Re: Architectural Services – New Fire/Rescue Station – Willow Oak
4145 Willis Road – Mulberry, Florida
CMHM Job No. 25016

Dear Mr. Williams,

Curtis Mundy Hunnicutt Melby Architects Inc. (CMHM) appreciates the opportunity to present this proposal to provide architectural and related engineering services for the construction of a new FRS station located in Mulberry, Florida.

This project will be a re-use of the 7,446 GSF Christina FRS Station. Based on the schematic site plan your office provided, rotating or mirroring the plan will not be required. This proposal includes a re-use fee, minor architectural and engineering updates, site adaptation design, bidding, and construction phase services.

Architectural & Engineering Scope of Services

CMHM Architects will provide basic full-scope services that include architectural design development, construction documents, bid administration, and construction administration. Our proposal includes civil, structural, mechanical, plumbing, fire protection, and electrical design.

Civil Engineering and Site Permitting:

CMHM will coordinate with the civil engineer in completing the required interface between building and site design. The water provider appears to be Polk County Utilities, with an 8-inch line running along Willow Oak Road and Willis Road. Public sewer is 1.5 miles away from the site, an onsite septic system will be utilized. Access to the site is proposed off Willis Road. Widening of Willis Road to meet minimum width and sidewalk construction across the entire frontage is anticipated and included.

The civil engineer will prepare geometry, access, grading, drainage, water utility, stormwater retention design, and calculations for a new stormwater system to serve the proposed building, drive, and associated parking. Landscaping will be “code minimum” within the area disturbed by construction activities, along with prescriptive irrigation design.

The following site permit applications will be submitted:

Polk County – Level II Site Plan Approval & Minor Traffic Study
SWFWMD or FDEP – Environmental Resource Permit

Structural Engineering:

Structural engineering involves the re-use of the Christina building structure, including adapting the shallow pad foundation design to soil conditions found on the proposed site. If soil conditions are discovered that require a deep-footing design, additional fee may be required. The building will be designed to “Essential Facility Cat IV” standards.

Mechanical and Plumbing Engineering:

HVAC and plumbing systems will remain the same and will incorporate adaptations to the site utilities.

Fire Protection:

A fire sprinkler system will be provided as it was for the Christina project. It is assumed the existing municipal water pressure will support this new project. Flow tests of the system will be obtained before design begins.

Electrical Engineering:

Electrical engineering includes preliminary power service coordination with the power company, and design of a permanent emergency generator sized appropriately for 100% emergency power to serve the proposed building, as well as a not-to-exceed 550-gallon fuel tank. Electrical services include general power and lighting throughout the building, site lighting, and powering HVAC equipment and other systems. Conduit and boxes for owner-installed data cabling and other systems are to be provided. Fire alarm performance design documents and performance specifications are also included.

Services Not Included

- Permit, recording and application fees
- Conditional Use Permit provided by others
- Construction layout, easement, and platting surveys
- Site boundary and topography survey (provided by owner)
- Environmental and/or threatened/endangered species assessments and permitting
- Major traffic studies and offsite road improvements
- Wetland permitting/mitigation and/or flood plain studies/FEMA permitting
- Special threshold and/or structural inspections
- Assessment of asbestos or other hazardous materials
- LEED or Green Building design project certification, commissioning and related services
- Furniture selection and layout provided to Architect by Owner’s vendor
- Revisions to the building plans or specifications
- Solar power and UPS system design
- Third party (engineer) building systems commissioning
- Site visits, inspections, meetings, or public hearings by our consulting Engineers and Architect beyond those specifically mentioned in this proposal
- Time spent documenting time/ wage/ employment required By Davis-Bacon Act or any other similar governmental program
- Document printing in excess of three sets of documents at each design stage
- Development and drafting of as-built drawings

Design Deliverables

Design Development

Design Development will involve the re-use of the design for the Christina FRS Facility constructed in Lakeland, Florida. CMHM is prepared to proceed with the Design Development phase and develop civil drawings to interface with the building design once we have an approved Christina FRS design.

