Selection Process

Proposals will be evaluated in accordance with this section and all applicable County procurement policies and procedures.

The County shall appoint a selection committee (the "Selection Committee") that will be responsible for evaluating and scoring/ranking the Proposals in accordance with this Section.

The County will use a competitive selection process based on the Elevation Levels described in this Section. At Elevation Levels 2 and 3, the Selection Committee will score and/or rank the Proposals as applicable.

Selection of a final Proposal will be based upon the following steps and factors:

Elevation Level 1 (Procurement Requirements Assessment):

- The County Procurement Division shall review all Proposals for conformance with RFP guidelines and detailed submittal requirements. At the County's discretion, non-conforming Proposals may be eliminated from further consideration and conforming Proposals shall be elevated to Elevation Level 2. Procurement will distribute Proposals and evaluation criteria to the Selection Committee.
- Procurement will also ensure all firms meet the requirement of certification as outlined in Florida Statute 287.055(3)(c).
- The Selection Committee may convene to review questions that arise during individual member review of submitted Proposals before Elevation Level 2 to allow for questions, clarifications, explanations, or other discussion to be held before the review of Proposals is completed.

Elevation Level 2 (Scoring)

- Procurement shall score each Proposal on the following evaluation criteria:

- Local (Tab 5) 5 points
- W/MBE Certification (Tab 6) 5 points
- Surveys of Past Performance (Tab 7) 10 points

Subtotal Points: 20 points

by the process stated under each corresponding Tab description as set forth on Pages 10-12.

- Each Selection Committee member shall score each Proposal on the following evaluation criteria:

- Approach to the Project (Tab 2) 30 points
- Experience, Expertise, Personnel and Technical Resources (Tab 3) 30 points
- Scheduling and Cost Control (Tab 4) 20 points

Subtotal Points: 80 points

by the following process:

- 1) Each Selection Committee member shall determine which of the following descriptions applies to each of the foregoing evaluation criteria:

- EXCELLENT (1.0): Of the highest or finest quality; exceptional; superior; superb; exquisite; peerless.

The Proposer provided information for a given criteria that satisfied the requirements and described specifically how and what will be accomplished in such a manner that exhibited an exceptional and superior degree of understanding, skill, and competency, both qualitatively and quantitatively. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver far beyond expectation.

- VERY GOOD (0.8): To a high degree; better than or above competent and/or skillful.

The Proposer provided information for a given criteria that satisfied the requirements and described specifically how and what will be accomplished in such a manner that exhibited a very high degree of understanding, skill, and competency, both qualitatively and quantitatively. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver beyond expectation.

- GOOD (0.6): Having positive or desirable qualities; competent; skilled; above average.

The Proposer provided information for a given criteria that satisfied the requirements and described specifically how and what will be accomplished in such a manner that exhibited a skillful and above-average degree of understanding, skill, and competency, both qualitatively and quantitatively. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver at the expected level.

- FAIR (0.4): Average; moderate; mediocre; adequate; sufficient; satisfactory; standard.

The Proposer provided information for a given criteria that satisfied the requirements and described sufficiently how and what will be accomplished in a manner that exhibited an adequate and average degree of understanding, skill, and competency, both qualitatively and quantitatively. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver at a level slightly below expectation.

- POOR (0.2): Inadequate; lacking; inferior in quality; of little or less merit; substandard; marginal.

The Proposer provided information for a given criteria that did not satisfy the requirements and described in an inadequate manner how and what will be accomplished. The information provided simply reiterated a requirement, contained inaccurate statements or references, lacked adequate information, or was of inferior quality. The facts included in the narrative (including all supporting documentation, diagrams, drawings, charts, and schedules, etc.) demonstrate the Proposer's ability to perform and deliver at a substandard and inferior level.

- UNACCEPTABLE (0.0):

The Proposer failed to provide any information for a given criteria, provided information that could not be understood, or did not provide the information for a given category as requested.

