You don't often get email from mike.everage@pandarg.com. [Learn why this is important](#)

I live across the street from Mr. Weeks at 3951 Mather Road, Lakeland, FL 33810. I am writing in support of this variance. The Week's have done a great job of improving their property and making sure that what they do on their property fits into the existing community that we have here.

The county should have no problem accepting this variance as the structure that he has built is typical of other structures in this area.

Thanks,

Mike Everage
