WHEREAS, the cost estimate for the Transportation Improvements is reflected in **Exhibit B**; and

WHEREAS, the COUNTY has requested, and the DEVELOPER has agreed, to reimburse the DEVELOPER for a portion of the actual costs incurred for the Transportation Improvements, (the "**Reimbursement Amount**"); and

WHEREAS, this AGREEMENT is in the best interest of the public health, safety and welfare of Polk County, Florida and provide a benefit to the residents of Polk County.

NOW, THEREFORE, in consideration of the mutual covenants, premises and promises hereinafter set forth, the receipt, adequacy and sufficiency of which are hereby acknowledged, the COUNTY and the DEVELOPER hereby agree as follows:

1. **Recitals.** The foregoing recitals are true and correct in all respects and are expressly incorporated herein by reference.

2. **Effective Date.** The Effective Date of this AGREEMENT shall be the date in which the COUNTY executes this AGREEMENT.

3. **Transportation Improvements.** The COUNTY and the DEVELOPER agree to the following terms and conditions: the DEVELOPER shall undertake the design, permitting, and construction of improvements to the intersection of West Lake Eloise Drive and Lake Eloise Loop Road as depicted in

the Plans and Specifications, as defined below and described in **Exhibit C** and includes the following: construction of a roundabout including the removal and replacement of existing unsuitable material under the roundabout(the “**Transportation Improvements**”). The Transportation Improvements are reflected in the Plans and Specifications, as below defined. The DEVELOPER shall bear the full responsibility for payment of all costs, construction and otherwise, related to the construction of the Transportation Improvements and any due diligence matters required by the COUNTY related to the Transportation Improvements including but not limited to, environmental survey, environmental permits, and environmental mitigation. The COUNTY shall reimburse, in cash, DEVELOPER for all such costs.

4. **Plans, Specifications, and Permits.**

- A. Prior to construction of the Transportation Improvements, the DEVELOPER shall obtain COUNTY approved construction plans prepared by the DEVELOPER for the Transportation Improvements (Polk County Permitted plans Project # LDNON-2023-1 Dated 3-01-2023) (the “**Plans and Specifications**”). The final Plans and Specifications are a material part of this AGREEMENT.
- B. The Plans and Specifications for the Transportation Improvements may be modified through the mutual agreement of the DEVELOPER and the COUNTY by change order (the “**Change Order**”) as actual construction of the Transportation Improvements progresses. Proposed modifications will be provided by the DEVELOPER to the COUNTY for review. To be effective and binding against the COUNTY, however, any and all such modifications and Change Orders must be in writing, executed by the COUNTY and the DEVELOPER. Any Change Order that causes the cumulative cost of the Reimbursement Amount to increase by more than 10% must be approved by written amendment to this Agreement. Based upon approved modifications and Change Orders, the COUNTY will modify the Reimbursement Amount listed in Section 5.E. accordingly.

5. **Construction Requirements.**

- A. The COUNTY is currently inspecting and monitoring the work site during construction of the Transportation Improvements. If, during construction, the COUNTY finds the work, materials, or equipment are defective, the COUNTY will give the DEVELOPER written notice of the defect and the DEVELOPER agrees to correct the defective condition, if commercially reasonable, within thirty (30) days of the DEVELOPER’S receipt of such notice. If the DEVELOPER fails to correct the deficiency, the COUNTY may take any action necessary on the DEVELOPER’S behalf, including correcting the deficiency, removing deficiencies, or utilizing COUNTY’S contractor to complete the work.
- B. The schedule of qualifying improvements eligible for reimbursement by the COUNTY hereunder is set forth and described in the Cost Estimate in **Exhibit B**.
- C. Upon completion of the Transportation Improvements in accordance with the Plans and Specifications, the Parties shall follow the procedures set forth in Section 7, below.
- D. The Transportation Improvements shall be completed on or before August 1st, 2023, unless a later date is mutually agreed to by the Parties, which agreement shall not be unreasonably withheld. The DEVELOPER shall provide the COUNTY a monthly construction management status report

during the term of this AGREEMENT. Upon completion of the Transportation Improvements, the DEVELOPER shall notify the COUNTY, in writing, of the completed construction.