- 2) After a Selection Committee member has determined the description applicable for each evaluation criterion, the total points available for such criterion shall be multiplied by the factor associated with the applicable description to produce the number of points allocated for that evaluation criterion. For example, a Selection Committee member classifies the "Experience and Expertise" criterion (which shall be worth 25 points for the purpose of this example) as "Very Good" (which is a description factor multiplier of 0.8). The points that Selection Committee member allocated for that evaluation criterion would be 20, calculated as follows: 25 available points x 0.8 applicable description factor multiplier = 20 points.

- 3) A Selection Committee member's total score for each Proposal shall equal the sum of the total points allocated for each evaluation criteria.
- 4) When all Selection Committee members have completed their Proposal evaluations, the individual Selection Committee member's total scores for each Proposal will be added together to produce a final score for each Proposal.
- 5) Procurement will confirm the calculations for the final score for each Proposal. Then, Procurement shall publish a rank-ordered listing of the Proposals to the Selection Committee with the Proposal receiving the highest point as the highest-ranked Proposal.
- 6) In accordance with Section 287.055(4)(a), Florida Statutes, if there are three (3) or more Proposers in Elevation Level 2, the Selection Committee must elevate no fewer than the three highest scored of such Proposers to Elevation Level 3 for interviews. If there are only two Proposers in Elevation Level 2, the Selection Committee must elevate those two Proposers to Elevation Level 3 for interviews. If there is only one Proposer in Elevation Level 2, then the Selection Committee may collectively decide if they would like to elevate the Proposer to Elevation Level 3 for interviews or if they would like to recommend the Board authorize staff to enter into Contract Negotiations with the Proposer. In the latter case, after Board approval to authorize staff to negotiate a contract, the Proposer will then be elevated to Elevation Level 4 for contract negotiations.

Elevation Level 3 (Proposer Interviews)

The Selection Committee are required to conduct interviews of the Proposers that it has elevated from Elevation Level 2 to Elevation Level 3.

During an interview, elevated Proposers may be requested to make a presentation focusing on their qualifications, approach to the project and the ability to furnish the required services. The Selection Committee members will have an opportunity to inquire about any aspect of the RFP and the Proposer's Proposal. After all elevated Proposer interviews, each Selection Committee member will individually rank the Proposers in numerical order beginning at number 1 for the Proposer deemed to be the most highly qualified to perform the required services. In accordance with Section 287.055(4)(b), Florida Statutes, in determining whether a Proposer is qualified, each Selection Committee member shall consider such factors as:

- Ability of Personnel
- Whether a Proposer is a certified minority business enterprise
- Past performance
- Willingness to meet time and budget requirements
- Location
- Recent, current, and projected workloads
- Volume of work previously awarded to each Proposer by the County

Procurement shall receive and compile each Selection Committee member's ranking of each Proposer, and then publish a rank-ordered listing of Proposers to the Selection Committee, based on the combined average rankings given each Proposer. The Selection Committee members will then collectively decide if they would like to recommend the Board authorize staff to enter into Contract Negotiations with all Proposers elevated to Proposer Interviews, starting with the highest-ranked Proposer(s). After Board approval to authorize staff to negotiate a contract, said Proposer(s) will then be elevated to Elevation Level 4 for contract negotiations.

Elevation Level 4 (Contract Negotiations)

If a Proposer is elevated to this level, the User Division, with the assistance of Procurement and the County Attorney's Office, shall negotiate an Agreement with the elevated Proposer(s) in accordance with Section 287.055(5), Florida Statutes.

If after negotiating for a reasonable time period the parties cannot agree on a contract, the County shall, in its sole discretion, terminate further contract negotiations with that Proposer(s). Procurement shall notify the Selection Committee that contract negotiations with the elevated Proposer(s) have terminated. The Selection Committee shall then determine whether to recommend to the Board to approve contract negotiations with the next-highest-ranked Proposer, and so on. If the Selection Committee decides not to recommend contract negotiations with the next-highest-ranked Proposer, or if the County determines there is no other Proposer with whom the County can successfully negotiate a contract, then the RFP Selection Process shall terminate.

