Re: LDCU-2025-29

Date: January 16, 2026

Dear Mr. Wilson,

We share the enclosed letters to you as our elected official, who directly represents the 1,300 residents who reside in Saddlebag Lake Resort, not to mention the other communities close by. As other letters submitted to you have detailed, we provide a major economic impact and tax base to the community you represent while being a large self-sufficient neighborhood with cost savings to the County with having our own water, sewer, post office, citizens patrol as sponsored by Sheriff Grady Judd, and the various ways we donate monetarily and with our time to the Lake Wales community we hold so dear.

We ask you to read and review the enclosed and to strongly consider as your constituents, the vast legitimate concerns of what is being placed before you regarding LDCU-2025-29. This 855-acre, 65 year sand mine, with continual daily operations, and impacts to your constituents health, traffic safety, wildlife, the aquifer system, and valued wildlife are legitimate incompatibility issues among many others.

We believe in the values and stances you were elected on as we know how they are important to you. Please continue to represent all you believe in. We thank you in advance for your time.

Thank you,

The Sand Mine Communication Team

Dear County Commissioner Rick Wilson,

I am writing to you as a concerned resident regarding the ongoing appeal for the proposed Mammoth Grove Sand mine abutting Saddlebag Lake Resort. I strongly urge you to uphold the core values and commitments expressed during your campaign, particularly those that champion **environmental stewardship, responsible development, and the protection of our local communities.**

Saddlebag Lake Resort is a cherished part of our County, providing a home for 1,300 residents who enhance the quality of life and productivity for businesses and your region overall. The prospect of a sand mine in such proximity raises **SIGNIFICANT** concerns about environmental impact, noise pollution, traffic safety and congestion, and the overall well-being of our community.

Throughout your campaign, you pledged to **prioritize the voices of local citizens, safeguard our natural resources, and support sustainable growth.** Denying the Mammoth Grove sand mine appeal aligns with those promises and demonstrates your ongoing commitment to the values that earned you the trust of your constituents. By taking the proper stand, you will help preserve Saddlebag Lake Resort's character and ensure that our county remains a desirable place to live and visit for generations to come. Our community, Lake Wales, and Polk County residents will all be watching for you to uphold your election promises to your constituents.

I respectfully request that you vote to deny the sand mine appeal and continue to uphold your vision for a thriving, sustainable, and community focused county. Thank you for your attention to this urgent matter and for your service to our community.

Sincerely,

Dear County Commissioner Rick Wilson,

I am writing to you as a concerned resident regarding the ongoing appeal for the proposed Mammoth Grove Sand mine abutting Saddlebag Lake Resort. I strongly urge you to uphold the core values and commitments expressed during your campaign, particularly those that champion **environmental stewardship, responsible development, and the protection of our local communities.**

Saddlebag Lake Resort is a cherished part of our County, providing a home for 1,300 residents who enhance the quality of life and productivity for businesses and your region overall. The prospect of a sand mine in such proximity raises **SIGNIFICANT** concerns about environmental impact, noise pollution, traffic safety and congestion, and the overall well-being of our community.

Throughout your campaign, you pledged to **prioritize the voices of local citizens, safeguard our natural resources, and support sustainable growth.** Denying the Mammoth Grove sand mine appeal aligns with those promises and demonstrates your ongoing commitment to the values that earned you the trust of your constituents. By taking the proper stand, you will help preserve Saddlebag Lake Resort's character and ensure that our county remains a desirable place to live and visit for generations to come. Our community, Lake Wales, and Polk County residents will all be watching for you to uphold your election promises to your constituents.

I respectfully request that you vote to deny the sand mine appeal and continue to uphold your vision for a thriving, sustainable, and community focused county. Thank you for your attention to this urgent matter and for your service to our community.

