We are a video game and simulation racing lounge, guests come in and play on our PS5 and Xboxs, we have couches set up for them and host tournaments and league nights. We also have simulation racing machines that people can play popular racing game on. We plan on also serving beer/wine as well as normal fountain drinks. We will be open Tuesday-Sunday. 1-10pm and on friday-saturdays 10am-10pm. This is our only location.
