

## Subject:

Approve piggyback agreement (PB 22-658) for HVAC Products, Installation, Services and Related Products and Services with Trane U.S., Inc. (\$500,000 annual estimated recurring expense)

## Description:

Facilities Management currently purchases HVAC products, and maintenance and repair services through piggyback agreement 16-68 with Trane U.S., Inc. The current agreement expired September 30, 2022.

The Facilities Management Division has requested to piggyback Bid No RC 2022-1001 between Racine County Wisconsin and Trane U.S. Inc. to continue providing HVAC products, installation, services and related products and services on an as needed basis for the Public Safety Complex air handling units, controls building automated system and other County owned Trane equipment. This agreement provides pre-negotiated rates.

The initial term of this Agreement is through August 31, 2027, with renewal options for an additional five-year period. The anticipated full term of the contract is ten years.

## Recommendation:

Request Board approve the piggyback agreement (PB 22-658) for HVAC Products, Installation, Services and Related Products and Services with Trane U.S., Inc.

## Fiscal Impact:

Funding is available for these services within the requesting User Division operating budget.
