Polk County

Board of County Commissioners

Agenda Item R.31. 8/19/2025

SUBJECT

SET HEARING to consider the adoption of an Ordinance of the Polk County Board of County Commissioner entitled the Polk County Noise Ordinance, repealing and restating Ordinance 14-030. SUGGESTED HEARING DATE: September 2, 2025, at 9:00 a.m.

DESCRIPTION

As Polk County’s continues to grow, residents have faced significant challenges related to noise disturbances. The County's existing noise regulations, originally adopted under Ordinance 14-030, are insufficient for addressing the types of noise issues currently being faced by our residents.

The purpose of this ordinance is to repeal and replace the existing noise ordinance to provide an updated framework for effectively protecting the public health, safety, general welfare, and the reasonable peace and quiet of Polk County residents.

RECOMMENDATION

Set public hearing to consider the adoption of an Ordinance of the Polk County Board of County Commissioners, the Ordinance of the Polk County Board of County Commissioners repealing and restating the Polk County Noise Ordinance.

FISCAL IMPACT

No fiscal impact.

Agenda Item R.32. 8/19/2025

SUBJECT

SET HEARING to consider the adoption of an Ordinance of the Polk County Board of County Commissioner, establishing Vessel Exclusion Zones and Designated Swim Areas on Lake Winterset, Lake Clinch, and Lake Ariana. SUGGESTED HEARING DATE: September 2, 2025, at 9:00 a.m.

DESCRIPTION

Polk County's numerous lakes are a major asset, providing significant recreational opportunities for residents and visitors. As waterway usage increases, conflicts between motorized vessel traffic and vulnerable users like swimmers and bathers present a growing safety concern. The mixing of these incompatible activities creates a risk of serious injury or death.

Pursuant to Chapter 327, Florida Statutes, the Board of County Commissioners has the authority to establish boating-restricted areas to enhance public safety. The purpose of this proposed ordinance is to create clearly marked Vessel Exclusion Zones, which function as Designated Swim Areas, in specific, high-use locations on Lake Winterset, Lake Clinch, and Lake Ariana. This action will physically separate vessel traffic from swimming activities, mitigating risks and protecting the public health, safety, and general welfare of persons using these waterways.

RECOMMENDATION

Set public hearing to consider adoption of an Ordinance of the Polk County Board of County Commissioner, establishing Vessel Exclusion Zones and Designated Swim Areas on Lake Winterset, Lake Clinch, and Lake Ariana

FISCAL IMPACT

No fiscal impact.

Agenda Item R.33. 8/19/2025

SUBJECT

Authorize the County Attorney's Office and outside counsel to stipulate to a Final Judgment for Parcel 137 in the case of Polk County v. Miguel Pagan, an eminent domain lawsuit filed to acquire needed rights-of-way for the County Road 557 Project. ($77,112.00 one-time expense)

DESCRIPTION

The County has a Community Investment Project to improve CR557 to a four-lane corridor from north of US Highway 17/92 in Lake Alfred, to south of the I-4 interchange. To allow for the construction of the roadway improvements, the County must acquire rights-of-way from adjoining impacted property owners. The Board previously authorized Polk County's Real Estate Services Director to take steps necessary to acquire those rights-of-way through negotiations and, as needed, through eminent domain lawsuits. Litigation has been filed and is proceeding. One such lawsuit is pending for Parcel 137, owned by Miguel Pagan, case number 2024CA-2768 in the Tenth Judicial Circuit.

On February 11, 2025, the County sought and obtained a Stipulated Order of Taking with Miguel Pagan. Pursuant to the Order, the County deposited into the Registry of the Court a designated amount for said parcel ($109,300.00), which was then released to the respective parcel owner as a partial payment of the final compensation.

On July 28, 2025, the County and its eminent domain counsel and counsel for Miguel Pagan successfully negotiated a settlement. Pursuant to the negotiated terms, the County will pay Miguel Pagan the aggregate sum of $186,412.00 in full settlement of all claims for compensation and any and all damages for its taking of the parcel: 1) $160,000.00 in settlement for the parcel, 2) $16,731.00 in statutorily required attorneys' fees, and 3) $9,681.00 in expert fees and costs. With Miguel Pagan having already received $109,300.00 from the funds the County deposited with the Court, the remaining balance due is $77,112.00. The settlement will be paid within thirty (30) days of the entry of the Final Judgment.

The County Attorney's Office recommends approval of a Stipulated Final Judgment, which benefits the County because the agreed settlement amount is below the owners' experts' opinion of compensation for the parcels and avoids jury trial, which would have exposed the County to payment of additional expert fee costs.