After contract negotiations with a Proposer(s) are successfully completed pursuant to Elevation Level 4, the Selection Committee shall recommend to the Board of County Commissioners that it selects such Proposer(s) to provide the services as outlined in the Agreement. The Board of County Commissioners shall make the final decision whether to enter into an Agreement with a Proposer(s).

C. By entering into this Agreement, the contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The contractor shall maintain a copy of such affidavit for the duration of this Agreement. Failure to comply will lead to termination of this Agreement, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If this Agreement is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit

Court of Florida no later than 20 calendar days after the date of termination. If this Agreement is terminated for a violation of Section 448.095, Fla. Stat., by the contractor, the contractor may not be awarded a public contract for a period of 1 year after the date of termination. The contractor shall be liable for any additional costs incurred by the County as a result of the termination of this Agreement. Nothing in this Section shall be construed to allow intentional discrimination of any class protected by law.

In association with its performance pursuant to this Agreement, the Consultant shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all applicable laws.

(1) keep and maintain public records required by the County to perform the services required under this Agreement;

Question 1: Could you please provide who are the firms under the current CMAR Continuing Services Contract and provide a copy of their proposals for the previous RFP?

Answer 1: Yes, please refer to the instructions provided on page one of this addendum for accessing the "RFP 25-544, RFP Attachments" folder on the FTP site. These documents are for informational purposes only and will not be incorporated into the resulting agreements for RFP 25-544.

Question 2: Can you clarify how the county will procure a CM from the chosen pool of contractors for a project under this contract (i.e. will a firm be chosen and asked to give a GMP or will all the firms be invited to hard bid the project)?

Answer 2: The selection of a CM will be done in accordance with our Procurement Procedures Section 5.10:

5.10 CONSTRUCTION MANAGERS AT RISK WITH CONTINUING CONTRACTS

Selection Procedures for Construction Managers at Risk with Continuing Contracts To select a construction manager at risk ("CM at Risk") that has an existing continuing contract with the County, the Division Director may use the following process, in the order listed:

1. Verify that the proposed project is consistent with the scope of services in the Request For Proposal (the "RFP") from which the CM's at Risk were selected. If the answer is affirmative, proceed to Step 2. If the answer is negative, contact the Procurement Director for further assistance.
2. Review the current list of CM's at Risk procured under the RFP to determine whether or not any of these firms have the expertise, experience, and personnel required for the project being proposed. Elevate those firms that meet these criteria to the next step.
3. Review this list to determine whether the past projects have been satisfactory or not. Elevate those firms with a minimum of satisfactory past performance to the next step.
4. Review the firm(s) selected from Step 3 to determine whether the firm meets the needs of the proposed project as further outlined in this Step 4. Some of the qualifying factors for the firms(s) to meet the needs of the County might be: Project Manager that will be assigned to the project; location of this person and other key personnel that will work on the project; and/or, for phased projects, whether a particular CM at Risk has performed previous phases, pre-construction services, or significant portions of the project. Special needs of the proposed project and scope of work should be addressed during this review. Consideration may be given to proposed sub-consultants or subcontractors. Greater consideration may also be given to firms with higher past performance evaluation scores than the minimum requirement set forth in Step 3, so long as supporting documentation is submitted in accordance with the requirement below.
5. If multiple firms remain after Step 4, review the total amount of money the County has contracted, under the RFP, with each of the remaining firms during the last 24-month period. (A report of these contracts can be obtained from the Procurement Division.) Select the firm with the lowest dollar volume during the last 24-month period.

Question 3: Regarding the Surveys, if we are submitting an on-going project, the respondent will not be able to answer question #5 – Close Out Process (would be an N/A). Will that count against the average score, since we would not be eligible to receive all “10s” for that survey?

Answer 3: No, it will not be counted against you. If the project is not complete evaluator should leave it blank or put N/A. .

Question 4: If a contractor is submitting a proposal the CMAR Continuing Services RFP, will it count against a contractor if they also submit to a County CMAR RFP for project specific jobs?

Answer 4: No.
