General				
	NA	Statute & Florida Admin. Code References	Sever references to 9J which has been repealed. As such the County should remove these citations.	<i>Remove all citations to 9J.</i>
	NA	Statute & Florida Admin. Code References	Several Florida Statutes and Rules within the Florida Administration Code have been moved, consolidated, or deleted. As such, the County should update its Comp. Plan to reflect these changes.	<i>There are several references in the GOPs to F.S. which may need to be updated to reference the correct chapter.</i>

Years	Source	Title	Description	Recommended Action
	NA	Obsolete Timeframes and References	There are several outdated entities, projects, and reports that are discussed in the plan.	<i>Completed projects should generally be eliminated. Inspire will need help identifying these items. Incomplete projects should be re-evaluated as part of the visioning process.</i>
2024	Section 163.3164 (32) and (33)	Alternative Mobility Funding Systems and Impact Fees (Chapter 2024-266)	Adds "mobility fee" and "mobility plan" definitions	<i>Consider adding definitions related to the transportation element</i>
	Section 163.3180(5)c	Alternative Mobility Funding Systems and Impact Fees (Chapter 2024-266)	<ul style="list-style-type: none"> - Modifies the conditions for allowing an applicant for a DRI DO, rezoning, or other land use development permit to satisfy the transportation concurrency requirements. It clarifies that if an applicant makes its contribution or constructs its proportionate share pursuant to the requirements stated, the project shall be considered to have mitigated its transportation impacts and be allowed to proceed. - Changes the language from "encourage" to "may" when it comes to a government transitioning from concurrency to mobility or an alternate system. - If the governemtn charges for transportation capacity, there must be an agreement to coordinate mitigation. Includes agreement requirements. 	<i>Ensure consistency of new transportation element with these changes.</i>
	Section 163.3180(5)c	Alternative Mobility Funding Systems and Impact Fees (Chapter 2024-266)	- Includes language to ensure an impact fee study uses recent data and is adopted within 12 months from initiation of the study if increasing fees; the holder of impact fee credits granted in existence before the adoption of the alternative transportation system is entitled to the full benefit of the intensity and density prepaid by the credit balance as of the date the alternative transportation system was first established.	<i>Not part of the comprehensive plan, but staff will need to ensure the code of ordinances is consistent with this statute.</i>
	Section 163.3164 (44)	Chapter 2024-6, Laws of Florida (SB 82)	Changed Department of Economic Opportunity to Department of Commerce	<i>Update DEO and DCA references to Florida Department of Commerce</i>
	Section 163.3221 (14)	Chapter 2024-6, Laws of Florida (SB 82)	Changed Department of Economic Opportunity to Department of Commerce	<i>See above</i>

Years	Source	Title	Description	Recommended Action
	Section 163.3251 (1)	Chapter 2024-6, Laws of Florida (SB 82)	Changed Department of Economic Opportunity to Department of Commerce	<i>See above</i>
	Section 163.3175	Ch. 2024-22, Laws of Florida (SB 1720)	Changes to requiring local governments to cooperate with certain major military installations and ranges to encourage compatible land use in associated areas	<i>No change necessary already compliant with Section 2.124-I</i>
	Section 163.3202(6)	Ch. 2024-2, Laws of Florida (SB 72)	Fixes cross-reference regarding Florida College System	<i>Statutory change does not appear to necessitate any amendments to the county's Comprehensive Plan. Clerical in nature.</i>
	Section 163.32051(6)	Ch. 2024-2, Laws of Florida (SB 72)	Deletes the requirement for the Office of Energy to develop and provide recommendations to the legislature regarding a regulatory framework for private and public entities that implement solar floating facilities.	<i>Statutory change does not appear to necessitate any amendments to the County's Comprehensive Plan. In regards to DOE.</i>
