Hello Gary,
Thank you for your quick response . I sent another email right after this one in regards to the same property.
I would like to know if I can
1-build a home (answer received)
But I would like to build a part venue .
Can I do both , assuming my application to build a home is approved?
If so , how do I go about this 2 project ?
Thank you again

Hello Anielys,

The subject property identified as 4490 Medulla Road in Lakeland (or parcel 23-29-08-000000-033040) is located within the Residential Low-1 (RL-1) land use/zoning district. This property is approximately 5.14 acres in size.

After further research, you will need to apply for a waiver to the Road Frontage requirement (Chapter 8, Section 822) since the property does not meet the 210 foot requirement.

A copy of our land development code can be found at: https://library.municode.com/fl/polk_county/codes/land_development_code

Please find attached the step-by-step guide and the link to apply for the application (you may need to register for an account if you do not have one). <https://aca-prod.accela.com/POLKCO>
