2. STATEMENT OF WORK

The Provider shall perform all tasks and provide units of deliverables, including reports, findings, and drafts, as specified in this Contract. Unless otherwise provided in the procurement document, if any, or governing law, the Department reserves the right to increase or decrease the volume of services and to add tasks that are incidental or complimentary to the original scope of services. When such increase or decrease occurs, except where the method of payment is prescribed by law, compensation under Section 3 will be equitably adjusted by the Department to the extent that it prescribes a fixed price payment method or does not provide a method of payment for added tasks.

2.1 Scope of Work

The Scope of Work is described in Exhibit B.

2.2 Task List

The Provider shall perform all tasks set forth in the Task List, found in Exhibit C, in the manner set forth therein.

2.3 Deliverables

The Deliverables are described in Exhibit D.

2.4 Performance Measures

2.4.1 The performance measures for acceptance of deliverables are set forth in Exhibit D, Section D-4.

2.4.2 To avoid contract termination, Provider's performance must meet the minimum acceptable level of performance set forth in Exhibit E, Minimum Performance Measures, Section E-1, regardless of any other performance measures in this Contract. By execution of this Contract, the Provider hereby acknowledges and agrees that its performance under the Contract must meet these Minimum Performance Measures and that it will be bound by the conditions set forth therein. If the Provider fails to meet these measures, the Department, at its exclusive option, may allow a reasonable period, not to exceed six (6) months, for the Provider to correct performance deficiencies. If performance deficiencies are not resolved to the satisfaction of the Department within the prescribed time, and if no extenuating circumstances can be documented by the Provider to the Department's satisfaction, the Department must terminate the Contract. The Department has the sole authority to determine whether there are extenuating or mitigating circumstances. The Provider further acknowledges and agrees that during any period in which the Provider fails to meet these measures, regardless of any additional time allowed to correct performance deficiencies, payment for deliverables may be delayed or denied and financial consequences may apply.

3. PAYMENT, INVOICE AND RELATED TERMS

The Department shall pay for services performed by the Provider during the service performance period of this Contract according to the terms and conditions of this Contract in an amount not to exceed that set forth in Section 1.1, subject to the availability of funds and satisfactory performance of all terms by the Provider. Except for advances, if any, provided for in this Contract, payment shall be made only upon written acceptance of all services by the Department per Section 3.1 and shall remain subject to subsequent audit or review to confirm contract compliance. The State of Florida's performance and obligation to pay under this Contract is contingent upon an

annual appropriation by the Legislature. Any costs or services paid for under any other contract or from any other source are not eligible for payment under this Contract.

3.1 Prompt Payment and Vendor Ombudsman

Per section 215.422, F.S., the Department has five (5) working days to inspect and approve goods and services, unless the bid specifications, purchase order, or this Contract elsewhere specifies otherwise. Department determination of acceptable services shall be conclusive. Department receipt of reports and other submissions by the Provider does not constitute acceptance thereof, which occurs only through a separate and express act of the Contract Manager. For any amount that is authorized for payment but is not available within forty (40) days, measured from the latter of the date a properly completed invoice is received by the Department or the goods or services are received, inspected, and approved (or within thirty-five (35) days after the date eligibility for payment of a health care provider is determined), a separate interest penalty as described in section 215.422, F.S., will be due and payable in addition to the amount authorized for payment. Interest penalties less than one dollar will not be paid unless the Provider requests payment. A Vendor Ombudsman has been established within the Department of Financial Services and may be contacted at (850) 413-5516.

3.2 Method of Payment

The Provider shall be paid in accordance with Exhibit F.

3.3 Invoices

3.3.1 The Provider shall submit bills for fees or other compensation for services or expenses in sufficient detail for proper pre-audit and post-audit. Where itemized payment for travel expenses is permitted in this Contract, the Provider shall submit bills for any travel expenses in accordance with section 112.061, F.S., or at such lower rates as may be provided in this Contract.

3.3.2 The final invoice for payment shall be submitted to the Department no more than 60 days after the Contract ends or is terminated. If the Provider fails to do so, all rights to payment are forfeited and the Department will not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this Contract may be withheld until performance of services and all reports due from the Provider and necessary adjustments thereto, have been approved by the Department.

