Waste Pro of Florida, Inc. Polk County Non-Exclusive Franchise Renewal Polk County Solid Waste Ordinance Article IV Requirements

Section 4-1C, (2), (a) - Principals and Management:

John J. Jennings, Chairman Sean M. Jennings, CEO, President, and Secretary Cort Sabina, CFO, EVP Keith Banasiak, COO Michael Conley, Division Manager

Waste Pro of Florida, Inc. is a privately-owned company. Mr. John J. Jennings is the founder and Chairman, his son Mr. Sean M. Jennings is the CEO and President.

Please see copies attached

Section 4-1C, (2), (b) – Experience and Qualifications:

John J. Jennings – Executive Board Chairman - is the founder and visionary behind Waste Pro USA. His father, Michael Jennings, was an Irish immigrant who worked as a garbage man in Long Island, New York and taught his son the importance of a diligent work ethic. The lessons he learned from his father translated into what is now Waste Pro's mission: to create more sustainable, cost-effective waste and recycling solutions.

Jennings attended Holy Cross High School in Queens, New York, and was elected into the school's Hall of Fame for his business accomplishments and philanthropy in supporting the school. He went on to earn a Bachelor of Science degree in Management and M.B.A. degree in Finance from St. John's University and a Chartered Investment Analysis degree from New York Institute of Finance.

After moving to Florida, started in the industry at the bottom and worked his way up. In the beginning, he went out early in the morning on the trucks with the drivers to see things firsthand. Eventually, he improved the business and transformed the company into Jennings Environmental Services, which became the largest privately-owned waste disposal company in central Florida. Upon merging with USA Waste Services, Inc. in 1996, Jennings Environmental Services became a subsidiary and Jennings was named Regional Vice President for Florida and the Caribbean. USA acquired what is today Waste Management. When Jennings left the firm many of the company's leaders said, "what are we going to do next" and Waste Pro was created in 2001.

As Waste Pro Chairman of the Board and Chief Executive Officer, Jennings has transformed the firm to become one of the fastest-growing solid waste companies in the United States. In the first month of business Waste Pro earned just \$800 in revenue. In 2019, Waste Pro's revenue exceeded \$733 million. Today Waste Pro operates in 11 Southeastern states with a team of more than 3,800.

Throughout his time as CEO, Jennings made safety a top priority. All trucks are equipped with technology to assist drivers and increase their productivity, and approximately \$5 million has been rewarded since 2004 to drivers who practice safe habits.

Going 'green' has been another key part of Jennings' leadership. In 2011, Waste Pro invested \$100 million in Compressed Natural Gas (CNG)-powered trucks and have since opened nine CNG fueling stations.

In 2020, John Jennings passed the torch to his son, Sean, to become President & CEO. He remains Executive Board Chairman with Waste Pro.

Jennings has been recognized as one of *Florida Trend's* 500 most influential business leaders in 2018, 2019 and 2020. Also in 2020, Jennings was honored with a Legacy Award by *MSW Management*, the official journal of the Solid Waste Association of North America (SWANA) and was a recipient of the Albert Nelson Marquis Lifetime Achievement Award as part of the annual *Marquis* "Who's Who". In 2011, he was unanimously elected to the National Solid Waste Management Association Hall of Fame and was the honorary keynote speaker of the 2011 Executive Roundtable for America's Solid Waste Leaders.

Sean Jennings – President & CEO - son of Waste Pro Founder John Jennings, has been exposed to every facet of the waste and recycling business throughout his life and more formally since joining the industry officially in 2012.

Jennings, a third-generation garbage man, joined his father in all aspects of the garbage business throughout his youth. Following graduation from the University of Alabama, where he majored in finance and minored in economics, he spent a year working in collection and landfill disposal in Costa Rica.

When Jennings returned to the United States, he worked in operations and landfill construction in Georgia and Mississippi before joining Waste Pro in 2014 as Division Manager of the Tampa-Clearwater area. He then assumed the management role at the company's Sarasota/Bradenton Division in 2016. As Division Manager, Jennings led the charge to build a compressed natural gas (CNG) station and recycling facility. In addition to his role as President & CEO, Sean serves on numerous community boards. In 2018, he was honored with *Waste360*'s 40 Under 40 Award. Sean was also a member of Waste Pro's inaugural Leaders Initiative class. Sean currently resides in Sarasota, FL.

Cort Sabina, Chief Financial Officer — Cort Sabina has 25 years of in-depth financial management experience. During his career he has held numerous positions including Staff Auditor and Audit Manager. He started his career in the waste industry with Allied in 2000. In 2006 he joined Waste Pro as a Corporate Controller. He has held the position of V.P. and Chief Accounting Officer and most recently in June 2013 has assumed the duties of the CFO. He is a member of the Rollins College Financial Leadership Network (FLN) as part of the CFO Council.