Design Development Deliverables

- Architectural Site Plan will be developed to include all proposed site features.
- Floor Plan with dimensions will be provided with size and proposed use of all spaces, to include a preliminary layout of equipment and furniture. Structural elements such as columns and bearing walls to be shown.
- The Life Safety Plan shall identify all exits, fire or smoke-rated walls, emergency egress openings, emergency lighting, and any other life safety item/ feature relevant to the facility. All code related issues shall be addressed.
- Exterior Elevations will be developed.
- Building/ Wall Sections will include typical floor, ceiling and structural elevations; structural systems; and basic interior and exterior finish materials.
- Mechanical/ Electrical Drawings shall identify basic systems and locations for major pieces of equipment.
- Civil Site Plan will identify location of all proposed buildings, pavement, retention areas, swales, fire protection, and septic system.

At the conclusion of the design development phase, all major site design decisions should have been made or alternative solutions identified.

Construction Documents

Based on the reviewed and approved design development documents, CMHM will develop a complete set of construction and permit documents that describe in detail all requirements necessary to complete the construction of the project. Drawings will include architectural plans, exterior elevations, details, specifications, and related engineering services (civil, structural, mechanical, plumbing, fire protection, and electrical systems) described in this proposal.

Construction Phase Services

Permitting/ Bidding:

CMHM will issue signed and sealed construction documents to the owner-selected Contractor for building permit purposes and will respond to bidder/ contractor questions as well as questions and comments issued by the permitting agency as required.

Construction Administration:

Construction Phase Services will include responses to all questions that arise during construction, review of shop drawings, response to RFIs, and issuing ASIs in a timely manner. The Architect will attend regularly scheduled construction meetings (approximately two per month) and review construction progress through completion. The Architect will also make two on-site inspections, an above ceiling inspection, and a final punch list inspection at the conclusion of construction. A 300-day construction schedule is anticipated.

Schedule

CMHM is prepared to start work upon approval of the Christina FRS design, then work with you toward meeting your schedule as determined by all parties.

We anticipate the following schedule of work for this project:

Schematic Design	Completed
Design Development	60 days
Construction Documents	90 days
Bid Administration	60 days
Permitting	45 days
Construction Administration	300 days

Architect's Compensation

Invoicing shall be monthly as the work progresses, based on our Basic Design Services fee below:

Architectural and Related Engineering Services:

Design Reuse Fee	\$25,000.00
Design Review Meetings	\$4,000.00
Site Coordination (Architectural & MPE)	\$20,000.00
Reproduction Expenses	\$ 2,500.00
Bidding/ Permitting.....	\$ 6,500.00
<u>Construction Phase Services</u>	<u>\$43,500.00</u>
Total Architectural and Related Engineering Services	\$101,500.00

Sub-Consultant Services Include:

Civil Engineering.....	\$59,440.00
<u>Geotechnical Field Exploration</u>	<u>\$11,150.00</u>
Basic Design Services	\$172,090.00

<u>Estimated Undefined Add Service Reimbursable Expenses (if required)</u>	<u>\$35,000.00</u>
Total Lump Sum with Additional Service Allowance	\$207,090.00

Other than the fees noted above, reimbursable expenses (if required) requested by the owner shall be performed for a pre-approved lump sum fee.

Potential Add Service Reimbursable Expenses:

This list is not inclusive of all potential services and not limited to these described below.

- Environmental and/or threatened/endangered species assessments and permitting
- Major traffic studies and offsite road improvements
- Ground Penetrating Radar
- Building renderings
- Changes to the building plans or specifications
- Deep foundation design
- Land Use changes or modifications
- Offsite utilities modifications or improvements
- Permitting fees paid directly to agencies to expedite permitting

Scope Limitations

- The proposed improvements are within an existing parcel of land containing a single-family residence that will be demolished. Demolition of the existing residence is by others.
- The Land Use is Residential-Suburban (RS) in the Suburban-Development Area (SDS), within the Willow Oak Redevelopment District. Our understanding is that Polk County Facilities will prepare and submit a C3 Conditional Use application. Our proposal does not include land use changes or modifications.
- Septic system and drain field design will be by the General Contractor's subcontractor. It is assumed a septic system will be allowed by agencies having jurisdiction.
- No wetland/surface waters are known to exist within the project area. Therefore, no impact is anticipated. No wetland/surface water permitting is included.
- The site appears to be mapped Zone X and not located within a regulated FEMA flood zone. No flood modeling or FEMA permitting is anticipated or included in this proposal.
- It is assumed the 8-inch water main running along Willow Oak Road and Willis Road has adequate flow and capacity to provide potable water and fire protection to the proposed development without offsite modifications or improvements.