3.4 Financial Consequences

If the Provider fails to perform in accordance with this Contract or perform the minimum level of service required by this Contract, the Department will apply financial consequences as provided for in Section 6.1. The parties agree that the penalties provided for under Section 6.1 constitute financial consequences under sections 287.058(1)(h) and 215.971(1)(c), F.S. The foregoing does not limit additional financial consequences, which may include but are not limited to refusing payment, withholding payments until deficiency is cured, tendering only partial payments, applying payment adjustments for additional financial consequences or for liquidated damages to the extent that this Contract so provides, or termination of this Contract per Section 6.2 and requisition of services from an alternate source. Any payment made in reliance on the Provider's evidence of performance, which evidence is subsequently determined to be erroneous, will be immediately due as an overpayment in accordance with Section 3.5, to the extent of such error. Financial consequences directly related to the deliverables under this Contract are defined in Exhibit F.

3.5 Overpayments and Offsets

The Provider shall return to the Department any overpayments due to unearned funds or funds disallowed that were disbursed to the Provider by the Department and any interest attributable to such funds. Should repayment not be made promptly upon discovery by the Provider or its auditor or upon written notice by the Department, the Provider will be charged interest at the lawful rate of interest on the outstanding balance until returned. Payments made for services subsequently determined by the Department to not be in full compliance with contract requirements shall be deemed overpayments. The Department shall have the right at any time to offset or deduct from any payment due under this or any other contract or agreement any amount due to the Department from the Provider under this or any other contract or agreement. If this contract involves federal or state financial assistance, the following applies: The Grantee shall return to the Department any unused funds; any accrued interest earned; and any unmatched grant funds, as detailed in the Final Financial Report, no later than 60 days following the ending date of this Contract.

3.6 MyFloridaMarketPlace Transaction Fee.

This Contract is **exempt from** the MyFloridaMarketPlace transaction fee.

4. GENERAL TERMS AND CONDITIONS GOVERNING PERFORMANCE

4.1 Compliance with Statutes, Rules and Regulations

In performing its obligations under this Contract, the Provider shall without exception be aware of and comply with all State and Federal laws, rules, Children and Families Operating Procedures (CFOPs), and regulations relating to its performance under this Contract as they may be enacted or amended from time-to-time, as well as any court or administrative order, judgment, settlement or compliance agreement involving the Department which by its nature affects the services provided under this Contract.

4.2 State Policies

The Provider shall comply with the policies set forth in the Department of Financial Services' Reference Guide for State Expenditures and active Comptroller/Chief Financial Officer Memoranda issued by the Division of Accounting and Auditing.

4.3 Independent Contractor, Subcontracting and Assignments

4.3.1 In performing its obligations under this Contract, the Provider shall at all times be acting in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida, except where the Provider is a State agency. Neither the Provider nor any of its agents, employees, subcontractors or assignees shall represent to others that it is an agent of or has the authority to bind the Department by virtue of this Contract, unless specifically authorized in writing to do so. This Contract does not create any right in any individual to State retirement, leave benefits or any other benefits of State employees as a result of performing the duties or obligations of this Contract.

4.3.2 The Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial or clerical support) to the Provider, or its subcontractor or assignee, unless specifically agreed to by the Department in this Contract. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds and all necessary insurance for the Provider, the Provider's officers, employees, agents, subcontractors, or assignees shall be the sole responsibility of the Provider and its subcontractors. The parties agree that no joint employment is intended and that, regardless of any provision directing the manner of provision of services, the Provider and its subcontractors alone shall be responsible for the supervision, control, hiring and firing, rates of pay and terms and conditions of employment of their own employees.

4.3.3 The Provider may subcontract under this Contract

4.3.3.1 The Provider shall not subcontract for any of the work contemplated under this Contract without prior written approval of the Department, which shall not be unreasonably withheld. The Provider shall take such actions as may be necessary to ensure that it and each subcontractor of the Provider will be deemed to be an independent contractor and will not be considered or permitted to be an officer, employee, or agent of the State of Florida.

4.3.3.2 The Provider is responsible for all work performed and for all commodities produced pursuant to this Contract whether actually furnished by the Provider or by its subcontractors. Any subcontracts shall be evidenced by a written document. The Provider further agrees that the Department shall not be liable to the subcontractor in any way or for any reason relating to this Contract.

4.3.3.3 The Provider shall include, in all subcontracts (at any tier) the substance of all clauses contained in this Contract that mention or describe subcontract compliance, as well as all clauses applicable to that portion of the Provider's performance being performed by or through the subcontract.

4.3.4 To the extent that a subcontract provides for payment after Provider's receipt of payment from the Department, the Provider shall make payments to any subcontractor within seven (7) working days after receipt of full or partial payments from the Department in accordance with section 287.0585, F.S., unless otherwise stated in the contract between the Provider and subcontractor. Failure to pay within seven (7) working days will result in a penalty that shall be charged against the Provider and paid by the Provider to the subcontractor in the amount of one-half of one percent (0.5%) of the amount due per day from the expiration of the period allowed for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15%) percent of the outstanding balance due.

