

RESOLUTION NO.: \_\_\_\_\_

**WHEREAS** the Board of County Commissioners has a policy to allow for the placement of traffic calming devices upon certain qualifying roads, and

**WHEREAS** the Polk County Roads & Drainage Division was requested to install traffic calming devices on the following County-maintained Local Residential road:

Shenandoah Street (Road Number 941612); from County Road 37B (Lakeland Highlands Road) to Bersch Road. Located in S-16, T-29S, R-24E, and

**WHEREAS** speed studies were performed in accordance with the procedures established by the State of Florida Department of Transportation, and said studies verified that Shenandoah Street qualifies for traffic calming devices based on 85<sup>th</sup> Percentile speed and traffic volume, and

**WHEREAS** homeowners along Shenandoah Street were provided with ballot forms, and a sufficient number of said forms were either returned in support of the installation of traffic calming devices, or were not returned and counted as being in support of the installation of traffic calming devices, in accordance with Board policy requirements,

**NOW, THEREFORE, BE IT RESOLVED** that the Polk County Roads & Drainage Division is herewith directed to cause Shenandoah Street to have three traffic calming devices installed between County Road 37B (Lakeland Highlands Road) and Bersch Road.

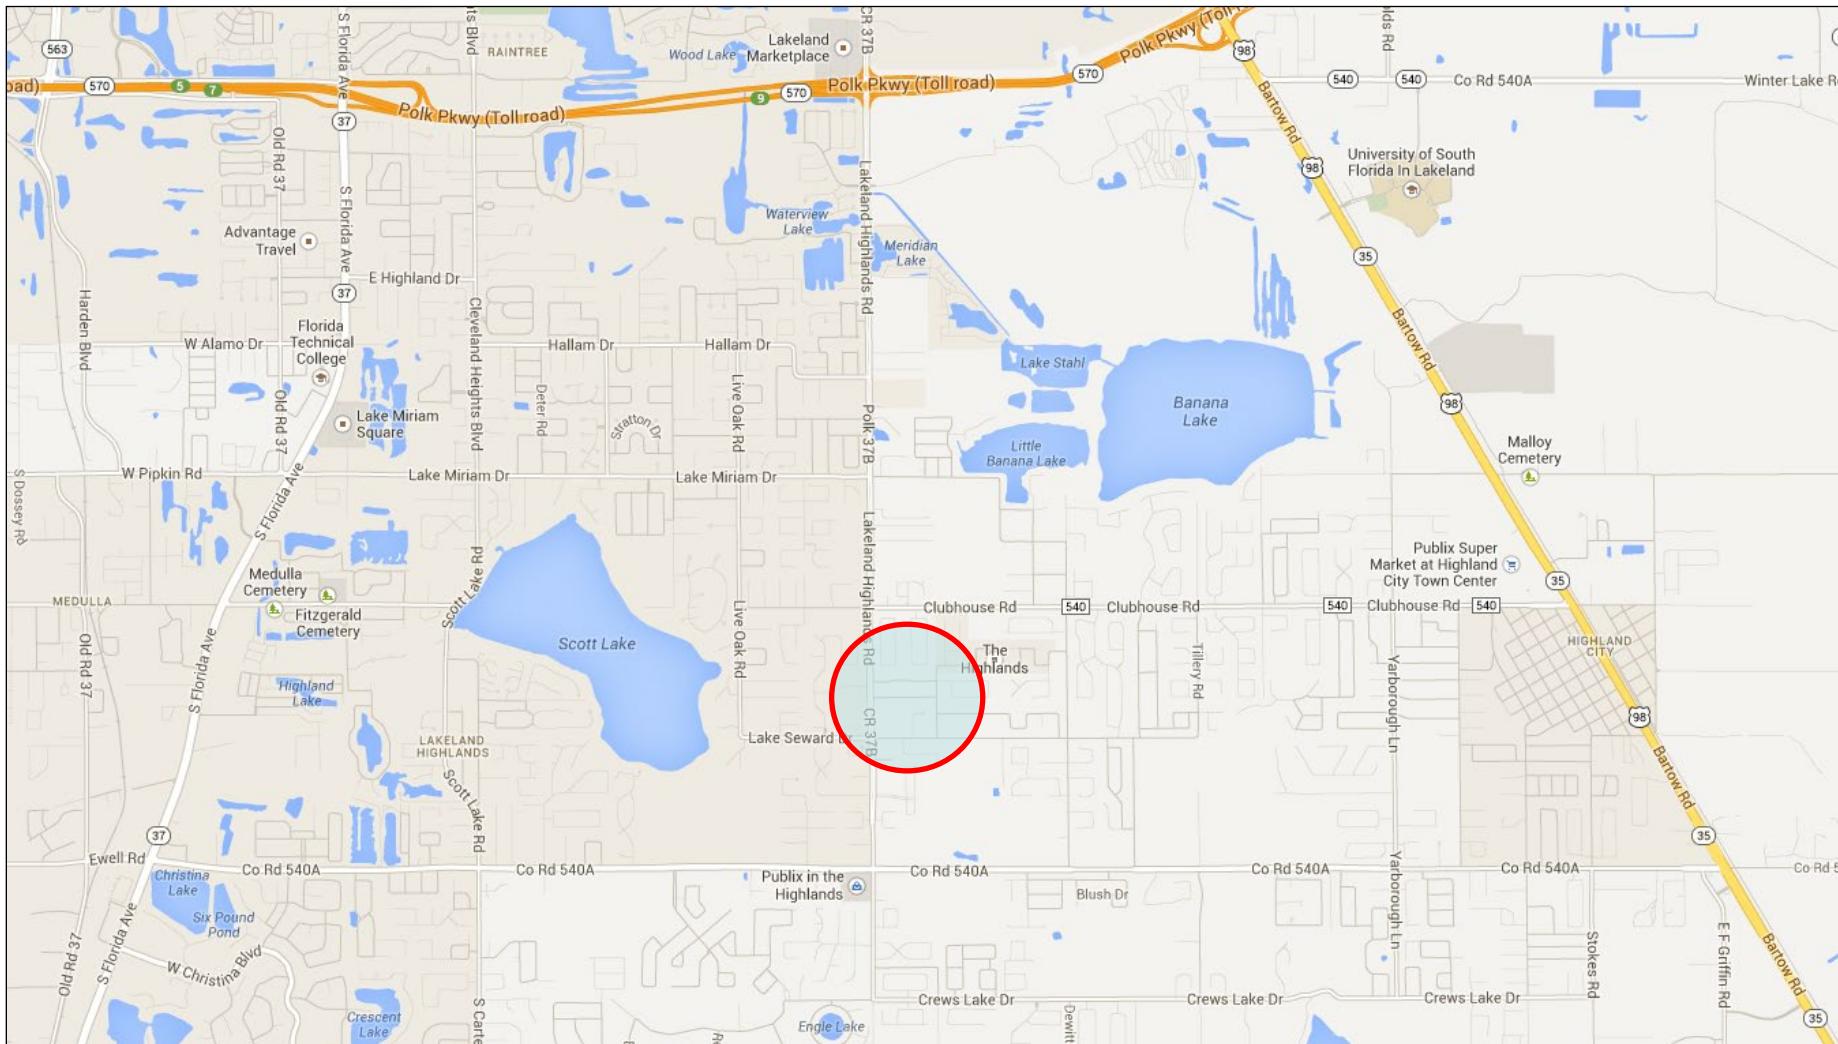

DATED this 4<sup>th</sup> day of March 2025.