Keith Banasiak – Chief Operating Officer & Senior Vice President - As a Graduate of Indiana University with a B.S. in Business Administration, Keith Banasiak has more than 30 years of management experience in the waste industry. In 1987, he started in the non-ferrous scrap processing and reclamation industry. Primarily responsible for processing operations, he managed fleet operations, disposal of residual special waste and the facility environmental requirements of state and local governments.

In 2001, he relocated to Ft. Myers as Regional Manager for a private solid waste and disposal hauling company. He was responsible for managing two facilities that covered four counties in South Florida. These municipal contracts consisted of 85,000 residential units and 7500 commercial accounts.

Banasiak, who was named Senior Vice President in 2019, has more than 30 years of experience in the waste industry. Prior to his promotion last year, he served as Regional Vice President of Waste Pro's

Florida West Coast operations, one of the company's largest regions with more than 275,000 residential customers and more than 10,000 commercial customers across Florida's West Coast from Taylor County south through Collier County.

A resident of Southwest Florida, Banasiak is involved in many local and regional community organizations, including serving as Chairman Emeritus of both Keep Lee County Beautiful and Keep Manatee Beautiful. He also serves as Chairman for the Community Cooperative and board member for The Foundation for Lee County Public Schools.

Michael Conley, Division Manager, Orlando: - Michael Conley has over 30 years of hands-on experience in the waste industry including 20 years of experience in management working in roles from Route Manager to Safety Specialist with a certification in Smith System Instructor ,he joined Waste Pro two years ago as an Operations Specialist and recently was promoted to Division Manager. He is knowledgeable about local needs and issues, having started up three Orange County contracts throughout his career. From the Lake County division, he currently oversees service to unincorporated Lake County, Service Area 3 (27,779 homes) and the Town of Montverde (694 homes).

Phone: 407-569-9966, <u>mconley@wasteprousa.com</u>, 20344 US Hwy 27, Clermont, FL., 34715

Section 4-1C, (2), (c) – Litigation:

No Waste Pro company principals, partners, or officers were involved or the subject of any state or federal agency enforcement actions.

City of Port St. Lucie V. Waste Pro of Florida, Inc., pending in the Circuit Court of Nineteenth Judicial Circuit in and for St. Lucie County, Florida; Case No.: 56 2021 CA 001628

Summary: In 2021, Port St. Lucie filed a declaratory relief action against Waste Pro seeking a declaration that Waste Pro's declaration of an event of force majeure did not fall within the contract's force majeure clause. Waste Pro had declared an event of force majeure after the Delta variant caused an increase in Covid-19 cases and various government programs/laws implemented due to the pandemic created workforce issues for Waste Pro. That declaratory relief action is currently pending, and Port St. Lucie later amended to bring anticipatory breach and breach of contract claims. Due to claimed performance issues, Waste Pro had nearly \$2 million in liquidated damages withheld by Port St. Lucie. Waste Pro believes that those withheld amounts were punitive in nature, and not reasonably related to any costs expended or damages suffered by Port St. Lucie. As a result, Waste Pro has counter-sued for the amounts that are not reasonably related to costs incurred or damages suffered by Port St. Lucie. The action is currently pending.

Waste Pro of Florida, Inc. v. City of Cape Coral, Case No: 2022-CA-001123 Summary: Litigation was initiated, not because of service issues, but to determine if certain contract assessments were proper under the contract. Both Waste Pro and the City filed as parties of this litigation. The parties had negotiated for many months before resorting to the court system. The case is pending but has had no impact on the working relationship between Waste Pro and the City, or the current service level to the residents. The parties continue to try to amicably resolve the issue.

Section 4-1C, (2), (d) - Vehicles & Equipment:

- Annual Truck List provided below.
- Annual Container List provided below.

Section 4-1C, (2), (e) – Customer Information & Frequency:

• Requested information is contained in provided Annual Container provided below.

Section 4-1C, (2), (f) - Inspection Acknowledgement:

Waste Pro of Florida, Inc., acknowledges and consents that the County shall have the right to inspect vehicles, containers, compactors and other equipment at any reasonable time.

Section 4-1C, (2), (g) – Insurance:

• Certificate of insurance provided.

Section 4-1C, (2), (h) - Polk County Business Tax Receipt:

Please see copy attached

Section 4-1C, (2), (i) – Affidavit Supporting Renewal:

• Signed notarized affidavit provided.

Section 4-1C, (2), (j) - Indemnification of Polk County:

• Signed notarized indemnification provided.