RECOMMENDATION

1) Authorize the County Attorney's Office and outside counsel to stipulate to a Final Judgment with Miguel Pagan in the total amount of $186,412.00, including attorney's fees and expert fees and costs and 2) authorize the remaining balance payment of $77,112.00 for disbursement within thirty days of

entry of the Final Judgment.

FISCAL IMPACT

Funds are budgeted and available in the Roads & Drainage 5-year CIP in the County Transportation Trust Fund.

Polk County

Board of County Commissioners

Agenda Item R.34. 8/19/2025

SUBJECT

Approve the attached collective pay scales as Appendix “A” to the 2025-2028 Collective Bargaining Agreement between the Polk County Board of County Commissioners and Polk County Professional Firefighters I.A.F.F., Local 3531, Rank-and-File and Battalion Chiefs Bargaining Units.

DESCRIPTION

The 2025-2028 CBA between the Polk County Board of County Commissioners and Polk County Professional Firefighters I.A.F.F., Local 3531, Rank-and-File and Battalion Chiefs Bargaining Units were previously approved on July 1, 2025. The parties agree to add the collective pay scales as Appendix “A” to the CBA to show:

1. The current pay scale as of March 31, 2025.
2. The pay scale when employees transition to a 48-hour work week, and
3. The pay scale for Fiscal Years 2026-2027 and 2027-2028.

RECOMMENDATION

Approve the pay scale as Appendix “A’ to the 2025-2028 Collective Bargaining Agreement between the Polk County Board of County Commissioners and Polk County Professional Firefighters I.A.F.F., Local 3531, Rank-and-File and Battalion Chiefs Bargaining Units.

FISCAL IMPACT

No fiscal impact.

Polk County

Board of County Commissioners

Agenda Item R.35. 8/19/2025

SUBJECT

Request Board to authorize the County Attorney to execute required documents to sign-on or “opt-in” to the opioids manufacturers, Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus (the “Manufacturers”) Settlements for opioid litigation and execute all documents on behalf of Polk County required by the settlement.

DESCRIPTION

The entire State of Florida has suffered harm as a result from the opioid epidemic. The State of Florida filed an action pending in Pasco County, Florida, and Polk County and a number of Florida Cities and Counties filed actions which are consolidated into *In re: National Prescription Opiate Litigation,* MDL No. 2804 (N.D. Ohio) (the “Opioid Litigation”). Polk County has previously adopted Resolution 2021-063 to authorize Polk County to join the Florida Memorandum of Understanding (the “Florida Plan”) which sets forth a framework of a unified plan for the proposed allocation and use of opioid settlement proceeds.

Settlements has been reached with opioids manufacturers, Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus (the “Manufacturers”) that will resolve opioid litigation brought by the State of Florida and local political subdivisions. The subdivisions must decide to participate in this settlement. Any subdivision that does not participate cannot directly share in any of the settlement funds.

RECOMMENDATION

Authorize the County Attorney to execute required documents to sign-on or “opt-in” to settlements with opioids manufacturers, Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus (the “Manufacturers”) for opioid litigation and execute all documents on behalf of Polk County required by the settlements.

FISCAL IMPACT

The settlement funds will be deposited into the Polk County Florida Opioid Trust Fund.

Board of County Commissioners

Agenda Item R.37 8/19/2025

SUBJECT

Request Board adopt a Resolution repealing Resolution 24-125 that required notices to be published in a newspaper in addition to being published on the publicly accessible website.

DESCRIPTION

Chapter 50, Fla. Stat., authorizes a county to designate a county's official website or other private website as a Publicly Accessible Website for the publication of legal notices and advertisements. The Board of County Commissioners adopted Resolution 24-125 directing Divisions and Departments to publish legally required advertisements and public notices in both a newspaper and on the Publicly Accessible Website.

The Board of County Commissioners wishes to repeal Resolution 24-125 which required notices to be published in a newspaper in addition to being published on the Publicly Accessible Website.

RECOMMENDATION

The Board adopt a Resolution repealing Resolution 24-125 that required notices to be published in a newspaper in addition to being published on the publicly accessible website.

FISCAL IMPACT

None.

ELOISE COMMUNITY REDEVELOPMENT AGENCY
October 1, 2024

The Eloise Community Redevelopment Agency met on October 1, 2024, at 9:14 a.m. with the following members present: George Lindsey, District No. 1; Rick Wilson, District No. 2; Bill Braswell, District No. 3; Martha Santiago, District No. 4; and Neil Combee, District No. 5. Deputy Clerk Erin Valle represented the Clerk's office.