4.4 Provider Indemnity

Section 19 of PUR 1000 Form shall apply per its terms, except that the phrase "arising from or relating to personal injury and damage to real or personal tangible property" in the first paragraph is replaced with "arising out of or by reason of the execution of this Contract or arising from or relating to any alleged act or omission by the Provider, its agents, employees, partners, or subcontractors in relation to this agreement," and the following additional terms will also apply:

4.4.1 If the Provider removes an infringing product because it is not reasonably able to modify that product or secure the Department the right to continue to use that product, the Provider shall immediately replace that product with a non-infringing product that the Department determines to be of equal or better functionality or be liable for the Department's cost in so doing.

4.4.2 Further, the Provider shall indemnify the Department for all costs and attorneys' fees arising from or relating to Provider's claim that a record contains trade secret information that is exempt from disclosure; or arising from or relating to the scope of the Provider's redaction of the record, as provided for under Section 5.3, including litigation initiated by the Department.

4.4.3 The Provider's inability to evaluate liability or its evaluation of liability shall not excuse its duty to defend and indemnify after receipt of notice. Only an adjudication or judgment after the highest appeal is exhausted finding the Department negligent shall excuse the Provider of performance under this provision, in which case the Department shall have no obligation to reimburse the Provider for the cost of its defense. If the Provider is an agency or subdivision of the State, its obligation to indemnify, defend and hold harmless the Department shall be to the extent permitted by section 768.28, F.S. or other applicable law, and without waiving the limits of sovereign immunity.

4.5 Insurance

The Provider shall maintain continuous adequate liability insurance coverage during the existence of this Contract and any renewal(s) and extension(s) thereof. With the exception of a State agency or subdivision as defined by subsection 768.28(2), F.S., by execution of this Contract, the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this Contract. Upon the execution of this Contract, the Provider shall furnish the Department written verification supporting both the determination and existence of such insurance coverage and shall furnish verification of renewal or replacement thereof prior to the expiration or cancellation. The Department reserves the right to require additional insurance as specified in this Contract.

4.6 Notice of Legal Actions

The Provider shall notify the Department of potential or actual legal actions taken against the Provider related to services provided through this Contract or that may impact the Provider's ability to deliver the contractual services, or that may adversely impact the Department. The Provider shall notify the Department's Contract Manager within ten (10) days of Provider becoming aware of such actions or potential actions or from the day of the legal filing, whichever comes first.

4.7 Intellectual Property

All intellectual property, inventions, written or electronically created materials, including manuals, presentations, films, or other copyrightable materials, arising in relation to Provider's performance under this Contract, and the performance of all of its officers, agents and subcontractors in relation to this Contract, are works for hire for the benefit of the Department, fully compensated for by the Contract amount. Neither the Provider nor any of its officers, agents nor subcontractors may claim any interest in any intellectual property rights accruing under or in connection with the performance of this Contract. It is specifically agreed that the Department shall have exclusive rights to all data processing software falling within the terms of section 119.084, F.S., which arises or is developed in the course of or as a result of work or services performed under this Contract, or in any way connected herewith. Notwithstanding the foregoing provision, if the Provider is a university and a member of the State University System of Florida, then section 1004.23, F.S., shall apply.

4.7.1 If the Provider uses or delivers to the Department for its use or the use of its employees, agents or contractors, any design, device, or materials covered by letters, patent, or copyright, it is mutually agreed and understood that, except as to those items specifically listed in Exhibit A as having specific limitations, the compensation paid pursuant to this Contract includes all royalties or costs arising from the use of such design, device, or materials in any way involved in the work contemplated by this Contract. For purposes of this provision, the term "use" shall include use by the Provider during the term of this Contract and use by the Department its employees, agents or contractors during the term of this Contract and perpetually thereafter.

4.7.2 All applicable subcontracts shall include a provision that the Federal awarding agency reserves all patent rights with respect to any discovery or invention that arises or is developed in the course of or under the subcontract. Notwithstanding the foregoing provision, if the Provider or one of its subcontractors is a university and a member of the State University System of Florida, then section 1004.23, F.S., shall apply, but the Department shall retain a perpetual, fully-paid, nonexclusive license for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products.

4.8 Transition Activities

Continuity of service is critical when service under this Contract ends and service commences under a new contract. Accordingly, when service will continue through another provider upon the expiration or earlier termination of this Contract, the Provider shall, without additional compensation, complete all actions necessary to smoothly transition service to the new provider. This includes but is not limited to the transfer of relevant data and files, as well as property funded or provided pursuant to this Contract. The Provider shall be required to support an orderly transition to the next provider no later than the expiration or earlier termination of this Contract and shall support the requirements for transition as specified in a Department-approved Transition Plan, which shall be developed jointly with the new provider in consultation with the Department.

