INTRODUCTION/BACKGROUND

When the GMP is agreed to by the Facilities Management Division, an Agenda Item will be presented to the Board

of County Commissioners for their approval. After GMP approval, a purchase order will be issued for the amount of the GMP.

EVALUATION CRITERIA AND SELECTION PROCESS

Proposals will be evaluated in accordance with this section and all applicable County procurement policies and procedures.

The County shall appoint a selection committee (the "Selection Committee") that will be responsible for evaluating and scoring/ranking the Proposals in accordance with this Section.

The County will use a competitive selection process based on the Elevation Levels described in this Section. At Elevation Levels 2 and 3, the Selection Committee will score and/or rank the Proposals as applicable.

Selection of a final Proposal will be based upon the following steps and factors:

Elevation Level 1 (Procurement Requirements Assessment)

- The County Procurement Division shall review all Proposals for conformance with RFP guidelines and detailed submittal requirements. At the County's discretion, non-conforming Proposals may be eliminated from further consideration and conforming Proposals shall be elevated to Elevation Level 2.
- Procurement will distribute Proposals and evaluation criteria to the Selection Committee.
- The Selection Committee may convene to review questions that arise during individual member review of submitted Proposals before Elevation Level 2 or Elevation Level 3, to allow for questions, clarifications, explanations, or other discussion to be held before the review of Proposals is completed.

Elevation Level 2 (Selection Committee Evaluation)

Procurement shall score each Proposal on the following evaluation criteria:

- | | |
|---------------------------------------|-----------|
| • Local (Tab 5) | 5 points |
| • W/MBE Certification (Tab 6) | 5 Points |
| • Surveys of Past Performance (Tab 8) | 10 points |
| Subtotal Points | 20 Points |

by the process stated under each corresponding Tab description

Each Selection Committee member shall score each Proposal on the following evaluation criteria:

- | | |
|---|-----------|
| • Approach to Project (Tab 2) | 30 Points |
| • Experience and Expertise (Tab 3) | 25 Points |
| Personnel and Technical Resources | |
| • Scheduling and Cost Control (Tab 4) | 20 Points |
| • Timely Completion of Projects (Tab 7) | 5 Points |
| Subtotal Points | 80 Points |

by the following process:

Each Selection Committee member shall determine which of the following descriptions applies to each of the foregoing evaluation criteria:

EXCELLENT (1.0): Of the highest or finest quality; exceptional; superior; superb; exquisite; peerless.

The Proposer provided information for a given criteria that satisfied the requirements and described specifically how and what will be accomplished in such a manner that

exhibited an exceptional and superior degree of understanding, skill, and competency, both qualitatively and quantitatively. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver far beyond expectation.

VERY GOOD (0.8): To a high degree; better than or above competent and/or skillful.

The Proposer provided information for a given criteria that satisfied the requirements and described specifically how and what will be accomplished in such a manner that exhibited a very high degree of understanding, skill, and competency, both qualitatively and quantitatively. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver beyond expectation.

GOOD (0.6): Having positive or desirable qualities; competent; skilled; above average.

The Proposer provided information for a given criteria that satisfied the requirements and described specifically how and what will be accomplished in such a manner that exhibited a skillful and above-average degree of understanding, skill, and competency, both qualitatively and quantitatively. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver at the expected level.

FAIR (0.4): Average; moderate; mediocre; adequate; sufficient; satisfactory; standard.

The Proposer provided information for a given criteria that satisfied the requirements and described sufficiently how and what will be accomplished in a manner that exhibited an adequate and average degree of understanding, skill, and competency, both qualitatively and quantitatively. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver at a level slightly below expectation.

POOR (0.2): Inadequate; lacking; inferior in quality; of little or less merit; substandard; marginal.

The Proposer provided information for a given criteria that did not satisfy the requirements and described in an inadequate manner how and what will be accomplished. The information provided simply reiterated a requirement, contained inaccurate statements or references, lacked adequate information, or was of inferior quality. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver at a substandard and inferior level.

UNACCEPTABLE (0.0):

The Proposer failed to provide any information for a given criteria, provided information that could not be understood, or did not provide the information for a given category as requested.

After a Selection Committee member has determined the description applicable for each evaluation criterion, the total points available for such criterion shall be multiplied by the factor associated with the applicable description to produce the number of points allocated for that evaluation criterion. For example, a Selection Committee member classifies the “Experience and Expertise” criterion (which shall be worth 25 points for the purpose of this example) as “Very Good” (which is a description factor multiplier of 0.8). The points that Selection Committee member allocated for that evaluation criterion would be 20, calculated as follows: 25 available points x 0.8 applicable description factor multiplier = 20 points.

A Selection Committee member’s total score for each Proposal shall equal the sum of the total points allocated for each evaluation criteria.

When all Selection Committee members have completed their proposal evaluations, the individual Selection Committee member’s total scores for each Proposal will be added together to produce a final score for each Proposal.

Procurement will confirm the calculations for the final score for each Proposal. Then, Procurement shall publish a rank-ordered listing of the Proposals to the Selection Committee with the Proposal receiving the highest point as the highest-ranked Proposal.

In accordance with Section 287.055(4)(a), Florida Statutes, if there are three (3) or more Proposers in Elevation Level 2, the Selection Committee must elevate no fewer than the three highest scored of such Proposers to Elevation Level 3 for interviews. If there are only two Proposers in Elevation Level 2, the Selection Committee must elevate those two Proposers to Elevation Level 3 for interviews. If there is only one Proposer in Elevation Level 2, then the Selection Committee may collectively decide if they would like to elevate the Proposer to Elevation Level 3 for interviews or if they would like to recommend the Board authorize staff to enter into Contract Negotiations with the Proposer. In the latter case, after Board approval to authorize staff to negotiate a contract, the Proposer will then be elevated to Elevation Level 4 for contract negotiations.