CMHM Architects and our consulting Engineers have included in our fees anticipated required services to complete the proposed project as a re-use design. Should actions or judgments from jurisdictional agencies require additional services, these services will be pre-approved by the Owner and performed as a reimbursable expense.

In conclusion, I trust this proposal addresses your needs related to architectural and engineering design services for your proposed Willow Oak FRS Station. Again, thank you for this opportunity and please let me know if you have any questions.

Sincerely,

Neil G. Melby, AIA
NGM/ngm

BUSINESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the stock insurance company member of The Hartford providing this insurance.

The word "insured" means any person or organization qualifying as such under Section C. - Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section G. - Liability And Medical Expenses Definitions.

A. COVERAGES

1. BUSINESS LIABILITY COVERAGE (BODILY INJURY, PROPERTY DAMAGE, PERSONAL AND ADVERTISING INJURY)

Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance does not apply.

We may, at our discretion, investigate any "occurrence" or offense and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section D. - Liability And Medical Expenses Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments, settlements or medical expenses to which this insurance applies.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Coverage Extension - Supplementary Payments.

- b. This insurance applies:

- (1) To "bodily injury" and "property damage" only if:

- (a) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

- (b) The "bodily injury" or "property damage" occurs during the policy period; and

- (c) Prior to the policy period, no insured listed under Paragraph 1. of Section C. - Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- (2) To "personal and advertising injury" caused by an offense arising out of your business, but only if the offense was committed in the "coverage territory" during the policy period.

- c. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section C. - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

BUSINESS LIABILITY COVERAGE FORM

- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
- d. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".
- e. **Incidental Medical Malpractice**
 - (1) "Bodily injury" arising out of the rendering of or failure to render professional health care services as a physician, dentist, nurse, emergency medical technician or paramedic shall be deemed to be caused by an "occurrence", but only if:
 - (a) The physician, dentist, nurse, emergency medical technician or paramedic is employed by you to provide such services; and
 - (b) You are not engaged in the business or occupation of providing such services.
 - (2) For the purpose of determining the limits of insurance for incidental medical malpractice, any act or omission together with all related acts or omissions in the furnishing of these services to any one person will be considered one "occurrence".

BUSINESS LIABILITY COVERAGE FORM

(a) The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or

(b) Supervisory, inspection, architectural or engineering activities.

The limits of insurance that apply to additional insureds are described in Section D. – Limits Of Insurance.

How this insurance applies when other insurance is available to an additional insured is described in the Other Insurance Condition in Section E. – Liability And Medical Expenses General Conditions.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE

1. The Most We Will Pay

The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made or "suits" brought; or
- c. Persons or organizations making claims or bringing "suits".

2. Aggregate Limits

The most we will pay for:

- a. Damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard" is the Products-Completed Operations Aggregate Limit shown in the Declarations.
- b. Damages because of all other "bodily injury", "property damage" or "personal and advertising injury", including medical expenses, is the General Aggregate Limit shown in the Declarations.

This General Aggregate Limit applies separately to each of your "locations" owned by or rented to you.

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway or right-of-way of a railroad.

This General Aggregate limit does not apply to "property damage" to premises while rented to you or temporarily occupied by you with permission of the owner, arising out of fire, lightning or explosion.

3. Each Occurrence Limit

Subject to 2.a. or 2.b. above, whichever applies, the most we will pay for the sum of all damages because of all "bodily injury", "property damage" and medical expenses arising out of any one "occurrence" is the Liability and Medical Expenses Limit shown in the Declarations.

The most we will pay for all medical expenses because of "bodily injury" sustained by any one person is the Medical Expenses Limit shown in the Declarations.