4.9 Real Property

Any State funds provided for the purchase of or improvements to real property are contingent upon the Provider granting to the State a security interest in the property at least to the amount of the State funds provided for at least five (5) years from the date of purchase or the completion of the improvements or as further required by law. As a condition of receipt of State funding for this purpose, if the Provider disposes of the property before the Department's interest is vacated, the Provider will refund the proportionate share of the State's initial investment, as adjusted by depreciation.

4.10 Publicity

Without limitation, the Provider and its employees, agents, and representatives will not, without prior Departmental written consent in each instance, use in advertising, publicity or any other promotional endeavor any State mark, the name of the State's mark, the name of the State or any State agency or affiliate or any officer or employee of the State, or any State program or service, or represent, directly or indirectly, that any product or service provided by the Provider has been approved or endorsed by the State, or refer to the existence of this Contract in press releases, advertising or materials distributed to the Provider's prospective customers.

4.11 Sponsorship

As required by section 286.25, F.S., if the Provider is a non-governmental organization which sponsors a program financed wholly or in part by State funds, including any funds obtained through this Contract, it shall, in publicizing, advertising, or describing the sponsorship of the program state: "Sponsored by (Provider's name) and the State of Florida, Department of Children and Families". If the sponsorship reference is in written material, the words "State of Florida, Department of Children and Families" shall appear in at least the same size letters or type as the name of the organization.

4.12 Employee Gifts

The Provider agrees that it will not offer to give or give any gift to any Department employee during the service performance period of this Contract and for a period of two years thereafter. In addition to any other remedies available to the Department, any violation of this provision will result in referral of the Provider's name and description of the violation of this term to the Department of Management Services for the potential inclusion of the Provider's name on the suspended vendors list for an appropriate period. The Provider will ensure that its subcontractors, if any, comply with these provisions.

4.13 Mandatory Reporting Requirements

5.1.1 The Provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by the Department under this Contract. Upon demand, at no additional cost to the Department, the Provider will facilitate the duplication and transfer of any records or documents during the term of this Contract and the required retention period in Section 5.1.2. These records shall be made available at all reasonable times for inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the Department.

5.1.2 Retention of all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Contract shall be maintained by the Provider during the term of this Contract and retained for a period of six (6) years after completion of the Contract or longer when required by law. Following such review, the Department may direct the development, by the Provider, of a corrective action plan where appropriate. The Provider hereby agrees to timely correct all deficiencies identified in the Department's direction. This provision will not limit the Department's choice of remedies under law, rule, or this contract.

5.3 Provider's Confidential and Exempt Information

5.3.1 By executing this Contract, the Provider acknowledges that, having been provided an opportunity to review all provisions hereof, all provisions of this Contract not specifically identified in writing by the Provider prior to execution hereof as "confidential" or "exempt" will be posted by the Department on the public website maintained by the Department of Financial Services pursuant to section 215.985, F.S. The Provider, upon written request of the Department, shall promptly provide a written statement of the basis for the exemption applicable to each provision identified by the Provider as "confidential" or "exempt", including the statutory citation to an exemption created or afforded by statute, and state with particularity the reasons for the conclusion that the provision is exempt or confidential.

5.3.2 Any claim by Provider of trade secret (proprietary) confidentiality for any information contained in Provider's documents (reports, deliverables or workpapers, etc., in paper or electronic form) submitted to the Department in connection with this Contract will be waived, unless the claimed confidential information is submitted in accordance with the following standards:

5.3.2.1 Provider must clearly label as trade secret, any portion of the documents, data, or records submitted that it considers to be trade secret, as defined in Section 812.081(1)(c), F.S., and exempt from public inspection or disclosure pursuant to Florida's Public Records Law. The labeling will include a justification citing specific statutes and facts that authorize exemption of the information from public disclosure. If different exemptions are claimed to be applicable to different portions of the protected information, the Provider shall include information correlating the nature of the claims to the particular protected information.

5.3.2.2 The Department, when required to comply with a public records request including documents submitted by the Provider, may require the Provider to expeditiously submit redacted copies of documents marked as trade secret in accordance with Section 5.3.2.1. These penalties are cumulative and may be assessed upon each separate failure to comply with instructions from the Department to complete corrective action, but shall not exceed ten (10%) of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made. These penalties do not limit or restrict the Department's application of any other remedy available to it under law or this Contract.

6.1.2 The increments of penalty imposition that shall apply, unless the Department determines that extenuating circumstances exist, shall be based upon the severity of the noncompliance, nonperformance, or unacceptable performance that generated the need for corrective action plan, in accordance with the following standards.