- E. The estimated cost of the Transportation Improvements, including a twenty percent (20%) contingency, which is ONE MILLION ONE HUNDRED SIXTYEIGHT THOUSAND FOUR HUNDRED NINETYTHREE AND 66/100 DOLLARS (\$1,168,493.66), as set forth and further described on **Exhibit B**. The COUNTY agrees to reimburse the DEVELOPER for a portion of its actual costs incurred for the Transportation Improvements, not to exceed FOUR HUNDRED TWENTYNINE THOUSAND EIGHT DOLLARS AND 34/100 DOLLARS (\$429,008.34) (the “**Reimbursement Amount**”). The procedure for the DEVELOPER to request reimbursement from the COUNTY shall follow Section 7, below.

6. **Maintenance.** After the Notice to Proceed is issued to DEVELOPER and until the COUNTY issues the inspection letter referenced in Section 7, the DEVELOPER or the DEVELOPER’S contractor shall be responsible for the vegetative maintenance of and proper maintenance of traffic of the West Lake Eloise Drive and Lake Eloise Loop Road; however, such maintenance shall only be required within the construction limits of the Transportation Improvements. The DEVELOPER or the DEVELOPER’S contractor shall additionally be responsible for maintaining the job site in a safe manner for access by vehicles, pedestrians, and bicycle traffic during construction of the Transportation Improvements.

7. **Reimbursement Procedures; Inspection; Conveyance of Transportation Improvements.**

A. Upon receipt of the Developer’s completion notification described in Section 5.D., above, the COUNTY shall conduct or cause to be conducted such inspections of the Transportation Improvements as it may desire in order to determine that the construction of the Transportation Improvements is satisfactory and conforms to the Plans and Specifications (“**Inspection**”). Upon completion of the Inspection, the COUNTY shall issue a letter to the DEVELOPER indicating that the Transportation Improvements comply with the approved Plans and Specifications.

B. Within ten (10) days of the issuance of the COUNTY inspector’s letter described in Section 7.A., above, the DEVELOPER shall submit to the COUNTY an engineer’s certificate of completion that confirms the Transportation Improvements have been properly constructed in accordance with County standards, and all construction and financial information necessary to insure that Transportation Improvements have been properly constructed in accordance with COUNTY standards and all the contractors and subcontractors have been paid in full (collectively referred to herein as the “**Documentation**”). The Documentation shall include, without limitation, acceptable “as-built” drawings, detailed construction costs and invoices, receipts, copies of payments to the contractor, release of liens, and any required certifications to permitting agencies, etc. Upon receipt of all such Documentation, the COUNTY shall have 15 days (the “**Review Period**”) to review the Documentation to ensure that it is complete. If the Documentation is incomplete, the COUNTY may request additional documentation and the same process shall be followed until all Documentation has been provided to and approved by the COUNTY. Within 45 days after the COUNTY concludes its Review Period, the COUNTY shall reimburse the DEVELOPER for the cost of the Transportation Improvements up to the dollar amount listed in Section 5.E., above.

C. DEVELOPER shall, at its sole cost and expense, convey the Transportation Improvements to the COUNTY by Quit Claim Deed, free and clear of all liens and encumbrances, within fifteen (15) business days of the issuance of the COUNTY inspector's letter described in Section 7.A., above.

D. After the COUNTY accepts the Transportation Improvements, it shall thereafter be responsible for the operation and maintenance of the Transportation Improvements so conveyed to the COUNTY. Through a maintenance surety, in a form acceptable to the COUNTY, the DEVELOPER shall warrant the Transportation Improvements from any and all defects for a period of one year from the date of the COUNTY inspector's letter described in Section 7.A., above. If the warranty period has not been completed prior to the expiration of this AGREEMENT, then this Section 7.D. shall survive the termination of this AGREEMENT until the end of the warranty period.

8. **Development Approvals.** This AGREEMENT shall in no manner constitute a development approval regarding the Property or the Harmony on Lake Eloise project. DEVELOPER must comply with all applicable provisions of the Polk County Land Development Code and conditions regarding the development of the Property and the Harmony on Lake Eloise project.

