SET HEARING to Consider Adopting a Resolution Allowing for the Installation of Traffic Calming Devices (Speed Humps) on Vicki Drive, Near Mulberry. Suggested hearing date is Tuesday, July 11, 2023, at 9:30 a.m. (No fiscal impact)

DESCRIPTION

The Board of County Commissioners has a policy that allows for the installation of traffic calming devices on certain County roads, provided they meet the criteria set forth in the policy.

An area resident approached the County with a request to install traffic calming devices on Vicki Drive. Vicki Drive is located in the Mulberry area in S-33, T-29S, R-23E, and is classified as a Local Residential roadway.

Staff conducted traffic studies on Vicki Drive, as outlined in FS 316.189, and determined that the roadway met the Policy criteria based on traffic speed and volume. Staff subsequently distributed ballots to affected homeowners and received a favorable vote from the required percentage of that population.

Per Board policy, once requirements are met, the public will have an opportunity to address the Board of County Commissioners before traffic calming devices are approved.
