Dear Commissioner Braswell:

I am a commercial pilot and I took the aerials from my airplane of our 64 acre cattle and horse ranch on Crews Lake Drive. My wife, Barbara and I have lived on our ranch for almost 40 years.

I am writing to express my concern regarding the proposed development known as Highlands Club. The proposed density does not align with the established character of our community. The transition from 1 acre lots to 6000 ft. lots is an overwhelming shift that threatens our local infrastructure, school capacity and road safety.

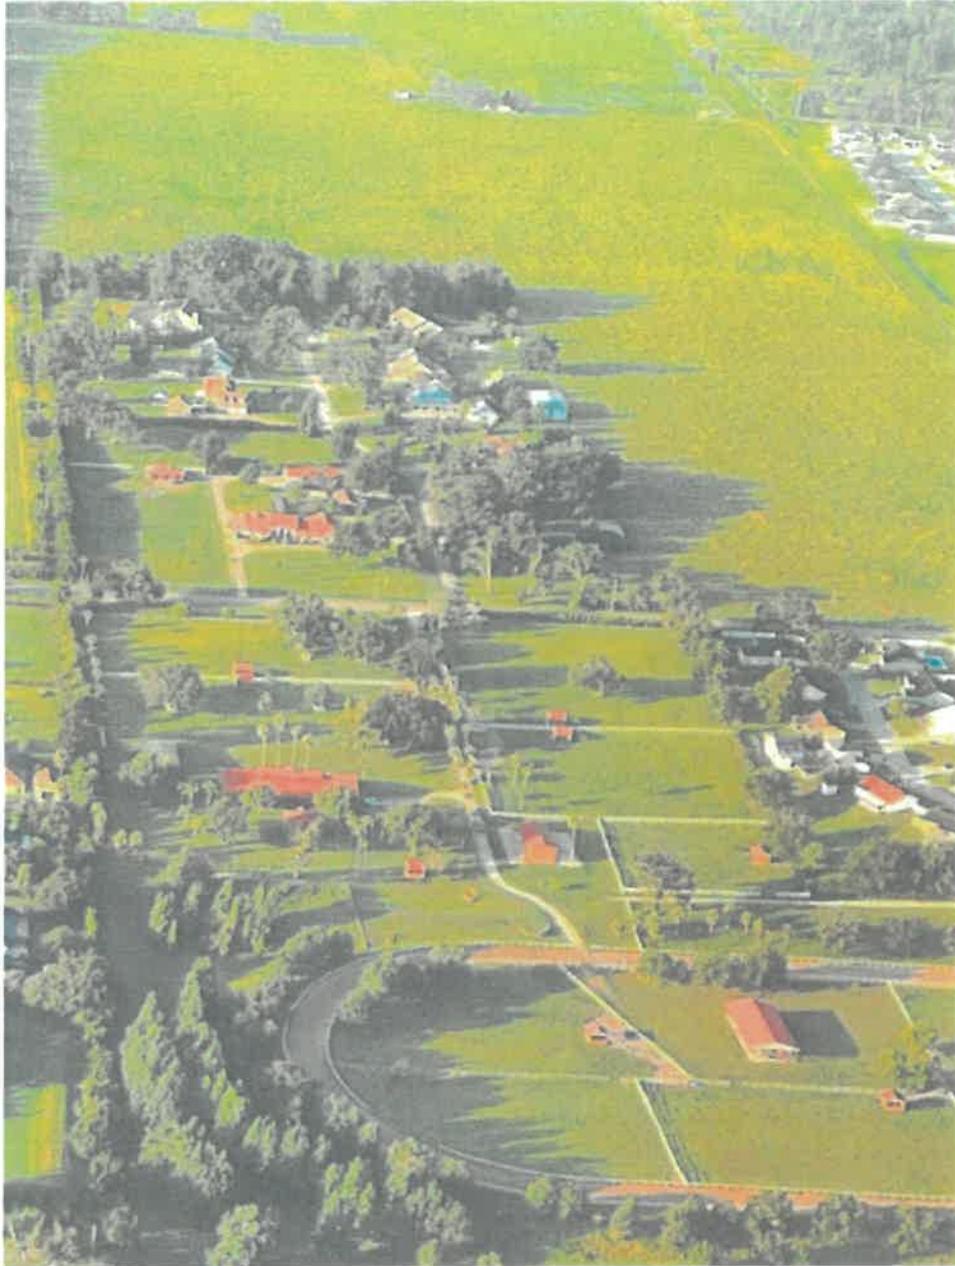

I respectfully request that you deny the Highlands Club proposal as proposed. Thank you for your consideration.

Sincerely,

**Daniel True Andrews
Retired Circuit Judge**
