Request (In detail):

Review interlocal agreement and scope of work between the Polk County Board of County Commissioners and the United States Fish and Wildlife Service (Service) to implement the Peace River Streambank Restoration near Bowling Green, FL. This is a grant funded project between Polk County Parks and Natural Resources and the Florida Fish and Wildlife Conservation Commission, with the Service completing the project through an interlocal agreement. The project includes the survey, design, and restoration of 500 linear feet of streambank on a Polk County property. The project has been approved by the Stormwater Technical Advisory Committee (STAC).
