

Polk County

Legislation Text

File #: 23-2464, Version: 1

SUBJECT

Adopt a Resolution Setting Speed Limit on Smith Road, near Lakeland. (\$121.32 one-time expense)

DESCRIPTION

The Roads & Drainage Division received a request from an area resident to post a speed limit on the roadway. In researching the request, the Roads & Drainage Division discovered that a Resolution establishing a speed limit for Smith Road could not be located and may not exist. Smith Road is located in the Lakeland area in S-28, T-27S, R-23E, and is classified as a Local Residential roadway.

Staff conducted traffic studies along Smith Road as outlined in FS 316.189, and investigated the five-year crash history. Based on the research, it was determined that a posting of 20 M.P.H. is reasonable for this road. To comply with statutory requirements, it is necessary for the Board to adopt a Resolution establishing the proposed speed limit.

RECOMMENDATION

Request Board adopt the associated Resolution to establish the proposed speed zone for Smith Road. Cost for installation of signs is estimated at \$121.32.

FISCAL IMPACT

Funding is budgeted in the FY 22/23 Transportation Millage Fund.