	Section 163.3210 (NEW)	Ch. 2024-186	Creates a new section to maintain, encourage, and ensure adequate and reliable fuel sources for public utilities. A resiliency facility is a permitted use in all commercial, industrial, and manufacturing land use categories in a local government comprehensive plan and all commercial, industrial, and manufacturing districts. A resiliency facility must comply with the setback and landscape criteria for other similar uses. A local government may adopt an ordinance specifying buffer and landscaping requirements for resiliency facilities, provided such requirements do not exceed the requirements for similar uses involving the construction of other facilities that are permitted uses in commercial, industrial, and manufacturing land use categories and zoning districts. After July 1, 2024, a local government may not amend its comprehensive plan, land use map, zoning districts, or land development regulations in a manner that would conflict with a resiliency facility's classification as a permitted and allowable use, including, but not limited to, an amendment that causes a resiliency facility to be a nonconforming use, structure, or development.	<i>Ensure consistency of plan with new mandate, may be better suited as a specialized use rather than amending all affected FLUs.</i>
	Section 163.3167(8)(d)	Ch. 2024-234	Provides that a citizen-led county charter amendment that is not required to be approved by the BOCC preempting any development order, land development regulation, comprehensive plan, or voluntary annexation is prohibited unless expressly authorized in a county charter that was lawful and in effect on January 1, 2024.	<i>This is a statute clarifying procedures that are not necessary to reflect in the GOPs of the Comprehensive Plan. As such, no changes recommended.</i>
	Section 163.3184	Ch. 2024-235	Clarifies process to amend a plan - if the local government fails to adopt the amendment within 180 days after receipt of agency comments, the amendment "shall" be deemed withdrawn; transmittal shall be within 10 days of "final adoption" not just 2nd public hearing.	<i>This is a statute clarifying procedures that are not necessary to reflect in the GOPs of the Comprehensive Plan. As such, no changes recommended.</i>
2023	Section 163.3191	Evaluation and Appraisal of Comprehensive Plan (Chapter 2023-31)	Amends the requirements of the EAR process. Requires that when local governments notify the state land planning agency of a determination whether EAR-based plan amendments are needed, the notification must include a separate affidavit signed by the Chair or Mayor of the governing body, attesting that all elements of its comprehensive plan comply with section 163.3191, Florida Statutes. The affidavit must also certify that the adopted plan covers the minimum 10-year planning period and cite the source and date of the population projections used in establishing the 10-year planning period.	<i>Add language about the affidavit within Monitoring Section 4.304</i>

Years	Source	Title	Description	Recommended Action
	Section 163.3177(6)(c)3	Required and optional elements of comprehensive plan; studies and surveys. (Chapter 2023-169)	"Septic to Sewer." Requires that for any development of more than 50 residential lots, whether built or unbuilt, with more than one onsite sewage treatment and disposal system per 1 acre, the Infrastructure Element must consider the feasibility of providing sanitary sewer services within a 10-year planning horizon and must identify the name and location of the wastewater facility that could receive sanitary sewer flows after connection; the capacity of the facility and any associated transmission facilities; the projected wastewater flow at that facility for the next 20 years, including expected future new construction and connections of onsite sewage treatment and disposal systems to sanitary sewer; and a timeline for the construction of the sanitary sewer system. An onsite sewage treatment and disposal system is presumed to exist on a parcel if sanitary sewer services are not available at or adjacent to the parcel boundary. Each comprehensive plan must be updated to include this requirement by July 1, 2024 , and as needed thereafter to account for future applicable developments.	<i>In discussion with staff - Will need to be addressed as part of the EAR, if not before.</i>
	Section 163.3208	Substation Approval Process (Chapter 2023-31)	Statute preempts local governments from adopting or enforcing land development regulations for new and existing electrical substations. New and existing electrical substations must be permitted in all land use categories and no size limitations can be enforced.	<i>Ensure consistency of plan with new mandate, may be better suited as a specialized use rather than amending all affected FLUs.</i>