Elevation Level 3 (Proposer Interviews)

The Selection Committee are required to conduct interviews of the Proposers that it has elevated from Elevation Level 2 to Elevation Level 3.

During an interview, elevated Proposers may be requested to make a presentation focusing on their qualifications, approach to the project and the ability to furnish the required services. The Selection Committee members will have an opportunity to inquire about any aspect of the RFP and the Proposer’s Proposal. After all elevated Proposer

interviews, each Selection Committee member will individually rank the Proposers in numerical order beginning at number 1 for the Proposer deemed to be the most highly qualified to perform the required services. In accordance with Section 287.055(4)(b), Florida Statutes, in determining whether a Proposer is qualified, each Selection Committee member shall consider such factors as:

- Ability of Personnel
- Whether a Proposer is a certified minority business enterprise
- Past performance
- Willingness to meet time and budget requirements
- Location
- Recent, current, and projected workloads
- Volume of work previously awarded to each Proposer by the County

Procurement shall receive and compile each Selection Committee member's ranking of each Proposer, and then publish a rank-ordered listing of Proposers to the Selection Committee, based on the combined average rankings given each Proposer. The Selection Committee members will then collectively decide if they would like to recommend the Board, or if applicable the County manager, authorize staff to enter into Contract Negotiations with all Proposers elevated to Proposer Interviews, starting with the highest-ranked Proposer. After Board or County Manager approval, as applicable, to authorize staff to negotiate a contract, the highest-ranked Proposer will then be elevated to Elevation Level 4, Contract Negotiations.

Elevation Level 4 (Contract Negotiations)

If after negotiating for a reasonable time period the parties cannot agree on a contract, the County shall, in its sole discretion, terminate further contract negotiations with that Proposer. Procurement shall notify the Selection Committee that contract negotiations with the elevated Proposer have terminated. The Selection Committee shall then determine whether to recommend to the Board to approve contract negotiations with the next-highest-ranked Proposer, and so on. If the Selection Committee decides not to recommend contract negotiations with the next-highest-ranked Proposer, or if the County determines there is no other Proposer with whom the County can successfully negotiate a contract, then the RFP Selection Process shall terminate.

After contract negotiations with a Proposer are successfully completed pursuant to Elevation Level 4, the Selection Committee shall recommend to the Board of County Commissioners that it selects such Proposer to provide the services as outlined in the Agreement. The Board of County Commissioners shall make the final decision whether to enter into an Agreement with a Proposer.

C. By entering into this Agreement, the contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The contractor shall maintain a copy of such affidavit for the duration of this Agreement. Failure to comply will lead to termination of this Agreement, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If this Agreement is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If this Agreement is terminated for a violation of Section 448.095, Fla. Stat., by the contractor, the contractor may not be awarded a public contract for a period of 1 year after the date of termination. RFP 25-600, Construction Manager at Risk (CMAR) – New Sheriff's Office/Polk County Joint-Use Warehouse & Facilities Management Administration Building

Addendum #1

Question 1: Can the County allow us to submit Polk County Survey Questionnaires that were solicited and completed by our clients for previous Polk County RFP's?

Answer 1: 1) Yes, surveys from prior RFP submittals may be used if they meet the following criteria.

- i. The survey questions are the same
- ii. The scope of work of the prior RFP survey you are submitting is similar to the scope of the work of this RFP.
- iii. The survey submitted is for one of the projects identified under Tab 3.
- iv. If submitting a survey from a prior RFP, please manually strike through the RFP number and name on the top of the survey and write in the appropriate RFP number and name that matches the RFP you are submitting a proposal for.

Question 2: The RFP states that the proposal must be submitted in a 3-ring binder. Would Polk County accept a spiral-bound format instead, provided that all requested tabs and documentation are included and clearly organized?

Answer 2: Spiral-bound is acceptable format.

Question 3: 1) Electronic submissions via Kiteworks, are we still required to submit one original and five hard-copy binders, or may we submit only the electronic package? 2) The RFP lists separate Tabs in PDF format. Should we upload five individually labeled PDFs (e.g. "RFP 25-599 Tab 1.pdf"), or combine everything into one bookmarked PDF?

Answer 3: 1) For electronic submissions via Kiteworks, only the electronic package is required. Hard copies are required only for non-electronic submissions.
2) Individual labeled PDF's for each Tab.

Question 4: Want to confirm that Exhibit 1 is not required to be included with each survey questionnaire, and that it is only provided as a reference for completing the top portion of the survey?

Answer 4: Exhibit 1 is detailed instructions on how to prepare and send performance surveys. It is not to be submitted with questionnaire.

Question 5: 1) Regarding Tab 6 of this RFP, please advise if proposers will be allocated points for the inclusion of MBE sub-consultants.

RFP 25-600, Construction Manager at Risk (CMAR) – New Sheriff's Office/Polk County Joint-Use Warehouse & Facilities Management Administration Building

Addendum #1

2) We've noticed several municipalities removing this particular qualification from the scoring criteria and our request is if the County would give any consideration to doing so?

Answer 5: 1) Yes proposers will be allocated points for women or minority business enterprises as defined in Tab 6 on page 10 & 11 of RFP Package.
2) The County does not intend to remove this scoring criteria at this time.

Question 6: Tab 3 states to provide similar CMAR projects performed for public entities. If a company has experience in tilt-wall facilities and warehouses in the private sector, can we use those projects as references in Tab 3?

Answer 6: See revision below.

Question 7: Address for project site?

Answer 7: The site will be located on County owned property at 2155 Bob Phillips Road, Bartow, FL 33830.

Question 8: Are background checks required for this project? If so, do they apply to all staff involved in the project or only to personnel present during the construction phase?