6.1.2.1 Noncompliance that is determined by the Department to have a direct effect on client health and safety shall result in the imposition of a ten percent (10%) penalty of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made.

6.1.2.2 Noncompliance involving the provision of service not having a direct effect on client health and safety shall result in the imposition of a five percent (5%) penalty.

Otherwise, notice of termination will be issued after the Provider's failure to fully cure such noncompliance within the time specified in a written notice of noncompliance issued by the Department specifying the nature of the noncompliance and the actions required to cure such noncompliance. In addition, the Department may employ the default provisions in Rule 60A-1.006(3), F.A.C., but is not required to do so in order to terminate the Contract. The Department's failure to demand performance of any provision of this Contract shall not be deemed a waiver of such performance. The Department's waiver of any one breach of any provision of this Contract shall not be deemed to be a waiver of any other breach and neither event shall be construed to be a modification of the terms and conditions of this Contract. The provisions herein do not limit the Department's right to remedies at law or in equity.

6.2.5 Failure to have performed any contractual obligations under any other contract with the Department in a manner satisfactory to the Department will be a sufficient cause for termination. Termination shall be upon no less than twenty-four (24) hours' notice in writing to the Provider. To be terminated under this provision, the Provider must have:

6.2.5.1 Previously failed to satisfactorily perform in a contract with the Department, been notified by the Department of the unsatisfactory performance, and failed to timely correct the unsatisfactory performance to the satisfaction of the Department; or

Other financial consequences directly related to the deliverables under this Contract are defined in **Exhibit F**. The foregoing does not limit the Department's use of additional financial consequences, including refusing to make payment, withholding payments until deficiency is cured, tendering only partial payments, applying payment adjustments for additional financial consequences or for liquidated damages to the extent this Contract so provides, or termination of this Contract per **6.2** and requisition of services from an alternate source. Any payment made in reliance on the Provider's evidence of performance, which evidence is subsequently determined erroneous, is immediately due as an overpayment in accordance with **3.5**, to the extent of such error.

3.5. Overpayments and Offsets

The Provider shall return erroneous payments, overpayments, or payments disallowed by this Contract (including payments made for services subsequently determined by the Department to not be in full compliance with this Contract's requirements) or law, including interest at a rate established per §55.03(1), F.S., within 40 days after discovery by the Provider, audit, or the Department. The State or the Department may recover against such payments by deduction from subsequent payments under this or any other contract with the Provider, or any other lawful method. If this Contract involves federal or state financial assistance, the following applies: The Provider shall return to the Department unused funds, accrued interest earned, and unmatched grant funds, as detailed in the Final Financial Report, within 60 days of the End Date.

3.6. Rural Opportunities

If the Provider is a county or municipality that is a rural community or rural area of opportunity as those terms are defined in §288.0656(2), F.S., the payment of submitted invoices may be issued for verified and eligible performance that has been completed in accordance with the terms and conditions set forth in this Contract to the extent that federal or state law, rule, or other regulation allows such payments. Upon meeting the criteria, the Provider may elect in writing to exercise this provision as defined in §215.971(1)(h), F.S.

No State funding under this Contract is being provided for, promoting, advocating for, or providing training or education on "Diversity, Equity, and Inclusion" (DEI). DEI is any program, activity, or policy that classifies individuals on the basis of race, color, sex, national origin, gender identity, or sexual orientation and promotes differential or preferential treatment of individuals on the basis of such classification, or promotes the position that a group or an individual's action is inherently, unconsciously, or implicitly biased on the basis of such classification.

4.6. Independent Contractor, Subcontracting and Assignments

4.6.1. In performing its obligations under this Contract, the Provider is an independent contractor

and not an officer, employee, or agent of the State of Florida, except where the Provider is a State agency. The Provider, its agents, employees, subcontractors, or assignees shall not represent to others they are agents of or have the authority to bind by virtue of this Contract, unless specifically authorized in writing to do so. This Contract does not create any right in any individual to State retirement, leave benefits or any other benefits of State employees due to performing the duties or obligations of this Contract.

4.6.2. The Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial or clerical support) to the Provider, or its subcontractor or assignee, unless specifically agreed to by the Department in this Contract. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds and all necessary insurance for the Provider, the Provider's officers, employees, agents, subcontractors, or assignees are the sole responsibility of the Provider and its subcontractors. No joint employment is intended and regardless of any provision directing the manner of provision of services, the Provider and its subcontractors alone are responsible for the supervision, control, hiring and firing, rates of pay and terms and conditions of employment of their own employees.