2019-2022	Section 163.3178	Coastal Management, (Chapter 2022-204, section 2, Laws of Florida	Reenacts Subsections (2)(k), (5), and (6) to incorporate the amendment made to Section 311.09 by Chapter 2022-204, Laws of Florida, adding Putnam County to the Florida Seaport Transportation and Economic Development Council	<i>Statutory change does not appear to necessitate any amendments to the County's Comprehensive Plan. Only in regards to Putnam County.</i>
	Section 163.3175	Updating Military Base Names, (Chapter 2022-183, section 5, Laws of Florida).	Amends paragraph (n) subsection (2) to update two military base names to Patrick Space Force Base and Cape Canaveral Space Force Station, associated with Brevard County and Satellite Beach	<i>Statutory change does not appear to necessitate any amendments to the County's Comprehensive Plan. Does not impact Polk County.</i>
	Section 163.3180	Amending Concurrency, (Chapter 2022-122, section 1, Laws of Florida)	Amends subsection (6)(h)2 to revise provisions specifying when school concurrency is deemed satisfied. Requires the district school board to notify the local government that capacity is available for development within 30 days after receipt of the developer's legally binding commitment. Specifies that any proportionate-share mitigation directed toward a school capacity improvement not identified in the 5-year school board educational facilities plan must be set aside and not spent until such an improvement has been identified.	<i>Recommend incorporating into the Public School Facilities Element.</i>

	Section 163.32051	Floating Solar Facilities, (Chapter 2022-83, section 1, Laws of Florida).	<p>Creates 163.32051, which provides legislative findings regarding floating solar facilities.</p> <p>Defines the term “floating solar facility.”</p> <p>Requires a floating solar facility to be a permitted use in the appropriate land use categories and requires local governments to amend their land development regulations to promote expanded uses of floating solar facilities.</p> <p>Authorizes a county or municipality to specify buffer and landscaping requirements, which may not exceed the requirements for similar uses involving the construction of other solar facilities permitted in agricultural land use categories and zoning districts.</p> <p>Provides exceptions to the construction of floating solar facilities in an Everglades Agricultural Area reservoir project if it is determined to have negative impacts on the project</p>	<i>Ensure consistency of plan with new mandate, may be better suited as a specialized use rather than amending all affected FLUs.</i>
	Section 163.3187	Process for Adoption of Small-Scale Comprehensive Plan Amendment (Chapter 2021-206, section 3, Laws of Florida).	<p>Amends subsection (1)(a) to increase the small-scale development amendment limit to 50 acres or fewer.</p> <p>Revises subsection (3) pertaining to small-scale development amendments for sites within a rural area of opportunity to allow a 100 percent increase to the 50-acre acreage limit now included in subsection (1)(a)</p>	<i>Statutory change does not necessitate any amendments to the County's Comprehensive Plan. But could occur in Section 4.305</i>
	Section 163.3167	Scope of Act (Chapter 2021-206, section 1, Laws of Florida).	Revises subsection (5) to allow landowners with a development order approved before the municipality was incorporated to abandon said development order and develop the order’s vested density and intensity as long as the vested uses, density, and intensity are consistent with the municipality’s comprehensive plan and all existing concurrency obligations in the development order remain in effect	<i>Statutory change does not necessitate any amendments to the County's Comprehensive Plan.</i>
	Section 163.3202	Land Development Regulations (Chapter 2021-201, section 1, Laws of Florida). No longer applicable - see 2024-2	Adds new subsection (5) to specify that land development regulations relating to building design elements may not be applied to a single-family or two-family dwelling except under certain listed conditions	<i>This is more applicable to an update of the Land Development Code.</i>
	Section 163.3237	Amendment or Cancellation of a Development Agreement (Chapter 2021-195, section 3, Laws of Florida)	Amends this section to allow a party to a development agreement and a local government to amend or cancel a development agreement without consent of other affected property owners unless the amendment or cancellation will modify the allowable uses or entitlements on such owner’s property	<i>Not relevant to the Comprhensive Plan; no amendments are required.</i>