I am writing to you as a concerned resident regarding the ongoing appeal for the proposed Mammoth Grove Sand mine abutting Saddlebag Lake Resort. I strongly urge you to uphold the core values and commitments expressed during your campaign, particularly those that champion **environmental stewardship, responsible development, and the protection of our local communities.**

Saddlebag Lake Resort is a cherished part of our County, providing a home for 1,300 residents who enhance the quality of life and productivity for businesses and your region overall. The prospect of a sand mine in such proximity raises **SIGNIFICANT** concerns about environmental impact, noise pollution, traffic safety and congestion, and the overall well-being of our community.

Throughout your campaign, you pledged to **prioritize the voices of local citizens, safeguard our natural resources, and support sustainable growth.** Denying the Mammoth Grove sand mine appeal aligns with those promises and demonstrates your ongoing commitment to the values that earned you the trust of your constituents. By taking the proper stand, you will help preserve Saddlebag Lake Resort's character and ensure that our county remains a desirable place to live and visit for generations to come. Our community, Lake Wales, and Polk County residents will all be watching for you to uphold your election promises to your constituents.

I respectfully request that you vote to deny the sand mine appeal and continue to uphold your vision for a thriving, sustainable, and community focused county. Thank you for your attention to this urgent matter and for your service to our community.

Saddlebag Lake Resort is a cherished part of our County, providing a home for 1,300 residents who enhance the quality of life and productivity for businesses and your region overall. The prospect of a sand mine in such proximity raises **SIGNIFICANT** concerns about environmental impact, noise pollution, traffic safety and congestion, and the overall well-being of our community.

Throughout your campaign, you pledged to **prioritize the voices of local citizens, safeguard our natural resources, and support sustainable growth.** Denying the Mammoth Grove sand mine appeal aligns with those promises and demonstrates your ongoing commitment to the values that earned you the trust of your constituents. By taking the proper stand, you will help preserve Saddlebag Lake Resort's character and ensure that our county remains a desirable place to live and visit for generations to come. Our community, Lake Wales, and Polk County residents will all be watching for you to uphold your election promises to your constituents.

I respectfully request that you vote to deny the sand mine appeal and continue to uphold your vision for a thriving, sustainable, and community focused county. Thank you for your attention to this urgent matter and for your service to our community.

Dear County Commissioner Rick Wilson,

I am writing to you as a concerned resident regarding the ongoing appeal for the proposed Mammoth Grove Sand mine abutting Saddlebag Lake Resort. I strongly urge you to uphold the core values and commitments expressed during your campaign, particularly those that champion **environmental stewardship, responsible development, and the protection of our local communities.**

Saddlebag Lake Resort is a cherished part of our County, providing a home for 1,300 residents who enhance the quality of life and productivity for businesses and your region overall. The prospect of a sand mine in such proximity raises **SIGNIFICANT** concerns about environmental impact, noise pollution, traffic safety and congestion, and the overall well-being of our community.

Throughout your campaign, you pledged to **prioritize the voices of local citizens, safeguard our natural resources, and support sustainable growth.** Denying the Mammoth Grove sand mine appeal aligns with those promises and demonstrates your ongoing commitment to the values that earned you the trust of your constituents. By taking the proper stand, you will help preserve Saddlebag Lake Resort's character and ensure that our county remains a desirable place to live and visit for generations to come. Our community, Lake Wales, and Polk County residents will all be watching for you to uphold your election promises to your constituents.

I respectfully request that you vote to deny the sand mine appeal and continue to uphold your vision for a thriving, sustainable, and community focused county. Thank you for your attention to this urgent matter and for your service to our community.

I am writing to you as a concerned resident regarding the ongoing appeal for the proposed Mammoth Grove Sand mine abutting Saddlebag Lake Resort. I strongly urge you to uphold the core values and commitments expressed during your campaign, particularly those that champion **environmental stewardship, responsible development, and the protection of our local communities.**

Saddlebag Lake Resort is a cherished part of our County, providing a home for 1,300 residents who enhance the quality of life and productivity for businesses and your region overall. The prospect of a sand mine in such proximity raises **SIGNIFICANT** concerns about environmental impact, noise pollution, traffic safety and congestion, and the overall well-being of our community.

Throughout your campaign, you pledged to **prioritize the voices of local citizens, safeguard our natural resources, and support sustainable growth.** Denying the Mammoth Grove sand mine appeal aligns with those promises and demonstrates your ongoing commitment to the values that earned you the trust of your constituents. By taking the proper stand, you will help preserve Saddlebag Lake Resort's character and ensure that our county remains a desirable place to live and visit for generations to come. Our community, Lake Wales, and Polk County residents will all be watching for you to uphold your election promises to your constituents.

I respectfully request that you vote to deny the sand mine appeal and continue to uphold your vision for a thriving, sustainable, and community focused county. Thank you for your attention to this urgent matter and for your service to our community.

Sincerely,

The prospect of a sand mine in such proximity raises **SIGNIFICANT** concerns about environmental impact, noise pollution, traffic safety and congestion, and the overall well-being of our community.

Throughout your campaign, you pledged to **prioritize the voices of local citizens, safeguard our natural resources, and support sustainable growth.** Denying the Mammoth Grove sand mine appeal aligns with those promises and demonstrates your ongoing commitment to the values that earned you the trust of your constituents. By taking the proper stand, you will help preserve Saddlebag Lake Resort's character and ensure that our county remains a desirable place to live and visit for generations to come. Our community, Lake Wales, and Polk County residents will all be watching for you to uphold your election promises to your constituents.

I respectfully request that you vote to deny the sand mine appeal and continue to uphold your vision for a thriving, sustainable, and community focused county. Thank you for your attention to this urgent matter and for your service to our community.

Dear County Commissioner Rick Wilson,

I am writing to you as a concerned resident regarding the ongoing appeal for the proposed Mammoth Grove Sand mine abutting Saddlebag Lake Resort. I strongly urge you to uphold the core values and commitments expressed during your campaign, particularly those that champion **environmental stewardship, responsible development, and the protection of our local communities.**

Saddlebag Lake Resort is a cherished part of our County, providing a home for 1,300 residents who enhance the quality of life and productivity for businesses and your region overall. The prospect of a sand mine in such proximity raises **SIGNIFICANT** concerns about environmental impact, noise pollution, traffic safety and congestion, and the overall well-being of our community.

Throughout your campaign, you pledged to **prioritize the voices of local citizens, safeguard our natural resources, and support sustainable growth.** Denying the Mammoth Grove sand mine appeal aligns with those promises and demonstrates your ongoing commitment to the values that earned you the trust of your constituents. By taking the proper stand, you will help preserve Saddlebag Lake Resort's character and ensure that our county remains a desirable place to live and visit for generations to come. Our community, Lake Wales, and Polk County residents will all be watching for you to uphold your election promises to your constituents.

I respectfully request that you vote to deny the sand mine appeal and continue to uphold your vision for a thriving, sustainable, and community focused county. Thank you for your attention to this urgent matter and for your service to our community.

Sincerely,

I am writing to you as a concerned resident regarding the ongoing appeal for the proposed Mammoth Grove Sand mine abutting Saddlebag Lake Resort. I strongly urge you to uphold the core values and commitments expressed during your campaign, particularly those that champion **environmental stewardship, responsible development, and the protection of our local communities.**

Saddlebag Lake Resort is a cherished part of our County, providing a home for 1,300 residents who enhance the quality of life and productivity for businesses and your region overall. The prospect of a sand mine in such proximity raises **SIGNIFICANT** concerns about environmental impact, noise pollution, traffic safety and congestion, and the overall well-being of our community.

Throughout your campaign, you pledged to **prioritize the voices of local citizens, safeguard our natural resources, and support sustainable growth.** Denying the Mammoth Grove sand mine appeal aligns with those promises and demonstrates your ongoing commitment to the values that earned you the trust of your constituents. By taking the proper stand, you will help preserve Saddlebag Lake Resort's character and ensure that our county remains a desirable place to live and visit for generations to come. Our community, Lake Wales, and Polk County residents will all be watching for you to uphold your election promises to your constituents.

I respectfully request that you vote to deny the sand mine appeal and continue to uphold your vision for a thriving, sustainable, and community focused county. Thank you for your attention to this urgent matter and for your service to our community.