4.6.3. The Provider shall not assign its responsibilities under this Contract to another party, in whole or in part, without prior written approval of the Department. Such assignment occurring without prior approval of the Department shall be null and void.

4.6.4. The State of Florida may assign, in whole or part, its rights, duties, or obligations under this Contract to another governmental agency in the State of Florida or to a provider of the Department's selection.

4.6.5. Additional Terms if Subcontracting is Permitted

4.6.5.1. The Provider cannot subcontract for any of the work contemplated under this Contract without the Department's prior written approval. 4.6.5.2. The Provider is responsible for all work performed and for all commodities produced pursuant to this Contract whether actually furnished by the Provider or by its subcontractors. Any subcontracts shall be evidenced by a written document. The Provider further agrees the Department shall not be liable to the subcontractor in any way or for any reason relating to this Contract.

4.6.5.3. The Provider shall include the substance of all clauses contained in this Contract relevant to subcontractor compliance in all subcontracts and any sub-subcontracts.

4.7. Indemnity

4.7.1. This is the sole term covering indemnification. No other indemnification clause applies to this Contract. The Provider shall indemnify the Department, where indemnification is not limited by law, as follows:

4.7.1.1. Personal Injury and Damage to Real or Tangible Personal Property. The Provider shall be fully liable for, and fully indemnify, defend, and hold harmless the State, the Department, and their officers, agents, and employees, from any suits, actions, damages, attorneys' fees, and costs of every name and description, arising from or relating to personal injury and damage to real or personal tangible property allegedly caused in whole or in part by the Provider, provided however, the Provider need not indemnify, defend and hold harmless the State or the Department for that portion of any loss or damages proximately caused by the negligent act or omission of the State, the Department, and their officers, agents, and employees. However, should conflict arise between the terms of this agreement and §§39.011, 394.9085, and 409.993, F.S., these statutory

provisions control.

4.7.1.2. Intellectual Property Liability. The Provider shall fully indemnify, defend, and hold harmless the State, the Department, and their officers, agents, and employees from any suits, actions, damages, attorney's fees, and costs of every name and description, arising from or relating to violation or infringement of a trademark, copyright, patent, trade dress, trade secret or other intellectual property right. This intellectual property liability indemnification obligation will not apply to the Department's misuse or modification of the Provider's products or the Department's operation or use of the Provider's products in a manner not contemplated by this Contract. If any product is the subject of an infringement suit, or in the Provider's opinion, is likely to become the subject of such a suit, the Provider shall, at its sole expense, procure for the Department the right to continue using the product or to modify it to become non-infringing. If the Provider is not reasonably able to modify or otherwise secure the Department the right to continue using the product, the Provider shall remove the product and refund the Department the amounts paid more than a reasonable rental for past use. The State and the Department will not be liable for any royalties, or licensing fees, not included in this Contract.

4.7.1.3. Actions Related to this Contract. The Provider shall fully indemnify, defend, and hold harmless the State and the Department, and their officers, employees, and agents from any suits, actions, damages, fines, claims, assessments, attorney's fees, and costs of every name and description, arising from or relating to any acts, actions, breaches, neglect, or omissions of the Provider related to this Contract, as well as for any determination arising out of or relating to this Contract that the Provider is not an independent contractor vis-a-vis the Department.

4.7.2. Subcontracts. The Provider shall include in all subcontracts and ensure all resulting contracts include the requirement that such resulting contractors indemnify, defend, and hold harmless the State and the Department, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including any and all attorney's fees, arising from or relating to any alleged act or omission by subcontractors, their officers, employees, agents, partners, subcontractors, assignees, or delegees alleged caused in whole or in part by contracted entities, their agents, employees, partners or subcontractors; provided, however, that contracted entities will not indemnify for that portion of any loss or damages proximately caused by the negligent acts or omissions of the Department. The Provider shall indemnify, defend, and hold harmless the State and the Department from the consequences of such a breach.

4.7.3. The indemnification requirement in **4.7.1** does not apply if the Provider is a governmental entity, prohibited by law, or constrained by lack of legal authority, from indemnifying the State, the Department, or other party. In such instances, the Provider remains liable for the Provider's own actions to the extent such liability exists in the absence of the legally impermissible indemnification.

4.7.4. Nothing in this Contract constitutes a waiver of sovereign immunity or consent by the Department, or the State, or its subdivisions to suit by third parties or an agreement by the Department, the State, or its subdivisions to indemnify any person.

4.8. Insurance

The Provider shall set the limits of liability necessary to provide reasonable financial protections to the Provider and the State under this Contract.

4.8.4. Authorized Insurers and Documentation. All insurance policies will be with insurers authorized, and through insurance agents licensed, to transact business in the State, as required by chapter 624, F.S., or upon approval of the Department with a commercial self-insurance trust fund authorized under §624.462, F.S. The Provider shall provide thirty (30) calendar days written notice of cancellation of any insurance required by **4.8** to the Department. The Provider shall submit certificates of insurance coverage, or other evidence of insurance coverage acceptable to the Department, prior to this Contract execution, and provide the Department 10 days prior Notice of any cancellation or nonrenewal.

4.10. Intellectual Property

4.10.1. Intellectual property rights to all property created or otherwise developed as part of this Contract by the Provider (either directly or through a subcontractor) for the Department as a work made for hire will be owned by the State. The Provider's title to intellectual property not developed as a work made for hire is unaffected. If software is being created as a work for hire the Provider shall deliver to the Department at no additional cost the decompiled source code, data libraries, manuals, documentation, and any other data or material necessary for the software to function as intended and be replicated and modified. If software or other intellectual property is not a work for hire, but is developed through performance of services under this Contract, the State of Florida is granted a perpetual, non-exclusive, non-assignable, royalty-free license to use, copy and modify such intellectual property for state business by any of the State of Florida's departments, subdivisions, or agents.

4.10.2. A thing capable of being trademarked developed in anticipation, or as a result, of this Contract will be trademarked by or on behalf of the Department. Only after the Department declines, by Notice, to hold such trademark, may the Provider trademark such a thing in its own name.

4.10.3. Any website developed in anticipation, or as a result, of this Contract will be placed in a domain of the Department's choice, copyrighted in the Department's name. Only if the Department declines, by Notice, such placement or copyright, may the Provider copyright such a thing in its own name.

4.10.4. Any inventions or discoveries developed during or as a result of services performed under this Contract which are patentable pursuant to 35 U.S.C. §101 are the sole property of the State. When services that are the subject of the Contract continue through another provider, or the Department, after the End Date, the Provider shall, without additional compensation, complete all actions necessary to smoothly transition service to the new provider, or the Department. This includes the transfer of relevant data and files, as well as property funded or provided pursuant to this Contract. The Provider shall be required to support an orderly transition to the next provider, or the Department, no later than the End Date and shall support the requirements for transition specified in a Department-approved Transition Plan, which the Provider shall develop in consultation with the Department.

4.12. Publicity

The Provider and its employees, agents, and representatives shall not, without prior written consent of the Department in each instance, use in advertising, publicity or any other promotional endeavor any State mark, the name of the State's mark, the name of the State or any State agency or affiliate or any officer or employee of the State, or any State program or service, or represent, directly or indirectly, that any product or service provided by the Provider has been approved or endorsed by the State, or refer to the existence of this Contract in press releases, advertising or materials distributed to the Provider's prospective customers.

4.14. Employee Gifts

The Provider agrees it shall not offer to give or give any gift to any Department employee during the service performance period of this Contract and for two years thereafter. In addition to any other remedies available to the Department, any violation of this provision will result in referral of the Provider's name and description of the violation of this term to the Department of Management Services for the potential inclusion of the Provider's name on the suspended vendors list for an appropriate period. The Provider shall ensure any subcontractors comply with these provisions.

If the Provider fails to promptly submit a redacted copy, the Department is authorized to produce the records sought without any redaction of trade secret information.

5.4.1. The Provider shall designate an Information Security Officer competent to liaise with the Department on security matters and maintain an appropriate level of information security for the Department's information systems, or any client or other confidential information the Provider is

collecting or using in the performance of this Contract. An appropriate level of security includes approving and tracking all who request or have access, through the Provider's access, to the Department's information systems or any client or other confidential information. The Information Security Officer will ensure any access to the Department's information systems or any client or other confidential information is removed immediately upon such access no longer being required for the Provider's performance under this Contract.

5.4.2. The Provider shall provide the Department's latest security awareness training to all persons prior to granting access to the Department's information systems or any client or other confidential information. The Provider shall require all persons granted access to comply with, and be provided a copy of CFOP 50-2, and will sign the Department's Security Agreement (Form CF 0112) annually.

5.4.4. The Provider shall notify the Contract Manager within 120 hours, following the determination of any potential or actual unauthorized disclosure or access to the Department's information systems or to any client or other confidential information.

5.4.5. The Provider shall, at its own cost, comply with §501.171, F.S. The Provider shall also, at its own cost, implement measures deemed appropriate by the Department to avoid or mitigate potential injury to any person due to potential or actual unauthorized disclosure or access to the Department's information systems or to any client or other confidential information.

5.4.6. The Provider's confidentiality procedures shall be at least as protective as the most recent version of the Department's security policies and comply with any applicable professional confidentiality standards.

5.5. Public Records

5.5.1. The Provider shall allow public access to all documents, papers, letters, or other public records as defined in §119.011(12), F.S., made or received by the Provider in conjunction with this Contract except that public records which are made confidential by law must be protected from disclosure. Should the Provider fail to comply with this provision the Department may unilaterally terminate this Contract.

5.5.2.4. Upon completion of this Contract, transfer, at no cost, to the Department all public records in possession of the Provider or keep and maintain public records required by the Department to perform the service. If the Provider transfers all public records to the Department upon completion of this Contract, the Provider shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Provider

keeps and maintains public records upon completion of this Contract, the Provider shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Department, upon request from the Department's custodian of public records, in a format compatible with the information technology systems of the Department.

6. INSPECTIONS, PENALTIES, AND TERMINATION

6.1. Financial Penalties for Failure to Take Corrective Action

6.1.1. In accordance with the provisions of §402.73(1), F.S., and Rule 65-29.001, F.A.C., should the Department require a corrective action to address noncompliance under this Contract, incremental penalties listed in **6.1.2** through **6.1.3** shall be imposed for the Provider's failure to achieve the corrective action. These penalties are cumulative and may be assessed upon each separate failure to comply with instructions from the Department to complete corrective action, but shall not exceed 10% of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made. These penalties do not limit or restrict the Department's application of any other remedy available to it under law or this Contract.

6.1.2. The increments of penalty imposition that shall apply, unless the Department determines that extenuating circumstances exist, shall be based upon the severity of the noncompliance, nonperformance, or unacceptable performance that generated the need for corrective action plan, in accordance with the following standards.

6.1.2.1. Noncompliance that is determined by the Department to have a direct effect on client health and safety shall result in the imposition of a 10% penalty of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made.

6.1.2.2. Noncompliance involving the provision of service not having a direct effect on client health and safety shall result in the imposition of a 5% penalty.

6.1.2.3. Noncompliance as a result of unacceptable performance of administrative tasks shall result in the imposition of a 2% penalty.

6.1.3. The deadline for payment shall be as stated in the Department order imposing the financial penalties. In the event of nonpayment the Department may deduct the amount of the penalty from invoices submitted by the Provider.

6.2. Termination

6.2.1. The Department may terminate this Contract without cause upon no less than 30 days' Notice in writing to the Provider unless another time is mutually agreed upon in writing.

6.2.2. The Provider may terminate this Contract upon no less than 120 days' Notice to the Department unless another time is mutually agreed upon in writing.

6.2.3. In the event funds for payment pursuant to this Contract become unavailable, the

Department may terminate this Contract upon no less than 24 hours' Notice in writing to the Provider. The Department is the final authority as to the availability and adequacy of funds.

6.2.4. In the event the Provider fails to fully comply with the terms and conditions of this Contract, the Department may terminate this Contract upon no less than 24 hours' Notice to the Provider, excluding Saturday, Sunday, and Holidays. Such Notice may be issued without providing an opportunity for cure if it specifies the nature of the noncompliance and states that provision for cure would adversely affect the interests of the State or is not permitted by law or regulation. Otherwise, Notice of termination will be issued after the Provider's failure to fully cure such noncompliance within the time specified in a Notice of noncompliance issued by the Department specifying the nature of the noncompliance and the actions required to cure such noncompliance. The Department's failure to demand performance of any provision of this Contract shall not be deemed a waiver of such performance. The Department's waiver of any one breach of any provision of this Contract is not a waiver of any other breach and neither event is a modification of the terms and conditions of this Contract. **6.2** does not limit the Department's right to legal or equitable remedies.

6.2.5. Failure to have performed any contractual obligations under any other contract with the Department in a manner satisfactory to the Department will be a sufficient cause for termination. Termination shall be upon no less than 24 hours' Notice to the Provider and only if the Provider:

6.2.5.1. Previously failed to satisfactorily perform in a contract with the Department, was notified by the Department of the unsatisfactory performance, and failed to timely correct the unsatisfactory performance to the satisfaction of the Department; or

6.2.5.2. Had any other contract terminated by the Department for cause.

6.2.6. In the event of termination under **6.2.1** or **6.2.3**, the Provider shall be compensated for any work satisfactorily completed through the date of termination or an earlier date of suspension of work.

6.2.7. If this Contract is for an amount of \$1 million or more, the Department may terminate this Contract at any time the Provider is found to have falsely certified under §287.135, F.S., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. Regardless of the amount of this Contract, the Department may terminate this Contract at any time the Provider is found to have been engaged in business operations in Cuba or Syria, placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel.