Chair Braswell called the Eloise Community Redevelopment Agency (CRA) meeting to order at 9:14 a.m.

Approve Consent Agenda.

Commissioner Lindsey moved to approve the October 1, 2024, Eloise Community Redevelopment Agency Consent Agenda, the motion was seconded by Commissioner Combee; the motion carried 5/0.

Consent Agenda items:

Approve the Eloise Community Redevelopment Agency meeting minutes from August 20, 2024, CRA Board meeting.

Adopt resolution granting the County Manager authority to execute certain contract on the behalf of the Eloise Community Redevelopment Agency.

The Chair adjourned the Eloise Community Redevelopment Agency meeting at 9:14 a.m.

He announced that the Board of County Commissioners will now reconvene.

Agenda Item S.2. 8/19/2025

SUBJECT

Adopt resolution approving the FY 25/26 budget for the Eloise Community Redevelopment Agency in the amount of $743,014.

DESCRIPTION

On June 20, 2000, the Board of County Commissioners (the BoCC) approved the establishment of the Eloise Community Redevelopment Agency (Agency) through the adoption of the Community Redevelopment Plan with Ordinance No. 00-33 and the funding of the Plan through Ordinance No. 00-34, which created the Agency Trust Fund. On November 8, 2006, the BoCC adopted Resolution No. 06-176 appointing itself as the Eloise CRA Board, and on June 5, 2018, the BoCC approved Ordinance No. 18-34, which amended the Plan to provide additional strategies for resolving blighting issues.

The Agency's FY 25/26 budget includes $188,104 in County tax increment financing (TIF), carryover from prior year of $539,534, and interest earnings of $15,376.

The budgeted expenditures total $535,800 which include:
- $32,800 for personnel
- $25,000 for operations
- $470,000 for neighborhood revitalization projects
- $8,000 for streetlights

The Agency's budget includes a $44,080 contingency reserve and $163,134 reserve for future capital expansion.

The Agency's main revenue source is generated through the incremental growth of ad valorem revenues beyond an established base year and as defined in section 163.387, Florida Statutes.

The County will continue to make payments to the Agency, when applicable, based on each year's growth of ad valorem revenues over the base year through 2030 when the Agency will sunset.

If adopted, the Budget shall be forwarded to the BoCC for inclusion within the County's proposed tentative budget, as required by Section 189.016(5), Florida Statutes.

RECOMMENDATION

Request Board adopt the attached resolution approving the FY 25/26 budget for the Agency in the

amount of $743,014.

FISCAL IMPACT

No fiscal impact. Upon adoption of the resolution, the Agency's budget will be included as part of the County's FY 25/26 budget.

RESOLUTION NO. _____
Fiscal Year 2025/2026

WHEREAS, the Eloise Community Redevelopment Agency (CRA) finds it necessary as a requirement of law to adopt the Final Budget for the 2025/2026 fiscal year;

NOW, THEREFORE BE IT RESOLVED by the Eloise CRA Board (Board) in open session duly assembled pursuant to notice provided in accordance with Section 189.016(4), Florida Statutes, that:

SECTION 1: The Board does hereby adopt the final budget for the Eloise CRA for fiscal year 2025/2026 totaling $743,014 which is hereby filed with the Clerk.

SECTION 2: The budget will be included in the BoCC's Fiscal Year 2025/2026 budget, which will be adopted on September 15, 2025, as required by Section 189.016(5), Florida Statutes.

SECTION 3: This Resolution shall take effect immediately upon its adoption.

Agenda Item S.3. 8/19/2025

SUBJECT

Proposed changes to the Eloise Community Redevelopment Area (CRA) housing rehabilitation program requirements.

DESCRIPTION

Pursuant to the 2018 Eloise Community Redevelopment Plan Update adopted by the Board under Ordinance No. 18-034, a critical objective of the CRA is addressing substandard housing conditions. Accordingly, the CRA has undertaken a program of housing rehabilitation, including roof repairs, handicapped accessibility, and sewer connection, applying the same eligibility requirements as those used by the Housing and Neighborhood Development (HND) for Community Development Block Grant home repairs. These include, among others, income qualification requirements and placing a five-year lien on the property following completion of repairs to restrict resale.

At the June 2, 2025, meeting of the CRA Advisory Committee, the Committee requested a modification of home repair program requirements from those used by HND. Specifically, the Committee proposed removing all income qualification and lien requirements for any type of home repair project in the CRA. The Committee's rationale for loosening the restrictions is that, to date, many of the residents and owners within the CRA have not applied for the rehab program, with some citing the lien and/or income disclosure requirements as a reason why.

