SUBJECT - CENTRAL POLK PARKWAY EAST

OUR POSITION - WE ASK THAT THE PROPOSED PATHWAY OF THE ROAD THROUGH OUR COMMUNITY BE DENIED.

THE PROPOSED PATH WILL DRASTICALLY IMPACT THE LIVES OF MANY CITIZENS IN THIS COMMUNITY. THE PROPOSED PATH WILL ALSO DRASTICALLY IMPACT THE ENVIRONMENT.

MANY HOMEOWNERS ARE LOCATED IN THE PROPOSED PATH. THEIR LIVES WOULD BE DEEPLY AFFECTED. MANY OTHER PEOPLE NOT IN THE DIRECT PATH WOULD BE SIGNIFICANTLY AFFECTED. NORMAL TRAVEL-WAYS WOULD BE BLOCKED. SPRINGS, WETLANDS, WILDLIFE (IN ABUNDANCE) ARE IN THE PROPOSED PATH. THERE ARE SEVERAL 'PODS' OF GOPHER TORTOISES IN THE PROPOSED PATH, MANY ON MY PROPERTY. GOPHERS ARE A KEYSTONE SPECIES UPON WHICH MANY OTHER ANIMALS DEPEND. THERE SPRINGS HERE AND ACROSS THE ROAD IN THE DIRECT PROPOSED PATH. THERE IS AN EXCEEDINGLY LARGE AMOUNT OF WETLANDS IN THE PROPOSED PATH. THE WETLANDS PROVIDE AN ENVIRONMENT FOR A WIDE RANGING SPECTRUM OF PLANTS AND ANIMALS.

OUR LIVES ARE HERE AND UNDER DIRECT THREAT OF ASSAULT AND DESTRUCTION.

AN ALTERNATIVE SOLUTION IS CLEARLY VISIBLE. EAST OF OUR COMMUNITY AREA IS A UTILITY CORRIDOR, WITH GAS PIPELINES AND ELECTRIC POWER TRANSMISSION LINES, WHICH GOES EXACTLY TO THE LOCATION YOU WANT AND IS ALREADY IN PLACE. A WIDENING OF THAT CORRIDOR, FOR THE ROAD, WILL CAUSE THE LEAST HUMAN AND ENVIRONMENTAL IMPACT. IT IS ABSOLUTELY THE BEST PATH. DO NOT BUILD THE ROAD THROUGH OUR COMMUNITY. IT WILL CAUSE UNNECESSARY, VAST DISRUPTION AND DEVASTATION OF HUMAN LIVES AND THE ENVIRONMENT.

FLORIDA'S TURNPIKE ENTERPRISE

SUBJECT - CENTRAL POLK PARKWAY EAST

OUR POSITION - WE ASK THAT THE PROPOSED PATHWAY OF THE ROAD THROUGH OUR COMMUNITY BE DENIED.

THE PROPOSED PATH WILL DRASTICALLY IMPACT THE LIVES OF MANY CITIZENS IN THIS COMMUNITY. THE PROPOSED PATH WILL ALSO DRASTICALLY IMPACT THE ENVIRONMENT.

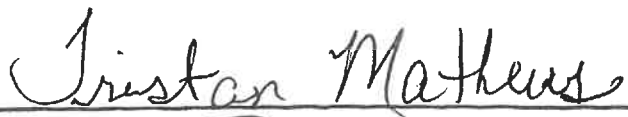

MANY HOMEOWNERS ARE LOCATED IN THE PROPOSED PATH. THEIR LIVES WOULD BE DEEPLY AFFECTED. MANY OTHER PEOPLE NOT IN THE DIRECT PATH WOULD BE SIGNIFICANTLY AFFECTED. NORMAL TRAVEL-WAYS WOULD BE BLOCKED. SPRINGS, WETLANDS, WILDLIFE (IN ABUNDANCE) ARE IN THE PROPOSED PATH. THERE ARE SEVERAL 'PODS' OF GOPHER TORTOISES IN THE PROPOSED PATH, MANY ON MY PROPERTY. GOPHERS ARE A KEYSTONE SPECIES UPON WHICH MANY OTHER ANIMALS DEPEND. THERE SPRINGS HERE AND ACROSS THE ROAD IN THE DIRECT PROPOSED PATH. THERE IS AN EXCEEDINGLY LARGE AMOUNT OF WETLANDS IN THE PROPOSED PATH. THE WETLANDS PROVIDE AN ENVIRONMENT FOR A WIDE RANGING SPECTRUM OF PLANTS AND ANIMALS.

OUR LIVES ARE HERE AND UNDER DIRECT THREAT OF ASSAULT AND DESTRUCTION.

AN ALTERNATIVE SOLUTION IS CLEARLY VISIBLE. EAST OF OUR COMMUNITY AREA IS A UTILITY CORRIDOR, WITH GAS PIPELINES AND ELECTRIC POWER TRANSMISSION LINES, WHICH GOES EXACTLY TO THE LOCATION YOU WANT AND IS ALREADY IN PLACE. A WIDENING OF THAT CORRIDOR, FOR THE ROAD, WILL CAUSE THE LEAST HUMAN AND ENVIRONMENTAL IMPACT. IT IS ABSOLUTELY THE BEST PATH. DO NOT BUILD THE ROAD THROUGH OUR COMMUNITY. IT WILL CAUSE UNNECESSARY, VAST DISRUPTION AND DEVASTATION OF HUMAN LIVES AND THE ENVIRONMENT.
