Carmel Dumpster Rentals Leadership/Personnel Bios Experience and Qualifications

Carlos Vazquez Diaz - Owner, Carmel Dumpster Rentals

Carlos brings over 30 years of experience in the waste services industry, beginning his career at Waste Aid of Tampa where he started as a helper and quickly advanced to a driver role. He later joined Kimmins, earning recognition as the youngest front-end loader driver in company history at just 20 years old. Within a year, Carlos was promoted to supervisor — marking the start of a lifelong trajectory in operational leadership.

Throughout his career, Carlos has held key management roles across major regional providers, including:

- DisposALL of Clearwater as an Operations Manager. His hands-on expertise
 includes supervising driver fleets, managing route logistics, and operating a wide
 range of equipment including front-end loaders, rear-load, side-load, grapple, and
 roll-off trucks. He is well-versed in pre-trip and post-trip inspections and safety
 compliance.
- Route Supervisor and Driver Trainer for Waste Connections of Tampa, where he
 conducted safety trainings and new hire orientations.
- Operations Manager for FCC Environmental Services in Lakeland, overseeing daily operations and fleet performance.
- From 2022 to 2025, Carlos was recruited by Ana Wood to assist Polk County Solid Waste in launching its Waste & Recycling Division, contributing directly to route planning, equipment selection, driver training, and operational setup as a Route Supervisor.

As co-founder of Carmel Dumpster Rentals, Carlos manages all field operations, escalated service concerns, and county communications. His depth of experience, technical knowledge, and leadership in both private and public sectors position him as a trusted expert in solid waste collection and hauling services.

Melissa Vazquez Diaz - Operations Manager, Carmel Dumpster Rentals

Melissa holds a Bachelor's degree in Business Administration and brings over a decade of experience in solid waste collection and business operations. Her career in the industry began in 2011 at DisposALL of Clearwater, where she quickly rose from Dispatch to Office Manager within three months. In that role, she oversaw customer service for more than 4,500 residential and commercial accounts, coordinated deliveries and special services, and resolved service disputes with efficiency and professionalism. Her leadership was recognized when she was named Manager of the Month across three statewide offices just one month after her promotion.

Carmel Dumpster Rentals Leadership/Personnel Bios Experience and Qualifications

Melissa has managed accounts receivable and payable, generated financial performance reports, and maintained historical data for operational analysis. Since 2006, she has owned and operated multiple businesses, demonstrating her entrepreneurial drive and administrative acumen. Melissa oversees all administrative functions including billing, dispatch, and customer service. Her deep understanding of logistics, client relations, and financial oversight makes her a vital asset in the solid waste services sector.
