### **SUBJECT**

SET HEARING to Consider Adopting a Resolution Allowing for the Installation of Traffic Calming Devices (Speed Humps) on Elizabeth Place, Near Lakeland. Suggested hearing date is Tuesday, July 11, 2023, at 9:30 a.m. (No fiscal impact)

### **DESCRIPTION**

The Board of County Commissioners has a policy that allows for the installation of traffic calming devices on certain County roads, provided they meet the criteria set forth in the policy.

An area resident approached the County with a request to install traffic calming devices on Elizabeth Place. Elizabeth Place is located in the Lakeland area in S-9, T-29S, R-24E, and is classified as a Local Residential roadway.

Staff conducted traffic studies on Elizabeth Place, as outlined in FS 316.189, and determined that the roadway met the Policy criteria based on traffic speed and volume. Staff subsequently distributed ballots to affected homeowners and received a favorable vote from the required percentage of that population.

Per Board policy, once requirements are met, the public will have an opportunity to address the Board of County Commissioners before traffic calming devices are approved.

### **RECOMMENDATION**

Request Board set a public hearing date to consider adopting a Resolution allowing for the installation of traffic calming devices (speed humps) on Elizabeth Place. Suggested hearing date is Tuesday, July 11, 2023, at 9:30 a.m.

### **FISCAL IMPACT**

There is no fiscal impact in setting the Public Hearing.
