

# Exhibit A

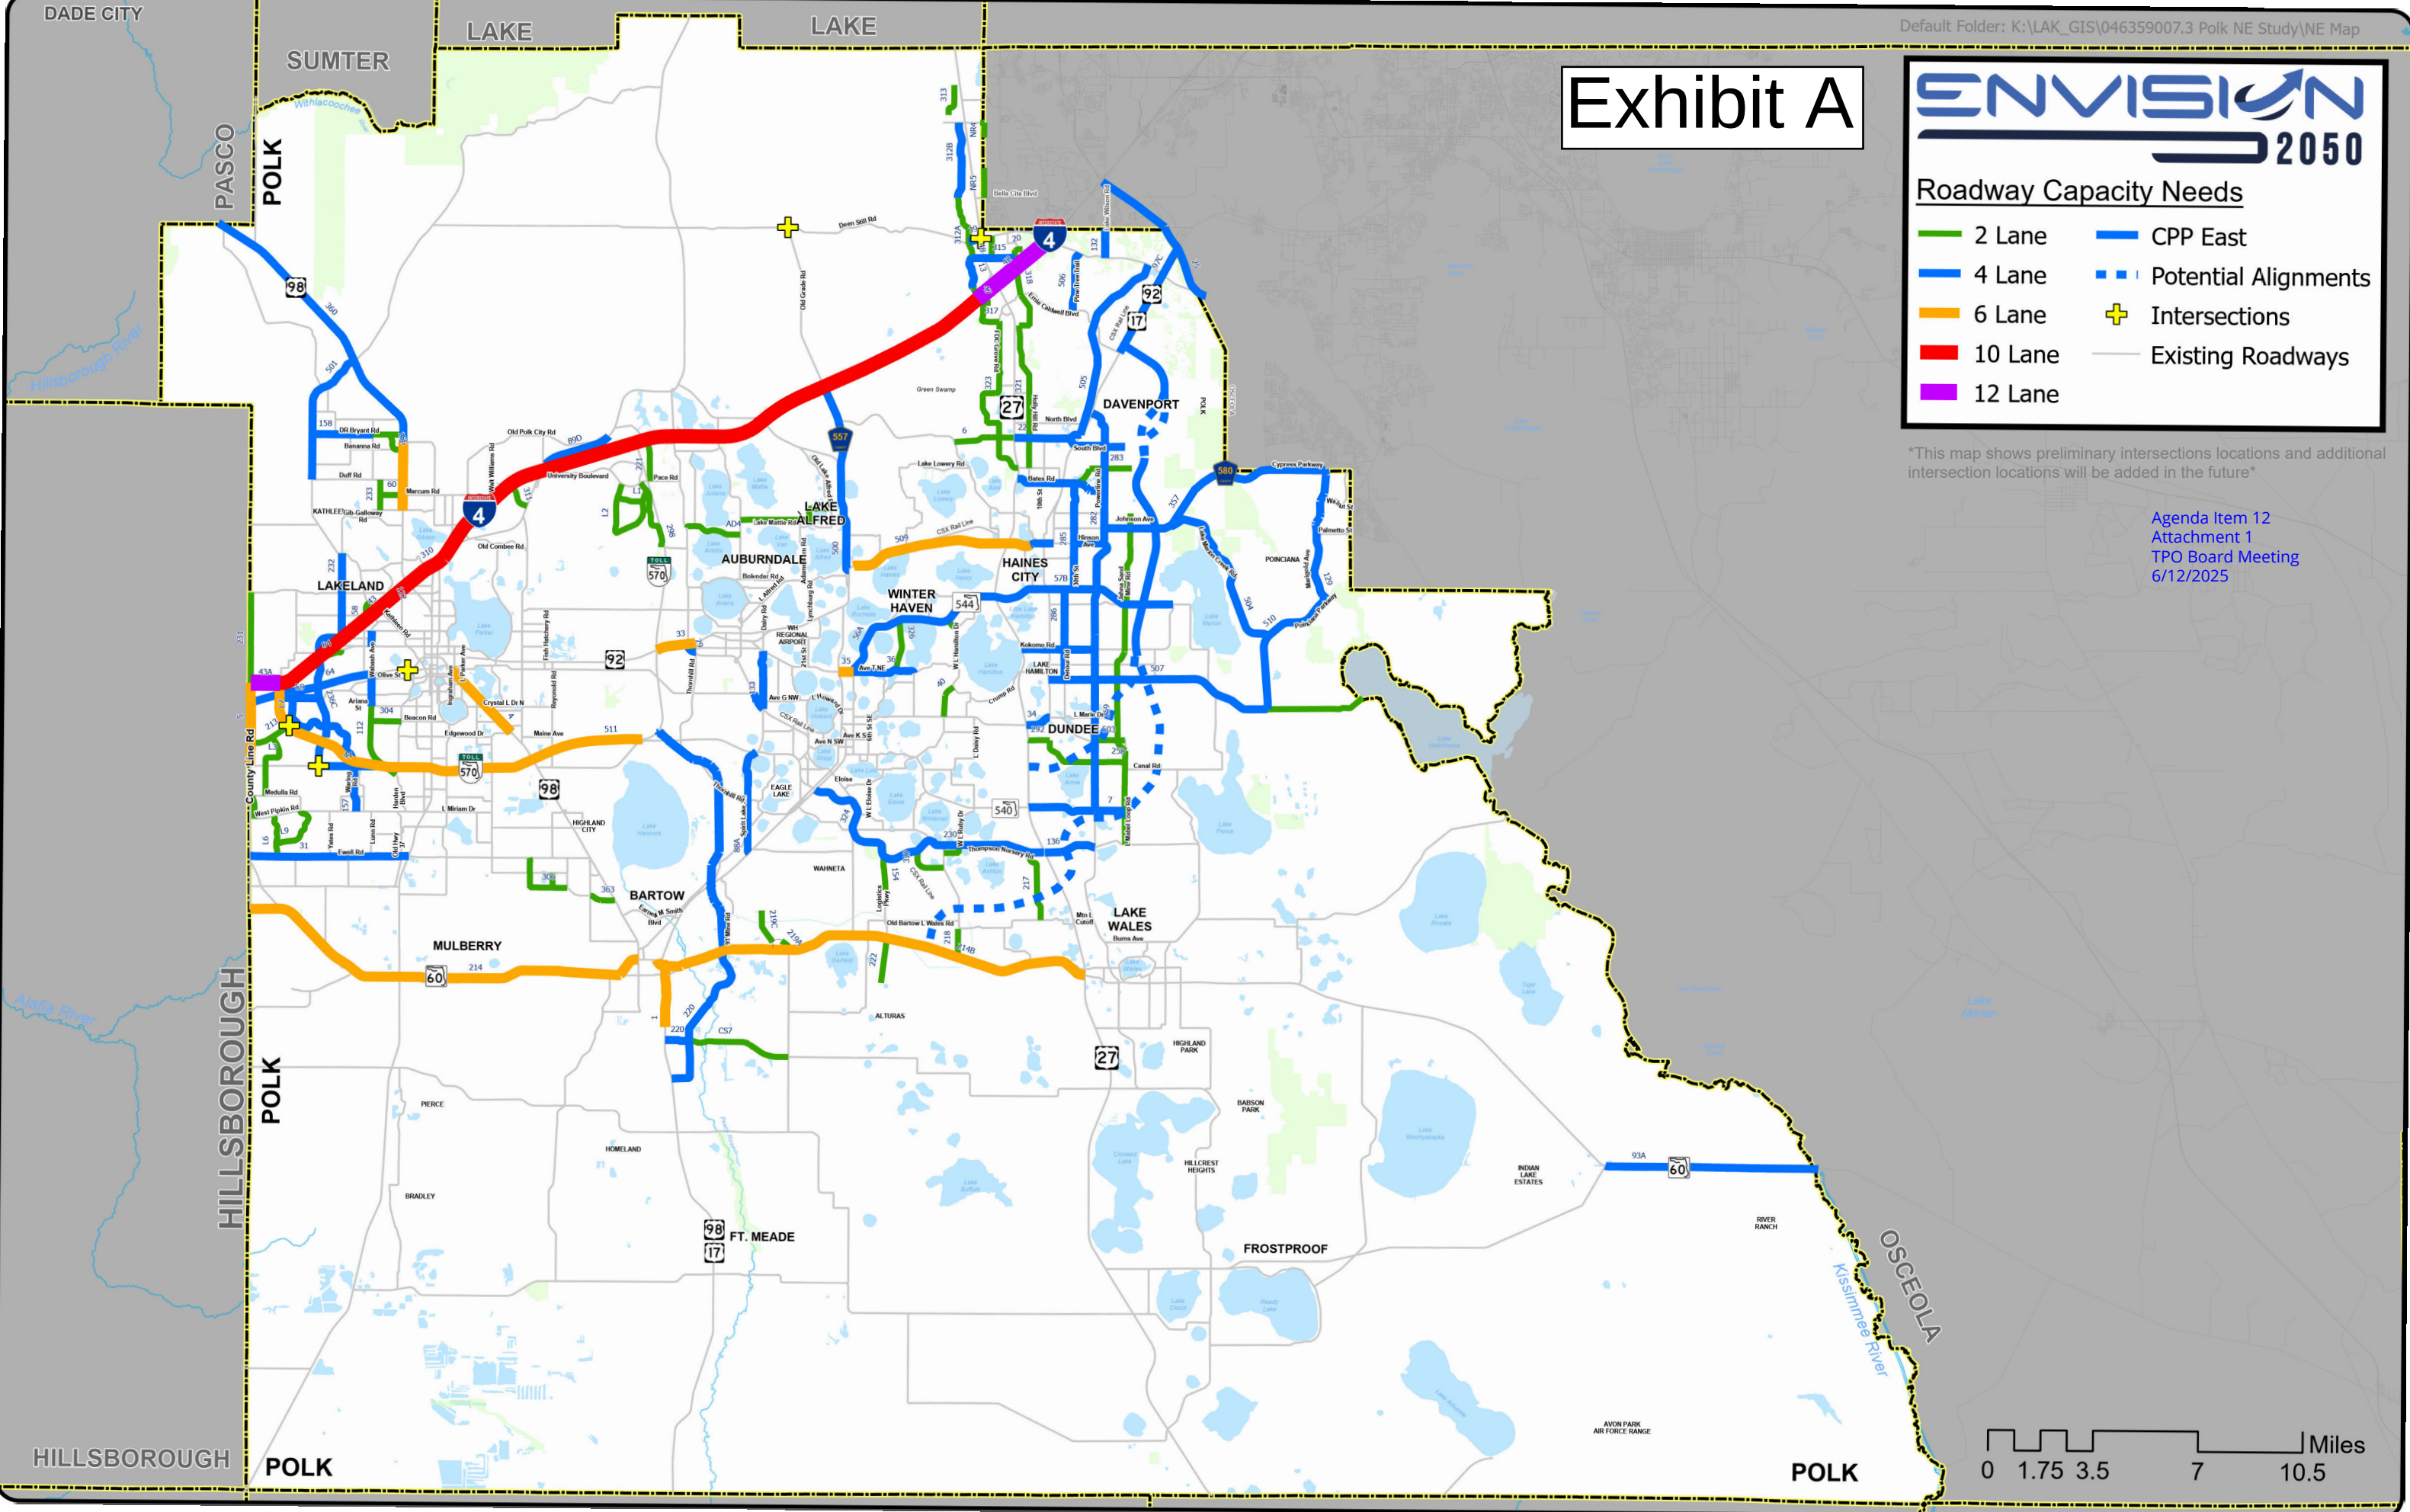

### Roadway Capacity Needs

|         |                      |
|---------|----------------------|
| 2 Lane  | CPP East             |
| 4 Lane  | Potential Alignments |
| 6 Lane  | Intersections        |
| 10 Lane | Existing Roadways    |
| 12 Lane |                      |

\*This map shows preliminary intersections locations and additional intersection locations will be added in the future\*

Agenda Item 12  
Attachment 1  
TPO Board Meeting  
6/12/2025

| Project ID | Roadway                       | From                          | To                   | Description                       |
|------------|-------------------------------|-------------------------------|----------------------|-----------------------------------|
| 43A        | I-4                           | 50th St (Hillsborough Co)     | SR 570               | Widen to 12 Lanes (Express Lanes) |