4. Personal And Advertising Injury Limit

Subject to 2.b. above, the most we will pay for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization is the Personal and Advertising Injury Limit shown in the Declarations.

5. Damage To Premises Rented To You Limit

The Damage To Premises Rented To You Limit is the most we will pay under Business Liability Coverage for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, lightning or explosion, while rented to you or temporarily occupied by you with permission of the owner.

In the case of damage by fire, lightning or explosion, the Damage to Premises Rented To You Limit applies to all damage proximately caused by the same event, whether such damage results from fire, lightning or explosion or any combination of these.

6. How Limits Apply To Additional Insureds

The most we will pay on behalf of a person or organization who is an additional insured under this Coverage Part is the lesser of:

- a. The limits of insurance specified in a written contract, written agreement or permit issued by a state or political subdivision; or
- b. The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to the Limits of Insurance shown in the Declarations and described in this Section.

If more than one limit of insurance under this policy and any endorsements attached thereto applies to any claim or "suit", the most we will pay under this policy and the endorsements is the single highest limit of liability of all coverages applicable to such claim or "suit". However, this paragraph does not apply to the Medical Expenses limit set forth in Paragraph 3. above.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

E. LIABILITY AND MEDICAL EXPENSES GENERAL CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. Notice Of Occurrence Or Offense

You or any additional insured must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. Notice Of Claim

If a claim is made or "suit" is brought against any insured, you or any additional insured must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You or any additional insured must see to it that we receive a written notice of the claim or "suit" as soon as practicable.

c. Assistance And Cooperation Of The Insured

You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation, settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization that may be liable to the insured because of injury or damage to which this insurance may also apply.

d. Obligations At The Insured's Own Cost

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

e. Additional Insured's Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance.

f. Knowledge Of An Occurrence, Offense, Claim Or Suit

Paragraphs a. and b. apply to you or to any additional insured only when such "occurrence", offense, claim or "suit" is known to:

- (1) You or any additional insured that is an individual;
- (2) Any partner, if you or an additional insured is a partnership;
- (3) Any manager, if you or an additional insured is a limited liability company;
- (4) Any "executive officer" or insurance manager, if you or an additional insured is a corporation;
- (5) Any trustee, if you or an additional insured is a trust; or
- (6) Any elected or appointed official, if you or an additional insured is a political subdivision or public entity.

BUSINESS LIABILITY COVERAGE FORM

This Paragraph f. applies separately to you and any additional insured.

3. Financial Responsibility Laws

- a. When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, the insurance provided by the policy for "bodily injury" liability and "property damage" liability will comply with the provisions of the law to the extent of the coverage and limits of insurance required by that law.
- b. With respect to "mobile equipment" to which this insurance applies, we will provide any liability, uninsured motorists, underinsured motorists, no-fault or other coverage required by any motor vehicle law. We will provide the required limits for those coverages.

4. Legal Action Against Us

No person or organization has a right under this Coverage Form:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Form unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this insurance or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

5. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom a claim is made or "suit" is brought.

6. Representations

a. When You Accept This Policy

By accepting this policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and

- (3) We have issued this policy in reliance upon your representations.

b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business at the inception date of this Coverage Part, we shall not deny any coverage under this Coverage Part because of such failure.

7. Other Insurance

If other valid and collectible insurance is available for a loss we cover under this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

(4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section A. – Coverages.

(5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion k. of Section A. – Coverages.

(6) When You Are Added As An Additional Insured To Other Insurance

That is other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

(7) When You Add Others As An Additional Insured To This Insurance

That is other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this Coverage Part:

(a) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract, written agreement or permit that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

(b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs (a) and (b) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under this Coverage Part to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

8. Transfer Of Rights Of Recovery Against Others To Us

a. Transfer Of Rights Of Recovery

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

F. OPTIONAL ADDITIONAL INSURED COVERAGES

If listed or shown as applicable in the Declarations, one or more of the following Optional Additional Insured Coverages also apply. When any of these Optional Additional Insured Coverages apply, Paragraph 6. (Additional Insureds When Required by Written Contract, Written Agreement or Permit) of Section C., Who Is An Insured, does not apply to the person or organization shown in the Declarations.