9. **Self-Help Provision.** In the event DEVELOPER proceeds with the Transportation Improvements according to the terms set forth herein and the COUNTY desires to expedite the overall construction of the Transportation Improvements, the COUNTY shall be permitted, upon thirty (30) days written notice to DEVELOPER ("Written Notice"), to assume DEVELOPER'S responsibilities related to the construction of the Transportation Improvements. If COUNTY exercises its rights set forth in this Section 9, then DEVELOPER is released from any liability or obligation arising after delivery of Written Notice with respect to Transportation Improvements or that portion of the Transportation Improvements for which the COUNTY assumes responsibility. In such event, the COUNTY shall be entitled to ownership of the Plans and Specifications and all permits (including environmental permits) granted to DEVELOPER in connection with the Transportation Improvements and DEVELOPER shall use its diligent, good faith efforts to ensure the successful transfer of the same to the COUNTY; provided, however, that all costs related to construction then performed by DEVELOPER shall nonetheless be reimbursed by the COUNTY to DEVELOPER prior to the COUNTY'S commencement of the work pursuant to this Self-Help Provision.

10. **Approvals.** In those instances, in which a party's approval, consent or satisfaction is required under this AGREEMENT, and a time period is not specified, then it shall be implied that such action shall be exercised in a reasonable manner and within a reasonable time frame, not to exceed ten (10) business days. Time is hereby declared of the essence as to the lawful performance of all duties and obligations set forth in this AGREEMENT.

11. **Indemnification.** DEVELOPER, its successors, and assigns shall protect, defend, indemnify, and hold harmless, the COUNTY, its officers, commissioners, council members, employees and agents from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees, including a reasonable, actually incurred, attorney's fee or other expenses or liabilities, of every kind and character resulting from any error, omission, or negligent act of DEVELOPER itself, its agents, contractors, subcontractors, employees, or representatives in the performance of its obligations under this AGREEMENT. The foregoing indemnification obligation shall not apply to the extent of the negligence of the COUNTY. The COUNTY is a political subdivision of the State of Florida that possesses sovereign immunity except for the limited waiver stated in Section 768.28, Florida Statutes. To the limited extent specified in Section 768.28, the COUNTY may be responsible for certain damages for injury or loss of property caused by negligent acts or omissions of its employees acting within the scope of the employee's office or employment. However, nothing stated in this AGREEMENT is, or shall be deemed to be: (i) a waiver of the COUNTY'S sovereign immunity as stated in Section 768.28; (ii) an extension of the limited

waiver of its sovereign immunity as stated in Section 768.28; (iii) a waiver of any requirement or condition stated in Section 768.28; or (iv) the COUNTY's consent to be sued.

12. **Insurance.**

A. The DEVELOPER shall require its engineer of record to acquire and maintain Professional Liability Insurance in the amount of ONE MILLION AND NO/100 DOLLARS (\$1,000,000.00) per occurrence and TWO MILLION AND NO/100 DOLLARS (\$2,000,000.00) in the aggregate, exclusive of defense costs, and the Commercial General Liability, Comprehensive Auto Liability, and Workers Compensation coverages stated in Section 12.B. below.

B. The DEVELOPER shall maintain, or cause its agents and contractors to maintain the following types of insurance with at least the following minimum limits of liability:

Commercial General Liability:	\$1,000,000.00 per occurrence
Comprehensive Automobile Liability	\$1,000,000.00 per occurrence

Employers Liability	\$1,000,000.00

C. All insurance must be provided by a carrier licensed to do business in the State of Florida having an A.M. Best rating of at least the "A" category and size category of VIII. The COUNTY shall be named as an additional insured on General Liability and Automobile Liability policies. The General Liability and Workers' Compensation policies shall contain a waiver of subrogation in favor of the COUNTY.

D. The DEVELOPER shall provide the COUNTY original Certificates of Insurance satisfactory to the COUNTY to evidence such coverage promptly following the execution of this AGREEMENT and before any work commences on the Transportation Improvements. The COUNTY must be identified on the Certificates as follows: "Polk County, a political subdivision of the State of Florida." Coverage must commence on the first day work begins.

13. **Term and Nature of Agreement.** With the exception of warranty requirements, this AGREEMENT shall terminate upon satisfaction by the Parties hereto of their respective obligations contained herein. If DEVELOPER is unable to obtain all necessary approvals for the construction of the Transportation Improvements from the COUNTY, or any other governmental agency, or if DEVELOPER is unable to enter a Construction Contract for the Transportation Improvements, the DEVELOPER or COUNTY may terminate this AGREEMENT. If DEVELOPER fails to begin construction of the Transportation Improvements on or before three (3) years from the Effective Date of this AGREEMENT, this AGREEMENT shall be null and void.
