Polk CTC re-designation process, for the July 1, 2026-June 30, 2031 Memorandum of Agreement (MOA) with the Commission for the Transportation Disadvantaged (CTD)

The current MOA runs from July 1, 2021 to June 30, 2026. Prior to that, [The Designated Official Planning Agency (Polk TPO) will,] "when necessary and in cooperation with the LCB solicit and recommend a single CTC. This selection will be accomplished, to the maximum extent feasible, through public competitive bidding or proposals in accordance with applicable laws and rules. Such recommendation shall be presented to the Commission [for the Transportation Disadvantaged] by Planning Agency staff or their designee." [Task 2.A of the TPO's TD Planning Grant.] When the CTC is a 'governmental agency,' then, that CTC may request that the Commission for the Transportation Disadvantaged, re-designate it with a new MOA. The CTC makes this request through the LCB and TPO. LAMTD is a governmental agency and the designated CTC for Polk County, and as such, we may follow this process:
