Block Grant program. If SUBRECIPIENT executes an Assignment of Proceeds and Grant of Lien to the COUNTY specifying the terms of reversion of proceeds from possible future sale of real property, it is incorporated by reference and made a part of this contract.

ARTICLE XIII - EVALUATION AND MONITORING

13.1 The SUBRECIPIENT agrees that the COUNTY may carry out periodic monitoring and evaluation activities as determined necessary by the COUNTY. This agreement is dependent upon satisfactory monitoring and evaluation of activities and other performance measures, including, but not limited to the terms of this agreement, comparisons of planned versus actual progress relating to project scheduling, budget, and output measures. The SUBRECIPIENT agrees to furnish upon request to the COUNTY or its designees and make copies and/or transcriptions of such records and information as is determined necessary by the COUNTY. The SUBRECIPIENT shall submit, upon the request of the COUNTY, information and status reports required by the COUNTY or HUD on forms approved by the COUNTY.

13.2 A sample monitoring instrument attached as Appendix G contains the minimum monitoring measures to be used by the COUNTY. Other measures may also be utilized.

ARTICLE XIV - UNIFORM ADMINISTRATIVE REQUIREMENTS

GOVERNMENTAL AGENCIES

14.0 Applicability of and cross reference to 2 CFR part 200.

(a) Federal awards with State, local and Indian tribal governments are subject to the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards at 2 CFR part 200.

14.1 As applicable Governmental Subrecipients shall comply with 2 cfr Part 200 - "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards":

•Subpart A - Acronyms and Definitions (§§ 200.0 - 200.99)
•Subpart B - General Provisions (§§ 200.100 - 200.113)
•Subpart C - Pre-Federal Award Requirements and Contents of Federal Awards (§§ 200.200 - 200.213)
•Subpart D - Post Federal Award Requirements (§§ 200.300 - 200.345)
•Subpart E - Cost Principles (§§ 200.400 - 200.475)
•Subpart F - Audit Requirements (§§ 200.500 - 200.521)
•Appendix I to Part 200 - Full Text of Notice of Funding Opportunity
•Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards
•Appendix III to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs)
•Appendix IV to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations
•Appendix V to Part 200 - State/Local Government wide Central Service Cost Allocation Plans
•Appendix VI to Part 200 - Public Assistance Cost Allocation Plans
•Appendix VII to Part 200 - States and Local Government and Indian Tribe Indirect Cost Proposals
•Appendix VIII to Part 200 - Nonprofit Organizations Exempted from Subpart E - Cost Principles of Part 200
•Appendix IX to Part 200 - Hospital Cost Principles
•Appendix X to Part 200 - Data Collection Form (Form SF-SAC)
•Appendix XI to Part 200 - Compliance Supplement
•Appendix XII to Part 200 - Award Term and Condition for Recipient Integrity and Performance Matters

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

NON-GOVERNMENTAL AGENCIES

14.2 Non-Governmental Subrecipients shall comply with the requirements and standards of Allowable Costs/Cost Principles 2 cfr part 225/OMB Circular A-87; 2 cfr part 220/OMB Circular A-21; 2 CRF part 230/OMB Circular A-122 and 2 cfr part 215 Procurement.

The requirements for equipment and real property are contained in 2 cfr section 200.313 (equipment), 2 cfr section 200.311 (real property), 48 cfr section 52.245-1 (equipment and real property), program legislation, Federal awarding agency regulations, and the terms and conditions of the Federal award.
Program income is gross income earned by a non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance (unless there is a requirement for disposition of program income after the end of the period of performance as provided in 2 cfr section 200.307(f)).

Program income (2 cfr section 200.80) includes, but is not limited to income from:

- Fees for services performed,
- The use or rental of real or personal property acquired under Federal awards,
- The sale of commodities or items fabricated under Federal awards,
- License fees and royalties on patents and copyrights, except as provided below, and
- Principal and interest on loans made with Federal award funds.

ARTICLE XV - CONFLICT OF INTEREST

15.1 In the procurement of services by the SUBRECIPIENT, the Conflict of Interest provision in Section 200.112 and 2 CFR 215 Procurement shall be adhered to as applicable.

ARTICLE XVI - OTHER FEDERAL REQUIREMENTS

16.1 The SUBRECIPIENT shall carry out each activity in compliance with all applicable Federal laws and regulations as described below:

- Public Law 88.352 - Title VI of the Civil Rights Act of 1964
- Public Law 90.284 - Title VIII of the Civil Rights Act of 1988
- Executive Order 11063 as amended by Executive Order 12259
- Section 109 of the Act
- Labor Standards
- National Flood Insurance Program
- Relocation and Acquisition
- Employment and Contracting Opportunities;
- Executive Order 11246 (41 CFR Chapter 60)
- Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 17010)
- Lead-Based Paint
- Use of Debarred, Suspended or Ineligible Contractors or Subrecipients
- Displacement
- Conditions for Religious Organizations
- Non-Discrimination Base on Handicap
- Section 504 of the Rehabilitation Act of 1973
- Architectural Barriers Act of 1963
- Environmental Protection Agency Regulations.

ARTICLE XVII - GENERAL PROVISIONS

17.1 The SUBRECIPIENT agrees to abide by the provision of Chapter 112.3135, Florida Statutes, pertaining to Nepotism in their performance under this agreement. The SUBRECIPIENT also agrees to abide by Chapter 119, Public Records, of the Florida Statutes, as the same may be amended or restated during the term of this agreement to include without limitation, the following:

a. Compliance. The SUBRECIPIENT acknowledges the County's obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and to comply in the handling of the materials created under this Agreement. The SUBRECIPIENT further acknowledges that the constitutional and statutory provisions control over the terms of this Agreement. In association with its performance pursuant to this Agreement, the SUBRECIPIENT shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all Applicable Laws.

b. Obligations. Without in any manner limiting the generality of the foregoing, to the extent applicable, the SUBRECIPIENT acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:

I. keep and maintain public records required by the COUNTY to perform the services required under this Agreement;

II. upon request from the COUNTY's Custodian of Public Records or his/her designee, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

III. ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the agreement and following completion of its term if the SUBRECIPIENT does not transfer the records to the COUNTY; and

IV. upon completion of the agreement transfer, at no cost, to the COUNTY, all public records in possession of the SUBRECIPIENT or keep and maintain public records required by the COUNTY to perform the service. If the SUBRECIPIENT transfers all public records to the COUNTY upon completion of the agreement the SUBRECIPIENT shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the SUBRECIPIENT keeps and maintains public records upon completion of the agreement, the SUBRECIPIENT shall meet all applicable requirements for retaining public records. Upon receipt of a request from the COUNTY's Custodian of Public Records, all records stored electronically must be provided to the COUNTY in a format that is compatible with the information technology systems of the COUNTY.

c. Contact. IF THE SUBRECIPIENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUBRECIPIENT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:

RECORDS MANAGEMENT LIAISON OFFICER
POLK COUNTY
330 WEST CHURCH ST.
BARTOW, FL 33830
TELEPHONE: (863) 534-7532
EMAIL: RMLO@POLK-COUNTY.NET

17.2 If applicable, SUBRECIPIENT agrees to comply with Section 286.011, F.S., relating to public meetings and records, and chapter 119 F.S., relevant to public records.

17.3 **If applicable**, the SUBRECIPIENT attests that the COUNTY's procurement requirements were adhered to in the procurement of goods and services purchased pursuant to this contract.

17.4 This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein and that the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

17.5 The SUBRECIPIENT shall assure that records regarding project requirements that apply for the duration of the agreement, the written agreement, and inspection and monitoring reports will be retained for a period of five years. The SUBRECIPIENT shall also assure if any litigation, claim, negotiation, audit, or other action has been started before the expiration of the above mentioned five year term, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the five year period, whichever is later.

17.6 The COUNTY and SUBRECIPIENT agree that all activities shall be governed in all respects by the laws of the State of Florida, venue in the courts of Polk County, State of Florida.

17.7 All notices required by this agreement shall be in writing.

17.8 Nothing contained in this agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the services to be performed under this agreement. The COUNTY shall be exempt from payment of all Unemployment Compensation, FICA, Retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Subrecipient is an independent contractor.

17.9 If any provision of this agreement is held invalid, the remainder of the agreement shall not be affected. Thereby and all other parts of this agreement shall nevertheless be in full force and effect.

17.10 This agreement constitutes the entire agreement between the COUNTY and the Subrecipient for the use of funds received under this agreement, and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written between the COUNTY and the Subrecipient with respect to this agreement.

17.11 The Subrecipient shall comply with the requirements of Florida Statutes, Section 448.095, Employment Eligibility. Prior to entering this Agreement, Subrecipient shall execute and deliver to the County the Employment Eligibility Certification attached as Appendix D to the Agreement.

ARTICLE XVIII - INSURANCE AND BOND

18.1 In accordance with s. 768.28 Florida Statues, the waiver of sovereign immunity in tort actions; recovery limits; limitation on attorney fees; statute of limitations; exclusions; indemnification; risk management programs is applicable to this agreement.

The undersigned person signing as an officer on behalf of the SUBRECIPIENT, a party to this agreement, hereby severally warrants and represents that said person has authority to enter into this agreement on behalf of said SUBRECIPIENT and to bind the same to this agreement, and, further that said SUBRECIPIENT has authority to enter into this agreement and that there are no restrictions or prohibitions contained in any article of incorporation or bylaw against entering into this agreement.

IN WITNESS WHEREOF the parties hereto duly execute this agreement as of the day and year first written above.

SCOPE OF SERVICES
FOR
CITY OF AUBURNDALE
(Auburndale Stormwater Generator/Cleveland Street Parking Lot Project)
Deadline 9/30/2024

I. The project will be in the CDBG target area within the City of Auburndale.

To construct the additional parking for the Community Center/Gym located at 409 & 411 Cleveland Street, Auburndale. The City will use CDBG funds to acquire two adjacent properties that currently have excessive amounts of code enforcement liens. Following property acquisition, the City will contract for the demolition of each respective structure and will contract for construction of an asphalt parking lot. This newly constructed parking lot will serve as additional parking for the severe overflow from the Community Center/Gym.

The City of Auburndale will utilize CDBG funds for the purchase and installation of a generator for an existing stormwater lift station located in the right of way at Bridgers Avenue and Clinton Street. The existing lift station is susceptible to experiencing power outages, causing stormwater flooding into the adjacent neighborhood streets and neighborhood residents.

The City of Auburndale will used CDBG funds for the above activities in an amount not to exceed **$282,766.68 (current allocation FY 23/24 $93,683.00, in addition to $12,813.00 from Town of Dundee allocation FY 23/24 (additional reimbursement for FY 19/20), and a carryover from FY 22/23 $176,270.68).**

II. Each invoice submitted for reimbursement must be accompanied with proper documentation as set forth in Appendix F. Failure to provide sufficient documentation will delay the processing of the request until such information is received.

The Davis-Bacon Act and Section 3 requirements will be enforced if applicable.

The Subrecipient will follow their procurement procedures providing copies of quotes or bids and forward to Housing and Neighborhood Development.

8III. **PERFORMANCE MEASURES**

Outcome/Objective Specific Annual Objectives	Sources of Funds	Performance Indicators	Year	Expected Clients Served
In FY 2023-2024, the CDBG program will allocate **$282,766.68 (current allocation FY 23/24 $93,683.00, in addition to $12,813.00 from Town of Dundee allocation FY 23/24 (additional reimbursement for FY 19/20), and a carryover from FY 22/23 $176,270.68)** to the City of Auburndale. The City will use CDBG funds for the purchase and installation of a generator and lot acquisition which includes the demotion of structures and constructing an overflow asphalt parking lot.	**CDBG Municipalities**	Very-Low, Mod-Low clients with assistance through financial classes, finding sustainable employment, housing, or basic needs.	23-24	11,000

SCOPE OF SERVICES CONTINUED

III. Other Requirements:

A. Prior to rehabilitation/construction, Housing and Neighborhood Development staff will review and approve specifications and cost allocations.

B. The SUBRECIPIENT shall include in all advertising and/or promotion a statement that whole or partial funding of the project is supplied by Polk County Community Development Block Grant Public Facility funds, or wording to that effect.

C. Maintain documentation that ensures eligibility and compliance with a national objective of the CDBG PF program.

D. The Scope of Service may not be changed or modified without prior written approval received by the COUNTY.

E. Provide account numbers and contract numbers on all correspondence, pay requests, and documents pertaining to this project.

F. Although this agreement is in force until all funds are spent and/or the project is otherwise complete, should the SUBRECIPIENT fail to meet the estimated timeline as presented on Appendix E, and fail to provide acceptable cause for this failure, the COUNTY may terminate this agreement at its sole discretion.

IV. SUBRECIPIENT INFORMATION

Address:
City of Auburndale

AFFIDAVIT

Federal Funding Accountability and Transparency Act (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The FFATA Subaward Reporting System (FSRS) is the reporting tool Federal prime awardees (i.e. prime contractors and prime grants recipients) use to capture and report subaward and executive compensation data regarding their first-tier subawards to meet the FFATA reporting requirements. Prime contract awardees will report against sub-contracts awarded and prime grant awardees will report against sub-grants awarded. The sub-award information entered in FSRS will then be displayed on www.USASpending.gov associated with the prime award furthering Federal spending transparency.

The Transparency Act requires information disclosure concerning entities receiving Federal financial assistance through Federal awards such as Federal contracts, sub-contracts, grants, and sub-grants.

Specifically, the Transparency Act's section 2(b)(1) requires the County to provide the following information about each Federal award:

- Name of the entity receiving the award;
- Amount of the award;
- Information on the award including transaction type,
- Location of the entity receiving the award and primary location of performance under the award;
- Unique identifier of the entity receiving the award and the parent entity of the recipient;
- Names and total compensation of the five most highly compensated officers of the entity if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in Federal awards; and $25,000,000 or more in annual gross revenues from Federal awards; and the public does not have access to this information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986.

AFFIDAVIT

I, _____ (print name), hereby swear or affirm that:

I have read and understand the information provided above.

I have personal knowledge of the facts I am attesting to in this affidavit.

(please check one of the following)

____ I attest that _____ (agency name) **does not** meet the above threshold requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

____ I attest that _____ (agency name) **does** meet the above threshold* requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

*If agency meets the above threshold, the agency MUST attach a spreadsheet with the names and total compensation of the five most highly compensated officers of the entity, signed and dated by the one of the following: President; Executive Director; CEO; Board Chairperson; Finance Director; CFO; or Treasurer.

I understand that the submission of a false affidavit is punishable as a second-degree misdemeanor under Florida law.

APPENDIX D

EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY) CERTIFICATION

(Florida Statutes, Section 448.095)

PROJECT NAME: **CITY OF AUBURNDALE for AUBURNDALE STORMWATER GENERATOR/CLEVELAND STREET PARKING LOT PROJECT**

The undersigned, as an authorized officer of the contractor identified below (the "**Contractor**"), having full knowledge of the statements contained herein, hereby certifies to Polk County, a political subdivision of the State of Florida (the "**County**"), by and on behalf of the Contractor in accordance with the requirements of Section 448.095, Florida Statutes, as related to the contract entered into by and between the Contractor and the County on or about the date hereof, whereby the Contractor will provide labor, supplies, or services to the County in exchange for salary, wages, or other remuneration (the "**Contract**"), as follows:

1. Unless otherwise defined herein, terms used in this Certification which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

2. Pursuant to Section 448.095(5), Florida Statutes, the Contractor, and any subcontractor under the Contract, must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor or subcontractor. The Contractor acknowledges and agrees that (i) the County and the Contractor may not enter into the Contract, and the Contractor may not enter into any subcontracts thereunder, unless each party to the Contract, and each party to any subcontracts thereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of the Contract, and the County may treat a failure to comply as a material breach of the Contract.

3. By entering into the Contract, the Contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the Contract. Failure to comply will lead to termination of the Contract, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If the Contract is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If the Contract is terminated for a violation of Section 448.095, Fla. Stat., by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the County as a result of the termination of the Contract. Nothing in this Certification shall be construed to allow intentional discrimination of any class protected by law.

21. Copy of pre-bid meeting minutes and/or sign in sheet (if applicable)
22. Copy of pre-construction meeting minutes and/or sign in sheet (if applicable).
23. List of subcontractors (Company's name, address, trade).
24. Statement of Compliance for contractor and each subcontractor.
25. Weekly payroll from contractor and each subcontractor.

Note: i.e. architect, engineering, appraisers, contractors, vendors

Reimbursement requests will not be processed until all applicable documents are submitted.

SAMPLE MONITORING INSTRUMENT

MONITORING CHECKLIST

The information contained in this Monitoring Checklist/Report is for the purpose of internal quality control. The information does not represent the outcome of an audit by such agencies as HUD, DOT, DOEA, etc. Various state and federal agencies use similar terminology but often with differing definitions. Terms as used in this Checklist/Report are defined as follows:

Finding: **Apparent non-compliance with a regulation, contractual requirement, or policy. (*A Finding will reference the applicable authority [Rule, contract section, policy date or section].*)**
Concern: **Condition that if uncorrected, may develop into a Finding.**
Occurrence: **Isolated incident, requiring correction that occurred in spite of adequate quality controls.**

Polk County

Board of County Commissioners

Agenda Item R.21. 11/7/2023

SUBJECT

Approve Community Development Block Grant (CDBG) subrecipient agreement between Polk County and The City of Bartow. ($216,395.95 one-time expense).

DESCRIPTION

Approve the CDBG subrecipient agreement between Polk County and The City of Bartow. The City of Bartow utilizes the Carver Recreational Center and all amenities to serve several low and moderate income individuals and families in the community and within Polk County. The City Park is commonly used by residents and visitors of all ages and capabilities. The prior restroom which was opened to the public fell into despair and was permanently closed. A new ADA restroom is needed to accommodate residents and be accessible for individuals with disabilities. This project will be an investment to the community and the infrastructure for years to come. CDBG funds will be used for but not limited to the construction of an outdoor ADA restroom at the Carver Recreation Center and a drinking water fountain. The Board of County Commissioners approved this by adoption of the Fiscal Year 2023-2024 Action Plan on July 25, 2023.

The City of Bartow will use CDBG funds for the above activities in an amount not to exceed $216,395.95 (current allocation FY 23/24 $104,632.00, with a carryover from FY 22/23 $109,600.00, and a carryover from FY 21/22 $2,163.95).

RECOMMENDATION

Request Board approve Amendment 4 to the City of Bartow Subrecipient Agreement.

FISCAL IMPACT

Funds are budgeted in the Special Revenue Grant Fund.

SUBRECIPIENT AGREEMENT

BETWEEN POLK COUNTY AND THE CITY OF BARTOW

This agreement is made and entered on this **1st** day of **October 2023,** by and between Polk County, a Political Subdivision of the State of Florida, hereafter referred to as the "COUNTY", and **The City of Bartow**, a Florida municipal corporation, organized and existing under the laws of the State of Florida, hereafter referred to as the "SUBRECIPIENT".

WITNESSETH:

WHEREAS, the COUNTY has been awarded a Community Development Block Grant (CDBG) from the Department of Housing and Urban Development (HUD) which provides for the development, establishment, and administration of projects to benefit low and moderate income families, aid in elimination of slums or blight, or meet an urgent community development need; and

WHEREAS, said grant allows the COUNTY to contract with other governmental agencies and non-profit agencies to administer and implement projects that are eligible for CDBG funding; and

WHEREAS, it is in the best interest of the COUNTY to enter into a special agreement with the SUBRECIPIENT for the administration of a portion of said grant; and

WHEREAS, the COUNTY wishes to engage the services of the SUBRECIPIENT to administer and implement a portion of the Community Development Block Grant for a Housing and Neighborhood Development ("HND") project described as **Outdoor ADA Restroom at Carver Recreation Center project,** and

WHEREAS, the SUBRECIPIENT has agreed to the above activity in an amount not to exceed **$216,395.95 (current allocation FY 23/24 $104,632.00, with a carryover from FY 22/23 $109,600.00, and a carryover from FY 21/22 $2,163.95)** and;

WHEREAS, the COUNTY has initially determined that the proposed activity will benefit low and moderate income persons; and

WHEREAS, this agreement is contingent upon the award of Community Development Block Grant Public Facilities funds from the U.S. Department of Housing and Urban Development and the **Catalogue of Federal Domestic Assistance (CFDA) number is 14.218 Entitlement Grant**;

NOW THEREFORE in consideration of the mutual promises and covenants, the parties agree as follows:

ARTICLE I - PROJECT DESCRIPTION

1.1 The SUBRECIPIENT agrees to implement this activity as described in detail in Appendix **A**, Scope of Services.

ARTICLE II - DISBURSEMENTS

2.1 The COUNTY agrees to reimburse the SUBRECIPIENT a maximum amount not to exceed **$216,395.95 (current allocation FY 23/24 $104,632.00, with a carryover from FY 22/23 $109,600.00, and a carryover from FY 21/22 $2,163.95)** from Community Development Block Grant (CDBG) funds, as outlined in Appendix **B**, Budget.

ARTICLE III - REPORTING

3.1 The SUBRECIPIENT shall provide the COUNTY with a monthly report of all activities including a narrative summary of progress and financial statement on expenditures during the report period. Reports may be submitted on the monthly report form attached to this agreement, Appendix **E,** or other format containing the same information as found in Appendix **E**. Reports are due on or no later than the tenth working day of each month, unless on an otherwise agreed upon schedule, and shall begin on the effective date of this agreement and continue until all information concerning the project has been received by the COUNTY for close-out.

3.2 Monthly reports not submitted may result in payments to the SUBRECIPIENT being withheld or denied. Failure to submit appropriate monthly reports may result in termination of this agreement.

3.3 The SUBRECIPIENT shall provide the Polk County Housing and Neighborhood Development office with additional program information as needed.

3.4 The SUBRECIPIENT shall submit complete financial accounting of the project to the COUNTY within thirty (30) calendar days of the COUNTY's final payment to the SUBRECIPIENT.

ARTICLE IV - AGREEMENT PERIOD AND TERMINATION

4.1 This agreement shall take effect on **October 1, 2023 ,** and shall terminate on **September 30, 2024,** unless canceled sooner.

4.2 SUSPENSION AND TERMINATION FOR CONVENIENCE:

A. If the SUBRECIPIENT should materially fail to comply with any term of the award, suspension or termination may occur in accordance with 2 CFR 200.213 Suspension and Debarment. In the event that funds should fail to be or cease to be provided to the County then the County may terminate this agreement immediately.

B. Remedies for noncompliance: If the SUBRECIPIENT materially fails to comply with any term of an award whether stated in a federal statute or regulation, an assurance, in a state plan or application a notice of award or elsewhere, the COUNTY may take one (1) or more of the following actions as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the SUBRECIPIENT or more severe enforcement action by the COUNTY.

2. Disallow (that is to deny both use of funds and matching credit) for all or part of the cost of the activity or action not in compliance.

3. Wholly or partly suspend or terminate the current award for the SUBRECIPIENT's program.

4. Withhold further awards for the program.

5. Take other remedies that may be legally available.

C. Hearings Appeals: In taking an enforcement action the COUNTY will provide the SUBRECIPIENT an opportunity for such hearing appeal or other administrative proceeding to which the COUNTY or SUBRECIPIENT is entitled to under any statute or regulation applicable to the action involved.

D. Efforts of Suspension and Termination: Costs resulting from obligations incurred by the SUBRECIPIENT clearing a suspension after termination of an award are not allowable unless the COUNTY expressly authorizes them in the nature of suspension or termination or subsequently. Other SUBRECIPIENT costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

1. The costs result from obligations which were properly incurred by the SUBRECIPIENT before the effective date of suspension or termination are not in anticipation of it and in case of termination are noncancellable; and

2. The costs would be allowable if the award was not suspended or expired normally at the end of the funding period in which the termination takes effect.

E. Relationship to Debarment and Suspension: The enforcement remedies identified in this section including suspension and termination do not preclude the grantee or subgrantee from being subject to "Debarment and Suspension" under Executive Order 12549 2 CFR 200.338 and 2 CFR 180.

F. Termination for Convenience: Except as provided above awards may be terminated in whole or in part only as follows:

1. By the COUNTY with the consent of the SUBRECIPIENT in which case the two parties shall agree upon the termination condition including the effective date and in case of partial termination the portion to be terminated; or

2. By the SUBRECIPIENT upon written notification to the COUNTY setting forth the reasons for such termination, the effective date, and in case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the COUNTY determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the COUNTY may terminate the award in its entirety.

4.3 The COUNTY may issue a stop order to SUBRECIPIENT which will halt all work on the project in the event that the work is not being done according to federal guidelines and regulations, the assurances contained herein, or the provisions of this agreement.

4.4 The SUBRECIPIENT may not terminate its obligations under Paragraph 12.10 (Program Income) and may not terminate an Assignment of Proceeds and Grant of Lien without written consent of the COUNTY.

4.5 The COUNTY reserves the right to terminate this contract upon written notification to the SUBRECIPIENT under any of the following conditions:

a. Notification by HUD to the COUNTY that said project is ineligible because of project location, services provided, or any other reason cited by HUD;

b. Notification by HUD to the COUNTY that said project is deficient and that continued support of the project is not providing an adequate level of services to low income and minority people; or

c. Written notification from HUD to the COUNTY that the program funds made available to the COUNTY are being curtailed, withdrawn, or otherwise restricted.

4.6 The COUNTY reserves the right to terminate this contract or to reduce the contract compensation amount if the SUBRECIPIENT:

a. Fails to file required reports or to meet project progress or completion deadlines;

b. Materially fails to comply with any provision of this Agreement (which may result in suspension or termination in accordance with 2 CFR 200.339);

c. Expends funds under this agreement for ineligible activities, services or items;

d. Implements the project prior to notification from the COUNTY that the federal environmental review process has been completed;

e. Violates labor standards requirements; or

f. Fails to comply with written notice from the COUNTY of substandard performance under the terms of this agreement.

4.7 The Subrecipient's obligation to the COUNTY shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the COUNTY), and determining the custodianship of records. Not withstanding the foregoing, the terms of this agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

ARTICLE V - INDEMNIFICATION

5.1 The SUBRECIPIENT shall indemnify, defend (by counsel reasonably acceptable to COUNTY), protect and hold harmless the COUNTY from and against any and all claims, demands, actions, causes of action, suits, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including, without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals therefrom) arising out of or resulting from services provided by the SUBRECIPIENT, anyone directly or indirectly employed by the SUBRECIPIENT, or anyone for whose acts any of them may be liable, whether pursuant to this agreement or otherwise, and from all such parties negligent acts and omissions and intentional tortious acts. The SUBRECIPIENT acknowledges it is an independent contractor of the COUNTY and not an agent or employee thereof.

ARTICLE VI - PROCEDURES FOR INVOICING AND PAYMENT

6.1 SUBRECIPIENT shall invoice the COUNTY on the following basis:

SUBRECIPIENT shall provide the COUNTY with an executed original of any documents or subcontracts authorizing the work to be done on the project(s).

(1) If applicable, a request to subcontract work or services hereunder shall be submitted in writing and shall be subject to each provision of this agreement and any contract shall be in accordance with county, state, federal guidelines, and regulations. A list of all subcontractors shall be provided to the Housing and Neighborhood Development office. This in no way relieves the SUBRECIPIENT from any other requirements of this agreement. Reimbursement requests shall include certification such as the certification shown in Appendix B, Page 3, in the absence of canceled checks for verification.

(2) None of the work or services, including but not limited to, consultant services covered by this agreement, shall be subcontracted or reimbursed without the prior written notice to COUNTY.

(3) All purchasing for consumable, capital equipment, and services shall be made by

purchase order or by a written contract in conformity and in full compliance with the procedures prescribed by 2 CFR 200.317 – 200.326.

a. The SUBRECIPIENT shall provide the COUNTY with project budget information.

b. The COUNTY agrees to make payment and reimburse all budgeted costs available under federal, state, and county guidelines.

c. Requests by the SUBRECIPIENT for payment shall be accompanied by proper documentation and shall be submitted to the COUNTY for approval no later than thirty (30) days after the last date covered by the request.

d. As applicable, the COUNTY will comply with Part VII, chapter 218, F.S., the Florida Prompt Payment Act, or s. 215.422, F.S., warrants, vouchers and invoices, when preparing reimbursement on accepted invoices.

e. For purposes of this section, copies of invoices, receipts, or other evidence of indebtedness shall be considered proper documentation. Invoices shall not be honored if received by COUNTY later than thirty (30) days after expiration date of this agreement.

f. The COUNTY may withhold payment of reimbursement requests if monthly reports are not current.

6.2 Upon receiving the invoices, reports and other materials, the COUNTY shall audit such bid awards, contracts, reports and invoices to determine whether the items invoiced have been completed and that the invoiced items are proper for payment.

6.3 Upon determination by the COUNTY that the services or material invoiced have been received or completed, the COUNTY shall authorize payment to the SUBRECIPIENT in the amount it determines pursuant to the audit to be payable.

ARTICLE VII - IMPLEMENTATION AND TIMETABLE

7.1 The parties expressly ratify the activities relating to this agreement and adopt the terms and conditions of this agreement for all such activities beginning **October 1, 2023.** The SUBRECIPIENT herein attests and certifies to the COUNTY that, regardless of the effective date of this Agreement, the SUBRECIPIENT will obtain all insurance coverage and limits as set forth by this Agreement to begin no later than **October 1, 2023**.

7.2 SUBRECIPIENT agrees to implement project(s) and comply with the Scope of Services set forth in Appendix **A** and Estimated Timeline set forth in Appendix **E**.

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE VIII - OTHER PROVISIONS

8.1 Equal Employment Opportunity

The following provisions "a" and "b" are applicable to all contracts and subcontracts; provisions "c" through "g" are applicable to all nonexempt construction contracts and subcontracts which exceed $10,000;

During the performance of this contract, the SUBRECIPIENT agrees as follows:

a. The SUBRECIPIENT shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law. The SUBRECIPIENT shall take affirmative action to ensure that applicants who are employed are treated during employment without regard to their race, color, creed, religion, sex, age, handicap, disability, ancestry, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The SUBRECIPIENT agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. The SUBRECIPIENT will, in all solicitations or advertisements for employees placed by or on behalf of the SUBRECIPIENT, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, or any other basis prohibited by applicable law.

c. The SUBRECIPIENT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers representatives of the SUBRECIPIENT commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The SUBRECIPIENT will comply with all provisions of Executive Order 11246, Equal Employment Opportunity, of September 24, 1965, as amended by Executive Orders 11375 and 12086, copies of which are on file and available at the COUNTY, and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. The SUBRECIPIENT will furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by HUD and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the SUBRECIPIENT's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the SUBRECIPIENT may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, as amended, or as otherwise provided by law.

g. The SUBRECIPIENT will include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor, issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor. The SUBRECIPIENT will take such action with respect to any subcontract or purchase order as HUD may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a SUBRECIPIENT becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by HUD, the SUBRECIPIENT may request the United States to enter into such litigation to protect the interests of the United States.

8.2 Equal Opportunity in Participation

Under the terms of Section 109 of the Housing and Community Development Act of 1974 and in conformance with COUNTY policy and all requirements imposed by or pursuant to the Regulations of HUD (24 CFR Part 570.601 and 570.602) issued pursuant to Section 109, no person in the United States shall on the ground of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with Community Development Block Grant program funds.

Specific (not exclusive) Discrimination Actions Prohibited:

The SUBRECIPIENT may not directly or through contractual or other arrangements, on the ground of race, color, creed, religion, ancestry, national origin, marital status, familial status, age, handicap, disability, sex or any other basis prohibited by applicable law:

a. Deny any facilities, services, financial aid, or other benefits provided under the program or activity.

b. Provide any facilities, services, financial aid, or other benefits which are different, or are provided in a different form from that provided to others under the program or activity.

c. Subject segregated or separate treatment in any facility, or in any matter or process related to receipt of any service or benefit under the program or activity.

d. Restrict in any way access to, or the enjoyment of any advantage or privilege enjoyed by others in connection with facilities, services, financial aid or other benefits under the program or activity.

e. Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which the individual must meet in order to be provided any facilities, services, or other benefit provided under the program or activity.

f. Deny any person with the legal right to work an opportunity to participate in a program or activity as an employee.

8.3 Business and Employment Opportunities for Lower Income Residents, Women-Owned Business Enterprises, and Minority-Owned Business Enterprises.

The SUBRECIPIENT will conform with the rules and regulations set forth under Section 3 of the Housing and Urban Development Act of 1968, (12 USC 1701u), as amended, and the HUD regulations

issued pursuant thereto at 24 CFR Part 135. This Act requires that, to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area, and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by, persons residing in the area of the project. In all solicitations for bids, the contractor must, before signing the contract, provide a preliminary statement of the work force needs and plans for possible training and employment of lower income persons. When a SUBRECIPIENT utilizes the bidding procedure to let a bid, the invitation or solicitation for bids shall advise prospective contractors of the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, and the clause shall be inserted as a component part of any contract or subcontract.

If a SUBRECIPIENT solicits or requests an invitation for bids, every effort feasible will be made to contact minority-owned and women-owned business enterprises for a response to the solicitation or invitation for bidders.

8.4 Nondiscrimination in Federally-Assisted Programs.

The SUBRECIPIENT will comply with Title VI of the Civil Rights Act of 1964 (PL 88-352, 42 USC 2000d et seq.) and the Fair Housing Act (42 USC 3601-20). In accordance with COUNTY policy and Title VI of the Civil Rights Act of 1964 (PL 88-352), in the sale, lease or other transfer of land acquired, leased or improved with assistance provided under this agreement, the deed or lease for such transfer shall contain a covenant prohibiting discrimination upon the basis of race, color, creed, religion, sex, handicap, disability, ancestry, national origin, marital status, or familial status, in the sale, lease or rental, or in the use or occupancy of such land or any improvements erected or to be erected thereon. The SUBRECIPIENT will comply with Title VIII of the Civil Rights Act of 1968 (PL 90-284) as amended and will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing.

8.5 Labor Standards.

Except with respect to the rehabilitation of residential property designed for residential use for less than eight households, the SUBRECIPIENT and all subcontractors engaged in contracts in excess of $2,000 for the construction, completion, rehabilitation, or repair of any building or work financed in whole or in part with assistance provided under this agreement are subject to the federal labor standards provisions which govern the payment of wages and the ratio of apprentices and trainees to journey workers. Under the terms of the Davis-Bacon Act, as amended, the SUBRECIPIENT is required to pay all laborers and mechanics employed on construction work wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor, and shall pay overtime compensation in accordance with and subject to the provisions of the Contract Work Hours and Safety Standards Act (40 USC 327-332), and the SUBRECIPIENT shall comply with all regulations issued pursuant these Acts and with other applicable federal laws and regulations pertaining to labor standards, including the Copeland Anti-Kickback Act. Provided, that if wage rates higher than those required under the regulations are imposed by State or local laws, nothing hereunder is intended to relieve the SUBRECIPIENT of its obligation, if any, to require payment of the higher rates.

8.6 Flood Disaster Protection.

This agreement is subject to the requirements of the Flood Disaster Protection Act of 1973 (PL 93-234). Use of any assistance provided under this agreement for acquisition or construction in an area identified as having special flood hazards shall be subject to the mandatory purchase of flood insurance in accordance with the requirements of Section 102(a) of said Act.

8.7 Clean Air Act and Federal Water Pollution Control Act (Applicable to Contracts and Subcontracts Which Exceed $100,000).

The SUBRECIPIENT shall comply with and require each subcontractor to comply with all applicable

standards of the Clean Air Act of 1970 (42 USC 1857 et seq.), as amended, the Clean Air Act of 1990, the Federal Water Pollution Control Act (33 USC 1251 et seq.), as amended, and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended from time to time.

8.8 Provision of the Hatch Act.

Neither the SUBRECIPIENT's program nor the funds provided therefore, nor the personnel employed in the administration of the program shall be in any way or to any extent engaged in the conduct of political activities in contravention of Chapter 15 of Title 5, United States Code.

8.9 Lead-Based Paint.

Any grants or loans made by the SUBRECIPIENT for the rehabilitation of residential structures with assistance provided under this agreement shall be made subject to the provisions for the elimination of lead-based paint hazards under 24 CFR Part 35. SUBRECIPIENT will comply with the requirements of 24 CFR 570.608 for notification, inspection, testing, and abatement procedures concerning lead-based paint. Such regulations require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly noticed that such properties may contain lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment, and precautions that should be taken when dealing with lead-based paint poisoning.

8.10 Special Assessments.

SUBRECIPIENT will not attempt to recover any capital costs of public improvements assisted in whole or in part with funds provided under Section 106 of the Act or with amounts resulting from a guarantee under Section 108 of the Act by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements, unless: (1) funds received under Section 106 of the Act are used to pay the proportion of such fee or assessment that relates to the capital costs of such public improvements that are financed from revenue sources other than under Title 1 of the Act; or (2) for purposes of assessing any amount against properties owned and occupied by persons of moderate income, the grantee certifies to the Secretary of HUD that it lacks sufficient funds received under Section 106 of the Act to comply with the requirements of subparagraph (1).

8.11 Acquisition, Rehabilitation, and Demolition of Real Property and Displacement of Persons and Businesses

SUBRECIPIENT will comply with the "POLK COUNTY RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE PLAN UNDER SECTION 104 (d) OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974, AS AMENDED." SUBRECIPIENT will conduct any acquisition, rehabilitation, or demolition of real property, and any negotiations for acquisition, rehabilitation or demolition of real property in compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. Unless specifically permitted in Appendix A or Appendix B, SUBRECIPIENT will not cause either temporary or permanent involuntary displacement of any person or business as a result of Community Development Block Grant activities. The SUBRECIPIENT shall provide all notices, advisory assistance, relocation benefits, and replacement dwelling units as required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. SUBRECIPIENT hereby agrees to defend, to pay, and to indemnify the COUNTY from and against, any and all claims and liabilities for relocation benefits or the provision of replacement dwelling units required by federal statutes and regulations in connection with activities undertaken pursuant to this agreement.

8.12 Lobbying Restrictions

SUBRECIPIENT certifies that, to the best of its knowledge and belief:

No federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement;

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and It will require that the language of this Paragraph 8.12 be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, United States Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

8.13 Provisions Required by Law Deemed Inserted.

Each and every provision of law and clause required by law to be inserted in this contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the contract shall forthwith be physically amended to make such insertion or correction.

8.14 SAM Registration and FFATA Compliance

The SUBRECIPIENT shall maintain a current registration in the federal System for Award Management ("SAM") database (http://www.sam.gov) pursuant to the Federal Funding Accountability and Transparency Act (FFATA), P.L. 109-282, as amended by section 6202(a) of P.L. 110-252 and the regulations implementing the Act at 2 CFR part 25 and 2 CFR part 170. If Subrecipient is not currently registered, it must do so within ten (10) days of the date Subrecipient executes this Agreement. A Unique Entity Identification (UEI) Number (https://sam.gov/content/home) is required for registration. Subrecipient must also comply with FFATA, which includes requirements on executive compensation, and implementing regulations in 2 CFR part 170, which includes requirements on reporting subaward and executive compensation information. Subrecipient shall complete and sign the Affidavit attached hereto as Appendix "C" in conjunction with its execution of this Agreement and provide any supporting documentation, if required

8.15 Violence Against Women Act (VAWA)

If applicable to this project, the SUBRECIPIENT shall comply with the Violence Against Women Act ("VAWA") as it has been most recently authorized. VAWA protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated

from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation. On March 15, 2022, President Biden signed into law the Violence Against Women Act Reauthorization Act of 2022 (VAWA 2022), which enhances housing protections for survivors applying for and living in units assisted by HUD programs. VAWA 2022 protects an individual's right to call emergency services and report crime from their homes. The protections also ensure that individuals do not have to fear retaliation from their housing provider for exercising their rights under VAWA or assisting others in doing so, including filing VAWA complaints. For more information about the rights and responsibilities under VAWA, please visit https://www.hud.gov/vawa.

8.16 Build America Buy America (BABA)

If applicable to this project, SUBRECIPEINT shall comply with the requirements of the Build America, Buy America Act, Pub. L. No. 117-58, §§ 70901-52.

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE IX - NOTICES

9.1 SUBRECIPIENT and COUNTY agree that all notices required by this agreement shall be in writing and delivered by U.S. Mail, by messenger or personally delivered to the office of the duly authorized representative of the SUBRECIPIENT or COUNTY as specified herein.

COUNTY:
Jennifer Cooper, Manager
Housing and Neighborhood Development
P.O. 9005, Drawer HS04
Bartow, FL 33830

SUBRECIPIENT:
Michael Herr, City Manager
City of Bartow
450 N Wilson Avenue
Bartow, FL 33830

ARTICLE X - MODIFICATION

10.1 Any program modification requested by SUBRECIPIENT must be requested at least ninety (90) days prior to the end of the term of this agreement. No modification to this agreement shall be binding on either party unless in writing and signed by both parties.

10.2 In the event that the Board of County Commissioners approves any modification, amendment, or alteration to the funding allocation, the SUBRECIPIENT shall be notified in writing and such notification shall constitute an official amendment.

10.3 The COUNTY may, at its discretion and upon provision of proper notice to the SUBRECIPIENT, amend this agreement to conform to changes in federal, state, and/or county guidelines, regulations, directives, and objectives. Such amendments shall be incorporated by written amendment as a part of this agreement.

ARTICLE XI - ASSURANCES

11.1 SUBRECIPIENT agrees to comply with the provisions of Section 202, Executive Order 11246 and with the guidelines for applicants on equal opportunity obligations for Community Development Block Grants in regard to construction contracts.

11.2 SUBRECIPIENT agrees that it will comply with the following assurances:

a. The SUBRECIPIENT agrees to comply with all applicable federal, state, and county laws, ordinances, codes and regulations. Any conflict or inconsistency between the above federal, state or county guidelines and regulations and this agreement shall be resolved in favor of the more restrictive regulations.

b. In accordance with Title VI of the Civil Rights Act of 1964 (P.L. 88-352), no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the SUBRECIPIENT receives federal financial assistance.

c. In accordance with 24 CFR 570.505, property acquired or improved in whole or in part using CDBG funds in excess of $25,000.00 must be used as intended from the date CDBG funds are first spent until five (5) years after the closeout of the COUNTY participation in the CDBG program. Any transfer of the property or structure shall also be bound.

d. If applicable, SUBRECIPIEINT shall inform affected persons of the benefits, policies, and procedures provided for under HUD regulations.

e. SUBRECIPIENT shall establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties. Should such possible conflicts, real or apparent, arise, the SUBRECIPIENT shall disclose such situations to the COUNTY and the County Attorney's Office for review.

f. The SUBRECIPIENT agrees further that it shall be bound by the standard terms and conditions used in the grant agreement between HUD and COUNTY and such other rules, regulations or requirements as HUD may reasonably impose in addition to the aforementioned assurances at or subsequent to the execution of this agreement by the parties hereto.

g. In accordance with the Drug Free Workplace Act of 1988, the SUBRECIPIENT certifies that it has a policy designed to ensure that the SUBRECIPIENT's workplace is free from the illegal use, possession, or distribution of drugs or alcohol.

h. In compliance with Paragraph (2)(a) of Section 287.133, Florida Statutes, a "person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

i. This contract may be terminated at the option of the COUNTY if SUBRECIPIENT is found to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

ARTICLE XII - FINANCIAL RESPONSIBILITY

Subrecipients and subcontractors must comply with all applicable federal regulations governing the use of CDBG funds in addition to Office of Management and Budget (OMB) Circular 2 CFR Part 200. The new regulations combined a diverse group of regulations into one Super Circular located at 2 CFR Part 200. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards applies to the CDBG funds as now in effect and as may be amended from time to time.

12.1 SUBRECIPIENT gives the COUNTY, HUD, and the Inspector General, through any authorized representative, access to and the right to examine all records, books, papers, or documents relating to the project.

12.2 SUBRECIPIENT agrees to maintain books, records, and documents in accordance with accounting procedures and practices which sufficiently and properly reflect all expenditures of funds provided under this agreement. In accordance with OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations", all SUBRECIPIENTS who receive $300,000.00 or more in total Federal financial assistance within a year must obtain an independent audit.

12.3 SUBRECIPIENT further agrees to provide for audit purposes (upon request) all files, records and documents pertaining to related activities and clientele demographic data contained in this agreement.

12.4 Any funds expended in violation of this agreement shall be refunded in full from nonfederal resources.

12.5 Funding authorization through a Community Development Block Grant shall be used only for eligible activities specifically outlined in this agreement. In the event material progress is not evidenced nor commenced within the time limitations of this agreement, as determined by the COUNTY, the COUNTY may terminate this contract.

12.6 All funds not expended a result of the aforementioned deficiency of significant material progress or returned as a result of expiration and subsequent termination of the original funding agreement shall be used by the COUNTY at its discretion for reallocation to other eligible CDBG activities.

12.7 Income over and above general maintenance and operating expenses generated as a result of receipt of Community Development Block Grant funds shall be returned to the COUNTY.

12.8 The COUNTY shall have the right to audit and monitor any program income as a result of a Community Development Block Grant activity.

12.9 The Subrecipient shall comply with 2 CFR part 200 Subpart F – Audits. In accordance with 2 CFR §200.510, shall prepare financial statements and a schedule of expenditures of federal awards. The Subrecipient shall provide the County with its annual financial statement within ninety (90) days of the end of its operating year. This financial statement shall be prepared by an actively licensed public accountant.

a) In addition, if expending more than $750,000 of Federal awards during an operating year, the Subrecipient shall comply with the audit provisions contained in 2 CFR 200 subpart F and the Single Audit Act Amendments of 1996 (31 U.S.C. §§7501-7507). Audits shall be conducted annually. The Subrecipient shall submit its annual audit to the County and within one hundred twenty (120) days of the end of the Subrecipient's fiscal year. The Subrecipient must clear any deficiencies noted in the audit reports within 30 days after receipt of any noted deficiencies. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not expended in accordance with the conditions of this Agreement, the Subrecipient shall be held liable for reimbursement to the County of all funds not expended in accordance with those regulations and Agreement provisions within thirty (30) days after the County has notified the Subrecipient of such non-compliance. Any reimbursement by the Subrecipient shall not preclude the County from taking any other action or pursuing other remedies. Failure to comply with these audit requirements constitutes a violation of the Agreement and may result in the withholding of future payments. If the Subrecipient expends less than $750,000 in federal awards during its fiscal year, they are exempt from this requirement, except as noted in 2 CFR §200.503, but records must be available for review or audit by appropriate officials of HUD, the County, or GAO.

12.10 Program income (defined at 24 CFR 570.500) derived from the project, if any, shall revert to the COUNTY for use in the Community Development Block Grant program. If SUBRECIPIENT executes an Assignment of Proceeds and Grant of Lien to the COUNTY specifying the terms of reversion of proceeds from possible future sale of real property, it is incorporated by reference and made a part of this contract.

ARTICLE XIII - EVALUATION AND MONITORING

13.1 The SUBRECIPIENT agrees that the COUNTY may carry out periodic monitoring and evaluation activities as determined necessary by the COUNTY. This agreement is dependent upon satisfactory monitoring and evaluation of activities and other performance measures, including, but not limited to the terms of this agreement, comparisons of planned versus actual progress relating to project scheduling, budget, and output measures. The SUBRECIPIENT agrees to furnish upon request to the COUNTY or its designees and make copies and/or transcriptions of such records and information as is determined necessary by the COUNTY. The SUBRECIPIENT shall submit, upon the request of the COUNTY, information and status reports required by the COUNTY or HUD on forms approved by the COUNTY.

13.2 A sample monitoring instrument attached as Appendix G contains the minimum monitoring measures to be used by the COUNTY. Other measures may also be utilized.

ARTICLE XIV - UNIFORM ADMINISTRATIVE REQUIREMENTS

GOVERNMENTAL AGENCIES

14.0 Applicability of and cross reference to 2 CFR part 200.

(a) Federal awards with State, local and Indian tribal governments are subject to the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards at 2 CFR part 200.

14.1 As applicable Governmental Subrecipients shall comply with 2 cfr Part 200 - "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards":

•Subpart A - Acronyms and Definitions (§§ 200.0 - 200.99)
•Subpart B - General Provisions (§§ 200.100 - 200.113)
•Subpart C - Pre-Federal Award Requirements and Contents of Federal Awards (§§ 200.200 - 200.213)
•Subpart D - Post Federal Award Requirements (§§ 200.300 - 200.345)
•Subpart E - Cost Principles (§§ 200.400 - 200.475)
•Subpart F - Audit Requirements (§§ 200.500 - 200.521)
•Appendix I to Part 200 - Full Text of Notice of Funding Opportunity
•Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards
•Appendix III to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs)
•Appendix IV to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations
•Appendix V to Part 200 - State/Local Government wide Central Service Cost Allocation Plans
•Appendix VI to Part 200 - Public Assistance Cost Allocation Plans
•Appendix VII to Part 200 - States and Local Government and Indian Tribe Indirect Cost Proposals
•Appendix VIII to Part 200 - Nonprofit Organizations Exempted from Subpart E - Cost Principles of Part 200
•Appendix IX to Part 200 - Hospital Cost Principles
•Appendix X to Part 200 - Data Collection Form (Form SF-SAC)
•Appendix XI to Part 200 - Compliance Supplement
•Appendix XII to Part 200 - Award Term and Condition for Recipient Integrity and Performance Matters

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

NON-GOVERNMENTAL AGENCIES

14.2 Non-Governmental Subrecipients shall comply with the requirements and standards of Allowable Costs/Cost Principles 2 cfr part 225/OMB Circular A-87; 2 cfr part 220/OMB Circular A-21; 2 CRF part 230/OMB Circular A-122 and 2 cfr part 215 Procurement.

The requirements for equipment and real property are contained in 2 cfr section 200.313 (equipment), 2 cfr section 200.311 (real property), 48 cfr section 52.245-1 (equipment and real property), program legislation, Federal awarding agency regulations, and the terms and conditions of the Federal award.
Program income is gross income earned by a non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance (unless there is a requirement for disposition of program income after the end of the period of performance as provided in 2 cfr section 200.307(f)).

Program income (2 cfr section 200.80) includes, but is not limited to income from:

- Fees for services performed,
- The use or rental of real or personal property acquired under Federal awards,
- The sale of commodities or items fabricated under Federal awards,
- License fees and royalties on patents and copyrights, except as provided below, and
- Principal and interest on loans made with Federal award funds.

ARTICLE XV - CONFLICT OF INTEREST

15.1 In the procurement of services by the SUBRECIPIENT, the Conflict of Interest provision in Section 200.112 and 2 CFR 215 Procurement shall be adhered to as applicable.

ARTICLE XVI - OTHER FEDERAL REQUIREMENTS

16.1 The SUBRECIPIENT shall carry out each activity in compliance with all applicable Federal laws and regulations as described below:

- Public Law 88.352 - Title VI of the Civil Rights Act of 1964
- Public Law 90.284 - Title VIII of the Civil Rights Act of 1988
- Executive Order 11063 as amended by Executive Order 12259
- Section 109 of the Act
- Labor Standards
- National Flood Insurance Program
- Relocation and Acquisition
- Employment and Contracting Opportunities;
- Executive Order 11246 (41 CFR Chapter 60)
- Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 17010)
- Lead-Based Paint
- Use of Debarred, Suspended or Ineligible Contractors or Subrecipients
- Displacement
- Conditions for Religious Organizations
- Non-Discrimination Base on Handicap
- Section 504 of the Rehabilitation Act of 1973
- Architectural Barriers Act of 1963
- Environmental Protection Agency Regulations.

ARTICLE XVII - GENERAL PROVISIONS

17.1 The SUBRECIPIENT agrees to abide by the provision of Chapter 112.3135, Florida Statutes, pertaining to Nepotism in their performance under this agreement. The SUBRECIPIENT also agrees to abide by Chapter 119, Public Records, of the Florida Statutes, as the same may be amended or restated during the term of this agreement to include without limitation, the following:

a. Compliance. The SUBRECIPIENT acknowledges the County's obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and to comply in the handling of the materials created under this Agreement. The SUBRECIPIENT further acknowledges that the constitutional and statutory provisions control over the terms of this Agreement. In association with its performance pursuant to this Agreement, the SUBRECIPIENT shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all Applicable Laws.

b. Obligations. Without in any manner limiting the generality of the foregoing, to the extent applicable, the SUBRECIPIENT acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:

I. keep and maintain public records required by the COUNTY to perform the services required under this Agreement;

II. upon request from the COUNTY's Custodian of Public Records or his/her designee, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

III. ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the agreement and following completion of its term if the SUBRECIPIENT does not transfer the records to the COUNTY; and

IV. upon completion of the agreement transfer, at no cost, to the COUNTY, all public records in possession of the SUBRECIPIENT or keep and maintain public records required by the COUNTY to perform the service. If the SUBRECIPIENT transfers all public records to the COUNTY upon completion of the agreement the SUBRECIPIENT shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the SUBRECIPIENT keeps and maintains public records upon completion of the agreement, the SUBRECIPIENT shall meet all applicable requirements for retaining public records. Upon receipt of a request from the COUNTY's Custodian of Public Records, all records stored electronically must be provided to the COUNTY in a format that is compatible with the information technology systems of the COUNTY.

c. Contact. IF THE SUBRECIPIENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUBRECIPIENT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:

RECORDS MANAGEMENT LIAISON OFFICER
POLK COUNTY
330 WEST CHURCH ST.
BARTOW, FL 33830
TELEPHONE: (863) 534-7532
EMAIL: RMLO@POLK-COUNTY.NET

17.2 If applicable, SUBRECIPIENT agrees to comply with Section 286.011, F.S., relating to public meetings and records, and chapter 119 F.S., relevant to public records.

17.3 **If applicable**, the SUBRECIPIENT attests that the COUNTY's procurement requirements were adhered to in the procurement of goods and services purchased pursuant to this contract.

17.4 This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein and that the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

17.5 The SUBRECIPIENT shall assure that records regarding project requirements that apply for the duration of the agreement, the written agreement, and inspection and monitoring reports will be retained for a period of five years. The SUBRECIPIENT shall also assure if any litigation, claim, negotiation, audit, or other action has been started before the expiration of the above mentioned five year term, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the five year period, whichever is later.

17.6 The COUNTY and SUBRECIPIENT agree that all activities shall be governed in all respects by the laws of the State of Florida, venue in the courts of Polk County, State of Florida.

17.7 All notices required by this agreement shall be in writing.

17.8 Nothing contained in this agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an “independent contractor” with respect to the services to be performed under this agreement. The COUNTY shall be exempt from payment of all Unemployment Compensation, FICA, Retirement, life and/or medical insurance and Workers’ Compensation Insurance, as the Subrecipient is an independent contractor.

17.9 If any provision of this agreement is held invalid, the remainder of the agreement shall not be affected. Thereby and all other parts of this agreement shall nevertheless be in full force and effect.

17.10 This agreement constitutes the entire agreement between the COUNTY and the Subrecipient for the use of funds received under this agreement, and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written between the COUNTY and the Subrecipient with respect to this agreement.

17.11 The Subrecipient shall comply with the requirements of Florida Statutes, Section 448.095, Employment Eligibility. Prior to entering this Agreement, Subrecipient shall execute and deliver to the County the Employment Eligibility Certification attached as Appendix D to the Agreement.

ARTICLE XVIII - INSURANCE AND BOND

18.1 In accordance with s. 768.28 Florida Statues, the waiver of sovereign immunity in tort actions; recovery limits; limitation on attorney fees; statute of limitations; exclusions; indemnification; risk management programs is applicable to this agreement.

The undersigned person signing as an officer on behalf of the SUBRECIPIENT, a party to this agreement, hereby severally warrants and represents that said person has authority to enter into this agreement on behalf of said SUBRECIPIENT and to bind the same to this agreement, and, further that said SUBRECIPIENT has authority to enter into this agreement and that there are no restrictions or prohibitions contained in any article of incorporation or bylaw against entering into this agreement.

IN WITNESS WHEREOF the parties hereto duly execute this agreement as of the day and year first written above.

SCOPE OF SERVICES
FOR
CITY OF BARTOW
(Outdoor ADA Restroom at Carver Recreation Center Project)
Deadline 9/30/2024

I. The project will be located at 520 S. Idlewood Avenue, Bartow, FL 33830.

The City of Bartow utilizes the Carver Recreational Center and all amenities to serve several low and moderate income individuals and families in the community and within Polk County. The City Park is commonly used by residents and visitors of all ages and capabilities. The prior restroom which was opened to the public fell into despair and was permanently closed. A new ADA restroom is needed to accommodate residents and be accessible for individuals with disabilities. This project will be an investment to the community and the infrastructure for years to come.

CDBG funds will be used for but not limited to the construction of an outdoor ADA restroom at the Carver Recreation Center and a drinking water fountain.

The City of Bartow will used CDBG funds for the above activities in an amount not to exceed **$216,395.95 (current allocation FY 23/24 $104,632.00, with a carryover from FY 22/23 $109,600.00, and a carryover from FY 21/22 $2,163.95).**

II. Each invoice submitted for reimbursement must be accompanied with proper documentation as set forth in Appendix F. Failure to provide sufficient documentation will delay the processing of the request until such information is received.

The Davis-Bacon Act and Section 3 requirements will be enforced if applicable.

The Subrecipient will follow their procurement procedures providing copies of quotes or bids and forward to Housing and Neighborhood Development.

III. PERFORMANCE MEASURES

Outcome/Objective Specific Annual Objectives		Sources of Funds	Performance Indicators	Year	Expected Clients Served
	In FY 2023-2024, the CDBG program will allocate **$216,395.95 (current allocation FY 23/24 $104,632.00, with a carryover from FY 22/23 $109,600.00, and a carryover from FY 21/22 $2,163.95)** to the City of Bartow. The City will use CDBG funds for the construction of an ADA restroom and a drinking water fountain.	**CDBG Municipalities**	Very-Low, Mod-Low clients with assistance through financial classes, finding sustainable employment, housing, or basic needs.	23-24	4515

SCOPE OF SERVICES CONTINUED

III. Other Requirements:

A. Prior to rehabilitation/construction, Housing and Neighborhood Development staff will review and approve specifications and cost allocations.

B. The SUBRECIPIENT shall include in all advertising and/or promotion a statement that whole or partial funding of the project is supplied by Polk County Community Development Block Grant Public Facility funds, or wording to that effect.

C. Maintain documentation that ensures eligibility and compliance with a national objective of the CDBG PF program.

D. The Scope of Service may not be changed or modified without prior written approval received by the COUNTY.

E. Provide account numbers and contract numbers on all correspondence, pay requests, and documents pertaining to this project.

F. Although this agreement is in force until all funds are spent and/or the project is otherwise complete, should the SUBRECIPIENT fail to meet the estimated timeline as presented on Appendix E, and fail to provide acceptable cause for this failure, the COUNTY may terminate this agreement at its sole discretion.

IV. SUBRECIPIENT INFORMATION

Address:
City of Bartow
450 N. Wilson Avenue
Bartow, FL 33830

Contact Person:
Name: Jason Hargrove
Title: Bartow Parks, Recreation & Cultural Arts Manager
Phone: ((863) 534-0100
Email: jhargrove@cityofbartow.net

V. RECIPIENT INFORMATION

Address:
Housing and Neighborhood Development
P.O. Box 9005
Drawer HS04
Bartow, FL 33831-9005

Contact Person:
Name: Kelly Carter
Title: Community Development Supervisor

AFFIDAVIT

Federal Funding Accountability and Transparency Act (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The FFATA Subaward Reporting System (FSRS) is the reporting tool Federal prime awardees (i.e. prime contractors and prime grants recipients) use to capture and report subaward and executive compensation data regarding their first-tier subawards to meet the FFATA reporting requirements. Prime contract awardees will report against sub-contracts awarded and prime grant awardees will report against sub-grants awarded. The sub-award information entered in FSRS will then be displayed on www.USASpending.gov associated with the prime award furthering Federal spending transparency.

The Transparency Act requires information disclosure concerning entities receiving Federal financial assistance through Federal awards such as Federal contracts, sub-contracts, grants, and sub-grants.

Specifically, the Transparency Act's section 2(b)(1) requires the County to provide the following information about each Federal award:

- Name of the entity receiving the award;
- Amount of the award;
- Information on the award including transaction type,
- Location of the entity receiving the award and primary location of performance under the award;
- Unique identifier of the entity receiving the award and the parent entity of the recipient;
- Names and total compensation of the five most highly compensated officers of the entity if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in Federal awards; and $25,000,000 or more in annual gross revenues from Federal awards; and the public does not have access to this information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986.

AFFIDAVIT

I, _____ (print name), hereby swear or affirm that:

I have read and understand the information provided above.

I have personal knowledge of the facts I am attesting to in this affidavit.

(*please check one of the following)*

____ I attest that _____ (agency name) **does not** meet the above threshold requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

____ I attest that _____ (agency name) **does** meet the above threshold* requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

*If agency meets the above threshold, the agency MUST attach a spreadsheet with the names and total compensation of the five most highly compensated officers of the entity, signed and dated by the one of the following: President; Executive Director; CEO; Board Chairperson; Finance Director; CFO; or Treasurer.

I understand that the submission of a false affidavit is punishable as a second-degree misdemeanor under Florida law.

EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY) CERTIFICATION
(Florida Statutes, Section 448.095)

PROJECT NAME: **THE CITY OF BARTOW for OUTDOOR ADA RESTROOM AT CARVER RECREATION CENTER**

The undersigned, as an authorized officer of the contractor identified below (the "Contractor"), having full knowledge of the statements contained herein, hereby certifies to Polk County, a political subdivision of the State of Florida (the "County"), by and on behalf of the Contractor in accordance with the requirements of Section 448.095, Florida Statutes, as related to the contract entered into by and between the Contractor and the County on or about the date hereof, whereby the Contractor will provide labor, supplies, or services to the County in exchange for salary, wages, or other remuneration (the "Contract"), as follows:

1. Unless otherwise defined herein, terms used in this Certification which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

2. Pursuant to Section 448.095(5), Florida Statutes, the Contractor, and any subcontractor under the Contract, must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor or subcontractor. The Contractor acknowledges and agrees that (i) the County and the Contractor may not enter into the Contract, and the Contractor may not enter into any subcontracts thereunder, unless each party to the Contract, and each party to any subcontracts thereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of the Contract, and the County may treat a failure to comply as a material breach of the Contract.

3. By entering into the Contract, the Contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the Contract. Failure to comply will lead to termination of the Contract, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If the Contract is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If the Contract is terminated for a violation of Section 448.095, Fla. Stat., by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the County as a result of the termination of the Contract. Nothing in this Certification shall be construed to allow intentional discrimination of any class protected by law.

MONITORING CHECKLIST

The information contained in this Monitoring Checklist/Report is for the purpose of internal quality control. The information does not represent the outcome of an audit by such agencies as HUD, DOT, DOEA, etc. Various state and federal agencies use similar terminology but often with differing definitions. Terms as used in this Checklist/Report are defined as follows:

Finding: **Apparent non-compliance with a regulation, contractual requirement, or policy. (*A Finding will reference the applicable authority [Rule, contract section, policy date or section].)***
Concern: **Condition that if uncorrected, may develop into a Finding.**
Occurrence: **Isolated incident, requiring correction that occurred in spite of adequate quality controls.**

Agenda Item R.22. 11/7/2023

SUBJECT

Approve Community Development Block Grant (CDBG) subrecipient agreement between Polk County and Gospel, Inc. ($200,000 one-time expense).

DESCRIPTION

Approve the CDBG subrecipient agreement between Polk County and Gospel, Inc. for Gospel Village renovations. Gospel Village is central to downtown Lakeland and is within walking distance to other major homeless service providers such as Talbot House Ministries and Lighthouse Ministries. Polk Works and Lakeland Regional Medical Center is also within walking distance from the facility which provides employment opportunities and medical services. The structures on this property are used as emergency shelter units and as transition to permanent housing for those who were homeless and low income. Gospel Inc has approximately 17 units which needs renovating at Gospel Village. CDBG funds will be used for but not limited to replacing wiring, plumbing, flooring, wall repairs, roofing and installing a new bathroom and kitchen. This project was approved by the Board of County Commissioners by adoption of the Fiscal Year 2023- 2024 Action Plan on July 25, 2023.

RECOMMENDATION

Request Board approve this CDBG subrecipient agreement.

FISCAL IMPACT

Funds are budgeted in the Special Revenue Grant Fund.

SUBRECIPIENT AGREEMENT

BETWEEN POLK COUNTY AND GOSPEL, INC.

This agreement is made and entered on this **1st** day of **October 2023,** by and between Polk County, a Political Subdivision of the State of Florida, hereafter referred to as the "COUNTY", and **Gospel, Inc.**, hereafter referred to as the "SUBRECIPIENT".

WITNESSETH:

WHEREAS, the COUNTY has been awarded a Community Development Block Grant (CDBG) from the Department of Housing and Urban Development (HUD) which provides for the development, establishment, and administration of projects to benefit low and moderate income families, aid in elimination of slums or blight, or meet an urgent community development need; and

WHEREAS, said grant allows the COUNTY to contract with other governmental agencies and non-profit agencies to administer and implement projects that are eligible for CDBG funding; and

WHEREAS, it is in the best interest of the COUNTY to enter into a special agreement with the SUBRECIPIENT for the administration of a portion of said grant; and

WHEREAS, the COUNTY wishes to engage the services of the SUBRECIPIENT to administer and implement a portion of the Community Development Block Grant for a Housing and Neighborhood Development ("HND") project described as **Public Facilities Improvement – Gospel Village Renovations,** and

WHEREAS, the SUBRECIPIENT has agreed to the above activity in an amount not to exceed **$200,000.00** and

WHEREAS, the COUNTY has initially determined that the proposed activity will benefit low and moderate income persons; and

WHEREAS, this agreement is contingent upon the award of Community Development Block Grant Public Facilities funds from the U.S. Department of Housing and Urban Development and the **Catalogue of Federal Domestic Assistance (CFDA) number is 14.218 Entitlement Grant**;

NOW THEREFORE in consideration of the mutual promises and covenants, the parties agree as follows:

ARTICLE I - PROJECT DESCRIPTION

1.1 The SUBRECIPIENT agrees to implement this activity as described in detail in Appendix **A**, Scope of Services.

ARTICLE II - DISBURSEMENTS

2.1 The COUNTY agrees to reimburse the SUBRECIPIENT a maximum amount not to exceed **$200,000.00** from Community Development Block Grant (CDBG) Public Facilities fund, as outlined in Appendix **B**, Budget.

ARTICLE III - REPORTING

3.1 The SUBRECIPIENT shall provide the COUNTY with a monthly report of all activities including a narrative summary of progress and financial statement on expenditures during the report period. Reports may be submitted on the monthly report form attached to this agreement, Appendix **E,** or other format containing the same information as found in Appendix **E**. Reports are due on or no later than the tenth working day of each month, unless on an otherwise agreed upon schedule, and shall begin on the effective date of this agreement and continue until all information concerning the project has been received by the COUNTY for close-out.

3.2 Monthly reports not submitted may result in payments to the SUBRECIPIENT being withheld or denied. Failure to submit appropriate monthly reports may result in termination of this agreement.

3.3 The SUBRECIPIENT shall provide the Polk County Housing and Neighborhood Development office with additional program information as needed.

3.4 The SUBRECIPIENT shall submit complete financial accounting of the project to the COUNTY within thirty (30) calendar days of the COUNTY's final payment to the SUBRECIPIENT.

ARTICLE IV - AGREEMENT PERIOD AND TERMINATION

4.1 This agreement shall take effect on **October 1, 2023** , and shall terminate on **September 30, 2024,** unless canceled sooner.

4.2 SUSPENSION AND TERMINATION FOR CONVENIENCE:

A. If the SUBRECIPIENT should materially fail to comply with any term of the award, suspension or termination may occur in accordance with 2 CFR 200.213 Suspension and Debarment. In the event that funds should fail to be or cease to be provided to the County then the County may terminate this agreement immediately.

B. Remedies for noncompliance: If the SUBRECIPIENT materially fails to comply with any term of an award whether stated in a federal statute or regulation, an assurance, in a state plan or application a notice of award or elsewhere, the COUNTY may take one (1) or more of the following actions as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the SUBRECIPIENT or more severe enforcement action by the COUNTY.

2. Disallow (that is to deny both use of funds and matching credit) for all or part of the cost of the activity or action not in compliance.

3. Wholly or partly suspend or terminate the current award for the SUBRECIPIENT's program.

4. Withhold further awards for the program.

5. Take other remedies that may be legally available.

C. Hearings Appeals: In taking an enforcement action the COUNTY will provide the SUBRECIPIENT an opportunity for such hearing appeal or other administrative proceeding to which the COUNTY or SUBRECIPIENT is entitled to under any statute or regulation applicable to the action involved.

D. Efforts of Suspension and Termination: Costs resulting from obligations incurred by the SUBRECIPIENT clearing a suspension after termination of an award are not allowable unless the COUNTY expressly authorizes them in the nature of suspension or termination or subsequently. Other SUBRECIPIENT costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

1. The costs result from obligations which were properly incurred by the SUBRECIPIENT before the effective date of suspension or termination are not in anticipation of it and in case of termination are noncancellable; and

2. The costs would be allowable if the award was not suspended or expired normally at the end of the funding period in which the termination takes effect.

E. Relationship to Debarment and Suspension: The enforcement remedies identified in this section including suspension and termination do not preclude the grantee or subgrantee from being subject to "Debarment and Suspension" under Executive Order 12549 2 CFR 200.338 and 2 CFR 180.

F. Termination for Convenience: Except as provided above awards may be terminated in whole or in part only as follows:

1. By the COUNTY with the consent of the SUBRECIPIENT in which case the two parties shall agree upon the termination condition including the effective date and in case of partial termination the portion to be terminated; or

2. By the SUBRECIPIENT upon written notification to the COUNTY setting forth the reasons for such termination, the effective date, and in case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the COUNTY determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the COUNTY may terminate the award in its entirety.

4.3 The COUNTY may issue a stop order to SUBRECIPIENT which will halt all work on the project in the event that the work is not being done according to federal guidelines and regulations, the assurances contained herein, or the provisions of this agreement.

4.4 The SUBRECIPIENT may not terminate its obligations under Paragraph 12.10 (Program Income) and may not terminate an Assignment of Proceeds and Grant of Lien without written consent of the COUNTY.

4.5 The COUNTY reserves the right to terminate this contract upon written notification to the SUBRECIPIENT under any of the following conditions:

a. Notification by HUD to the COUNTY that said project is ineligible because of project location, services provided, or any other reason cited by HUD;

b. Notification by HUD to the COUNTY that said project is deficient and that continued support of the project is not providing an adequate level of services to low income and minority people; or

c. Written notification from HUD to the COUNTY that the program funds made available to the COUNTY are being curtailed, withdrawn, or otherwise restricted.

4.6 The COUNTY reserves the right to terminate this contract or to reduce the contract compensation amount if the SUBRECIPIENT:

a. Fails to file required reports or to meet project progress or completion deadlines;

b. Materially fails to comply with any provision of this Agreement (which may result in suspension or termination in accordance with 2 CFR 200.339);

c. Expends funds under this agreement for ineligible activities, services or items;

d. Implements the project prior to notification from the COUNTY that the federal environmental review process has been completed;

e. Violates labor standards requirements; or

f. Fails to comply with written notice from the COUNTY of substandard performance under the terms of this agreement.

4.7 The Subrecipient's obligation to the COUNTY shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the COUNTY), and determining the custodianship of records. Not withstanding the foregoing, the terms of this agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

ARTICLE V - INDEMNIFICATION

5.1 The SUBRECIPIENT shall indemnify, defend (by counsel reasonably acceptable to COUNTY), protect and hold harmless the COUNTY from and against any and all claims, demands, actions, causes of action, suits, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including, without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals therefrom) arising out of or resulting from services provided by the SUBRECIPIENT, anyone directly or indirectly employed by the SUBRECIPIENT, or anyone for whose acts any of them may be liable, whether pursuant to this agreement or otherwise, and from all such parties negligent acts and omissions and intentional tortious acts. The SUBRECIPIENT acknowledges it is an independent contractor of the COUNTY and not an agent or employee thereof.

ARTICLE VI - PROCEDURES FOR INVOICING AND PAYMENT

6.1 SUBRECIPIENT shall invoice the COUNTY on the following basis:

SUBRECIPIENT shall provide the COUNTY with an executed original of any documents or subcontracts authorizing the work to be done on the project(s).

(1) If applicable, a request to subcontract work or services hereunder shall be submitted in writing and shall be subject to each provision of this agreement and any contract shall be in accordance with county, state, federal guidelines, and regulations. A list of all subcontractors shall be provided to the Housing and Neighborhood Development office. This in no way relieves the SUBRECIPIENT from any other requirements of this agreement. Reimbursement requests shall include certification such as the certification shown in Appendix B, Page 3, in the absence of canceled checks for verification.

(2) None of the work or services, including but not limited to, consultant services covered by this agreement, shall be subcontracted or reimbursed without the prior written notice to COUNTY.

(3) All purchasing for consumable, capital equipment, and services shall be made by

purchase order or by a written contract in conformity and in full compliance with the procedures prescribed by 2 CFR 200.317 – 200.326.

a. The SUBRECIPIENT shall provide the COUNTY with project budget information.

b. The COUNTY agrees to make payment and reimburse all budgeted costs available under federal, state, and county guidelines.

c. Requests by the SUBRECIPIENT for payment shall be accompanied by proper documentation and shall be submitted to the COUNTY for approval no later than thirty (30) days after the last date covered by the request.

d. As applicable, the COUNTY will comply with Part VII, chapter 218, F.S., the Florida Prompt Payment Act, or s. 215.422, F.S., warrants, vouchers and invoices, when preparing reimbursement on accepted invoices.

e. For purposes of this section, copies of invoices, receipts, or other evidence of indebtedness shall be considered proper documentation. Invoices shall not be honored if received by COUNTY later than thirty (30) days after expiration date of this agreement.

f. The COUNTY may withhold payment of reimbursement requests if monthly reports are not current.

6.2 Upon receiving the invoices, reports and other materials, the COUNTY shall audit such bid awards, contracts, reports and invoices to determine whether the items invoiced have been completed and that the invoiced items are proper for payment.

6.3 Upon determination by the COUNTY that the services or material invoiced have been received or completed, the COUNTY shall authorize payment to the SUBRECIPIENT in the amount it determines pursuant to the audit to be payable.

ARTICLE VII - IMPLEMENTATION AND TIMETABLE

7.1 The parties expressly ratify the activities relating to this agreement and adopt the terms and conditions of this agreement for all such activities beginning **October 1, 2023.** The SUBRECIPIENT herein attests and certifies to the COUNTY that, regardless of the effective date of this Agreement, the SUBRECIPIENT will obtain all insurance coverage and limits as set forth by this Agreement to begin no later than **October 1, 2023**.

7.2 SUBRECIPIENT agrees to implement project(s) and comply with the Scope of Services set forth in Appendix **A** and Estimated Timeline set forth in Appendix **E**.

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE VIII - OTHER PROVISIONS

8.1 Equal Employment Opportunity

The following provisions "a" and "b" are applicable to all contracts and subcontracts; provisions "c" through "g" are applicable to all nonexempt construction contracts and subcontracts which exceed $10,000;

During the performance of this contract, the SUBRECIPIENT agrees as follows:

a. The SUBRECIPIENT shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law. The SUBRECIPIENT shall take affirmative action to ensure that applicants who are employed are treated during employment without regard to their race, color, creed, religion, sex, age, handicap, disability, ancestry, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The SUBRECIPIENT agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. The SUBRECIPIENT will, in all solicitations or advertisements for employees placed by or on behalf of the SUBRECIPIENT, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, or any other basis prohibited by applicable law.

c. The SUBRECIPIENT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers representatives of the SUBRECIPIENT commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The SUBRECIPIENT will comply with all provisions of Executive Order 11246, Equal Employment Opportunity, of September 24, 1965, as amended by Executive Orders 11375 and 12086, copies of which are on file and available at the COUNTY, and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. The SUBRECIPIENT will furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by HUD and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the SUBRECIPIENT's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the SUBRECIPIENT may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, as amended, or as otherwise provided by law.

g. The SUBRECIPIENT will include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor, issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor. The SUBRECIPIENT will take such action with respect to any subcontract or purchase order as HUD may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a SUBRECIPIENT becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by HUD, the SUBRECIPIENT may request the United States to enter into such litigation to protect the interests of the United States.

8.2 Equal Opportunity in Participation

Under the terms of Section 109 of the Housing and Community Development Act of 1974 and in conformance with COUNTY policy and all requirements imposed by or pursuant to the Regulations of HUD (24 CFR Part 570.601 and 570.602) issued pursuant to Section 109, no person in the United States shall on the ground of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with Community Development Block Grant program funds.

Specific (not exclusive) Discrimination Actions Prohibited:

The SUBRECIPIENT may not directly or through contractual or other arrangements, on the ground of race, color, creed, religion, ancestry, national origin, marital status, familial status, age, handicap, disability, sex or any other basis prohibited by applicable law:

a. Deny any facilities, services, financial aid, or other benefits provided under the program or activity.

b. Provide any facilities, services, financial aid, or other benefits which are different, or are provided in a different form from that provided to others under the program or activity.

c. Subject segregated or separate treatment in any facility, or in any matter or process related to receipt of any service or benefit under the program or activity.

d. Restrict in any way access to, or the enjoyment of any advantage or privilege enjoyed by others in connection with facilities, services, financial aid or other benefits under the program or activity.

e. Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which the individual must meet in order to be provided any facilities, services, or other benefit provided under the program or activity.

f. Deny any person with the legal right to work an opportunity to participate in a program or activity as an employee.

8.3 Business and Employment Opportunities for Lower Income Residents, Women-Owned Business Enterprises, and Minority-Owned Business Enterprises.

The SUBRECIPIENT will conform with the rules and regulations set forth under Section 3 of the Housing and Urban Development Act of 1968, (12 USC 1701u), as amended, and the HUD regulations

issued pursuant thereto at 24 CFR Part 135. This Act requires that, to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area, and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by, persons residing in the area of the project. In all solicitations for bids, the contractor must, before signing the contract, provide a preliminary statement of the work force needs and plans for possible training and employment of lower income persons. When a SUBRECIPIENT utilizes the bidding procedure to let a bid, the invitation or solicitation for bids shall advise prospective contractors of the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, and the clause shall be inserted as a component part of any contract or subcontract.

If a SUBRECIPIENT solicits or requests an invitation for bids, every effort feasible will be made to contact minority-owned and women-owned business enterprises for a response to the solicitation or invitation for bidders.

8.4 Nondiscrimination in Federally-Assisted Programs.

The SUBRECIPIENT will comply with Title VI of the Civil Rights Act of 1964 (PL 88-352, 42 USC 2000d et seq.) and the Fair Housing Act (42 USC 3601-20). In accordance with COUNTY policy and Title VI of the Civil Rights Act of 1964 (PL 88-352), in the sale, lease or other transfer of land acquired, leased or improved with assistance provided under this agreement, the deed or lease for such transfer shall contain a covenant prohibiting discrimination upon the basis of race, color, creed, religion, sex, handicap, disability, ancestry, national origin, marital status, or familial status, in the sale, lease or rental, or in the use or occupancy of such land or any improvements erected or to be erected thereon. The SUBRECIPIENT will comply with Title VIII of the Civil Rights Act of 1968 (PL 90-284) as amended and will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing.

8.5 Labor Standards.

Except with respect to the rehabilitation of residential property designed for residential use for less than eight households, the SUBRECIPIENT and all subcontractors engaged in contracts in excess of $2,000 for the construction, completion, rehabilitation, or repair of any building or work financed in whole or in part with assistance provided under this agreement are subject to the federal labor standards provisions which govern the payment of wages and the ratio of apprentices and trainees to journey workers. Under the terms of the Davis-Bacon Act, as amended, the SUBRECIPIENT is required to pay all laborers and mechanics employed on construction work wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor, and shall pay overtime compensation in accordance with and subject to the provisions of the Contract Work Hours and Safety Standards Act (40 USC 327-332), and the SUBRECIPIENT shall comply with all regulations issued pursuant these Acts and with other applicable federal laws and regulations pertaining to labor standards, including the Copeland Anti-Kickback Act. Provided, that if wage rates higher than those required under the regulations are imposed by State or local laws, nothing hereunder is intended to relieve the SUBRECIPIENT of its obligation, if any, to require payment of the higher rates.

8.6 Flood Disaster Protection.

This agreement is subject to the requirements of the Flood Disaster Protection Act of 1973 (PL 93-234). Use of any assistance provided under this agreement for acquisition or construction in an area identified as having special flood hazards shall be subject to the mandatory purchase of flood insurance in accordance with the requirements of Section 102(a) of said Act.

8.7 Clean Air Act and Federal Water Pollution Control Act (Applicable to Contracts and Subcontracts Which Exceed $100,000).

The SUBRECIPIENT shall comply with and require each subcontractor to comply with all applicable

standards of the Clean Air Act of 1970 (42 USC 1857 et seq.), as amended, the Clean Air Act of 1990, the Federal Water Pollution Control Act (33 USC 1251 et seq.), as amended, and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended from time to time.

8.8 Provision of the Hatch Act.

Neither the SUBRECIPIENT's program nor the funds provided therefore, nor the personnel employed in the administration of the program shall be in any way or to any extent engaged in the conduct of political activities in contravention of Chapter 15 of Title 5, United States Code.

8.9 Lead-Based Paint.

Any grants or loans made by the SUBRECIPIENT for the rehabilitation of residential structures with assistance provided under this agreement shall be made subject to the provisions for the elimination of lead-based paint hazards under 24 CFR Part 35. SUBRECIPIENT will comply with the requirements of 24 CFR 570.608 for notification, inspection, testing, and abatement procedures concerning lead-based paint. Such regulations require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly noticed that such properties may contain lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment, and precautions that should be taken when dealing with lead-based paint poisoning.

8.10 Special Assessments.

SUBRECIPIENT will not attempt to recover any capital costs of public improvements assisted in whole or in part with funds provided under Section 106 of the Act or with amounts resulting from a guarantee under Section 108 of the Act by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements, unless: (1) funds received under Section 106 of the Act are used to pay the proportion of such fee or assessment that relates to the capital costs of such public improvements that are financed from revenue sources other than under Title 1 of the Act; or (2) for purposes of assessing any amount against properties owned and occupied by persons of moderate income, the grantee certifies to the Secretary of HUD that it lacks sufficient funds received under Section 106 of the Act to comply with the requirements of subparagraph (1).

8.11 Acquisition, Rehabilitation, and Demolition of Real Property and Displacement of Persons and Businesses

SUBRECIPIENT will comply with the "POLK COUNTY RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE PLAN UNDER SECTION 104 (d) OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974, AS AMENDED." SUBRECIPIENT will conduct any acquisition, rehabilitation, or demolition of real property, and any negotiations for acquisition, rehabilitation or demolition of real property in compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. Unless specifically permitted in Appendix A or Appendix B, SUBRECIPIENT will not cause either temporary or permanent involuntary displacement of any person or business as a result of Community Development Block Grant activities. The SUBRECIPIENT shall provide all notices, advisory assistance, relocation benefits, and replacement dwelling units as required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. SUBRECIPIENT hereby agrees to defend, to pay, and to indemnify the COUNTY from and against, any and all claims and liabilities for relocation benefits or the provision of replacement dwelling units required by federal statutes and regulations in connection with activities undertaken pursuant to this agreement.

8.12 Lobbying Restrictions

SUBRECIPIENT certifies that, to the best of its knowledge and belief:

No federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement;

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and It will require that the language of this Paragraph 8.12 be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, United States Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

8.13 Provisions Required by Law Deemed Inserted.

Each and every provision of law and clause required by law to be inserted in this contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the contract shall forthwith be physically amended to make such insertion or correction.

8.14 SAM Registration and FFATA Compliance

The SUBRECIPIENT shall maintain a current registration in the federal System for Award Management ("SAM") database (http://www.sam.gov) pursuant to the Federal Funding Accountability and Transparency Act (FFATA), P.L. 109-282, as amended by section 6202(a) of P.L. 110-252 and the regulations implementing the Act at 2 CFR part 25 and 2 CFR part 170. If Subrecipient is not currently registered, it must do so within ten (10) days of the date Subrecipient executes this Agreement. A Unique Entity Identification (UEI) Number (https://sam.gov/content/home) is required for registration. Subrecipient must also comply with FFATA, which includes requirements on executive compensation, and implementing regulations in 2 CFR part 170, which includes requirements on reporting subaward and executive compensation information. Subrecipient shall complete and sign the Affidavit attached hereto as Appendix "C" in conjunction with its execution of this Agreement and provide any supporting documentation, if required

8.15 Violence Against Women Act (VAWA)

If applicable to this project, the SUBRECIPIENT shall comply with the Violence Against Women Act ("VAWA") as it has been most recently authorized. VAWA protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated

from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation. In March 15, 2022, President Biden signed into law the Violence Against Women Act Reauthorization Act of 2022 (VAWA 2022), which enhances housing protections for survivors applying for and living in units assisted by HUD programs. VAWA 2022 protects an individual's right to call emergency services and report crime from their homes. The protections also ensure that individuals do not have to fear retaliation from their housing provider for exercising their rights under VAWA or assisting others in doing so, including filing VAWA complaints. For more information about the rights and responsibilities under VAWA, please visit https://www.hud.gov/vawa.

8.16 Build America Buy America (BABA)

If applicable to this project, SUBRECIPEINT shall comply with the requirements of the Build America, Buy America Act, Pub. L. No. 117-58, §§ 70901-52.

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE IX - NOTICES

9.1 SUBRECIPIENT and COUNTY agree that all notices required by this agreement shall be in writing and delivered by U.S. Mail, by messenger or personally delivered to the office of the duly authorized representative of the SUBRECIPIENT or COUNTY as specified herein.

COUNTY:
Jennifer Cooper, Manager
Housing and Neighborhood Development
P.O. 9005, Drawer HS04
Bartow, FL 33830

SUBRECIPIENT:
, Executive Director
Gospel, Inc.
P.O. Box 3278
Lakelan, FL 33802-3278

ARTICLE X - MODIFICATION

10.1 Any program modification requested by SUBRECIPIENT must be requested at least ninety (90) days prior to the end of the term of this agreement. No modification to this agreement shall be binding on either party unless in writing and signed by both parties.

10.2 In the event that the Board of County Commissioners approves any modification, amendment, or alteration to the funding allocation, the SUBRECIPIENT shall be notified in writing and such notification shall constitute an official amendment.

10.3 The COUNTY may, at its discretion and upon provision of proper notice to the SUBRECIPIENT, amend this agreement to conform to changes in federal, state, and/or county guidelines, regulations, directives, and objectives. Such amendments shall be incorporated by written amendment as a part of this agreement.

ARTICLE XI - ASSURANCES

11.1 SUBRECIPIENT agrees to comply with the provisions of Section 202, Executive Order 11246 and with the guidelines for applicants on equal opportunity obligations for Community Development Block Grants in regard to construction contracts.

11.2 SUBRECIPIENT agrees that it will comply with the following assurances:

a. The SUBRECIPIENT agrees to comply with all applicable federal, state, and county laws, ordinances, codes and regulations. Any conflict or inconsistency between the above federal, state or county guidelines and regulations and this agreement shall be resolved in favor of the more restrictive regulations.

b. In accordance with Title VI of the Civil Rights Act of 1964 (P.L. 88-352), no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the SUBRECIPIENT receives federal financial assistance.

c. In accordance with 24 CFR 570.505, property acquired or improved in whole or in part using CDBG funds in excess of $25,000.00 must be used as intended from the date CDBG funds are first spent until five (5) years after the closeout of the COUNTY participation in the CDBG program. Any transfer of the property or structure shall also be bound.

d. If applicable, SUBRECIPIEINT shall inform affected persons of the benefits, policies, and procedures provided for under HUD regulations.

e. SUBRECIPIENT shall establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties. Should such possible conflicts, real or apparent, arise, the SUBRECIPIENT shall disclose such situations to the COUNTY and the County Attorney's Office for review.

f. The SUBRECIPIENT agrees further that it shall be bound by the standard terms and conditions used in the grant agreement between HUD and COUNTY and such other rules, regulations or requirements as HUD may reasonably impose in addition to the aforementioned assurances at or subsequent to the execution of this agreement by the parties hereto.

g. In accordance with the Drug Free Workplace Act of 1988, the SUBRECIPIENT certifies that it has a policy designed to ensure that the SUBRECIPIENT's workplace is free from the illegal use, possession, or distribution of drugs or alcohol.

h. In compliance with Paragraph (2)(a) of Section 287.133, Florida Statutes, a "person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

i. This contract may be terminated at the option of the COUNTY if SUBRECIPIENT is found to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

ARTICLE XII - FINANCIAL RESPONSIBILITY

Subrecipients and subcontractors must comply with all applicable federal regulations governing the use of CDBG funds in addition to Office of Management and Budget (OMB) Circular 2 CFR Part 200. The new regulations combined a diverse group of regulations into one Super Circular located at 2 CFR Part 200. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards applies to the CDBG funds as now in effect and as may be amended from time to time.

12.1 SUBRECIPIENT gives the COUNTY, HUD, and the Inspector General, through any authorized representative, access to and the right to examine all records, books, papers, or documents relating to the project.

12.2 SUBRECIPIENT agrees to maintain books, records, and documents in accordance with accounting procedures and practices which sufficiently and properly reflect all expenditures of funds provided under this agreement. In accordance with OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations", all SUBRECIPIENTS who receive $300,000.00 or more in total Federal financial assistance within a year must obtain an independent audit.

12.3 SUBRECIPIENT further agrees to provide for audit purposes (upon request) all files, records and documents pertaining to related activities and clientele demographic data contained in this agreement.

12.4 Any funds expended in violation of this agreement shall be refunded in full from nonfederal resources.

12.5 Funding authorization through a Community Development Block Grant shall be used only for eligible activities specifically outlined in this agreement. In the event material progress is not evidenced nor commenced within the time limitations of this agreement, as determined by the COUNTY, the COUNTY

may terminate this contract.

12.6 All funds not expended a result of the aforementioned deficiency of significant material progress or returned as a result of expiration and subsequent termination of the original funding agreement shall be used by the COUNTY at its discretion for reallocation to other eligible CDBG activities.

12.7 Income over and above general maintenance and operating expenses generated as a result of receipt of Community Development Block Grant funds shall be returned to the COUNTY.

12.8 The COUNTY shall have the right to audit and monitor any program income as a result of a Community Development Block Grant activity.

12.9 The Subrecipient shall comply with 2 CFR part 200 Subpart F – Audits. In accordance with 2 CFR §200.510, shall prepare financial statements and a schedule of expenditures of federal awards. The Subrecipient shall provide the County with its annual financial statement within ninety (90) days of the end of its operating year. This financial statement shall be prepared by an actively licensed public accountant.

a) In addition, if expending more than $750,000 of Federal awards during an operating year, the Subrecipient shall comply with the audit provisions contained in 2 CFR 200 subpart F and the Single Audit Act Amendments of 1996 (31 U.S.C. §§7501-7507). Audits shall be conducted annually. The Subrecipient shall submit its annual audit to the County and within one hundred twenty (120) days of the end of the Subrecipient's fiscal year. The Subrecipient must clear any deficiencies noted in the audit reports within 30 days after receipt of any noted deficiencies. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not expended in accordance with the conditions of this Agreement, the Subrecipient shall be held liable for reimbursement to the County of all funds not expended in accordance with those regulations and Agreement provisions within thirty (30) days after the County has notified the Subrecipient of such non-compliance. Any reimbursement by the Subrecipient shall not preclude the County from taking any other action or pursuing other remedies. Failure to comply with these audit requirements constitutes a violation of the Agreement and may result in the withholding of future payments. If the Subrecipient expends less than $750,000 in federal awards during its fiscal year, they are exempt from this requirement, except as noted in 2 CFR §200.503, but records must be available for review or audit by appropriate officials of HUD, the County, or GAO.

12.10 Program income (defined at 24 CFR 570.500) derived from the project, if any, shall revert to the COUNTY for use in the Community Development Block Grant program. If SUBRECIPIENT executes an Assignment of Proceeds and Grant of Lien to the COUNTY specifying the terms of reversion of proceeds from possible future sale of real property, it is incorporated by reference and made a part of this contract.

ARTICLE XIII - EVALUATION AND MONITORING

13.1 The SUBRECIPIENT agrees that the COUNTY may carry out periodic monitoring and evaluation activities as determined necessary by the COUNTY. This agreement is dependent upon satisfactory monitoring and evaluation of activities and other performance measures, including, but not limited to the terms of this agreement, comparisons of planned versus actual progress relating to project scheduling, budget, and output measures. The SUBRECIPIENT agrees to furnish upon request to the COUNTY or its designees and make copies and/or transcriptions of such records and information as is determined necessary by the COUNTY. The SUBRECIPIENT shall submit, upon the request of the COUNTY, information and status reports required by the COUNTY or HUD on forms approved by the COUNTY.

13.2 A sample monitoring instrument attached as Appendix G contains the minimum monitoring measures to be used by the COUNTY. Other measures may also be utilized.

ARTICLE XIV - UNIFORM ADMINISTRATIVE REQUIREMENTS

GOVERNMENTAL AGENCIES

14.0 Applicability of and cross reference to 2 CFR part 200.

(a) Federal awards with State, local and Indian tribal governments are subject to the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards at 2 CFR part 200.

14.1 As applicable Governmental Subrecipients shall comply with 2 cfr Part 200 - "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards":

•Subpart A - Acronyms and Definitions (§§ 200.0 - 200.99)
•Subpart B - General Provisions (§§ 200.100 - 200.113)
•Subpart C - Pre-Federal Award Requirements and Contents of Federal Awards (§§ 200.200 - 200.213)
•Subpart D - Post Federal Award Requirements (§§ 200.300 - 200.345)
•Subpart E - Cost Principles (§§ 200.400 - 200.475)
•Subpart F - Audit Requirements (§§ 200.500 - 200.521)
•Appendix I to Part 200 - Full Text of Notice of Funding Opportunity
•Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards
•Appendix III to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs)
•Appendix IV to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations
•Appendix V to Part 200 - State/Local Government wide Central Service Cost Allocation Plans
•Appendix VI to Part 200 - Public Assistance Cost Allocation Plans
•Appendix VII to Part 200 - States and Local Government and Indian Tribe Indirect Cost Proposals
•Appendix VIII to Part 200 - Nonprofit Organizations Exempted from Subpart E - Cost Principles of Part 200
•Appendix IX to Part 200 - Hospital Cost Principles
•Appendix X to Part 200 - Data Collection Form (Form SF-SAC)
•Appendix XI to Part 200 - Compliance Supplement
•Appendix XII to Part 200 - Award Term and Condition for Recipient Integrity and Performance Matters

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

NON-GOVERNMENTAL AGENCIES

14.2 Non-Governmental Subrecipients shall comply with the requirements and standards of Allowable Costs/Cost Principles 2 cfr part 225/OMB Circular A-87; 2 cfr part 220/OMB Circular A-21; 2 CRF part 230/OMB Circular A-122 and 2 cfr part 215 Procurement.

The requirements for equipment and real property are contained in 2 cfr section 200.313 (equipment), 2 cfr section 200.311 (real property), 48 cfr section 52.245-1 (equipment and real property), program legislation, Federal awarding agency regulations, and the terms and conditions of the Federal award.
Program income is gross income earned by a non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance (unless there is a requirement for disposition of program income after the end of the period of performance as provided in 2 cfr section 200.307(f)).

Program income (2 cfr section 200.80) includes, but is not limited to income from:

- Fees for services performed,
- The use or rental of real or personal property acquired under Federal awards,
- The sale of commodities or items fabricated under Federal awards,
- License fees and royalties on patents and copyrights, except as provided below, and
- Principal and interest on loans made with Federal award funds.

ARTICLE XV - CONFLICT OF INTEREST

15.1 In the procurement of services by the SUBRECIPIENT, the Conflict of Interest provision in Section 200.112 and 2 CFR 215 Procurement shall be adhered to as applicable.

ARTICLE XVI - OTHER FEDERAL REQUIREMENTS

16.1 The SUBRECIPIENT shall carry out each activity in compliance with all applicable Federal laws and regulations as described below:

- Public Law 88.352 - Title VI of the Civil Rights Act of 1964
- Public Law 90.284 - Title VIII of the Civil Rights Act of 1988
- Executive Order 11063 as amended by Executive Order 12259
- Section 109 of the Act
- Labor Standards
- National Flood Insurance Program
- Relocation and Acquisition
- Employment and Contracting Opportunities;
- Executive Order 11246 (41 CFR Chapter 60)
- Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 17010)
- Lead-Based Paint
- Use of Debarred, Suspended or Ineligible Contractors or Subrecipients
- Displacement
- Conditions for Religious Organizations
- Non-Discrimination Base on Handicap
- Section 504 of the Rehabilitation Act of 1973
- Architectural Barriers Act of 1963
- Environmental Protection Agency Regulations.

ARTICLE XVII - GENERAL PROVISIONS

17.1 The SUBRECIPIENT agrees to abide by the provision of Chapter 112.3135, Florida Statutes, pertaining to Nepotism in their performance under this agreement. The SUBRECIPIENT also agrees to abide by Chapter 119, Public Records, of the Florida Statutes, as the same may be amended or restated during the term of this agreement to include without limitation, the following:

a. Compliance. The SUBRECIPIENT acknowledges the County's obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and to comply in the handling of the materials created under this Agreement. The SUBRECIPIENT further acknowledges that the constitutional and statutory provisions control over the terms of this Agreement. In association with its performance pursuant to this Agreement, the SUBRECIPIENT shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all Applicable Laws.

b. Obligations. Without in any manner limiting the generality of the foregoing, to the extent applicable, the SUBRECIPIENT acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:

I. keep and maintain public records required by the COUNTY to perform the services required under this Agreement;

II. upon request from the COUNTY's Custodian of Public Records or his/her designee, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

III. ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the agreement and following completion of its term if the SUBRECIPIENT does not transfer the records to the COUNTY; and

IV. upon completion of the agreement transfer, at no cost, to the COUNTY, all public records in possession of the SUBRECIPIENT or keep and maintain public records required by the COUNTY to perform the service. If the SUBRECIPIENT transfers all public records to the COUNTY upon completion of the agreement the SUBRECIPIENT shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the SUBRECIPIENT keeps and maintains public records upon completion of the agreement, the SUBRECIPIENT shall meet all applicable requirements for retaining public records. Upon receipt of a request from the COUNTY's Custodian of Public Records, all records stored electronically must be provided to the COUNTY in a format that is compatible with the information technology systems of the COUNTY.

c. Contact. IF THE SUBRECIPIENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUBRECIPIENT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:

RECORDS MANAGEMENT LIAISON OFFICER
POLK COUNTY
330 WEST CHURCH ST.
BARTOW, FL 33830
TELEPHONE: (863) 534-7532
EMAIL: RMLO@POLK-COUNTY.NET

17.2 If applicable, SUBRECIPIENT agrees to comply with Section 286.011, F.S., relating to public meetings and records, and chapter 119 F.S., relevant to public records.

17.3 **If applicable**, the SUBRECIPIENT attests that the COUNTY's procurement requirements were adhered to in the procurement of goods and services purchased pursuant to this contract.

17.4 This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein and that the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

17.5 The SUBRECIPIENT shall assure that records regarding project requirements that apply for the duration of the agreement, the written agreement, and inspection and monitoring reports will be retained for a period of five years. The SUBRECIPIENT shall also assure if any litigation, claim, negotiation, audit, or other action has been started before the expiration of the above mentioned five year term, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the five year period, whichever is later.

17.6 The COUNTY and SUBRECIPIENT agree that all activities shall be governed in all respects by the laws of the State of Florida, venue in the courts of Polk County, State of Florida.

17.7 All notices required by this agreement shall be in writing.

17.8 Nothing contained in this agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the services to be performed under this agreement. The COUNTY shall be exempt from payment of all Unemployment Compensation, FICA, Retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Subrecipient is an independent contractor.

17.9 If any provision of this agreement is held invalid, the remainder of the agreement shall not be affected. Thereby and all other parts of this agreement shall nevertheless be in full force and effect.

17.10 This agreement constitutes the entire agreement between the COUNTY and the Subrecipient for the use of funds received under this agreement, and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written between the COUNTY and the Subrecipient with respect to this agreement.

17.11 The Subrecipient shall comply with the requirements of Florida Statutes, Section 448.095, Employment Eligibility. Prior to entering the Agreement, Subrecipient shall execute and deliver to the County the Employment Eligibility Certification attached as Appendix D to the Agreement.

ARTICLE XVIII - INSURANCE AND BOND

18.1 In accordance with s. 768.28 Florida Statues, the waiver of sovereign immunity in tort actions; recovery limits; limitation on attorney fees; statute of limitations; exclusions; indemnification; risk management programs is applicable to this agreement.

The undersigned person signing as an officer on behalf of the SUBRECIPIENT, a party to this agreement, hereby severally warrants and represents that said person has authority to enter into this agreement on behalf of said SUBRECIPIENT and to bind the same to this agreement, and, further that said SUBRECIPIENT has authority to enter into this agreement and that there are no restrictions or prohibitions contained in any article of incorporation or bylaw against entering into this agreement.

IN WITNESS WHEREOF the parties hereto duly execute this agreement as of the day and year first written above.

SCOPE OF SERVICES
FOR
GOSPEL, INC.
(Gospel Village Renovations)
Deadline 9/30/2024

I. This project is located at 1109 East Main Street, Lakeland, FL 33801-5125.

Gospel Village is central to downtown and is in walking distance to other major homeless service providers such as Talbot House Ministries and Lighthouse Ministries. Polk Works and Lakeland Regional Medical Center is also within walking distance from the facility which provides employment opportunities and medical services. The structures on this property are used to as emergency shelter units and as transition to permanent housing for those who were homeless and low income.

Gospel Inc has approximately 17 units which needs renovating at Gospel Village. CDBG funds will be used for but not limited to replacing wiring, plumbing, flooring, wall repairs, roofing and installing a new bathroom and kitchen.

Gospel Inc. will use CDBG Public Facilities funds not to exceed the total amount of $200,000.00 which will be allocated as follows:

- **$200,000.00** – Gospel Village Renovations

II. Each invoice submitted for reimbursement must be accompanied with proper documentation as set forth in Appendix F. Failure to provide sufficient documentation will delay the processing of the request until such information is received.

The Davis-Bacon Act and Section 3 requirements will be enforced if applicable.

The Subrecipient will follow their procurement procedures providing copies of quotes or bids and forward to Housing and Neighborhood Development.

III. **PERFORMANCE MEASURES**

Outcome/Objective Specific Annual Objectives		Sources of Funds	Performance Indicators	Year	Expected Number
	In FY 2023-2024, the CDBG Public Facilities program will allocate **$200,000.00** to Gospel, Inc. for the Gospel Village Renovation project.	**CDBG PF**	Renovations made to structures to assist individuals and families who are Homeless and/or of Very-Low income.	23-24	37

SCOPE OF SERVICES CONTINUED

III. Other Requirements:

A. Prior to rehabilitation/construction, Housing and Neighborhood Development staff will review and approve specifications and cost allocations.

B. The SUBRECIPIENT shall include in all advertising and/or promotion a statement that whole or partial funding of the project is supplied by Polk County Community Development Block Grant Public Facility funds, or wording to that effect.

C. Maintain documentation that ensures eligibility and compliance with a national objective of the CDBG PF program.

D. The Scope of Service may not be changed or modified without prior written approval received by the COUNTY.

E. Provide account numbers and contract numbers on all correspondence, pay requests, and documents pertaining to this project.

F. Although this agreement is in force until all funds are spent and/or the project is otherwise complete, should the SUBRECIPIENT fail to meet the estimated timeline as presented on Appendix E, and fail to provide acceptable cause for this failure, the COUNTY may terminate this agreement at its sole discretion.

AFFIDAVIT

Federal Funding Accountability and Transparency Act (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The FFATA Subaward Reporting System (FSRS) is the reporting tool Federal prime awardees (i.e. prime contractors and prime grants recipients) use to capture and report subaward and executive compensation data regarding their first-tier subawards to meet the FFATA reporting requirements. Prime contract awardees will report against sub-contracts awarded and prime grant awardees will report against sub-grants awarded. The sub-award information entered in FSRS will then be displayed on www.USASpending.gov associated with the prime award furthering Federal spending transparency.

The Transparency Act requires information disclosure concerning entities receiving Federal financial assistance through Federal awards such as Federal contracts, sub-contracts, grants, and sub-grants.

Specifically, the Transparency Act's section 2(b)(1) requires the County to provide the following information about each Federal award:

- Name of the entity receiving the award;
- Amount of the award;
- Information on the award including transaction type,
- Location of the entity receiving the award and primary location of performance under the award;
- Unique identifier of the entity receiving the award and the parent entity of the recipient;
- Names and total compensation of the five most highly compensated officers of the entity if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in Federal awards; and $25,000,000 or more in annual gross revenues from Federal awards; and the public does not have access to this information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986.

AFFIDAVIT

I, _____ (print name), hereby swear or affirm that:

I have read and understand the information provided above.

I have personal knowledge of the facts I am attesting to in this affidavit.

(please check one of the following)

____ I attest that _____ (agency name) **does not** meet the above threshold requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

____ I attest that _____ (agency name) **does** meet the above threshold* requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

*If agency meets the above threshold, the agency MUST attach a spreadsheet with the names and total compensation of the five most highly compensated officers of the entity, signed and dated by the one of the following: President; Executive Director; CEO; Board Chairperson; Finance Director; CFO; or Treasurer.

I understand that the submission of a false affidavit is punishable as a second-degree misdemeanor under Florida law.

EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY) CERTIFICATION

(Florida Statutes, Section 448.095)

PROJECT NAME: **GOSPEL, INC. for GOSPEL VILLAGE RENOVATIONS**

The undersigned, as an authorized officer of the contractor identified below (the "**Contractor**"), having full knowledge of the statements contained herein, hereby certifies to Polk County, a political subdivision of the State of Florida (the "**County**"), by and on behalf of the Contractor in accordance with the requirements of Section 448.095, Florida Statutes, as related to the contract entered into by and between the Contractor and the County on or about the date hereof, whereby the Contractor will provide labor, supplies, or services to the County in exchange for salary, wages, or other remuneration (the "**Contract**"), as follows:

1. Unless otherwise defined herein, terms used in this Certification which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

2. Pursuant to Section 448.095(5), Florida Statutes, the Contractor, and any subcontractor under the Contract, must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor or subcontractor. The Contractor acknowledges and agrees that (i) the County and the Contractor may not enter into the Contract, and the Contractor may not enter into any subcontracts thereunder, unless each party to the Contract, and each party to any subcontracts thereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of the Contract, and the County may treat a failure to comply as a material breach of the Contract.

3. By entering into the Contract, the Contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the Contract. Failure to comply will lead to termination of the Contract, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If the Contract is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If the Contract is terminated for a violation of Section 448.095, Fla. Stat., by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the County as a result of the termination of the Contract. Nothing in this Certification shall be construed to allow intentional discrimination of any class protected by law.

SAMPLE MONITORING INSTRUMENT

MONITORING CHECKLIST

The information contained in this Monitoring Checklist/Report is for the purpose of internal quality control. The information does not represent the outcome of an audit by such agencies as HUD, DOT, DOEA, etc. Various state and federal agencies use similar terminology but often with differing definitions. Terms as used in this Checklist/Report are defined as follows:

Finding: **Apparent non-compliance with a regulation, contractual requirement, or policy. (*A Finding will reference the applicable authority [Rule, contract section, policy date or section].)***
Concern: **Condition that if uncorrected, may develop into a Finding.**
Occurrence: **Isolated incident, requiring correction that occurred in spite of adequate quality controls.**

Polk County

Board of County Commissioners

Agenda Item R.23. 11/7/2023

SUBJECT

Approve Community Development Block Grant (CDBG) subrecipient agreement between Polk County and HELP of Fort Meade, Inc. ($200,000 one-time expense).

DESCRIPTION

Approve the CDBG subrecipient agreement between Polk County and HELP of Fort Meade, Inc., for the Building of Self-Sufficiency Project. HELP of Fort Meade will use CDBG Public Facilities funds to acquire a parcel of vacant land through their Building Self-Sufficiency project to assist those individuals who are homeless and those of a very-low or low-moderate income household. This property is located close to the downtown area of Fort Meade. Funds will also be used to acquire permits or associated fees for plans/drawings; possible engineer costs; and all other miscellaneous expenses. This lot will be used to build an approximate 70x120x12 steel building, which will furnish offices for staff performing case management services, food pantry for food bags giveaways, and thrift store. This new building will also include ADA accessible components to accommodate any disabled individuals. This project was approved by the Board of County Commissioners by adoption of the Fiscal Year 2023- 2024 Action Plan on July 25, 2023.

RECOMMENDATION

Request Board approve this CDBG subrecipient agreement.

FISCAL IMPACT

Funds are budgeted in the Special Revenue Grant Fund.

SUBRECIPIENT AGREEMENT

BETWEEN POLK COUNTY AND HELP OF FORT MEADE, INC.

This agreement is made and entered on this **1st** day of **October 2023,** by and between Polk County, a Political Subdivision of the State of Florida, hereafter referred to as the "COUNTY", and **HELP of Fort Meade**, hereafter referred to as the "SUBRECIPIENT".

WITNESSETH:

WHEREAS, the COUNTY has been awarded a Community Development Block Grant (CDBG) from the Department of Housing and Urban Development (HUD) which provides for the development, establishment, and administration of projects to benefit low and moderate income families, aid in elimination of slums or blight, or meet an urgent community development need; and

WHEREAS, said grant allows the COUNTY to contract with other governmental agencies and non-profit agencies to administer and implement projects that are eligible for CDBG funding; and

WHEREAS, it is in the best interest of the COUNTY to enter into a special agreement with the SUBRECIPIENT for the administration of a portion of said grant; and

WHEREAS, the COUNTY wishes to engage the services of the SUBRECIPIENT to administer and implement a portion of the Community Development Block Grant for a Housing and Neighborhood Development ("HND") project described as **Public Facilities Improvement – Building for Self - Sufficiency,** and

WHEREAS, the SUBRECIPIENT has agreed to the above activity in an amount not to exceed **$200,000.00** and

WHEREAS, the COUNTY has initially determined that the proposed activity will benefit low and moderate income persons; and

WHEREAS, this agreement is contingent upon the award of Community Development Block Grant Public Facilities funds from the U.S. Department of Housing and Urban Development and the **Catalogue of Federal Domestic Assistance (CFDA) number is 14.218 Entitlement Grant;**

NOW THEREFORE in consideration of the mutual promises and covenants, the parties agree as follows:

ARTICLE I - PROJECT DESCRIPTION

1.1 The SUBRECIPIENT agrees to implement this activity as described in detail in Appendix **A**, Scope of Services.

ARTICLE II - DISBURSEMENTS

2.1 The COUNTY agrees to reimburse the SUBRECIPIENT a maximum amount not to exceed **$200,000.00** from Community Development Block Grant (CDBG) Public Facilities fund, as outlined in Appendix **B**, Budget.

ARTICLE III - REPORTING

3.1 The SUBRECIPIENT shall provide the COUNTY with a monthly report of all activities including a narrative summary of progress and financial statement on expenditures during the report period. Reports may be submitted on the monthly report form attached to this agreement, Appendix **E,** or other format containing the same information as found in Appendix **E**. Reports are due on or no later than the tenth working day of each month, unless on an otherwise agreed upon schedule, and shall begin on the effective date of this agreement and continue until all information concerning the project has been received by the COUNTY for close-out.

3.2 Monthly reports not submitted may result in payments to the SUBRECIPIENT being withheld or denied. Failure to submit appropriate monthly reports may result in termination of this agreement.

3.3 The SUBRECIPIENT shall provide the Polk County Housing and Neighborhood Development office with additional program information as needed.

3.4 The SUBRECIPIENT shall submit complete financial accounting of the project to the COUNTY within thirty (30) calendar days of the COUNTY's final payment to the SUBRECIPIENT.

ARTICLE IV - AGREEMENT PERIOD AND TERMINATION

4.1 This agreement shall take effect on **October 1, 2023** , and shall terminate on **September 30, 2024,** unless canceled sooner.

4.2 SUSPENSION AND TERMINATION FOR CONVENIENCE:

A. If the SUBRECIPIENT should materially fail to comply with any term of the award, suspension or termination may occur in accordance with 2 CFR 200.213 Suspension and Debarment. In the event that funds should fail to be or cease to be provided to the County then the County may terminate this agreement immediately.

B. Remedies for noncompliance: If the SUBRECIPIENT materially fails to comply with any term of an award whether stated in a federal statute or regulation, an assurance, in a state plan or application a notice of award or elsewhere, the COUNTY may take one (1) or more of the following actions as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the SUBRECIPIENT or more severe enforcement action by the COUNTY.

2. Disallow (that is to deny both use of funds and matching credit) for all or part of the cost of the activity or action not in compliance.

3. Wholly or partly suspend or terminate the current award for the SUBRECIPIENT's program.

4. Withhold further awards for the program.

5. Take other remedies that may be legally available.

C. Hearings Appeals: In taking an enforcement action the COUNTY will provide the SUBRECIPIENT an opportunity for such hearing appeal or other administrative proceeding to which the COUNTY or SUBRECIPIENT is entitled to under any statute or regulation applicable to the action involved.

D. Efforts of Suspension and Termination: Costs resulting from obligations incurred by the SUBRECIPIENT clearing a suspension after termination of an award are not allowable unless the COUNTY expressly authorizes them in the nature of suspension or termination or subsequently. Other SUBRECIPIENT costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

1. The costs result from obligations which were properly incurred by the SUBRECIPIENT before the effective date of suspension or termination are not in anticipation of it and in case of termination are noncancellable; and

2. The costs would be allowable if the award was not suspended or expired normally at the end of the funding period in which the termination takes effect.

E. Relationship to Debarment and Suspension: The enforcement remedies identified in this section including suspension and termination do not preclude the grantee or subgrantee from being subject to "Debarment and Suspension" under Executive Order 12549 2 CFR 200.338 and 2 CFR 180.

F. Termination for Convenience: Except as provided above awards may be terminated in whole or in part only as follows:

1. By the COUNTY with the consent of the SUBRECIPIENT in which case the two parties shall agree upon the termination condition including the effective date and in case of partial termination the portion to be terminated; or

2. By the SUBRECIPIENT upon written notification to the COUNTY setting forth the reasons for such termination, the effective date, and in case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the COUNTY determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the COUNTY may terminate the award in its entirety.

4.3 The COUNTY may issue a stop order to SUBRECIPIENT which will halt all work on the project in the event that the work is not being done according to federal guidelines and regulations, the assurances contained herein, or the provisions of this agreement.

4.4 The SUBRECIPIENT may not terminate its obligations under Paragraph 12.10 (Program Income) and may not terminate an Assignment of Proceeds and Grant of Lien without written consent of the COUNTY.

4.5 The COUNTY reserves the right to terminate this contract upon written notification to the SUBRECIPIENT under any of the following conditions:

a. Notification by HUD to the COUNTY that said project is ineligible because of project location, services provided, or any other reason cited by HUD;

b. Notification by HUD to the COUNTY that said project is deficient and that continued support of the project is not providing an adequate level of services to low income and minority people; or

c. Written notification from HUD to the COUNTY that the program funds made available to the COUNTY are being curtailed, withdrawn, or otherwise restricted.

4.6 The COUNTY reserves the right to terminate this contract or to reduce the contract compensation amount if the SUBRECIPIENT:

a. Fails to file required reports or to meet project progress or completion deadlines;

b. Materially fails to comply with any provision of this Agreement (which may result in suspension or termination in accordance with 2 CFR 200.339);

c. Expends funds under this agreement for ineligible activities, services or items;

d. Implements the project prior to notification from the COUNTY that the federal environmental review process has been completed;

e. Violates labor standards requirements; or

f. Fails to comply with written notice from the COUNTY of substandard performance under the terms of this agreement.

4.7 The Subrecipient's obligation to the COUNTY shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the COUNTY), and determining the custodianship of records. Not withstanding the foregoing, the terms of this agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

ARTICLE V - INDEMNIFICATION

5.1 The SUBRECIPIENT shall indemnify, defend (by counsel reasonably acceptable to COUNTY), protect and hold harmless the COUNTY from and against any and all claims, demands, actions, causes of action, suits, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including, without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals therefrom) arising out of or resulting from services provided by the SUBRECIPIENT, anyone directly or indirectly employed by the SUBRECIPIENT, or anyone for whose acts any of them may be liable, whether pursuant to this agreement or otherwise, and from all such parties negligent acts and omissions and intentional tortious acts. The SUBRECIPIENT acknowledges it is an independent contractor of the COUNTY and not an agent or employee thereof.

ARTICLE VI - PROCEDURES FOR INVOICING AND PAYMENT

6.1 SUBRECIPIENT shall invoice the COUNTY on the following basis:

SUBRECIPIENT shall provide the COUNTY with an executed original of any documents or subcontracts authorizing the work to be done on the project(s).

(1) If applicable, a request to subcontract work or services hereunder shall be submitted in writing and shall be subject to each provision of this agreement and any contract shall be in accordance with county, state, federal guidelines, and regulations. A list of all subcontractors shall be provided to the Housing and Neighborhood Development office. This in no way relieves the SUBRECIPIENT from any other requirements of this agreement. Reimbursement requests shall include certification such as the certification shown in Appendix B, Page 3, in the absence of canceled checks for verification.

(2) None of the work or services, including but not limited to, consultant services covered by this agreement, shall be subcontracted or reimbursed without the prior written notice to COUNTY.

(3) All purchasing for consumable, capital equipment, and services shall be made by

purchase order or by a written contract in conformity and in full compliance with the procedures prescribed by 2 CFR 200.317 – 200.326.

a. The SUBRECIPIENT shall provide the COUNTY with project budget information.

b. The COUNTY agrees to make payment and reimburse all budgeted costs available under federal, state, and county guidelines.

c. Requests by the SUBRECIPIENT for payment shall be accompanied by proper documentation and shall be submitted to the COUNTY for approval no later than thirty (30) days after the last date covered by the request.

d. As applicable, the COUNTY will comply with Part VII, chapter 218, F.S., the Florida Prompt Payment Act, or s. 215.422, F.S., warrants, vouchers and invoices, when preparing reimbursement on accepted invoices.

e. For purposes of this section, copies of invoices, receipts, or other evidence of indebtedness shall be considered proper documentation. Invoices shall not be honored if received by COUNTY later than thirty (30) days after expiration date of this agreement.

f. The COUNTY may withhold payment of reimbursement requests if monthly reports are not current.

6.2 Upon receiving the invoices, reports and other materials, the COUNTY shall audit such bid awards, contracts, reports and invoices to determine whether the items invoiced have been completed and that the invoiced items are proper for payment.

6.3 Upon determination by the COUNTY that the services or material invoiced have been received or completed, the COUNTY shall authorize payment to the SUBRECIPIENT in the amount it determines pursuant to the audit to be payable.

6.4 Upon receiving the invoices, the Subrecipient is required to provide a copy of the fully executed real property purchase and sale agreement, and the final signed closing documents, for any applicable purchases of property.

ARTICLE VII - IMPLEMENTATION AND TIMETABLE

7.1 The parties expressly ratify the activities relating to this agreement and adopt the terms and conditions of this agreement for all such activities beginning **October 1, 2023.** The SUBRECIPIENT herein attests and certifies to the COUNTY that, regardless of the effective date of this Agreement, the SUBRECIPIENT will obtain all insurance coverage and limits as set forth by this Agreement to begin no later than **October 1, 2023.**

7.2 SUBRECIPIENT agrees to implement project(s) and comply with the Scope of Services set forth in Appendix **A** and Estimated Timeline set forth in Appendix **E.**

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE VIII - OTHER PROVISIONS

8.1 Equal Employment Opportunity

The following provisions "a" and "b" are applicable to all contracts and subcontracts; provisions "c" through "g" are applicable to all nonexempt construction contracts and subcontracts which exceed $10,000;

During the performance of this contract, the SUBRECIPIENT agrees as follows:

a. The SUBRECIPIENT shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law. The SUBRECIPIENT shall take affirmative action to ensure that applicants who are employed are treated during employment without regard to their race, color, creed, religion, sex, age, handicap, disability, ancestry, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The SUBRECIPIENT agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. The SUBRECIPIENT will, in all solicitations or advertisements for employees placed by or on behalf of the SUBRECIPIENT, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, or any other basis prohibited by applicable law.

c. The SUBRECIPIENT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers representatives of the SUBRECIPIENT commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The SUBRECIPIENT will comply with all provisions of Executive Order 11246, Equal Employment Opportunity, of September 24, 1965, as amended by Executive Orders 11375 and 12086, copies of which are on file and available at the COUNTY, and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. The SUBRECIPIENT will furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by HUD and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the SUBRECIPIENT's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the SUBRECIPIENT may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, as amended, or as otherwise provided by law.

g. The SUBRECIPIENT will include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor, issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor. The SUBRECIPIENT will take such action with respect to any subcontract or purchase order as HUD may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a SUBRECIPIENT becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by HUD, the SUBRECIPIENT may request the United States to enter into such litigation to protect the interests of the United States.

8.2 Equal Opportunity in Participation

Under the terms of Section 109 of the Housing and Community Development Act of 1974 and in conformance with COUNTY policy and all requirements imposed by or pursuant to the Regulations of HUD (24 CFR Part 570.601 and 570.602) issued pursuant to Section 109, no person in the United States shall on the ground of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with Community Development Block Grant program funds.

Specific (not exclusive) Discrimination Actions Prohibited:

The SUBRECIPIENT may not directly or through contractual or other arrangements, on the ground of race, color, creed, religion, ancestry, national origin, marital status, familial status, age, handicap, disability, sex or any other basis prohibited by applicable law:

a. Deny any facilities, services, financial aid, or other benefits provided under the program or activity.

b. Provide any facilities, services, financial aid, or other benefits which are different, or are provided in a different form from that provided to others under the program or activity.

c. Subject segregated or separate treatment in any facility, or in any matter or process related to receipt of any service or benefit under the program or activity.

d. Restrict in any way access to, or the enjoyment of any advantage or privilege enjoyed by others in connection with facilities, services, financial aid or other benefits under the program or activity.

e. Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which the individual must meet in order to be provided any facilities, services, or other benefit provided under the program or activity.

f. Deny any person with the legal right to work an opportunity to participate in a program or activity as an employee.

8.3 Business and Employment Opportunities for Lower Income Residents, Women-Owned Business Enterprises, and Minority-Owned Business Enterprises.

The SUBRECIPIENT will conform with the rules and regulations set forth under Section 3 of the Housing and Urban Development Act of 1968, (12 USC 1701u), as amended, and the HUD regulations

issued pursuant thereto at 24 CFR Part 135. This Act requires that, to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area, and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by, persons residing in the area of the project. In all solicitations for bids, the contractor must, before signing the contract, provide a preliminary statement of the work force needs and plans for possible training and employment of lower income persons. When a SUBRECIPIENT utilizes the bidding procedure to let a bid, the invitation or solicitation for bids shall advise prospective contractors of the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, and the clause shall be inserted as a component part of any contract or subcontract.

If a SUBRECIPIENT solicits or requests an invitation for bids, every effort feasible will be made to contact minority-owned and women-owned business enterprises for a response to the solicitation or invitation for bidders.

8.4 Nondiscrimination in Federally-Assisted Programs.

The SUBRECIPIENT will comply with Title VI of the Civil Rights Act of 1964 (PL 88-352, 42 USC 2000d et seq.) and the Fair Housing Act (42 USC 3601-20). In accordance with COUNTY policy and Title VI of the Civil Rights Act of 1964 (PL 88-352), in the sale, lease or other transfer of land acquired, leased or improved with assistance provided under this agreement, the deed or lease for such transfer shall contain a covenant prohibiting discrimination upon the basis of race, color, creed, religion, sex, handicap, disability, ancestry, national origin, marital status, or familial status, in the sale, lease or rental, or in the use or occupancy of such land or any improvements erected or to be erected thereon. The SUBRECIPIENT will comply with Title VIII of the Civil Rights Act of 1968 (PL 90-284) as amended and will administer all programs and activities related to housing and community development in a manner to affirmatively further fair housing.

8.5 Labor Standards.

Except with respect to the rehabilitation of residential property designed for residential use for less than eight households, the SUBRECIPIENT and all subcontractors engaged in contracts in excess of $2,000 for the construction, completion, rehabilitation, or repair of any building or work financed in whole or in part with assistance provided under this agreement are subject to the federal labor standards provisions which govern the payment of wages and the ratio of apprentices and trainees to journey workers. Under the terms of the Davis-Bacon Act, as amended, the SUBRECIPIENT is required to pay all laborers and mechanics employed on construction work wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor, and shall pay overtime compensation in accordance with and subject to the provisions of the Contract Work Hours and Safety Standards Act (40 USC 327-332), and the SUBRECIPIENT shall comply with all regulations issued pursuant these Acts and with other applicable federal laws and regulations pertaining to labor standards, including the Copeland Anti-Kickback Act. Provided, that if wage rates higher than those required under the regulations are imposed by State or local laws, nothing hereunder is intended to relieve the SUBRECIPIENT of its obligation, if any, to require payment of the higher rates.

8.6 Flood Disaster Protection.

This agreement is subject to the requirements of the Flood Disaster Protection Act of 1973 (PL 93-234). Use of any assistance provided under this agreement for acquisition or construction in an area identified as having special flood hazards shall be subject to the mandatory purchase of flood insurance in accordance with the requirements of Section 102(a) of said Act.

8.7 Clean Air Act and Federal Water Pollution Control Act (Applicable to Contracts and Subcontracts Which Exceed $100,000).

The SUBRECIPIENT shall comply with and require each subcontractor to comply with all applicable

standards of the Clean Air Act of 1970 (42 USC 1857 et seq.), as amended, the Clean Air Act of 1990, the Federal Water Pollution Control Act (33 USC 1251 et seq.), as amended, and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended from time to time.

8.8 Provision of the Hatch Act.

Neither the SUBRECIPIENT's program nor the funds provided therefore, nor the personnel employed in the administration of the program shall be in any way or to any extent engaged in the conduct of political activities in contravention of Chapter 15 of Title 5, United States Code.

8.9 Lead-Based Paint.

Any grants or loans made by the SUBRECIPIENT for the rehabilitation of residential structures with assistance provided under this agreement shall be made subject to the provisions for the elimination of lead-based paint hazards under 24 CFR Part 35. SUBRECIPIENT will comply with the requirements of 24 CFR 570.608 for notification, inspection, testing, and abatement procedures concerning lead-based paint. Such regulations require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly noticed that such properties may contain lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment, and precautions that should be taken when dealing with lead-based paint poisoning.

8.10 Special Assessments.

SUBRECIPIENT will not attempt to recover any capital costs of public improvements assisted in whole or in part with funds provided under Section 106 of the Act or with amounts resulting from a guarantee under Section 108 of the Act by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements, unless: (1) funds received under Section 106 of the Act are used to pay the proportion of such fee or assessment that relates to the capital costs of such public improvements that are financed from revenue sources other than under Title 1 of the Act; or (2) for purposes of assessing any amount against properties owned and occupied by persons of moderate income, the grantee certifies to the Secretary of HUD that it lacks sufficient funds received under Section 106 of the Act to comply with the requirements of subparagraph (1).

8.11 Acquisition, Rehabilitation, and Demolition of Real Property and Displacement of Persons and Businesses

SUBRECIPIENT will comply with the "POLK COUNTY RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE PLAN UNDER SECTION 104 (d) OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974, AS AMENDED." SUBRECIPIENT will conduct any acquisition, rehabilitation, or demolition of real property, and any negotiations for acquisition, rehabilitation or demolition of real property in compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. Unless specifically permitted in Appendix A or Appendix B, SUBRECIPIENT will not cause either temporary or permanent involuntary displacement of any person or business as a result of Community Development Block Grant activities. The SUBRECIPIENT shall provide all notices, advisory assistance, relocation benefits, and replacement dwelling units as required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, Section 104(d) of the Act, and the implementing regulations at 49 CFR 24 and 24 CFR 570.606. SUBRECIPIENT hereby agrees to defend, to pay, and to indemnify the COUNTY from and against, any and all claims and liabilities for relocation benefits or the provision of replacement dwelling units required by federal statutes and regulations in connection with activities undertaken pursuant to this agreement.

8.12 Lobbying Restrictions

SUBRECIPIENT certifies that, to the best of its knowledge and belief:

No federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement;

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and It will require that the language of this Paragraph 8.12 be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, United States Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

8.13 Provisions Required by Law Deemed Inserted.

Each and every provision of law and clause required by law to be inserted in this contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the contract shall forthwith be physically amended to make such insertion or correction.

8.14 SAM Registration and FFATA Compliance

The SUBRECIPIENT shall maintain a current registration in the federal System for Award Management ("SAM") database (http://www.sam.gov) pursuant to the Federal Funding Accountability and Transparency Act (FFATA), P.L. 109-282, as amended by section 6202(a) of P.L. 110-252 and the regulations implementing the Act at 2 CFR part 25 and 2 CFR part 170. If Subrecipient is not currently registered, it must do so within ten (10) days of the date Subrecipient executes this Agreement. A Unique Entity Identification (UEI) Number (https://sam.gov/content/home) is required for registration. Subrecipient must also comply with FFATA, which includes requirements on executive compensation, and implementing regulations in 2 CFR part 170, which includes requirements on reporting subaward and executive compensation information. Subrecipient shall complete and sign the Affidavit attached hereto as Appendix "C" in conjunction with its execution of this Agreement and provide any supporting documentation, if required

8.15 Violence Against Women Act (VAWA)

If applicable to this project, the SUBRECIPIENT shall comply with the Violence Against Women Act ("VAWA") as it has been most recently authorized. VAWA protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated

from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation. In March 15, 2022, President Biden signed into law the Violence Against Women Act Reauthorization Act of 2022 (VAWA 2022), which enhances housing protections for survivors applying for and living in units assisted by HUD programs. VAWA 2022 protects an individual's right to call emergency services and report crime from their homes. The protections also ensure that individuals do not have to fear retaliation from their housing provider for exercising their rights under VAWA or assisting others in doing so, including filing VAWA complaints. For more information about the rights and responsibilities under VAWA, please visit https://www.hud.gov/vawa.

8.16 Build America Buy America (BABA)

If applicable to this project, SUBRECIPEINT shall comply with the requirements of the Build America, Buy America Act, Pub. L. No. 117-58, §§ 70901-52.

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

ARTICLE IX - NOTICES

9.1 SUBRECIPIENT and COUNTY agree that all notices required by this agreement shall be in writing and delivered by U.S. Mail, by messenger or personally delivered to the office of the duly authorized representative of the SUBRECIPIENT or COUNTY as specified herein.

COUNTY:
Jennifer Cooper, Manager
Housing and Neighborhood Development
P.O. 9005, Drawer HS04
Bartow, FL 33830

SUBRECIPIENT:
Clinton P. Cornelius, President, Board of Directors
HELP of Fort Meade, Inc.
202 West Broadway
Fort Meade, FL 33841

ARTICLE X - MODIFICATION

10.1 Any program modification requested by SUBRECIPIENT must be requested at least ninety (90) days prior to the end of the term of this agreement. No modification to this agreement shall be binding on either party unless in writing and signed by both parties.

10.2 In the event that the Board of County Commissioners approves any modification, amendment, or alteration to the funding allocation, the SUBRECIPIENT shall be notified in writing and such notification shall constitute an official amendment.

10.3 The COUNTY may, at its discretion and upon provision of proper notice to the SUBRECIPIENT, amend this agreement to conform to changes in federal, state, and/or county guidelines, regulations, directives, and objectives. Such amendments shall be incorporated by written amendment as a part of this agreement.

ARTICLE XI - ASSURANCES

11.1 SUBRECIPIENT agrees to comply with the provisions of Section 202, Executive Order 11246 and with the guidelines for applicants on equal opportunity obligations for Community Development Block Grants in regard to construction contracts.

11.2 SUBRECIPIENT agrees that it will comply with the following assurances:

a. The SUBRECIPIENT agrees to comply with all applicable federal, state, and county laws, ordinances, codes and regulations. Any conflict or inconsistency between the above federal, state or county guidelines and regulations and this agreement shall be resolved in favor of the more restrictive regulations.

b. In accordance with Title VI of the Civil Rights Act of 1964 (P.L. 88-352), no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the SUBRECIPIENT receives federal financial assistance.

c. In accordance with 24 CFR 570.505, property acquired or improved in whole or in part using CDBG funds in excess of $25,000.00 must be used as intended from the date CDBG funds are first spent until five (5) years after the closeout of the COUNTY participation in the CDBG program. Any transfer of the property or structure shall also be bound.

d. If applicable, SUBRECIPIEINT shall inform affected persons of the benefits, policies, and procedures provided for under HUD regulations.

e. SUBRECIPIENT shall establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties. Should such possible conflicts, real or apparent, arise, the SUBRECIPIENT shall disclose such situations to the COUNTY and the County Attorney's Office for review.

f. The SUBRECIPIENT agrees further that it shall be bound by the standard terms and conditions used in the grant agreement between HUD and COUNTY and such other rules, regulations or requirements as HUD may reasonably impose in addition to the aforementioned assurances at or subsequent to the execution of this agreement by the parties hereto.

g. In accordance with the Drug Free Workplace Act of 1988, the SUBRECIPIENT certifies that it has a policy designed to ensure that the SUBRECIPIENT's workplace is free from the illegal use, possession, or distribution of drugs or alcohol.

h. In compliance with Paragraph (2)(a) of Section 287.133, Florida Statutes, a "person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

i. This contract may be terminated at the option of the COUNTY if SUBRECIPIENT is found to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

ARTICLE XII - FINANCIAL RESPONSIBILITY

Subrecipients and subcontractors must comply with all applicable federal regulations governing the use of CDBG funds in addition to Office of Management and Budget (OMB) Circular 2 CFR Part 200. The new regulations combined a diverse group of regulations into one Super Circular located at 2 CFR Part 200. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards applies to the CDBG funds as now in effect and as may be amended from time to time.

12.1 SUBRECIPIENT gives the COUNTY, HUD, and the Inspector General, through any authorized representative, access to and the right to examine all records, books, papers, or documents relating to the project.

12.2 SUBRECIPIENT agrees to maintain books, records, and documents in accordance with accounting procedures and practices which sufficiently and properly reflect all expenditures of funds provided under this agreement. In accordance with OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations", all SUBRECIPIENTS who receive $300,000.00 or more in total Federal financial assistance within a year must obtain an independent audit.

12.3 SUBRECIPIENT further agrees to provide for audit purposes (upon request) all files, records and documents pertaining to related activities and clientele demographic data contained in this agreement.

12.4 Any funds expended in violation of this agreement shall be refunded in full from nonfederal resources.

12.5 Funding authorization through a Community Development Block Grant shall be used only for eligible activities specifically outlined in this agreement. In the event material progress is not evidenced nor commenced within the time limitations of this agreement, as determined by the COUNTY, the COUNTY

may terminate this contract.

12.6 All funds not expended a result of the aforementioned deficiency of significant material progress or returned as a result of expiration and subsequent termination of the original funding agreement shall be used by the COUNTY at its discretion for reallocation to other eligible CDBG activities.

12.7 Income over and above general maintenance and operating expenses generated as a result of receipt of Community Development Block Grant funds shall be returned to the COUNTY.

12.8 The COUNTY shall have the right to audit and monitor any program income as a result of a Community Development Block Grant activity.

12.9 The Subrecipient shall comply with 2 CFR part 200 Subpart F – Audits. In accordance with 2 CFR §200.510, shall prepare financial statements and a schedule of expenditures of federal awards. The Subrecipient shall provide the County with its annual financial statement within ninety (90) days of the end of its operating year. This financial statement shall be prepared by an actively licensed public accountant.

a) In addition, if expending more than $750,000 of Federal awards during an operating year, the Subrecipient shall comply with the audit provisions contained in 2 CFR 200 subpart F and the Single Audit Act Amendments of 1996 (31 U.S.C. §§7501-7507). Audits shall be conducted annually. The Subrecipient shall submit its annual audit to the County and within one hundred twenty (120) days of the end of the Subrecipient's fiscal year. The Subrecipient must clear any deficiencies noted in the audit reports within 30 days after receipt of any noted deficiencies. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not expended in accordance with the conditions of this Agreement, the Subrecipient shall be held liable for reimbursement to the County of all funds not expended in accordance with those regulations and Agreement provisions within thirty (30) days after the County has notified the Subrecipient of such non-compliance. Any reimbursement by the Subrecipient shall not preclude the County from taking any other action or pursuing other remedies. Failure to comply with these audit requirements constitutes a violation of the Agreement and may result in the withholding of future payments. If the Subrecipient expends less than $750,000 in federal awards during its fiscal year, they are exempt from this requirement, except as noted in 2 CFR §200.503, but records must be available for review or audit by appropriate officials of HUD, the County, or GAO.

12.10 Program income (defined at 24 CFR 570.500) derived from the project, if any, shall revert to the COUNTY for use in the Community Development Block Grant program. If SUBRECIPIENT executes an Assignment of Proceeds and Grant of Lien to the COUNTY specifying the terms of reversion of proceeds from possible future sale of real property, it is incorporated by reference and made a part of this contract.

ARTICLE XIII - EVALUATION AND MONITORING

13.1 The SUBRECIPIENT agrees that the COUNTY may carry out periodic monitoring and evaluation activities as determined necessary by the COUNTY. This agreement is dependent upon satisfactory monitoring and evaluation of activities and other performance measures, including, but not limited to the terms of this agreement, comparisons of planned versus actual progress relating to project scheduling, budget, and output measures. The SUBRECIPIENT agrees to furnish upon request to the COUNTY or its designees and make copies and/or transcriptions of such records and information as is determined necessary by the COUNTY. The SUBRECIPIENT shall submit, upon the request of the COUNTY, information and status reports required by the COUNTY or HUD on forms approved by the COUNTY.

13.2 A sample monitoring instrument attached as Appendix G contains the minimum monitoring measures to be used by the COUNTY. Other measures may also be utilized.

ARTICLE XIV - UNIFORM ADMINISTRATIVE REQUIREMENTS

GOVERNMENTAL AGENCIES

14.0 Applicability of and cross reference to 2 CFR part 200.

(a) Federal awards with State, local and Indian tribal governments are subject to the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards at 2 CFR part 200.

14.1 As applicable Governmental Subrecipients shall comply with 2 cfr Part 200 - "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards":

•Subpart A - Acronyms and Definitions (§§ 200.0 - 200.99)
•Subpart B - General Provisions (§§ 200.100 - 200.113)
•Subpart C - Pre-Federal Award Requirements and Contents of Federal Awards (§§ 200.200 - 200.213)
•Subpart D - Post Federal Award Requirements (§§ 200.300 - 200.345)
•Subpart E - Cost Principles (§§ 200.400 - 200.475)
•Subpart F - Audit Requirements (§§ 200.500 - 200.521)
•Appendix I to Part 200 - Full Text of Notice of Funding Opportunity
•Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards
•Appendix III to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs)
•Appendix IV to Part 200 - Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations
•Appendix V to Part 200 - State/Local Government wide Central Service Cost Allocation Plans
•Appendix VI to Part 200 - Public Assistance Cost Allocation Plans
•Appendix VII to Part 200 - States and Local Government and Indian Tribe Indirect Cost Proposals
•Appendix VIII to Part 200 - Nonprofit Organizations Exempted from Subpart E - Cost Principles of Part 200
•Appendix IX to Part 200 - Hospital Cost Principles
•Appendix X to Part 200 - Data Collection Form (Form SF-SAC)
•Appendix XI to Part 200 - Compliance Supplement
•Appendix XII to Part 200 - Award Term and Condition for Recipient Integrity and Performance Matters

(REMAINDER OF PAGE LEFT INTENTIONALLY BLANK)

NON-GOVERNMENTAL AGENCIES

14.2 Non-Governmental Subrecipients shall comply with the requirements and standards of Allowable Costs/Cost Principles 2 cfr part 225/OMB Circular A-87; 2 cfr part 220/OMB Circular A-21; 2 CRF part 230/OMB Circular A-122 and 2 cfr part 215 Procurement.

The requirements for equipment and real property are contained in 2 cfr section 200.313 (equipment), 2 cfr section 200.311 (real property), 48 cfr section 52.245-1 (equipment and real property), program legislation, Federal awarding agency regulations, and the terms and conditions of the Federal award.
Program income is gross income earned by a non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance (unless there is a requirement for disposition of program income after the end of the period of performance as provided in 2 cfr section 200.307(f)).

Program income (2 cfr section 200.80) includes, but is not limited to income from:

- Fees for services performed,
- The use or rental of real or personal property acquired under Federal awards,
- The sale of commodities or items fabricated under Federal awards,
- License fees and royalties on patents and copyrights, except as provided below, and
- Principal and interest on loans made with Federal award funds.

ARTICLE XV - CONFLICT OF INTEREST

15.1 In the procurement of services by the SUBRECIPIENT, the Conflict of Interest provision in Section 200.112 and 2 CFR 215 Procurement shall be adhered to as applicable.

ARTICLE XVI - OTHER FEDERAL REQUIREMENTS

16.1 The SUBRECIPIENT shall carry out each activity in compliance with all applicable Federal laws and regulations as described below:

- Public Law 88.352 - Title VI of the Civil Rights Act of 1964
- Public Law 90.284 - Title VIII of the Civil Rights Act of 1988
- Executive Order 11063 as amended by Executive Order 12259
- Section 109 of the Act
- Labor Standards
- National Flood Insurance Program
- Relocation and Acquisition
- Employment and Contracting Opportunities;
- Executive Order 11246 (41 CFR Chapter 60)
- Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 17010)
- Lead-Based Paint
- Use of Debarred, Suspended or Ineligible Contractors or Subrecipients
- Displacement
- Conditions for Religious Organizations
- Non-Discrimination Base on Handicap
- Section 504 of the Rehabilitation Act of 1973
- Architectural Barriers Act of 1963
- Environmental Protection Agency Regulations.

ARTICLE XVII - GENERAL PROVISIONS

17.1 The SUBRECIPIENT agrees to abide by the provision of Chapter 112.3135, Florida Statutes, pertaining to Nepotism in their performance under this agreement. The SUBRECIPIENT also agrees to abide by Chapter 119, Public Records, of the Florida Statutes, as the same may be amended or restated during the term of this agreement to include without limitation, the following:

a. Compliance. The SUBRECIPIENT acknowledges the County's obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and to comply in the handling of the materials created under this Agreement. The SUBRECIPIENT further acknowledges that the constitutional and statutory provisions control over the terms of this Agreement. In association with its performance pursuant to this Agreement, the SUBRECIPIENT shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all Applicable Laws.

b. Obligations. Without in any manner limiting the generality of the foregoing, to the extent applicable, the SUBRECIPIENT acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:

I. keep and maintain public records required by the COUNTY to perform the services required under this Agreement;

II. upon request from the COUNTY's Custodian of Public Records or his/her designee, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

III. ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the agreement and following completion of its term if the SUBRECIPIENT does not transfer the records to the COUNTY; and

IV. upon completion of the agreement transfer, at no cost, to the COUNTY, all public records in possession of the SUBRECIPIENT or keep and maintain public records required by the COUNTY to perform the service. If the SUBRECIPIENT transfers all public records to the COUNTY upon completion of the agreement the SUBRECIPIENT shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the SUBRECIPIENT keeps and maintains public records upon completion of the agreement, the SUBRECIPIENT shall meet all applicable requirements for retaining public records. Upon receipt of a request from the COUNTY's Custodian of Public Records, all records stored electronically must be provided to the COUNTY in a format that is compatible with the information technology systems of the COUNTY.

c. Contact. IF THE SUBRECIPIENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUBRECIPIENT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:

RECORDS MANAGEMENT LIAISON OFFICER
POLK COUNTY
330 WEST CHURCH ST.
BARTOW, FL 33830
TELEPHONE: (863) 534-7532
EMAIL: RMLO@POLK-COUNTY.NET

17.2 If applicable, SUBRECIPIENT agrees to comply with Section 286.011, F.S., relating to public meetings and records, and chapter 119 F.S., relevant to public records.

17.3 **If applicable**, the SUBRECIPIENT attests that the COUNTY's procurement requirements were adhered to in the procurement of goods and services purchased pursuant to this contract.

17.4 This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein and that the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

17.5 The SUBRECIPIENT shall assure that records regarding project requirements that apply for the duration of the agreement, the written agreement, and inspection and monitoring reports will be retained for a period of five years. The SUBRECIPIENT shall also assure if any litigation, claim, negotiation, audit, or other action has been started before the expiration of the above mentioned five year term, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the five year period, whichever is later.

17.6 The COUNTY and SUBRECIPIENT agree that all activities shall be governed in all respects by the laws of the State of Florida, venue in the courts of Polk County, State of Florida.

17.7 All notices required by this agreement shall be in writing.

17.8 Nothing contained in this agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the services to be performed under this agreement. The COUNTY shall be exempt from payment of all Unemployment Compensation, FICA, Retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Subrecipient is an independent contractor.

17.9 If any provision of this agreement is held invalid, the remainder of the agreement shall not be affected. Thereby and all other parts of this agreement shall nevertheless be in full force and effect.

17.10 This agreement constitutes the entire agreement between the COUNTY and the Subrecipient for the use of funds received under this agreement, and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written between the COUNTY and the Subrecipient with respect to this agreement.

17.11 The Subrecipient shall comply with the requirements of Florida Statutes, Section 448.095, Employment Eligibility. Prior to entering the Agreement, Subrecipient shall execute and deliver to the County the Employment Eligibility Certification attached as Appendix D to the Agreement.

ARTICLE XVIII - INSURANCE AND BOND

18.1 In accordance with s. 768.28 Florida Statues, the waiver of sovereign immunity in tort actions; recovery limits; limitation on attorney fees; statute of limitations; exclusions; indemnification; risk management programs is applicable to this agreement.

The undersigned person signing as an officer on behalf of the SUBRECIPIENT, a party to this agreement, hereby severally warrants and represents that said person has authority to enter into this agreement on behalf of said SUBRECIPIENT and to bind the same to this agreement, and, further that said SUBRECIPIENT has authority to enter into this agreement and that there are no restrictions or prohibitions contained in any article of incorporation or bylaw against entering into this agreement.

IN WITNESS WHEREOF the parties hereto duly execute this agreement as of the day and year first written above.

SCOPE OF SERVICES
FOR
HELP OF FORT MEADE
(Building for Self-Sufficiency)
Deadline 9/30/2024

I.

This project is located at 5 5th Street, NE, Fort Meade, FL 33841.

HELP of Fort Meade, Inc. was originally formed by the local ministerial association in order to provide more comprehensive and coordinated services to those in need than any one church could provide. HELP of Fort Meade will use CDBG Public Facilities funds to acquire a parcel of vacant land through their Building Self-Sufficiency project to assist those individuals who are homeless and those of a very-low or low-moderate income household. This property is located close to the downtown area of Fort Meade.

CDBG funds will be used for but not limited to the purchase of a large lot, parcel ID #25-31-27-454500-015020, with a legal description; MITCHELL & FRENCH ADD DB L PG 302 BLK P LOT 2 LESS HWY & LESS ADD R/W FOR SR 35 (U S 17) which will become HELP of Fort Meade's new home. Funds will also be used to acquire permits or associated fees for plans/drawings; possible engineer costs; and all other miscellaneous expenses. This lot will be used to build an approximate 70x120x12 steel building, which will furnish offices for staff performing case management services, food pantry for food bags giveaways, and thrift store. This new building will also include ADA accessible components to accommodate any disabled individuals.

HELP of Fort Meade will use CDBG Public Facilities funds not to exceed the total amount of $200,000.00 which will be allocated as follows:

- **$200,000.00** – Land Acquisition

II. Each invoice submitted for reimbursement must be accompanied with proper documentation as set forth in Appendix F. Failure to provide sufficient documentation will delay the processing of the request until such information is received.

The Davis-Bacon Act and Section 3 requirements will be enforced if applicable.

The Subrecipient will follow their procurement procedures providing copies of quotes or bids and forward to Housing and Neighborhood Development.

III. **PERFORMANCE MEASURES**

Outcome/Objective Specific Annual Objectives		Sources of Funds	Performance Indicators	Year	Expected Number
	In FY 2023-2024, the CDBG Public Facilities program will allocate **$200,000.00** to HELP of Fort Meade, Inc. for their Building Self – Sufficiency land acquisition.	**CDBG PF**	Property will be acquired to assist individuals and families who are Homeless, Very-Low, Mod-Low.	23-24	2,000

SCOPE OF SERVICES CONTINUED

III. Other Requirements:

A. Prior to rehabilitation/construction, Housing and Neighborhood Development staff will review and approve specifications and cost allocations.

B. The SUBRECIPIENT shall include in all advertising and/or promotion a statement that whole or partial funding of the project is supplied by Polk County Community Development Block Grant Public Facility funds, or wording to that effect.

C. Maintain documentation that ensures eligibility and compliance with a national objective of the CDBG PF program.

D. The Scope of Service may not be changed or modified without prior written approval received by the COUNTY.

E. Provide account numbers and contract numbers on all correspondence, pay requests, and documents pertaining to this project.

F. Although this agreement is in force until all funds are spent and/or the project is otherwise complete, should the SUBRECIPIENT fail to meet the estimated timeline as presented on Appendix E, and fail to provide acceptable cause for this failure, the COUNTY may terminate this agreement at its sole discretion.

AFFIDAVIT

Federal Funding Accountability and Transparency Act (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The FFATA Subaward Reporting System (FSRS) is the reporting tool Federal prime awardees (i.e. prime contractors and prime grants recipients) use to capture and report subaward and executive compensation data regarding their first-tier subawards to meet the FFATA reporting requirements. Prime contract awardees will report against sub-contracts awarded and prime grant awardees will report against sub-grants awarded. The sub-award information entered in FSRS will then be displayed on www.USASpending.gov associated with the prime award furthering Federal spending transparency.

The Transparency Act requires information disclosure concerning entities receiving Federal financial assistance through Federal awards such as Federal contracts, sub-contracts, grants, and sub-grants.

Specifically, the Transparency Act's section 2(b)(1) requires the County to provide the following information about each Federal award:

- Name of the entity receiving the award;
- Amount of the award;
- Information on the award including transaction type,
- Location of the entity receiving the award and primary location of performance under the award;
- Unique identifier of the entity receiving the award and the parent entity of the recipient;
- Names and total compensation of the five most highly compensated officers of the entity if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in Federal awards; and $25,000,000 or more in annual gross revenues from Federal awards; and the public does not have access to this information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986.

AFFIDAVIT

I, _____ (print name), hereby swear or affirm that:

I have read and understand the information provided above.

I have personal knowledge of the facts I am attesting to in this affidavit.

(please check one of the following)

____ I attest that _____ (agency name) **does not** meet the above threshold requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

____ I attest that _____ (agency name) **does** meet the above threshold* requiring names and total compensation of the five most highly compensated officers of the entity if the entity.

*If agency meets the above threshold, the agency MUST attach a spreadsheet with the names and total compensation of the five most highly compensated officers of the entity, signed and dated by the one of the following: President; Executive Director; CEO; Board Chairperson; Finance Director; CFO; or Treasurer.

I understand that the submission of a false affidavit is punishable as a second-degree misdemeanor under Florida law.

APPENDIX D

EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY) CERTIFICATION

(Florida Statutes, Section 448.095)

PROJECT NAME: **HELP of Fort Meade for Building for Self Sufficiency**

The undersigned, as an authorized officer of the contractor identified below (the "**Contractor**"), having full knowledge of the statements contained herein, hereby certifies to Polk County, a political subdivision of the State of Florida (the "**County**"), by and on behalf of the Contractor in accordance with the requirements of Section 448.095, Florida Statutes, as related to the contract entered into by and between the Contractor and the County on or about the date hereof, whereby the Contractor will provide labor, supplies, or services to the County in exchange for salary, wages, or other remuneration (the "**Contract**"), as follows:

1. Unless otherwise defined herein, terms used in this Certification which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

2. Pursuant to Section 448.095(5), Florida Statutes, the Contractor, and any subcontractor under the Contract, must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor or subcontractor. The Contractor acknowledges and agrees that (i) the County and the Contractor may not enter into the Contract, and the Contractor may not enter into any subcontracts thereunder, unless each party to the Contract, and each party to any subcontracts thereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of the Contract, and the County may treat a failure to comply as a material breach of the Contract.

3. By entering into the Contract, the Contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the Contract. Failure to comply will lead to termination of the Contract, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If the Contract is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If the Contract is terminated for a violation of Section 448.095, Fla. Stat., by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the County as a result of the termination of the Contract. Nothing in this Certification shall be construed to allow intentional discrimination of any class protected by law.

13. Copy of each professional service proposal.
14. Copy of award letter to the qualified professional service provider.
15. Copy of contract between owner and professional services provider.
16. Copy of design drawings and specifications.

Construction

17. Certificate of Completion and/or copy of final permit.
18. Fully Executed Real Property Purchase and Sale Agreement
19. Fully Executed Closing Documents
20. Copy of bid tabulation sheet(s).
21. Copy of each contractor's bid proposal
22. Copy of award letter or minutes of bid award meeting.
23. Copy of contract between owner and contractor or vendor.
24. Copy of Notice to Proceed.
25. Copy of pre-bid meeting minutes and/or sign in sheet (if applicable)
26. Copy of pre-construction meeting minutes and/or sign in sheet (if applicable).
27. List of subcontractors (Company's name, address, trade).
28. Statement of Compliance for contractor and each subcontractor.
29. Weekly payroll from contractor and each subcontractor.

Note: i.e. architect, engineering, appraisers, contractors, vendors

Reimbursement requests will not be processed until all applicable documents are submitted.

SAMPLE MONITORING INSTRUMENT

MONITORING CHECKLIST

The information contained in this Monitoring Checklist/Report is for the purpose of internal quality control. The information does not represent the outcome of an audit by such agencies as HUD, DOT, DOEA, etc. Various state and federal agencies use similar terminology but often with differing definitions. Terms as used in this Checklist/Report are defined as follows:

Finding: **Apparent non-compliance with a regulation, contractual requirement, or policy. (*A Finding will reference the applicable authority [Rule, contract section, policy date or section].)***
Concern: **Condition that if uncorrected, may develop into a Finding.**
Occurrence: **Isolated incident, requiring correction that occurred in spite of adequate quality controls.**

Provider: **HELP of Fort Meade, Inc.**

Project: **Housing and Neighborhood Development Services for the CDBG Public Facilities Program**

Are "Change Orders" properly documented and processed?			
Is there a final inspection report preceding final payment?			
Is there evidence that any/all liens against the contractor been released?			
Is there evidence that the Project Manager regularly monitors the project?			
Based on the evidence available, have all other HUD/County requirements been met?			
Were there any changes to the activity goas or scope of services as indicated in the Agreement?			
Did the activity funding sources change?			

Agenda Item R.24. 11/7/2023

SUBJECT

Approve modification of State Housing Initiatives Partnership (SHIP) Rehabilitation program Homeowner Assistance Agreement and Grant Agreement for the property located in Haines City, FL. for Case# RC22-SHIP-003. ($2,026.00 one-time expense).

DESCRIPTION

Case RC22-SHIP-003 was approved for rehabilitation on February 21, 2023, with a mortgage of $166,500.00 and a grant agreement of $7,935.20, for a total project cost of $174,435.20. During the reconstruction it was determined a tree had to be removed for overhead power and the existing well needed to be repaired. The cost of the additional repairs will be $2,000.00 and the additional recording costs will be $26.00. This increases the mortgage to $168,500.00 and the grant agreement to $7,961.20, for a total project cost of $176,461.20.

RECOMMENDATION

Request approval of this SHIP modification rehabilitation program agreement.

FISCAL IMPACT

Funds are available in the Affordable Housing Trust Fund.

MODIFICATION OF STATE HOUSING INITIATIVES PROGRAM (SHIP)
HOUSING REHABILITATOIN/RECONSTRUCTION
DEFERRED MORTGAGE and SECURITY AGREEMENT

This Modification of HOME Housing Rehabilitation/Reconstruction Deferred Mortgage and Security Agreement ("Modification") made this ____day of _____, 2023 between Nielda L. Dotson, single ("Owner") and Polk County ("County") amends that certain Mortgage and Security Agreement ("Mortgage"), recorded in Book 12624 Pages 2123 through 2126 in the Official Records of Polk County, Florida and covering the real property ("Property") specifically described as follows:

Beginning at a point on the Southeasterly right-of-way line of Hatchineha road 375.81 feet North and 418.28 feet East of the Southeast corner of the SW ¼ Section 19, Township 28 South, Range 29 East, run thence North 50 degrees 45'00" East along said right-of-way line a distance of 110.0 feet, thence South 39 degree 15'00" East a distance of 85.0 feet, thence South 50 degree 45'00" West a distance of 110.0 feet, thence North 39 degree 15'00" West a distance of 85.0 feet to the Point of Beginning, subject to a 10 foot drainage easement along the Southwesterly boundary and subject to an easement for canal right-of-way purposes over and across the Southern 34 feet of the property,

WHEREAS, the County agrees to increase the credit line, on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and agreements exchanged, the parties hereto agree to modify the Mortgage as follows:

The Modification increases the Mortgage by $2,000.00 for a total amount of $168,500.00.

The SHIP Rehabilitation/Reconstruction Deferred Mortgage and Security Agreement Mortgage Note ("Note") and SHIP Rehabilitation/Reconstruction Loan Agreement are hereby amended to provide for an increase in the credit limit in the amount of $2.000.00.

Except as expressly modified above, the terms of the original Mortgage shall remain unchanged and in full force and effect and are legally valid, binding and enforceable in accordance with their respective terms.

Nothing in this Modification shall be understood or construed to be a satisfaction or release in whole or in part of the Note or other credit agreement secured by the Mortgage. It is the intention of the County to retain as liable all parties to the Mortgage and all parties to the Modification, unless a party is expressly released by the County in writing

If it is determined that any other person or entity other than the County shall have a lien, encumbrance, or claim of any type which has a legal priority over any term of this Modification, the original terms of the Note and Mortgage shall be severable from this Modification and separately enforceable from the

terms thereof as modified hereby in accordance with their original terms, and the County shall maintain all legal or equitable priorities which were in existence before the date of execution of this Modification. It is understood by and is the intention of the parties hereto that any legal or equitable priorities of the County over any party which were in existence before the date of execution of this Modification shall remain in effect after the execution of this Modification.

The parties acknowledge having read all the provisions of this Modification and agree to its terms.

REHABILITATION/REPLACEMENT GRANT AGREEMENT
MODIFICATION

This Modification to the State Housing Initiatives Partnership (SHIP) Rehabilitation/Replacement Grant Agreement ("Grant Agreement") dated **Mary 14, 2023 and between Polk County, a political subdivision of the State of Florida ("COUNTY")**, and Nielda L. Dotson, ("OWNER") (each a "Party" and collectively "Parties"), is entered as of this ___ day of _____, 2023.

WHEREAS, the Parties wish to increase the original grant agreement to cover cost of revised plans to include engineers seal.

NOW, THEREFORE, for and in consideration of the premises and the mutual promises and agreements herein, the parties hereto agree as follows:

1. Section 1 is hereby amended to read as follows:

   The OWNER(S) agree(s) to accept an increase of Twenty-Six Dollars and No/100 ($26.00) to the original grant agreement to be used for construction soft costs and temporary relocation benefits. This reduction is a result of modifications made to the original estimated recording costs.

2. This Amendment 1 is hereby made a part of the Grant Agreement. All provisions of the Grant Agreement not in conflict with this amendment are still in effect.

[SIGNATURES APPEAR ON NEXT PAGE]

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed by their duly authorized officers.

MODIFICATION OF STATE HOUSING INITIATIVES PARTNERSHIP PROGRAM HOUSING REHABILITATION/RECONSTRUCTION HOMEOWNER ASSISTANCE AGREEMENT

This Modification of the SHIP Housing Rehabilitation/Reconstruction Homeowner Assistance Agreement ("Modification") made this ____ day of _____202_ between **Nielda L. Dotson**("Owner") and Polk County, a political subdivision of the State of Florida ("County"), hereby amends that certain Homeowner Assistance Agreement ("Agreement"), dated March 14, 2023, by and between the parties hereto.

WHEREAS, pursuant to the Agreement, the County agreed to provide SHIP funds to the Owners in the principal amount of $166,500.00 as a non-amortizing, zero percent (0%) interest rate Deferred Payment Loan ("DPL") for the purposes of Rehabilitation of an owner-occupied home.

WHEREAS the County now agrees to increase the amount of SHIP funds allocated to the Owner in the amount of $2,000.00 for a total DPL of $168,500.00 pursuant to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and agreements exchanged herein and other good and valuable consideration, the parties hereto agree to modify the Agreement as follows:

1. The foregoing recitals are true and correct and are incorporated into the body of this Modification by reference.
2. Section 1: Form of Assistance: The body of this Section is deleted in its entirety and the following is inserted in its place:
   SHIP funds shall be used as a non-amortizing, zero percent (0%) interest rate. The Deferred Payment Loan ("DPL") in the principal amount of $168,500.00 to assist with Rehabilitation/ Reconstruction of an owner-occupied home and a grant agreement in the amount of $7,961.20 for construction soft costs.

3. Section 9: Duration of the Agreement: This body of this Section is deleted in its entirety and the following inserted in its place:

   The SHIP funds in the amount of $168,500.00 are provided as a direct SHIP subsidy in the form of a DPL of a 15-year, zero (0%) interest loan. The 15-year affordability period begins one year after the date of completion of the rehabilitation project of the owner-occupied property that is subject to this Agreement. The Agreement will terminate, and the total amount of the DPL loan will be forgiven at the end of the 15th year as long as the home remains the principal residence of the HOMEOWNER and the HOMEOWNER complies with all other terms of this Agreement, the Note and the Mortgage.

4. Except as specifically amended by this Modification, all provisions of the Agreement be and remain in full force and effect.

Polk County

Board of County Commissioners

Agenda Item R.25. 11/7/2023

SUBJECT

Removal of Uncollectible Accounts from the Rohr Home's Active Accounts Receivable (No Fiscal Impact)

DESCRIPTION

Request Board approval to reclassify $47,534.86 of active accounts receivable records as uncollectible. Of this amount, partial reimbursement from Medicare Part A copays may be recovered on the annual Medicare Cost Report as uncollectible bad debt. This amount is estimated to be $10,239.51.

The balance of $37,295.35 (net of anticipated Medicare Part A cost recovery) will be moved to an uncollectible debts database.

RECOMMENDATION

Approve request to remove $47,534.86 from the active accounts receivable, reclassifying it as uncollectible and transferring $37,295.35 to an uncollectible database.

FISCAL IMPACT

The Fiscal Impact will be accounted for by the Allowance for Uncollectible Accounts.

CONTACT INFORMATION

Alice Brown, Director, Aging & Social Services Manager, 534-5385

Net Bad Debt:	$ 37,295.35

Polk County

Board of County Commissioners

Agenda Item R.26. 11/7/2023

SUBJECT

Approve the Collective Bargaining Agreement between the Polk County Board of County Commissioners (Polk County) and the Federation of Public Employees (Federation), a Division of the National Federation of Public and Private Employees (AFL-CIO)

DESCRIPTION

The proposed change is the result of successful bargaining between Polk County and the Federation for a wage increase of 3.0 percent for all eligible bargaining unit employees. Additionally, all current bargaining unit employees, regardless of their time with the County, will receive a onetime base pay increase of 2.0 percent effective on or around the employee's anniversary date, except in cases stated below

Article XXIII: Rates of Pay

1. Effective the October 16, 2023, pay period and contingent upon receipt of an executed agreement and Board approval, eligible bargaining unit employees will receive a one-time base salary increase of 3%, except in those cases where:

- The 3% pay increase would place the employee above the maximum for their pay grade (Employees at maximum salary of their paygrade will receive a lump sum payment of up to 3%);
- The employee is on Performance Improvement Probation;
- The employee is in a "non-paid" status due to receiving workers' compensation; or
- The employee is on a "non-paid" leave of absence.

2. Effective the October 16, 2023, pay period and contingent upon receipt of an executed agreement and Board approval, eligible bargaining unit employees will receive a two percent (2%) pay increase on the pay period following their anniversary date (employee's initial hire date), except in those cases where:

- The 2% pay increase would place the employee above the maximum for their pay grade (Employees at maximum salary of their pay grade will receive a lump sum payment of up to 2%)
    - o Employees who reach their first full year of service after October 2, 2023 will receive a 2% increase on or about their anniversary date;
- The employee is on Performance Improvement Probation;
- The employee is in a "non-paid" status due to receiving workers' compensation; or
- The employee is on a "non-paid" leave of absence

RECOMMENDATION

Recommend approval of the Federation Collective Bargaining Agreement (CBA) and authorize the

Chair to execute the CBA upon receiving an executed CBA from the Federation in substantially the same form as the CBA attached

FISCAL IMPACT

Funding is available in the Fiscal Year 2023/2024 Budget for the wage increases

AGREEMENT

PREAMBLE

THIS AGREEMENT is entered into as of this day 20th of October 2023 between POLK COUNTY BOARD OF COUNTY COMMISSIONERS, hereinafter referred to as the "County," and FEDERATION OF PUBLIC EMPLOYEES, A DIVISION OF THE NATIONAL FEDERATION OF PUBLIC AND PRIVATE EMPLOYEES (AFL-CIO), hereinafter referred to as the "Federation." It is the intent and purpose of this Agreement to promote harmonious relations between the County and its employees to assure sound and mutually-beneficial working and economic relationships between the parties hereto; to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise; and to set forth herein basic and full agreements between the parties concerning rates of pay, wages, hours of employment, and other terms and conditions of employment. It is understood that the County is engaged in furnishing essential public services which vitally affect the health, safety, comfort, and general well being of the public, and both parties hereto recognize the need for continuous and reliable service to the public.

ARTICLE I
RECOGNITION

Section 1. The County recognizes the Federation as the exclusive bargaining representative in accordance with Chapter 447, Florida Statutes, as amended, in accordance with the Certification number 1269 from the Florida Public Employees Relations Commission dated September 13, 1999, for:

EXCLUDED: All other employees of the Polk County Board of County Commissioners, including office clerical employees, managerial employees, confidential employees, and casual and temporary employees.

Section 2. Whenever the County seeks to establish a new job classification or modify an existing job classification and/or pay range for positions which are included, or believed by the County to be included, in the bargaining unit, the County shall:

1. Notify the Federation prior to implementation.

2. Meet and discuss with the Federation the pay range of the new or modified job classification upon request to do so by the Federation. If the Federation does not respond in writing within 15 days from receipt of the County's notification, the County is free to implement the new or modified pay range.

3. If the Federation disagrees with the inclusion of the classification within the bargaining unit, the classification shall not be included in the unit and the parties may refer the issue to PERC.

Section 3. Whenever the County decides to eliminate a job classification

which is included within the bargaining unit, the County shall:

1. Notify the employees within the job classification and the Federation 15 days prior to such elimination; and

2. Meet and discuss with the Federation, upon request, the impact of the decision to eliminate the job classification.

Section 4. From time to time, employees may be hired in the above-listed positions as Trainees because fully-qualified applicants are not available or because a trainee more closely meets the needs of the County. Therefore, it is also understood that employees hired or transferred into the above-listed positions as regular full-time or regular part-time "Trainee" employees will be included under this article. The special conditions and requirements of "Trainee" status are governed by the Employee Handbook, Section 3.01.

Section 5. Terms in this Contract shall be defined as follows:

A. The Federation of Public Employees, a division of the National Federation of Public and Private Employees (AFL-CIO), which has been granted the right to represent exclusively the members of the bargaining unit, is synonymous with "the Federation", when referred to herein.

B. "Agreement" - That document which delineates the items and terms which were mutually agreed to as the result of collective bargaining.

C. "The Parties" - Polk County Board of County Commissioners, Florida and the Federation.

D. "PERC" - The Public Employees Relations Commission, a state regulatory agency created under Ch. 447 of the Florida Statutes (F.S.).

E. "PERA" - The Public Employees Relations Act, Ch. 447 (F.S.), governing collective bargaining and the rights of public employees.

F. "Bargaining Unit" - That group of employees determined and approved by PERC to be appropriate for the purpose of collective bargaining between the parties.

G. "Collective Bargaining" - The performance of mutual obligations of the public employer and the bargaining agent of the employee organization to meet at reasonable times, to negotiate in good faith and to execute a written contract with respect to agreements reached concerning wages, hours, terms, and conditions of employment, except that neither side shall be compelled to agree to a proposal or be required to make a concession unless otherwise provided for in PERA.

H. "Probationary Employee" - A newly-hired employee, whether full-time or part-time, who has completed less than 180 calendar days of County employment. The probationary period may be extended for up to an additional 180 calendar days upon the written request of the Department Director and the approval of the Personnel Director. Probationary employees shall be covered by the provisions of this Agreement except that no grievance may be filed on their behalf relating to discipline or discharge from employment.

I. "Regular Employee" - An employee who has satisfactorily completed no less than 180 calendar days of employment and has successfully completed the probationary period, in a position which has no predetermined termination date and calls for the employee to work the basic work period or the normal work week as defined in Article XVII of this Agreement.

J. "Non-Eligible Part-Time Employee" - An employee who has satisfactorily completed no less than 180 calendar days of employment in a position which calls for the employee to work less than the normal work week up to, but not more than 19 hours per week, as well as those employees the County hires on an occasional basis and deems "seasonal." These employees are not covered under this Agreement.

K. "Eligible Part-Time Employee" - An employee who has satisfactorily completed no less than one hundred eighty (180) calendar days of employment in a position which calls for the employee to work less than forty (40) hours per week. These employees are covered under this Agreement.

L. "Temporary or Temporary Part-Time Employee" - Employees who have a predetermined termination date of six months or less, or who perform work on a call-out or per diem basis for an unlimited period of time. These employees are not covered under this Agreement.

ARTICLE II
REPRESENTATIVES OF PARTIES

Section 1. The County agrees that during the term of this Agreement, it will deal only with the authorized representatives of the Federation in matters requiring mutual consent or other official action called for by this Agreement. The Federation agrees to notify the County of the name of such authorized representatives as of the execution of this Agreement and replacement therefore during the term of this Agreement.

Section 2. The Federation likewise agrees that during the term of this Agreement, the Federation and the employees covered hereunder shall deal only with the County Manager or a designated representative(s) in matters requiring mutual consent.

ARTICLE III
FEDERATION STEWARDS

Federation Stewards shall not investigate or otherwise handle grievances or conduct other Union business during working hours without the consent and express knowledge of their immediate supervisor, but such consent shall not be unreasonably withheld. A written list of Federation Stewards, their alternate stewards, and areas of responsibility (23 Stewards) shall be furnished to the County within 30 days of the execution of this agreement. The Federation shall notify the County Equity & Human Resources Division within 14 days of any changes to the list.

Working Time – Times when the employee is supposed to be working. Working time includes the working time of the Federation Steward and any employee with whom the Federation Steward may be communicating. Working time does not include meal breaks, coffee breaks or other break periods subject to having to respond to an emergency at any time.

When a Union Steward is offered and accepts an interim supervisory position they will abstain from all Steward Duties while serving in a supervisory capacity.

ARTICLE IV
NON-DISCRIMINATION

Section 1. The County and the Federation agree not to discriminate against any employee for their legal activity on behalf of the County or the Federation; for their membership or non-membership in any union; or because of age, race, color, national origin, religion, sex, disability, marital status, or Veteran status.

Furthermore, in matters of employee disability, the parties acknowledge that the County may make reasonable accommodations to comply with the requirements of the Americans With Disabilities Act, and such accommodations shall not be considered a violation of this Agreement, provided the County agrees, upon request by the Federation, to discuss the effects of such accommodations on any other bargaining unit employees.

Section 2. The parties agree that the County Equal Opportunity Administrator shall be available to unit employees who allege that they have been discriminated against by reason of race, creed, color, national origin, sex, marital status, age or disability. The Equal Opportunity Administrator shall, pursuant to the County's policies, investigate such allegations and take whatever action is necessary.

ARTICLE V
COUNTY'S MANAGEMENT RIGHTS

Section 1. Except as expressly limited by any provision of this Agreement, the County reserves and retains exclusively all of its normal and inherent rights with respect to the management of its operations, whether exercised or not, including, but not limited to, its rights to determine, and from time to time re-determine, the number, location and type of its various operations, functions and services; the methods, procedures and policies to be employed; to discontinue the conduct of any operation, function or service, in whole or in part; to transfer its operations, functions or services from or to, either in whole or in part, any of its departments or other divisions; to select and direct the working force in accordance with requirements determined by the County; to create, modify, or discontinue jobs; to establish and change working rules and regulations; to create new job classifications; to establish and change work schedules and assignments; to transfer, promote or demote employees; to lay off, furlough, terminate or otherwise relieve employees from work for lack of work, lack of funds, or other legitimate reason; to suspend, demote, discharge or otherwise discipline employees for just cause; to subcontract; and otherwise to take such measures as the County may determine to be necessary to the orderly and efficient operation of its various operations, functions and services.

Section 2. If, in the sole discretion of the County Commission, it is determined that civil emergency conditions exist, including riots, civil disorders, hurricane conditions, public employee strikes or similar catastrophes or disorders, the provisions of this Agreement may be suspended by the County during the time of the declared emergency, provided that wage rates and other direct monetary payments shall not be suspended.

ARTICLE VI
PROHIBITION OF STRIKES AND LOCKOUTS

Section 1. "Strike" means the concerted failure of employees to report for duty, the concerted absence of employees from their positions, the concerted stoppage of work by employees, the concerted submission of resignations by employees; the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of the duties of employment with a public employer for the purpose of inducing, influencing, condoning, or coercing a change in the terms and conditions of employment or the rights, privileges, or obligations of public employment, or participating in a deliberate and concerted course of conduct which adversely affects the services of the public employer; the concerted failure of employees to report for work after the expiration of a collective bargaining agreement; and picketing in furtherance of a work stoppage. The term "strike" shall also mean any overt preparation, including, but not limited to, the establishment of strike funds with regard to the above-listed activities.

Section 2. The Federation agrees that, during the term of this Agreement, it shall not participate in, authorize, condone, excuse, ratify, instigate or support in any manner any strike, as defined in this Article.

Should the Federation or employees covered hereunder breach this Article, the Federation agrees that the County shall have unrestricted recourse to all rights provided by Chapter 447, Florida Statutes, including the right to proceed to the appropriate court and obtain an injunction against such breach; that the County may recover from the Federation, or its successor in interest, such damages as may be incurred, and that the County may take any other action or recourse authorized or available under the law.

Any employee covered by this Agreement who violates any of the provisions of this Article shall be subject to disciplinary action up to and including discharge. The Federation may grieve disciplinary actions taken against any employee only with regard to a question of an employee's participation in any of the above described activities. However, once participation has been established, the County's actions are no longer subject to the grievance and arbitration procedure.

Section 3. The County agrees not to lockout employees, in violation of Florida Statutes § 447, Part II.

ARTICLE VII
PRE-EMPLOYMENT PHYSICAL EXAMINATION

All applicants selected for employment, including those who leave county employment and return, must satisfactorily complete a pre-employment medical screening which is appropriate for the type of work expected to be performed. More information regarding the medical screening, which includes a drug test, is set forth in the Polk County Employee Handbook.

If the test is positive, the applicant may request to have a retest of the original or split sample, for which the applicant will pay 100%. However, if the second or split test results are negative, the County will reimburse the complete cost to the applicant.

ARTICLE VIII
LABOR MANAGEMENT COMMITTEE

All too often, after a contract has been agreed to by both parties, the only formal means of communication between labor and management is the contractual grievance procedure. That line of communications is typically one of adversaries; such a "win-lose" environment is clearly not conducive to solving matters of mutual concern. Because an alternate communications channel does not exist, management, in some cases, is often unaware of the operational problems which could potentially develop into labor relations disputes. The purpose of this committee is to provide a forum in which to deal with such day-to-day problems, in a systematic, constructive fashion, and hopefully resolve these matters that would ultimately land on the bargaining table at contract time.

Meetings shall be held on a quarterly basis, during regular business hours, with the date, time and place mutually agreed to by both parties. Each party shall exchange an agenda one ~~(1)~~ week prior to the meeting. Topics not on the agenda shall not be discussed, without mutual consent of both parties.

Each party shall be limited to four individuals unless otherwise agreed.

ARTICLE IX
SAFETY AND HEALTH

The County and the Federation agree to cooperate to the fullest extent concerning the health and safety of employees and the services provided to the public.

The County shall make reasonable provisions to insure the safety and health of each employee during the hours of their employment. Employees will be required to use all safety clothing and protective devices made available by the County and shall also be required to observe safety rules promulgated for their protection. Each employee shall report any unsafe practice or condition of which they are aware to their supervisor or manager in charge immediately.

An employee may be subject to disciplinary measures for failure to observe safety rules or for failure to utilize provided safety equipment.

There shall be established a joint Labor-Management Safety and Health Committee composed of three representatives of the Federation and three representatives of the County. The Committee shall meet from time to time but no less than quarterly. The function of the Committee is to advise the Risk Management Director concerning safety and health matters and to make recommendations to the Risk Management Director that will improve safety and health conditions affecting employees.

The Federation shall also be allowed one (representative on the County Safety Committee.

ARTICLE X
PERSONNEL ASSIGNMENTS

Personnel assignments are an operational decision. The Division Director or a specified representative may reassign personnel at any time; provided, however such reassignment is for a legitimate business reason and not arbitrary and capricious, nor is it used as a form of harassment of the affected employee(s). When such reassignment is permanent, (non-temporary), the County will give the affected employee 15 calendar days written notice of such change, except in emergencies. Management reserves the right to determine personnel requirements and levels at any given time; to determine which positions will be made available for promotion, voluntary demotion, lateral transfer or work location assignment; and when such positions will be filled as long as such determinations to not violate the specific terms of this Agreement.

ARTICLE XI
PROBATIONARY PERIODS

Section 1. The probationary period for persons employed under this Agreement shall be six months from the date of hire; provided, however, the initial probationary period may be extended an additional six months at the discretion of the Department Manager. Such extension shall be in writing to the employee. During such probationary period, the employee may be discharged without recourse to the grievance and arbitration procedure set forth in Articles XX and XXI.

Section 2. Employees requesting and/or being selected for promotion, lateral transfer, or voluntary demotion may be required to serve a "trial period". The "trial period" is a time of evaluation in which the hiring supervisor reviews the work performance of the individual; provided, however, an employee who requests a voluntary demotion to a position which the employee previously occupied as a non-probationary employee within the County shall not be required to serve a trial period. A person shall serve a "trial period" of six months from the effective date of the action, which may be extended by the County for an additional six months. Such extension shall be in writing to the employee. Upon satisfactory completion of a promotional "trial period," the hiring supervisor shall submit both the "Completion of Trial Period Evaluation" form and a Payroll Action Form (PAF). Should the employee fail to successfully complete a trial period in a promotional or lateral transfer situation, the department director will use his or her best efforts to place the employee back in a job classification from which the employee came, assuming there is a position available. If a position is no longer available, the County will make a good faith effort to find the employee another position for which the employee is qualified. If the County is not successful in placing the employee, the employee shall be subject to demotion or termination.

An employee who is promoted or laterally transferred out of the bargaining unit shall retain the employee's seniority as of the date of the promotion or transfer should the employee be returned to the same job classification within six months from the date of the promotion or transfer.

ARTICLE XII
SUBSTANCE ABUSE POLICY

The parties agree that the County's Drug Free Workplace Program Policy Statement, is applicable to employees in the bargaining unit. Should there be any change in the policy; the County agrees to notify the Federation in writing and to give it an opportunity to bargain about the changes. If the Federation does not request to bargain about the changes within 14-days after being notified, the change will become effective on the 15th day. Changes mandated by the U.S. Department of Transportation are not subject to negotiations.

ARTICLE XIII
HOURS OF WORK AND OVERTIME

Section 1. The normal work week shall begin each Monday at 12:01 A.M. and end the following Sunday at 12:00 midnight.

Section 2. Employees on a five-day-per-week work schedule shall normally work 8 hours per day, excluding the meal period.

Section 3. Employees on a four-day-per-week work schedule shall normally work 10 hours per day, excluding the meal period.

Section 4. This Article shall be construed as read and is not a guarantee of any number of hours per day or per week.

Section 5. Overtime shall be paid for all hours worked over 40 in the work week. The rate for overtime shall be 1 ½ times the employee's regular hourly rate pursuant to the FLSA.

Section 6. Overtime pay shall not be pyramided, compounded, or paid twice for the same hours worked.

Section 7. Because of the nature of the services provided to the public, it is recognized and understood that deviation from employees' normal schedules of work may be necessary and will unavoidably result from several causes, such as, but not limited to, rotation of shifts, vacations, leaves of absence, weekend and holiday work, absenteeism, employee requests, temporary shortness of personnel, and emergencies. No such deviation shall be considered a violation of this Agreement; provided, however, that the County agrees to notify the Federation, in writing, of proposed permanent (non-temporary) changes in regular full-time employee's normal schedule 14 days prior to the proposed change. The Federation may request, within 7days after notice of such change, to meet and discuss with the County the proposed changes prior to the implementation by the County of the change(s).

Where operationally feasible, the County shall make every effort to schedule consecutive days off.

Section 8. If an employee is scheduled to work overtime, the employee is expected to do so and refusal to do so may result in discipline up to and including termination. Reasonable notice shall be given to any employee who is expected to work unscheduled overtime. The County will attempt to make this notice three hours whenever practical.

Section 9. Both the County and the Federation agree to the goal of equalization of overtime. Therefore, it is the intent of the County to distribute overtime

as equally as practical between qualified employees in the same or similar work unit in a given job classification consistent with operational needs. To accomplish this objective, supervisors shall strive to equalize overtime on a continuing basis within a reasonable time, but must have sufficient flexibility to accomplish the work to be performed. Overtime records will be maintained in each work unit of the County and will be made available to any affected employee upon request. Each supervisor shall post overtime records quarterly in the supervisor's work unit by job classification and seniority. The County will use its best efforts to provide adequate training to facilitate overtime equalization. For the purpose of equalization of overtime, any employee who declines to work overtime when the employee is offered shall be considered to have worked the overtime offered on the overtime equalization records only.

Section 10. Both the County and the Federation also agree to the goal of equalization of stand-by duty. Therefore, it is the intent of the County to distribute stand-by as equally as practical between qualified employees in the same or similar work unit in a given job classification consistent with operational needs. To accomplish this objective, supervisors shall strive to equalize stand-by on a continuing basis within a reasonable time, but must have sufficient flexibility to accomplish the work to be performed. Stand-by records will be maintained in each work unit of the County and will be made available to any affected employee upon request. Each supervisor shall post stand-by records quarterly in the supervisor's work unit by job classification and seniority. The County will use its best efforts to provide adequate training to facilitate stand-by equalization. For the purpose of equalization of stand-by, any employee who declines to take stand-by duty when the employee is offered shall be considered to have been on stand-by for the number of shifts offered on the stand-by equalization records only.

Section 11. Emergency overtime shall be defined as work time that cannot be scheduled with "prior day" advance notice and requires the employee to remain on the job beyond their normal work schedule. An employee is paid at the overtime rate for emergency overtime work.

Section 12. Emergency call back is defined as time required of an employee to return to the job after having left the job site upon completing their normally scheduled work day. The first time an employee is called back to work during a stand-by shift because of an emergency, the employee shall be paid a guarantee of a minimum of three hours at the overtime rate even if they do not actually work an entire three hours during their first call out. However, if the employee actually works more than three hours during their first call back in a shift, then they will only be paid at the rate of time and one-half for hours actually worked instead of the minimum guarantee. An employee is only permitted one three hour guarantee per shift. After the initial call-back per shift, any additional times an employee is called back in the same shift, they will only be paid at the rate of time and one-half for hours actually worked; provided that the employee has not already been paid for the initial call back. For example: an employee's shift ends at 5:00 p.m. and the employee leaves work and at 6:00 p.m. the employee is called in to work and works for one half hour until 6:30 p.m. The employee receives three hours

guaranteed pay. However if the employee is called back out to work at 7:00 p.m. and works until 7:30 p.m., the employee does not receive any extra pay since the first three hour guarantee covered all hours between 6:00 p.m. and 9:00 p.m. If however, the employee is called out again at 9:30 p.m. and work until 10:30 p.m., the employee would receive an additional one hour at time and one half. This provision will not affect standby pay under Section 14 of this Article, i.e. the $10.00 per shift or portion thereof.

The call back overtime policy is repeated for each shift the employee is called back to work. If, however, the employee is called back to work and the time extends into the next shift, the employee's time is continued on the same basis as the employee began the most recent call back. The call back overtime policy will then go into effect the next time the employee is called back to work as long as the time called back is within another shift. Employees who are called out and work an excessive number of additional hours and want some recuperative time may be allowed to "flex" their time for the next work schedule. If the employee wants to use vacation or PTO time for those hours they must request to do so, and if they have the time, the supervisor should approve that request. However, the use of vacation or PTO hours should be totally voluntary and at the option of the employee. If the employee wants to use the recuperative hours and does not want to flex the employee's time, nor do they want to use vacation or PTO leave, their time may be shown as APPROVED LOST TIME. This approval means that they are authorized to be away from the job and will not be paid for those hours, nor will those hours be held against them when completing annual evaluations.

Section 13. Regardless of whether or not they are officially on standby duty, occasionally employees may be called at home after their normal work shift to answer questions that do not require the employee to physically leave home and go to a job site. Under these circumstances the employee being called will be paid a minimum guarantee of 15 minutes or time actually spent on the phone if the call lasts longer than 15 minutes. They will not be paid per the call-back policy under these circumstances.

Section 14. Employees who are required to be on standby call shall receive $10.00 per eight hour shift for being available for call. If an employee is "scheduled" to work less than three hours and is on standby for the remaining five hours of that shift, the employee will be eligible for the full $10.00. If an employee is scheduled to work between three and five hours and is on standby for the remainder of the shift, then the employee is only eligible for 1/2 of the standby rate $5. If an employee is scheduled to work more than five hours, then they will not be entitled to any standby pay for being on standby for the remainder of that particular shift. Employees called back to work while on a standby shift will be paid in accordance with the emergency call back policy as outlined in the Call Back Overtime Section of this Article.

Employees being paid the standby rate shall be required to respond to any and all official calls. Any employee who fails to respond to an official call shall forfeit the standby pay and shall be subject to disciplinary action. Although the County discourages assignment of employees to standby duty for other shifts during the same 24 hour period in which personal sick leave is taken, such assignment is left to management discretion.

Compensable time for computing call back overtime shall begin when the employee reports to the work site and ends upon their leaving the work site. The work site shall be defined as the actual place the work is to be performed; or in the case where an individual is assigned a County vehicle, the approved designated vehicle parking site. If an employee is on standby and is called to respond to a call-back while en-route home immediately after completing a regular shift, then compensable time for computing call back overtime shall begin when the employee is contacted to respond.

Section 15. Employees working a full shift, with 80% of the hours worked between the hours of 3:00 p.m. and 7:00 a.m., will be paid a six percent shift differential for the full shift. In the event of leave time used within the shift qualifying for shift differential, only the actual hours "worked" will include the shift differential. Should an employee be required to work past their normal shift and that time can be defined as emergency overtime, the employee will be paid at 1-1/2 their normal rate of pay for hours worked in excess of their normal shift. Shift differential will not apply to those hours.

Section 16. An employee who reports for work at the beginning of their scheduled shift and who has not been notified not to so report prior to their scheduled starting time shall be guaranteed a minimum of three hours of straight time pay at their regular hourly rate. The provisions of this section shall not apply, however, when the employee cannot be reached by telephone or when the failure of the County to provide work is caused by labor dispute, storm, flood, hurricane, natural disaster, unavailability of power or utilities, fire, or any other conditions beyond the control of the County. To qualify for the reporting pay, an employee must accept any such work assignment as been made by the County.

Section 17. For purposes of calculating overtime for the week, holidays will be counted as time worked.

ARTICLE XIV
USE OF AND PROCEDURES FOR REQUESTING ANNUAL LEAVE

Annual leave may be used for the following purposes:

1. Vacation leave;

2. Absence to transact personal business which cannot be conducted during other off-duty hours;

3. Illness, when sick leave has been exhausted.

During the last 14 days of each payroll year, the County will accept requests for leave forms and will schedule vacations during the coming year based on these requests, by seniority (on a rotating basis) within the work group.

Thereafter, requests for leave forms must be submitted to and approved by the

scheduling supervisor at least two weeks in advance, prior to the actual taking of normal annual leave. The supervisor must respond to the employee's request, in writing, within 7 days thereafter. These requests will be considered on a first come, first served basis and at the discretion of the supervisor. For emergency leave, prior approval by the scheduling supervisor is required, and such request for emergency annual leave forms must be submitted immediately upon return from such leave.

All annual leave is granted at the discretion of the scheduling supervisor. While a supervisor will attempt to schedule vacations at the time most desired by the employee, the right to allow or change a vacation period is reserved to the scheduling supervisor. The County will not, except in emergencies, recall an employee while the employee is on annual leave; provided, however, in the event of a disaster, it is understood and agreed that all annual leave approvals may be immediately canceled. In the event that the County must cancel a vacation leave which has been requested and approved (prior to December 1) but scheduled to be taken during the month of December, the employee will not forfeit the employee's rights under Section 8.05 of the Employee Handbook, Cash Compensation for Annual Leave, provided that the employee meets all other requirements of Section 8.05, except for having used the required amount of vacation leave (which was scheduled and canceled by the County). Further, the employee will be required to actually take the amount or originally scheduled leave needed to meet the requirements of Section 8.05 by January 31 immediately following the December in which such leave was canceled by the County, and this make up leave will not count towards leave required to be taken to meet the requirements for cash compensation for the new year.

Violations of this policy could result in unauthorized absence and subsequent loss of pay, and/or disciplinary action up to and including termination.

ARTICLE XV
LAYOFF AND RECALL

Section 1. An employee may be laid off when it becomes necessary by reason of, but not limited to: Shortage of funds, lack of work, the abolition of job positions or material changes in job duties or organization structure, or for other reasons which are beyond the employer's control. As a guideline, every effort will be made to provide employees with a minimum of 30 working days notification prior to lay off. No benefits shall be accrued during the period of lay off.

Section 2. Employees shall be laid off in the following order relative to affected job position classifications:

1. Temporary employees
2. Probationary employees
3. Regular employees

Section 3. In recognition of the responsibility of the County to provide

essential, efficient, and safe services to the public, it is understood and agreed that, in all cases of layoff or recall after layoff, layoff in each affected job position classification shall be made in inverse order, giving primary consideration to an employee's ability to do the available work and seniority of such employee. In cases where, in the opinion of the County, the ability of the employees within the job posting classification is relatively equal, seniority shall govern. Layoff shall be in accordance with the provisions of the Employee Handbook if the Handbook is more specific than this agreement.

Section 4. "Seniority," for the purposes of layoff and recall, is hereby defined as continuous length of service within the affected job position classification. "Continuous service" is defined as the period of employment not interrupted by resignation, dismissal, retirement, quitting without notice, or any other termination of employment. When individuals have the same seniority date, birth date shall determine who is the most senior.

Section 5. Any employee who is laid off and is re-employed in a regular classified position within one year of the effective date of lay off shall be reinstated:

1. With no loss of seniority for accrual of sick or annual leave;

2. At a rate of pay comparable to others in the same job classification with a comparable length of service;

3. With a reinstatement of sick leave hours not paid at the time of termination; and

4. With immediate life and health insurance coverage.

Section 6. Employees re-employed in a regular classified position within one year of the effective date of lay-off will receive a new hiring date, even though their "accrual" date (adjusted to deduct time not worked during actual layoff period) will remain as it was prior to lay-off. Such employees will also be subject to serving a trial period if they have not already successfully completed a trial period or initial probationary period in the position in which they become re-employed with the County. Further, such employees will be eligible to use any reinstated sick leave, newly-accrued vacation leave, or PTO which has not been used during the current calendar year immediately upon returning to County employment.

ARTICLE XVI
JURY DUTY AND WITNESS FEES

An employee who is called for jury duty, or is summoned to appear as a witness on behalf of any Town, City, County, State or the Federal Government, shall be granted leave with pay upon presentation of the summons. When an employee has been granted leave for court attendance and is excused by proper court authority, they shall report back to their official place of duty whenever there is an interruption in jury or witness duty.

Failure to do so may cause loss of benefits and/or disciplinary action. Jury fees, witness fees, and mileage will be retained by the employee.

An employee involved in personal litigation will be required to use annual leave. Leave with pay for court attendance shall not be granted when the employee is the defendant or is engaged in personal litigation.

ARTICLE XVII
TUITION REIMBURSEMENT PROGRAM

The Tuition Reimbursement Program exists to provide financial assistance to regular full- time County employees for courses which are taken at accredited schools and which are applicable to the employees' current duties. Course work must serve to enhance the knowledge, skills or abilities relating to official duties which the employee currently performs. Costs for general education courses which are part of a degree- or certificate-producing program but not directly related to the official duties are not eligible. Details regarding the plan, such as eligibility, reimbursement, and conditional reimbursement are found in the Employee Handbook.

ARTICLE XVIII
JOB VACANCIES AND POSTING

If a new job or permanent vacancy occurs in a classification covered by this Agreement and the County determines to fill such opening, the County will recruit for qualified candidates in its approved manner. All job vacancies will be posted on the County's public website, www.polk-county.net. All applications and resumes must be submitted electronically by means of the website access.

The County reserves the right to bypass the posting system and place employees in vacant positions for exceptional circumstances, such as, but not limited to, making reasonable accommodations under the Americans With Disabilities Act, reassignment of qualified employees who are scheduled for layoff, and BOCC approved reorganizations and reclassifications.

ARTICLE XIX
DISCIPLINE AND DISCHARGE

Section 1. The Federation recognizes and acknowledges that the County has the duty of maintaining good discipline among its employees because the County is responsible for the efficient operation and delivery of safe services to the public.

The County shall have the right to discipline employees for just cause.

Disciplinary actions which may be taken include verbal counseling, written counseling, written reprimand, performance improvement probation, involuntary demotion, involuntary transfer, suspension with or without pay, and termination.

Section 2. Counseling sessions related to potential disciplinary action, oral or written disciplinary action, shall, to the extent practicable, be prescribed to employees in a private manner so as to avoid embarrassment before members of the public.

Section 3. An employee summoned to meet with a supervisor/manager is entitled to the presence of a Federation representative at the interview, if the employee requests one, and if the Employee has reasonable ground to believe the meeting may result in disciplinary action against the employee. In the event no such representative is immediately available, the County agrees that the meeting shall be postponed for a reasonable time in order for the representative to be present at such meeting.

ARTICLE XX
GRIEVANCE PROCEDURE

Section 1. A grievance is any dispute which may arise concerning the interpretation or application of this Agreement, which shall be settled in the following manner.

Section 2. Every effort will be made by the employees, the Federation, and the County to address grievances informally and promptly at the first step with the employee's immediate supervisor. An employee shall be accompanied by a Federation representative at each step of the grievance procedure. However, nothing in the Article shall require the Federation to process grievances from employees who are not dues-paying members of the Federation.

Section 3. Grievances shall be presented as set forth below:

Except for grievances arising from termination of employment and except for grievances related to internal promotions, the grievant shall first:

Step 1: Informally discuss the grievance with the employee's immediate supervisor within 10 calendar days from the time the employee or the Federation knew, or by reasonable diligence should have known, of the event in question. The Supervisor shall reach a decision and communicate it within 10 calendar days to the employee and the Federation. Any grievance not raised by the employee within 10 calendar days shall be deemed waived, settled and not subject to arbitration.

Step 2: If the employee is not satisfied with the supervisor's reply in Step 1, within 10calendar days thereafter, the grievance shall be presented, in writing, to the Division Director. The Division Director shall meet with the employee and reply with the decision in writing, within 10 calendar days after receipt of the written grievance.

Step 3: If the employee is not satisfied with the reply in Step 2, within 10 calendar days thereafter, the written grievance shall be presented to the County Manager or designee.

For grievances arising from **termination of employment, the grievance shall be initiated at Step 3 County Manager or designee in writing, within seven calendar days** of the date that the employee received written notification of a recommendation for termination. When an employee is recommended for termination, the employee will be suspended with pay until Step 2 is completed. However, if the employee does not file a timely grievance, or if they fail to appear for the scheduled grievance meeting, then the date of the termination will be the date that the employee was originally presented with the recommendation for termination and they will not be considered to have been on suspension with pay. Also, the employee will not continue to be compensated after 7 calendar days if he/she requests and is granted an extension of time to meet with the County Manager or designee at Step 3. In the event that the employee works in a Division that does not have an official Division Director, the grievance should be directed to the Deputy County Manager in the employee's direct chain of command. The County Manager or designee shall meet with the employee and provide the decision, in writing, within 10 calendar days after receipt of the written grievance.

Step 3: Grievances relating to internal promotions will be initiated at Step 3 (Deputy County Manager) within 10 calendar days from when the employee knew or by due diligence should have known of the event that caused the grievance. The Deputy County Manager, or designee, shall meet with the employee-within 10 calendar days after receipt of the written grievance. A. and provide a written answer to the grievance within 14calendar days of this meeting.

Section 4. If the Grievant is not satisfied with Step 3 of the grievance procedure, the Grievant may proceed to Article XXI, Arbitration. If, at any time in the above-described procedure, the County does not respond within the prescribed time limits, the grievance shall automatically proceed to the next step in the grievance procedure.

Section 5. Time limits may be extended upon mutual consent of the parties, in writing.

Section 6. Instead of the Grievance Procedure outlined above, an employee may elect to utilize the Grievance Procedure Pre-Disciplinary and/Appeal Procedure set forth in the County's Employee Handbook with or without Federation representation. However, such election must be made at the onset of any grievance.

Section 7. Any employee who believes they have been discriminated against based on race, color, national origin, sex, age, disability, religion or marital status, or any employee who believes they have been sexually harassed is expected to report such allegations and seek internal administrative redress through the County's policies and

procedures relative to these issues.

Section 8. **(OTHER PROCEDURES FOR PROCESSING OF GRIEVANCES)**

A. All written grievances will be presented using the "Official Grievance Form" marked as Addendum C of this contract, and a copy of THE original grievance will be provided to the County official hearing the grievance at each step in the grievance procedure.

B. All grievances will be legible and contain enough pertinent information as to clearly define the issues and circumstances surrounding the grievance, as well as providing the names of initial witnesses. Additional pages may be attached to the grievance form if necessary in order to fully describe the issues and circumstances.

C. The steward and/or the Federation business representative representing the grievant will be responsible for coordinating meeting times and places, as well as notifying the grievant, the grievant' s supervisor and union witnesses (and their supervisors) of any such meeting no less than 24 hours from the scheduled meeting. However, the number and names of any witnesses to attend any particular grievance meeting must be agreed to in writing in sufficient time prior to such meeting.

D. Except when a steward is the grievant and the chief steward and/or Federation business representative represents him/her, only one steward will attend any given grievance meeting through and including step 2 in the grievance procedure.

E. For purposes of this article, if the last day for either party to respond to the other or perform an act falls on a Saturday. Sunday or a holiday recognized under this Agreement, the time will be extended to the next business day.

ARTICLE XXI
ARBITRATION

Section 1. Only grievances which satisfy each of the following conditions are subject to arbitration hereunder.

(a) The written grievance and written demand for arbitration clearly identifies the section of provisions allegedly violated and the remedy or correction requested.

(b) A demand for arbitration has been made in writing within 30 calendar days from and after receiving the Deputy County Manager's answer.

(c) The grievance was processed within the time limits set forth in Article XX. Time limits are jurisdictional questions to be determined by the Arbitrator in the same proceeding in which the merits are presented. The Arbitrator shall first hear the parties on the time limits issue and either makes a ruling after the parties' presentation, OR the Arbitrator may withhold a ruling and proceed with the merits of the case and rule on the issue of time limits after the merits of the matter have been presented. The Arbitrator's decision shall be rendered, in writing; either 30days after the proceeding, if the parties presented an oral summation, or 30 days after the parties have submitted their written briefs.

Section 2. Where mutually agreed, grievances appealed to arbitration may be mediated.

Within 15 calendar days of either party requesting arbitration, and upon mutual agreement, the parties will schedule a mediation conference to be held at the earliest available date. The parties shall mutually agree on the selection of a mediator. The mediation conference will normally be held in either the County or Federation facility. Should the availability of a mediator unnecessarily delay the processing of the grievance in the opinion of either party, either party may request that the mediation step be bypassed and the grievance be scheduled for arbitration.

All written material that is presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the mediation conference. The mediator may, however, retain one copy of the written grievance, to be used solely for purposes of statistical analysis.

Proceedings before the mediator shall be informal in nature. The presentation of evidence is not limited to that which has been presented in the grievance proceedings; however, the issue mediated will be the same as the issue the parties have tried to resolve through the grievance process. No record of the mediation conference shall be made.

The mediator will have the authority to meet separately with any person or persons, but will not have the authority to compel the resolution of a grievance.

The County and Federation spokesperson at the mediation conference may accept the resolution proposed by the mediator, and such settlement, or any other settlement resulting from the conference, shall not be precedent-setting, unless both parties agree.

If no settlement is reached during the mediation conference, the grievance is subject to being scheduled for arbitration in accordance with this Article.

In the event that a grievance which has been mediated subsequently is arbitrated, no person serving as a mediator between these parties may serve as Arbitrator. Nothing said or done by the mediator may be referred to at arbitration. Any settlement proposal

made by either party at the mediation conference shall not be referred to at the arbitration hearing.

The parties will share equally the costs associated with mediation.

Section 3. In the event that the parties cannot mutually agree on the selection of an Arbitrator within 10 working days, the party seeking arbitration may request a list of seven Arbitrators from the Federal Mediation and Conciliation Service. Before requesting a list from FMCS, the parties will make every effort to select an Arbitrator themselves. The parties shall alternatively strike the names from the list with the party initiating the grievance striking first, and the remaining name shall be the Arbitrator. In any event, the Party seeking arbitration must, if an arbitrator is not mutually selected, request from FMCS a list of arbitrators within 60 days from their demand for arbitration as set forth in Section 1(b) of this Article. Failure to request a list within 60 days will automatically deem the grievance as being moot and the arbitration demand as untimely. The Arbitrator shall promptly conduct the hearing on the grievance at which both parties shall be permitted to give evidence and argument. The decision of the Arbitrator shall be rendered in writing and shall be final and binding on all parties.

Section 4. The time limitations set forth in this Article are of the essence of this Agreement.

Section 5. Jurisdiction of the Arbitrator selected shall be limited to:

(a) Interpretation or application of the specific terms of this Agreement, which are applicable to the particular issue presented to the Arbitrator; such jurisdiction shall not give the Arbitrator authority to supplement or modify this Agreement; and

(b) The rendition of a decision or award which in no way modifies, adds to, subtracts from, changes, or amends any term or condition of this Agreement or conflicts with the provisions of this Agreement; and

(c) The rendition of a decision or award which is not retroactive to a date preceding the date of the occurrence of the event on which the grievance is based; and

(d) In a discharge or disciplinary suspension, if the Arbitrator finds that the employee(s) was not discharged or disciplined for just cause, any award of back wages shall be limited to the amount of regular straight-time wages and overtime the employee would otherwise have earned from the employee's employment with the County during the period limited by subparagraph (c) above, less any unemployment compensation and compensation for personal services that the employee may have received or be entitled to from any source during such period or any assistance from any state or federal government agency less any amounts of welfare

or state disability the employee is required to refund to the government; and

(e) The rendition of a decision or award in writing which shall include a statement of the reasons and grounds upon which such decision or award is based; and

(f) The rendition of a decision or award based solely on the evidence and arguments presented to the Arbitrator by the respective parties in the presence of each other and the arguments presented in the written briefs of the parties.

No one Arbitrator shall have more than one ~~(1)~~ grievance submitted to that Arbitrator and under consideration by that Arbitrator at any one time unless the parties hereto otherwise agree in writing. A grievance shall be deemed under consideration by an Arbitrator until the Arbitrator has rendered his decision and award in writing.

The decision of the Arbitrator within the limits herein described shall be final and binding upon the County. the Federation, and the employee(s) affected. subject to judicial review.

Section 6. All fees and expenses of the Arbitration shall be the responsibility of the losing party (including the cost of a court reporter and associated transcripts). Each party shall bear the cost of preparing and presenting its own case.

ARTICLE XXII
BULLETIN BOARDS

The Federation shall be permitted to post notices on one standard size bulletin board to be furnished by the County for the Federation's sole use at each work location at which there is a Union steward. A copy of all material to be posted shall be provided via FAX or e-mail to the County Equity & Human Resources Division simultaneously with the posting. These bulletin boards are to be used for neutral information conveyance purposes only, and the bulletin board notices shall be limited to:

1. Notices of Union recreational and social affairs;
2. Notices of Union elections;
3. Notices of Union appointments and results of Union elections;
4. Notices of Union meetings;
5. Other notices concerning Union affairs which are only informational and neutral in nature.

The County may remove from the bulletin board any materials which in the County's judgment does not meet the above standards.

ARTICLE XXIII
RATES OF PAY

1 Following County approval, and effective the pay period beginning on October 2, 2023, eligible bargaining unit employees will receive a one-time base salary increase of 3.0percent, except in those cases where:

- The employee is on a Performance Improvement Probation;
- The employee is in a "non-paid" status due to receiving workers' compensation; or
- The employee is on a "non-paid" leave of absence.

Notwithstanding any other provision of this Agreement, all current bargaining unit employees, regardless of their time with the County, will receive a onetime base pay increase of 2.0percent effective on or around the employee's anniversary date, except in those cases where:

- The employee is on a Performance Improvement Probation;
- The employee is in a "non-paid" status due to receiving workers' compensation; or
- The employee is on a "non-paid" leave of absence.

The 2.0 percent base pay increase will be based upon each individual's rate of pay as of the time of their anniversary date. Employees who are at the maximum pay for their pay grade will receive a one-time lump sum payment.

2. Employees on a disciplinary probation are not entitled to an increase while on probation, per the County Handbook.

Section 1. PAY PLAN ADJUSTMENT

PAY PLAN ADJUSTMENTS: Pay plan adjustments (to the minimum and maximum of all pay ranges) for all employees effective the pay period beginning on October 2, 2023 and with the following provisions: (a) No adjustment shall increase the employee's pay beyond the new maximum of the range; (b) If the employee is on disciplinary probation when raises are due, then he/she will not begin receiving the adjustment until the first full pay period following the date that they successfully complete such probation, and such increase will not be paid retro-active; (c) Employees who are on "non-pay" status because of workers' compensation claim or leave of absence will receive no increase until actually returning to work. Upon return to regular employment status, the employee will receive the salary adjustment beginning the pay period they return to work and will not be paid retroactive to the effective date for other employees or to the employee's hire date anniversary; (d) there will be no retroactive pay for any

period between October 2, 2023, , and the ratification date.

Any increases due to pay plan adjustments, annual steps, promotions, pay for performance or any other such reason will be calculated upon and added to the employee's "base" rate WITHOUT incentives. Any incentives for which an employee qualifies will be added back into the employee's "current" rate after any adjustments to their "base" rate. Base rate of pay is what an employee earns hourly without any incentives or premium pay. Current rate of pay is what an employee earns after all incentives and/or premiums are added to their base rate of pay.

An employee who is selected for a promotion to a higher pay grade will have their current base rate increased to the minimum of the new pay grade or 5%, whichever is greater. If the 5% is greater (and not on an even step), then the employee will be placed into the step of the new pay grade which is the closest to, but higher than the 5%.

A. Lateral Transfers:

An employee who transfers from one job to another within the same pay grade shall maintain their current pay grade and step.

B. Voluntary Demotions:

An employee who accepts a job of a lesser pay grade shall be offered a salary commensurate with other employees of the same job classification and pay grade, considering time in grade.

Section 2. ANNUAL PAY PLAN ADJUSTMENTS

The parties agreed that the minimum and maximum salary for each pay grade will be increased by 3.0% beginning on October 2, 2023. This will be a one-time increase to the minimum and maximum salary for each pay grade.

Section3. Plant Operators Incentive. The County agrees to continue to pay Water and WPC Plant Operators a pay differential in accordance with its present policy, for each certificate designated as "B" and /or "A." The employee will be paid commensurate with the highest certification (A or B) that the employee possesses.

Section 4. Fleet Technicians Incentive. The County will pay employees employed in the Fleet Division as Fleet Technicians (and Fire Equipment Mechanic(s) in Fire Services) an incentive for certification by the National Institute of Automotive Service Excellence ("NIASE" or "ASE" for short) in the following areas:

1. Engine performance

2. Heating and air conditioning
3. Electrical systems
4. Brakes
5. Suspensions and steering
6. Manual drive train and axle
7. Automatic transmissions/transaxle
8. Engine repair
9. Gas engines (heavy duty trucks)
10. Diesel engines (heavy duty trucks)
11. Drive trains (HDTs)
12. Brakes (HDTs)
13. Suspensions and steering (HDTs)
14. Electrical systems (HDTs)
15. Heating and A.C. (HDTs)
16. Preventive maintenance (HDTs)

and for certification as a Master Automotive and/or Master Medium/Heavy Truck Technician in accordance with the County's Fleet Technician Incentive Program, which is attached to the contract as Addendum B.

Section 5. Emergency Vehicle Technician (EVT) Certification Incentive. The County will pay employees employed in the Fleet Management Division an incentive for attaining the following levels of EVT certification for both Fire Apparatus and Ambulance. The certification is by the EVT Certification Commission in Dundee, Illinois in the following areas:

Fire Apparatus:

EVT Level I Reqs.	EVT Test	Description	Incentive Amount
ASE's T-4; T-5; T-8	F-2	App. Design & Perfor.	$0.10/hour

EVT Level II Reqs.	EVT Test	Description	Incentive Amount
ASE's T-2; T-3; T-6	F-3	Pumps	$0.10/hour
	F-4	Electrical	$0.10/hour

EVT Level III Reqs.	EVT Test	Description	Incentive Amount
ASE's T-1; T-7	F-5	Aerials	$0.10/hour
	F-6	Automatic Transmission	$0.10/hour
Level III Incentive Bonus			$0.25/hour

Ambulance:

EVT Level I Reqs.	EVT Test	Description	Incentive Amount
ASE's A-4; A-5; A-6; A-8	E-1	Design & Prev. Maint.	$0.10/hour

EVT Level II Reqs.	EVT Test	Description	Incentive Amount
ASE's A-1; A-3: A-7: T-2	E-2	Ambulance Electrical	$0.10/hour
	F-3	Heating & Air Cond.	$0.10/hour

EVT Level III Reqs.	EVT Test	Description	Incentive Amount
A-2; T-4; T-5	E - 4	Body & Chassis	$0.10/hour
Level III Incentive Bonus			$0.25/hour

Section 6. Trade Incentives. The County agrees to pay employees who are employed in the following job classifications:

1. Electrician
2. Plumber
3. A. C. refrigeration mechanic
4. Carpenter
5. Welder
6. Electronics Technician
7. Painter

and who provide documentation of an advanced certification (Journeyman or Master) specific to the employee's job duties which is satisfactory to the County, an additional 5% above their regular rate. Any costs incurred in acquiring any such certification by an employee shall be paid by the employee, and not the County. The intent of this article is not to doubly compensate an employee who has more than one certificate.

Section 7. Performance increases, merit pay increases, wage adjustment and pay raise adjustments shall not continue after the expiration of this Agreement. However, all other provisions of this Agreement shall remain in full force and effect until a new agreement is approved by the parties.

Section 8. Working Out of Classification. Whenever any employee is assigned to work out of the employee's regular classification for 50 hours or more during two-consecutive pay periods 4 weeks, approval by the appropriate division director is required. The position being filled in this manner must be a budgeted, allocated position which is temporarily vacant due to a legitimate reason such as turnover or leave of absence.

An employee who is temporarily assigned to a position with a higher pay grade for at least 5 hours within two regular pay periods 4 weeks) for checks dated within each month will be paid a premium of 5% for all hours worked out of class for that period. The additional time to be paid for working out of class will be entered on the regular Time and Attendance system by the work units (Earning code #31). This time is to be added to week 1 of the first check received for the month following the time period

worked. When there are three pay periods in a month, the total hours worked must be 75 hours minimum rather than the usual 50 hours minimum. (Three pay periods occur twice a year.)

An employee who is assigned to a lateral or lower class in order to meet the County's temporary needs shall retain the employee's regular rate of pay.

TRAINING EXEMPTION: In order to gain experience for advancement potential, employees may work out of class without additional compensation when participating in a documented training program. Participation must be voluntary and approved by the appropriate division director. and must be signed by the employee.

ARTICLE XXIV
DUES CHECK-OFF

Section 1. The County shall deduct dues and uniform assessments owed by the employee to the Federation on a bi-monthly basis; provided that prior to such deduction, the Federation has provided the County with a signed authorization from each employee whose dues are to be deducted that such deduction is authorized, a copy of which is attached hereto and designated Exhibit "A". Deductions shall be made bi-monthly and forwarded to the Federation within 10 days of said deduction.

Section 2. Notwithstanding anything herein to the contrary, any authorization for dues deduction may be canceled by the employee upon 30 days written notice to the Federation. The Federation will in turn then notify the County within 15 days thereafter so that deductions may be stopped in a timely manner. Such notification from the Federation to the County shall be via FAX to the attention of the Clerk of the Circuit Court's payroll section. The form labeled "Cancellation of Dues Deductions" (Exhibit D, located at the back of this agreement) shall be used to facilitate such requests by employees. However, dues deductions will be cancelled immediately and automatically without 30 days written notice upon the effective date of termination of employment or when, due to transfer, promotion, or voluntary demotion, a bargaining unit employee begins working in a position which is not part of the bargaining unit. The affected employee is responsible for directly notifying Payroll when accepting a new position outside of the bargaining unit.

Section 3. Notwithstanding anything herein to the contrary, any authorization for dues deduction may be canceled by the employee upon 30 days written notice to the Federation. The Federation will in turn then notify the County within 15 days thereafter so that deductions may be stopped in a timely manner. Such notification from the Federation to the County shall be via FAX or E-mail to the attention of the Personnel

Division Clerk of the Circuit Court's Payroll Section. The form labeled "Cancellation of Dues Deductions" (Exhibit D, located at the back of this agreement) shall be used to facilitate such requests by employees. However, dues deductions will be cancelled immediately and automatically without 30 days written notice upon the effective date of termination of employment, or when, due to transfer, promotion or voluntary demotion. a bargaining unit employee begins working in a position with is not part of the bargaining union. The affected employee is responsible for directly notifying Payroll when accepting a new position outside of the bargaining unit.

Section 4. Nothing contained herein shall require the County to deduct from a salary or be otherwise involved in the collection of any fine, penalty or special assessment.

ARTICLE XXV
EXISTING RULES AND PRACTICES

Section 1. The County policies, procedures, and County Employee Handbook, are hereby incorporated by reference into this Agreement. Where there is a conflict between the County's policies, procedures and the County Employee Handbook and the express terms of this Agreement, the Agreement will prevail. The Federation agrees that such policies, procedures and Employee Handbook may be formulated, amended, revised and implemented at the sole and exclusive discretion of the County Manager; provided, however, that such formulation, amendment, revision and implementation will be neither arbitrary nor capricious. In the event that a contemplated change is to be made, the County Manager shall provide at least 21 days notice of such change to the Federation with the exception of those changes which, if not implemented immediately, would pose a safety risk to employees or the public. The Grievance and Arbitration provisions of this agreement shall be limited to whether or not the contemplated changes are arbitrary, capricious and/or violate the express terms of this Agreement. Any such grievance shall be initiated, in writing, at the third (3rd) step of the Grievance procedure. This section shall also apply to safety manuals, standard operating procedures (SOPs), and other standards currently utilized by the various work units throughout the County.

Section 2. The County has the right to post and enforce new policies, procedures and changes to the Employee Handbook not in conflict with this Agreement during the life of this Agreement. The Federation has the right to grieve during the first 21 days of the new policies, procedures or changes to the Employee Handbook which are posted. The Grievance and Arbitration provisions of this Agreement shall be limited to whether or not the changes are arbitrary, capricious and/or violate the express terms of this Agreement. Any such grievance shall be initiated in writing, at the third (3rd) step of the grievance procedure. If the new policies, procedures or changes to the Employee Handbook are not grieved during this time period, they will stand as posted.

ARTICLE XXVI
PROMOTION - OUT OF UNIT

If an employee is promoted out of the bargaining unit and if the employee returns to the bargaining unit within six months of said promotion, the employee shall retain all of the employee's seniority in the former position.

ARTICLE XXVII
OTHER BENEFITS

Bargaining group employees covered by this contract will enjoy the same benefits and on the same basis as similarly situated non-bargaining group employees except where specifically noted in this article of this contract.

Section 1. Sick Leave Incentive

For purposes of this section, the "year" will begin and end on the last pay period paid in the calendar year, beginning December 25, 2000. Therefore, starting with the pay period beginning December 25, 2000, regular employees who use NO sick leave during the new year will be credited with an additional eight-hours (full time) or four-hours (part time) of vacation to be used in the following year. That is, those qualifying for the incentive will have an "additional" 8 hours (full time or (4) hours (part time) credited to their sick leave bank, from which the incentive PTO earned will be paid. **EXAMPLE**: a regular full time employee uses no sick leave from December 25, 2000 through the last pay period paid in December, 2001; at the end of the last pay period paid in December, 2001, the employee has 120 hours in the employee's sick leave account; therefore, the employee is credited with an additional 8 hours of sick leave, so that the employee has 128 hours in their sick leave account beginning the first pay period following the last pay period in December 2001; however, the incentive will actually be taken as an extra PTO day which can be taken during the calendar year starting with the first pay period following the last pay period paid in December, 2001. Employee Handbook rules for use of PTO will apply.

Section 2. Personal Time Off (PTO) Leave

All regular full time employees may use 24 hours per payroll year as Personal Time Off (PTO). All regular part time employees may use 12 hours of PTO per payroll year. Regular Part Time employee must average at least 20 hours per week to qualify. PTO may be used in increments of less than a work day. PTO must be approved in advance by the employee's immediate supervisor and may be used before or after a holiday when pre-approved by the employee's immediate supervisor. PTO is granted at the discretion of the employee's immediate supervisor.

PTO hours will be designated and accounted for separately on the Request for Leave Form, but will be deducted from an employees accrued sick leave account. The use of PTO hours will NOT be considered when evaluating an employee's number of hours used relative to attendance performance. However, employees are responsible for monitoring their use of PTO. Any use of PTO hours in excess of the annual allocation

will be a violation of this policy and any excess hours will be deducted from an employee's annual leave account or will be charged as lost time if the employee is not qualified for annual leave or if their annual leave account is depleted. Employees are encouraged to call the Equity & Human Resources Division in advance of using PTO if there is any doubt concerning the number of PTO hours they have available. PTO hours not used by the end of the payroll year will be forfeited and may not be carried over to another year.

Section 3. Use of Sick Leave

The rules and procedures for use of sick leave will be governed by the Employee Handbook. However, instead of three days of Unexcused absences being allowable, four days will be allowable under this contract. For purposes of clarification, the allowance to use and to be paid for four days of sick leave per evaluation year without a doctor's excuse and without penalty means 40 hours per year for employees who work four ten hour days per week and 32 hours for employees who work five eight hour days per week. Also, although during the course of each year supervisors will track and record all time out due to illness without a doctor's slip as Unexcused absences, only those absences without doctors' notes that exceed the 40 or 32 hours per year allowable will be reflected as Unexcused absences on the employee's annual evaluation. Thus, the first 40 or 32 hours per year will be reflected only in the total hours absent for evaluation purposes. (EXAMPLE): An employee who normally works four ten hour days per week and is allowed 40 hours of Unexcused absences is actually out sick for 45 hours for the year without a doctor's excuse five hours over the allowable limit of 40 hours, plus the employee is out an additional 20 hours with a doctor's excuse for a total of 65 hours out sick for the year. At the end of the year, then, the employee's evaluation will show a total of 65 hours out sick for the year, but only 5 of those hours (45 actual Unexcused minus 40 hours allowable Unexcused) will be reflected as Unexcused.

For purposes of designating whether an absence is excused or unexcused, a note from a school nurse or administrator will be deemed sufficient to excuse an employee and allow the use of sick leave to tend to their child, but **only** for the day in which the child had to be removed from school due to illness.

Section 4. Smoking Cessation

Effective in the calendar year beginning on January 1, 2017 and in each calendar year thereafter, a bargaining unit employee will be entitled to a $50 per pay period discount from the employee's health insurance premium when that the employee certifies by affidavit that the employee: (1) does not use any tobacco products and will refrain from using any tobacco product; or (2) enrolls in and completes a smoking cessation program. The completion of a smoking cessation program will entitle the employee to the discount for the calendar year in which the employee completed the smoking cessation program or certified non-use of tobacco products. Those employees who use tobacco products and who do not enroll in and complete a smoking cessation program will not be

entitled to the discount. The decision whether or not to enroll in a smoking cessation program will be voluntary for each employee.

Section 5. Retiree Health Supplement

The County will provide a retiree health insurance supplement as specified by County Ordinance, and in the event that the County Ordinance is revised, the County will meet with the Union on request to negotiate the impact of the revised ordinance.

Section 6. Tool Reimbursement

Bargaining group employees covered by this contract, who are required to provide their own hand tools, may be eligible for an annual $100.00 tool reimbursement for the purchase of hand tools that are used during the employee's performance of his/her job duties. Tools that are not used during the course of the Employee's performance of his/her job duties will not qualify for reimbursement. Employees accept the responsibility to use proper tools for job duties in accordance with accepted practices of the division and/or instructions of supervisors.

In order for a tool to qualify for the reimbursement, the Director or his designee must provide prior written approval of the tool's purchase.

Should employee's employment with the County end, for any reason, within two years of receiving a tool reimbursement, employee will be responsible repaying the County the reimbursement funds. The repayment will not exceed $200.00.

Employee must present both the tool(s) and purchase receipt(s) to the Director or his/her designee when submitting the reimbursement. The request for reimbursement must be submitted within 30 days of the tool's purchase. Employee may not seek more than one reimbursement for the same tool regardless of the tool's cost.

Employee must return any reimbursement monies received should he/she return the tool for a refund. The failure to do so will be considered theft and Employee will be subject to discipline pursuant to the applicable discipline policies.

Section 7 Tool Insurance

The County will insure from theft any personal tools and equipment Employees use during the course and scope of their employment. The tools must have been stolen from a County facility or vehicle. Employees are not eligible for reimbursement if the tools are stolen as a result of the Employee's failure to properly secure the tools. This includes, but is not limited to times when the Employee fails to secure the tools in a locked tool box or vehicle. Tools that are left out in the open or in an unlocked tool box or vehicle will not be covered under this Section. Further, lost or misplaced tools are not eligible for reimbursement.

In order to be reimbursed from any theft, Employee must electronically provide the Employee Relations Manager with a written inventory of the tools, on the County established form, and pictures of the tools. The inventory form must have been submitted before the asserted theft to receive reimbursement. Any tools obtained by the Employee after January 1, 2022 that are added to the inventory must also be accompanied with a receipt documenting the purchase along with being listed on the inventory and providing pictures of the tools.

Any tool(s) not identified on the inventoried list submitted by the employee will not be eligible for reimbursement. Therefore, it is Employee's sole obligation to update Employee's filed inventory form any time the Employee obtains new tools that the Employee seeks to have insured by the County under this Section.

Tools purchased through the County's Tool Reimbursement program, as outlined in Section 6 above, are not eligible for insurance coverage under this section.

In order to seek reimbursement, the Employee must submit a written request on the County established form, along with a police report documenting that the tools were reported stolen to the Employee Relations Manager. The police report must document that the tools were reported stolen within 24 hours of the discovered theft. The written request seeking insurance coverage must be submitted within ten business days of the theft to be eligible for reimbursement under this Section.

ARTICLE XXVIII
COMPLETE AGREEMENT - MUTUAL AGREEMENT TO AMEND

A. It is understood that both the County and the Federation waive their right to modify or amend the terms of this Agreement except by mutual consent and that the terms of this Agreement constitute a complete understanding between the parties.

B. Amendments to this Agreement mutually agreed upon by both parties hereto may be made at any time, provided such amendments are reduced to writing and signed by the authorized representatives of the parties.

ARTICLE XXIX
SEVERABILITY AND WAIVER

Section 1. Each and every clause of this Agreement shall be deemed separable from each and every other clause of this Agreement, to the end that in the event any clause or clauses shall be finally determined to be in violation of any law, then, and in such event, such clause or clauses only, to the extent only that any may be so in violation, shall be deemed of no force and effect and unenforceable without impairing the validity and the enforceability of the rest of this Agreement, including any and all

provisions in the remainder of any clause, sentence or paragraph in which the offending language may appear.

Section 2. The exercise or non-exercise by the County or the Federation of the rights covered by this Agreement shall not be deemed to waive any such right or the right to exercise them in the future.

ARTICLE XXX
DURATION - MODIFICATION AND TERMINATION

Section 1. This Agreement shall be in full force and effect upon its ratification by all appropriate parties until 12:00 o'clock midnight on the 30th day of September, 2024; provided it will allow for mandatory re-opener provisions as required by the Florida Public Employees Relations Act. Further, either party may reopen this Agreement to negotiate an economic or financial issue by providing the other party notice of intent to reopen the Agreement no later than July 1 of each year. At least 120 days prior to the termination of this Agreement, either party hereto shall notify the other, in writing, of its intention to modify, amend, or terminate this Agreement. Failure to notify the other party of intention to modify, amend, or terminate, as herein above set forth, will automatically extend the provisions and terms of this Agreement for a period of one year, and each year thereafter absent notification.

IN WITNESS WHEREOF, the parties hereto have hereunder set their hands and seals this 20TH day of October 2023.

Addendum A

Addendum B

As a function of the negotiations, Fleet Management proposes implementing a technician incentive program that rewards technicians an increase in their hourly salary at a rate of $0.10/hour for each certification level attained. Further, if the technician passes all eight levels within a classification, an additional $0.20/hr. is added as recognition for attaining a Master's classification.

Further, NIASE offers two Advanced Level tests for certification in the complex areas of computerized diagnostics, emissions and drivability. We propose to include a reward of $0.25/hour for each of the two certifications.

In order for the program to have accountability, should a technician fail to retain his certification at any level, a corresponding amount for each level lost is deducted from his/her hourly wage.

Summary:

	Add to Salary		8 Levels		Master Total
Each Test Level	$0.10/hr	+	$0.80/hr.	+	$0.20/hr =$1.00/hr

Advanced Level $0.25/hr.

Maximum possible for Dual Master Certification w/advanced $2.50/hr
Maximum for one Master Certification w/advanced 1.25/hr.

NIASE offers a more extensive menu of test offerings (e.g. School Bus, Body Shop, etc.). Polk County will not reward technicians for certifications beyond the 16 pertaining to automotive and heavy truck master classifications.

Because many Fleet technicians are participating in NIASE presently, the incentives outlined above will be applied to those employees with certifications currently in place. As employees attain new levels and/or re-certify at present levels, the incentive will be added/retained.

Agenda Item R.27. 11/7/2023

SUBJECT

Approve Memorandum of Understanding with FOPE. (No fiscal Impact).

DESCRIPTION

On October 20, 2023, the County Manager and Federation of Public Employees (“FOPE”) executed a collective bargaining agreement (“Agreement”) which provided for pay increases in Article XXIII. The MOU clarifies that the intent of the Agreement was for the pay increases to begin the pay period beginning on October 16, 2023.

RECOMMENDATION

Approve Memorandum of Understanding with FOPE.

FISCAL IMPACT

There is no fiscal impact.

MEMORANDUM OF UNDERSTANDING ("MOU")
BETWEEN
POLK COUNTY BOARD OF COUNTY COMMISSIONERS
AND
FEDERATION OF PUBLIC EMPLOYEES, a Division of the National Federation of Public and Private Employees (AFL-CIO)

WHEREAS, Polk County Board of County Commissioners ("County") and the Federation of Public Employees ("FOPE") have entered into an agreement dated October 20, 2023 and signed by the County Manager and the Business Representative of FOPE on October 20, 2023 ("Agreement"); and

WHEREAS, Article XXIII provides for pay increases for the bargaining unit employees; and

WHEREAS, it was the intent of the Agreement that such pay increases would begin the pay period beginning October 16, 2023.

NOW THEREFORE, The County and FOPE, for and in consideration of mutual benefits to be received by both parties, hereby agree as follows:

Section 1: The pay increases provided in the Agreement shall begin the pay period beginning October 16, 2023.

Section 2: The preparation of this MOU has been a joint effort of the parties, and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

Section 3: Except as clarified by this MOU, the provisions of the remaining provisions of the Agreement shall remain in full force.

IN WITNESS WHEREOF, the parties hereto have caused the execution of this MOU by their duly authorized officers.

Agenda Item R.28. 11/7/2023

SUBJECT

Approve Gopher Tortoise Relocation Agreement for the Polk County Masterpiece Road Fire Rescue Station project with All Phase Environmental Solutions, LLC, (APES). (one-time estimated expense amount of $108,000.00 as noted in the agreement dependent upon the final species count)

DESCRIPTION

The project has been bid out for construction and the construction will impact several gopher tortoise burrows located on the property. The gopher tortoises are a state designated threatened species by the Florida Fish and Wildlife Conservation Commission (FWC) and are required to be relocated under Florida law prior to construction.

APES has agreed to provide spaces for the gopher tortoises at a cost not-to-exceed $6,000.00 each (Adult), $3,000.00 each (Juvenile), with a 50% deposit required to reserve the spots.

RECOMMENDATION

Request Board approve the Gopher Tortoise Relocation Agreement for the Polk County Masterpiece Road Fire Rescue Station project with APES. (one-time estimated expense amount of $108,000.00 as noted in the agreement dependent upon the final species count)

FISCAL IMPACT

Funds are budgeted and available in the Emergency Medical Millage Fund.

GOPHER TORTOISE RELOCATION AGREEMENT

Escape Ranch Unit I – Permit #GTLR-23-00004

RE: Polk County Masterpiece Road Fire Station

THIS GOPHER TORTOISE RELOCATION AGREEMENT (hereinafter referred to as the "Agreement") is made and entered into this 10th day of October 2023, (hereinafter referred to as the "Effective Date") by and between, Polk County, a political subdivision of the State of Florida hereinafter referred to as ("BUYER") and All Phase Environmental Solutions, LLC, sole recipient site representative of Escape Ranch LC (hereinafter referred to as APES) or APES Group) a Florida limited liability limited company (APES and BUYER may herein individually be referred to as a "PARTY" and collectively be referred to as the "PARTIES".

" W I T N E S S E T H"

FOR AND IN CONSIDERATION of the mutual agreements and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the PARTIES, the PARTIES agree as follows:

1. GOPHER TORTOISES. The term "Gopher Tortoise(s)" shall refer herein to all individuals of the species Gopherus polyphemus, a species listed as "State-designated Threatened" by Florida Fish and Wildlife Conservation Commission (hereinafter referred to as "FWC") and protected by Florida law, that have been captured on Donor Site, as defined below.

2. PREMISE. As a result of its development of Donor Sites, defined below, BUYER needs to relocate up to (18) Gopher Tortoises that will be captured on Donor Site(s) known as Polk County Masterpiece Road Fire Station APES have the exclusive right to manage the Recipient Site(s), defined below, approved to receive Gopher Tortoises. The PARTIES desire to enter into a contractual relationship, pursuant to the terms hereof, in which BUYER shall compensate APES for accepting, and APES shall accept onto its Recipient Site(s), approved, and permitted Gopher Tortoises relocated from the Donor Site.

3. TERM. The term of this Agreement shall begin on the Effective Date and expire one year later (hereinafter referred to as the "Term"). The last day of the Term shall be referred to as the "Expiration Date". If this Agreement is terminated under the provisions hereof, the date of termination shall be referred to as the "Termination Date". If no permit application has been made within 30 days from the agreement effective date this reservation and agreement term will

be null and void. We will not be responsible for untimely permit applications. If you are unable to submit the application within this timeframe, please contact us so we can issue another reservation and agreement when you are able to complete the permit application.

a. Recipient Site(s). The term "Recipient Site" shall herein refer to lands Managed by APES that are approved by FWC to accept Gopher Tortoises that have been captured on and relocated from Donor Site(s), as defined below, under the terms of this Agreement.

b. Donor Site(s). The term "Donor Site(s)" shall herein refer to the Lands that are approved by FWC for the number of Gopher Tortoises stated above, to be captured on and relocated from under the terms of this Agreement.

c. Compliance. APES shall be solely responsible for obtaining and complying with any and all permits necessary for APES to accept Gopher Tortoises under the terms of this Agreement. BUYER shall be solely responsible for obtaining and complying with any and all permits necessary for BUYER to deliver Gopher Tortoises to APES under the terms of this Agreement. Neither PARTY shall be responsible for the other PARTIES compliance under the other PARTIES respective permit(s) or for the other PARTIES failure to obtain a timely required permit.

d. Information. Each PARTY shall timely provide reasonably available information to the other PARTY upon request of the other PARTY if the requesting PARTY needs said information to obtain or maintain or comply under any permit necessary to fulfill the obligations of either PARTY hereunder.

5. CAPACITY. APES shall ensure the availability of Recipient Site(s) with FWC-permitted capacity sufficient to accommodate the number of Gopher Tortoises stated above from the Donor Site. This Agreement is made by the BUYER to reserve capacity sufficient to accommodate the number of Gopher Tortoises stated above, delivered by BUYER to APES under the terms of this Agreement. A copy of the Reservation Letter for the APES Recipient Site(s) in which the capacity is reserved is attached hereto and incorporated herein as Exhibit A and will be issued pursuant to the receipt and Execution of the Agreement.

6. PAYMENT. BUYER shall be obligated to pay APES in accordance with the following terms:

a. United States Dollars; Payment – Net 30. All monetary amounts indicated in this Agreement are in United States Dollars. Payments required under this Agreement shall be invoiced by APES with Net-30 terms, upon each delivery, and shall be paid by BUYER within thirty (30) days of the delivery of said invoice. All invoices and payments shall be either paid through bank transfer or a check can be sent to the addresses designated by APES in this Agreement. If the BUYER wishes to pay by credit card, we can add the service fee to the invoice. This fee is typically between 2-3% and will vary depending on the provider. If any payments do not clear due to insufficient funds the BUYER will pay any and all fees associated within 5 business days.

b. Initial Payment. BUYER is not initially required to make a deposit. If we experience any delay in payments past Net-30 terms, we will reserve the right to add a monthly 5% interest to the invoice and require a non-refundable 50% deposit on the next reservation issued. We may also refuse the right to service for nonpayment.

c. Compensation. As consideration for APES accepting Gopher Tortoises, BUYER shall pay $6,000.00 per Adult/ Sub Adult Gopher Tortoise and $3,000.00 per Juvenile Tortoise that is accompanied by an Adult Tortoise delivered by BUYER and accepted by APES under the terms of this Agreement (hereinafter referred to as the "Per GT Rate"). Each Juvenile Tortoise not accompanied by an Adult will be charged the full rate of $6,000.00 per Tortoise. Upon the delivery of Gopher Tortoises by BUYER to APES, APES shall invoice BUYER, in arrears, for APES acceptance of Gopher Tortoises under the terms of this Agreement. For purposes of clarity, Gopher Tortoises may be delivered in groups (not all at once). If the actual number of Gopher Tortoises to be relocated from the Donor Site to the Recipient Site is less than the number of Reserved Tortoises, then BUYER shall promptly and diligently (within 30 days of completion) file necessary After-Action Reporting with FWC to release Gopher Tortoise capacity back to the Recipient Site. Upon BUYER'S receipt of notice from FWC that capacity is released back to the Recipient Site, BUYER shall promptly notify APES of the same. Because we do not charge deposits, we ask that you make every effort to promptly release all additional capacity.

7. DELIVERY AND ACCEPTANCE. Upon execution of this Agreement APES shall issue a Reservation Letter (Exhibit "A") committing to accept the number of tortoises stated in Paragraph 2 above. After APES has issued a Reservation Letter, BUYER may begin the permitting process to relocate Gopher Tortoises from its Donor Site(s) to APES Recipient Site(s) and APES shall begin accepting said Gopher Tortoises at its Recipient Sites, subject to the conditions of their respective permits, upon the following terms:

a. Delivery and Acceptance Protocol. The PARTIES hereby agree to the terms of the Delivery and Acceptance Protocol, attached hereto, and incorporated herein as (Exhibit "B") (hereinafter referred to as the "Protocol"). The Protocol may be amended from time to time if both PARTIES agree, but neither PARTY is bound to do so, except in the event of changes required to maintain compliance with FWC regulations or FWC-issued permits. Any amendments to the Protocol shall be in writing and shall be attached to and incorporated into a written supplement to this Agreement that is executed by authorized representatives of both PARTIES.

b. Delivery. BUYER shall deliver Gopher Tortoises to APES in the manner described by the Protocol. BUYER shall be responsible for all Gopher Tortoise relocation activities described in the Protocol. All pickups or meetings must be scheduled at least 48 hours in advance. BUYER is not allowed to enter the recipient site area and must meet off site at a mutually agreed location. BUYER shall be responsible for the health, safety, and welfare of the Gopher Tortoise(s) it delivers from its Donor Site(s) to APES under the terms of this Agreement. APES shall have no responsibility for relocation activities or for the health, safety, and welfare of Gopher Tortoises until APES has accepted and BUYER has signed the transfer sheet for said Gopher Tortoises.

c. Acceptance. APES shall accept Gopher Tortoises delivered by BUYER in the manner described by the Protocol. APES shall be responsible for the health, safety, and welfare of Gopher Tortoises once relocated to the Recipient Site, in accordance with the standard required by FWC and the Protocol, after APES accepts delivery of Gopher Tortoise(s) from BUYER. BUYER shall have no responsibility for Gopher Tortoise(s) after they have been accepted by APES under the terms of this Agreement. APES shall limit the number of Gopher Tortoises BUYER may deliver under the terms of this Agreement up to the permitted number of Gopher Tortoises stated above. BUYER may not deliver any Tortoises beyond the permitted and agreed upon amount. If any additional Tortoises are delivered the BUYER will be fully responsible. BUYER may deliver said

Gopher Tortoises to APES pursuant to the terms of this Agreement to the extent APES has available capacity for said Gopher Tortoises. However, APES has no obligation. under this Agreement to accept more than the number of Gopher Tortoises stated above.

d. Delivery and Acceptance of Juveniles Hatchlings and Eggs. BUYER may deliver and APES may accept juvenile Gopher Tortoises (Gopher Tortoise maintaining a carapace length of 60 mm or more & less than 131 mm), Hatchlings (Gopher Tortoise maintaining a carapace length of 60 mm or less) or Gopher Tortoise eggs obtained during BUYER'S relocation activities, so long as APES acceptance of juvenile Gopher Tortoises or Gopher Tortoise eggs does not reduce APES available capacity to accept mature Gopher Tortoises. BUYER shall pay $3,000.00 per each Juvenile accompanied by an Adult Tortoise and $6,000.00 per Juvenile relocated alone. We do not charge for hatchlings or eggs. (As defined in Paragraph 6, Section (c), above) Delivery and acceptance of juveniles, Hatchlings and eggs shall be made in accordance with the terms of the Protocol.

8. NO PROPERTY RIGHTS. Nothing in this Agreement shall give BUYER any interest in or rights to lands owned or controlled by APES. BUYER shall not have the right to access, for inspection or otherwise, any Recipient Site(s) or other APES Lands by virtue of this Agreement. Nothing in this Agreement shall give APES any interest in or rights to lands owned or controlled by BUYER. APES shall not have the right to access, for inspection or otherwise, any Donor Site(s) or other BUYER lands by virtue of this Agreement.

9. DISPUTE RESOLUTION; DEFAULT. As a precondition to exercising any rights or remedies as a result of a PARTIES default, as defined below, the PARTIES will follow the following dispute resolution process:

a. Default. The term "Default" shall herein refer to either:

I. Except as otherwise indicated in the terms of this Agreement, APES failure or refusal to accept Gopher Tortoises as required under the terms of this Agreement; or

II. BUYER'S failure or refusal to pay any invoice issued by APES and received by BUYER as provided by Paragraph 6 of this Agreement by its due date.

b. Defaulting PARTY/Claiming PARTY. The term "Defaulting PARTY" shall herein refer to the PARTY that has allegedly committed a Default. The term "Claiming

PARTY" shall herein refer to the PARTY that is alleging that the other PARTY has committed a Default.

c. Notice. Upon an alleged Default, the Claiming PARTY shall send notice (hereinafter referred to as "Default Notice") to the alleged Defaulting PARTY in accordance with Paragraph 20 of this Agreement and indicating in said Default Notice all facts and information necessary for the alleged Defaulting PARTY to assess the alleged Default.

d. Instituting Legal Proceedings. If the alleged Default indicated in the Default Notice is not resolved within thirty (30) days, then either PARTY may initiate legal proceedings regarding the alleged Default indicated in the Default Notice.

10. DAMAGES. Each PARTY waives all claims and damages, and covenants not to sue the other PARTY, for (including and without limitation) additional, consequential, continuing, statutory, exemplary, or punitive, future, incidental, special, or prospective damages, including, but not limited to, lost profits, and any damages in excess of the amounts specifically described in this Paragraph 10. The remedies described in this Paragraph 10 have been agreed to by the PARTIES as a fair calculation of each PARTIES actual compensatory damages. Said remedy has not been established to penalize a PARTY for defaulting under this Agreement. The sole and exclusive remedy for a Default of the terms of this Agreement are as follows:

a. APES as Defaulting PARTY. If APES is the Defaulting PARTY, they shall have fifteen (15) days from being provided with notice of Default by BUYER, to cure the Default.

b. Buyer as Defaulting PARTY. If BUYER is the Defaulting PARTY, APES shall be entitled to an amount equal to the number of Gopher Tortoises yet to be paid for under this Agreement multiplied by the Per GT Rate. If BUYER is the Defaulting PARTY, BUYER shall also work diligently with APES and FWC to remove any encumbrance on APES Lands caused by the Reservation Letter.

11. TERMINATION.

a. Termination for Cause. Either PARTY may terminate this Agreement, without penalty, and without notice, if the other PARTY has been adjudicated in Default by a Court of competent jurisdiction or if the PARTIES enter into a settlement where the PARTIES agree to terminate the Agreement (hereinafter referred to as "Termination for Cause"). Either PARTY may waive its right to Termination for Cause; however, the non-defaulting PARTY is not entitled to any remedies or damages, as described in Paragraph 10 above, whether through

formal adjudication or through negotiated settlement, unless and until Termination for Cause has occurred. A waiver of a PARTIES right to terminate will not constitute a continuing waiver.

b. Termination for Listing on Endangered Species List. If the Gopher Tortoise is federally listed under the Endangered Species Act and such listing materially limits, prohibits, or prevents the further relocation of Gopher Tortoises from Donor Sites to Recipient Sites, either PARTY may terminate this Agreement with thirty (30) days' written notice, without liability or penalty, and without resort to the procedures described in Paragraph 10. In the event of a termination under this Paragraph 11.b., APES shall refund any deposit fees paid, without invoice and within ninety (90) days after the Termination Date, to BUYER. This Paragraph 11.b. shall survive the termination of this Agreement. If the Agreement is terminated, pursuant to the terms contained in this Paragraph 11.b., BUYER will work diligently and in good faith with FWC and APES to remove any encumbrance on lands owned by APES caused by the Reservation Letter.

12. LAWS AND REGULATIONS. Neither PARTY shall violate any laws, ordinances, rules, regulations or permit conditions of the United States or the State of Florida or any governing body or any rule, regulation or order of any governmental agency, including but not limited to the U.S. Corps of Engineers, the United States Environmental Protection Agency, the Florida Department of Environmental Protection, any Florida Water Management District, the FWC or any other agency applicable to the operations or activities under this Agreement. If either PARTY acts or fails to act under this Agreement in a manner which is contrary to any said laws, ordinances, rules, regulations, or permit conditions, then that PARTY shall assume full responsibility therefor and shall bear all costs attributable thereto.

13. SUCCESSORS; ASSIGNMENT. Neither this Agreement, in whole or in part, nor any monies due or to become due hereunder, may be assigned or transferred by either PARTY without the prior written consent of the other PARTY. This consent shall not be unreasonably withheld. The foregoing to the contrary notwithstanding, either PARTY shall have the right to assign this Agreement without the consent of the other PARTY in the event of a sale or exchange of all, or substantially all, of the assigning PARTIES real estate located in Florida. Subject to the provisions contained herein, this Agreement will be binding upon, inure to the benefit of and be enforceable by the PARTIES and their respective successors and permitted assigns. Any purported assignment made in contravention of this Paragraph shall be null and void. Upon assignment or transfer, the PARTIES shall work together in good faith to transfer all permits necessary to be transferred in conjunction with any assignment or transfer of this Agreement.

Assignment or transfer of this Agreement by either PARTY shall be subject to the respective successor or permitted assign first obtaining the appropriate FWC approvals and permits, if any.

14. NO THIRD-PARTY BENEFICIARIES. This Agreement does not create any right or interest in any member of the public as a third-party beneficiary, nor shall it authorize anyone not PARTY to this Agreement to maintain suit for performance, personal injuries, or damages pursuant to any provision of this Agreement.

15. RELATIONSHIP OF THE PARTIES; NO TENANCY CREATED. Except as contemplated in this Agreement, this Agreement shall not create, nor shall be represented by either PARTY hereto to create a partnership, joint-venture, employer-employee, master-servant, principal agent, or other relationship whatsoever between the PARTIES hereto. Nothing in this Agreement whatsoever shall be construed to create a tenancy or vest title in the property of either PARTY to the other PARTY or any third-party. The terms of this Paragraph shall survive the Expiration Date or Termination Date, whichever should occur first.

16. RESPONSIBILITY FOR AGENTS. Neither PARTY shall be responsible for the acts and omissions of the other PARTIES employees, agents, subcontractors, their agents and employees, and all other persons acting through, or under, the respective PARTY, pursuant to the terms of this Agreement. The terms of this Paragraph shall survive the Expiration Date or Termination Date, whichever should occur first.

17. APPLICABLE LAW; VENUE. This Agreement shall be governed by and construed under and in accordance with the laws of the State of Florida, without regard to its conflicts of law provisions. The PARTIES agree that all disputes and matters whatsoever arising under, in connection with or incidental to this Agreement shall be litigated, if at all, in Volusia County, Florida. The PARTIES expressly waive the right to a jury trial, if any.

18. ATTORNEY'S FEES. In any action brought by either PARTY for the interpretation or enforcement of the obligations of the other PARTY under this Agreement, each PARTY shall be responsible for their own respective attorney's fees, paralegal fees, expert fees, court, and other costs, whether incurred before or during litigation, on appeal, in bankruptcy, or in post judgment collections.

19. ENTIRE AGREEMENT; WAIVERS; AMENDMENTS OR MODIFICATIONS. This Agreement constitutes the entire agreement of the PARTIES hereto and supersedes all prior and contemporaneous agreements, representations, and understandings of the PARTIES. No waiver of the provisions of this Agreement shall be deemed or shall constitute a waiver of any of the

other provisions, nor shall any waiver constitute a continuing waiver. This Agreement may not be supplemented, altered, modified, or amended, or otherwise changed except by an instrument in writing signed by authorized representatives of both PARTIES. The course of dealing or course of performance between the PARTIES shall not commit either PARTY to duties or obligations which are not expressly stated by this Agreement.

20. NOTICES. Any notice, request, demand, instruction, or other communication required or permitted to be sent by either PARTY to the other PARTY under or in connection with this Agreement shall be in writing, shall be sent or delivered to the address of the other PARTY set forth below, and shall be deemed to have been delivered upon the earlier to occur of (i) actual receipt, if delivered by hand or by commercial courier, (ii) actual receipt, if sent by fax, e-mail or other generally recognized electronic means, (iii) one business day after mailing by any form of overnight mail service, or (iv) the date upon which the return receipt is signed, or delivery is refused, or the notice is designated by postal authorities as not deliverable, as the case may be, when mailed by registered or certified mail, return receipt requested. Notice so delivered after normal business hours of the recipient or on a Saturday, Sunday, or any public or legal holiday, shall be deemed to have been received on the next succeeding regular business day. Either PARTY may change the address for notices to it, effective as of any date not less than ten (10) days following delivery of the change of address notice, by giving the other PARTY hereto notice of such change of address in the manner specified in this Paragraph 20. For the purposes of this Agreement, the notice addresses of the PARTIES named herein are as follows:

APES: All Phase Environmental Solutions, LLC. 32168

220 N Glencoe Rd. New Smyrna Beach Fl. - Phone: 386-478-9566

BUYER: Polk County, a political subdivision of the State of Florida/Beasley, County Manager

2160 Marshall Edwards Dr.

Bartow, Fl. 33830

Phone: 863-344-0661 Email: robwilliams@polk-county.net

21. CAPTIONS. The captions for the various provisions of this Agreement have been provided for convenience of reference only and shall not be used in interpreting any such provision.

22. DRAFTING. It is understood that this Agreement was negotiated and prepared by the PARTIES and counsel for the PARTIES as a combined effort designed to meet their clients' desires and needs. This Agreement shall be interpreted without regard to any presumption or rule requiring interpretation against the drafter or the PARTY causing this Agreement, or any part or provision thereof, or any exhibit thereto, or any instrument or judgment thereunder, to be drafted, prepared, or revised.

23. DATES. Should any date described in this Agreement requiring performance under this Agreement fall on a Saturday, Sunday, or a day that has been recognized as a public or legal holiday, said performance shall be required on the next succeeding regular business day.

24. COUNTERPARTS. This Agreement may be executed in counterparts, each of which may be an original, but all of which together shall constitute one and the same agreement. Any counterpart may be delivered by facsimile transmission or by electronic communication in portable document format (.pdf) and the PARTIES agree that their electronically transmitted signatures shall have the same effect as manually transmitted signatures.

25. ASSURANCES BY BUYER. BUYER represents and warrants to APES that, as of the Effective Date: (a) BUYER is authorized to do business and is in good standing in the state of Florida; (b) BUYER has full power and authority to enter into this Agreement and to comply with the terms of this Agreement; (c) this Agreement constitutes the legal, valid and binding obligation of BUYER enforceable against BUYER in accordance with its terms, subject only to applicable bankruptcy or insolvency laws; (d) all requisite action has been taken to make this Agreement valid and binding on BUYER in accordance with its terms; (e) the person signing this Agreement on behalf of BUYER is fully authorized to do so; (f) there is no agreement, order, judgment, claim, litigation or proceeding pending or threatened against BUYER that would require consent for, or could interfere with, BUYER'S performance of this Agreement; (g) there is no attachment, execution or assignment by or against BUYER for the benefit of creditors; and (h) there is no receivership, or voluntary or involuntary proceeding in bankruptcy or pursuant to any other debtor relief laws contemplated or pending by or against BUYER. All of BUYER'S warranties and representations in this Agreement, all of which are relied upon by APES, shall survive the Expiration Date or Termination Date of this Agreement, whichever should occur first.

26. ASSURANCES BY APES. APES Group represents and warrants to BUYER that, as of the Effective Date: (a) APES is a corporation duly organized and in good standing under the laws of Florida; (b) APES has full power and authority to enter into this Agreement and to comply with the terms of this Agreement; (c) this Agreement constitutes the legal, valid and binding obligation of APES, enforceable against APES in accordance with its terms, subject only to applicable bankruptcy or insolvency laws; (d) all requisite action has been taken to make this Agreement valid and binding on APES in accordance with its terms; (e) the person signing this Agreement on behalf of APES is fully authorized to do so; (f) there is no agreement, order, judgment, claim, litigation or proceeding pending or threatened against APES that would require consent for, or could interfere with, APES performance of this Agreement; (g) there is no attachment, execution or assignment by or against APES for the benefit of creditors; and (h) there is no receivership, or voluntary or involuntary proceeding in bankruptcy or pursuant to any other debtor relief laws contemplated or pending by or against APES. All of APES warranties and representations in this Agreement, all of which are relied upon by BUYER, shall survive the Expiration Date or Termination Date of this Agreement, whichever should occur first.

27. **PUBLIC RECORDS**

1. APES acknowledges the BUYER's obligation under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and comply in the handling of the materials created under this Contract. In association with its performance pursuant to this Contract, APES shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all applicable laws.

2. Without in any manner limiting the generality of the foregoing, to the extent applicable, APES acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:

A. keep and maintain public records required by the BUYER to perform the services required under this Contract.

B. upon written request from the BUYER's Custodian of Public Records or his/her designee, provide the BUYER with a copy of the requested records pertaining to the services under the applicable Service Agreement, or allow the records to be inspected or copied, provided that applicable law requires such inspection, within a reasonable time at a cost that does not

exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. To the extent permitted by law, APES reserves the right to retain archival copies in accordance with APES' record and retention policies and procedures (a) with respect to backup media for which selective deletion of files or data is not feasible and (b) in order to enable APES to comply with APES' professional standards requirements and substantiate APES' work product under the applicable Service Agreements.

C. ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this Contract and following completion of this Contract if APES does not transfer the records to the BUYER; and

D. upon completion of this Contract and upon written request by the BUYER, transfer, at no cost, to the BUYER all public records in possession of APES or keep and maintain public records required by the BUYER to perform the service. If APES transfers all public records to the BUYER upon completion of this Contract, and upon written request by BUYER, APES shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If APES keeps and maintains public records upon completion of this Contract, APES shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the BUYER, upon request from the BUYER's Custodian of Public Records, in a format that is compatible with the information technology systems of the BUYER and mutually agreed upon.

[The remainder of this page is blank. This Agreement continues on the next page.]

IN WITNESS WHEREOF, the PARTIES herein have caused this Gopher Tortoise Relocation Agreement to be executed as of the day and year first above written and do agree to all above stated terms.

Gopher Tortoise Delivery and Acceptance Protocol

Delivery to APES:

A. BUYER shall comply with APES delivery instructions and pick up locations. We will make every effort to meet you at the most convenient location for both PARTIES. We do not allow PARTIES on the recipient site for any reason.

B. BUYER shall ensure that no Tortoise shows any signs of URTD or physical damage or injury. We will not accept any Tortoises showing these symptoms until a licensed veterinary professional has deemed it safe to do so.

C. APES shall measure, weigh & permanently mark each tortoise by drilling holes or notching a combination of the marginal scutes as described in Appendix 5 of the Gopher Tortoise Permitting Guidelines. All data will be given to the client within 5 business days.

D. BUYER and APES will communicate at least 48 hours prior to relocation efforts and desired delivery time and coordinate to ensure the availability of APES authorized agent to accept BUYER'S gopher tortoises at the APES Recipient Site. BUYER and APES shall make every attempt to arrange delivery times during the hours of 8:00 am to 5:00 p.m. Monday – Thursday and between 8am - 3pm on Fridays. BUYER and APES agree that deliveries outside those hours will be allowed based on a case-by-case mutual agreement but not guaranteed.

E. For cold weather handling, BUYER and APES shall coordinate delivery dates ensuring there are 3 consecutive days above 50° Fahrenheit as forecasted by the National Weather Service at the APES recipient site as well as the donor site. APES will not for any reason accept Tortoises when the temperatures are forecasted below 51 degrees. The BUYER will be fully responsible for communicating with FWC regarding additional hold times.

II. Reporting and Data Documentation:

A. Both APES and BUYER shall maintain valid Authorized Agent permits issued by the FWC as required by the FWC Gopher Tortoise Permitting Guidelines and be appropriately authorized to perform the tasks required of them with regard to the capture and release of gopher tortoises.

III. Cursory Health Evaluation:

A. Prior to delivery to APES, BUYER shall perform a cursory health evaluation as described in Appendix 6 of the current Gopher Tortoise Permitting Guidelines for each Tortoise from BUYER'S donor site. Before delivery to APES, BUYER shall determine if excavated tortoises from BUYER donor sites exhibit any of the long-term indicative signs of poor health described in the current Gopher Tortoise Permitting Guidelines and Regulations. Symptomatic tortoises will not be delivered to APES. If tortoises are determined to meet the health requirements from the current Gopher Tortoise Permitting Guidelines, APES shall be required to accept tortoises. BUYER is not required test for Upper Respiratory Tract Disease (URTD). However, any symptomatic Tortoises deemed potentially sick by APES staff will not be accepted.

IV. Delivery of Eggs

A. If eggs are encountered at BUYER donor sites, they shall be relocated in a separate and safe container or bucket. BUYER and APES will follow the procedures for handling and relocating tortoise eggs as detailed in the Gopher Tortoise Permitting Guidelines. We will not transfer the Tortoise eggs to another container and risk damage. Whatever they are delivered in will remain with APES and not be guaranteed to be returned.

Agenda Item R.29. 11/7/2023

SUBJECT

Approve Agreement No. 23 PLN124 between Polk County and State of Florida Department of Environmental Protection (FDEP) to fund project Polk County Comprehensive Vulnerability Assessment. (one-time revenue $500,000)

DESCRIPTION

Polk County grew by 24.29 percent between 2010 and 2021 from 602,095 to748,365, making Polk the 9th most populous county in Florida. The 2000 square miles of Polk County and its 17 municipalities experience repetitive flooding following small to medium intensity storms, causing undue stress to residents and threats to infrastructure.

To address these concerns, Polk County submitted a grant application to FDEP as a part of the resiliency planning program. The State awarded Polk County ($500,000) to complete a Polk County Comprehensive Vulnerability Assessment (Project) that will include a comprehensive Vulnerability Assessment (VA) pursuant to Section 380.093, Florida Statutes (F.S.) as well as inform a Local Mitigation Strategy (LMS). The Project will include public outreach and stakeholder engagement.

The Polk County Vulnerability Assessment will allow the County, in partnership with the 17 municipalities, to identify and analyze water issues, critical assets, historic resources, and vulnerable populations. The assessment will be conducted consistent with the requirements of s.380.093, Florida Statutes to assess the adverse impacts from flooding resulting from increased rainfall events and more frequent and severe weather systems. The assessment will include, but not be limited to: community and stakeholder engagement; inventory of critical assets in the County and municipalities; flood modeling; and preparation of a report, maps, and tables. This project will result in a detailed assessment and analysis for Polk County that will provide a foundation to prioritize highly vulnerable assets and human life so as to integrate resiliency and adaptive strategies into future planning documents.

Approval of this grant agreement allows Polk County to begin implementing the scope and work necessary to complete a Comprehensive Vulnerability Assessment. Polk plans to work in partnership with Central Florida Regional Planning Council to implement this grant agreement. There is no match requirement. The County will be reimbursed the entire $500,000 upon successful completion of the grant scope.

The project has been approved by STAC.

RECOMMENDATION

Approve Agreement No. 23 PLN124 between Polk County and State of Florida Department of Environmental Protection (FDEP) to fund project Polk County Comprehensive Vulnerability Assessment.

FISCAL IMPACT

Funds have been included in the Community Investment Program's Watershed/Water Quality Management Plans project.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

f. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's the contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

g. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

h. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

i. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

j. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

k. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

    i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

    ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the

terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.

e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.

b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.

e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;

b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;

c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;

d. Failure to honor any term of the Agreement;

e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;

f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;

g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:

   i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

   ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

   iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity;

may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.

This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan

Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:
    i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;
    ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,
    iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
    i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.
    ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.
    iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.
b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.
c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.
d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.
e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.
f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.
g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the

Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Terms and Conditions
AGREEMENT NO. 23PLN124

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is Polk County Comprehensive Vulnerability Assessment. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are extensions available for this Project.
c. Service Periods. Additional service periods may be added in accordance with 2.a above and are contingent upon proper and satisfactory technical and administrative performance by the Grantee and the availability of funding.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
No Equipment purchases shall be funded under this Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements

Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.

b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.

d. Other Insurance. None.

9. Quality Assurance Requirements.
There are no special Quality Assurance requirements under this Agreement.

10. Retainage.
No retainage is required under this Agreement.

11. Subcontracting.
Subcontracting is not permitted under this Agreement.

12. State-owned Land.
The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.
There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Additional Terms.

Documentary Evidence Requirement for Subcontractor(s). If any work associated with this Agreement is completed by a subcontractor(s), the Grantee shall require that such subcontractor(s) submit documentary evidence (e.g., workshop agendas; meeting recordings) to Grantee demonstrating that the subcontractor(s) has fully performed its Project obligation(s). The Grantee shall forward copies of all such documentary evidence to the Department with the Grantee's relevant deliverable(s), using the approved Project Timeline set forth in Attachment 3 to this Agreement (Grant Work Plan).

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
GRANT WORK PLAN
AGREEMENT NO. 23PLN124

ATTACHMENT 3

PROJECT TITLE: Polk County Comprehensive Vulnerability Assessment

PROJECT LOCATION: The Project is located in Polk County, Florida.

PROJECT DESCRIPTION:
Polk County (Grantee) will complete the Polk County Comprehensive Vulnerability Assessment (Project) to include a comprehensive Vulnerability Assessment (VA) pursuant to Section 380.093, Florida Statutes (F.S.) as well as inform a Local Mitigation Strategy (LMS). The Project will include public outreach and stakeholder engagement.

TASKS AND DELIVERABLES:

Task 1: Kick Off Meeting

Description: The Grantee will develop an overall project management plan and address initial actions and then conduct a kick-off meeting for the project. Meeting attendees should discuss the project scope, project goals, schedule, key milestones, and deliverables in order to develop a consistent project approach. The kick-off meeting will be hosted by the Grantee and should identify potential representatives to serve on the project steering committee. Prior to the meeting, the Grantee will prepare the sign-in sheet, draft project schedule, and other meeting materials as necessary. The Grantee will prepare a draft list of representatives to serve on the project steering committee. It is recommended that the committee be limited to no more than 10 representatives to better manage meeting outcomes.

Deliverables: The Grantee will submit:

- **1.1:** A draft list of steering committee members;
- **1.2:** Kick-off meeting minutes, which documents all decisions and agreed upon outcomes of the meeting;
- **1.3:** A draft email to potential steering committee members to request their participation on the committee. The email shall include the project purpose, goals, schedule, project meeting dates and locations, and overall desired outcomes.

Task 2: Assemble Steering Committee

Description: The Grantee will review and approve the steering committee list and then distribute the draft email prepared in Task 1 to the steering committee members. The email requests steering committee member participation and to provide confirmation of acceptance or denial.

Deliverables: The Grantee will submit:

- **2.1:** The list of local representatives that have confirmed participation on the steering committee. The list shall include the name, organization/affiliation, position title, and contact information.

Task 3: Conduct Steering Committee Meetings

Description: The Grantee will coordinate and schedule the quantity, dates, times, and locations for the steering committee meetings, based on critical decision points in the project process. The purpose of the steering committee meetings is to assist in reviewing the goals of the project, review draft materials, provide input for study direction, assist in identifying geographic context, appropriate modeling methodologies, assist in identifying available data and resources, identify relevant assets, and review project findings and recommendations. A minimum of two steering committee meetings is recommended, at the beginning and end of the project, however, more may be necessary to provide guidance at critical decision points throughout the project process. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meetings, as applicable.

Deliverables: The Grantee will submit:

- **3.1:** Meeting agendas to include location, date, and time of meeting;
- **3.2:** Meeting sign-in sheets with attendee names and affiliation;
- **3.3:** A copy of the presentation(s) and any materials created for distribution at the meetings, as applicable;
- **3.4:** A summary report of committee recommendations and guidance, to include attendee input, meeting outcomes, methodologies selected, appropriate resources and data, relevant assets and review of study deliverables for accuracy and applicability.

Task 4: Public Outreach Meeting #1

Description: The Grantee will conduct at least two public outreach meetings during the project. The purpose of the first meeting is to allow the public to provide input during the initial data collection stages, to include input on preferred methodologies, data for analyzing potential sea level rise impacts and/or flooding, guiding factors to consider, and critical assets important to the community. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable.

Deliverables: The Grantee will submit:

- **4.1:** Meeting agendas to include location, date, and time of meeting;
- **4.2:** Meeting sign-in sheets with attendee names and affiliation (i.e. local stakeholder, resident, steering committee member, local government staff);
- **4.3:** A copy of the presentation(s) and any materials created in preparation of or for distribution at the meeting (i.e. social media posts, public announcements, graphics), as applicable;
- **4.4:** A copy of the file or weblink of the video or audio recording from the meeting, if applicable;
- **4.5:** A summary report including attendee input and meeting outcomes.

Task 5: Acquire Background Data

Description: The Grantee will research and compile the data needed to perform the Vulnerability Assessment (VA), based on the requirements as defined in Section 380.093, F.S. Three main categories of data are required to perform a VA: 1) critical and regionally significant asset inventory, 2) topographic data, and 3) flood scenario-related data. GIS metadata should incorporate a layer for each of the four asset classes as defined in paragraphs 380.093(2)(a) 1-4, F.S. GIS files and associated metadata must adhere to the

Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata. Sea level rise projection data shall include the 2017 National Oceanic and Atmospheric Administration (NOAA) intermediate-high and intermediate-low projections for 2040 and 2070, at a minimum. Other projections can be used at the Grantees discretion. Storm surge data used must be equal to or exceed the 100-year return period (1% annual chance) flood event. In the process of researching background data, the Grantee shall identify data gaps, where missing data or low-quality information may limit the VA's extent or reduce the accuracy of the results. The Grantee shall rectify any gaps of necessary data.

Deliverables: The Grantee will submit:

- **5.1:** A technical report to outline the data compiled and findings of the gap analysis;
- **5.2:** A summary report to include recommendations to address the identified data gaps and actions taken to rectify them, if applicable;
- **5.3:** GIS files with appropriate metadata of the data compiled, to include locations of critical assets owned or maintained by the Grantee as well as regionally significant assets that are classified and as defined in paragraphs 380.093(2)(a) 1-4, F.S.

Task 6: Exposure Analysis

Description: The Grantee will perform an exposure analysis to identify the depth of water caused by each sea level rise, storm surge, and/or flood scenario. The water surface depths (i.e. flood scenarios) used to evaluate assets shall include the following data: tidal flooding, current and future storm surge flooding, rainfall-induced flooding, and compound flooding, all as applicable, as well as the scenarios and standards used for the exposure analysis shall be pursuant to s. 380.093, F.S. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

Deliverables: The Grantee will submit:

- **6.1:** A draft Vulnerability Assessment report that provides details on the modeling process, type of models utilized, and resulting tables and maps illustrating flood depths for each flood scenario
- **6.2:** GIS files with results of the exposure analysis for each flood scenario as well as the appropriate metadata that identifies the methods used to create the flood layers.

Task 7: Sensitivity Analysis

Description: The Grantee will perform the sensitivity analysis to measure the impact of flooding on assets and to apply the data from the exposure analysis to the inventory of critical assets created in the Acquire Background Data Task. The sensitivity analysis should include an evaluation of the impact of flood severity on each asset class and at each flood scenario and assign a risk level based on percentages of land area inundated and number of critical assets affected.

Deliverables: The Grantee will submit:

- **7.1:** An updated draft Vulnerability Assessment report that provides details on the findings of the exposure analysis and the sensitivity analysis and includes visual presentation of the data via maps and tables, based on the statutorily-required scenarios and standards;

- **7.2:** An initial list of critical and regionally significant assets that are impacted by flooding. The list of critical and regionally significant assets must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset.

Task 8: Public Outreach Meeting #2

Description: The Grantee will conduct a second public meeting to present the results from the exposure analysis, sensitivity analysis, and draft Vulnerability Assessment. The purpose of the second meeting is to allow the public to provide community-specific input on the results of the analyses and to reconsider methodologies and assumptions used in the analysis for refinement. Additionally, during this meeting, the Grantee will conduct exercises to encourage the public to prioritize focus areas of flooding, and the critical assets in preparation for the development of adaptation strategies and project development. Criteria should be established to guide the public's input for the selection of focus areas. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable.

Deliverables: The Grantee will submit:

- **8.1:** Meeting agendas to include location, date, and time of meeting;
- **8.2:** Meeting sign-in sheets with attendee names and affiliation (i.e. local stakeholder, resident, steering committee member, local government staff);
- **8.3:** A copy of the presentation(s) and any materials created in preparation of or for distribution at the meeting (i.e. social media posts, public announcements, graphics), as applicable;
- **8.4:** A copy of the file or weblink of the video or audio recording from the meeting, if applicable;
- **8.5:** A summary report including attendee input and meeting outcomes, to include defining focus areas recommended by the community.

Task 9: Final Vulnerability Assessment Report, Maps, and Tables

Description: The Grantee will finalize the Vulnerability Assessment (VA) report pursuant to the requirements in s. 380.093, F.S., and based upon the steering committee and public outreach efforts. The final VA must include all results from the exposure and sensitivity analyses, as well as a summary of identified risks and assigned focus areas. It should contain a list of critical and regionally significant assets that are impacted by flooding and sea-level rise, specifying for each asset the flood scenario(s) impacting the asset. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

Deliverables: The Grantee will submit:

- **9.1:** Final Vulnerability Assessment Report that provides details on the results and conclusions, including illustrations via maps and tables, based on the statutorily-required scenarios and standards in s. 380.093, F.S.;
- **9.2:** A final list of critical and regionally significant assets that are impacted by flooding. The list of critical and regionally significant assets must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset.;
- **9.3:** All electronic mapping data used to illustrate flooding and sea level rise impacts identified in the VA, to include the geospatial data in an electronic file format and GIS metadata;
- **9.4:** A signed Vulnerability Assessment Compliance Checklist Certification.

Task 10: Public Presentation

Description: The Grantee will present the final VA results to local governing boards, technical committees, or other appropriate officers and elected officials. The purpose of the presentation is to share the findings from the final VA and provide recommendations of actions for adaptation strategies and future project funding. The presentation will also inform the public of the results and the future risk of sea level rise and increased flooding and encourage community participation when identifying mitigation strategies to address the flooding vulnerabilities. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable.

Deliverables: The Grantee will submit:

- **10.1:** Meeting agendas to include location, date, and time of meeting;
- **10.2:** Meeting sign-in sheets with attendee names and affiliation (i.e. local stakeholder, resident, steering committee member, local government staff);
- **10.3:** A copy of the presentation(s) and any materials created in preparation of or for distribution at the meeting (i.e. social media posts, public announcements, graphics), as applicable;
- **10.4:** A copy of the file or weblink of the video or audio recording from the meeting, if applicable;
- **10.5:** A summary report including attendee input and meeting outcomes.

Task 11: Local Mitigation Strategy

Description: The results of the Vulnerability Assessment can be used to inform a Local Mitigation Strategy (LMS) as required by the Florida Division of Emergency Management (FDEM). The LMS is usually developed at the county level and serves to reduce the risks associated with natural and man-made disasters, including sea level rise. The Grantee will work with the Local Mitigation Strategy Working Group (LMSWG) to ensure the Vulnerability Assessment Report is in alignment with the existing county LMS Plan and will be utilized during the planning process of future county LMS Plan updates.

Deliverables: The Grantee will submit:

- **11.1:** A letter to the Department and FDEM Mitigation Bureau Planning Unit, signed by the LMSWG Chair, or Designee, to include the following:
    - 1) Vulnerability Assessment Report will be incorporated as a reference in updating the next iteration of the LMS Plan, i.e., utilized in the next five-year update;
    - 2) Vulnerability Assessment Report will be included as an appendix to the next iteration of the LMS Plan; and
    - 3) the entity/entities that composed the VA report will be involved with the LMSWG through any of the following: at a minimum, be added to the contact list, attend meetings, participate in the planning process of the next major update; participate in the adoption of the LMS plan; and submit projects to the LMSWG to be included on LMS Prioritized Project List.

PERFORMANCE MEASURES: The Grantee will submit all deliverables for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline. The Department's Grant Manager will review the deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, to include any work being performed by any subcontractor(s), and will provide written acceptance or denial of the deliverable(s) to the Grantee within thirty (30) calendar days. Tasks may include multiple deliverables to be completed. The Department will accept partial and full

deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided by the Deliverable Acceptance Letter.

CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed and/or submitted to the Department in a timely manner.

PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

Task No.	Task Title	Budget Category	DEP Amount	Match Amount	Total Amount	Task Start Date	Task Due Date

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Public Records Requirements

Attachment 4

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution or section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

f. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT:**

Telephone: **(850) 245-2118**
Email: public.services@floridadep.gov
Mailing Address: **Department of Environmental Protection**

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $750,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

Auditor General
Local Government Audits/342
Claude Pepper Building, Room 401
111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (http://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (non and for-profit organizations), Rules of the Auditor General, should indicate the date and the reporting package was delivered to the recipient correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Note: If the resources awarded to the recipient represent more than one federal program, provide the same information shown below for each federal program and show total federal resources awarded

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program A	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	
Federal Program B	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	

Note: Of the resources awarded to the recipient represent more than one federal program, list applicable compliance requirements for each federal program in the same manner as shown below:

Federal Program A	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.:(eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	
Federal Program B	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.: (eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	

Note: If the resources awarded to the recipient for matching represent more than one federal program, provide the same information shown below for each federal program and show total state resources awarded for matching.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program A	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category
Federal Program B	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

Note: If the resources awarded to the recipient represent more than one state project, provide the same information shown below for each state project and show total state financial assistance awarded that is subject to section 215.97, F.S.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program A	State Awarding Agency	State Fiscal Year[1]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category
Original Award	Florida Department of Environmental Protection	22/23	37.098	Resilient Florida Programs	$500,000.00	140078
State Program B	State Awarding Agency	State Fiscal Year[2]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category

Total Award	$500,000.00	

Note: List applicable compliance requirement in the same manner as illustrated above for federal resources. For matching resources provided by the Department for DEP for federal programs, the requirements might be similar to the requirements for the applicable federal programs. Also, to the extent that different requirements pertain to different amount for the non-federal resources, there may be more than one grouping (i.e. 1, 2, 3, etc.) listed under this category.

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [https://sam.gov/content/assistance-listings] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx], and State Projects Compliance Supplement (Part Four: State Projects Compliance Supplement [https://apps.fldfs.com/fsaa/state_project_compliance.aspx]. The

[1] Subject to change by Change Order.
[2] Subject to change by Change Order.

services/purposes for which the funds are to be used are included in the Agreement's Grant Work Plan. Any match required by the Recipient is clearly indicated in the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
PROGRAM-SPECIFIC REQUIREMENTS
RESILIENT FLORIDA PROGRAM

ATTACHMENT 6

1. Sea Level Impact Projection Study Requirement. If the project is within the designated area, pursuant to Section 161.551, F.S. and Chapter 62S-7, *Florida Administrative Code*, the Grantee is responsible for performing a Sea Level Impact Projection (SLIP) study and submitting the resulting report to the Department. The SLIP study report must be received by the Department, approved by the Department, and be published on the Department's website for at least thirty (30) days before construction can commence. This rule went into effect July 1, 2021, and applies to certain state-funded construction projects located in the coastal building zone as defined in the rule.

2. Permits. The Grantee acknowledges that receipt of this grant does not imply nor guarantee that a federal, state, or local permit will be issued for a particular activity. The Grantee agrees to ensure that all necessary permits are obtained prior to implementation of any grant-funded activity that may fall under applicable federal, state, or local laws. Further, the Grantee shall abide by all terms and conditions of each applicable permit for any grant-funded activity. Upon request, the Grantee must provide a copy of all acquired and approved permits for the project.

3. Attachment 3, Grant Work Plan, Performance Measures. All deliverables and reports submitted to the Department should be submitted electronically and must be compliant with the Americans with Disabilities Act, also known as "508 Compliant," in all formats provided.

4. Copyright, Patent and Trademark. The Department reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for state government purposes:

   a. The copyright in any work developed under this Agreement; and
   b. Any rights or copyright to which the Grantee or subcontractor purchases ownership with grant support.

5. Grant funds may not be used to support ongoing efforts to comply with legal requirements, including permit conditions, mitigation, and settlement agreements.

6. Funding Source. With the exception of audiovisuals not intended for presentation to the general public that are produced either as research instruments or for documenting experimentation or findings (unless otherwise required under the special terms of this Agreement), Grantee agrees to include the Department's logo (which can be found on the Department's website at: https://floridadep.gov or by contacting the Grant Manager for a copy) on all publications, printed reports, maps, audiovisuals (including videos, slides, and websites), and similar materials, as well as the following language:

   "This work was funded in part through a grant agreement from the Florida Department of Environmental Protection's Office of Resilience and Coastal Protection Resilient Florida Program. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies."

   The next printed line must identify the month and year of the publication.

7. Final Project Report. The Grantee must submit Exhibit F, Final Project Report Form, prior to requesting final payment. The Final Project Report may be submitted in lieu of the final quarterly status report, only in instances where the next quarterly report falls after the project's completion date.

8. Project Photos. The Grantee must submit Exhibit G, Photo Release Form, with the first submission of deliverables and reports (Exhibit A and F) that include photos.

9. Contractual Services. For all grant agreements that include Contractual Services as an expenditure category, the Grantee must submit Exhibit H, Contractual Services Certification, and all required supporting documentation for all contractors conducting work under the grant agreement, prior to requesting payment that includes contractual services.

10. Vulnerability Assessments. For all Planning grant agreements (Resilient Florida Grant Program and Regional Resilience Entities), the Grantee must submit Exhibit I, Vulnerability Assessment Compliance Checklist Certification, with the final grant deliverable(s).

11. Geographic Information System (GIS) files and associated metadata. All GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (found on the Resilient Florida Program website: https://floridadep.gov/rcp/resilient-florida-program/documents/resilient-florida-program-gis-data-standards), and raw data sources shall be defined within the associated metadata.

12. State and Local Fiscal Recovery Funds. For all grant agreements funded with the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) under the American Rescue Plan Act, the Grantee must submit the SLFRF Reporting Requirements Form upon execution of the grant agreement.

Final Project Report

Insert Month & Year

This report is funded in part through a grant agreement from the Florida Department of Environmental Protection. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies.

Part I. Executive Summary

Part II. Methodology

Part III. Outcome

Include the following: 1) evaluation of project's ability to meet goals and expected performance measures and provide explanation for why goals were not met, if applicable; 2) identify successful outcomes, areas for improvement, and quantifiable metrics (including the assigned metric in Exhibit A, if applicable) as a result of the project; and 3) final project photos, if an implementation construction project.

Part IV. Further Recommendations

Instructions for completing Exhibit F Final Project Report Form:

DEP AGREEMENT NO.: This is the number on your grant agreement.

GRANTEE NAME: Enter the name of the grantee's agency.

PROJECT TITLE: Enter the title shown on the first page of the grant agreement.

MONTH & YEAR: Enter month and year of publication

The final Project Report must contain the following sections: Executive Summary, Methodology, Outcome, and Further Recommendations. The Final Project Report must comply with the publication requirements in the grant agreement. Please limit the final project report to no more than five (5) pages. One electronic copy shall be submitted to the Department's Grant Manager for approval. Final payment will be held until receipt and approval of the Final Project Report.

Questions regarding completion of the Final Project Report should be directed to the Department's Grant Manager, identified in paragraph 18 of this agreement.

License and Indemnification

I certify that I am the owner of the photograph(s), video(s), audio recording(s) and/or artwork(s) being submitted and am eighteen (18) years of age or older.

I hereby grant to the Florida Department of Environmental Protection the royalty-free and non-exclusive right to distribute, publish and use the photograph(s), video(s), audio recording(s) and art work(s) submitted herewith (the "Work") to promote the Florida Department of Environmental Protection. Uses may include, but are not limited to:

1. Promotion of FDEP (including, but limited to publications, websites, social media venues, advertisements, etc.); and
2. Distribution to the media; and
3. Use in commercial products.

The Florida Department of Environmental Protection reserves the right to use/not use any Work as deemed appropriate by the Florida Department of Environmental Protection. No Work will be returned once submitted.

I hereby acknowledge that the Florida Department of Environmental Protection shall bear no responsibility whatsoever for protecting the Work against third-party infringement of my copyright interest or other intellectual property rights or other rights I may hold in such Work, and in no way shall be responsible for any losses I may suffer as a result of any such infringement; and I hereby represent and warrant that the Work does not infringe the rights of any other individual or entity.

I hereby unconditionally release, hold harmless and indemnify the Florida Department of Environmental Protection, its employees, volunteers, and representatives of and from all claims, liabilities and losses arising out of or in connection with the Florida Department of Environmental Protection's use of the Work. This release and indemnification shall be binding upon me, and my heirs, executors, administrators and assigns.

I have read and understand the terms of this release.

Project Title: Polk County Comprehensive Vulnerability Assessment

Grantee: Polk County, a political subdivision of the State of Florida

---

In accordance with subsection 380.093(3), F.S., the following components, scenarios, data, and information are required for a comprehensive Vulnerability Assessment (VA). The checklist must be completed and submitted with the final VA Report deliverable, pursuant to Attachment 3, Grant Work Plan. The Grantee must abide by the Department's GIS Data Standards found on the Resilient Florida Program webpage at the link below:

https://floridadep.gov/rcp/resilient-florida-program/documents/resilient-florida-program-gis-data-standards

Part 1 – Subparagraph 380.093(3)(c)2., F.S.

Item ID	Check if Included	Item Description	Page Reference in VA Report (if applicable)
a	☐	Final Vulnerability Assessment Report that provides details on the results and conclusions, including illustrations via maps and tables.	
All electronic mapping data used to illustrate flooding and sea level rise impacts that are identified in the VA must be provided in the format consistent with the Department's GIS Data Standards and include the following three (3) items:			
b	◧	Geospatial data in an electronic file format.	
c	☐	GIS metadata.	
d	☐	List of critical assets for each jurisdiction, including regionally significant assets, that are impacted by flooding and sea level rise. The list must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset	

Part 2 – Subparagraphs 380.093(3)(d)1. and 380.093(3)(d)2., F.S.

Item ID	Check if Included	Item Description	Page Reference in VA Report (if applicable)
e	☐	Peril of Flood Compliance Plan amendments developed that address paragraph 163.3178(2)(f), F.S., if applicable.	

		☐ Not applicable ☐ Already in compliance	
f	☐	Depth of tidal flooding, including future high tide flooding, using thresholds published and provided by the Department.	
g	☐	To the extent practicable, analysis geographically displays the number of tidal flood days expected for each scenario and planning horizon. *(optional)*	
h	☐	Depth of current and future storm surge flooding using publicly available NOAA or FEMA storm surge data. (*check one*) ☐ NOAA data ☐ FEMA data	
i	☐	Initial storm surge event equals or exceeds current 100-year flood event.	
j	☐	Higher frequency storm analyzed for exposure of a critical asset. *(optional, but must provide additional detail if included)*	
k	☐	To the extent practicable, rainfall-induced flooding was considered using spatiotemporal analysis or existing hydrologic and hydraulic modeling results. *(required if item e is not applicable)*	
l	☐	Future boundary conditions have been modified to consider sea level rise and high tide conditions. *(optional)*	
m	☐	Depth of rainfall-induced flooding for 100-year storm and 500-year storm event. *(required if item e is not applicable)*	
n	☐	To the extent practicable, compound flooding or the combination of tidal, storm surge, and rainfall-induced flooding. *(optional)*	

Part 3 – Subparagraph 380.093(3)(d)3., F.S.

Item ID	Check if Included	Item Description	Page Reference in VA Report (if applicable)
o	☐	All analyses performed in North American Vertical Datum of 1988.	
p	☐	Includes at least two local sea level rise scenarios, which must include the 2017 NOAA intermediate-low and intermediate-high sea level rise projections.	
q	☐	Includes at least two planning horizons, which must include years 2040 and 2070.	
r	☐	Utilizes local sea level data that has been interpolated between the two closest NOAA tide gauges.	
s	☐	Local, publicly available, sea level data was taken from one of the two closest NOAA tide gauges, which must be the gauge with the highest mean sea level *(if so, provide Department approval)*.	

Identify all counties and municipalities that are included in this Vulnerability Assessment:

I certify that, to the Grantee's knowledge, all information contained in this completed Vulnerability Assessment Compliance Checklist is true and accurate as of the date of the signature below.

Agenda Item R.30. 11/7/2023

SUBJECT

Approve Interlocal Agreement between Polk County and Central Florida Regional Planning Council (CFRPC) to implement Polk County Comprehensive Vulnerability Assessment. (one-time expense $500,000)

DESCRIPTION

Polk County has been awarded a State of Florida Department of Environmental Protection (FDEP) Grant Agreement (Agreement #23PLN124) to conduct a Comprehensive Vulnerability Assessment pursuant to Section 380.093, Florida Statutes, and an update to the Local Mitigation Strategy. The Vulnerability Assessment includes coordination with and analysis of 16 municipalities. The City of Bartow was directly awarded a Vulnerability Assessment.

The County will work with the Central Florida Regional Planning Council (CFRPC) to complete the Grant Work Plan. An Interlocal Agreement between the CFRPC and the County is included.

The final products will include:

1) Final Vulnerability Assessment Report

a) Results and conclusions, including illustrations via maps and tables, based on the statutorily required scenarios and standards in s. 380.093, F.S.;

b) List of critical and regionally significant assets that are impacted by flooding. The list of critical and regionally significant assets must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset.;

c) Electronic mapping data used to illustrate flooding and sea level rise impacts identified in the VA, to include the geospatial data in an electronic file format and GIS metadata; and

d) a signed Vulnerability Assessment Compliance Checklist Certification.

2) Public Presentation

Presentation of the final VA results to local governing boards, technical committees, or other appropriate officers and elected officials. The purpose of the presentation is to share the findings from the final VA and provide recommendations of actions for adaptation strategies and future project funding. The presentation will also inform the public of the results and the future risk of increased flooding and encourage community participation when identifying mitigation strategies to address the flooding vulnerabilities.

3) Local Mitigation Strategy

The results of the VA will be used to inform the County's Local Mitigation Strategy (LMS) as required by the Florida Division of Emergency Management (FDEM).

The project has been approved by STAC.

RECOMMENDATION

Approve Interlocal Agreement between Polk County and Central Florida Regional Planning Council (CFRPC) to implement Polk County Comprehensive Vulnerability Assessment.

FISCAL IMPACT

Funds are budgeted and available in the Special Revenue Grant Fund within the Watershed/Water Quality Management Plans project.

INTERLOCAL AGREEMENT

BETWEEN

Central Florida Regional Planning Council (COUNCIL)

and

Polk County, a political subdivision of the State of Florida (COUNTY)

This Interlocal Agreement ("Agreement"), entered into as of the Effective Date as set forth below, pursuant to and in compliance with the "Florida Interlocal Cooperation Act of 1969," Section 163.01, Florida Statutes (referred to herein as "the Act"), by the Central Florida Regional Planning Council (referred to herein as the "COUNCIL"), a Florida state agency existing and operating pursuant to the "Florida Regional Planning Council Act," Sections 186.501-186.513, Florida Statutes, and Polk County, a political subdivision of the State of Florida, (referred to herein as the "COUNTY"). The COUNCIL and the COUNTY shall collectively be referred to herein as "PARTIES".

BACKGROUND

A. The COUNTY entered into a Grant Agreement (#23PLN124) with the State of Florida Department of Environmental Protection ("FDEP"), hereafter, together with the Attachments and Exhibits attached thereto, collectively referred to as the "GRANT AGREEMENT", a copy of which is attached hereto as **Exhibit "A"** for the purpose of preparing a Comprehensive Vulnerability Assessment pursuant to Section 380.093, Florida Statutes as well as inform a Local Mitigation Strategy for Polk County.

B. The COUNTY desires to engage the COUNCIL to provide professional services to assist the COUNTY to complete the Comprehensive Vulnerability Assessment pursuant to Section 380.093, Florida Statutes as well as inform a Local Mitigation Strategy as detailed in ATTACHMENT 3, Grant Work Plan, of the GRANT AGREEMENT.

C. The COUNCIL acknowledges the GRANT AGREEMENT between the State of Florida Department of Environmental Protection and the COUNTY which is provided as **Exhibit "A"** of this Agreement.

D. The COUNCIL desires to provide such professional services in accordance with this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, the parties hereto do mutually agree as follows:

I. GENERAL

The COUNTY engages the COUNCIL to assist the COUNTY in completing the Comprehensive Vulnerability Assessment pursuant to Section 380.093, Florida Statutes as well as inform a Local Mitigation Strategy as detailed in ATTACHMENT 3, Grant Work Plan, of the GRANT AGREEMENT. The COUNCIL shall provide professional services required under this Agreement with the COUNTY.

II. SCOPE OF WORK

The COUNCIL shall perform, in a satisfactory and proper manner, the work and services detailed in ATTACHMENT 3, Grant Work Plan, of the GRANT AGREEMENT, and provided as Attachment A of this Agreement, and shall satisfy all requirements of the guidelines specified therein.

III. COMPENSATION

As consideration for performance of Work, the COUNTY agrees to pay a fee not to exceed $500,000 (five hundred thousand dollars) to be paid in eleven (11) payments as follows.

Task No.	Task Title	Total Amount	Task Due Date
1	Kick Off Meeting	$10,000	11/30/2023
2	Assemble Steering Committee	$5,000	11/30/2023
3	Conduct Steering Committee Meetings	$10,000	1/31/2024
4	Public Outreach Meeting #1	$15,000	1/30/2024
5	Acquire Background Data	$175,000	3/8/2024
6	Exposure Analysis	$80,000	9/30/2024
7	Sensitivity Analysis	$80,000	11/30/2024
8	Public Outreach Meeting #2	$15,000	11/30/2024
9	Final Vulnerability Assessment Report, Maps, and Tables	$80,000	3/31/2025
10	Public Presentation	$10,000	3/31/2025
11	Local Mitigation Strategy	$20,000	3/31/2025
	Total	$500,000	

Payment shall be made upon receipt of an acceptable completed invoice and deliverable from the COUNCIL. Because the FDEP GRANT AGREEMENT is cost reimbursable, the COUNTY will be reimbursed after proof of payment to the COUNCIL is provided. Project deliverables will be consistent with the Grant Work Plan provided in Attachment A of this Agreement and Attachment 3 of the GRANT AGREEMENT.

IV. PERIOD OF AGREEMENT

The services of the COUNCIL are to commence upon execution of this Agreement. Work shall be complete by March 31, 2025.

V. MODIFICATION OF AGREEMENT

A. Either PARTY may request changes in the services or Scope of Work to be performed by the COUNCIL pursuant to this Agreement, including adjustments in the funds provided under the Agreement if necessary and appropriate; however, any such changes shall be mutually agreed upon by and between the PARTIES, and memorialized into a written amendment to this agreement.

B. Any extensions or modifications of this Agreement shall be mutually agreed upon by and between the COUNTY and the COUNCIL and shall be incorporated in written amendments to this Agreement signed by both PARTIES.

VI. TERMINATION

A. Either PARTY may terminate this Agreement without cause with a minimum of thirty (30) days written notice. Written notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery.

B. In the event the Agreement is terminated, the COUNCIL will be paid an amount commensurate with the work satisfactorily completed as of the effective date of termination based on Work performed in accordance with the tasks contained in the scope of work and corresponding hourly costs of the employees involved in completing the work.

VII. COMPLIANCE WITH LAWS, JURIDICTION, AND VENUE

A. The COUNCIL warrants, represents, and agrees that it will comply with all federal, state, and local laws, rules, and regulations applicable to the fulfillment of the requirements of this Agreement.

B. Any legal action by either PARTY against the other concerning this Agreement shall be filed in Polk County, Florida, which shall be deemed proper jurisdiction and venue for the action.

VIII. INDEPENDENT CONTRACTOR

A. The PARTIES agree that COUNCIL, its officers, agents, and employees, in performance of this Agreement, shall act in the capacity of an independent contractor. The COUNCIL agrees to take such steps as may be necessary to ensure that each subcontractor of the COUNCIL will be deemed to be an independent contractor and will not be considered or permitted to be an agent of the COUNTY or the State of Florida.

B. The COUNCIL shall not pledge the COUNTY's, the State of Florida's nor the Florida Department of Equal Opportunity's credit, nor make the COUNTY, State of Florida or Department of Equal Opportunity a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness.

C. The COUNCIL represents that it has, or will secure at its own expense, personnel necessary to perform the services under this Agreement.

D. The COUNCIL shall continuously staff the Work with COUNCIL personnel or appropriate consultants as deemed necessary by the COUNCIL to fulfill its obligations under this Agreement. Qualified persons may be added, deleted, or substituted at any time during the period of this Agreement, as the COUNCIL may deem necessary or appropriate.

IX. DATA TO BE FURNISHED TO COUNCIL

Upon reasonable request by the COUNCIL, the COUNTY shall provide to the COUNCIL all information, data reports, records, and maps in its possession, or which become available to it, that are necessary for the execution of Work of the COUNCIL under this Agreement.

X. RIGHT TO WORK PRODUCTS

Copies of all writings, maps, charts, reports, findings, and other relevant non-copyrighted material shall become the property of the COUNTY upon final payment for the services included herein.

XI. ASSIGNMENT

This Agreement shall not be assignable.

XII. UNAUTHORIZED ALIENS

The COUNCIL shall not knowingly employ unauthorized aliens as described in Section 274A(e) of the Immigration and Nationality Act.

XIII. EMPLOYMENT ELIGIBILITY VERIFICATION

(a) *Definitions.* As used in this paragraph

Employee assigned to this Agreement means an employee who was hired after November 6, 1986, who is directly performing work, in the United States, under this Agreement. An employee is not considered to be directly performing work under this Agreement if the employee—

(1) Normally performs support work, such as indirect or overhead functions; and

(2) Does not perform any substantial duties applicable to the agreement.

Subcontract means any contract entered into by a subcontractor to furnish supplies or services for performance of this Agreement or a subcontract under this Agreement. It includes but is not limited to purchase orders, and changes and modifications to purchase orders.

Subcontractor means any supplier, distributor, vendor, or firm that furnishes supplies or services to or for COUNCIL or another subcontractor.

United States, as defined in 8 U.S.C. 1101(a)(38), means the 50 States, the District of Columbia, Puerto Rico, Guam, and the United States Virgin Islands.

(b) *Enrollment and verification requirements.*

(1) The COUNCIL must be enrolled in E-Verify at time of execution of this Agreement, and the COUNCIL shall use E-Verify to initiate verification of employment eligibility of—

(i) *All new employees.*

(A) *Enrolled 30 calendar days or more.* The COUNCIL shall initiate verification of employment eligibility of all new hires of the COUNCIL, who are working in the State of Florida, whether or not assigned to this Agreement, within three (3) business days after the date of hire; or

(B) *Enrolled less than 30 calendar days.* Within 30 calendar days after enrollment in E-Verify, the COUNCIL shall initiate verification of employment eligibility of all new hires of the COUNCIL who are working in the State of Florida, whether or not assigned to this Agreement, within three (3) business days after the date of hire.

(ii) *Employees assigned to this Agreement.* For each employee assigned to this Agreement, the COUNCIL shall initiate verification of employment eligibility, to the extent allowed by the E-Verify program, within 30 calendar days after date of execution of this Agreement or within 30 days after assignment to this Agreement, whichever date is later.

(2) The COUNCIL shall comply, for the period of performance of this Agreement, with the requirements of the E-Verify program Memorandum of Understanding (MOU). Termination of the COUNCIL's MOU and denial of access to the E-Verify system by the Department of Homeland Security or the Social Security

Administration or the U.S. Citizenship and Immigration Service is an event of default under this Agreement.

(c) *Web site.* Information on registration for and use of the E-Verify program can be obtained via the Internet at the U.S. Citizenship and Immigration Service's Web site: *http://www.uscis.gov.*

(d) *Individuals previously verified.* The COUNCIL is not required by this paragraph to perform additional employment verification using E-Verify for any employee whose employment eligibility was previously verified by the COUNCIL through the E-Verify program.

(e) *Subcontracts.* The COUNCIL shall include, and shall require the inclusion of, the requirements of this paragraph, including this subparagraph (e) (appropriately modified for identification of the parties), in each subcontract that includes work performed in the United States under this Agreement.

XIV. SUBCONTRACTS

The COUNCIL agrees to perform work consistent with the provisions of subcontracts in the FDEP GRANT AGREEMENT.

XV. DISCRIMINATORY VENDOR

The COUNCIL affirms it is aware of the provisions of Section 287.134(2)(a), Florida Statutes, and that at no time has the COUNCIL been placed on the Discriminatory Vendor List. The COUNCIL further agrees that it shall not violate such law during the term of this Agreement.

XVI. NON-DISCRIMINATION

The COUNCIL shall not discriminate against any employee in the performance of this Agreement, or against any applicant for employment because of age, race, sex, creed, color, handicap, national origin, or marital status.

XVII. HARASSMENT-FREE WORKPLACE

The COUNCIL shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management.

XVIII. PUBLIC ENTITY CRIMES

The COUNCIL affirms that it is aware of the provisions of Section 287.133(2)(a), Florida Statutes, and that at no time has the COUNCIL been convicted of a Public Entity Crime. The COUNCIL agrees it shall not violate such law and further acknowledges and agrees

that any conviction during the term of this Agreement may result in termination of this Agreement in accordance with Section 287.133(4).

XVIX. LOBBYING

The COUNCIL shall not use any funds received pursuant to this Agreement for lobbying the Florida Legislature, the judicial branch, or any state agency.

XVXX. TERMS AND CONDITIONS

This Agreement and attachments incorporated by reference constitute all the terms and conditions agreed upon by the parties. If any term or provisions of this Agreement is found to be illegal, invalid, or unenforceable, then such term or provision shall be severed from this Agreement. This Agreement and the rights and obligations of the Parties shall be construed as if this Agreement did not contain such severed term or provision, and this Agreement otherwise shall remain in full force and effect.

XVXXI. NOTICE

The parties hereto agree and understand that written notice, mailed or delivered to the last known mailing address, shall constitute sufficient notice to the County and to the Clerk. All notices required and/or made pursuant to this Agreement to be given to the County and the Clerk shall be writing and given by way of hand delivery or the United States Postal Service, first class mail, postage prepaid, addressed to the following addresses of record. Notices shall be effective upon receipt or upon refusal to accept receipt of the notice.

A. The representative of the COUNTY responsible for the administration of this Agreement is:

Ms. Tabitha Biehl
Land & Water Natural Areas Manager
Polk County Parks & Natural Resources Division
4177 Ben Durrance Rd
Bartow, Fl 33830
Environmental Lands Program: 863-534-7377

4399 Winter Lake Road
Lakeland, FL 33803
Polk's Nature Discovery Center: 863-668-4673
E-Mail: TabithaBiehl@polk-county.net

B. The representative of the COUNCIL responsible for the administration of this Agreement is:

Ms. Jennifer Codo-Salisbury
Executive Director
Central Florida Regional Planning Council
555 East Church Street
Bartow, FL 33830

Office Phone: (863) 534-7130, ext. 178
E-Mail: jcodosalisbury@cfrpc.org

C. In the event that the representatives change, notice of the name, title, and address of the new representative should be provided to the other Party's representative.

XVXXII. PUBLIC RECORDS

A. Public Records Law. If COUNCIL meets the definition of "Contractor" in Section 119.0701(1)(a), Florida Statutes, COUNCIL shall comply with the following:

1. COUNCIL acknowledges COUNTY's obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and comply in the handling of the materials created under this Agreement. COUNCIL further acknowledges that the constitutional and statutory provisions control over the terms of this Agreement. In association with its performance pursuant to this Agreement, COUNCIL shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all applicable laws.

2. Without in any manner limiting the generality of the foregoing, to the extent applicable, COUNCIL acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:

a. keeps and maintain public records required by COUNTY to perform the services required under this Agreement;

b. upon request from the COUNTY's Custodian of Public Records or his/her designee, provide COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

c. ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this Agreement and following completion of this Agreement if COUNCIL does not transfer the records to COUNTY; and

d. upon completion of this Agreement, transfer, at no cost, to COUNTY all public records in possession of COUNCIL or keep and maintain public records required by COUNTY to perform the

service. If COUNCIL transfers all public records to COUNTY upon completion of this Agreement, COUNCIL shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If COUNCIL keeps and maintains public records upon completion of this Agreement, COUNCIL shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to COUNTY, upon request from COUNTY's Custodian of Public Records, in a format that is compatible with the information technology systems of COUNTY.

B. **IF COUNCIL HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO COUNCIL'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:**

RECORDS MANAGEMENT LIASON OFFICER
POLK COUNTY

BARTOW, FL 33830
TELEPHONE: (863) 534-7527
EMAIL: RMLO@POLK-COUNTY.NET

XVXXIII. EFFECTIVE DATE.

The "Effective Date" of this Agreement will be the date a fully executed counterpart is filed with the Clerk of the Circuit Court of Polk County, Florida, in accordance with Section 163.01, Florida Statutes. The COUNTY will be responsible for filing the counterparts with the Clerk and for any costs related thereto.

***IN WITNESS WHEREOF**, the COUNTY and the COUNCIL have hereunto set their hands and seals and executed this Agreement on the _____ day of _____, 2023.*

COMMUNITY PLANNING TECHNICAL ASSISTANCE

GRANT AGREEMENT

STATE OF FLORIDA

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Agreement to be inserted following signing of County and the State of Florida Department of Environmental Protection.

Agenda Item R.31. 11/7/2023

SUBJECT

Approve the T. Mark Schmidt grant agreement between the Florida Department of Agriculture and Consumer Services (FDACS) and Polk County for the Bone Valley ATV Park Motocross Track ($246,302.75 one-time grant revenue).

DESCRIPTION

In 2009 Polk County purchased 200+/- acres from Mosaic Fertilizer, LLC for the development of an ATV park. The facility, now known as Bone Valley ATV Park, opened to the public in February 2015. In 2016, staff received grant funding to complete Phase 2 of park development, which was completed in November 2019.

As part of the Original Purchase Agreement, Mosaic provided a First Right of Refusal clause for the purchase of additional property for future expansion. In July 2017, the County exercised the clause by purchasing +/- 300 additional acres adjacent to the original property. Prior to the County acquiring the property, Mosaic completed some reclamation and secured permitting to continue the reclamation. In May 2019, the County, Mosaic, and FDEP executed an agreement that allowed the County to assume and modify the reclamation permit. The agreement also made Polk County eligible to receive grant funding from the State's Non-Mandatory Land Reclamation Program for construction activities.

With funding and agreements in place to aid in the development of the expansion property, staff moved forward with applying for grants to assist with the funding of a bridge over CR 630, which would safely connect the two park properties. The County was subsequently awarded funding from multiple grants to assist with the design, permitting, and construction of a bridge, which is expected to be complete in January 2024.

With a mechanism in place to safely connect the two park properties, staff is now focusing on the development of the expansion property located to the north of the current property. Phase 1 is slated to include the construction of additional riding trails and the design, permitting, and construction of a motocross course. The motocross course on the original property has increased in popularity over the last few years, which has resulted in some safety and maintenance concerns. The construction of an additional course will not only enhance the rider's experience, it will also provide for future event opportunities and will alleviate pressure put on staff when trying to maintain the conditions of the current course. Staff applied for and were awarded a T. Mark Schmidt grant, which will help fund the design and construction of a world class motocross course. The grant garners $245,302.75 for a County match of $61,575.69.

RECOMMENDATION

Request the Board approve the terms of the agreement with the Florida Department of Agriculture and Consumer Services for the T. Mark Schmidt Grant.

FISCAL IMPACT

Funds are budgeted in the Special Revenue Grant Fund.

STATE FINANCIAL ASSISTANCE RECIPIENT AGREEMENT

WILTON SIMPSON
COMMISSIONER

This AGREEMENT, made and entered into on_____, by and between the FLORIDA DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES, the DEPARTMENT, and Polk County, a political subdivision of the State of Florida, the RECIPIENT.

ARTICLE 1: TERM

1.1 Contract Period: Upon execution through June 30,2024.

1.2 Extension and Renewal.

1.2.1 Extension of a contract for contractual services shall be in writing for a single period only not to exceed six (6) months and shall be subject to the same terms and conditions set forth in the initial contract. There shall be only one extension of a contract unless the failure to meet the criteria set forth in the contract for completion of the contract is due to events beyond the control of the RECIPIENT.

1.2.2 Contracts for commodities or contractual services may be renewed on a yearly basis for no more than three (3) years, or for a period no longer than the term of the original contract, whichever period is longer. Renewal of a contract for commodities or contractual services shall be in writing and shall be subject to the same terms and conditions set forth in the initial contract. Renewals shall be contingent upon satisfactory performance evaluations by the DEPARTMENT and subject to the availability of funds. Renewal costs may not be charged by the RECIPIENT. Exceptional purchase contracts (single source and emergency contracts) pursuant to Section 287.057(3)(a) and (c), Florida Statutes, may not be renewed.

ARTICLE 2: SERVICES

2.1 Scope of Work. The RECIPIENT agrees to provide the following commodities and/or services:
Procure contractual services to construct a Motocross Track for the Bone Valley ATV Park, which includes materials (sediment barrier, berm/embankment, and road clay) and

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

construction (clearing and grubbing, excavation, track construction, and mobilization). See Attachment A for additional details. The completion of the Motocross Track is planned for June 2024.

2.2 The Department of Management Services' designated United Nations Standard Products and Services Code (UNSPSC) is: 93141904.

2.3 Deliverables. The RECIPIENT must provide the following quantifiable, measurable and verifiable units of deliverables which must be received and accepted in writing by the contract manager before payment. These deliverables are directly related to the Scope of Work specifying minimum levels of service to be performed and criteria for evaluating the successful completion of each deliverable.

1. Documentation of delivery of all construction materials (listed above in section 2.1 and in Attachment A) to the project site (photographs and shipping information to clearly show amount of material delivered).
2. Documentation of all construction tasks (listed above in section 2.1 and Attachment A) at the project site (photographs of before and after, receipts of work completed).
3. Quarterly progress reports on the status of Motocross Track construction, which should include site photographs showing progress. Progress reports will be due by December 31, 2023, March 31, 2024, and June 30, 2024.
4. This is an 80/20 grant. The RECIPIENT shall provide 20% or $61,575.69 in expense or in-kind match, and documentation of match.
5. Deliverables must be complete and invoices paid by June 30, 2024 to be eligible for reimbursement under this agreement.
6. Final project report will be due upon motocross track completion.

2.4 Financial Consequences. Failure to meet the deliverables of this AGREEMENT shall result in a financial consequence. The RECIPIENT shall perform all deliverables within the time frame established in this AGREEMENT. The DEPARTMENT shall reduce payment by: Invoices received for goods/services stipulated in the scope of work/deliverables without proper supporting documentation will result in non-payment until satisfactory documentation is accepted and approved by the DEPARTMENT.

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

2.5 Department Services. The DEPARTMENT agrees to provide the following services: N/A

ARTICLE 3: COMPENSATION & EXPENSES

3.1 The DEPARTMENT will pay the RECIPIENT as follows:
The DEPARTMENT shall reimburse the RECIPIENT $246,302.75 upon verification of the satisfied deliverables and sufficient reimbursement document(s) that are submitted quarterly.

3.1.1 The DEPARTMENT may make partial payments to the RECIPIENT upon partial delivery of services when a request for such partial payment is made by the RECIPIENT and approved by the DEPARTMENT.

3.2 Travel Expenses. Justified and reasonable travel expenses which are directly and exclusively related to the services rendered under this AGREEMENT will be reimbursed in accordance with Section 112.061, Florida Statutes. Authorization for travel expenses must be specified in this AGREEMENT.

3.3 Invoices. Bills for services shall be submitted to the DEPARTMENT in detail sufficient for a proper pre-audit and post-audit thereof.

3.3.1 Section 215.422, Florida Statutes, provides that agencies have five (5) working days to inspect and approve goods and services, unless bid specifications or the purchase order specifies otherwise. With the exception of payments to health care providers for hospital, medical or other health care services, if payment is not available within 40 days, measured from the latter of the date the invoice is received or the date the goods or services are received, inspected and approved, a separate interest penalty set by the Chief Financial Officer pursuant to Section 55.03, Florida Statutes, will be due and payable in addition to the invoice amount. To obtain the applicable interest rate, please contact the Agency's Fiscal Section at (850) 617-7200 or Purchasing Office at (850) 617-7181.

3.3.2 Invoices returned to a vendor due to preparation errors will result in a payment delay. Invoice payment requirements do not start until a properly completed invoice is provided to the DEPARTMENT.

3.4 Transaction Fee. RECIPIENT shall be pre-qualified as meeting mandatory requirements and qualifications and shall remit

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

fees pursuant to Section 287.057(22), F.S., and any rules implementing Section 287.057, F.S.

3.5 Dispute Resolution. If a dispute over fees invoiced under this AGREEMENT arises, the parties shall work to resolve the dispute informally at first. Should the parties be unable to resolve the dispute informally, the DEPARTMENT and RECIPIENT shall participate in mandatory binding arbitration.

3.5.1 Pursuant to Section 215.422(5), Florida Statutes, the Department of Financial Services has established a Vendor Ombudsman to act as an advocate for vendors. The Vendor Ombudsman may be reached at (850) 413-5516 or by calling the Department of Financial Services' Hotline, 1-877-693-5236.

3.6 Contingency. In accordance with Section 287.0582, Florida Statutes, the DEPARTMENT's performance and obligation to pay under this AGREEMENT is contingent upon an annual appropriation by the Legislature. Payments under this AGREEMENT are further subject to the approval of the State Chief Financial Officer (Department of Financial Services).

ARTICLE 4: INTELLECTUAL PROPERTY

4.1 Anything by whatsoever designation it may be known, that is produced by, or developed in connection with this contract shall become the exclusive property of the DEPARTMENT and may be copyrighted, patented or otherwise restricted as provided by Florida or federal law. Neither the RECIPIENT nor any individual employed under this contract shall have any proprietary interest in the product.

4.2 With respect to each deliverable that constitutes a work of authorship within the subject matter and scope of U.S. Copyright Law, 17 U.S.C. Sections 102-105, such work shall be a "work for hire" as defined in 17 U.S.C. Section 101 and all copyrights subsisting in such work for hire shall be owned exclusively by the DEPARTMENT.

4.3 In the event it is determined as a matter of law that any such work is not a "work for hire," RECIPIENT shall immediately assign to the DEPARTMENT all copyrights subsisting therein for the consideration set forth in the contract and with no additional compensation.

4.4 The foregoing shall not apply to any preexisting software, or other work of authorship used by RECIPIENT to create a deliverable but which exists as work independent of the deliverable, unless the preexisting software or work was developed by RECIPIENT pursuant to a previous contract with

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

the DEPARTMENT or a purchase by the DEPARTMENT under a State Term Contract.

4.5 The RECIPIENT shall fully indemnify, defend, and hold harmless the DEPARTMENT from any suits, actions, damages and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellection property right, provided, however, the foregoing obligation shall not apply to the DEPARTMENT's misuse or modification of RECIPIENT's products or DEPARTMENT's operation or use of RECIPIENT's product in a manner not contemplated by the AGREEMENT. If any product is the subject of an infringement suit, or in the RECIEPIENT's opinion is likely to become the subject of such a suit, the RECIPIENT at its sole expense shall procure for the DEPARTMENT the right to continue using the product or to modify it to become non-infringing. If the RECIPIENT is not reasonably able to modify or otherwise secure for the DEPARTMENT the right to continue using the product, the RECIPIENT shall remove the product and refund the DEPARTMENT the amounts paid in excess of a reasonable rental for past use. The DEPARTMENT shall not be liable for any royalties.

4.6 The RECIPIENT's obligations under the preceding paragraph with respect to any legal action are contingent upon the DEPARTMENT giving RECIPIENT (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at the RECIPIENT's sole expense, and (3) assistance in defending the action at the RECIPIENT's sole expense. The RECIPIENT shall not be liable for any cost, expense, or compromise incurred or made by the DEPARTMENT in any legal action without the RECIPIENT's prior written consent, which shall not be unreasonably withheld.

ARTICLE 5: ACKNOWLEDGMENTS, REPRESENTATIONS, WARRANTIES AND COVENANTS

5.1 RECIPIENT acknowledges and agrees that any articles that are the subject of, or required to carry out this AGREEMENT, in accordance with Section 287.042, Florida Statutes, shall be purchased from a nonprofit agency for the blind or for the severely handicapped that is qualified pursuant to Chapter 413, Florida Statutes, in the same manner and under the same procedures set forth in Section 413.036(1) and (2), Florida Statutes; and for purposes of this contract the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the state agency insofar as dealings with such qualified nonprofit

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

agency are concerned. Available products, pricing and delivery information may be obtained by contacting: RESPECT of Florida, 2475 Apalachee Parkway, Suite 205, Tallahassee, Florida 32301-4946, telephone number (850) 942-3555 and fax number (850) 942-7832.

5.2 RECIPIENT acknowledges and agrees that any articles which are the subject of, or required to carry out this AGREEMENT, in accordance with Section 287.095(3), Florida Statutes, shall be purchased from the corporation identified under Chapter 946, Florida Statutes, in the same manner and under the same procedures set forth in Section 946.515(2) and (4), Florida Statutes; and for the purposes of this contract the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the DEPARTMENT insofar as dealings with such corporation are concerned. The "corporation identified" is Prison Rehabilitative Industries and Diversified Enterprises, Incorporated. Available products, pricing and delivery schedules may be obtained by contacting: PRIDE Enterprises, 223 Morrison Road, Brandon, Florida 33511-4835, telephone number (813) 324-8700.

5.3 RECIPIENT acknowledges and agrees that, pursuant to Section 287.133(2)(a), Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit a bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

5.4 RECIPIENT acknowledges and agrees that, pursuant to Section 287.134(2)(a), Florida Statutes, an entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

5.5 RECIPIENT acknowledges and agrees that, pursuant to Section 287.137(2)(a), Florida Statutes, a person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply for any new contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply for a new contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on new leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a new contract with a public entity; and may not transact new business with a public entity.

5.6 RECIPIENT acknowledges and agrees that the employment of unauthorized aliens by any person or entity is considered a violation of 8 U.S.C. § 1324a. If the RECIPIENT knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this AGREEMENT. RECIPIENT avers that it is registered in the E-Verify system and further agrees to comply with the provisions of Section 448.095(2), Florida Statutes during the term of the contract, including receiving and maintaining required affidavits from subcontractors.

5.7 RECIPIENT shall not discriminate on the basis of race, sex, religion, color, national origin, age or disability and shall comply with all applicable state and federal laws and regulations related thereto, including without limitation, the Americans with Disabilities Act (42 USC 12101 et. Seq.); Section 504 of the Rehabilitation Act of 1973 (29 USC 795); and the Age Discrimination Act of 1975 (42 USC 6101-6107).

5.8 RECIPIENT shall comply with Section 20.055, Florida Statutes.

5.9 RECIPIENT represents and warrants that it has reviewed Sections 215.4725, 287.135, F.S. and is not listed on either the Scrutinized Companies that Boycott Israel List, Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. RECIPIENT further represents and warrants that it does not have business operations in Cuba or Syria as proscribed by Section 287.135, F.S. Failure to certify or

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

falsely certifying compliance with Sections 215.4725 and 287.135, F.S., may subject the RECIPIENT to civil penalties, attorney's fees, and other penalties and consequences provided for by law.

5.10 RECIPIENT represents and warrants that it shall comply with the Federal Acquisition Regulation 52.204-25, prohibition on contracting for certain telecommunications and video surveillance services or equipment pursuant to the National Defense Authorization Act. Failure to comply or if the RECIPIENT knowingly provides funds to any entity prohibited from receiving a contract or award pursuant to the Federal Acquisition Regulation 52.204-25 shall be cause for unilateral cancellation of this AGREEMENT. Subcontractors shall be verified by RECIPIENT through the General Services Administration (GSA) Federal Excluded Parties List: https://sam.gov/SAM/.

ARTICLE 6: PUBLIC RECORDS

6.1 To the extent that RECIPIENT meets the definition of "Contractor" under Section 119.0701, Florida Statutes, all documents, including papers, letters, or any other record or materials prepared pursuant to this AGREEMENT are subject to Florida's Public Records Law. RECIPIENT must:

6.1.1 Keep and maintain public records required by the DEPARTMENT to perform the service.

6.1.2 Upon request from the DEPARTMENT's custodian of public records, provide the DEPARTMENT with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

6.1.3 Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract period and following completion or termination of the contract if the RECIPIENT does not transfer the records to the DEPARTMENT.

6.1.4 Upon completion or termination of the contract, transfer, at no cost, to the DEPARTMENT all public records in possession of the RECIPIENT or keep and maintain public records required by the DEPARTMENT to perform the service. If the RECIPIENT transfers all public records to the DEPARTMENT upon completion or

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

termination of the contract, the RECIPIENT shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the RECIPIENT keeps and maintains public records upon completion or termination of the contract, the RECIPIENT shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the DEPARTMENT, upon request from the DEPARTMENT's custodian of public records, in a format that is compatible with the information technology systems of the DEPARTMENT.

6.2 The DEPARTMENT shall have the right of unilateral cancellation for refusal by the RECIPIENT to allow public access to all documents, papers, letters or other material made or received by the RECIPIENT in conjunction with the contract, unless the records are exempt from s. 24(a) of Article I of the State Constitution and s. 119.07(1), Florida Statutes.

6.3 Nothing in this Article shall be considered a waiver of the provisions of Section 119.0701, Florida Statutes.

IF THE RECIPIENT HAS ANY QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE RECIPIENT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

OFFICE OF GENERAL COUNSEL
407 SOUTH CALHOUN STREET, SUITE 520
TALLAHASSEE, FL 32399
PHONE: (850) 245-1000
EMAIL: PRCUSTODIAN@FDACS.GOV

ARTICLE 7: TERMINATION

7.1 For Convenience. The DEPARTMENT may terminate this AGREEMENT in whole or in part for its convenience by giving at least fifteen (15) days written notice by electronic or registered mail to the RECIPIENT, specifying the effective date of termination.

7.2 For Cause. The DEPARTMENT may terminate this AGREEMENT for cause; provided, however, no right of default shall accrue until thirty (30) days after the defaulting party is notified in writing of the reason(s) for termination and has failed to

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

cure or give adequate assurances of performance within the thirty (30) day period after notice of termination.

7.2.1 For cause termination shall be defined as default, breach or failure of the RECIPIENT to fulfill any of its obligations hereunder.

7.2.2 Opportunity to cure. Prior to the exercise of any remedy provided for herein, the DEPARTMENT shall provide thirty (30) calendar days written notice of default and shall provide the RECIPIENT the opportunity to cure such failure or default within said thirty (30) day period. Upon the failure or inability to cure, the DEPARTMENT shall have all rights and remedies provided at law or in equity, including without limitation the following: (i) temporarily withhold cash payments pending correction of the deficiency by the RECIPIENT; (ii)disallow all or part of the cost of the services not in compliance; and/or (iii)wholly or partly suspend or terminate this contract.

7.3. Obligations of parties upon termination.

7.3.1. The DEPARTMENT shall pay and/or reimburse RECIPIENT for services satisfactorily completed in accordance with the terms and conditions outlined herein, subject to any damages sustained by the DEPARTMENT. Upon the effective date of termination, the DEPARTMENT shall have no further obligation to make any payments, other than that which became due prior to the effective date of termination or during the notice period.

7.3.2. The RECIPIENT shall:

7.3.2.1. Stop all work, make no further changes to completed work, and place no further orders related to this AGREEMENT, except that which may be needed to wind-down the contract or may be directed by the DEPARTMENT during the notice period.

7.3.2.2. Furnish notice of termination to any and all immediate subcontractors, suppliers, licensors or partners that may be affected by this termination.

7.3.2.3. Take actions necessary, or that the DEPARTMENT may direct, for the protection

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

and preservation of the work produced under this AGREEMENT.

7.3.2.4. Return and deliver to the DEPARTMENT its property and/or inventoried items in the possession of contractor and/or its employees or subcontractors.

7.3.2.5. Disclose, transfer and assign to the DEPARTMENT all the rights, titles, and interests in licenses, copyrighted or patented work, as well as anything whatsoever constituting intellectual property produced within the subject matter and scope of this AGREEMENT.

7.3.2.6. Not be entitled to recover any cancellation charges or lost profits.

7.4. Force Majeure. If either party fails to fulfill its obligations hereunder, when such failure is due to an act of God, or other circumstances beyond its reasonable control, including but not limited to fire, flood, civil commotion, riot, war (declared and undeclared), revolution, or embargoes, then said failure shall be excused for the duration of such event and for such a time thereafter as is reasonable to enable the parties to resume performance under this AGREEMENT.

7.4.1. Upon occurrence of a Force Majeure Event, the nonperforming party shall promptly notify the other party of occurrence of that Force Majeure Event, its effect on performance and its anticipated duration.

7.5. Notwithstanding the above, the RECIPIENT shall not be relieved of liability to the DEPARTMENT for damages sustained by the DEPARTMENT by virtue of any termination, default or breach of this AGREEMENT by the RECIPIENT.

ARTICLE 8: FINANCIAL MATTERS

8.1 The RECIPIENT is hereby prohibited from expending any of the funds provided hereunder for the purpose of lobbying the Legislature, the judicial branch or a state agency.

8.2 The RECIPIENT, as applicable, shall carry out the services outlined in Article 2 of this AGREEMENT in accordance with and subject to requirements of Section 215.97, Florida Statutes.

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

8.3 In the event that the RECIPIENT expends a total amount of state financial assistance equal to or in excess of $750,000 in its fiscal year, the RECIPIENT must have a state single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the RECIPIENT shall consider all sources of state financial assistance, including state financial assistance received from this department resource, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.

8.4 Audits conducted pursuant to Section 215.97, Florida Statutes, shall be: performed annually and conducted by independent auditors in accordance with auditing standards as stated in Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

8.5 Regardless of the amount of the state financial assistance, the provisions of Section 215.97, Florida Statutes, do not exempt the RECIPIENT from compliance with provisions of law relating to maintaining records concerning state financial assistance or allowing access and examination of those records by the DEPARTMENT, the Chief Financial Officer, or the Auditor General.

8.6 If the RECIPIENT expends less than $750,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of section 215.97, Florida Statutes, is not required. If however the RECIPIENT elects to have an audit conducted in accordance with the provision of section 215.97, Florida Statutes, the cost of the audit must be paid from RECIPIENT’s resources other than that which is obtained from the DEPARTMENT.

8.7 The DEPARMENT shall provide to the RECIPIENT, information needed by the RECIPIENT to comply with the requirements of Section 215.97, Florida Statutes.

8.8 The DEPARTMENT shall have access to the RECIPIENT’s records and the RECIPIENT’s independent auditor’s working papers as necessary for complying with the requirements of Section 215.97, Florida Statutes. The RECIPIENT is required to maintain sufficient records demonstrating its compliance with the terms of this AGREEMENT for a period of five years from the date the audit report is issued, and shall allow the DEPARTMENT or its designee, access to such records upon request.

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

8.9 Section 215.97, Florida Statutes, does not limit the authority of the DEPARTMENT to conduct or arrange for the conduct of additional audits or evaluations of state financial assistance or limit the authority of any state agency Inspector General, the Auditor General, or any other state official.

8.10 RECIPIENT shall provide one copy of each financial reporting package prepared in accordance with the requirements of Section 215.97, Florida Statutes. The financial reporting package means financial statements, Schedule of State Financial Assistance, auditor's reports, management letter, auditee's written responses or corrective action plan, correspondence on follow-up of prior years' corrective actions taken, and such other information determined by the Auditor General to be necessary and consistent with the purposes of Section 215.97, Florida Statutes. Copies of the financial reporting package required by this AGREEMENT shall be submitted by or on behalf of the RECIPIENT directly to each of the following:

The Florida Department of Agriculture and Consumer Services
Division of Administration
509 Mayo Building
407 South Calhoun Street
Tallahassee, Florida 32399-0800

The Auditor General's Office at the following address:

State of Florida Auditor General
Room 401, Claude Pepper Building
111 West Madison Street
Tallahassee, Florida 32399-1450

8.11 Any reports, management letters, or other information required to be submitted to the DEPARTMENT pursuant to this AGREEMENT shall be submitted timely in accordance with Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

8.12 The RECIPIENT shall maintain sufficient records demonstrating its compliance with the terms of this AGREEMENT for a period of five (5) years from the date the audit report is issued, and shall allow the DEPARTMENT, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The RECIPIENT shall ensure that audit working papers are made available to the DEPARTMENT, or its designee, Chief Financial Officer, or Auditor General upon request for

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

a period of five (5) years from the date the audit report is issued, unless extended in writing by the DEPARTMENT.

8.13 RECIPIENT shall ensure expenditures of state financial assistance is in compliance with laws, rules, and regulations applicable to expenditures of state funds, including, but not limited to, the Reference Guide for State Expenditures.

8.14 The RECIPIENT agrees that this AGREEMENT may be charged only with allowable costs resulting from obligations incurred during the term of this AGREEMENT.

8.15 The RECIPIENT agrees that any balances of unobligated cash that have been advanced or paid that are not authorized to be retained for direct program costs in a subsequent period must be refunded to the DEPARTMENT.

8.16 Any funds paid in excess of the amount to which the RECIPIENT is entitled under this AGREEMENT must be refunded to the DEPARTMENT.

ARTICLE 9: GENERAL PROVISIONS

9.1 Independent Contractor. The RECIPIENT, and any of its employees, agents, or assigns, are independent contractors and are not employees or agents of the DEPARTMENT.

9.1.1 The RECIPIENT shall not pledge the DEPARTMENT'S credit or make the DEPARTMENT a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness.

9.2 Indemnification. The RECIPIENT shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the DEPARTMENT, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the RECIPIENT, its agent, employees, partners, or subcontractors, provided, however that the RECIPIENT shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the DEPARTMENT.

9.2.1 The RECIPIENT's obligations under this paragraph with respect to any legal action are contingent upon the State or Customer giving the contractor (1) written

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at RECIPIENT's sole expense, and (3) assistance in defending the action at RECIPIENT's sole expense. The RECIPIENT shall not be liable for any cost, expense, or compromise incurred or made by the DEPARTMENT in any legal action without the RECIPIENT's prior written consent, which shall not be unreasonably withheld.

9.3 Liability. The DEPARTMENT shall not assume any liability for the acts, omissions to act or negligence of the RECIPIENT, its agents, servants, and employees, nor shall the RECIPIENT disclaim its own negligence to the DEPARTMENT or any third party.

9.3.1 The RECIPIENT shall maintain, during the period of this AGREEMENT, liability insurance for the services to be rendered in accordance with industry standards as appropriate.

9.4 Amendments. Any changes must be mutually agreed upon and incorporated in written amendments to this AGREEMENT.

9.5 Entire AGREEMENT. The instrument, including any attachments, embodies the entire AGREEMENT of the parties. This AGREEMENT supersedes all previous oral or written communications, representations or agreements on this subject.

9.6 Applicable Law. This AGREEMENT shall be governed by the laws of the State of Florida.

9.7 Severability. In the event that any one or more of the provisions of this AGREEMENT shall be determined to be void or unenforceable by a court of competent jurisdiction, or by law, such determination will not render this AGREEMENT invalid or unenforceable and the remaining provisions hereof shall remain in full force or effect. In the event that any clause or requirement of this AGREEMENT is contradictory to, or conflicts with the requirements of Florida law, including, but not limited to requirements regarding contracts with Florida's governmental agencies, the offending clause or requirement shall be without force and effect and the requirements of the Florida Statutes and rules promulgated thereunder on the same subject shall substitute for that clause or requirement and be binding on all parties to this contract.

9.8 Paragraph Headings. Paragraph headings contained in this AGREEMENT are for convenience or reference only. They shall

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

not be deemed to modify, limit, define or describe in any respect the provisions of this AGREEMENT.

9.9 Compliance. RECIPIENT shall, at its sole cost and expense, comply with all requirements of all Municipal, County, State and Federal rules and regulations, statutes and/or ordinances now in force, or which hereafter come into force, pertaining to the duties and obligations arising from this AGREEMENT.

9.10 No Subcontracting. RECIPIENT agrees that all services to be performed hereunder shall be performed solely by the RECIPIENT and may not be subcontracted for or assigned without the prior written consent of DEPARTMENT, which may be withheld by DEPARTMENT for any reason or granted subject to RECIPIENT's compliance with one or more of the following: (i) RECIPIENT purchasing, at its sole expense, a payment bond in a form and amount that DEPARTMENT determines to be adequate to protect suppliers of labor and material; (ii) DEPARTMENT withholding, as retainage, 25% or the highest percent permitted by law, whichever is less, of all payments made to the RECIPIENT until RECIPIENT submits evidence satisfactory to DEPARTMENT that all subcontracts and outstanding indebtedness in connection with the services hereunder have been paid for by the RECIPIENT; and (iii) RECIPIENT disclosing information satisfactory to DEPARTMENT regarding each subcontractor to perform services hereunder, including a description of the subcontractor's organization, ability to provide applicable services, cost to perform applicable services, previous work experience, and relationship to the RECIPIENT.

9.11 Survival. The termination of this AGREEMENT (whether by expiry, completion, the exercise of a termination right hereunder, or otherwise) will not relieve either party of any obligation, nor impair the exercise of rights, accrued hereunder prior to such termination. Without limiting the foregoing, the terms of Sections 4.5, 6.1, 9.2, and 9.10 hereof and Article 8 hereof will survive the termination of this AGREEMENT.

9.12 Administration of AGREEMENT.

The contract manager for the DEPARTMENT is State Recreation Coordinator Bin Wan and is located at 3125 Conner Boulevard, C-25, Tallahassee, Florida 32399-1650; (850) 681-5870; Bin.Wan@FDACS.gov.

The contract manager for the RECIPIENT is Michael Callender and is located at 4177 Ben Durrance Road, Bartow, Florida 33830; (863) 534-4340; MikeCallender@polk-county.net.

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

ARTICLE 10: STATE FUNDING DISCLOSURE

10.1 State resources awarded to the RECIPIENT pursuant to this agreement and are from the Florida Department of Agriculture and Consumer Services, T. Mark Schmidt OHV Trust Fund, catalog number 42.020 in the amount of $246,302.75.

If state resources awarded to the RECIPIENT are to be used as matching resources for federal programs, identify the name of federal agency and catalog of Federal Domestic Assistance (title and number). **N/A**

10.2 Reporting Requirements. Contracts for services with non-profit organizations as defined in Section 215.97(2)(m), F.S. require the RECIPIENT to provide documentation that indicates the amount of state funds: 1) allocated to be used during the full term of the contract for remuneration of any member of the board of directors or an officer of the RECIPIENT, and 2) allocated under each payment by the DEPARTMENT to be used for remuneration of any member of the board of directors or an officer of the RECIPIENT. The documentation must indicate the amounts and receipts of remuneration.

10.3 The RECIPIENT is not classified as a non-profit organization as defined in Section 215.97(2)(m), F.S.; therefore the RECIPIENT is not required to complete and return the Total Compensation Paid to Non-Profit Personnel Using State Funds form (FDACS-01324) in accordance with Section 216.1366, F.S., no later than ten (10) business days from execution of this AGREEMENT, for each member of the board of directors or officer of the RECIPIENT as applicable.

10.4 RECIPIENTS that are classified as a non-profit organization must post on the RECIPIENT'S website the information required by Section 216.1366, F.S., if the RECIPIENT maintains a website.

10.5 Failure to comply with the requirements of Section 216.1336, F.S., may result in termination of the AGREEMENT as prescribed in Section 7.2.

ARTICLE 11: EXECUTIVE COMPENSATION

11.1 The RECIPIENT shall complete and return the Executive Compensation Attestation for State Financial Assistance Contracts (FDACS-01317) within ten (10) business from execution of this agreement.

11.2 In the event that the RECIPIENT receives fifty (50) percent or more of its budget from funding provided by the State of

DocuSign Envelope ID: 5F5FD5FD-A923-4E50-8924-5D923DED9313

Florida, or a combination of funding from the State of Florida and the United States Government, then the RECIPIENT shall provide an annual report to the DEPARTMENT due on or before June 30th. An annual report shall be required for each year that this agreement remains in existence. The report shall detail the total compensation of the RECIPIENT's executive leadership team, to include salary, bonuses, cash-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real property gifts and any other payout. The annual report must also indicate what percent of compensation comes directly from State or Federal allocations, and the report shall contain the RECIPIENT's IRS Form 990.

11.3 RECIPIENT understands and agrees that it must provide DEPARTMENT of written notice detail any change in executive compensation in the intervening period between annual reports.

11.4 RECIPIENT understands and agrees that failure to comply with any provision of this section constitutes a material breach for which DEPARTMENT may seek termination of this agreement pursuant to Section I of this Agreement.

11.5 Absent written extension of the deadline to provide the annual report, the parties agree that the RECIPIENT shall be liable for a financial consequence of $100 per calendar day until the report is delivered.

11.6 The final annual report shall be delivered to the Department as part of the close out process detailed in Article 8.

Florida Department of Agriculture and Consumer Services
Florida Forest Services
FY 23 – 24 OHV Grant Application
Attn: Brooks White OHV Coordinator
Connor Building – Mail Stop C – 25
3125 Connor Blvd.
Tallahassee, FL 32399 – 1650
Telephone (850) 681-5884

Dear Ms. Brooks White/OHV Advisory Committee

Polk County Parks and Natural Resources is submitting a grant application under category 2A – Construction of New Trails. If awarded, funding from this grant will help pay for the construction of a motocross track on the Bone Valley ATV Park Expansion properties. The Opinion of Probable Construction Cost indicates that the total construction of the motocross track is expected to be $307,878.43 with the County providing $61,575.69 (20%) and the Grant providing $246,302.75 (80%).

Based on the construction timeline provided, the construction of the motocross track will be completed by early June 2024.

Thank you for the opportunity to apply for the T. Mark Schmidt Off-Highway Vehicle Grant. We are excited for the prospect opportunity this grant affords us as it relates to the expansion and development of Bone Valley ATV Park.

Sincerely

Mike Callender, Parks, and Recreation Manager
Polk County Parks and Natural Resources

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Crahsoft OBO Florida Department of Agriculture and Consumer Services (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Crahsoft OBO Florida Department of Agriculture and Consumer Services:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: salena.yarbrough@freshfromflorida.com

To advise Crahsoft OBO Florida Department of Agriculture and Consumer Services of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at salena.yarbrough@freshfromflorida.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Crahsoft OBO Florida Department of Agriculture and Consumer Services

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to salena.yarbrough@freshfromflorida.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Crahsoft OBO Florida Department of Agriculture and Consumer Services

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to salena.yarbrough@freshfromflorida.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Crahsoft OBO Florida Department of Agriculture and Consumer Services as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Crahsoft OBO Florida Department of Agriculture and Consumer Services during the course of your relationship with Crahsoft OBO Florida Department of Agriculture and Consumer Services.

Agenda Item R.32. 11/7/2023

SUBJECT

Approve agreement with Patel, Greene & Associates, LLC to provide professional engineering services for the master trail plan of the Lake Hancock multiuse trail. ($249,730.00 one-time expense)

DESCRIPTION

Parks & Natural Resources requested Procurement to solicit proposals for the purpose of professional engineering services to develop a comprehensive master plan for the Lake Hancock Multiuse Trail Connection- Local Agency Program (LAP) Project. This planning effort will identify how to link trail segments already in place or being planned/constructed. To achieve this goal, a need exists for a comprehensive master plan capable of serving as a formal guide or action plan/logic model for the development of the trail providing a level of planning documents necessary to initiate an actual engineering project.

Request for Proposal (RFP) 23-197, Professional Engineering Services for Lake Hancock Multiuse Trail Connection - LAP was issued, and four vendors submitted proposals. On July 25, 2023, the Board approved the selection committee's recommendation and authorized staff to enter into negotiations with all proposers interviewed starting with the highest ranked proposer, Patel, Greene & Associates, LLC.

The term of this agreement shall be through the completion of the construction project. Initial services total $249,730.00 with an estimated time frame of 450 calendar days.

This project is funded through a federally funded LAP through the Florida Department of Transportation (FDOT). FDOT reviewed and approved said agreement with Patel, Greene & Associates, LLC on October 18, 2023.

RECOMMENDATION

Request Board approve agreement with Patel, Greene & Associates, LLC Temple Terrace, Florida for RFP 23-197, Professional Engineering Services for Lake Hancock Multiuse Trail Connection - LAP in the amount of $249,730.00.

FISCAL IMPACT

Funds are budgeted and available in the Special Revenue Grant Fund.

PROFESSIONAL SERVICE AGREEMENT FOR LAKE HANCOCK MULTI-USE TRAIL CONNECTION - LAP

THIS PROFESSIONAL SERVICE AGREEMENT (the "Agreement") is entered into as of the Effective Date (defined in Section 1, below) by and between Polk County (the "County"), a political subdivision of the State of Florida, situated at 330 West Church Street, Bartow, Florida 33830, and Patel Greene & Associates, LLC (the "Firm") a Florida limited liability company, headquartered at 12570 Telecom Drive, Temple Terrace, FL 33637 whose Federal Employer Identification Number is 45-2209743.

WHEREAS, the County requires certain professional services in connection with the master trail plan for the Upper Peace River Trail at Various Locations; and

WHEREAS, the County has solicited for these services via RFP 23-197, an advertised request for proposals (the "RFP"), and has received numerous responsive proposals thereto; and

WHEREAS, pursuant to the RFP, the County has selected the Firm and the Firm remains agreeable to providing the County the professional services described herein, and the Firm represents that it is capable and prepared to do so according to the terms and conditions stated herein.

NOW, THEREFORE, in consideration of the mutual understandings and covenants set forth herein, the parties hereby agree, as follows:

1.0 **Effective Date; Term**

1.1 This Agreement shall take effect on the date (the "Effective Date") of its execution by the County and shall continue until completion of the construction project (estimated to be 450 calendar days following issuance of the Notice to Proceed).

2.0 **Firm Services**

2.1 The County does hereby retain the Firm to furnish those services and to perform those tasks (collectively, the "Services") further described in (i) the County's Request for Proposal RFP # 23-197, to include all attachments and addenda, (ii) the Firm's responsive proposal thereto, and (iii) the Scope & Schedule (collectively, (i) (ii), and (iii) are "RFP 23-197"), all of which are incorporated into this Agreement by this reference, attached as a composite Exhibit "A" and made a part of this Agreement.

2.2 At its option the County may choose to modify and/or delete any Services included within the seven task (collectively, the "Tasks") as set forth and described in Exhibit

"Aiii" and the description portion of the Firm's Fee Proposal, contained in Exhibit "B".

2.3. By execution of this Agreement, the County hereby engages the Firm to perform the Services as outlined in Exhibit "A-iii & B". Any additional authorizations for future services shall be in the form of a written amendment to this Agreement.

3.0 **Compensation**

3.1 General

3.1.1 In consideration for its providing the Services, the County shall pay the Firm the not to exceed amount of $249,730.00 for the Task as stated in Exhibit "B", Fee Proposal, which amount is based on the Firm's hourly rate schedules set forth in Exhibit "C", Fee Schedule, both of which are attached hereto and made a part of this Agreement.

3.1.2 At its option the County may choose to engage the Firm to perform additional, related services beyond the scope of the Services for which the County shall pay the Firm's in accordance with the hourly rate schedules stated on the attached Exhibit "C", "Fee Schedule", which is made a part of this Agreement. The Fee Schedule identifies all Firm job classifications which will perform billable services pursuant to this Agreement and the fee for each job classification, along with all equipment, materials, and supplies necessary in the performance of the Services. The County shall not be obligated to pay the Firm (i) for any Services performed by individuals whose job classifications are not listed on the Fee Schedule, and (ii) for the cost of any equipment, material, or supplies not listed on the Fee Schedule that the Firm may use in performing the Services.

3.1.3 All the Firm's invoices for payment must reference this Agreement and must be submitted using a form approved by the County Auditor.

3.1.4 Each invoice shall be due and payable forty-five (45) days after the date the County receives a correct, fully documented, invoice, in form and substance satisfactory to the County with all appropriate cost substantiations attached. All invoices shall be delivered to:

Polk County Parks and Natural Resources Division
4177 Ben Durrance Road
Bartow, FL 33830

3.1.5 The Firm will clearly state "Final Invoice" on the Firm's final/last billing for the Services rendered to the County. The Firm's submission of a Final Invoice is its certification that all Services have been properly performed and all charges and costs have been

invoiced to the County. This account will be closed upon the County's receipt of a Final Invoice. The Firm hereby waives any charges not properly included on its Final Invoice.

3.1.6 The County's payment of a Final Invoice shall not constitute evidence of the County's acceptance of the Firm's performance of the Services or its acceptance of any of the Firm's Project work.

3.1.7 All Firm invoices shall be accompanied by time and task records for all billable hours appearing on the invoice. After examining an invoice, the County may request that the Firm submit additional documents to support certain fees or charges. Upon receipt of any such request the Firm shall provide the requested documents or other required information to the County Auditor's satisfaction.

3.1.8 On each invoice submitted, the Firm's Project Manager or designated payroll officer is attesting to the correctness and accuracy of all fees, time charges and requested reimbursements for which the Firm seeks payment.

3.1.9 The County's review, approval, acceptance, or payment for any of the Firm's Services shall not be construed to: (i) operate as a waiver of any rights the County possesses under this Agreement; or (ii) waive or release any claim or cause of action arising out of the Firm's performance or nonperformance of this Agreement. The Firm shall be and will always remain liable to the County in accordance with applicable law for any and all damages to the County caused by the Firm's negligent or wrongful performance or nonperformance of any of the Services to be furnished under this Agreement.

3.2 **Reimbursable Expenses**

3.2.1 All Firm requests for payment of expenses eligible for reimbursement under the terms of this Agreement shall be reimbursed per the County's Reimbursable Schedule that is attached hereto as Exhibit "D" and made a part of this Agreement. The Firm's request for payment shall include copies of paid receipts, invoices or other documentation acceptable to the County Auditor. To qualify for reimbursement, the Firm's documentation shall be sufficient to establish that the expense was actually incurred and necessary in the performance of the Services performed in accordance with this Agreement.

3.2.2 Reimbursable Expenses are the actual, pre-approved, expenses the Firm incurred directly in connection with the performance of the Services performed in accordance with this Agreement:

Overnight Deliveries
Reproduction
Sub-Consultant

3.2.3 Mileage and associated travel costs shall be reimbursed in accordance with F.S. 112.061 and County policy for pre-approved out-of-county travel (excluding travel from home offices located outside of Polk County to the Polk County line).

3.2.4 All assets, i.e. durable goods, purchased as reimbursable expenses become the property of the County upon completion of any Project work for which the asset was utilized. All such assets must be surrendered by delivery to the applicable County Division responsible for the Project immediately upon (i) demand, (ii) termination of the Agreement, or (iii) the conclusion of the applicable Project, whichever occurs first.

3.2.5 Firm shall maintain a current inventory of all such assets.

4.0 **Firm's Responsibilities**

4.1 The Firm shall be responsible for the professional quality, accuracy, competence, methodology, and the coordination of all Services performed pursuant to this Agreement.

4.2 The County's review, approval, acceptance, or payment for any of the Firm's Services shall not be construed to: (i) operate as a waiver of any rights the County possesses under this Agreement; or (ii) waive or release any claim or cause of action arising out of the Firm's performance or nonperformance of this Agreement. The Firm shall be and will always remain liable to the County in accordance with applicable law for any and all damages to the County caused by the Firm's negligent or wrongful performance or nonperformance of any of the Services to be furnished under this Agreement.

5.0 **Ownership of Documents**

All analyses, reference data, bills, completed reports, or any other form of written instrument or document created or resulting from the Firm's performance of the Services pursuant to this Agreement, subject to the cure period provided in Section 26.0, shall become the property of the County after payment is made to the Firm for such instruments or documents.

6.0 **Termination**

6.1 The County may terminate this Agreement, in whole or in part, at any time, either for the County's convenience or because of the failure of the Firm to fulfill its

obligations under this Agreement, subject to the cure period provided in Section 26.0, by delivering written notice to the Firm. Upon receipt of such notice, the Firm shall:

6.1.1 Immediately discontinue all affected Services unless the notice directs otherwise, and

6.1.2 Deliver to the County all data, reports, summaries, and any and all such other information and materials of whatever type or nature as may have been accumulated by the Firm in performing this Agreement, whether completed or in process.

6.2 Unless in dispute or subject to the County's right of set-off or other remedy, the Firm shall be paid for Services actually rendered to the date of termination.

6.3 The rights and remedies of the County provided for in this Section 6 are in addition and supplemental to any and all other rights and remedies provided by law or under this Agreement.

7.0 **No Contingent Fees**

The Firm warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Firm to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the Firm, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from award of or making of the Agreement. For the breach or violation of this provision, the County shall have the right to terminate the Agreement at its sole discretion, without liability and to deduct from the Agreement price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

8.0 **Assignment**

The Firm shall not assign, transfer, or encumber this Agreement, or any interest herein, under any circumstances, without obtaining the prior written consent of the County, which consent may be withheld in the County's exercise of its reasonable discretion.

9.0 **Professional Associates and Subcontractors**

If the Firm requires the assistance of any professional associates or subcontractors in connection with its providing the Services the Firm must obtain the prior express written approval of the County, which the County may withhold in its discretion, before any such professional associate or subcontractor may perform any work for the County. If after obtaining the County's approval the Firm utilizes any professional associates or subcontractors in the

delivery of the Services, then the Firm shall remain solely and fully liable to the County for the performance or nonperformance of all such professional associates and subcontractors. The failure of a professional associate or subcontractor to timely or properly perform any of its obligations to the Firm shall not relieve the Firm of its obligations to the County under this Agreement.

10.0 **Indemnification of County**

To the extent provided by law, the Firm shall indemnify, and hold harmless the County and the State of Florida, Department of Transportation, including the Department's officers, agents, and employees, against any actions, claims, or damages to the extent caused by the negligent or wrongful act(s) of the Firm, or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by the Firm hereunder, to the extent and within the limitations of Section 768.28, Florida Statutes.

The forgoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statues, Section 768.28. Nor shall the same be construed to constitute agreement by the Firm to indemnify the County for the negligent acts or omissions of the County, its officers, agents, or employees, or third parties. Nor shall the same be construed to constitute agreement by the Firm to indemnify the Department for the negligent acts or omissions of the Department, its officers, agents, or employees, or third parties. This indemnification shall survive the termination of this Agreement.

11.0 **Insurance Requirements**

The Firm shall maintain at all times the following minimum levels of insurance and shall, without in any way altering its liability, obtain, pay for and maintain insurance for the coverage and amounts of coverage not less than those set forth below. The Firm shall provide the County original Certificates of Insurance satisfactory to the County to evidence such coverage before any work commences. The County shall be named as an additional insured on General and Automobile Liability policies. General Liability and Workers' Compensation policies shall contain a waiver of subrogation in favor of Polk County. The Commercial General Liability Policy shall (by endorsement if necessary) provide contractual liability coverage for the contractual indemnity stated in Section 10, above. All insurance coverage shall be written with a company having an A.M. Best rating of at least the "A" category and size category of VIII. The

Firm's self-insured retention or deductible per line of coverage shall not exceed $50,000 without the permission of the County. In the event of any failure by the Firm to comply with the provisions of this Section 11, the County may, at its option, upon notice to the Firm suspend Firm's performance of the Services for cause until there is full compliance. Alternatively, the County may purchase such insurance at the Firm's expense, provided that the County shall have no obligation to do so and if the County shall do so, the Firm shall not be relieved of or excused from the obligation to obtain and maintain such insurance amounts and coverage.

Comprehensive Automobile Liability Insurance. $1,000,000.00 combined single limit of liability for bodily injuries, death and property damage resulting from any one occurrence, including all owned, hired, and non-owned vehicles.

Professional Liability. $2,000,000 for errors and omissions.

Commercial General Liability. $1,000,000.00 combined single limit of liability for bodily injuries, death and property damage, and personal injury resulting from any one occurrence, including the following coverages:

Premises and Operations:

> Broad Form Commercial General Liability Endorsement to include Blanket Contractual liability (specifically covering, but not limited to, the contractual obligations assumed by the Firm); Personal Injury (with employment and contractual exclusions deleted); and Broad Form Property Damage coverage.

Independent Contractors:

> Delete Exclusion relative to collapse, explosion and underground; Property Damage Hazards; Cross Liability Endorsement; and Contractual liability (specifically covering, but not limited to, the contractual obligations assumed by the Firm)

Workers Compensation. The Firm shall provide, pay for, and maintain workers compensation insurance on all employees, its agents or subcontractors as required by Florida Statutes.

12.0 **Public Entity Crimes**

The Firm understands and acknowledges that this Agreement will be voidable by the County in the event the conditions stated in Florida Statutes, Section 287.133 relating to

conviction for a public entity crime apply to the Firm.

13.0 **Non-Discrimination**

The Firm warrants and represents that all of its employees are treated equally during employment without regard to race, color, religion, gender, age or national origin.

14.0 **Designation of Party Representatives**

14.1 Upon receipt of a request from the Firm, the County shall designate in writing one or more of its employees who are authorized to act by and on behalf of the County to transmit instructions, receive information and interpret and define the County's policy and decisions with respect to the Services to be provided pursuant to this Agreement.