At its work session on August 15, 2025, the Board of County Commissioners, in its capacity as the Eloise CRA Board, received a presentation from staff and considered the recommendations of the CRA Advisory Committee. General comments from Board members included a desire to increase resident participation in the housing rehabilitation program, and make two changes to the program requirements to effectuate that goal. First, the five-year lien placed on the rehabilitated property should be prorated, so that any financial burden to the homeowner is reduced over time. Second, in the event that a homeowner passes away while a rehabilitation lien is still valid and enforceable against their homesteaded property, any heir to said property who intends to occupy and reside on the property as their homestead shall not be required to meet any income qualifications.

The CRA's housing rehabilitation program will continue to be subject to the following eligibility requirements:

(i) For roof repairs, the property must be occupied full-time by the homeowner, as evidenced by

an active homestead exemption shown on the Property Appraiser's website. (Homestead exemption is not required for sewer connectivity or handicapped accessibility improvements).

(ii) The property to be rehabilitated may not have any active code violations at the time the rehabilitation work is scheduled to commence. If active code violations exist at the time of application, the property owner or resident, as applicable, must bring the property into compliance prior to approval of the application and commencement of improvements.

RECOMMENDATION

Recommend the Board of County Commissioners, acting in its capacity as the Eloise CRA Board, adopt two changes to the current eligibility requirements for the Eloise housing rehabilitation program, as follows: (i) the dollar amount of any five-year lien placed upon rehabilitated property shall be prorated equally over such five-year period; and (ii) in the event that a homeowner passes away while any such rehabilitation lien is still valid and enforceable against the property, any heir to said property intending to occupy and reside on the property as their homestead shall not be required to income qualify.

August 20, 2024

The Harden Parkway Community Redevelopment Agency met on August 20, 2024, at 9:44 a.m. with the following members present: George Lindsey, District No. 1; Rick Wilson, District No. 2; Bill Braswell, District No. 3; Martha Santiago, District No. 4; and Neil Combee, District No. 5. Deputy Clerk Erin Valle represented the Clerk's Office.

Chair Braswell called the Harden Parkway Community Redevelopment Agency (CRA) meeting to order at 9:44 a.m.

Approve Consent Agenda.

Commissioner Combee moved to approve the August 20, 2024, Harden Parkway Community Redevelopment Agency Consent Agenda, the motion was seconded by Commissioner Santiago; the motion carried 5/0.

Consent Agenda items:

Approve Harden Parkway Community Redevelopment Agency Minutes from the August 8, 2023, meeting.

Adopt Resolution approving the FY 24/25 budget for the Harden/ Parkway CRA in the amount of $1,876,476.

The Chair adjourned the Harden Parkway Community Redevelopment Agency meeting at 9:44 a.m.

He announced the Board of County Commissioners will now convene.

Agenda Item T.2. 8/19/2025

SUBJECT

Adopt resolution approving the FY 25/26 budget for the Harden/Parkway Community Redevelopment Agency in the amount of $2,035,770.

DESCRIPTION

On June 20, 2004, the Board of County Commissioners (BoCC) approved the establishment of the Harden/Parkway Community Redevelopment Agency (Agency) through the adoption of the Community Redevelopment Plan with Ordinance No. 04-11 and the funding of the Plan through Ordinance No. 04-12, which created the Agency Trust Fund. On January 21, 2004, the BoCC adopted Resolution No. 04-10 appointing itself as the Harden/Parkway CRA Board. In accordance with the Section 163.357(1)(c), Florida Statutes, the BoCC went on to appoint the City Manager and the Community Development Department Manager for the City of Lakeland, to serve as two additional board members for the Harden/Parkway CRA.

The Agency's FY 25/26 budget includes $1,593,586 in County & City tax increment financing (TIF), carryover from prior year of $429,932, and interest earnings of $12,252.

The budgeted expenditures total $1,600,000 for debt service and includes $435,770 reserve for future capital.

The Agency's main revenue source is generated through the incremental growth of ad valorem revenues beyond an established base year and as defined in section 163.387, Florida Statutes.

The County will continue to make payments to the Agency, when applicable, based on each year's growth of ad valorem revenues over the base year through FY 2042-2043 when the Agency will sunset.

If adopted, the Budget shall be forwarded to the BoCC for inclusion within the County's proposed tentative budget, as required by Section 189.016(5), Florida Statutes.

RECOMMENDATION

Request Board adopt the attached resolution approving the FY 25/26 budget for the Agency in the amount of $2,035,770.

FISCAL IMPACT

No fiscal impact. Upon adoption of the resolution, the Agency's budget will be included as part of the

County’s FY 25/26 budget.