Mail To: WASTE PRO OF FLORIDA, INC. 2101 WEST SR 434, SUITE #305 LONGWOOD, FL 32779

IMPORTANT INFORMATION

Section 316.613, Florida Statutes, requires every operator of a motor vehicle transporting a child in a passenger car, van, autocycle or pickup truck registered in this state and operated on the highways of this state, shall, if the child is 5 years of age or younger, provide the protection of the child by properly using a crash-tested, federally approved child restraint device. For children aged through 3 years, such restraint device must be a separate carrier or a vehicle manufacturer's integrated child seat. For children aged 4 through 5 years, a separate carrier, an integrated child seat, or a child booster seat may be used. For limited exceptions, see s. 316.613, F.S.

S. 320.0605, F.S., requires the registration certificate, or true copy of a rental or lease agreement, issued for any motor vehicle to be in the possession of the operator or carried in the vehicle while the vehicle is being used or operated on roads of this state.

S. 320.02 and 627.733, F.S., requires personal injury protection and property damage liability to be continuously maintained throughout the registration period. Failure to maintain the mandatory coverage may result in the suspension of your driver license and registration.

Important note: If you cancel the insurance for this vehicle, immediately return the license plate from this registration to a Florida driver license or tax collector office or mail it to: DHSMV, Return Tags, 2900 Apalachee Parkway, Tallahassee, FL 32399. Surrendering the plate will prevent your driving privilege from being suspended.

INDEMNITY

WHEREAS, THE UNDERSIGNED Lr. K Sankey
(the "Undersigned"), is the Regional Vice President of Waste Pro of Florida Inc.
(the "Company "), a Florida corporation,
WHEREAS, the <u>Company</u> , is herewith submitting an application to Polk County, a political subdivision of the State of Florida, (the "County") for the grant, renewal, or modification of a non-exclusive commercial franchise (a "Commercial Franchise") to collect, remove and transport commercial solid waste within the geographic areas of Polk County; and
WHEREAS, the Commercial Franchise application process is described in Polk County Ordinance 13-069 (the "Ordinance") and requires, among other matters, that an applicant indemnify the County from and against any loss which may result from the applicant, its employees, subcontractors, and agents, failure to perform in accordance with the terms of the awarded Commercial Franchise and the terms of the Ordinance; and
WHEREAS, the Undersigned is duly authorized to execute this instrument by and on behalf of the
NOW, THEREFORE, in consideration of the benefits accruing to the and for other good and valuable consideration, the Undersigned, by and on behalf of the does hereby forever release, indemnify, keep, save, and hold harmless the County, its commissioners, officers, officials, and employees, from and against any and all damages, losses, penalties, liabilities, costs and expenses of any kind or nature whatsoever that is proximately caused by, incident to, resulting from, arising out of, or occurring in connection with, directly or indirectly,
IN WITNESS WHEREOF, the Undersigned has executed this instrument by and on behalf of the Waste Pro of Florida Inc. this 39 day of Sertember, 2035
By Davhaget Attended Regional [Printed Name, Title] Office SEAL Waste Pro of Florida Inc a Florida Corporation By: Erik Sankey Regional Vice [Printed Name, Title] President
BARBARA H. ALTBRANDT

Expires July 29, 2028

Fastest growing privately-owned solid waste company in the Southeastern United States. Founded in 2001 by Board Chairman John Jennings, a second-generation legend in the business. In 2014, his son Sean Jennings joined Waste Pro and became President of the company in 2018. He assumed the role of CEO in 2020.

We are the third largest privately-owned company in Central Florida where we are headquartered. Waste Pro is the only company in the United States with a Historical Garbage Truck Museum that has been recognized worldwide.

GARBAGE TRUCK MUSEUM

The world's ONLY garbage truck museum located in Sanford, FL with trucks dated as far back as 1926. Two trucks on display were used in the 2016 film Fences.

SAFETY AWARDS

To earn the coveted Safety Award, an employee must exhibit the Waste Pro Way in their daily actions and meet safety-specific criteria spanning over a three-year period. Eligible drivers receive \$10,000, and a similar award of \$5,000 is offered to eligible helpers.

FLEET

3.200+ state of the art trucks with 3rd Eve 360 degree onboard cameras.

MRFS

(MATERIAL RECOVERY FACILITY OR RECYCLING PROCESSING)

Atlanta, GA; Ft. Myers, FL; Ocala, FL; Sarasota FL; Columbus, MS (commercial corrugated only)

SPORTS SPONSORSHIPS

Jacksonville Jaguars, New Orleans Saints, New Orleans Pelicans, Charlotte Hornets, Florida Citrus Sports, Biloxi Shuckers, Florida Everblades

CO-HEART PROGRAM

Internal safety training program that has helped 475+ employees earn their CDL. WP Sanford is state-approved testing site.

OUR SERVICES

Residential & Commercial Solid Waste Collection
